READJUSTMENT IN COTTON QUOTA OF COUNTY IS HOPED

Growers Had No Opportunity to Sign Acreage Reduction Contracts

COMPLAINT LODGED WASHINGTON CHIEF

Calloway cotton growers' complaints against the original allotment of 304 bales have been presented by the Murray Chamber of Commerce to C. A. Cobb, chief of the cotton section at Washington, and to the state allotment board at Lexington in the hopes of securing a more equitable adjustment.

Some relief has already been obtained in a tentative adjustment of 12½ bales, and prospects are that it will be further increased to 40 or more at the end of this week, the county agent's office has reported. A further advantage is being obtained in the form of surplus tax-exemption certificates which may be purchased at a saving of about \$4 per bale.

Calloway officials, however, are of the opinion that the original allotment of 304 bales tax-free cotton should be raised to about 800 bales. In letters, telegrams, and a conference with J. B. Hutson of the AAA in the tobacco section, data has been submitted showing that Calloway growers were given the opportunity of signing the acreage reduction contracts. They were told, according to officials here, that the growers of this county would not be required to sign these contracts since this county normally does not produce a large amount of cotton.

With the estimated yield of 1200 to 1300 bales this year, Calloway growers are petitioning the AAA to give a fairer allotment than that which has been proposed. Growers of this county further state that the allotment board, in fixing the allotment, did not give consideration to the cotton which is grown in Calloway and gained in other counties.

The Murray Chamber of Commerce, in cooperation with other officials and organizations, has called attention to the fact that the purpose of the act was to reduce production—has been achieved on account of the drought, and that the necessity for reduction no longer exists.

Senator Alben W. Barkley has petitioned the Washington officials to make suitable adjustments in Calloway and other counties. A dispatch from Washington this week stated that in all probability the Barkley Act would be suspended at the forthcoming session of Congress, or "re-vamped."

ARREST KIRKSEY YOUTH SATURDAY

Waylon Bazzell Held for Breaking Into Home of Lee Wilson; Watches, Guitar Taken

Waylon Bazzell, Kirksey, was arrested and placed in jail Saturday on a charge of housebreaking in connection with the entering of the home of Lee Wilson recently. Wilson lives between Kirksey and Backusburg. Bazzell will await the action of the November grand jury.

Two watches and a guitar were included in the loot taken from the home. The watches were recovered after they had been sold to a Murray jeweler through a second party that admitted that he sold them for Bazzell. Bazzell came clear in the August term of court on a charge of housebreaking and arson in connection with the burning of the home of Herbert McCusick, Kirksey, last fall.

First National To Pay 65%

The Ledger & Times has been informed that the comptroller of the currency has released the announcement of the first dividend payment to the depositors of the First National Bank.

The Treasury Department is now preparing the checks for this payment. This will require perhaps several weeks. A dividend of 65 per cent will be paid to the depositors of this bank on all proved claims. When the comptroller of the currency has completed this payment, the depositors of this bank will receive the benefits of more than one-half million dollars. Specific notice will be given the depositors when these checks are ready for delivery.

3 P. M. MONDAY IS OLD CLOTHES HOUR

Young Business Men's Club Will Gather Worn Garments at Homes for Relief Workers.

The Young Business Men's Club has taken up the drive for men's clothing for the Clothes Closet Drive and has named Monday afternoon, 3:00 o'clock, old clothes hour. Beginning at that hour members of the club will cover the city of Murray picking up the collected garments from the porches of the homes of Murray.

The club named Monday night for the club members to bring their old clothing and make a collection of garments for a club. The garments will be brought at their luncheon hour and will be turned over to Mrs. Risenhoover Tuesday.

At the meeting Monday night a committee composed of T. Holland, Wells Furdon and Harry Heath was named to conduct the drive for the worn men's garments. The plan of the committee was to ask that persons having old garments place them in a bundle in open view on their porches and have a bundle ready for the "old clothes hour." Several older boys in the county school are in need of garments to attend school and to go about in comfort the coming winter.

Among the pleas made by applicants for men's clothing included a desire to go to church but lack of a coat prevented. These men do not need and are not asking for a suit that the average person would wear in his place of business or to a gathering. Most anything will have value in this work as a full corps of ladies are hired to patch garments, sew up seams, clean and wash, and salvage patches and buttons from even parts of garments. A collarless shirt or a vestless coat or a stray shoe will be taken. Many in doubt do not give because they have to offer show considerable signs of wear.

Men may bring their garments at any time to the home of Mrs. Lulu Risenhoover, North Fourth street just below Love Studio, and they will be received and notified by the several relief workers in the city and they will be taken up at the home.

The collectors for men's garments will also pick up any other type of clothing for either women or children if placed with the bundle for men.

Two Added to College Faculty

Dr. Frances Hicks, wife of Dr. G. T. Hicks, head of the Murray State College education department, and Dr. Liza Spann have been elected to the faculty of Murray State College.

Mrs. Hicks has her doctor's degree from George Peabody College and has been a faculty member of the college at different times for the past two years. She will serve as critic teacher in English and mathematics.

Miss Spann received her degree from the University of Kansas, taught here in the spring and summer semesters. She will do part time work as instructor in the biology department.

23 FROM COUNTY MAKE HONOR ROLL

Students Must Make Standing of 2.2; "A" Counting 3; "B" 2; "C" as 1; "D" Passing

Of the 108 students listed on the summer school honor roll of 1934, 23 were from Calloway county according to Mrs. Cleo Gillis Rester, registrar of Murray State College.

In order to make the honor roll at Murray State College, a student must make a standing of 2.2 with an "A" counting as 3, "B" counting 2, "C" as 1, "D" passing but without credit towards honor roll; "E" failing. Students must also be in good standing with the college.

The following student attained a standing of 2.2 or higher during the summer semester:

Lula Clayton Beale, Murray, 2.2; Mildred Beale, Murray, 3; Mrs. Lorena W. Blackburn, Hazel, 2.2; Howard Brumbaugh, Murray, 2.2; Clara Kimbel Crawford, Lynn Grove, 2.3; Virginia Derrington, Lynn Grove, 2.3; John W. Dulaney, Murray, 2.2.
Mildred Farris, Murray, 3; Mrs. William H. Fox, 3; Murray; Galen C. Hughes, Murray, 2.3; Curtis Gaylon Lamb, Kirksey, 2.5; Marion Preston Lassiter, Murray, 2.3; Mrs. Frances Coleman McLean, Murray, 2.6; Mrs. Sara Elizabeth McEwen, Murray, 2.2.
Fred Lee Hagger, Murray, 2.5; Mavis Miller, Hazel, 2.4; Dorothy Holland, Murray, 2.2; Dorothy Robertson, Murray, 2.5; Mary Paul Spellings, Hazel, 3; Vernon Smith, Murray, 2.5; Callie Wear, Murray, 3; Stephen D. Woodruff, Murray, 3.

Commerce Body Studies Rates

The Transportation Committee of the Murray Chamber of Commerce at a meeting held in the commerce office here Wednesday morning, laid plans for an investigation of freight rates on various commodities shipped into Murray.

Members of the committee appointed by President Swann and the board of directors were: Treman Beale, Luther Robertson, Joe Ryan, and L. J. Horton, secretary. All were present at the meeting Wednesday.

Communications with Hon. Moss Glenn, chairman of the Kentucky Railroad Commission, were read and discussed at the meeting. The Chamber of Commerce, following the meeting, filed data with the state commission applying for an adjustment. Mr. Glenn has promised to cooperate with the Murray organization in the matter.

Almo Ten Crushes Training School, 20-1

The Almo softballers made two wins in as many days Wednesday at Murray when they swamped the Training School under a barrage of hits winning 20-1.

Smith, hitting for Almo, allowed few hits although he pitched a game against Hazel the day before. Every Brownman batted well in the game.

Tigers Play Mayfield Here Under Lights Tomorrow (Friday) Night

"Beat Mayfield." That's the cry in Murray this week as Coach Ty Holland's valiant little band of Murray High School Tigers prepare to play the part of David in an enactment of the old drama of David and Goliath on high school field Friday night at eight o'clock.

The dope favors the big boys in "Red" from our rival city in Graves county but the Tigers have considerably more than an outside chance and the boys in black and gold plan to kick the old-dope bucket in more pieces than a two dollar bill at a carnival.

Dynamite Dunn, the scrappy little halfback of the Murray team, who was injured two weeks ago when a milk bottle smashed on his knee and cut an artery will be ready for action and Dyny is "rarin' to go." Carlton, a big fast boy will be moved in to guard, a move which will materially stiffen the defense of the Tiger forward wall.

It appears that Coach Holland has developed in James Rudy All-bruwer one of the best backs who ever won a Murray uniform. James Rudy was a big factor in the Tigers' attack at Metropolis last Friday night when the boys unfortunately lost 20-13 in the closing minute of play. The Illinois lads, who have their best team in a long time, unknocked a 13-13 tie with 45 seconds left to play when they completed a long pass over the goal line to a tall end who just couldn't be covered by

little Pat Covington. It was said to have been one of the best played games ever seen in Metropolis. The Trojans scored twice in the first half and led the Tigers 13-6. James Rudy counted Murray's marker by taking a pass from Faughan and dashing over.

In the last half, Holland's youngsters came back and decisively outplayed the home team. James Rudy scoring the marker that put the Tigers into the tie.

Mayfield beat Dawson, Springs 45-0 last Friday with seven of their first-string players out of the line-up. Mayfield's other effort was a scoreless tie with Dresden. Last year the Tigers won the Cards fought one another to a 6-6 tie in Mayfield.

Holland's team has been showing great improvement ever since the season started and has a scoreless tie with Morganfield, one of the toughest squads in the Little Sixteen, to its credit.

The game will be played under the lights on high school field at eight o'clock. Admission will be 50c but a quarter will admit all school students.

The Murray high field is one of the best lighted in this entire section and the spectators can see as well as in daylight, a rare exception in night football.

A record-breaking crowd for a high school game is confidently anticipated as the contest will be a battle royal from whistle to whistle. May the best team win—and we hope it's the Tigers.

100th Anniversary of Goshen Church Celebrated There Sunday

Sunday, October 7, was a wonderful day for the people who love and honor Old Goshen Church and all it has stood for these hundred years for on that day was celebrated the 100th anniversary of the founding of Goshen.

One of the most perfect October days was seen. Friends and former members both near and far, joined with the local congregation to fill the house to overflowing by the time the morning service was well under way.

Bro. L. Z. Hurley, pastor of the church, presided.

After a song by the choir, Dr. R. W. Hood led them in prayer.

A fine paper, most excellently compiled by Keith Venable, "These Hundred Years—a Short History of Goshen" was read in a most enjoyable manner by Mrs. E. P. Phillips.

