## New IC Piggy-Back Service Opens In Fulton

By Ouida Jewell

The new train-truck "piggy-back" operation put into effect here this past month, by the Illinois Central Railroad, because of the location in Fulton of the Ferry-Morse Seed Company package division, may mean big things to the Twin-Cities.

Several new employees have been added lately to the freight house here, with eighteen having been added during the past six months. The total of the regular freight house personnel is now twenty-two, not counting the extra help.

The "piggy-back" operation (hauling loaded trailer-trucks on flat cars) was started by the I. C. Railroad in June, 1956, on an experimental basis between Chicago and Memphis. Since then, the operation has grown very fast. The News learned Tuesday in a telephone conversation with M. D. Partelow, Superintendent of Stations, I. C. Railroad, Chicago.

The I. C. Railroad now has "piggy-back" service operating between Chicago, Kankakee, St. Louis, Evansville, Louisville, Memphis, Jackson and New Orleans; also, on their western line between Omaha, Nebr., Sioux City, Iowa and Waterloo, Iowa.

Mr. Partelow informed this reporter that the I. C. is handling truck-load traffic between any of these points, and also, interchange

### Seven Counties Represented At District 4-H Meet

Seven Purchase counties were represented at a District 4-H Club Leaders Council meeting held at Mayfield Monday evening at the Mayfield Electric & Water Systems building.

Pat Brown of Marshall County was elected president of the Junior District 4-H Club Council. Janet Like of Calloway County was elected vice president, and Judy Faulkner of Graves County was elected secretary.

Plans for 4-H Club events for the Purchase District were discussed.

The annual Junior District Rally was scheduled for Mayfield on April 23, and the Senior Rally will be held in Paducah April 30. A district-wide talent contest has been scheduled for March 31 at Murray. It was recommended that judges for the two district rallies be secured from outside the Purchase.

A district-wide organization of Senior 4-H Club members was completed at Monday night's meeting. All counties were represented by high school 4-H Club members.

Mr. and Mrs. Herman Korts of Paducah were selected to represent the district at the state meeting in Lexington January 28. Mrs. Henry Wells of Carlisle County was named an alternate delegate.

Representing Graves County at Monday night's meeting: Mrs. Dorothy Waggoner, Herman Price, Johnny Herndon, Judy Faulkner and George Price.

### McElroy Explains "Camp KYSOC" To Rotarians

Ollie McElroy of Eminence, Kentucky, Past District Governor of Rotary, addressed the Fulton Rotary Club Tuesday, appealing for funds to equip a camp for crippled children of the State now being built at General Butler State Park.

The camp, to be called "Camp KYSOC", will be a completely-equipped and specially-built installation to offer crippled children normal summer recreational fun. It is being sponsored by Rotary Clubs throughout Kentucky.

Mr. McElroy was introduced by his long-time friend, Rotarian J. O. Lewis.

### Mother Of Local Woman Dies

Word was received here Wednesday morning of the sudden death of Mrs. M. I. Williamson of Greenfield. She was the mother of Mrs. L. A. Perry.

Dr. and Mrs. Perry left about 10:30 Wednesday morning for Greenfield. Funeral arrangements have not been made.

UNLOADING "PIGGY-BACK" FREIGHT in Fulton began in December 1959 from a newly-constructed unloading ramp located in front of the roundhouse turntable in the New Yards, with shipments presently going only to the Ferry-Morse Seed Company plant here. Simple unloading operation consists of backing tractor up ramp to loaded trailer, unfastening gear that secures trailer to flatcar during transit, and hauling trailer off to local destination. In above picture James Gillum is standing at side of trailer, with Wilmus Dumas underneath moving wheel blocks.

### T. R. Williamson Reelected President Of County Farm Bureau

T. R. Williamson of Fulton, Route 4, was reelected president of the Fulton County Farm Bureau at a county-wide meeting Monday night at Western School.

