School Bond Vote Is Scheduled for May 29 Primary

Marshall County voters will ballot May 29 on a proposed property levy of 5 to 35 cents per \$100 valuation for the purpose of building auditoriums, gymnasiums at North and South Marshall High Schools.

The County Board of Education in session Monday requested the county's tax levying authority, W. J. Brien Sr. offered the motion, which was seconded by Bob Ross. Vote of the board was unanimous.

Fiscal Court, in session Tuesday, agreed to submit the proposal to the voters at the May 29 primary. Fiscal Court is the county's tax levying authority.

The tax levy, if favored by the voters, will be over a period of 20 years.

The Board of Education, if authorized to do so by the voters, will issue bonds in the amount of \$350,000 for the proposed school building program. The two proposed auditoriums will cost approximately \$300,000 and the extra \$50,000 will be used to construct additional classrooms and to make other needed improvements at other schools in the county.

Revenue from the property levy will be used to retire bonds. The proposal on the ballot will read so that the voter can give a direct YES or NO decision.

First Practice Session for Big Singing is Scheduled

First practice session for the annual Old Southern Harmony Singing (Big Singing Day) will be held Tuesday night, May 15, at the residence of Circuit Judge H. H. Lovett. The session will start at 7:30.

Big Singing Day is Sunday, May 27.

The event was started in 1884 by J. R. Lemon and has become one of Marshall County's most famous celebrations.

Thousands of persons gather in Benton each year to celebrate the occasion, which has become a sort of homecoming for former residents of this county.

Aside from the old-time singing, the day is marked by family gatherings, dinners and picnics. Visitors are expected from all parts of Western Kentucky and many other states in the nation.

NEW DEPUTY — Joe Tom Hall, above, is the new deputy sheriff appointed recently by Sheriff Billy Watkins.

Big Crowd at Meeting of City Council

Benton will start operating under Daylight Saving Time on May 14.

This was decided by members of the City Council at a meeting Monday night at the City Hall. The Council voted six to one in favor of the time change after hearing approximately 20 citizens urge a switch to Daylight Saving Time to conform

Bisbee Show To Open Here Monday Night

Bisbee's Comedians, long a favorite of Marshall County show fans, will open a six-day run in Benton on Monday night, May 14. The show will run through Saturday night.

The big tent will be set up in City Park.

Billy Choate, who has been with the troupe since he was a boy, has taken over management of the show since the death two years ago of the founder, J. C. Bisbee of Memphis.

Mr. Choate is offering the same high type show presented for many years by Mr. Bisbee.

Featured entertainers include Toby Ticklebush, the famed comedian; Vera Thompson, leading lady; the dance team of Raymond and Lavoe; Ralph Blackwell, ventriloquist; the Charles McDowell, magicians; Fern Lavoe and Bobby Jean, dancers; and many, many others.

Dors open each night at 7, orchestra at 7:30 and curtain at 8. Admission prices are 50c, 75c, 1.00, 1.25, 1.50, 2.00, 2.50, 3.00, 3.50, 4.00, 4.50, 5.00, 5.50, 6.00, 6.50, 7.00, 7.50, 8.00, 8.50, 9.00, 9.50, 10.00, 10.50, 11.00, 11.50, 12.00, 12.50, 13.00, 13.50, Household Shower Given Mrs. Harper

A household shower was given in honor of Mrs. Joe Robert Harper, a recent bride, by Mmes. Paul Campbell, Jim Boyd, Glenn Collier, B. F. Karnes, and Jack Karnes in the lovely new home of Mrs. Campbell, May 1, at 7:30 p. m.

The house was decorated throughout with white dogwood and flowers. Mrs. Jim Boyd served punch from the dining room table covered with an elegant white lace cloth and centered with a beautiful tiered wedding cake topped with a miniature

bride and groom. Tall white tapers softly burned on either side of the cake.

The bride and groom traditionally cut the first piece of cake. The guests entered into contests and Mrs. Adah Flora and Mrs. Wilma Evans won prizes. The door prize was won by Mrs. Gertrude Harper.

Fifty people attended the shower, but between 85 and 90 sent or brought gifts to honor the bride.

Mr. and Mrs. Clayton Brooks of Mayfield recently spent the week-end with Mrs. Brooks' parents, Mr. and Mrs. Lee Keeling of Calvert Heights.

MRS. LUND HOSTESS TO CALVERT BRIDGE CLUB

The Calvert City Bridge Club met in the home of Mrs. Russell T. Lund Wednesday, May 2, for luncheon and bridge. A delicious seafood plate, hot rolls, coffee and cake were served to the ladies.

Highest score was made by Mrs. Vernon Duckett, and second highest by Mrs. William Colburn.

Members present were: Mmes. William Colburn, Robert Arnold, Basil Brooks, Hunter Gaylor, John Mathney, and Robert Van Ness. Mrs. Duckett and Mrs. Lee Keeling were guests.

