THIRD CALLOWAY FARM, SCHOOL FAIR OPENS TOMORROW

Growers and Murray Loose Leaf Floor House Exhibits; Many Entrants

CROWDS EXPECTED TO SURPASS PAST YEARS

Calloway county's third annual farm and school fair will open tomorrow morning (Friday) and the largest number of exhibits ever put on display here is expected for this year. The Murray Loose Leaf floor will house the school exhibits and the exhibits of the Woman's department. The Growers Barn, just east of the railroad, will house the farm exhibits including dairy and poultry.

The crowds this year are expected to surpass those of the past two years as much interest has been shown by both county and Murray residents. Murray merchants have planned special fair values and much general trading is expected along with fair going.

The schools have again joined in and practically all schools have planned exhibits. This department is usually one of the most interesting departments. School exhibits of the past have shown much skill in preparation and painstaking care. Many are of a very instructive and educational type.

Calloway has had fine dairy exhibits each year particularly from the Jersey herds of the county and Jersey breeders are again entering for prizes. The various premiums offered on various farm products assures a complete farm showing.

Special features include an orchestra concert by the Finis Lee Cannon dance orchestra, Friday evening.

Calloway's third annual fair will open Friday morning and continue through Saturday.

American Legion Membership Drive On Early For '35

The membership drive for the American Legion is on earlier this year than usual throughout the world and Murray Post No. 73 is taking part in the effort to have a record-breaking membership in the Legion by January 1.

A number of veterans in this county have already paid their dues for 1935 and more are being added every day. A list of the membership will be published in this paper from time to time.

Veterans who wish to join are urged to see any officer of the post who will be glad to take their dues and turn them in to the adjutant, W. B. Milstead, Hazel.

Membership in the Legion includes a year's subscription to the American Legion Monthly which is alone worth the \$2.50 dues of the Murray Post. A portion of the Legion dues remain with the local post.

Grogan Infant Burial Today

Funeral services for Bettie June Grogan will be held this afternoon at New Providence. Burial will be in the cemetery there. Bettie June was the infant daughter of Mr. and Mrs. Melvin Grogan and was three years and nine months of age. Death came to the child at the Mason Hospital Wednesday just before noon following an illness of eleven days.

Besides the parents, the child is survived by a sister, Fay Grogan, and a brother, Isaac Grogan, and four grandparents, Mr. and Mrs. Bob Grogan and Mr. and Mrs. Isaac Allbright and several other relatives.

Tobacco Samples Will Be Received Until Sat. Morning

The committee in charge of the tobacco show for the Calloway county school and agricultural fair Friday and Saturday announces that tobacco samples will be received up to 8 o'clock Saturday morning. It is preferred, however, that they be brought in Friday afternoon.

Deliveries will be made to the Murray Loose Leaf Floor on South Fifth street. The committee in charge is Chas. V. Farmer, Ollie Mayer and Leslie Ellis.

The tobacco show was made possible through contributions by the Murray Tobacco Board of Trade.

7 to 6, the Score of All Murray Ball Games Last Friday

"Seven to six!" Twice the home team lost by that count and once it won last Friday. The two defeats were gridiron contests and the victory was a baseball game.

Both the Murray high Tigers and the Thoroughbreds lost their football games by those scores, the former at home under the lights against the Mayfield Cardinals and the latter at Jackson, Miss., to the Mississippi Majors.

The Murray C. C. C. baseball team celebrated its awards as the best camp in the Corps Area Friday morning by defeating the Mammoth Cave nine 7 to 6 at the Hughes-Sled stadium west of the city limits.

The crowds this year are expected to surpass those of the past two years as much interest has been shown by both county and Murray residents. Murray merchants have planned special fair values and much general trading is expected along with fair going.

MASON HOSPITAL AGAIN APPROVED

On List Released by American College of Surgeons for High Standards.

The Mason Memorial Hospital of Murray, Ky., is again on the accredited list of the American College of Surgeons, which was released this week. This hospital has been on the approved list for many years consecutively.

The American College of Surgeons is an organization representing more than 11,000 leading surgeons of the United States, Canada and other countries.

The Mason Memorial Hospital is listed as a private institution, governed by a board of control and with a capacity of 65 beds.

Dr. Frank H. Martin, founder and director of the college, explained that a hospital to obtain approval must comply with certain definite requirements laid down by the American College of Surgeons. These include particularly the maintenance of a high standard of medical staffs of ethical, competent physicians; complete medical records; adequate laboratory and x-ray facilities; and a thorough review and analysis of the clinical work of the hospital each month.

Dr. Martin said that the results of the professional analysis within the hospital, analyze, and seek to improve them. It is the aim of the American College of Surgeons to assist the medical profession and hospitals in assuring to patients the best possible care.

Of 5,338 hospitals of 25 beds and over in the United States and Canada which were included this year in the survey of the American College of Surgeons, 2,460 were placed on the approved list.

"Two significant facts of much importance to the public are revealed in this year's survey," says Dr. Martin. "The death rate in hospitals is even below that of last year, and the period of hospitalization has been shortened."

Foot-Troubles of Fairgoers Shown in New Ford Movie

That common ailment to mankind, which grew out of the World's Fair in Chicago and which was given the name of "Fair feet," is portrayed humorously in a new motion picture, "Ford's A Century of Progress," to be shown at the Beale Motor Co. showroom Wednesday, October 24, at 7:30 p. m.

In the film, which takes the audience on a complete tour of the 1934 World's Fair, a row of weary sightseers is shown seated on a bench. Their shoes removed, they are massaging aching feet after a full day of tramping over the huge Fair grounds.

Relief Sewing Quarters Moved

The sewing headquarters for relief work have been moved to the postoffice in the basement in rooms adjoining the headquarters of the Red Cross. The work was formerly done at the home of Mrs. Lulu Risenhoover, North Fourth Street. Persons having old clothing are asked to turn them over to workers at their new location. However Mrs. Risenhoover will continue to accept them at her home.

COMMERCE BOARD HAS 165 MEMBERS

14 New Ones Added Within Past Few Days; Promoting Several Projects.

With 14 new members added during the past week, the Murray Chamber of Commerce now has a membership of 165 firms, corporations, and individuals, the secretary announced today. Many of the faculty members of Murray State College are signing the membership blanks, and the organization expects to have a total of 200 members in the near future.

Mayor W. S. Swann is president of the Chamber of Commerce.

The 14 new members who signed by 2 o'clock Wednesday afternoon, October 3, were: Carmon Graham, principal of the Murray Training School; Clifton Thurman, instructor; C. A. Bishop Motor Co.; Wm. Caudill, instructor in geography at the college; E. H. Smith, director of extension; E. C. Jogue Jr., social science instructor; Miss Ola B. Brock, Training School instructor; Price Doyle, head of the college music department.

J. S. Pullen, head of the agricultural department; C. P. Poole, instructor in the education department; C. S. Lowry, head of the social science department; Miss Emma J. Helm, Training School instructor; Dr. Herbert Drennon, head of the college English department; Miss Alice Keys, executive secretary to the president.

The names of the other 13 members, including several of the college faculty also, have been previously published in the Ledger & Times.

The Chamber of Commerce organized July 2, 1934, has promoted several projects, including the Aurora Dam, cotton adjustment, road building, clay mining, factory establishment and improvement, freight rate investigation, college attendance, county relief, etc. While no definite announcement can be made as to the time for building the Aurora Dam, the authorities here regard the outlook as "very encouraging" and they are of the opinion that important developments may be expected soon.

The secretary has announced that persons desiring to apply for membership should call at the Chamber of Commerce office or at the business office of the college.

Marshall Countians In Washington

The Marshall County constituency in Washington held its second annual picnic at Miller's Cabin in Rock Creek Park Sunday afternoon, October 7. A bountiful basket dinner was spread, after which many old-fashioned games were played along the same line of the art as practiced in Marshall County years ago.

Commissioner Rhea Is Visitor in City

Thomas S. Rhea, Russellville, chairman of the state highway commission, together with John A. Whitaker, county attorney of Logan county, were brief visitors in the city Tuesday afternoon.

Mr. Rhea is being prominently mentioned as the next Democratic nominee for Governor and his many friends throughout Western Kentucky as well as the remainder of the state insist that he will be an impregnable candidate.