The 1960 Program is open to all farmers and any farmer of Fulton County who would like to use the ACP to help his conserve the soil on his farm and improve the productivity of his land should contact his local ASC committee-man or call at the county ASC office at Hickman, Kentucky.

### Parents Of Twins

Mr. and Mrs. Charles Eddington, Route 4, Hickman, are the proud parents of twin sons, Roy Lynn and Troy Glynn, born at 12:10 p. m. and 12:13 p. m., January 9, at the Jones Hospital. The babies weighed eight pounds, 2 1/2 ounces and seven pounds, nine ounces.

### Friday And Saturday Will Be South Fulton Day On Polio Auction

Friday morning and Saturday afternoon on the Polio Radio Auction over WFUL will be devoted to South Fulton and Tennessee District 16.

Anyone wishing to contribute items for the auction are asked to bring them to the Chevrolet building, on East Fourth Street. Items, non-perishable ones, may be left at the South Fulton City Hall between now and Friday morning. Anyone needing transportation for items may call either Mrs.

Frank Heflin, phone 997-M2, Mrs. Commodore Maynard at 1117-J1, Mrs. C. A. Boyd, Jr., at phone 1052-J, or the Mayor's office, 116. The Riceville Baptist Church will auction off their items Thursday morning.

Tuesday afternoon, Col. Charlie Burrow, auctioneer, reported that the auctions are coming along fine.

If you have any items to be donated, please bring them to the Chevrolet garage building on East Fourth Street.

Anyone needing transportation for items may call either Mrs.

Frank Heflin, phone 997-M2, Mrs. Commodore Maynard at 1117-J1, Mrs. C. A. Boyd, Jr., at phone 1052-J, or the Mayor's office, 116.

The Riceville Baptist Church will auction off their items Thursday morning.

### Program Planned To Interest

Kentucky Homemakers attending Farm and Home Week, January 26-29 at the University of Kentucky, will find that much of the program has been planned to interest women.

### Industrial Site Brochures Received By Chamber Here

The Fulton-South Fulton Chamber of Commerce this week received copies of an industrial site brochure that has been published by the Industrial Development Department of Kentucky Utilities Company.

Purpose of the book, according to W. W. Anderson, KU manager, is to provide essential data to prospective industry interested in a Fulton location. Anderson compiled the information for the book.

Major features of the booklet are a map of the Fulton area and copies of options on land new industry might choose as an industrial site. Anderson emphasized the need for optioned sites. Too often, he said, an industry will come to a community, like what it finds, but discover that land costs have risen sharply when it tries to buy a site. At that point the industry loses interest in the community, Anderson said.

He said the State Chamber of Commerce has found that communities in a position to offer sites at fixed prices invariably have less trouble attracting new industry.

Other contents of the brochure include letters from Mayor Nelson A. Tripp, County Judge John C. Bondurant and Mrs. Cavita B. Olive who is secretary of the Chamber of Commerce. These letters welcome interested industry and pledge the community's interest and support.

There are also letters which set out the availability of existing utilities and the estimated cost of running gas and water lines to new industrial sites.

Copies of the brochure have also been given to the State Chamber of Commerce, to the Kentucky Department of Economic Development, railroads, and other utilities that have active industrial development departments.

### Atkins Renamed President Of Fulton Bank

SMITH ATKINS

The stockholders of the Fulton Bank met Tuesday night in regular annual session and elected directors for the ensuing year. The directors elected were Maxwell F. McDade, Frank T. Beadles, Gilson D. Latta, M. R. Jeffress and W. S. Atkins.

The past year's business was outlined by the President, W. S. Atkins. It was the best year in the history of the bank, the assets having grown to slightly more than \$3,800,000.

The following officers were elected to serve for the coming year: Maxwell F. McDade, Chairman of the Board; W. S. Atkins, President; Frank T. Beadles, Vice-President; M. R. Jeffress, Cashier; Harold D. Henderson, Jr. and Ray Terrell, Assistant Cashiers; Mrs. Willette Kearney, Miss Marjorie Holder, Miss Shirley Jean Evans and Mrs. Sue Sawyer, book-keepers.

