A YEAR FOR FORESIGHT

The coming year starts with many problems facing every American citizen. Many of the problems are serious, many are difficult to solve. First of all, we must consider the welfare of our Nation as it moves into deep and troubled waters.

Next we must prepare to conserve and protect our property. One of the most intelligent acts in these days is to investigate all insurance coverage. Do you have the necessary protection? Is it in proper shape? Is your policy with a strong, well-founded insurance company? You're always glad to talk to you about these problems.