Tenn-agers Hold Semi-formal Dance At Ky. Dam Village

The teen-agers semi-formal dance, sponsored by the Kentucky Lake Parents Association, and under the direction of Mr. and Mrs. R. Van Doren, was held April 27 in the Ky. Dam Auditorium.

The teen-agers danced to the music of Jack Stalcup and his orchestra, which Mr. Van Doren arranged for.

The auditorium was decorated in red, white and blue crepe paper, and balloons were suspended from the ceiling and later given for souvenirs.

The school girls and boys were dressed in their formals and looked the part of "dancing dolls." The "guys and dolls" from North Marshall High looked like

debutantes.

Refreshments were served to 300 or more by Mrs. J.B. Conn, Mrs. John Mathney and Mrs. Ed McCormick and Mrs. Parrish assisted. During the evening, Boots Conn and Bob Arnold poured punch to assist the ladies.

Credit is due Mr. and Mrs. Van Doren for a job well done. Miss Rosemary Peterson deserves a big hand for the time and effort she has given to teach these boys and girls all the latest dances. A "thank you" you also goes to the Calvert City Recreation dept., the Calvert City Woman's Club for their cash donations, and to each and everyone who assisted in making this evening one to be long remembered in the hearts of the youngsters.

Plans are underway for such affairs to be resumed next fall.

Betty Lou Devine And J. R. Harper Married at Church

Miss Betty Lou Devine became Mrs. Joe Robert Harper April 20, at 7 p. m. in an impressive ceremony at the Baptist Church in Calvert City.

The former Miss Devine is the daughter of Mr. and Mrs. C. S. Devine of Calvert City, and Mr. Harper is the son of Mr. and Mrs. Marvin Harper of Benton Route 6.

The bride was gown in a lovely white eyelet ballerina length dress with full skirt and three-quarter sleeves. She wore white linen slippers, a tiny white flower hat, and carried a white Bible and a white orchid.

Mrs. Carolyn Collier served as matron of honor and Mr. Harper's brother served him as best man.

The couple left immediately after the ceremony for a short wedding trip to Illinois, and are now at home on Route 6.

A rehearsal party and dinner was held for the couple the evening before the wedding.

Mrs. Harper was graduated from the Calvert City High School, attended Murray State College and graduated from Dranghon's Business College in Paducah in 1955. Mr. Harper graduated from Sharpe High School and attended the business college in Paducah.

The Calvert City Sewing Club met in the home of Mrs. Myron Pfeiffer Tuesday, May 1st, from 1:00 to 3:30 p. m. Delicious nut bread and coffee were served to Mmes. William Colburn, Dwight Robb, Richard Hampton, et al, Hunter Gaylor, Gordon, and Harper. Subscribes to the

China and Crystal Shower Held for Mrs. Wendell Stice

The lovely home of Mrs. Huey Hartsell was the scene of a china and crystal shower honoring Mrs. Wendell Stice, a recent bride. The shower was given by Mrs. Hartsell and Mrs. Earl Smith on May 1 at 7:30 p. m.

The guests enjoyed three contests, one of which was identifying spices by smelling them. The lovely gifts for the honoree were displayed on the dining room table, which was covered with a beautiful ecru lace cloth and centered with a floral arrangement of pink verbenas.

A party plate of finger sandwiches, cookies, candy, and punch was served by the hostesses.

Mrs. Stice received many pieces of her chosen patterns of crystal and china from her friends.

Those present and sending gifts were: Mmes. Ed O'Dell, Chas. Hall, Robt. Goheen, R. B. Morrow, Buddie Owens, Vada Hall, Jack Doyle, Archie O'Dell, Robby Hoover, Altha Davis, J. C. Davis, Joe Inman, Jack Travis, Draffen Schmidt, Leon Smith, Christy Hall, John Thompson, J. D. Dunn, Minnie Madden, Ralph Kruger, Marvin McLemore, James Davis, Clifton Devine, Joe Harper, Robt. Earl Madden, Earl Hall, Ray Hall, Luther Davis, Buford McLemore, L. E. Cornwell, Marvin Madden, C. E. Atnip, R. C. Harmon, Della Key, Jennie Kennedy, Homer Ford, and the bride's Mother, Mrs. B. N. Dossett. Misses Laverne Howard, Martha Schmidt, and Jean Landers.

Mr. and Mrs. J. B. Conn and daughters, Jerrilyn and Jean, went to Memphis Tuesday, May 1st, to be with Mrs. Conn's father, Mr. H. E. Boone, who underwent surgery at Methodist Hospital.

No. 1160, charge reduced to taking property without felonious intent, defendant entered plea of "Guilty." June 24, 1941.

TAXES

MR. Gordon has expressed considerable interest in the lowering of individual income taxes. Evidently he took it on himself to do this without permission of the Federal Government for on July 8, 1948, in the Record of Encumbrances Book 2, Page 223, Marshall County Court Clerk's Office a lien was filed by the Bureau of Internal Revenue on his property for failure to pay income taxes in excess of \$18,000.