Drinking Glass Is 100 Years Old

Mrs. Cora Carnell, South Fourth Street, has a table glass that has been in the Calloway family for 100 years. The glass has indications of its years and is worn on the bottom and shows scratches on the inside. It is unlike present glasses in that it is shorter, has a heavier base and has imperfections in the glass. The glass is still good with the exception of one slight chip on the rim. The family heirloom has been in the family for three generations and was given to Mrs. Susan Gallows in 1834 during her thirteenth year.

Dr. S. E. Tull to Be at Memorial Baptist Church Beginning Monday

Dr. Selsus Tull, pastor of the First Baptist Church of Middleboro, Ky., will arrive in Murray next Monday afternoon for a two weeks' meeting with the Memorial Baptist Church. The church will hold its regular services on Sunday, Sunday school at 9:30 a. m., morning worship at 10:45 and evening service at 7:15, with the pastor in charge, and Dr. Tull will bring his first message Monday evening at 7:15 o'clock. Services will be held daily at 1:45 in the afternoon and 7:15 in the evening. All services will be held in the temporary meeting place of the Memorial Church on West Main between Fifth and Sixth streets.

Memorial Baptist Church and the towns of Murray are fortunate in securing the services of a man like S. E. Tull. He is one of the outstanding Baptist preachers, not only in this section but in the whole South.

ATTENTION, LEGIONNAIRES AND ALL EX-SERVICE MEN

The membership drive is on earlier than usual this year and every veteran should be a member of the Legion for 1935 by Armistice Day. All over the nation, the drive is on and Murray Post does not want to be found lagging when the roll is called of those who have done their part.

The Legion has a great program to put over adequate compensation for the disabled, sufficient care of the widows and orphans of veterans, education, adequate preparedness, the universal draft which means the drafting of money and resources as well as man power in event of a national emergency.

You, as a war veteran who "did your bit" cannot afford to be a shirker now.

The annual dues of the Legion are \$2.50 a year. This includes subscription to The American Legion Monthly Magazine, and a portion of your dues remain in the local post for local needs.

The slogan of the membership drive of Murray Post is "35 in 1935." Let's Go! See any officer of the post.

R. H. HOOD, Commander.
JOE T. LOVELL, Commander-elect.

FREIGHT RATES TO BE INVESTIGATED

To Hold Hearing on Local Rates at Mayfield in January, Commerce Body Told.

After filing petitions for freight rates adjustment, here, the Murray Chamber of Commerce has been informed by Hon. Moses R. Glenn, chairman of the Kentucky Railroad Commission, that the commission will cooperate by holding meetings to take shippers' testimony in a general investigation of freight rates.

"We secured a meeting for Mayfield, which will be convenient to you and your shippers, to be held on January 4 and 5, 1935, and trust that you and the rest of the interested parties in Murray will be on hand at that time and ready to cooperate," Mr. Glenn told the Murray Chamber of Commerce.

The Commerce committee appointed by President Swann to investigate freight rates has the following membership: Truman Beale, Joe Ryan, Luther Robertson, L. J. Horton, secretary. After investigating rates on two major commodities, coal and sugar, the committee filed petitions to Mr. Glenn seeking an adjustment.

Mr. Glenn had previously informed the local organization here that his commission had requested permission from the governor to complete an investigation of the matter, but that no funds were available. On October 13, however, Chairman Glenn wrote the Chamber of Commerce here that to the opinion of the Attorney General, "The Railroad Commission was established by the Constitution, and funds must be provided to carry on this governmental function."

The letter added: "In addition to this, the governor has assured the Commission that we will be safe in going ahead and making our general investigation and carrying on the other work of the Commission and that the funds will be provided for the expense of said investigation. The Railroad Commission in session this week decided on certain meetings to be held over the state to take the shippers' testimony in this investigation."

The Murray Chamber of Commerce is confident its efforts toward seeking and adjusting the rates and hopes beneficial results may be obtained.

Two Home Games in City This Week End

Local fans will get another dose of good football this week end, both games under the lights.

Friday night the Murray High Tigers will entertain Bowling Green on high school field under the bulbs at 7:30 o'clock.

Saturday night, in the stadium, our old friends Tennessee Tolls will be on hand for their annual combat with the Thoroughbreds. The Racehorses beat the Tennesseans at Cookeville last year only after a grueling battle.

The contest with Bowling Green is the first gridiron meeting in history.

Hood Speaks to College Students

"An Open Mind" was the subject of an address given by Hall Hood, county attorney, at the chapel program on Monday morning, October 15.

Mr. Hood discussed international problems and prejudices. In conclusion he said, "What most of us lack is the wanting to want to do a thing."

After Mr. Hood's talk, the remainder of the chapel period was given to various announcements and a word from President Carr.

Drum and Bugle Corps Meets Every Thurs.

The Drum and Bugle Corps of the American Legion meets every Thursday at the court house for drill and practice from 7 to 8:30 o'clock. All ex-soldiers are invited.

The corps has a number of vacancies for both drums and bugles and additional members are wanted.

The corps has a fund which will be used to buy uniforms in the near future.

W. P. Darnell Has Fine Twist of Leaf

W. P. Darnell, who lives south of Coldwater, brought to The Ledger & Times office Friday an exceptionally fine twist of home-made tobacco. "It consisted of 9 strands, was 24 inches long and weighed four lbs. Needless to say, it had a delightful odor and a whiff of it was pleasant even to a non-chewer."

High Schools To See Thoroughbreds

Beginning with the Murray College-Tennessee Tech game here Saturday night, all high school students of West Kentucky may attend four college football games in the new Murray stadium, free of charge, Dr. Charles Hise, acting dean, announced today. The only requirement for admission is that the high school students be accompanied by a teacher who will vouch for the students' credentials.

DEATH COMES TO E. S. DIUGUID, SR. SUNDAY MORNING

Entire County Joins Mourning Passing of Distinguished Citizen.

WAS A LEADER IN MANY ACTIVITIES

Death came Sunday morning at 7:15 o'clock to one of the most distinguished and highest regarded citizens of Murray, E. S. Diuguid, Sr., pioneer merchant, devout churchman, indulgent father, loving husband, good neighbor and friend to his fellow man, passed away following an illness of four days. Mr. Diuguid suffered from an organic heart ailment due to his age and had a previous attack only a few weeks ago.

He celebrated his 80th birthday on August 13 at which time all the members of the family gathered at his home to pay their respects and shower him with their love and affection. Tuesday morning, Mr. Diuguid came to his store as usual but suffered an attack with his heart and was taken home. Thursday night, it seemed that the end was near but he rallied Friday. However, a sinking spell Saturday evening was more than his constitution could bear and he passed away quietly and peacefully Sunday morning with members of his family at his bedside.

Though his death was not unexpected, Mr. Diuguid's passing was none the less a deep shock to his family and many friends. There was never a kinder soul than Mr. Diuguid. He never had other than a pleasant word for anyone. He was gracious and understanding to all.

Mr. Diuguid was the son of William H. Diuguid and was born in Murray, the home of his birth having stood just west of where he had resided for a great many years. He was educated in the Murray schools and was for a time teacher of the Utterback school, just north of Murray.

In 1878, Mr. Diuguid was married to Miss Charlotte Wood, a lady of fine Christian character who survives to mourn his death together with two daughters and a son, Mrs. W. E. Taylor, Washington, D. C., Mrs. I. F. Kirk, Murray and E. S. Diuguid, Jr. Also surviving him are three brothers, Beckham, Billy and Paris Diuguid, all of this county, and grandchildren, Mrs. Will H. Whitnell, Edd Frank Kirk, Jim Edd Diuguid, Mary Virginia Diuguid, Barbara Diuguid, and E. S. Diuguid, III.

For more than twenty-five years, Mr. Diuguid was president of the Bank of Murray, a position he filled with honor and integrity and credit to himself and county. At the time of his death he was a member of the Board of Directors.

The church has always been close to Mr. Diuguid's heart. He has been one of the pillars of the First Church of Murray for many years. He has been a church in practically a pacity open to the laity, including Sunday School, tender, deacon and elder, been faithful at all its duties and his daily life was a continuation of the teachings of Master.

Mr. Diuguid was never lax in his loyalty and service to community, serving at various times as a member of the board of education and on the city council where he rendered honest and efficient service.

An overflowing crowd attended the funeral services which were conducted from the First Christian Church Monday afternoon at three o'clock. The Rev. E. B. Molloy, Mr. Diuguid's pastor, paid a beautiful tribute to the life and character of this noble man. A profusion of beautiful flowers were tokens of the eminent respect and esteem in which Mr. Diuguid was held by those among whom he had made his life, those whom he had encouraged, those whom he had served.