Dr. C. A. Waterfield, a grandson of one of the founders of the church, brought to the congregation a marvelous message. His subject was "This Day."

The morning session ended with benediction by Bro. Hurley.

An unusually bountiful and delectable dinner was spread on the lawn of the church and after blessings were offered by Bro. Hurley, the noon intermission was a most happy affair as friends greeted friend around the festive board. After a season of good fellowship, the crowd again assembled in the church to round out the afternoon program.

The afternoon program opened with a song by the congregation, followed with prayer by the Rev. T. P. Clark.

Dr. R. W. Hood, grandson of the Rev. C. A. Waterfield, brought back sweet memories of the past as his imagination and inspiration took wing as he brought his message, "A Backward Glance."

Ralph Churchill was heard in a vocal solo.

"Our Debt to the Pioneer" was handled well by the Rev. J. C. Rudd in his own, brilliant manner.

"Beulah Land" was sung with zest by the congregation.

The Rev. G. C. Fain, well known in this community, took the assembly on a little reminiscent flight before he launched into his theme, "We Look Forward," giving us the challenge to build for the tomorrow as securely and as finely as the founders of Goshen builded in their day.

Ralph Churchill was again heard in an inspiring message in song. The benediction was given by the Rev. G. C. Fain.

One of the interesting points in this memorial day was that Dr. R. W. Hood, Mrs. E. P. Phillips, Dr. C. A. Waterfield and others who were heard in the program, or who had contributed to the occasion are descendants of the founders of the Goshen church.

During the program at various times descriptions were given of the church buildings that had been erected on this present site

AMERICAN LEGION NAMES OFFICERS

Murray Post No. 73 Plans Big Drive for Members; Armistice Day Program

Officers for 1935 were chosen by Murray Post No. 73 of the American Legion at the regular monthly meeting at the court-house last Thursday night. About fifty Legionnaires were present and enjoyed coffee and doughnuts informally at the end of the business session.

Officers elected for next year were: Joe T. Lovett, commander; Fleetwood Croch, Lynn Grove, vice commander; W. B. Milstead, Hazel, adjutant; Charlie B. Grogan, finance officer; W. Z. Carter, service officer; Bert Vaughan, sergeant-at-arms and R. W. Churchill, chaplain. Four assistant service officers were selected, George S. Hart, Murray; Nix Harris, Lynn Grove; Dick Miller, Hazel, and Clayton Thurman, Brandon. These assistant service officers will serve the veterans in their respective communities.

This year's officers are: R. H. Hood, commander; Dick Miller, vice commander; W. E. Wyatt, adjutant; W. B. Milstead, service officer; and F. B. Crouch, service officer with Geo. S. Hart as assistant. C. B. Grogan and Geo. S. Hart were appointed to audit the finances of the post for this year.

The Post voted to have a cup engraved and presented to the winner of the beauty contest staged here last winter under the Post's auspices. The recipient of the trophy will be Miss Katie Ryan, daughter of Mr. and Mrs. Pat Ryan, Murray.

A vigorous drive for membership will be launched just prior to Armistice Day and the Post hopes to have a record enrollment this year. The veterans also pledged themselves unanimously for repeal of the so-called Economy Act, which slashed adjusted compensation for disabled veterans.

A big Armistice Day program is being planned for this year, and definite announcement concerning it will be made soon.

The Drum and Bugle Corps recruited several new members Thursday night. The Corps has almost enough money to purchase uniforms and hopes to have the remainder soon. The Corps is ably directed by Drum Major Roy Weatherly.

The Post voted to continue its regular meeting on the first Thursday night in each month and the next meeting will be, Thursday night, November 1.

To Cotton Growers of Calloway, Marshall and Graves Counties

As assistant in cotton adjustment for Calloway, Marshall, and Graves counties, I wish to publish the following schedule of places where I will be to issue tax exemption certificates of self excess pool certificates to cotton producers in these counties. This schedule will not become effective until the producers receive their allotment cards from the state office telling them how much their allotment is.

After receiving their allotment cards the producers should bring them in to their county agent's office on a day that I will be there and get their certificates. They cannot get their allotments unless I am in the county agent's office at the time.

Mayfield, Monday; Benton, Tuesday; Murray, Wednesday; Mayfield, Thursday Morning; Benton, Thursday Afternoon; Murray, Friday; Murray, Saturday.

Youngster, 4, Weighs 66 Lbs., is 43 Inches Tall

Master James Dixon, son of Mr. and Mrs. Henry Dixon, two and half miles east of Almo, bids fair to be a pretty good sized man when he grows up.

Master James is four years old, weighs 66 pounds and is 43 inches in height. His waist measures 31 inches and he wears a size 14 boys' overall.

The young man is well rounded of course but is solid with broad shoulders and is quite active.

Arrest Negro on Robbery Charge

John Rowlett Hornbuckle, colored, 17 years old, was arrested by Sheriff Carl Kingins and Deputy Ira D. Fox at nine o'clock Tuesday night on a charge of robbery.

Hornbuckle and a companion who escaped are alleged to have held up Gillis Knight, white, along the railroad tracks with a pistol and robbed him of \$25.

The Murray negro was lodged in jail in default of \$500 bond.

MRS. SHACKLEFORD SERVICES TUESDAY

Death Came at Home Near Concord After 7 Months Illness of Paralysis

Funeral services for Mrs. Alice Shackelford, 71 years of age, were held Tuesday afternoon at 1 o'clock from the Shackelford cemetery. The Rev. E. B. Motley was in charge of the services.

Mrs. Shackelford died at her home near Concord Monday. She had been confined with paralysis for seven months. She was a member of the Old Liberty Church of Christ and leaves several children and a number of other relatives.

Surviving are eight sons, Homer H. Brent, Roney, Tiny, Gordon, Brooks, Charlie and Edward Shackelford, and four daughters, Mrs. Birdie Wilson, Miss Liza Shackelford, Mrs. Anna Willoughby, and Mrs. Haulan Thompson. She also leaves a sister, Mrs. Mollie Shankle and two brothers, Henry and Amos Grooms.

Mr. Swann issued the following statement:

"Sixteen years ago our gallant soldiers started the last big offensive of the World War in the Meuse-Argonne Forest, which led to victory and the Armistice on November 11, 1918. It is therefore fitting that the disabled veterans of that conflict should vivify their annual drive for public support as Argonne Day."

"May their present barrage of Forget-Me-Not's find their marks with our fellow-citizens just as effectively as did their barrage of bullets for our fellow-citizens in years ago."

"The service which the Disabled American Veterans are thereby enabled to render for their less fortunate comrades has been, and will be, of incalculable value to this community."

"I trust that every civic-minded citizen will wear a little blue flower of remembrance on Forget-Me-Not Day."

MAMMOTH STILL IS TAKEN SUNDAY

300 Gallons Mash Destroyed; Operators Setting Up Ready For Production at Time

Deputy Sheriff J. I. Fox and Deputy Jailer Albert Parker took one of the largest stills taken in this county in several years Sunday morning while searching the home of Euwen Donelson for Con Scott. The still of 100 gallon capacity has just been set up by officers under the first fire built under it in its new location in the Donelson home. Donelson lives on the farm of Oliver Clark near Egner's Ferry. Officer Fox poured out about 300 gallons of mash that was ready for cooking.

Officers went to the home in search of Con Scott wanted for driving a car while intoxicated and for failing to stop and render aid after an accident. They entered the Donelson home over his protest and Donelson left unnotified after they gained entrance. The arrest of Donelson was expected the first of the week.

Hal Houston Is Class President

Hal Houston has been elected president of the junior class of the school of Medicine at Vanderbilt University, Nashville. Houston, the son of Dr. and Mrs. E. B. Houston, spent the summer here where he was associated with his father on the Keys-Houston Clinic staff.

Six Taken To Childrens Clinic

Six Calloway county children were taken to the Crippled Childrens Clinic at Paducah last Friday and a report on the cases were expected the first of the week. Dr. and Mrs. J. A. Outland and Miss Virginia Ivan, of the health department, were present and Senator T. O. Turner, who has done much in interest of the work, was also there. Two Calloway children are receiving treatments at the State Hospital, Louisville, L. C. Miller and Miss Emma Sue Harris.

Sales Tax Due On Exchange

Murray merchants have been notified that merchandise exchanged for farm products and produce will be subject to a sales tax and the receiver of the merchandise will be subject to the tax of three cents on each dollar. This information was given by Fulton Farmer, assistant state tax commission, on request of merchants, who have confronted this problem.

Mrs. E. H. Jones, of Blytheville, Ark., is visiting Mr. and Mrs. K. Butterworth and other relatives here.

According to a report made by Dr. A. M. Wolfson, head of the department of biology of Murray State College, plans are going forward to build a botanical garden on the north campus between the men's dormitory and the newly erected stadium and athletic field.

Mr. and Mrs. Cull A. Phillips, Kansas City, Missouri, are here today enroute to Washington, D. C., where Mr. Phillips will report to the Department of the Interior, of which he is an attorney.

Robert E. Brantley, business manager of the college, accompanied the Throughbreds to Jackson, Miss., for the Muttaps game this afternoon. Coach Stewart and Mr. Broach will see the Birmingham-Southern-Mercer game in Birmingham, Alabama, Saturday and return to Murray Sunday.

Mrs. Nix Crawford of Princeton, is somewhat improved at the Keys-Houston Hospital where she was admitted Sunday. Mr. Crawford is a nephew of Mrs. E. W. Houston.

In the September issue of "The English Journal," published by the National Council of Teachers of English, is an article, "Relational Lessons in Literature," written by Dr. Frances Ross Hicks, a critic teacher of the Murray State College Training School. Dr. Hicks is the wife of Dr. G. Turner Hicks, head of the department of education of Murray State College. She has her doctor's degree from Peabody College, Nashville, Tenn., and had taught in the college before being added to the training school faculty.

Dr. G. Turner Hicks, head of the department of education of Murray State College, will speak at the Educational Conference which is to be held at the University of Kentucky, October 26 and 27. His subject will be "Criteria for Selecting Student Teachers."

Mrs. Gibbs was able to return to her home Monday after undergoing a major operation at the Keys-Houston Hospital several weeks past.

Mrs. Mayme Ryan Dumas underwent an appendicitis operation at the Mason Hospital Tuesday morning.

Mrs. Joel B. Knight of Tampa, Fla., who has been a visitor in the home of her daughter, Mrs. Joe T. Parker and Mr. Parker, has gone to Martin where she will be the guest of Mrs. Tom Taylor.