THESE ARE PLAIN COLD FACTS

The records are public records and available to anyone. On comparison of these records we should decide who can best represent us in Congress and who can best secure the confidence and cooperation of other Congressmen in matters of vital interest to the First District.
The decision is ours, and we should follow the dictates of our own consciences when we vote for a man to represent us in the 85th Congress of the United States.

Price Support for 1956-Crop Wheat Is \$2 Per Bushel

The minimum national price support for 1956-crop wheat has been increased to \$2 per bushel, which at the present time is 83.7 percent of parity, according to Everett Treas, chairman of the Marshall County Agricultural Stabilization and Conservation Committee. The support at harvest will be not less than 82.5 percent of parity as of July 1, 1956.

The minimum support for the 1956 wheat crop, announced prior to the 1956-crop wheat referendum June 25, was \$1.81 per bushel based on 76 percent of parity in June 1955.

The minimum rates currently announced, Chairman Treas explains, will apply to the 36 states in the commercial wheat area. In the other 12 states, where wheat production is relatively small and where acreage allotments and marketing quo-

tas are not in effect this year, the support will be 75 percent of the support in the commercial area.

The 1955 wheat crop in the commercial wheat area was supported at 82 1/2 percent of parity which, based on price relationships July 1, 1955, came to a national average of \$2.08 per bushel. The rate in Marshall county, based on this average, was \$2.18 per bushel for No. 1 wheat.

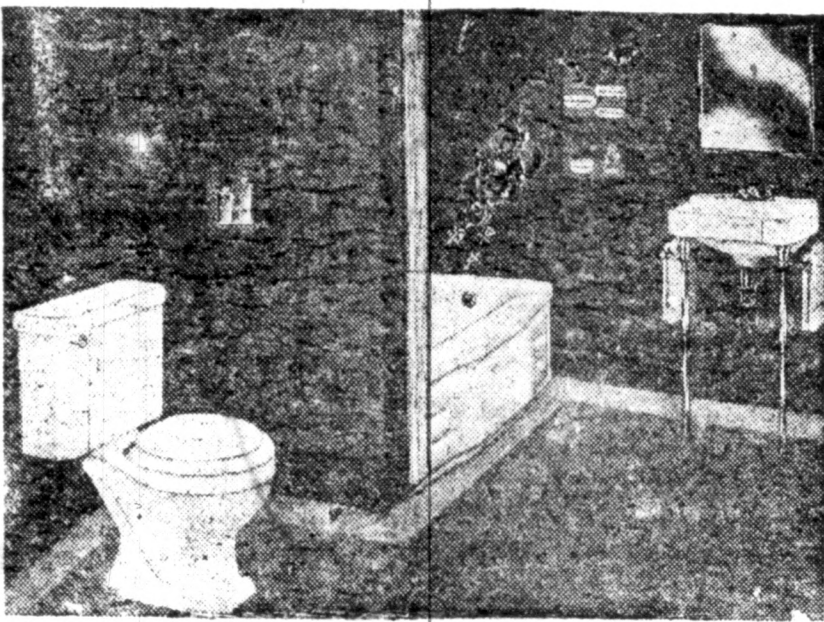

Local loan rates for 1956-crop wheat for the different classes and grades will be announced as soon as the differentials for the different classes and grades are worked out according to locality.

Mrs. W. D. Dappert Hostess to Session Of Church Group

The WSCS of the Benton Methodist Church met Monday afternoon at the home of Mrs. Warde Dappert.

After the program for the month, which was planned and led by Mrs. Paul Darnall, the members presented their pledges for the coming year at an altar with lighted candles. On the left side of the altar was a mound of canned goods, and on the right side a few crusts of bread. The pledge cards were laid on the barren side to signify the need to balance the lean with the plenty.

The business meeting followed. Refreshments of cake and coffee were served by Mrs. Dappert to 21 members.

Lannette Howard And Murray Man To Marry in June

Mrs. Leona Howard of Calvert City Route 2 has announced the engagement and approaching marriage of her daughter, Lannette, to Billy Payne Thurman, son of Mr. and Mrs. Galen M. Thurman Sr., of Murray.

The bride elect is the daughter of the late Wiley Howard. She is a Calvert City High School graduate and will complete her work at the Murray College this year, with Bachelor of Science degree in business education. She is a member of Tri Sigma Sorority, of which she served as treasurer this year.

Mr. Thurman is a graduate of Murray High School and has been in the U. S. Air Force for the past four years. He was a first lieutenant when he was discharged. He is a part-time student at the Murray college.

He is, at the present time, a co-partner in the Purdon and Thurman Insurance Agency in Murray.

An early June wedding is planned.