### South Fulton Wins Two Games Tuesday

South Fulton's boys racked up their 11th victory of the campaign Tuesday night at Dresden, defeating Dresden 65-51, after the girls won, 43-39.

High pointed in South Fulton's attack was forward Parchman who sank 19 points. Seldon Cashon was Dresden's top scorer with 13.

South Fulton's girls were paced by Mary Jane Cruce who hit the net for 19. Sandra Oliver of Dresden threw in 17.

Carol Dunn, center, was all prepared in proper attire to receive her title of Kentucky Colonel when it was presented to her Tuesday at St. Edward's Catholic School. Presenting the colonel's commission on behalf of Governor Bert Combs is Mrs. Paul Westpheling, extreme right. Others in the photo are left to right: Joy Fagan, whose life Carol saved from drowning last summer; Mrs. Thad Fagan, Joy's mother and Mrs. Glenn Dunn, Carol's mother. (See story)

### It's Colonel Dunn Now, And Carol Gets Governor's Honor

Last summer, a little 13-year old girl captured the admiration of Kentucky when she calmly and courageously saved another little girl from drowning at the Fulton Country Club. On Tuesday of this week, before her classmates and her parents she was appropriately honored by the Governor of Kentucky in recognition of her efforts.

Carol Dunn, is the daughter of Mr. and Mrs. Glenn Dunn of Fulton. Today, this charming, quiet, unassuming young lady is "Colonel" Dunn and the honor she received brings justifiable and humble gratitude from Mr. and Mrs. Thad Fagan, and from 12-year old Joy Fagan, whose life Carol saved last summer.

Fultonians will remember that last summer at the Fulton Country Club activity was as usual at

the popular recreation center. Little Joy Fagan, and Carol and others were enjoying the cool waters of the pool, when suddenly, alert Mrs. Joe Hall, the lifeguard at the pool did not see Joy around the pool, Margaret, as she is affectionately known to all Fulton, immediately dove into the pool and did immediately locate Joy's whereabouts in the pool. Margaret was of the opinion that Joy, upon diving into the pool, may have hit her head on the bottom of the pool and had become dazed.

Margaret called to Carol, who was standing on the side of the

### Schools Here Ask For 50c Tax Increase In Special Election Jan. 26

At press-time Wednesday the News learned that a special election will be held within the Fulton Independent School District on Tuesday, January 26th for the purpose of increasing school tax in the district "up to 50c" additional to take care of necessary expenses.

When called by The News, Supt. W. L. Holland stated that "the additional tax that the Board seeks will be in addition to the \$1.50 tax now levied, and will provide funds for any legitimate school expense or improvement." Mr. Holland advised that next week's issue of the News will be provided the full 12-point program that has been outlined by the school for use of this requested money. Much of the program is necessary to maintain an accredited status.

Although notice of the election is short. The News was advised that the law states that any such

### Mrs. Stubblefield Falls, Fractures Hip

Mrs. Lella Stubblefield of 407 Glendale fell Monday afternoon about 3 o'clock at her home and fractured her hip. She was first taken to Jones Hospital in a Hornbeck ambulance and later transferred to Campbell's Clinic in Memphis. Her room number is 311.

### Jaycees To Have Ladies Night, Bosses Night And DSA Banquets

On Thursday night at the regular meeting of Fulton's most progressive civic club, The Jaycees, 30 members were present and the club welcomed Milton Exum as a new member. The business session included making plans for about twelve Jaycees to attend the Winter State Board Meeting at Elizabethtown, Kentucky on January 23-24.

Final reports were given by the committee heads of the Christmas Basket Radio telethon which was so successful that the club has decided to write a digest and offer kits showing how to present this program to other clubs in the state. President, Richard Thompson appointed a committee to make arrangements for the DSA and Bosses Night banquet to be held here Thursday night, February 18th. Wendell H. Ford of Owensboro, Kentucky has been secured as guest speaker for the occasion. Mr. Ford is a past president of the United States Junior Chamber of Commerce and is an accomplished speaker.