Before returning she will also visit Mr. and Mrs. Hackett in Fulton and Mr. and Mrs. Bennett in Water Valley. Mrs. Knight will be in Murray again to attend the Memphis Annual Conference of which her husband, the late Rev. Joel B. Knight, was for many years a member.

Dr. and Mrs. A. M. Wolfson are the parents of a baby daughter born this morning.

Senator T. O. Turner was in Cadiz Wednesday where he attended the funeral services of Mrs. Mose Dick.

Mrs. Mose Dick, North Fourth street, has two \$500 bills of Confederate money, which she prizes very much. The money was brought back from the war by her husband, Mose Dick, who served in the Army of the South. The paper money is printed on thin, low quality of white paper and is faded and mostly worn. It is dated Feb. 17, 1864.

Very strangely, the money was printed in Winstead, Conn., though doubtless most of the Southern money was printed in presses in the South.

A breakfast was given by President and Mrs. J. W. Carr in the dining room of Wells Hall, co-ed dormitory of Murray State College on Friday morning, October 5, honoring Mrs. Frank McVey, wife of the president of the University of Kentucky, and Miss Sarah Blanding, dean of women at the University.

The guests were met at the door by Miss Mable Phillips, president of the Christian Association. Miss Sylvia Staudt, president of the student council, presided at the punch bowl. The senior girls assisted in serving.

Those in the receiving line were: Mrs. John W. Carr, Mrs. Frank L. McVey, Miss Sarah Blanding, Mrs. W. H. Mason, and Mrs. Gordon Pennebaker.

RALPH'S RANGLES

We should be satisfied with our thoroughbred victory last Friday night. Stetson had plenty as a team, but Slayde brought the Florida outfit up several notches as an individual. The way it was it was the outstanding player of the battle.

With a scant 13-point lead and having to fight bitterly all the way, I could not see that it was safe for a Murray quarterback to pass inside his own 35-yard margin, and I don't imagine that same little stunt will be pulled again this year under similar circumstances. But if that quarterback was in the same condition I was in he was lucky not to pull any more such plays. I couldn't get

the field measurements and locations straight. The press box is not on a line with midfield and the lined stripes were almost invisible from the top of the stadium and when the fog was wafted down through the playing field we truly were "in a fog" as to who was who and what was what and why.

With the Stewartmen meeting tough opposition for the rest of the schedule been a "clap." Woodall out of the tilts with a clean broken collar bone it is going to be "time for all good subs to come to the aid of their fellow players." As we see it, the substituting strength will tell the story. It is not humanly possible for eleven men to take the punishment for every game that was dished out to the "Horses" last Friday night.

Hard, straight football is hard on "ye", and that's all the Murray men have been allowed to use thus far. The old play being held shut until our Bowling Green "friends" pass this way.

BIOLOGIST PLANS BOTANICAL GARDEN

Dr. Wolfson Is Authorized by Regents to Prepare Project.

Dr. A. M. Wolfson, head of the department of biology of Murray State College, is preparing a botanical garden on the north campus between the men's dormitory and the newly erected stadium and athletic field. The garden was authorized at a recent meeting of the board of regents.

These gardens will be for the purpose of growing plants in as natural a state as possible, according to Dr. Wolfson, whose special field is botany.

Plants native to this section of country will first be cultivated. Later experiments will be conducted in order to find whether or not new plants will grow in this climate. Work on this development is already in progress, and some of the seeds have been sown this fall.

Woodrow "Pedro" Simmons, an all-state S. I. A. A. end from Charleston, Mo., was elected president of the Varsity "M" Club of Murray State College at the first meeting of that group Tuesday evening, September 25. Simmons was elected president by acclamation.

Other officers elected by the group were: Ben Muse, flashy halfback, vice-president, Nashville, Tenn.; Dorsey "Swede" Wesley, big center from Flat Rock, Ill., secretary-treasurer. Attendance at meetings of the group was discussed.

Anderson-Thomas Debate October 29

A debate between the Rev. W. Clayton Anderson, a minister of what is known as "Church of Christ," formerly Christian Church, of Benton, Ky., and the Rev. James M. Thomas, a minister of what is known as "Church of Christ, in Christian Union," of Model, Tenn., will debate at Tharpe, Tenn., October 29, using the following proposition: "That the Bible condemns the use of all mechanical instrumental music in the worship that is taught in the New Testament."

Affirmative: W. C. Anderson Negative: Jas. M. Thomas The proposition was written by the negative except the word "mechanical," which was interpolated by the affirmative.

The debate begins promptly at 10 a. m. and closes at 3 p. m. unless by consent of both parties to continue another hour after 3 p. m.

A general invitation is given.

Gunter's Flat

Well, our singing convention is over and I feel that our community at large is delighted over the singing and also over the fine dinner that was spread at the noon hour. We hope to be able to have this convention again in the future.

Miss Dorothy Barnes spent the week end with Miss Estelle Hayes and attended the singing.

Mrs. Ida Martin of Hardin spent the week end with her sister, Mrs. Jim Black.

The South Pleasant Grove revival meeting has closed with several confessions and fine preaching.

Miss Willie Mae Paschal spent the week end with Mary Elaine Brandon and attended the singing.

Chas. Scroggs, formerly of the community but now of Hazel, has been very sick.

Wells Overbey of Murray will speak at this place next Sunday afternoon—"Rose Bud".

Calloway Awaits Opening of Third Annual County Fair

PREMIUM LIST WILL AGAIN TOTAL \$400

Growers and Murray Loose Leaf Floors in Home Exhibits Here 19-20.

Calloway county and Murray await the opening of the Calloway County Farm and School Fair October 19 and 20. The plans for this year have reached the scope attained last year and a premium list that will total \$400 will again be offered.

The first fair was a great success with a premium list of \$300 and last year the second fair went still further with a list of \$400.

Calloway county is one of the few counties in this section sponsoring a fair of this nature and visitors to the showings have pronounced it one of the best fairs of its type viewed. The aim is entirely educational with the idea of bringing the county together and distributing the knowledge of the leaders in poultry raising, dairying, tobacco growing, and the many phases of home-making while the schools are encouraged to greater efforts through the school displays.

The Growers Loose Leaf Floor barn just east of the railroad will house the exhibits of farm products including cattle show, poultry show and farm crops. The Murray Loose Leaf Floor will again house the exhibits of the Calloway county schools and the women's division.

try in a given class, second money only is allowed.

Any exhibitor who shall make or cause to be made any false statement in regard to any animal or other thing to be exhibited, or who shall attempt to interfere with the judge in the performance of his or her duty by persuasion or otherwise, shall be excluded from competition.

Each exhibitor will furnish his own feed and bedding.

The management of the show reserves to itself the sole right to interpret all matters arising out of or connected with, or incident to the show.

Ages of cattle will be reckoned from February 1, and August 1.

Much Expected of Dairy Show

The dairy show is expected to be one of the finest showings of its type as Calloway has several progressive and advanced Jersey cattle raisers and breeders. Each year the fair has had fine animals on exhibit. The committee for the dairy show which is handled in conjunction with the poultry show is composed of Perry Thornton, S. E. Wraether, Rudy Hendon, J. T. Cochran, Hugh Gingles and Hall Hood.

Rules Given For Farm Products

Entries must be made from 2:00 P. M. Thursday to 12:00 Friday. No entries will be accepted after 12:00 Friday.

The committee is composed of Jack Kelly, Keith Venable, J. H. Walston, and Ralph Jones, agriculture teachers of the county.

Concord High News

The students are very busy this week preparing the project for the County Fair.

The societies have selected their names: The Greeks and the Romans. The Greeks are sponsored by Mr. and Mrs. Wraether. The Romans are sponsored by Mr. Lassiter and Mrs. MacLean. A society ball game will be played Wednesday afternoon.

The Concord softball team went to Lynn Grove Tuesday, October 2, and defeated the Wildcats by a score of 4-1. The Concord boys played the best game of the season.

Pleasant Valley's softball team came to Concord October 5 and won by a score of 4-2. Both teams played a good game.

The Concord team will journey to Faxon October 12 with high expectations of adding another game to their winning list.

Several students are absent from school on account of cotton picking and whooping cough. The seventh and eighth grade history class, sponsored by Mrs. Wraether, are planning a party one night next week.

The home economics room has been repaired by the third and fourth year agriculture boys. A new oil stove for the home economics department has been purchased. The home economics girls have started on their breakfast unit.

GRAVEYARD CLEANING

All persons interested in the Outland Graveyard are asked to be present for the cleaning and beautifying of the cemetery Wednesday, October 17. The committee plans to get the cemetery in good shape and then hire someone to take care of it.

Orchestra Leader

LEE CANNON

The well-known and popular dance orchestra of Lee Cannon's will be featured Friday evening, October 19, in a concert. The Friday evening program will include the awarding of prizes and the program will be under the direction of County Agent John T. Cochran.

The Cannon orchestra is one of the best collegiate orchestras of the south and hundreds are expected to hear this concert. The members are students of Murray State College and have been together several seasons and have played for dances throughout West Kentucky, Tennessee, Illinois, Missouri and Mississippi.

Kirksey Hi News

The county health doctor has visited Kirksey school and given the typhoid vaccine to all the students who wished to be vaccinated. There was quite a large number who took these shots. Dr. Outland reports he will be back October 8 to give the smallpox vaccine, which will be his last visit for a while.

The Utopian society entertained the student body with a very interesting program, Monday, October 8. The program consisted of several interesting numbers. Music was furnished by John Jackson and Clovis Bazzell. Everyone seemed to enjoy the program.

The fiddler's contest Saturday night was very successful. The best all-around fiddler of the evening was Chester Yarbrough. The school wishes to express its appreciation to all who took part in the contest and especially to those who contributed to the premium list. We certainly appreciate the support the patrons and friends of other schools have given to our programs this year.

The seniors received their rings Monday. They seemed to be pleased with them.

The seniors entertained the student body with a chapel program Friday morning, October 5. The program is as follows:

Song—School.
Scripture Reading—Macon McCutson.
Duet—Reva Mae Cain and Robbie Jones.

Class Progress—Wilford Dunn. School Poem—Stella Ray. Dialogue—Edward Billington and Charles Ray.

School Poem—Lillian Pierce. Jokes—Boyce Dixon. Honor Roll.

Grade four—Virginia Marine. Grade five—Marcille Riley. Grade six—Pat Carson.

Merchants Give Fair Support

The Murray merchants and professional men as well have given the general committee great support in the drive for a premium list both in the form of merchandise and money. The response this year to the committee will enable the premium list to equal that of last year of \$400. The merchants are to be commended on their community interest and liberalism and Murray and Calloway citizens should show their appreciation to them.