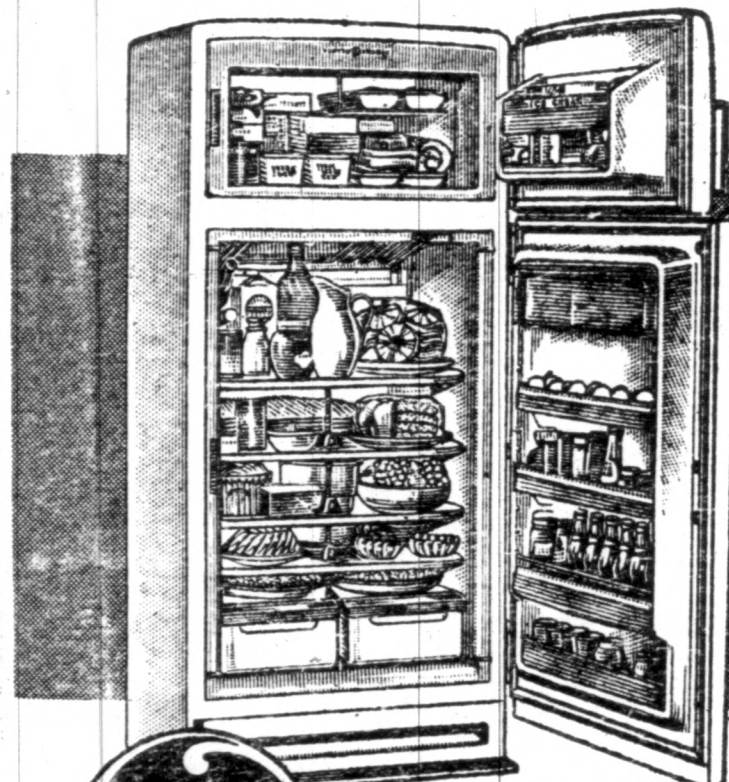

Marion D. Clark, son of Mrs. Helen Clark of Dexter, and C. A. Bucy Jr., son of Mr. and Mrs. Charles A. Bucy of 208 Cherry Ave., Murray, and husband of the former Miss Eleanor R. Herzog of Detroit, Mich., have been appointed mail clerk and squad leader respectively of their recruit company at the Great Lakes Naval Training Center.

Girl Scout Mother, Daughter Banquet Slated Saturday

Girl Scout Troop 86 has finished a successful month's work under the direction of Mrs. Milton Nelson. During the past month, the girls made terrariums, went on a hike, and had a marshmallow roast. Plans are now being made for the mother-daughter banquet to be held May 12 at the home of Mrs. Jack Seel. The troop also is endeavoring to finish the second class badges before disbanding for the summer months.

Officers presiding for April and May are: President, Burneda Coursey; secretary, Brenda Kirk; treasurer, Susan Pfeiffer; reporters, Linda Guess and Ann Mathney. Barbara Roberts and Burneda Coursey are new members of Troop 86.

A regional Girl Scout annual meeting was held Monday, April 30, in Paducah at Concord School. During the afternoon from 3:30 to 5:30, there was a work shop session. Leaders attending the work shop and other festivities were Mes. Milton Nelson, Otis Fortner and Albert Harrell.

A dinner was served to the group in the cafeteria at 6 p. m. At 7:30 a meeting was held in the auditorium. Those in attendance in addition to the leaders who went for the work shop session were: Mrs. J. B. Conn, Mrs. Richard Phelps, Mrs. A. H. Hafer, Susan Pfeiffer, and Jean Conn.

On May 7, a neighborhood Girl Scout meeting of leaders and committee members was held at the home of Mrs. Milton Nelson at 7:30 p. m. Leaders and committee members from Gilbertsville and Calvert City attended.

Mr. and Mrs. Lyman Jones of Route 2 were shoppers in Benton Friday and while here renewed his subscription to the Courier.

Mrs. Lester Marshall of Calvert City Route 1 has been dismissed as a patient from the Baptist Hospital in Paducah.

Lloyd Crouch, Benton barber, caught a 5 1/2 pound blue gill, also several nice three and four pound crappi.

Mrs. Betty Lovett of Route 5 was a visitor in the home of her daughter, Mrs. A. T. Butler in Benton last week.

Marshall County has been fortunate in the past months to be host to many distinguished visitors, the latest of which being Dr. Klaus Feldman, a native of Germany.

Dr. Feldman is on a four-week tour of the United States to visit the major calcium carbide and phosphorous companies. He was in Calvert City last week as a guest of National Carbide. His tour, after crossing the Atlantic, started in New York City and will continue until he reaches Los Angeles, where he again will board a Scandinavian Airways ship and fly across the Polar region to make a first landing of his return trip in Copenhagen.

Dr. Feldman is a division manager of Knapsack-Griesheim AG, in Knapsack, Germany, which is located about eight miles from Cologne. Knapsack, like Calvert City, is an industrial center of many chemical factories.

Dr. Feldman, the son of a medical doctor in Bremen, Germany, has led a varied and interesting life. He was graduated from the Bremen High School and then spent two years of compulsory army service. Then he entered Freiburg University in Freiburg to further his education. But these studies too were interrupted and once more, from August 1939 to July 1945, he was called to serve as an officer in the German Army.