Other business included the paying of all outstanding bills plus the donation of \$50.00 toward the purchase of a gas heater for Teen-Town and the home of the Explorer Scouts which is sponsored by the Jaycees here.

On Monday night, January 11th, both the Paducah Jaycees and Hickman County Jaycees were visited by two groups of members from the Fulton Chapter. At

election must be voted "in not less than 15, nor more than 30 days" after the Board signifies its intention of holding it. Watch for next week's paper; it will contain the full story.

### The News Goes To Siegel, Ferry-Morse

Seven hundred and fifty employees of Ferry-Morse and Siegel factories received complimentary copies of The NEWS last Thursday on their way home from work, and will receive them each week from now on, for an indefinite period in conjunction with a promotional plan worked out between the News publishers and the Wade Furniture Company of Fulton.

To supplement the plan and to add to its interest for these employees. The News will begin carrying weekly columns of social and miscellaneous news from both Siegel plants as well as from the Ferry-Morse office and plant.

The first of these columns, written by Miss Jean Fuller in the office of the Siegel Kentucky plant appears this week. In next week's issue it is hoped to add, in addition to Miss Fuller's column, others from the Siegel South Fulton plant as well as those from Ferry-Morse.

the Paducah meeting, an interesting address was presented by the superintendent of County Schools there regarding the status of Teachers pay and education problems confronting the state. Purpose of the talk was to give the Jaycees food for thought as to what the Jaycees as a state organization might do to help improve the educational system in our state.

The next regular meeting of the Fulton Jaycees will be held at the Club Room January 21st. Bro. Oakley Woodside will be guest speaker at this meeting.

Other important Jaycee dates include: Feb. 4, regular meeting night at the club room; and Feb. 6, Ladies night at the club room.

### Smith's Cafe Closes Wednesday After Fifty Years

Smith's Cafe, located at the corner of Lake Street and East Fourth, was closed Wednesday for the first time in about fifty years, since it was founded by the late Albert Smith and his wife, Mrs. Stella Shuman of Fourth Street.

Mr. and Mrs. Howard Adams, who have owned the restaurant for the past several years, moved to their new location on the Highway 51 By-Pass Tuesday night and Smith's Cafe was not open for business Wednesday.

Mr. and Mrs. Adams will open

up their new drive-in cafe on the By-Pass in a few weeks, they said. Mrs. Shuman was contacted by The News Wednesday morning, to learn when Smith's Cafe first opened. She said that when she and Mr. Smith were married back in 1910, when they were both quite young, he was employed at the American Cafe, owned by D. Gholston and located across the street from the present restaurant.

The American Cafe was quite small, with four tables and 19 stools at the counter. Shortly after

MF and Mrs. Smith were married they bought the restaurant and sometime later E. C. Reed became their partner. Then they built a big dining room on the west side seating 72 people.

A little later Mr. Smith decided to secure the building across the street from Mrs. Morris. Bess Morris' mother, Johnnie Willey had a two-chair barber shop there, so Mr. Smith bought him out and got Ed Hannepin, who had a shop down the street in the building now housing City Drug

to let Mr. Willey move in with him.

It was then that Smith's Cafe was founded. In 1936 Mr. Smith sold out to Mr. Green, then Mr. Smith died in 1937. When Mr. Green was killed in an automobile out in California, his son took over. He later sold to L. L. Moss, who operated the business for some time.

Since then Red Dalton, Hugh Fly, and the Neal brothers have owned the restaurant, before Mr. and Mrs. Adams took over.

## We Don't Blame KU For Trying, But ---

The Kentucky Utilities Company has come forth with an offer to the communities that they serve wherein they will give a 3% "Bonus" of their gross revenue within the community in exchange for a franchise to provide exclusive electric distribution within the community for twenty years.