Schools Are In For Annual Fair

The Calloway county schools are "in for the fair" in a big way and school news has been filled with notes concerning the fair and preparation for exhibits for the past two weeks. The schools were represented last year to a very pleasing majority and this year their showing is expected to be even greater. The school committee is composed of Oury Lassiter, Guy Billington, Kenneth Grogan and Holman Jones. Their work with teachers throughout the county has given impetus to the interest and work in preparation for the showing. The school exhibits will be held at the Murray Loose Leaf Farm between Fourth and Fifth streets.

Merchants Plan Sales Events

In anticipation of a large crowd during fair days, many Murray merchants have planned special sales events for fair days, next Friday and Saturday. Many are offering special bargains for these days while others offer special appeals to encourage trading by visitors. Many are asking visitors to visit their shops for demonstration of merchandise. "Buy Now" cry during fair days is heard everywhere. Countians should take advantage of these offerings.

NOTICE ABOUT TOBACCO SAMPLES FOR COUNTY FAIR

The Tobacco Board of Trade asks that nine (9) hands, six (6) leaves be used as a sample and farmers should be sure to bring nine in place of six.

The county agent and agriculture teachers have made a mistake in telling farmers that six hands make a sample.

Notice that the prizes for best fired tobacco should be \$5-\$3-\$2.

COUNTY AGENT NOTES

Test Cows Now!

The state veterinarian started testing cows in Calloway county Monday of this week. If any one wants to obtain this free test for Bangs disease (contagious abortion) they should give the county agent's secretary their name, address, number of cows, and location of farm, at once because the veterinarian will be only a short time testing the cows that are listed. We should have a lot more than 500 cows of this county tested.

Calloway County received its allotment of tax exemption for non-signers of tobacco last week. The total amount signed up was not enough to give this county as much exemption as it needs.

The exemption is 24,545 lbs. and 2,287,382 lbs. have been applied for. Some of these applications can't qualify under the terms of

the Kerr-Smith Act and that will give those qualifying more exemption but at best the individual allotment will be very small.

It is hoped that every one that can will compete for some of the prizes at the fair. It is your fair and you can make it as big as you want it. The fair committee is working hard on the program and have things in fine shape now.

The county agent wishes to take this opportunity to correct some statements he has made relative to samples of tobacco. An entry will consist of nine (9) hands and six (6) leaves to the hand. Hope every one showing tobacco will observe this change.

Let's have a big fair and a big time, too. See your friends at the fair.

M. F. Williams, who was here explaining the soft cure of tobacco, will be back in our country the last three days of October. Watch this column for date and place of meetings. The county agent has planned a tobacco club for next year, and all members will produce and cure tobacco under the direction of Mr. Williams. The tour, some of the farmers of this county made, to Rodd county two weeks ago proved to us the value of a club and a higher quality of tobacco.

Goshen centennial celebration was well attended last Sunday. With Hughes and Hervey Turner estimated the crowd at more than 700. A bountiful dinner was spread, more than a plenty for everybody, and old man Ministers present, leaving off their titles, were L. Z. Hurley, Cliff Watterfield, R. W. Hood, John Rudd, Tom Clark, Marvin Vaughan, Cletus Fain and probably others. The weather was an ideal October day. The entire course of people were highly entertained.

Mr. Bud Cochran, aged 74, died at his home North of Farmington, October 6. He and his family had resided here in Calloway for the past several years before he moved

to Graves county. Funeral and burial services were held from Chapel Hill Baptist church.

Bodine Henslee, merchant of Newberg, near Tennessee river, sent me books on "Wonders of Kentucky." Population nearly 3,000,000; area 40,000 square miles, and etc. Not knowing my real name, he directed to "Eagle," Murray, Ky. Of course it reached me all O. K. Many thanks Mr. Henslee.

Will Hughes passed by in his auto and called out his name, instead of Eagle's name, which is the only sensible way.

The high school students took their first six-weeks examinations last week.

Mr. Billington conducted chapel Friday morning of last week, reading as the Scripture lesson from Proverbs.

Mr. Barnett's industrial geography class visited the milk plant Wednesday of last week. Beginning with this issue, Faxon news will be prepared in a new way. Each room and each activity has its own reporter, and the Junior-Senior committees will act largely as editors. The elementary grades prepare weekly papers of the activities of their rooms, and the best one is selected for publication.

Pointers to Insure Clean Milk Given Dairymen by Milk Company

Five methods of procedure, all of which should be included, have been suggested to dairymen by the Murray Milk Products Co. in a campaign for higher quality milk.

The government has become more stringent in enforcing dairy products regulations, and it is pointed out that the purer milk is the more it will bring the producer since the price is governed by the quality of the product.

The five suggestions follow:

1. All utensils, such as buckets, strainers, and cans should be free from scum and rust so they can be easily cleaned. Rinse the milk off utensils before washing them and use washing powder instead of soap, as soap will form a film on the surface. Also use a brush in washing instead of a rag as it is more sanitary and it cleans better. After washing, put utensils to air and sun but rinse off before using them.

2. Brush off the dirt, loose hair, etc., from the cows' flanks, udder and wipe the udder off with a damp cloth before milking. If this is done properly a large amount of dirt will be kept out of the milk.

3. When your milk can comes back from the plant the lid should be removed so it can aid and sun before straining the milk into it again. Be sure, however, to rinse it out just before using it.

4. Use a 12-qt. sanitary strainer with cotton pads. Wire strainers and cloths are not sanitary and will not filter out fine dirt.

5. Cooling Milk: Some of our patrons do not cool their milk in water in cool weather. It is highly important that milk be cooled in cool weather. You would be surprised to know how long it takes to cool milk by air even if it is cold weather. And as long as the animal heat stays in the milk the bacteria is multiplying and the quicker this animal heat is taken out of the milk the better quality milk you will have.

The third and fourth grades have a spelling chart with airplanes on it. The person who makes a hundred gets to send his airplane to the top—Margaret Roberts.

Fifth and Sixth Grades

The fifth and sixth grades have been very busy this week working on the Fair. The boys have made airplanes and a ferry boat, and the girls are making dolls and dressing them.

We have also been busy making a Greek panel for our room. The arthenon and some Greek artists and builders are placed on it. We have it almost completed.

Part of our students have been absent this week, and we are hoping that they will come back next week—Rheda Belle Caraway.

The Party

The Leaders League entertained the N. R. A. Society, the faculty and faculty wives, and the bus drivers and their wives with a delightful party, Thursday evening, October 4.

The merry-makers played games, and performed stunts, and then went outside to a bonfire for a Weiner roast. A generous serving of ice cream completed the refreshments.

Nearly a hundred persons enjoyed the festivities. Mr. Con Barnett, sponsor, was assisted in planning and carrying out the party by Jerlene Bogard, Wayne Dyer, Joe Clark, Edna Mae Roberts, Oveta Bogard, and Rubene Roberts.

Murray Circuit Fair To Be Held Oct. 22

The Murray Circuit Fair will be held October 22 in the Murray Loose Leaf Barn, where it was last year. The time is near, but we are going to be ready with the best church fair our conference has ever seen.

The various committees at each church are well organized and are working nicely.

Martin's Chapel was awarded first prize, \$3, last year for the best booth. They are striving for the same honor this year, but Cohen, Lynn Grove, New Hope, and Sulphur Springs are pushing hard for this honor. There will be a second prize this year of \$250. If you don't win first prize you may get the second.

Judging and awards will be much as they were last year. Men, the women are working hard, there will be quilts, beautiful ones, needle work, baking, butter, eggs, chickens, canned articles, and much more too numerous to mention. Let's make ours equal theirs. I think some good results were had from the seed corn exhibited at the fair last year.

In spite of the drought, we hope you will have some good seed corn this year. Bring on the corn, hay, and some of it is fine, sorghum, wheat, tobacco, peanuts, popcorn, etc.

We had a great social time last year, we all know each other better now, so it will mean more this time.

You will be hungry about noon, come look things over, visit with your friends, and eat together.

People of the city and county are invited to come and see us. Many from out of the county visited with us last year and we are asking that they come again.

We have not asked the merchants of the town for any donations, we may in rare instances want to borrow something for a short time, but if you merchants

Douglas Hi To M. Lincoln in Grid T

The Douglas High (colored) football team will meet the grid of Lincoln High of Paducah the latter's field Friday night. This will be the Murray Bulldogs' first battle under the lights.

Cochs Leon Miller, K. S. I. C. Frankfort, has a well balanced eleven and is progressing nicely as the season's play continues. The Bulldogs in their first tilt of the season won a hard struggle from Humboldt, 6-0. In their game last Friday afternoon on the Murray field, a scoreless tie was played with the strong Union City eleven.

Following is the starting line-up for Friday's tilt: Leo Palmer, le. Geo. Hayes, lt. Amos Eades, rg. R. Yousue, c. G. T. Skinner, rg. Tosco McGehee, rt. Lon McGehee Jr., re. Kelly Milan, qb. Verne Bailey, rh. Mason Milan, lb. Frank Petty, fb. Substitutes: Briggs, Miller, Geo. King, Henry Nelson Palmer, Quachi Young.

The Bulldogs will meet Cairo and Mayfield on the home field the two following Fridays.

Douglas Hi Notes

Douglas High is feeling quite pleased over the outcome of the football game with Union City last Friday on the Douglas field. This year faced a formidable foe and showed its strength in a hard fought game that resulted in a 6-0 tie.

The boys are looking forward to the game with Lincoln High at Paducah next Friday. Boost those Bulldogs and help them win.

The P. T. A. is looking forward to a large attendance at its tea to be given in the school auditorium Monday, October 15. Every one invited. Refreshments free.

Douglas High is giving a Halloween party in the auditorium Wednesday night, October 31. There will be plenty of fun for every body. Refreshments free. General admission 10 cents.

MR. FARMER:—

Re-roof, Repair and Remodel NOW!

We say now, because there can be no better time than right now. The fall season provides the most likely weather for such work. RIGHT NOW labor is as cheap or cheaper than you'll find it later.

Re-roofing and repairing done now will save you dollar on dollar in repair bills later on. Nothing causes deterioration of lumber as much as dampness.

If the old roof is leaking by all means NOW is the time to re-roof before the ravages of winter sets in.

FAIR DAYS

Remember we are close at hand—just this side of the Growers Barn where the Farm Products and Dairy Exhibits will be held. We sincerely invite you to drop in any time for a consultation with us concerning your building or repairing.

Regular meeting of Murray Lodge No. 105, Monday evening, October 15. All interested in going to McKenzie Lodge be present. W. E. Clark.

ROBERT LAWRENCE IS DEAD IN TEXAS

Was Son of Mr. and Mrs. L. F. Lawrence, Formerly of This County.

