Humphreys For State Senator

In this issue of The Advertiser we are publishing the announcement of Robert Humphreys, of Mayfield, who has recently entered the race for the State Senate from the First District, comprised of Fulton, McCracken, and Union counties, as a Democrat. His campaign is subject to the action of the Democratic Executive Committee, but at all times supported such action of the committee as I deemed wise and just for the party. At the Democratic Primary last year I had an opportunity to observe the character of the candidates, and believe myself competent to serve you. I am a Democrat and have long supported all measures of the national and State party which have been in favor of the advancement of labor and the working people.

FIRST BAPTIST CHURCH

Vast Audience Witness Pretty Church Wedding

One of the most beautiful weddings of the early summer was attended Wednesday, June 11th, in the First Baptist Church. The beautiful church was appropriately decorated with red, white, and blue flags, and American flags. The sentiment and joy of the occasion was heightened by the presence of the bride's parents, Mr. and Mrs. Nathan Humphreys, who were called upon to preside at the altar. The ceremony was performed by the Rev. Dr. John H. Moore, who pronounced the nuptials. The bride, Miss Burnice Yarbrough, and the groom, Mr. Milton E. Todd, were eloquently described in the Gettysburg Speech. Safety Glass

Ford cars are now equipped with safety glass in all doors and windows at a small extra charge

The Triplex safety glass windshield has always been outstanding feature of the Model A Ford. By reducing the dangers of flying glass, it has saved many lives and prevented countless injuries in automobile collisions.

Now comes a further assurance of safety to every Ford owner — polished plate safety glass in all doors and windows — and the car will be factory-equipped for you in that manner.

Today, before the safety glass windshield is furnished as standard equipment on all Ford cars without extra charge.

FORD OWNERS: The announcement affects only NEW CARS. Ford owners are not in a position to install safety glass in the windows of your present Ford at the above prices.

Paint

There's a big difference in it. The cheap paint is usually cheap in quality as well as cost at any price. And it doesn't protect the surface. We have in stock standard brands, tried, tested and approved, backed by a price guarantee.

Don't throw money away on poor paint—come in and let us show you how to save money on your paint job.

Here is Your Invitation to Our 12th Anniversary Celebration.

We feel a good deal like the little girl who told everyone that she was going to have a “Swell Party.” We’ve spared no effort to make this such a party for you and the hundreds of interested and loyal customers who have made this “party” possible. Preparations have been going on for months and the Values are REAL.

Back of all this preparation stands the accumulated experience of 12 growing years—and the unwavering policies of this store. Back of it, too, stands Fulton’s and the Vicinity’s Confidence in the store—a confidence that we respect and by which we are constantly inspired to greater achievements.

We want to say, too, that we deeply appreciate your patronage and hope that the pleasant relations between us will continue for many years.

It Really Doesn't Pay To Try To Do Without It

The Telephone is such a familiar part of daily life that its convenience and value are often overlooked until it is out of service.

Telephone service, in the home, office and business, is a necessity of modern life.

There are times when the telephone can be absolutely essential. It means the difference between success and failure.

The telephone is a convenience, but it is not a luxury. There are many things that can be done without it, but there are many things that cannot.

Telephone service is a necessity of modern life.