The pallbearers were elders and deacons of the church as follows: active, C. H. Moore, W. S. Swann, R. M. Pollard, R. P. Holland, Vernon Hale, Karl C. France, W. B. Moser and W. Z. Carter, honorary, H. P. Wear, C. H. Redden, J. M. Cole, L. D. Williams, Carlisle Cutchin, John W. Clifton, Ray Maddox, P. A. Hart, O. H. Holland, C. V. Farmer, D. D. Hale, C. W. Drinkard, W. D. Keel, H. A. Redden, B. D. Langston, A. C. Farmer and W. W. Stubbins.

The remains were laid to rest in the city cemetery.

SUNDAY DINNER SUGGESTIONS

By ANN PAGE

RANGES are the chief attraction of the week's market in spite of the great variety of summer fruits available. They are both plentiful and cheap and have many uses in summer meals and beverages. Cantaloupe, watermelons and Elberta or Hilley Belle peaches are also attractive in quality and price.

Green peas, white or yellow sweet corn, beets, carrots, cabbage and green beans are the outstanding vegetables of the week. Lettuce, tomatoes and cucumbers are cheap and plentiful. Celery, too, is lower in price than usual.

Eggs are slightly more expensive but are still an excellent value. Hard-boiled eggs help to make salads hearty and satisfying.

The Quaker Maid suggests the following menus:

Low Cost Dinner

Roast Stuffed Veal with Gravy
Mashed Potatoes
Green Peas
Bread and Butter
Watermelon

Medium Cost Dinner

Bouillon
Pressed Beef
Potato Salad
Tuna Sections
Bread and Butter
Orange Ice
Coffee (hot or iced) Milk

Very Special Dinner

Cantaloupe
Roast Veal
Browned Potatoes
Baked Stuffed Tomatoes
Orange Salad
Hot Biscuits
Butter
Peach Ice Cream
Coffee (hot or iced) Milk

IN LOVING MEMORY

In loving memory of our dear little girl, Ila Marine Hargis, who passed away Oct. 16, 1933.

One year has passed since that sad day.

The one we loved was called away, God took her home—it was his Will.

But in our hearts she liveth still. Our home is so lonely today.

The flowers we placed on her grave may wither and decay. But love for her who sleeps beneath will never fade away.

Hold Keeping of Kerosene Suspends, Not Voids Policy

The Pennsylvania superior court in holding against the Washington Mutual Fire & Storm declared that when a prohibited article had been kept or used on the insured premises, but the insurer had not declared a cancellation or forfeiture of the policy on that account, and the keeping or use of the article had been discontinued prior to the happening of the fire, the keeping or use of the article did not absolutely void the policy, but merely suspended it during the continuance of the violation. The case was Furdock vs. Washington Mutual Fire & Storm. The insurer issued a five year policy in 1928. In 1928-29, kerosene in a metal drum was kept in the cellar, primarily for Furdock's own use, although there were a few sales as an accommodation to neighbors. In 1929 Furdock leased the house to Sprague who kept some kerosene on the premises. Furdock again took possession of the house in 1930 and there is no evidence that any kerosene was on the premises after 1930.

Recognized Insurance in Force

The insurer recognized the insurance was in force in 1930 by paying a small claim and in January, 1931, Furdock paid an assessment on the policy which was made.

The insurer endeavored to prove the presence of kerosene in the house at the time of the fire by showing that a metal drum was taken from the cellar which bore evidence of bulging. The lower court properly held that the witness, a machinist and welder, called to establish that the bulging was the result of containing kerosene which exploded, did not qualify as an expert—Natl. (Continued from Page One)

only of the state of Kentucky, but of the entire Southern Baptist Convention. He has held pastorates in Paducah, Ky., Jackson, Tenn., Pine Bluff, Ark., and other places that are just as prominent. Dr. Tull is a princely preacher. He is easily one of the best pulpits orators among Baptist preachers of the South. Of far more importance than this, he is a sound and able expositor of the Word of God. He delights in preaching Christ and His atoning work as man's only hope. He is

a plain and fearless prophet of God.

Dr. Tull is also an able writer. He is the author of one of the most interesting and helpful pamphlets of the church question entitled "Denominationalism Put to the Test." This little book contains some addresses that Dr. Tull made several years ago in the Murray Bible Institute.

Another striking thing about S. E. Tull is the part that he has had and continues to have in studying and discussing leading social and moral questions. In a recent presidential campaign he was called upon to make addresses throughout the country. He is a pronounced enemy of the teachings and principles of Red Russia, and has written a number of articles on the part that this kind of propaganda has played in recent disturbances in the mountains of Kentucky. He has also had a prominent part in the warfare that has been waged by the prophets of righteousness against evolution, liquor, race-track gambling, corrupt politics and other like evils. We urge the people of Murray to hear the message that this noble preacher will bring.

Pastor Thad Entzinger, Baptist church, Morton's Gap, Ky., will have charge of the song services. Bro. Entzinger is a Florida preacher who has lately come to the Morton's Gap church. He is a nephew of Louis Entzinger, former Sunday School worker in this state and other states as well. The song service will be a profitable part of the meeting.

The memorial church is holding cottage prayer meetings throughout the town this week in the interest of their revival. Much interest is being shown and good crowds are reported at each place. The church extends a cordial invitation to every person in Murray and surrounding communities to attend this meeting—Carroll Hubbard, pastor.

Tigers' 7-6 Defeat by Mayfield Is a Bitter Pill Friday Night

There are many tough defeats in the unrolling scroll of any school's gridiron history, but the Murray Tigers' one-point defeat at the hands of the powerful Mayfield Cardinals here last Friday night as 2,000 fans roared themselves into a frenzy and sore throats over the brilliant play of the aggressive but out-weighted warriors of Coach Ty Holland must go down as one of the bitterest doses of wormwood that we have ever had to take.

Ty's boys rolled up 10 first downs to 7 for Mayfield and literally rushed the bigger visitors off their feet for the greater portion of the contest only to lose the game in the fourth period when an untimely penalty for 15 yards for holding pushed the valiant Tigers back to their own 12-yard mark and Sanderson, Mayfield, left end, broke through to block a Tiger punt and recover on the Murray 8 yard mark.

At that it took the heavier Reds four downs to crash through for the score. And then, Holland, Mayfield tackle, added to the misery of his same name who coaches the Murray team, by booting a perfect placement for the extra one point that gave the palm to Mayfield.

It was a disheartening nullification of the brilliant efforts of Captain Wayne Flora and his courageous little band of team-mates, especially the lion-hearted little Dynamite Dunn who ran his heart out, Mayfield's tongues out and the spectators eyes out with the sheer brilliance of his drive.

The Tigers were dealt a cruel blow by fate when James Rudy Albritten, the game lad who runs and kicks with great drive and consistency, went out of the game with a wrenched knee shortly after the Tigers pushed over their touchdown about the middle of the second period.

This compelled Coach Holland to pull Hafford Carlton out from running guard, where he had been a spearhead in the Murray attack, and place him at full-back where he also performed with great brilliance.

Big Bill McCoy, playing like he was all headed for all-conference end, roamed through the Mayfield backfield like a bull in a China shop and was as devastating as a monsoon. "Dub" Elkins, at the other flank, smeared many plays. Gene Irvin contributed a great defensive game and his pass defense broke up Mayfield's desperate attempts by air to even the score as the first half closed.

Faughan, divided running honors with Dunn and showed the ablest work with the ball he has yet turned in. Murray's score was the first time Mayfield's line has been crossed this season.

Collie also played an outstanding game, as did Hulse, McNutt and Nedie. In fact, McNutt turned in the play that gave us our touchdown where he pulled in a Mayfield fumble on their 18 yard line. Twice the Tigers had been stopped in their bid for a touchdown, once on the 8 yard line, but this time they could not be stopped and Dwyer went over about the middle of the second period.

The Tigers completed two of four passes in the first quarter and didn't try another until the fourth period when a single attempt was intercepted. This broke up the Tigers' last bid for a winning touchdown as they had received after the Mayfield touchdown and marched up the field with a vigor that the desperate Reds just couldn't halt. The Murray receiver fumbled and Dynamite pounced on the loose ball like a cat a mouse.

The fireworks started with the Murray ghost circling left end for 17 yards. The inspired Faughan then cut across around right end for 15 yards to the Mayfield 41 where the alarmed Reds took time out. Carlton and Dunn then made a third consecutive first down on Mayfield's 30 and Carlton took the oval to Mayfield's 23 on a fake but the next play was the unlucky pass and the drive was over. Mayfield then released a strong running drive that took the ball down to Murray's 25 where the final whistle blew.