He served on the front in France in 1940, and later was stationed in Russia until the war ended. While serving in the Ukraine, Dr. Feldman was in a battalion with Dr. Zanssen and General Dornberger — the man who later assisted in the development of guided missiles.

Once the war was ended, he returned to his schooling at Goettingen University, where his father and grandfather were educated, and in 1947 received his diploma, comparable to our masters degree in chemistry. In 1949, he became a doctor of chemistry.

Later, he met and married his wife, who also holds a masters degree in chemistry. They have two children, a boy 2 and a girl 5 years old.

Of America, Dr. Feldman says it is a privilege to be able to visit so great a country.

NOTICE OF SCHOOL TAX ELECTION

Notice is hereby given that an election will be held in and for the Marshall County School District on May 29, 1956, between the hours of 8:00 A. M. and 5:00 P. M., Central Standard Time, to determine whether the voters of said District are for or against the levying of annual special school building tax rate from five cents to thirty-five cents on each \$100 of property subject to local taxation within the District, for the purpose of providing for the purchase or lease of school sites and buildings, for the erection and complete equipping of new school buildings, for the major alterations, enlargement, and complete equipping of existing buildings, for the purpose of retiring, directly or through rental payments, school revenue bonds issued for such school building improvements and for the purpose of financing any program for the acquisition, improvement or building of schools and to accomplish any or all of said purposes.

The question which will be submitted to the voters of said school district at said election will be in the following form: Are you for or against having an annual special school building tax rate of from five cents to thirty-five cents on each \$100 of property subject to local taxation located within the Marshall County School District for a period of twenty (20) years, levied for the purpose of providing for the purchase or lease of school sites and buildings, for the erection and complete equipping of new school buildings, for the major alteration, enlargement and complete equipping of existing buildings, for the purpose of retiring, directly or through rental payments, school revenue bonds issued for such school building improvements and for the purpose of financing any program for the acquisition, improvement or building of schools and to accomplish any or all of said purposes?

Provisions will be made upon the ballot for the voters of said school district to indicate that they are "FOR" or "AGAINST" the levying of said annual special school tax.

All qualified voters in said Marshall County School District are hereby notified of such election and are requested to vote upon said question.

This notice is given pursuant to an order of the Fiscal Court of Marshall County dated the 8th day of May, 1956 to which reference is hereby made for further details.

Tatumville Club Has Part in Style Show Held May 4

The Tatumville Homemakers club observed Home Demonstration Week by taking part in the style show Friday, May 4, at the Community Building. Eight members have made suits or coats since the start of the tailoring lessons in January. Clothing leaders are Mrs. W. L. Frazier and Mrs. L. L. Higgins.

Some of the members made dress forms under Miss Colley's instructions. Five went to Murray for the district meeting.

The Tatumville club has 27 members and attendance is always better for the May meeting. The meeting is May 18. This year the club is making T. V. stools. The handicraft leaders are Mrs. John Wommack and Mrs. W. W. Dunn.

Busy Body Club Has Had a Busy Year on Its Various Projects

The Busy Bodies Homemakers Club has been very busy since Home Demonstration Week last year.

Club membership has increased by eight, bringing the total to 15.

The club has made a total of 17 hats, and plans to have another workday on hats right away.

Everyone enjoyed the tailoring lessons this year. All but two members made muslin jackets this spring. Some of the members plan to make coats and suits this fall.

Mrs. Clarence Frazier and Mrs. Frank Hart represented the club at the district meeting at Murray.

The Busy Body Homemakers meet the second Tuesday of each month in the home of a member. Anyone desiring to visit or join the club is always welcome.

It's Bigger than Both of 'em

—but its price makes it one of America's 3 best sellers!

It's as simple as this:
Only two cars in all creation outsell Buick. And they are two of the well-known smaller cars.

So maybe it will pay you to ask how come Buick has zoomed to the No. 3 spot with such fast-selling company.

Well, one answer is the beautiful and brawny Buick SPECIAL you see pictured here—and the low price it carries.

It's the biggest bundle of high-powered performance and high-fashion luxury ever offered in Buick's lowest-priced Series.

And that means more people want it and can afford it, because it's priced only a

few dollars more than its two smaller-car rivals—even less than some models of those very same cars.

But the big answer comes from a sure fact more folks have discovered: you get more pure automobile for your money in Buick than you get elsewhere.

Here, you get the extra wallop of big new Buick power raised to a new high—and pouring in smooth whisper from a brand-new 322-cubic-inch V8 engine of true high compression.

Here, you get the matchless buoyancy of Buick's great new ride—the extra-safe feeling of Buick's new handling ease—the extra stretch-out comfort of Buick roominess—the extra solidity and strength of

Buick structure—the extra pride and prestige of Buick's new styling and dash.

Here, too—and nowhere else—you can get the silk-smooth performance and flash-fast response of Buick's advanced new Variable Pitch Dynaflo®—the world's only transmission with the gas-saving mileage and switch-pitch action of the modern airplane propeller.