Many hearts were saddened when it was announced that Robert F. Lawrence, aged 33 years, had died at a hospital in Bryan, Texas, at 6 o'clock Monday morning, September 24. Deceased was the son of Mr. and Mrs. L. F. Lawrence, pioneer residents of the Luther community, had grown to manhood in this county and was loved and esteemed by everyone who knew him.

He was at Bryan on special work as assistant county agent of Eastland county when he became suddenly ill due to stomach ulcers and an operation was deemed necessary.

R. F. Lawrence was born in Calloway, Kentucky, July 27, 1901. He had been a resident of the Luther community in this county for more than 25 years. He was a graduate of the Big Spring High School of the class of 1923.

He entered A. & M. College in 1924 and completed the course of dairy husbandry in 1928. Since graduation he served as dairy inspector for the City of San Antonio; has been connected with the federal farm loan agency as land appraiser and has held responsible positions with private interests. For the past few months he had been serving as assistant county agent of Eastland county.

A genial and courteous gentleman at all times, big hearted and generous, he readily won and retained friends, and everyone who knew him had a good word for "Cherry" as he was best known to his friends.

He is survived by his parents, Mr. and Mrs. L. F. Lawrence, one brother, Charles B. Lawrence, Luther, and three sisters, Mrs. J. Herman Finley, Coahoma; Mrs. W. W. Travis, Mount Pleasant, Mich.; and Mrs. Lester F. Caughy of Luther.

SOCIETY.

The Arts and Crafts Club will meet at the home of Mrs. Vernon Stubbfield Sr. next Wednesday afternoon, October 17, at 2:30 o'clock.

Paschall School

Our school is doing nicely under the instruction of Mr. Lenon Hall.

We started basketball practice last week. Everyone is showing a good spirit.

The honor roll for the second month is as follows:

First grade: Joe Thomas Foster, Dorothy Jean Pickman.
Third grade: Milla Baker, Bonnell Key.
Fourth grade: Lowell Key.
Fifth grade: Freda Baker.
We hope to see you at the County School Fair.

CAMP MURRAY CHATTERS

By Wm. H. Martin, Jr.

Morning worship was conducted by Dr. J. E. Skinner of the First Baptist Church. Enrollee John Elliott led singing and a good number turned out to hear Dr. Skinner's appropriate talk.

As prospects seem to be better to play the championship series with the first district, the Cubs are hard at practice this week in anticipation of the match which is scheduled for Friday afternoon at the local park. This game was first scheduled to be played at Bowling Green but was called on account of rain. As present plans have it this tilt will be played as a feature of the presentation program Friday.

Interest in the educational program continues to improve as autumn's chilling morning and falling leaves suggest school days again for Camp Murray as well as rest of the community. Classes in beginning and advanced shorthand conducted by Lieut. Shipley are the newest additions to the course of study. A class in beginning typing will probably start this week to supplement the advanced courses offered under the direction of Mr. John L. Overbey, local F. E. R. A. instructor, at the Murray High School.

Lynn Grove High

Mrs. Joe Math of Mexia, Texas, formerly Miss Ernestine Derrington, visited the school last week.

Paul Boyd was a visitor at school Monday.

The Compton's Pictured Encyclopedia was added to the library last week. The edition consists of 15 volumes.

All departments of the school are busily engaged preparing their exhibits to be placed in the School Fair.

Last Tuesday afternoon our boys' softball team played two games here. They won over Kirksey 3-2 and lost to Concord 2-1. We were glad to have a large number of students from both Kirksey and Concord other than the ball team come over to visit us.

Wednesday afternoon our girls' team went to Almo and defeated the Almo ten by a score of 16-11 in a closely contested game.

Friday afternoon the boys' team won over the Faxon boys 6-4, on our home diamond.

ALMO CIRCUIT NEWS

The last quarterly conference for the Almo Circuit will be held at Russell's Chapel church, Saturday, October 13. The presiding elder, Rev. O. C. Wraether, will preach at 11 o'clock in the morning to be followed by the observance of the Lord's Supper. Dinner will be served at the church for all.

In the afternoon we will have the business session of the conference. This is an important meeting and it is imperative that we have all officials present with their reports. Officials will be elected for ensuing year. We are asking your co-operation to make this meeting a success. Let us have our reports in full that we

may have things in fine shape for our report to be made at the annual conference which meets in Murray the 14th of November.

Some visiting preachers are expected to attend.

James E. Wilford, Pastor

CHURCH OF CHRIST

Regular services next Lord's day beginning with Bible study at 9:45 A. M. - Carmen Graham, leader. There has been an increase in attendance for the past two Lord's days. There's room for improvement yet. Let's make it better.

A special invitation extended to College students E. H. Smith will be in charge of the preaching services and the public is invited to attend. Bro. Smith always brings a message worth while. You will be helped if you come. The prayer meeting services on Wednesday evenings are growing in attendance and interest. Meet us each Wednesday at 7:30 P. M.

The Rev. W. W. Hendley, who is assisting Bro. Baker in a revival at the Methodist church of South Pleasant Grove, spent Monday night in Hazel.

Elder R. F. Gregory of Murray, who has been pastor of the Baptist church at Hazel, was called to this service for another year last Sunday.

Elder Smith of Murray preached to a large audience at the Church of Christ here the fifth Sunday in September.

Mrs. Ferna Meador left last week for a visit with her sons. She first goes to Nashville to spend a few days with Chas. Meador, thence to Jackson for a short stay in the home of John and Joe Meador of that city.

L. K. Pinky of Paris is moving with his family to Hazel this week. They will occupy the Kuykendall place.

Mrs. Amanda White and son, Harold, of Murray, were in Hazel Tuesday night to visit Mrs. White's father, J. B. Mayer and sister, Mrs. Myrtle Osburn.

Hardin Highlights

By Edd Kellow

The P. T. A. organization of the Hardin school will give the quilt away Saturday night, October 6, at eight o'clock. It had previously been planned to give this article away at the school fair, but unforeseen circumstances forced the indefinite postponement of the fair so the holder of the lucky ticket will receive this Orange Peel Quilt Saturday night.

In conjunction with this feature, there will be a program consisting of stunts of all kinds, by both the grades and high school. If one likes good entertainment at a small cost, let them attend stunt night.

The Hardin High School Blue Eagles will open their 1934-35 basketball campaign Friday afternoon as they try to throw back the invaders, the Brewers High School Redmen, coached by Karl Johnston.

Coach Holland plans on starting Watkins at center, Booker and Dwight Pace at the forward posts, while Crosby and Coleman will be in the guard positions.

Hardin students are in a good humor now that they have met with the year's first six weeks examinations and since the snapshots that were taken several weeks ago have come. The pictures, as a whole, bear a remarkable resemblance to all.

The Sophomore class, with its sponsor, Miss Agnes Johnston, attended the Bing Crosby picture, "She Loves Me Not" at the Capitol Theatre last Wednesday night. Those making the trip were Georgia Furgerson, Margaret Jones, Mary Wilda Cope, W. A. Brown, Dwight Pace, and Miss Johnston.

The Debate Club, under the able direction of Miss Gladys Jones, organized last week. The officers were Hulen Washem, president; and Edd Kellow, secretary-treasurer. Debate tryouts will be held soon. Veterans who will try out are Mabel Brown, one year; Margaret Jones, one year; Hulen Washem, one year; Edd Kellow, three years; Junior Starks, two years.

Hardin high school students gave Miss Jones a surprise birthday party Friday night, at the home of Mrs. Josephine Martin, P. T. A. president. Those present were: Anne Lawrence, Wilma Gardner, Jerry Jones, Mary Cope, Margaret Jones, Georgia Furgerson, Miss Jones, Miss Johnston, Miss June Martin, Mrs. Josephine Martin, Miss Blanche Booker, Junior Starks, James Crosby, Erroll Gay, David Booker, Coleman Jones, Edd Kellow, Joe Youngblood, Karl Johnston, Jack, Bill, and Bob Martin.

Almo News

Kermit Phillips, who is employed by the State Highway Department with headquarters at Cadiz, spent last week end with his parents, Dr. and Mrs. J. R. Phillips.

Whitt times, who was ill last week is much improved at this time.

Mr. and Mrs. Frank Vick of Martin, Tenn., visited Mrs. Vick's sister, Mrs. Amos Hopkins and Mr. Hopkins last week end.

Mrs. Pat Beale and Geneva Whitlow entertained their Sunday School classes last Wednesday evening with a party in the home of Miss Whitlow. Games and contests were features of the evening.

Mrs. Atner Lassiter underwent an appendicitis operation at the I. C. Hospital in Paducah last week. She returned home Saturday and is recovering nicely.

A meeting will begin Monday evening, October 8, at Flint Baptist church. It will be conducted by the Rev. Cord Skinner, pastor of the Central Baptist Church, Martin, Tenn.

Mr. and Mrs. Elbert Houston of near Locust Grove, visited Mrs. Houston's parents, Mr. and Mrs. Scudder Galloway Sunday.

Mark Keys Roberts, who is a student at Draughton's Business College, Paducah, spent the week end with his parents, Mr. and Mrs. D. C. Roberts.

Kirksey Hi News

The free program which was given at Kirksey, Wednesday night, September 26, was a great success. The auditorium was filled with people and all seemed to enjoy the evening. The program consisted of three one-act plays and music sponsored by the high school and a few numbers from the intermediate and primary departments. Thursday morning

in chapel, Mr. Jones expressed his appreciation to the patrons and young people of the school and community for their splendid support and behavior during our free entertainment.

The Kirksey F. F. A. boys entertained the girls with a welter roast on Thursday evening, September 27. After the welter had vanished, the marshmallows were brought out. About 60 people gathered about the camp fire and enjoyed the music furnished by Clovis Bazzell, Nova Copeland and Lloyd Cunningham. The visitors were: Max B. Hurt, Bill McCoy, Clyde Jones and Mrs. Holman Jones.

The eighth grade sponsored a short program Thursday morning, which lasted about 25 minutes. Their free trip to Lynn Grove was postponed, because of the rain, however, they shall be given a trip some other place.

The Kentuckian society gave a fine program last week. The next program will be sponsored by the Utopian society which will be given next Friday morning.

Kirksey High School gave a contribution of \$4.00 to give away in prizes at the Fiddlers Contest Saturday night, October 6. Each class gave the following: Seventh grade, \$1.50; Freshman, \$1.50; Sophomore, \$1.00.

Thursday, at the recess period the girls of the Kentuckian and Utopian societies engaged in a softball game. The game was finished at noon with the Utopian society winning.

We have a new staff of news reporters for this month. They are: Seventh Grade—Francis Coleman; Eighth Grade—Dorothy Sue Marine; Freshman—Mary Elizabeth Johnson.