Murray's two completed passes were good for 18 yards while Mayfield gained 25 on her two successful attempts.

Edwards scored Mayfield's touchdown and he and Andrus provided their best ball carriers. Captain Bostop at right tackle played a strong defensive game and Sanderson was their best flankman. Weaver, left half, was also a good Mayfield performer.

It is estimated that 500 Mayfield fans attended and the Cardinals also brought their excellent band, which was given half of the Murray band's time during the rest period.

The Tigers go into action again on the home field Friday night at 7:30 o'clock with Bowling Green high school as the opposition. This will be the first gridiron engagement in history with the Warren county lads. The contestants are regarded as about evenly matched.

Arthur Abner, of Lee county, has a good hillside field of corn on time and phosphated soil.

Franklin county homemakers are not using acid in canning, in order to help eliminate spoilage.

Limestone is being used in increasing quantities in Union County for soil improvement.

WARNING TO LAND OWNERS

Johnson Grass is seen in small quantities all over the county and in counties around. It has gotten to a great start in many counties east of Cumberland river. A sample will be on exhibit at the school fair this week for those who may not know it.

It is probably the greatest menace of any growth when it gets started. The seed is matured now and is ready to scatter and should be gathered and burned which will help to stop the spread.

Cattle and birds will eat and scatter the seed promiscuously. Johnson Grass is hard to distinguish from some other wild grasses until it has seeded. If Johnson Grass is not allowed to seed the first year it will die as the jointed or tap root comes the second year which perpetuates it. Lands that are thickly covered with Johnson Grass cannot be cultivated as the roots go very deep and very thick.

Kirksey Missionary Society Meets

The Kirksey Missionary Society held its monthly meeting Saturday afternoon with ten members present.

A very interesting program was given. Devotional services were conducted by Mrs. Betty Reid. Brief talks were made by Mrs. Allie Harrell, Miss Mary Reid, and Mrs. Donnie Pace on the things that impressed them most at the district meeting held at Dresden recently.

Those attending the meeting were: Mrs. Mavis Hurt, Miss Christelle Palmer, Mrs. Allie Harrell, Mrs. of honor at a dinner given him Monday on the occasion of his Donnie Pace, and Miss Mary Reid.

A committee was appointed to plan a week of prayer program. The president, Mrs. Mavis Hurt, made a brief talk concerning the canned fruit our society pledged to send the Methodist Hospital at Memphis.

The meeting closed with a prayer by Mrs. Reid Palmer. After the

Mrs. Leland Owen, chairman of Calloway county P. T. A. and president of the Murray public school unit, Mrs. Joe Baker, Mrs. C. L. Sharrbrough, W. B. Moser, delegates, Mrs. V. Windsor, vice-chairman, Mrs. W. P. Roberts, and Miss Elsie Wadsworth attended the sixth annual fall conference of the First District Branch of National Congress Parents and Teachers held in Science Hall at Fulton, October 11.

The theme of the district program was "Security of the Child in Home, School and Community." Mr. Moser and Mrs. Roberts took part with five others in a panel discussion conducted by Mrs. J. A. G. Sheehan, state president. Mrs. Owen, a member of the district board of managers, attended a pre-conference and a post-conference meeting. She was appointed chairman of the courtesy committee with Mrs. George Lawrence of Cadiz, and Mrs. Franklin of Marion, members of the committee.

Mrs. C. L. Sharrbrough extended the invitation to the district to come to Murray to hold the spring conference in March, 1935. Mrs. Sharrbrough also read a letter from Dr. Charles Hise, chairman of the Public Relations Committee of Murray State College, extending a joint invitation to come and use the college facilities while in Mur-

ray. The invitation was unanimously accepted, and the exact date will be determined by the board of managers.

The Young Business Men's Club named committees for the coming year, voted \$20 for the F. E. R. A. sewing project and brought old clothes to its meeting Monday night for the Clothes Closet drive. In naming the social committee, President Max Hurt urged it to plan entertainment for the meetings for the winter months.

The committees named were: Civic: Herschel Corn, Maurice Crass and Harry Heath; safety: Max Churchill, Boody Russell and Robert Jones; social: L. J. Horton, Thomas McElrath, and Wells Purdom; finance: Fulton Farmer, W. E. Wyatt and Earl Holland; publicity: Joe T. Lovett, Claude Miller and Joe Baker; membership: Ty Holland, T. Sledge and Raymond Hamlin; initiation: Dr. Calvin Smith, Nat Ryan, Hughes, Vernon Hale and Joe Lovett.

Seven Shelby county farmers received analyses last month of their farm account books. Feds Creek community 4-H club boys, Pike county, gave half their potato crop to the high school, and sold the remainder for \$1.65 to \$2 per 100 pounds.

RED CROSS PLANS
EXTENSIVE DRIVEHope to Lift County From Lower
Brackets in Membership Sale;
Plans for Drive Initiated.

The Murray Chapter of the Red Cross plans an organized and extensive drive this fall for membership to the Red Cross and hope to lift the county from the lower brackets where it has been for several years. Plans for the Red Cross drive were drafted Monday night at a meeting at the First National Bank.

The Rev. O. A. Marrs, chairman, presided and the committee composed of Tom McElrath, Mrs. Gladys Scott, R. W. Churchill, the Rev. E. B. Motley, Mrs. R. M. Polard, Mrs. Clifford McElgin, and Mrs. J. D. Rowlett were present. Max Hurt, L. J. Horton and Harry Heath also attended the meeting.

It was explained that Calloway county is among the lower brackets and on the black list in Red Cross work. The drive last year was very weak and the county rating was only 1.08 per cent while the state percentage was far greater than this. The percentage ranged upward to 8.79 per cent. McCracken had a percentage of 3.08 and Graves of 3.15.

The workers planned to work the Roll Call drive through clubs as well as by general solicitation. Clubs and organizations were listed and a chairman for each named. The committee will meet Monday afternoon at 4 o'clock to choose general solicitors and select lists for them to call on.

The drive was set for Monday, November 12. The drive is annually started on the eleventh but due to the fact that it is Sunday the organizers chose the following Monday in preference to Saturday.

The organizations and chairmen are: Rotary Club, R. W. Churchill; Young Business Men's Club, Max Hurt; Woman's Club, Mrs. Will Mason; Business and Professional Women's Club, Mrs. Gladys Scott; Magazine Club, Mrs. C. A. Bishop; Arts and Crafts, Mrs. R. M. Polard; American Association of University Women, Mrs. J. W.

Carr; American Legion, Joe T. Lovett; Camp Murray, Max Hurt; Masonic Lodge, Zeller Carter; W. O. W., Carney Hendon; Training School faculty, Clifton Thurman; Murray College faculty, Dean A. B. Austin; Murray High School faculty, Lula Clayton Beale and Frances Sexton; unemployed teachers, Waylon Rayburn; Douglas High School faculty, Charles Rowlett; Keys-Houston Clinic and Mason Hospital, Mrs. J. E. Skinner.

FIRST PRESBYTERIAN CHURCH

Next Sunday will be Rally Day for the Presbyterians. These exercises will begin at 9:45 A. M. at the courthouse. The modified program of the Board of Christian Education will be presented, under the supervision of the committee headed by Miss Carrie Allison and Professor Forrest Pogue. A special offering for the work of the Board of Christian Education will be received.

Professor Putnam will be in charge of the music at the Rally and at the church services following at 11 A. M.

Mr. Putnam's son, Loren Smith Putnam, will sing and a musical number will be presented by Miss Elizabeth Davis.

Dr. Barr will make a report on his conference at Chattanooga. The Board of Christian Education is putting \$1,000.00 immediately into the Murray Church support and is heartily pushing its building enterprise in co-operation with the Church Extension Department (headed by Dr. A. B. Keeler who was in Murray last June, 28) of the Board of National Missions.

Dr. Barr, the minister, will preside at the 11 o'clock service.

A cordial welcome awaits all—especially those who have been promising to worship with us.

GENERAL HONORS
MURRAY CCC CAMPPresents Trophies Friday in
Recognition of Winning Area
Blue Ribbon.

Gen. Guy V. Henry, of Fort Knox, Friday presented to the officers and men of Murray CCC camp medals and badges in recognition of their accomplishment of winning the highest rank of any conservation camp in the Fifth Army corps area.