This week—this very day, if you wish—you can sample all these Buick blessings to your heart's content and your pocket's joy. Why not drop in on us and do just that?

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

For All Men

Lesson for May 13, 1956

STRANGE as it seems, one of the hardest things for Christians to get through their heads and into their hearts, is that the Gospel is for all men. Some people have actually believed that God has two lists, and everybody's name is on one or the other; one list is of the people whom God intends to save, and the other is the list of those whom He has no intention of saving. This notion is out of line with the New Testament, especially such a clear statement as I Timothy 2:4: "God our Savior, who desires all men to be saved." Others, as we all know, somewhere back in their minds are very slow to believe that the Gospel is really for all men.

"The Believers Were Amazed"

Prejudice is not new in the world, not new in the church. The very first Christians had their prejudices and some of them never recovered from them. We are told that the Roman army officer Cornelius, and his whole household—presumably servants as well as family—were converted, the believers who came from Jerusalem with Simon Peter were amazed, "because the gift of the Holy Spirit had been poured out even on Gentiles." These Jerusalem believers were all Jews, and Cornelius and his household were all Romans—or some other race, perhaps Egyptian or Greek—and Jews had long supposed that being the "chosen people" meant that God would have dealings with them, and with them alone, of all the races in the world. The "Gospel" was for God's people; and the Romans weren't God's people—as those first believers saw it. So when it was obvious that some Romans had accepted God and God accepted them...

Is the Gospel for all men? No, some would seem to be saying. Only for white people. If it is for anybody else, let it be somewhere else but where white people worship. The gospel can't be preached to any ears but white ears in the white man's church. A preacher in a large all-white congregation reports having received grateful telephone calls from members of another race—men and women who don't get very much out of the sermons in the only churches where they are admitted; so they have stopped going to church and have to "make do" with the radio. Is the Gospel for all men? No, a great many Americans in church members seem to be saying when the offering plates are passed. These members may spend generously for their own congregation. They will put out big money to build an educational plant, or an entire new church. They will buy the preacher a new car. But money for missions? Not a cent from some of these people.

God Loves All Sorts

It was not only the first believers who were "amazed" that Romans could become Christians. Believers today are shocked from time to time in the same way. The fiercest in the great war who were shot down over jungles, expecting death, only to find in those rain-forests people singing Christian hymns; the prisoner in a Japanese concentration camp who found that one of his guards knew Jesus; the traveler in Russia who finds that there are real Russian Christians even today; these have been amazed too. But such surprises occur not only across the seas; they can happen across the tracks. Many persons show that they don't expect the Gospel to do any good except to some one kind of people. For example, everybody knew Billy Graham could reach the masses of Englishmen, the ordinary kind that will flock to a sports arena to see any kind of sensation. But when Billy Graham proposed to visit Cambridge University, many people advised him not to go. You'll never get anywhere with university students, he was told. It's the old story, the Gospel is for some people, not for all. Sometimes it's the other way around. People well-polished with education and filled with culture to the eyes, don't want certain "other kinds" of people in their church; it might "lower the tone!" No—God loves all sorts; and if we profess to be his people, we had better learn to love other sorts than our own.

Are We Christians Or Cannibals, Club Members are Asked

Are we Christians or are we cannibals?

Dr. Ralph Woods, president of Murray State College, asked that question in a talk to the Benton Rotary Club last Friday night.

Dr. Woods said "we think of cannibals as human beings eating other human beings" but that cannibalism possibly involves more than just eating raw or cooked human flesh.

He said cannibalism could in-

volve such Communist practices as hanging or shooting innocent citizens. And, bringing his point closer to home, he said cannibalism could involve unwarranted criticism and gossip of our neighbors in an effort to "destroy them just as much as shooting."

He said there is a tendency among mankind to "scale down" or "level down" our neighbors when the Christian approach should be to "level up."

Mankind has the choice, he said, of following the philosophy of the greatest teacher the world has ever known, Jesus Christ, or of indulging in modern day cannibalism.

"BOMB-BATTERED" autos are among the props at the Federal Civil Defense Administration's famed rescue school at Olney, Md. Volunteer "victims" usually are Federal employees from nearby Washington, D. C., simulating, in this case, a typical scene in a lighter damage area at the outer edge of a city. (FCDA Photo)

Del Cannon Leads Drill Platoon at University Event

Del Cannon of Benton was commander of the University of Kentucky drill platoon which placed second in the Pershing Rifles drill meet held on the UK campus.

Nearly 1,000 drill cadets from 15 colleges throughout the Midwest competed in the drill meet. UK's Pershing Rifle detachment was host for the event.

One of the features of the meet was the competition between Ohio State's Union (Yankee) squad and the University's Conference squad. These two groups staged a genuine full-dress Civil War demonstration.

Cannon, son of Ben L. Cannon, is a graduate of Benton High School. Currently he is a senior in the College of Commerce at UK.