A lot of communities that KU serves accepted the offer quickly and happily, and why not? Practically all of them are frozen out of the TVA service area anyhow, and it undoubtedly was a good business deal.

The Fulton City Council rejected the proposal. Of course it would have been a feather in the KU cap to have been able to sign Fulton for 20 years, but the dangling bait didn't fool anyone here. How could a thinking council grab for a few thousand dollars' revenue a year and in exchange sell

the rights of its citizens down the river for 20 years? And with a TVA-served community right across the street?

We don't blame KU for trying, but we are glad that the proposal got quick and decisive treatment here. Princeton, Ky., a neighbor also attempting to acquire its own distribution system, joined Fulton this week by declining the franchise offer, declaring that "the offer was made for the sole purpose of causing the city to discontinue its efforts to acquire the KU distribution system" there, and that "the offer wouldn't have been made had it not been for the fact that there is now a concerted effort on the part of many communities in Kentucky to throw off the shackles of high cost electric power and to obtain low cost power."

## The Proper Answer To A Retail Promotion

For some time now, various Fulton retailers have been casting about for a promotion idea that will help their business and have seemed about ready to try anything that might get a crowd in town on a regular basis. But with most all "drawing" schemes classified as unmailable lotteries by the Post Office Department, and the better class of buyers not being among those who are willing to stand around and wait for some name to be called anyhow, not much developed in this line until last week.

In cooperation with a downtown retail store, The News has come up with the proper answer: advertise your merchandise and put a copy of your advertisement in the hands of every employee of the town's major payrolls: Siegel and Ferry-Morse. Seven-hundred and fifty employees in these three plants earn the great bulk of the spendable income here, and each of these people are now being provided a complimentary copy of

The News each Thursday as they get off work. The subscriptions are being paid for by the Wade Furniture Company as a good-will merchandising operation of that firm.

It is a well-known fact that many of these abovementioned employees live out of town and drive directly to their homes after work is over. It is the hope both of The News publishers and of Wade that in seeing attractive merchandising offers advertised in The News, many may be persuaded to shop in Fulton before they leave town. The burden of proof, of course, is properly on the individual retailer, not propped up with any artificial stimulation. If he has timely merchandise, courteous clerks and competitive prices, he can attract buyers.

So now The News offers an additional 750 circulation weekly, going directly to the wage earners who contribute to Fulton's economic well-being. We believe this is the answer to good retailing assistance in Fulton.

### SERMONETTE OF THE WEEK

## What Is Heaven Like?

By Frank Sheed, Author & Publisher  
EVERY ROAD must have an end, a destination, and the same is true of the road of life. The atheist tries to place the end of road at death. But atheists are always exceptional in the world. For most men the question of what is the end of life simply means what comes after death.

BUT what is on the other side of the door of death? Some say they don't care; but no one can really mean that — eternity is a long time. To know what comes after death would be an impossible mystery, however, if God hadn't told us. Fortunately He has. He has told us that heaven is at the end of the road of life.

WHAT IS HEAVEN like? Some tell us that it is simply a place of harps, hymns, crowns of gold and streets of jasper. But these are only symbols without much meaning for us. For the average man, a place of endless hymn-singing is anything but pleasant.

Heaven is the place of perfect happiness, flowing from the knowledge and love of God. We know from experience that happiness is always in the soul. The state of the body may cause happiness but happiness itself is always in the soul.

Mrs. H. P. Roberts was hostess to the Lodgeston Homemakers' Club, on Wednesday, January 10, in an all-day session. Thirteen members and the home agent were present.

Robert Belew and Clyde Corum, both of Crutchedfield, were injured in an automobile collision at Marion, Ky., Tuesday morning. Mr. Belew was taken to a Princeton hospital where it was found he sustained a fractured pelvis bone. Corum was brought to the Fulton Hospital and is receiving treatment for a chest injury and lacerations of the head and hands.

The Fulton Circuit Court will open the January term next Monday at Hickman, with Judge L. L. Hindman presiding. The following Monday, January 22, court will move over to Fulton.