Murray camp was adjudged best in the area, which includes the states of Kentucky, Indiana, Ohio and West Virginia, by official inspectors from corps headquarters at Columbus, O., recently. The honor was won from a field of about 60 CCC camps; only 9 camps in the entire United States received such recognition.

The program was begun with a selection by the Murray high school band. Calloway County Judge Phillips gave a short address. First Lt. Clarence Q. Jones, chaplain of the first district camp, was master of ceremonies.

Lt. R. E. Smith is commanding officer of the winning camp. Lt. Allan G. Shipley is his junior officer, and Lt. Russell M. Blenker is camp surgeon. The civilian officers of the camp are E. H. Ashbrook, superintendent of work, and P. M. Bagenstose, construction engineer.

In the afternoon the Murray camp baseball team, champions of the Paducah CCC district, beat the Cave City team, which is champion of the second district camps, 7 to 6 to win the corps championship of western Kentucky.

Thoroughbreds Meet First Defeat
in 2 Years After 13 Straight Wins

The Thoroughbreds lost a football game in Jackson, Miss., last Friday afternoon for the first time in exactly two years but, if we may believe the articles in the Jackson papers and Associated Press dispatches, they won, while they lost, the eminent respect of the football fraternity of the Southland and particularly around the Southern capital of the S. I. A. A. The score was 7 to 6, made by a placement which the Millsaps Majors kicked and our boys didn't.

Millsaps scored in the second period when Bowen broke around Murray's left end and galloped 51 yards. The Murray players were almost overcome by the terrific heat and though the Majors were credited with 12 first downs to our 11, half of the chain moves for the home team were due to penalties on Murray for excessive time outs.

Shortly before Millsaps scored, "Pedro" Simmons, Murray's great end, snapped a tendon as he was racing up the field after a punt and had to be removed. The winning play for the Purples came around the flank that was being played by Joe Herndon, sophomore who was not well warmed up.

The Thoroughbreds decisively outplayed the Mississippians in the first period but could not quite crash through for a score. Millsaps started a second string line at the half and they were almost run off the field by the infuriated Thoroughbreds. The first string players were rushed back into the fray but the aroused Racchorses were not fooling and Alderson broke through to partially block a punt, the ball going out on Millsaps 13-yard line. Kent went over for the score.

According to Purser Hewitt in the Jackson Clarion-Ledger, the outstanding Murray backs were Greenwell, King and Mann with Mullins, Alderson, Organ and McKenzie in the line. Benny Muse almost got away with the winning touchdown late in the final period

came through in good shape. Coach Stewart scouted the Birmingham-Southern-Mercer game in Birmingham Saturday.

The Racchorses had won 13 in a row and their narrow defeat was a keen disappointment to both players and fans. They were defeated by the breaks of the game but not beaten. It was their first loss since Western won on the Murray field in early October, 1932.

E. S. Diuguid, Sr.

The city of Murray and Calloway county lost one of their most lovable and dependable citizens Sunday morning in the death of E. S. Diuguid, pioneer merchant, churchman and public-spirited citizen. Mr. Diuguid was a Christian gentleman of the most exemplary type and no person in Calloway county holds a warmer spot in the hearts of the people as a whole than did Mr. Diuguid.

Mr. Diuguid was amply possessed of those qualities which win and hold friends nearer and dearer as the years go by. His integrity was impeccable, his sense of obligation to his community the very highest, his love of his church the utmost.

Mr. Diuguid enjoyed life and made life happy for others. His humor was always clean and contagious. He had a friendly, jolly word for all who passed his way.

A man of Mr. Diuguid's character and capabilities is always called upon in community enterprises and Mr. Diuguid was never found wanting. He did not seek the limelight, yet he never shied at what was his obvious duty. He served his city well as a member of the city council and was for twenty-five years president of the Bank of Murray where he made a faithful, dependable and efficient officer. He was one of the most devoted members of the First Christian Church and served it in the capacity of Sunday School superintendent, deacon and elder.

Mr. Diuguid was known among his countless rural friends as a "ever" man—the highest compliment they can pay. Meaning that he was always accommodating, helpful of their problems, sympathetic and friendly.

Murray keenly regrets to be compelled to give up and will share in all its affairs such a character. His death is widely and sincerely mourned.

Tomcats Wanted

WANTED—69 regular He-tomcats the kind that can run like a Democrat candidate for President. My rats were of the Hoover Republican variety (inactive) and were just drifting along with the tide of Hoover prosperity backwards (just around the corner, you know). Being inactive as they were, they did not give me much trouble. But this New Deal of Roosevelt's has got into their system of late and boy they are now making a killing, especially of my fancy high-bred White Leghorn baby chicks. Like everything else around here for the last four years, they had been neglected. I was not able financially to try to improve them or add new blood to them, in fact, I did not have the blood to spare the poor rats. As you know, I like the rest of us poor devils, was helping to "ruke the big Hoover business monopolies trust (blood suckers). Fact is, I believe we ought to have a special or regular rat code, a code that would limit the number of baby chicks that a rat should kill at one helping. A code of this kind would give more rats employment and chickens over a longer season. Personally I suggest using the Slagger system of employment in this rat code.

There has just got to be some thing about this rat business. As you know, I only have a 900 egg capacity hatchery and with this small capacity I can't hatch baby chicks as fast as a new deal rat can kill them without some kind of a rat code. I am taking up this rat code matter with General Johnson and expect to have all rats on a 30-hour-week killing time soon. I am asking the General to have these rats do their killing work in day time and not at night. They probably will squeal about this change, but this is a new era for rats also. Good idea, don't you think? If this free ad does its stuff and delivers the rats, which I believe it will as it sure pays to advertise, I think I can hold the rats to their regular number of killings until code gets into action. Mr. Hoover investigated my rats 4 years ago. (He was a great investigator). But the rat report I think was, "rat-holed instead of pigeon-holed." As the investigation did not seem to improve my rats much, especially their conduct, which was getting wusser and wusser all the time. If you can't get this free ad in one issue get it in 2nd issue, front page, or back page. Cats is what I need right now. But I will specify that no He-Tom shall be over 17 years and three months old, as I notice that a tom cat after he gets past that age seems to have a Republican trend of mind and becomes inactive, too slow to keep step with a new deal rat. This strain of rats is, very Democratic, they step on it. Thanking you for the free space and treating the He-Toms come in droves and with teeth like Roosevelt's new stock market law." A

Hoover Republican, D. W. Routt, P. S. I tried to comply with your request to get my ad in 40 words but it just can't be did. This new deal takes in a blame lot of territory, besides rats and luke-war Republicans. —D. W. R.

Local P. T. A. Starts Drive for Members

The Murray Public School P. T. A. held its regular meeting Wednesday afternoon, October 17. Mrs. Ronald Churchill, former president, read the installation ceremony to the following officers who pledged themselves to the duties of the association for the ensuing year: Mrs. Leland Owen, president; Mrs. V. Windsor, vice-president; Mrs. Hugh McElrath, secretary; Mrs. Lucy Lee, treasurer; Mrs. John Westberry, historian.

Mrs. Owen read the National President's message and introduced the chairman of the various standing committees: Miss Lulu Clayton Beale, program; Mrs. W. B. Moser, membership; Mrs. Ronald Churchill, hospitality; Mrs. Joe Baker, finance and budget; Mrs. Bell publications; Miss Frances Sexton, publicity. These chairmen with the officers comprise the executive board of the local unit. Delegates were elected to attend the District Conference at Fulton, October 11.

The next meeting of the P. T. A. will be held Wednesday afternoon, November 7, in the High School auditorium. Miss Beale and her committee are arranging an interesting program to be given at that time. The theme for Congress Parent-Teacher Associations this year is "Back to the Home" and all the programs will be made with definite objectives to that topic.

Mr. Moser and his membership committee are waging an intensive drive for new members and are urging that all present members attend each meeting throughout the year. One does not have to be a parent or a teacher to be eligible to membership. Any one interested in the welfare of children is eligible to the privileges of full membership and will be welcome at the meetings.

Ellis Heads County Club at M. S. T. C.

Frank Ellis has been elected president of the Calloway County Club of Murray State College. Other officers selected are: E. P. Russell, vice-president; Dorothy Rowland, secretary; Virginia Crawford, treasurer; Howard Brumbaugh, sergeant-at-arms; Miss Maryleona Bishop and Prof. Pullen, co-advisors.