Pvt. Donald Witsman Is Graduated From Non-Com Academy

Army Pvt. Donald R. Witsman, 18, son of Roy C. Witsman, Route 2, Calvert City, recently was graduated from the I Corps Non-Commissioned Officer Academy in Korea.

A driver in Battery B of the 7th Infantry Division's 31st Field Artillery Battalion, Witsman received instruction in leadership of units, map reading and other military subjects.

Witsman entered the Army in April 1955 and completed basic training at Fort Jackson, S. C. He was last stationed at Fort Knox.

Mrs. Harold Sain and children of Linden, Tenn., visited Mr. and Mrs. Jesse Cornwell last week.

Mr. and Mrs. H. D. Dublin were shopping in Benton Monday.

Girl Leaders Needed

BY MRS. REX SPURLOCK

Girl Scout Neighboring Chairman These are the Girl Scouts. All kinds of girls are Scouts... city girls; farm girls; girls in small towns; daughters of families on the move; children in hospitals and institutions.

In Girl Scouting, each girl is important for what she is rather than who she is or for what she does. Each girl gets a chance to explore her own talents... to test her mettle in her own age group. Each girl learns to take responsibility and be an active citizen in a girl sized democracy. Girl Scouts are happy people because they are busy people. Girls learn to cook, sew, manage a household. They garden, build fires, hike, explore the world of nature, swim, boat, practice first aid. They learn to appreciate music and literature through dramatics, folk dancing, group reading and singing.

Just because a girl is young does not mean that she cannot be a big help. Girl Scouts prove this daily. They are pledged to serve others—their families, communities, and country. Girl Scouts help in child-care centers, hospitals, libraries, mu-

seums. They act as safety patrols on school streets and help in all kinds of civic drives. They collect books and recreation toys for hospitalized children help beautify parks and aid in conserving our natural resources. In short Girl Scouts, at an early age learn to help others at all times.

GIRL SCOUTING IS MORE THAN A CLUB... IT'S A WAY OF LIFE!

The girls of Benton, your daughters, want to be Scouts, but because we are faced with the lack of leaders, these girls will have to be denied Scouting. These girls are the future homemakers, civic leaders, good citizens of to-morrow. Their training today will benefit, not only themselves and families, but YOUR COMMUNITY. Its up to YOU, Mr. and Mrs. Citizen... Are we going to let these girls down... or give them the way of living they desire?

Mr. and Mrs. Paul Dotson of Route 6 visited Mr. and Mrs. S. B. Warren Saturday. Mr. and Mrs. Cecil Hicks of Route 1 were Saturday shoppers in town.

County Soil Notes

BY HERBERT ANDERSON

Surveys have been made and stakes set in the past two weeks for building farm ponds on the farms of V. A. Wilkins, Fairdealing, W. B. Dunn, Draffenville; John Wommack and Aldon English, east of Briensburg. The Soil Conservation Service assisted in this work. Paul Brewer, Draffenville, and Lou Norwood, Olive, completed the construction of farm ponds last week. The ground was a little too wet to do a good job. Soil will not pack in the dam like it should unless there is just the right amount of moisture present. Digging a pond when there is too little or too much moisture makes the work cost more than it should. It is also danger-

ous as these extreme conditions may cause failure of the dam. Aaron Barefield, north at Sharpe, a cooperator of the Marshall County Soil Conservation District, will seed a field just north of his house this fall to grass and clover for pasture. As it is now there is nothing growing on it to produce much pasture. Soil is being lost when the rain falls on the bare ground.

During the preparation of the seedbed a bulldozer will be used to fill and shape a few gullies so he can get over them with farm equipment. Also a large waterway which comes down through the field will be shaped and seeded at the same time. Floodwater from a thousand

acre watershed is ruining several acres of fertile bottom land for Raymond Powell, west of New Harmony. Not only is the water causing damage to the land, but it is washing in sand, gravel, and other silt which contain no plant food for growing crops.

A complete silt and water conservation program applied to the land of the watershed would prevent this from happening. To be fully effective each landowner would need to cooperate in holding the water on the fields where it falls and slowing the runoff.

This can be done by seeding pasture and hay crops on the land which is too steep for growing row crops; by planting trees on the land which is too steep and badly eroded for growing grass; by following crop rotations, contour planting, building terraces, diversions, and sod water-

ways, and by building silt ditches to stop the movement of gravel and sand out of the hills.

Miss LaRue Acree of Paris visited her father, F. F. Acree and wife last week. Mr. Acree who has been an invalid for several years is not so well.

Earnings Increase For Ashland Oil; Dividend Boosted

In a letter to Ashland Oil stockholders on the results of operations for the first half of the current fiscal year, Paul G. Blazer, chairman of the board of the Ashland Oil and Refining

Company, reported: "Net income for the quarter ended March 31, 1956, was \$3,650,925, a gain of 20% over the corresponding period last year. Earnings applicable to common stock for the quarter were equal to 59c per share as compared with 48c a year ago. Net income for the first six months of the current fiscal year was \$7,171,541, a gain of 40% over last year's income of \$5,119,122. Six months' earnings on common stock were equal to \$1.15 this year and 79c last year."