Sophomore—Evelyn Dunn. Junior—Pat Harrell. Senior and Editor-in-Chief, Reva Mae Cain.

Dexter School News

Dexter school is still making progress as it goes into its third month of work.

The students have had the opportunity of hearing the following speakers during the past three weeks: The Reverends Smith, Murray; Ladd, Paducah; Coleman, Hardin; and Judge Hamrick of Murray.

In athletics the school has been fairly successful, dividing honors with Hardin in baseball, winning the game played at Dexter and losing the one played at Hardin. Dexter has won the only football

game played with Hardin this year, by a score of 18-3. Softball is the game of the day, but basketball will begin next week. Ten volumes have been added to the library in the past two weeks.

Miss Inell Walston, primary instructor, enjoyed a visit to the World's Fair two weeks ago.

Clay Copeland was in Memphis on business last week.

Work has begun in preparation for the booth in the county fair. The list of honor roll students for last month includes:

Mary Jane Puckett, Joe David Phillips, Harold Pritchett, Mariana Skiffis, James D. Cope, Joe Edd Puckett, Hilda Pritchett, Evelyn McDaniel, Vernon Curd, Donald Skaggs, Annie Doris Lancaster and Wayne Jones.

The honor roll for this month is as follows:

Billie Pritchett, Edison Hays Pritchett, Mary Culver, Monell Culver, Thomas Ernstberger, Mariana Skaggs, Harold Pritchett, James Thomas Walston, Joe David Phillips, Joe Edd Puckett, Evelyn McDaniel, Martha Lee Skaggs, Donald Skaggs, Aaron Puckett, Annie Doris Lancaster, Vernon Curd, Covington Reeves, and Wayne Jones.

Concord High News

As this week ends the first six weeks term, the students are busy preparing for the examinations.

The high school has been divided into two societies. The officers are as follows: J. W. Young, Darrell Shoemaker, presidents; James Blalock, Lavern Buey, vice-presidents; Hattie Frances Lax, Gladys Alexander, Pauline Oliver, secretary-treasurers. A committee has been appointed to select names for the societies.

In spite of the bad weather the pie supper was a success. The prettiest girl in the community was Shellie Williams. The ugliest boy, Talman Winchester. The students worked hard selling tickets on the quilt. The tickets amounted to \$13.15. The freshman class sold the most tickets. The class will be entertained some time this week by the rest of the high school. Sybil Simmons, freshman, sold the most tickets, totalling 45. The quilt was awarded to Mrs. W. B. Alexander.

The juniors and seniors enjoyed a welter roast last Thursday night, sponsored by Mr. and Mrs. Wrathner. Everyone reported a nice time.

Concord's softball team defeated

Almo last Tuesday afternoon by a score of 8-7. The Concord team planned to go to Lynn Grove Tuesday, October 2. A hard game was expected.

Unique Vicks Formula Is Now Aiding Millions In Preventing Many Colds

Vicks Vapo-rub, the unique aid in preventing colds, is now helping millions of adults and children to enjoy greater freedom from colds.

Va-tro-nol is especially designed for nose and throat, where most colds start. Va-tro-nol should be used at that first sneeze or nasal irritation—just a few drops up each nostril. Its timely use helps to prevent many colds—and to throw off colds in the early stages.

Where irritation has led to a clogged-up nose (a stuffy head cold or nasal catarrh)—Va-tro-nol penetrates deep into the nasal passages—reduces swollen membranes—clears away clogging mucus—brings comforting relief.

Va-tro-nol is powerful yet absolutely safe—for both children and adults. It has been clinically tested by physicians—and proved in everyday home use by millions.

(Note: The remarkable success of Vicks Drops—for nose and throat—has brought scores of imitations. The trademark Va-tro-nol is your protection in getting this exclusive Vicks formula. Always ask for Vicks Vapo-rub. Now in two generous sizes—3oz and 5oz.)

Va-tro-nol and its companion product, Vicks VapoRub (the modern external treatment for colds) form the basis of Vicks Plan for Better Control of Colds—fully explained in each Vicks package.

THESE MAKE A Smooth Ride on any Road

It takes more than one or two mechanical features to make a motor car ride safely and smoothly. The comfort that lets you relax in a Ford V-8 for mile after mile over all kinds of roads is due to a combination of many qualities.

The new Ford V-8 is the only American-built car with springing that gives you free action on all four wheels. It offers you the comfort of double-acting Houdaille hydraulic shock absorbers. In addition, when you buy a Ford V-8, you get the roominess of a 112-inch wheelbase car!

You'll also find the Ford V-8 one of the easiest of all cars to drive. A 15 to 1 steering ratio makes turning and parking easy. Overize brakes "take hold" smoothly and surely. And the Ford V-8 engine, with its thrilling pickup, is a match for any traffic pinch!

Drive the Ford V-8 over the roughest roads. And while you relax, remember that in spite of its roominess and handling ease, the Ford V-8 is the most economical car to operate Ford has ever built!

Lest We Forget

Relief and rehabilitation for the war-time disabled, and their dependents are the twin purposes for which the Disabled American Veterans of the World War will conduct Saturday their annual Forget-Me-Not drive.

Some there may be who immediately will react by saying that the federal government already is adequately taking care of this. True, that is what the federal government is supposed to do, but without help it cannot successfully do so.

Surely everyone will agree that the government cannot be expected to act as it were, both as defendant and judge, and at the same time as attorney for the veterans plaintiff; the latter job must be done by an unbiased party. This the D. A. V. attempts to do through its system of volunteer part-time and paid full-time experienced rehabilitation officers.

Moreover, during periods when an equitable claim for service connection and compensation is being technically prosecuted—may the good Lord save us from the necessity of ever having to secure such detailed red tape affidavits—evidence—emergency relief must frequently be provided.

These are the purposes for which the funds to be raised in the Forget-Me-Not drive will be used. No part of these funds will be used for unnecessary purposes, or merely to keep the organization alive. All Forget-Me-Not Day donations will be used by this quietly working organization for these unselfish purposes.

No one can quarrel with such splendid purposes. Humanitarian needs are thus provided for. Moreover, whenever the federal government admits the legal establishment of a justifiable claim, this

community is relieved of a relief burden, which, instead, has been converted into an increased purchasing power asset.

Sentiment alone, our war time promises of sixteen years ago, should prompt us to wear a Forget-Me-Not today, in honor of the dead, but when in addition we realize that we thereby are remembering and helping the living disabled, we should be inspired to be very generous in our contributions in exchange for a Forget-Me-Not.

JUST JOTS

By Joe

Western is playing the entire football season with the sole aim in view of beating Murray on November 17. The big boys in Red are starting slowly, showing nothing in their early games, holding back everything for the Racehorses. One of the very best players on the Western club is none other than Jagers, whose mother, Mrs. R. E. Jagers, of Franklin, Ky., is a Murray woman and a sister to County Attorney R. H. Hood. Young Jagers and Red Garrison are Western's two best ball-carrying backs.

Huey Long may be a pain in the neck to the electorate but he is a God-send to the paraphraser.

A pessimist is a former optimist who lost his money backing his optimism.

It might be said of Sunday's World Series game that it wasn't in the Cards to create the Bridges.

Every so often I am the grateful recipient of some mighty excellent

from Bob Parker who grows such excellent products on his east side farm near Murray that he is known by many persons as "Fruit Bob" Parker. Mr. Parker's tasty tokens are usually "apples" or peaches and oh, how delicious they are.

The World Series this year found some pretty strong loyalties in Murray for the Cards and the Tigers. A good many of the rabid fans were for the Cards because St. Louis is the nearest big league town but the Tigers had scores and scores of loyal supporters here from among those who have lived and worked in the big auto town during the past dozen years.

Wagers on the games did not run near so high as back a few years ago when money was plentiful. Five and ten dollar bets in 1929 were one and two-dollar bets this year.

The big football game of the year on the Murray High Tigers' card comes to town next Friday night with the Mayfield Cardinals, a traditional foe. We had rather best Mayfield than anybody and the Tigers have been giving the Reds a mighty fast time the past few years. The Graves county boys are reported to have a fine team this year but so has Preston Holland and it will be a scrap worth going miles to see tomorrow night.

Believe it or not it hurts me to have to make up the paper Thursday morning and be compelled to leave out five or six columns of matter that should be in but which must be left out on account of limited space. It is never possible to make a newspaper come out even but sometimes the situation is worse than usual and that's what we were up against last week. We were far over and entirely too late to run a couple of extra pages as it takes quite a bit of time to run two sections and we must know it at least 48 hours before press time. What hurt worse was that we had to omit some correspondence which came in on Monday and made the honor roll. We apologize abjectly but it could not be helped and we sincerely hope that it will never again be necessary to omit so much material.

It should be every citizen's job to help.

GRIFFENHAGEN COMBINE

Many of our citizens in the city and State are curious to know who selects Griffenhagen & Associates, Chicago auditors and consultants, to survey conditions in our government. It does seem likely that there should be an auditing firm in Louisville or Kentucky competent to do the work instead of paying huge sums for this Chicago concern to come here and find fault with our way of conducting business. As the Herald-Post pointed out the Griffenhagen troupe is naturally going to recommend budget slashes to make their employment seem worth while. It might be added that some of these recommendations are silly because they conflict with the charter and State Constitution, only illustrating that the high-priced and fancy salaried "consultants" are pretty green when they get away from adding up rows of figures.

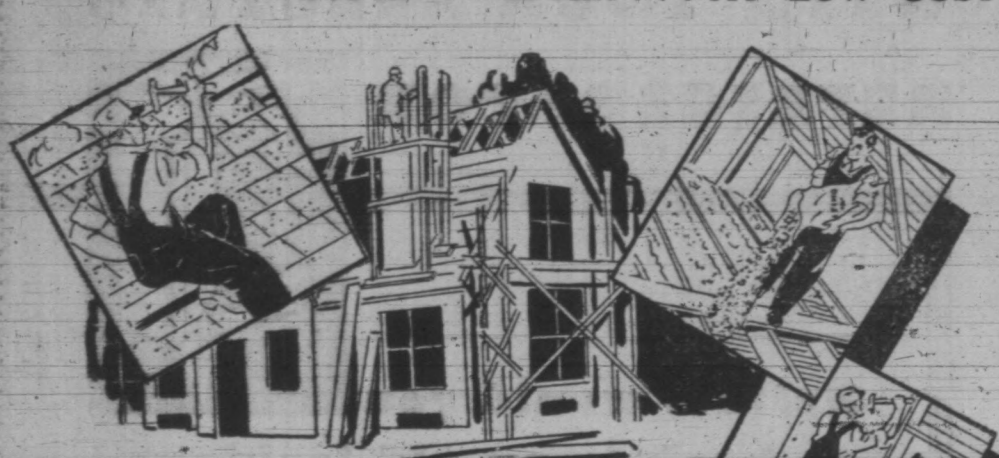

Why the auditing firms of the city and State do not unite in objecting to this traveling troupe of fault-finders in our midst is hard to understand and why officials employ them at big expense to the taxpayers is equally hard to understand. The local Board of Aldermen and the State Legislature should investigate the Griffenhagen employment and let the citizens and taxpayers know who is the good angel in this city and State who is always finding survey jobs for this Chicago traveling troupe. If we have to have these expensive surveys and audits give the local auditing firms the job. They can just as well recommend that some janitor was using two mops when he could have gotten by with one. Foremost of all, let the public be enlightened as to the man who acts as the connecting link between this state and the Griffenhagen aggregation—Louisville Irish American.