A business committee, composed of L. D. Miller, Vernon Trevathan, James P. Miller, Divana Criss, Felix Dunn, R. H. Fulwell, Jr., and C. C. Venable, was selected. Sam Neely and Pauline Strand were chosen cheerleaders. Plans relative to the admittance of Calloway County high school students to three home football games of Murray State College throughout the season, defending champions of the Southern Intercol-

legiate Athletic Association were decided on.

These students will be admitted free as the guests of the Calloway County Club to the following home games: Murray vs. Tennessee Tech on Saturday night, October 20, at 8 o'clock; Murray State vs. Birmingham-Southern of Birmingham, Ala., on Saturday, October 27, at 8 o'clock; Murray State vs. Union University of Jackson, Tenn., on Saturday, November 3, at 2 o'clock. Calloway County students are active in all departments at Murray State and several more Calloway students are expected to enroll for the spring semester.

Gaiety of 1934 Fair Recorded In New Movies

The carnival spirit of the 1934 World's Fair—the crowds, gaiety, the free shows and attractions—are brought to the motion picture screen in authentic manner in "Ford and A Century of Progress," a four-reel talking picture which will be shown on Oct. 24 at the Beale Motor Co. showroom at 7:30 P. M. Two shows will be given.

Actual sound reproduction was made on the fair grounds in connection with several sequences of the picture. The entire film presents a panorama of the 1934 World's Fair, showing all the principal attractions, with the climax in the great Ford Exposition Building.

Itch Is Prevalent In County Schools

Itch is prevalent in county schools, County Health Officer Dr. J. A. Outland states. Itch has been definitely pronounced in four schools and reports indicate that other schools have itch among the students.

In combating this skin irritation, Dr. Outland urges cleanliness first of all and for a preventive he suggests frequent bathing with a good toilet soap and application of rubbing alcohol. This is urged.

As a cure Dr. Outland stated that the surest and least expensive treatment is a sulphur ointment. This can be prepared in even a less expensive manner by mixing sulphur with lard or some heavy grease. Persons taking treatment for the cure should change clothing and bed clothing every day and apply the sulphur treatment for four or five days according to conditions of the case.

KIRKSEY CIRCUIT

Our Fourth Quarterly Conference will be held Saturday, Oct. 20, at Cole's Camp Ground. Preaching at 11 o'clock by our presiding elder, the Rev. O. C. Wraether.

Dinner will be spread at the church. Conference will be conducted in the afternoon.

A special program will be given Sunday, Oct. 21, at Mt. Hebron in observance of childhood and youth week, under the direction of C. J. Thomas, general superintendent of the church school. The pastor will deliver a special message at the 11 o'clock hour. Subject: "In the Way He Should Go."

Edge Hill Chatter

Bro. Mathis filled his appointment Sunday afternoon at Mt. Pleasant. A large crowd attended the services.

Mr. and Mrs. R. D. Hall has announced the marriage of their daughter, Gaiher, to Jon Stallins. The ceremony was performed August 15.

The pie supper at Edge Hill last Friday night was a success. It was an enjoyable evening as there were several contests on the program. Noble Rogers won a pair of socks for having the largest feet in the crowd. We wonder whether they are large enough? Miss Letitia Mildred Wilson was selected as the most beautiful girl. She received a delicious coconut cake.

The Edge Hill baseball club defeated the Hico nine Sunday afternoon by the score of 12-1.

City Residents Are Urged to Pay Taxes

Residents of Murray are urged to pay their city and street improvement taxes before November 1, and avoid the assessment that goes on at that time. H. C. Broach, city tax collector, also urges residents to pay their school taxes before that date and save a 2 per cent discount allowed before that time.

Two Held For Housebreaking

Coy Crass and Robert McGuire were arrested over the week end on charges of housebreaking. The two are charged with the entering of the McElrath & Ross feed store on North Third street Saturday night, August 8. Entrance was gained by prizing the lock on the front door with a razor blade. City officers took up the case last week and gathered information that led to the arrest. McGuire was arrested by county officials Saturday night and Crass was taken by city officers Sunday night. The loot taken from the store entered was \$285 in a money sack. Both are in jail to await the action of the grand jury.

Hazel High News

The students and teachers of Hazel school have given much of

their time, for over two weeks, in preparing for the annual county fair. We are convinced that the booth allotted to Hazel will be much better than those of former

fairs, although Hazel's booth has rated both first and second in the past two years. We hope that by improving our booth that the county exhibit, as a whole, will be bettered.

The enrollment of Hazel school has been increased by the enlistment of four pupils. Three new students come here from Tennessee while the other was transferred from Concord school.

Hazel Defeats Kirksey

Hazel's softball team closed its season by defeating Kirksey high 9-6. Clifford Brandon, pitcher, was the mound for Hazel and showed coolness when the bases were populated. Underwood received an injury to the ankle that will keep him out of school at least a week. Rollins, a six-footer, catcher, played a steady game.

Hazel has not been so successful this fall but has hopes for a better team in the spring.

—Robert Miller

Hazel Netmen Begin Practice

Hazel's basketball team has hopes for a more successful season this year. With the addition of two new men, both 6 footers, Coach Miller and Kelly have better material to work with. Rollins, 6 feet 2 inches, freshman and Pinkley, 6 feet, senior, who have enrolled in Hazel, the prospects are indeed bright. Four of last year's men have reported for the practice sessions.

Hazel F. F. A. Notes

Hazel's Future Farmers presented "The Mellow Moon Minstrel" Saturday night, October 6, before a larger audience than any minstrel ever presented at this school. The assistance of Miss Erwin and Mr. Miller blended with the enthusiasm and cooperation of the Future Farmer boys and high school girls resulted in a successful minstrel.

The club is on top again and rarin' to make this club more outstanding than ever. Over \$20 was taken in from the presentation and the audience enjoyed many laughs and thrills especially the sword fight.

The club expects to present "Mellow Moon" at Big Sandy High school Saturday night, October 27. —Edmond Cherry.

CAMP MURRAY CHATTERS

By Wm. H. Martin, Jr.

Morning worship was conducted by the Rev. Charles E. Martin, of the Christian Church of Mayfield. Bro. Martin, who has been conducting a meeting at the First Christian Church, Murray, for the past two weeks, delivered a very interesting talk to members of the camp and his message to beware of "the easy way" was enthusiastically received by the group. He was assisted in the service by Bro. E. B. Motley and Bro. L. D. Williams.

Friday was a day of triumph in the annals of Camp Murray, marked a long period of untiring efforts on the part of administrative and technical staffs and enrollees to attain the highest honors conferred on CCC camps. Brig. General Guy V. Henry, the scholarly and soldierly chief of cavalry and present commander of Fort Knox was the distinguished visitor of the day. He conferred the Army and Navy Journal award on members of the organization as outstanding camp in the Fifth Corps Area. After congratulating Lieutenant Smith and the personnel of the camp which he has so ably led in this contest the general expressed appreciation to the people of Murray for the interest they have taken in the various activities of the camp. Immediately following the presentation the visitors were entertained at lunch at the Officers' Mess. Those present were General Henry, Major Williams, Captain Fletcher, Chaplain Jones and the Rev. O. A. Marra.

The program was concluded by a baseball game between Company 382 of Mammoth Cave and Company 1517 of Murray, champions of the first and second districts, respectively. Due to various delays it was decided to settle this title by one game. This exciting tilt resulted in a 7-6 victory for the Cubs. The Murray battery, Cunningham and Ray, worked with its usual ability. The initial battery for the Mammoth Cave team was Fidelity, pitcher, and Moccuga, catcher. Cobney, star pitcher for the Cave, who was injured a few minutes before the game started, entered in the fifth inning and was given heavy applause by the fans. A pinch hitter entered by the Cave on the last inning went down under Murray's champion twirler. Ray and Fleming each scored two runs for the Cubs. Williams, Downey and Cunningham tallied one. Brenik and Glover scored two runs each for the Cave while Shaffer and Johns contributed one each to the total. This game ended the season for the Cubs as far

as official CCC baseball is concerned. Out of a total of 17 games only two were lost.

Likewise the independent schedule was concluded this week end. In a match with the Hardin nine the Cubs scored a 10-6 victory at the local ball park Sunday afternoon. Fleming, pitching for the Cubs, made several strike outs, while Ray, his battery companion, showed remarkable alertness in throw-outs to third. Baird and Morgan in the infield were conspicuous by skillful fielding. Farley scored three runs for Murray. Williams, Fleming, Ray, Baird, Morgan, Miller, and Neale each scored one run. B. Jones scored two runs for Hardin with T. Jones, J. Jones, Goodman and Puckett scoring one each.