"The Board increased the regular quarterly dividend on the common stock from 20c per share and, also, declared a 2% stock dividend payable in common stock June 15, 1956, to stockholders of record on May 14, 1956."

Mr. and Mrs. Bill Stone of Route 3 were among the county shoppers in town Friday.

Benton Beautiful

BY BEATRICE BREEZE

"The sweetest sounds to mortals given are heard in Mother, Home and Heaven."

Too often in striving to honor mothers we have a tendency to defy them. When we truly honor them, we accord them the rightful place they hold in the household, but we do not place them on a pedestal. They don't wish to be held in any aura of worship, but want to be in our midst at all times giving and sharing as they were meant to be—guides in happy family relationships.

"Mother, Home and Heaven" are sweet sounds and as a way of life they belong in triplicate for it is the mother who has the greater opportunity to point the home life heavenward as she and the father appropriate a true set of values in the founding of the home guide those who come to bless it shedding an earthly love begotten of God's love and dedicating that love to His will.

As a plant needs sunshine to grow so does the infant need love to make it grow, develop, and finally reach its full stature as an adult. Where love is there is a feeling of security. Upon that basis the mother as a guide in her home can achieve all the goals of motherhood.

It is she who can lovingly take the little child by the hand and teach him to know God first of all through the wonders of the natural world taking time to gaze at a beautiful sunset, to marvel at the trill of a bird or its sudden flash of color among the leaves; to love a flower and yet leave it untouched to thrill the heart of another with its beauty.

It is she who patiently tolerates the antics of the kitten or puppy, that the child in learning to love and care for animals has a chance to develop a kindness toward all life be it the lower animals or mankind.

It is she who when the day is over in the assurance of her presence still tucks him away to dreamland after she has heard his prayer and helped him to know God through talking to his Heavenly Father.

It is she who when he grows a little older determines what he shall read and what he shall view that will nurture him mentally and spiritually and make him the full-measure of a man his

life was intended to be.

It is she who perhaps believes the statement of Hosea Ballou who said "Education commences at the mother's knee and every word spoken within the hearth of little children tends toward the formation of character."

It is she, perchance, who believes what the poet, Milton, voiced so long ago, "The childhood shows the man as morning shows the day." If so all the sacrifices she has made aren't too great as she humbly experiences the joy with the benediction of the head of the household that truly their little one "cultivated" first of all with love is growing and developing as she would have him to.

It is she, who, when the youngster has become a teenager taking his place in the life of his community still assures him by providing inviting home surroundings—the type the majority of teenagers would vote the "most"—not the furnishings mind you—but the spirit of fellowship, freedom and friendliness.

Then with the knowledge of fulfilling her "mission" to the world is she honored and rewarded. Then along with others does she feel her "occupation," if well done, is guaranteed to give a feeling of full satisfaction for one's entire life.

Then will she cherish thoughts such as these from, "A Son Remembers" by Joseph Auslander: "All that I have ever known of good All I have ever found of grace (Though then but little understood)

In infancy I used to trace On my dear mother's face."

Thus do we humbly pay tribute to those mothers of Benton who have in years gone by helped mold the character of its citizens as well as those of today who are following in their footsteps in their untiring efforts to build happier, better homes.

Erza Wyatt of Route 5 was in town first Monday.

Willie Manning of Route 6 has been real sick this week with a deep cold.

L. C. Stahl of Route 6 was in town Monday on business.

Homemakers Hold Style Show as Part Of Big Celebration

The Marshall County Homemakers observed National Home Demonstration Week with a style show and tea at the Community Building on Friday afternoon, May 4. Mrs. Joe Brandon, county president, called the meeting to order and introduced Mrs. R. M. Gardner, who was narrator for the style show.

Thirty-four women wore their suits. Six children were shown with outfits that their mothers or grandmothers made. There were six ensembles (coats and dresses or dresses and jackets). Mrs. H. H. Kunecke and grandson, coat; Mrs. Mary Bowlin and daughter, dress and coat; Mrs. Clarence Frazier and daughter, coat; Mrs. Sue Lovett and daughter, dress and coat; Mrs.

John Hutchins and daughter, coat; Mrs. Dorse O'Dell and daughter, child's costume; Mrs. Homer Chester and grandchild, dress; Mrs. Katie Edwards and grandchild, dress.

The style show was climaxed will all the women wearing hats they had made. There were 32 hats.

Funch and cookies were served during the social hour. The auditorium and dining room were decorated with spring flowers covering it. The flowers for the style show and tea were furnished by the Homemakers and friends of the Homemakers.

Not only did the flowers make the auditorium attractive, but new draperies were in evidence. The Junior Woman's Club put the draperies up the morning before the style show.

Mrs. Homer Washburn of Route 5 spent the day in Benton with Mrs. W. B. Sled.