A Lifetime Opportunity

TO BUILD...REMODEL...REPAIR...AT LOW COST

THE JOHNS-MANVILLE PLAN IS THE SAME AS THE GOVERNMENT HOUSING ACT

Those who can qualify can build, remodel or repair and pay the total bill over a period of 36 months, with 5 per cent charge and no extras for abstracts, fees or the like.

Lumber prices are below the average of 1926—they were recently reduced up to 12 1-2 per cent. Labor is available and reasonable in cost. We repeat, "This is a Lifetime Opportunity."

WINTER IS COMING

Here are the things you should do to get ready:

1. Insulate under your roof—save fuel and be more comfortable.
2. Weatherstrip your doors and windows—this will prevent drafts, save fuel and will surprise you in how much more comfortable it makes your home.
3. Repair your roof.
4. Step up air grates.

HUGH DAMAGE TO COUNTY ROADS

The recent rains have played havoc with the county's feeder roads as they might be called. A lot of money by the county and a lot of free hauling is being washed away.

The warning in last week's paper by C. P. Phillips, county road supervisor should not go unnoticed, as to the clearing of the road side so that the grader might be run to open ditches or all will be lost.

All are aware that it is impossible to continue the expenditure of money that has been spent on county roads in the last few years because the county has failed already to meet her obligations and redeem bonds and warrants, so it is necessary for the cooperation of the land owners along these roads if the roads are to be maintained.

Much can be done by the county if the graders are permitted to run. We have for 10 years worked for the highways to be built by the state and that has progressed very well except for the type of surface we have which is not permanent—but the state must not blame them. Now we must work to improve the feeder roads and if possible try for state aid or Federal relief but this will be slow.

The extra heavy growth on account of the rainy season has been allowed to grow up around all drain culverts and small bridges and if allowed to fatten and decay will wash in and fill completely all drainage, not only ruining the roads but doing terrible damage to low lands.

If the Homemakers Clubs would join in this campaign we could get a lot more progress on this work.

It should be every citizen's job to help.

in it one glimpses a combining of Mr. Ford's principal thoughts—his automobile and his love for early American subjects.

The picture is a clever, imaginative one built around a promiscuous modern industrial process—the building of an automobile. Yet, in the film, one glimpses such decidedly original views as automobile connecting rods moving in stately grace through an authentic square dance to one of Mr. Ford's favorite old-time tunes, and a battery of valve stems, bolts, nuts and cotter pins marching to the swift tempo of early American military music.

In conjunction with the showing of "Rhapsody in Steel," the Ford company presents its newest film, "Ford and a Century of Progress," a talking motion picture filmed on the grounds of a Century of Progress for 1934.

Those who have seen the Fair without a doubt, find many familiar scenes in "Ford and a Century of Progress," as well as many scenes that were overlooked, while those who did not see the 1934 World's Fair will find that it has, at last, been brought to their very doorstep.

Both films are being shown without charge.

Wonder how "Tilda's" name would look on the honor roll?

Rain is causing the farmers some concern as its hindering cotton picking to a great extent.

Miss Chettie Mae Orr is visiting her cousin, Miss Sylvia Webb this week.

"Tilda" spent Thursday afternoon at the sorghum mill near Providence School. R. L. Hart entertained us with some poems of his own composition, and they are really worth while. We wonder why he doesn't contribute some of those poems to The Ledger & Times? They would be of interest to scores of readers.

CARD OF APPRECIATION

I wish to thank everyone who was so kind to lend a helping hand while I was unable to help myself and I hope that a misfortune like that will never happen to you. I want to thank the Mason Hospital staff for the splendid things they did for me while I was there. Not only to them but to every one that ministered to my needs. I surely did appreciate it, and I pray God's richest blessings to rest upon you—Bernice Grogan.

Lynn Grove Hi

We plan to enter the County School Fair to be held at Murray October 20 and 21. Work will begin on our exhibit soon.

Although it rained almost throughout the evening, a large crowd was present at the program, presented by the juniors and seniors last Friday evening. We appreciate the interest shown by those coming despite the bad weather.

We are grateful to the county board for the new roof which was recently placed on our auditorium to keep water from pouring in when it rains.

The Kirtsey boys' softball team came over Tuesday afternoon, October 2, to play with our boys. The Faxon team comes here Friday afternoon.

Our girls' team defeated the Almo team by a score of 20 to 11 here last Thursday afternoon. This was the first game of the season for our girls. They returned the game at Almo Wednesday.

Under the direction of Miss Swann, the members of the fifth grade have been quite busy with projects this week. In connection with their work in English, they have each one written some poetry. The class as a unit has constructed a clever and interesting moving picture of "Mrs. Wiggs of the Cabbage Patch." The girls have been doing crayon painting and have made some beautiful pillow tops and other pieces.

Miss Mae Julia Mangrum, a member of the '30 graduating class here, returned to Louisville Sunday after a two weeks visit with her mother, Mrs. Dorothy Mangrum, of Brown's Grove. Miss

CAMP MURRAY CHATTERS
By Wyn. H. Martin, Jr.

Bro. R. W. Riggs of the Church of Christ delivered his farewell talk Sunday to the camp in conducting regular morning worship. Bro. Phillips McCaslin led singing. From the beginning of the camp, Bro. Riggs has been active in camp welfare, lending much impetus to religious and social service. The personnel of Camp Murray join the Church of Christ in expressing its deep appreciation for his efforts in this community and wish him equal success at his new post of duty.

Friday was truly an unlucky day for the Cubs and the camp for their trip to Bowling Green to see the much advertised First and Second Districts' series was a very "bumpy" one. The team left camp Thursday afternoon and spent the night at National Park Camp No. 1, the home of Company 510, near Mammoth Cave. After a trip to the cave they were joined by the remainder of the company at the ball park at Bowling Green. A steady rain which began at noon made the game impossible and the winners of the series may never be determined in the field.

After their long and tiresome trip, however, the Cubs recovered sufficiently by Sunday afternoon to defeat the Hardin nine. The tilt which took place at the local grounds resulted in a score of 8-6. Baird substituted for Doss on first who was discharged Sunday.

Sunday was discharge day again for Camp Murray. Eighteen men going to positions or to school terminated their services in the CCC with honorable discharges.

Breathitt county 4-H club members explain important judging points in their exhibits to visitors.

S. Pleasant Grove

Joe Erwin and Bryan Spencer of Michigan, arrived Saturday to spend vacation with their parents, Mr. and Mrs. Ernest Erwin and Mr. and Mrs. Bob Erwin and other relatives.

Mrs. R. H. Pigue of Paducah came over last week to her home in this vicinity where Bro. Prince Hart and family live and will remain for the meeting here. Her daughter, Mrs. Will Miller of Paducah and brother-in-law, Dick Rose of Detroit visited Mrs. Pigue Sunday. Mr. Rose has two sisters here, Mrs. Ocus McPerson and Mrs. Leonard Paschall.

Mrs. Belle Story of Edgell, the Rev. Riley Gunter, Paducah, are taking advantage of attending the revival and visiting relatives, too.

Uncle Est Miller, who is in his nineties, was the oldest person who was present Sunday at the Pleasant Grove revival which commenced at the 11 o'clock service Sunday, conducted by the pastor, W. A. Baker, and Bro. Walter Henley of Tennessee, who spent many of his boyhood years in this vicinity.

On account of rain and high water, Bro. Ose Wreather Saturday morning called in the quarterly meeting which was to have been at Mason's Chapel. Postman Perry of Hazel Route 3, deputized James Nesbitt to deliver the mail on horseback between the creeks near Smotherman school to the Ellis creek and he himself back trucked some miles to deliver the mail on the last round up.

Mrs. Armstrong of Mayfield visited her daughter, Mrs. Quittman Paschall last week.

Presiding Elder Ose Wreather and Mrs. Wreather attended services here last Monday and also visited relatives.

Mr. and Mrs. Lester Taylor and son, Lyndell of Bruceton, Tenn. and their daughter, Mrs. Hollingsworth and Mr. Hollingsworth of Camden, Tenn. were Saturday guests of their sister and aunt, Mrs. Leslie Ellis and family. Also Misses Virginia and Mildred Odle and Brady Taylor joined their relatives at this place Sunday.

Others present were Misses Margaret McGee and Baker of Bruceton.

Duncan Ellis is ill of pleurisy and complications.

Almo High School

The classes in high school met last Thursday and elected class officers. They are as follows:

Freshman—Hallene Lassiter, president; Anna Nell Phillips, vice-president; Margaret Roberts, secretary; Mary Stephenson, treasurer.

Sophomore—Charles Johnson, president; Trucille Reeves, vice-president; Kathleen Brown, secretary-treasurer.

Junior—Jerome Lassiter, president; Clara Ernstberger, vice-president; Jack Clendenon, secretary and treasurer; Eugenia Woodall, chairman of program committee; Laurine Wood, Clara Thweatt, Buriel Schroeder, program committee.

Senior—Cartelle Lassiter, president; Kathryn Hargis, vice-president; Lois Goodwin, secretary-treasurer; Geneva Whitlow, chairman of program committee; Ruth Calhoun, Rhoda Herndon, Artelle Lassiter, program committee.

A short chapel program was given Friday morning to all members of the school. The program was as follows:

Devotional—Mr. Jones.
Song—School.
Reading—Margaret Roberts.
Reading—Ruth Calhoun.

Several other numbers were expected but due to the lack of practice were omitted.

The girls' softball team met defeat at Lynn Grove Thursday of last week. The Almo girls played a good game and fought hard but failed to hit as consistently as the opposition. The Lynn Grove girls returned the game Wednesday.

The scores Thursday were 20-11. The lineup for Almo girls was as follows: Lois Goodwin, c; Clara Ernstberger, p; Rhoda Herndon, 1b; Eugenia Woodall, 2b; Kathryn Hargis, 3b; Hallene Lassiter, ss; Kathleen Brown, sf; Wilma Thweatt, lf; Clara Thweatt, cf; Reda Holland, rf; substitutes: Trucille Reeves, Ruth Calhoun, and Frances Suiter.