IN "READY FOR LOVE"

"Ready for Love," Paramount's new romantic comedy about a small-town boy and a girl from the big city, now showing at the CAPITOL THEATRE. Heading the cast are Richard Arlen and Ida Lupino whom the artist caught in the wistful pose above. Directed by Marion Gering, the film features Marjorie Rambeau, Beulah Bondi, Esther Howard and Henry Travers in the supporting cast.

Horace Paschall

The funeral services of Horace Paschall, an ex-soldier, were held from Oak Grove last Wednesday. A large crowd paid tribute to the deceased at the church, just across the State line in Henry County, Tenn.

Mr. Paschall, who had been working in Detroit, had been ill a few weeks of heart trouble; however, his death was sudden Sunday night, October 7 in Flint, Mich., where he was visiting a friend.

Mr. Paschall was 38 years of age, unmarried, survived by his parents, Mr. and Mrs. Sam D. Paschall and several brothers and sisters near North Fork church of which he was a member.

Funeral rites were conducted by Elder Robert Miller. Interment was in Oak Grove cemetery under a blanket of flowers.

Duncan Ellis is improving nicely from a recent illness.

Other on the sick list are Mrs. Jim Taylor, Mrs. Curt Brandon and Mrs. Mattie Farmer.

Mr. and Mrs. Tom Erwin and Mrs. Lorena Gunter Brady, of Memphis accompanied their brother, the Rev. Riley Gunter, to his home in Paducah last Monday, returning home Tuesday.

Bert Moore attended the big singing at Paris last Saturday. Mr. and Mrs. Otto Winchester of Hazel were called to sing a duet. Their singing met with such hearty response that at the earnest solicitation they favored the audience with an encore number.

Mr. and Mrs. Eston Paschall and Autry McReynolds attended the singing at Dexter Sunday afternoon.

Charles James and Jesse Brandon, who are attending Draughton's Business College at Paducah, were week end visitors with home folks recently.

In court house yard he got in by white folks, I said, with oil and paper in my hand. He said, "Oh, mister, don't say that."

I was in The Ledger & Times office Saturday. No one in Ralph Wear, in the rear in mechanical department. But don't signify he is a no wrench.

Did you ever read the book Zenobia and the 17th Chapter Mark? I never did. "Eagle"

Card of Thanks

We take this opportunity to press our thanks to our friends and neighbors for kindness and help during the illness and death of our father grandfather, William B. N. Especially do we thank Dr. I. A Special Invitation Visit Utilities Stores During October

BETTER HOMES AND GARDENS joins with the leading electric and gas companies throughout the nation in inviting its readers and the public to see special exhibits of electrical and gas conveniences and appliances to be held in their stores during October.

Can you imagine what life would be like without some of the things we take so much for granted? What if there were no electric lights to see by, no electric fans to keep us cool, no vacuum cleaners, electric washing machines and ironers to keep us clean, to say nothing of gas and electric stoves, modern refrigerators, and radios.

THE BLESSINGS OF INDIVIDUAL INITIATIVE

It is no extravagance to say that manufacturers, the public utilities, and retailers have done more to make homes comfortable, to make our homes convenient and pleasant, to take drudgery out of housework, to keep women young, than any other group since time began. Not a one of us would willingly go back to the days of the cooling cellar, kerosene lamps, old-fashioned cook stoves, and washboards—and none of us needs to. For the marvels of modern electric and gas equipment are within the reach of every family.

Thus, individual initiative in private business, the basis of American progress in improving our standards of living, has demonstrated its ability to serve the best interests of the public. This is doubly appreciated by home owners, whose ownership of homes is the result of their own individual initiative, industry, and thrift.

In this, the October number of Better Homes and Gardens, now on sale at news stands, you will find a great deal of expert information on lighting, and the newest electric and gas household equipment available today. Co-operating with Better Homes and Gardens, the leading electric and gas companies of the country will make it possible for you to inspect this equipment in your own community.

October will be a special "open house" month in electrical and gas stores. Visit the store in your city. You will find that the salespeople there will be pleasantly ready to discuss modern home equipment with you. Without obligation on your part, they will be glad to offer suggestions about your lighting problems. They will be glad to give you new ideas for re-arranging your kitchens and laundries. The editors of Better Homes and Gardens hope that you will take advantage of the special arrangements they have made with the nation's leading electrical and gas stores to keep "open house" for you in October.

Thousands of Women Benefited By Cardui

The benefits many women obtain from Cardui give them great confidence in it. "I have four children," writes Mrs. J. L. Norred, of Lagrange, Ga. "Before the birth of my children, I was weak, nervous and tired. I had a lot of trouble with my back. I took Cardui each time and found it so helpful. Cardui did more to allay the nausea at these times than anything I have ever used. I am in very good health and believe Cardui did a lot of good for me. The Cardui Company benefited them. It does not benefit YOU, consult a physician."

Rural Housewives Learn at School

Time was when we married women of the rural districts thought our school days were over, but our rulers have seen fit to give us a great treat in the form of a home economics school of our very own, and when I tell you how many were present last Tuesday in the Coldwater district class you'll know that our teacher, Mrs. May Harris, is putting the school over in a big way.

We met at the home of Mrs. Hazel Adams. Mrs. Harris gave us a wonderful lesson "Baby," that's something that is dear to

After the lesson, the teacher and class gave Mrs. Vera Turner a shower, in which she received a big basket of nice and useful gifts. All reported a wonderful time.

Those present were: Mrs. Laurie Wilson, Mrs. Effie Kingline, Mrs. Bettye Turner, Mrs. Eunice Wilson, Miss Violet Wilson, Mrs. Hattie Haneline, Mrs. Anna Mae Haneline, Mrs. Mollie Cochran, Miss Helen Haneline, Mrs. Mary Frances Haneline, Miss Odell Haneline, Mrs. Hazel Adams, Mrs. Lettie Sanders, Mrs. Mary Kirkland, Mrs. Fredonia Marine, Mrs. Kara Slaughter.

Murray Circuit Fair Plans Are Complete

Every thing is set and ready to go Monday, October 22. You may bring things for exhibit to the barn where we were last year Saturday. There will be a place where they may be stored until the school fair is finished, then we will begin arranging of articles. A secretary from each church has been appointed to receive your things, and they will be there. There are some things you will not want to bring until Monday morning, and that will be all right, only not be too late. We will open the barn and go to work early. We hope to get the judging done not later than 12:00, so that things may be carried away after that, as they are sold.

You who need and want fancy quilts, bed spreads, and quilts for service will surely want to look at those on exhibit. They will be for sale. Many beautiful and useful things will be sold. Most any thing you can think of will be on exhibit.

We are asking that you put a price on every thing you bring, have it marked plain and in a readable position. It may sell for more or less, but the committee, consisting of one person from each church, will have your suggestion to help in fixing the price.

A splendid dinner will be served the menu has already been worked out, rain or shine come and eat with us. Your friends will be there.

Three great days for Murray and Calloway county. The School Fair Friday and Saturday bids to be a great success. Our children, our teachers, let's all help. Then the Church Fair on Monday. These should be and will be profitable days to all who take part. You always, in enterprises like these, get more than you invest.

HOME COMING DAY AT FIRST METHODIST CHURCH

We have just recently installed new pews in our church, the women have added new chairs, all the Sunday School rooms have been redecorated.

Sunday, at 11 A. M., we are urging all the members of the church, and their friends to be present at the morning service. Not only are we urging all our members to attend, but also our former members.

Our choir has prepared special music for the occasion. We want you to come early, before Sunday School time to look the building over. Last Sunday we had over 300 in Sunday School. Our goal for next Sunday is 400.

At the morning hour the pastor will use for his sermon subject, "The Security of the Church." Evening hour of worship is now 7 o'clock. Young People meet at 8:15.

Cordial invitation is extended to our friends and to all others who have no regular church home.

O. A. Marrs, Pastor

Lynn Grove Hi

We are still very busy preparing our exhibits for the fair.

Grade cards for the first six weeks' work of the seventh and eighth grades and high school were handed out last week. The honor roll is made up of the following:

Eighth grade: Ruth Cole, Evelyn Lou Lockhart.

Freshmen: James Warren, Erwin, Fannie Sue Jones, Martha Nell Stark, Kathryn Dunaway, Maurine Henley, Imogene Parks, Dorothy Dell Riney.

Sophomores: Odine Swann, Tennie Wilson, Rogers.

Bilious Attacks

For bilious attacks due to constipation, thousands of men and women take Theodore's Black-Draught because it is purely vegetable and brings prompt, refreshing relief. "I have used Black-Draught," writes Mr. T. L. Austin, of McAdenville, N. C., "There is a package of it on my mantel now. I take it for biliousness. If I did not take it, the biliousness and headache would put me out of business. It is the quickest medicine I have found that I know of."

Seek Reduction of Eggner Bridge Toll

Reduction of the toll rates on the Eggner's Ferry Bridge across the Tennessee River is the aim of a movement initiated by the Murray Chamber of Commerce in cooperation with various civic clubs and officials of West Kentucky.

The "Highway Committee" appointed by W. S. Swain, president of the Murray Chamber of Commerce, has petitioned the state highway commission to reduce the toll rate on this bridge located near Aurora Landing on the Tennessee River where State Highway 94 joins U. S. 60. The Murray committee is composed of Wayne Rayburn, Calloway County Representative; T. O. Turner, state senator; T. O. Baucum, vice-president of the Murray Chamber of Commerce; T. R. Jones, former judge now connected with the state department; J. H. Harkin, secretary.

In presenting the petition for lower rates, the committee pointed out the fact that the rate on this bridge is 80c as compared with 55c on every other bridge in the state. The petition declared that the rates were exorbitant, unfair in comparison with other bridges, they were the cause of a diversion of traffic, and hinders the intra-state development of commerce, schools, and transportation facilities. It was further argued that with the construction of the Aurora Dam near this bridge, traffic would be immensely increased, thereby preventing any loss in revenue that might otherwise be caused by a reduction.

The Murray Chamber of Commerce has been assured by groups of citizens in the neighboring cities of Benton, Mayfield, Fulton, and Paducah that they likewise are seeking the reduction of toll rates on this bridge.

Counteen Beasley Returned Here

Counteen Beasley, 26, Negro, was returned here last Friday from Wickliffe on a charge of robbery. Beasley was wanted in connection with the robbing of Gillis Knight, white, the first of last week of \$25 by the use of firearms. His accomplice, John Rowlett Hornbuckle, was arrested and placed in jail last Tuesday night.

The P. T. A. sponsored a tea for the patrons of the school Monday afternoon in the school building. The P. T. A. is making a drive for members and when we think of the grave necessity of the co-operation of the parents and the teacher, one thinks the drive shouldn't be necessary.

Every one is looking forward to the football game here Friday when the Douglas Bulldogs will face Summer High, the champions of Southern Illinois from Cairo, Ill. The Bulldogs tied Lincoln High School of Paducah last Friday night in a thrilling game with a score of 12-12. Last year the Summer High School defeated the Bulldogs eleven by a small margin of 6-0. Help us boost those Bulldogs! Help them win! Admission 25 cents.

Faxon High School

Faxon is planning to enter the County Fair to be held at Murray October 19-20. The students are very busy this week preparing the project. Miss Edith Winchester is director-in-chief, but each teacher and student is contributing his quota. Elwood Phelps, seventh grade, and Robert Roberts, freshman, are the chief artists for the wings of the booth. The other work is distributed through the grades and the high school.

The past two weeks have been unusually interesting and full for the students of Faxon, one activity crowding upon another. But through all the absorbing events, we have not lost sight of our classroom work, and our loyal spirit and faithful co-operation in every activity have been such as to elicit very favorable comment from our teachers.

The two lower rooms were absorbed in the Fair preparations that they forgot their news items until too late to reach the deadline.

Fifth and Sixth Grades

We have been progressing in our preparations for the Fair this week. We have as many as six airplanes, one of them an aqua-plane, and we have dressed many dolls. The boys are making log cabins and we make dirt and stick chimneys, too. They are very pretty.

We elect new monitors each Friday, for the next week.

The people who were on the honor roll for the first month: Fifth grade: Florence Billington; Sixth grade: Elvin Thompson and Daniel Parker.

—Dorothy Mae Elliott.

Music

Miss Hazel Jones has a good class organized in vocal music and several are taking piano and other instrumental lessons, and all seem to be learning fast. Miss Jones graduated with honor, and she is one of the best, we think, and feel that we are fortunate in getting her.

October 27, Mr. J. H. Walston will present a play, entitled "A Wild Flower of the Hills." Everyone is invited. The admission will be small, for they wish to have a large audience.

Debating

The disarray when skillfully wielded, will clean up more than just dishes, as was proved by the girls of the debate club, Juanita Roberts and Clarice Grogan, last Tuesday when they won a two to one decision over the boys, awkwardly using the unaccustomed broom. The next debate is to be on girls' participation in competitive athletics.

October 12, Mr. Guy Billington carried the sophomore boys to Aurora to visit their community fair.

October 11, Mr. J. H. Walston carried the third and fourth year agriculture students to the county fair being held at Mayfield. The

boys were studying cattle, and they felt that the trip was profitable for there were several beautiful individuals shown.

Athletics

The Faxon girls have sold candy and received two basketballs. The team will be organized October 25 or 16. It looks as though there is going to be a real team. The boys have confidence in Mr. Walston, as a coach. Watch our home games and encourage and support our team.

The boys, and the girls too, have been glad to follow, when they could, the series between the Tigers and the Cardinals. The custom began with the dedication of Mr. Billington's new radio, when most of the high school listened in on the first game. Mr. Allen McKel, the Delco man, kindly installed a radio at school for the last game of the series.

The Faxon Cardinals, on Tuesday, that last day of the series, emulated the St. Louis Cardinals by playing inspired ball to win over the acclaimed victors of the county series, the Pleasant Valley team, that had suffered but one defeat previously. The score was 8 to 1. Faxon ran in four scores at one time. The bases were full and Lester Workman, Faxon's catcher, knocked a home run. Concord came to Faxon Friday, Oct. 12; Faxon lost the game by one score, 5-4, after playing the eighth inning to untie the score, the game being won on an error.

Concord and the Valley both were good sports. We were glad to have several visiting students from both schools who came with the teams.

Hardin Highlights

By Edd Kellow
The Hardin Blue Eagles lost two interesting games to Sharpe and Aurora. The scores for the Sharpe game were 23-13 and for the Aurora encounter 29-14. The Sharpe game found the Blue Eagles taking a 23-3 drubbing the first half, only to come back and outscore the Green Devils 10-8 in the last half. Rudolph led the scorers with 42 points to his credit while Booker of Hardin scored 7 points to lead the Hollandmen.

The Aurora game was played in a cloud of dust and found Aurora making 14 points before the Blue Eagles scored. All this happened in the first quarter. The next three quarters found the teams fighting on equal terms, Hardin outscoring the Aurora five in the last half. McDaniel, led the

scorers with 10 points. Booker was again leading Hardin scorer with 8 points.

Dwight Pace, Hardin regular forward, did not play in either game, being out of town. Starks, his regular substitute, sprained his wrist in the first quarter of the Sharpe game and played only a few seconds in the Aurora game before he re-injured his wrist. Gay, another good forward, was sick and played only a few minutes in the Sharpe game and did

not make the trip to Aurora.

To make it a perfectly dismal week, the girls' softball team dropped a 9-3 decision to the Sharpe girls, the affair going ten things before being decided. Lyles, regular outfielder was sick and did not go.

This sounds like a lot of excuses, but every word is true. They would have lost the Sharpe games anyway.

The senior rings, after two

months of waiting, have arrived.

The Rev. One Gray Andrews, who is conducting a revival at the Methodist church, has been talking to the students in chapel. Bro. Andrews is general superintendent of city missions in Memphis.

The Little Theatre Dramatic Club will initiate their new members Thursday and Friday, with the formal ceremonies at a party

Saturday night. The candidates are David Booken, Virginia Moore, Mable Brown, James Crosby, Doris Lawrence, Rosemary Pace, Helen Washem.

The Debate Club held a meeting Friday and voted unanimously to become a self-supporting organization. Material for the nation-wide subject will arrive sometime this week.

Hardin High School will be represented at the Murray T. P. L. football game. Again, we wish to thank the Marshall county students of Murray State for making the provisions for us to receive free tickets. Those in the Marshall County Club from Hardin High School are Roy Darrell, June Martin, John Edd Walker, Nat Pace, Eldred White, Lynn Dale Furgerson.

Fiddlers Contest at Russell Chapel

There will be an old fiddlers contest at Russell's Chapel school Saturday night, October 20. A good program has been made out. There will be 15 prizes with second prizes to most of them. We want all people that can make music to come. Admission 10 and 15 cents.