Average attendance for the primary room the first month was 96 plus per cent with 11 tardies. The intermediate department, 97% per cent with three tardies, and the high school 94.9 plus with eight tardies. The average for entire school being 93.8 and 23 tardies.

The freshman-sophomore geography class gave a party in the high school auditorium Wednesday night of last week. The class had two different divisions. The side that lost in the contest entertained the winning side with a party. Games were played and refreshments served. Miss Broach and Mr. Lassiter were present.

The fourth grade under the direction of Mrs. Story is working

on an Indian project for that room.

The agriculture boys of this school are planning a weiner roast for the school Friday night of this week. The picnic is to be held near Clark's river on the farm of W. S. Hargis.

Almo had a thrilling football game with Concord last Tuesday but suffered a slight defeat by a score of 8-7. Each player played excellent ball throughout the tilt.

The boys' softball team shut out the Murray Training School Wednesday with a 13-0 margin.

Gunter's Flat

The women of this community are very busy this week sewing, cooking and preparing for the singing convention which will begin Friday at 1 o'clock and continue through Saturday. You are invited to come and especially all singers. We want to make this the best singing that Calloway county has ever had. We can do it if every body in this community will do their part.

Mr. and Mrs. Clarence Coles and Hollis Hughes came in from St. Louis, Mo., Friday night to visit Mr. and Mrs. George Coles and Mr. and Mrs. Robert Hughes. On their return home Sunday they were accompanied by Mr. and Mrs. George Coles as far as St. Louis where they will join their daughter, Mrs. Genie Adams and Mr. Adams, and will leave there Tuesday for western Texas to visit Mr. Coles' brothers for ten days or two weeks.

Chess Scruggs of Hazel spent Sunday with Mr. and Mrs. Jim Adams.

Next Saturday afternoon at about 3 o'clock, in honor of our Sunday School teachers, we will sing "Are There Any Stars in My Crown."

Mr. and Mrs. Hallet Stewart spent Sunday in Tennessee as guests of his brother, Virgil Stewart who recently underwent an operation.

Mrs. B. S. Overbey of Murray was the guest of her parents, Mr. and Mrs. L. F. Wells Saturday afternoon.

The South Pleasant Grove meeting is going on this week. Let's hope for a good meeting.

John Braswell, teacher at Grindstone, who lives in this community, brought 19 of his pupils home with him Friday afternoon and stayed until Sunday afternoon.

As I am rushed for time, I hope this will get there in time for print this week—"Rose Bud".

Hazel F. F. A. Notes

By Edmond Cherry
Ag. I-II

Vocational agriculture class 1 and 2 went on a field trip to Mr. Rudy Hendon's, September 27. Mr. Williams, an authority on the soft cure method of curing tobacco, was the speaker. Mr. Williams is at the present time employed by the Extension Depart-

ment of both Kentucky and Tennessee. About 40 were present at the open air discussion.

Ag. III-IV
Agriculture boys 3 and 4 heard Mr. Williams talk at Mr. Oscar Barnes' south of Murray, Thursday, September 27. Mr. Williams stressed the importance of drainage of tobacco land, and also the importance of a soil with an abundant supply of organic matter.

Mr. Williams demonstrated the Hosaic disease of tobacco, and the way to destroy it by buying seed that is immune to this plague.

The specialist spoke at Hazel High School Thursday night, September 27, on the curing of tobacco. He praised the work of the leaders of this community using the soft cure method. When the tobacco is of nature has done her part probably better than the owner himself. Therefore, if the owner does not take proper care of the tobacco while curing, he has no one to blame but himself.

At the statements of Mr. Williams, he praised the work of the Smith-Hughes teachers and the Smith-Hughes boys. According to Mr. Williams the future of America rests on the shoulders of the younger generation and especially the Smith-Hughes boy.

Hazel Future Farmers held their weekly meeting Tuesday, October 2. At this meeting the boys that are to pop corn and sell candy at high school activities were selected. Two boys were selected to print bills for the minstrel and to distribute them. The boys who went through the informal Future Farmers' initiation will be formally initiated to the "Green Hands" degree Monday night, October 4. A fox hunt is planned for October 12. A program committee of three was selected to take up the leisure time after the business of the club had been transacted, and last, the secretary was to check up his books.

Faxon's sixth week of school is starting with somewhat irregular attendance, because of cotton picking. If the weather stays suitable, they will be able to return within a few days. Most of the boys out with tobacco and hay are attending regularly now. The junior and senior who have been ill are back, looking a little peaked but determined to catch up. The freshman, Sylvester Ellis, ill with chronic malaria, has not returned yet.

The Leaders' League is planning a party to entertain the N. R. A. Thursday night, October 4. We do not know their plans yet, but we know that there will be lots of fun, from our experience last year and from our knowledge of their sponsor, Mr. Connie Barnett.

October 27 is the date set by the N. R. A. Society for their play, "A Wild Flour of the Hill." The primary room is making a sand table, using the project of Holland.

The third, fourth, fifth and sixth grades are working on their projects for the Calloway County fair to be held October 19-20. They are making a splendid start for a good exhibit.

We hope Hazel is gradually getting her color back from the beating administered by Faxon in softball Wednesday, September 26. It was in an added inning that Faxon was able to win, the score standing at 3-3 at the end of the seventh. The final score was 5-4.

Pleasant Valley was to have come to Faxon for a game Friday, September 28, but the game was called off because of the down point of rain. No new date has been set yet. Friday, October 5, Faxon goes to Lynn Grove. A good game is expected.

Faxon Debate Club was organized Friday, September 28. This club will be one of the best in the school, think the members. The officers are: Alvis Colson, president; Wilson Gant, vice-president; Harold Story, secretary-treasurer and reporter. The program committee is ex-officio. The charter members are Alvis Colson, Wilson Gant, Harold Story, Wayne Dyer, Orvel Walker, Hampton Walker, Voris Parker, Clarice Grogan, Juanita Roberts, and Jerlene Bogard. The club will meet weekly.

Pleasant Valley School News

We have just finished five weeks of successful school work, and the high school is ready to try the first six weeks exam.

Cotton picking is breaking in on our attendance some these sun shiny days, but we hope that they will soon be back in school.

We are proud of our many visitors and the hearty cooperation shown by the community at large in every thing undertaken by the school.

Our joint chapel period every Wednesday morning is enjoyed by everyone. The committee that furnishes the program is composed of the following students: Lertine Eldridge, Dorothy Benton, Beynon Elkins, and Charles Sparks.

We are making preparation to

start to work on our part of the County Fair this week, we expect to give some strong competition for the winners.

We have an enrollment of 82 with 30 in high school, with an attendance record for the first month of 87 plus per cent in spite of the cotton picking. We are hoping it will be better next month. Our honor roll will be in next week's paper.

Miss Marie Mortensen, Will Moore Beale Wed

Attractive announcements have been received here by relatives and friends of the marriage in Washington, D. C. Saturday, October the Sixth of Miss Marie Christine Mortensen to Will Moore Beale. The ceremony was read by Dr. Alben A. Stockdale at the Congregational Church at high noon. They were attended by Mr. and Mrs. George McMahon, of Washington.

The marriage is a culmination of a romance which had its inception in Murray when Mrs. Beale was a member of the home economics staff of Murray State College.

Mrs. Beale, the talented daughter of Mr. and Mrs. Martin Mortensen, Ames, Iowa, is a graduate in home economics and was a member of the college staff for several years.

Mrs. Beale is the son of Mrs. Jack Beale, Jr., West Olive street, and is now connected with the Home Loan Department of the U. S. Government. He was formerly representative in Mississippi for Purina Mills. Mr. Beale is one of the most popular of Murray's young men.

They are at home at 1708 Rhode Island Ave., Washington, D. C.

Pearson-Hutton Wedding Saturday

Beautiful in its simplicity was the wedding which united two of the prominent families of Kentucky and Tennessee, when Mrs. Eula Hood Pearson, Read, To, West Wood, Pearson, became the bride of H. E. Hutton of Charlotte, Tenn.

Mrs. Hutton, the daughter of C. M. Hood, is one of Murray's most charming and successful business women, having owned the Eula Hood Pearson, Read, To, West Wood, Pearson, for the past five years. By her fair dealing and pleasing personality in her business she has gained innumerable friends.

Mrs. Hutton, a son of one of the pioneer families of Middle Tennessee, who has been a successful business man, also a political leader in that section for the past 25 years, was recently elected sheriff of Dickson county, Tenn.

The impressive ceremony was read by Dr. R. W. Hood, uncle of the bride at the home of her father, Mr. Albert Lassiter. A full attendance is asked.

Thoroughbreds Face Tough Schedule From Now On With Captain Injured

The Thoroughbreds opened their handsome and commodious new stadium Friday night with a victory over an S. I. A. A. foe, the strong Stetson University team, 19 to 7, their 13th in a row but paid a heavy price when their doughty Captain Vaughn Wood-

ney received for the first time but failed to gain. After an exchange of kicks and a 15-yard penalty on the Racetracks for clipping had bogged down the Murray attack, Stetson again got troublesome through another intercepted Murray pass, this time by Slade, the Florida quarterback who was incidentally, the most worrisome thorn in our sides all evening.

Slade made a 12-yard dash around left end and two penalties one for 5 and a second for 15 gave Stetson the ball on our 35-yard line. But Big Keith kept nipped the rally as cold as a January frost and pulled the most thrilling play of the game by grabbing the handles of a Stetson forward toss and galloping 61 yards to the north goal. The blocking of the Murray boys was superb on this play and especially noticeable was one by Tolson, when Keith was almost trapped about midfield.

We made another threat late in the final spasm when Taylor made a pretty run of 37-yards to Stetson's 9-yard mark. The final try was a spinner by Keith King which carried the ball over but Referee Schulman ruled that Keith's knee hit the ground before he went over and gave the ball to the visitors on their 1-yard line.

Aided by some penalties and nicely completed passes, mixed in with a pretty running attack of tackle, the Southerners went down to the Murray 5-yard mark where the whistle stopped them.

This week Coach Stewart is up against the tremendous task of getting some tackles in shape for the hard game with Millaps at Jackson, Miss., Friday and the tough games with Tennessee Polytechnic Southern and Union which follow.

Clint Bug, big senior tackle, wrenched his knee but it is hoped that he will be ready to play against the Majors tomorrow. It is understood that Millaps is "laying for us" and there's no doubt but that the Thoroughbreds are in for all they can handle down in "ole Miss."

The Racetracks are not figuring on losing a single game this year but the menu they have