The Christian Brotherhood will hold its annual dinner Wednesday night, January 17, and the First Christian Church, with the other churches of the organization, expects to carry out a program.

Charles Allen Williams has been

named by the mayor and board of aldermen of South Fulton, as city attorney for the south side.

A large crowd witnessed two of the most interesting games of the basketball season Tuesday night when the South Fulton Red Devils and Angels met the Martin Panthers on South Fulton's court. The Panther sextet won by a 35 to 15 score. The Red Devils won 27-24.

The marriage of Miss Marti Barger, daughter of Mr. and Mrs. Joe Barger of Gardner, Tenn., and James Ethridge, son of Mr. and Mrs. J. J. ## Ouida Jewell

We would like to extend a hearty welcome to our good friend, Mrs. Anna Belle Edwards of Jackson.

Anna Belle, a very charming and attractive lady arrived in Fulton over the weekend and assumed her new duties as clerk with the I. C. Railroad at the freight office here.

For the past thirty years she has been secretary to the chief clerk to the I. C. superintendent at Jackson. Last July 1 the division office at Jackson was abolished. Since that time, she has been doing extra work at Jackson.

Anna Belle is a member of the First Christian Church in Jackson and served as president of the Business Women's Guild for several years.

She is a member and officer of the Jackson Business and Professional Woman's Club. Anna Belle is also a member of the Altrusa Club of Jackson, having served that club as president and as district secretary, the district covering Tennessee, Kentucky, Mississippi and Alabama.

She is also a member of the West Tennessee Executive Club. Anna Belle, at present, is living at our home, but has taken an apartment at the Thacker Apartments on Carr Street and will move her furniture here soon.

She is the mother of Mrs. N. L. Meadows of Freeport, Ill., a former Fulton resident. Mr. Meadows formerly was station master here. Now he is trainmaster at Freeport.

A meeting was held Wednesday afternoon at the Welfare Office concerning the Twin-Cities Clothes bank.

The B&PW cook books arrived Monday morning. They are at my home 315 Carr Street, in case anyone would like to pick up a copy

now. The cook book will sell for \$1.50.

The book, filled with favorite recipes of local people and a number of celebrities like Mrs. Dwight Eisenhower, Mrs. Richard Nixon and Mrs. Harry Lee Waterfield, is very attractive and there are some very fine recipes in it.

The cook books will be distributed among the B&PW members, and each member is expected to purchase one and sell as many as they can to friends.

Money raised from the cook book sales will be used in part to operate the clothes bank, which is sponsored by the B&PW club.

Was talking to Lucille and Howard Adams one day recently, and they said that they plan to start moving this week some equipment from Smith's Cafe to their new drive-in restaurant on the Highway 51 By-Pass. They plan to be out of their present location by Feb. 1. If their new building isn't completed by that time, they will take a needed vacation.

Mr. Adams advised us that their drive-in will seat approximately 25 people inside, and that they plan to specialize in barbecue and soft ice cream.

Mr. Adams said that they plan to have a small park with tables located next door to their restaurant.

The Adams' have been unsuccessful in selling Smith's Cafe, so on Feb. 1 will close the place. He will store what equipment they don't need for their new place.

Here's something to think about... "Learning is always modest; ignorance is always assured and positive."

When the big snow came last week, did you take advantage of

the situation and have some snow cream? We did, and was it every good!

It reminded me of the good old days when I was a kid and lived on my grandparents' farm. We always had a wonderful time! When it snowed we had snow cream. At other times we made popcorn balls, chocolate fudge or pulled taffy.

Other evenings when the relatives and neighbors dropped in (our house always had visitors), we made doughnuts.

Mother used to make the best cream cheese and coffee cakes, I ever ate.

Some evening soon, Mozelle Green, Mother and I are going to try our hand at popcorn balls and a few other good things to eat, that we used to make.

Did you notice the picture of Baseball umpire Vic Delmore and his wife in the papers last week? Vic, back several years ago, was an umpire for the Kitty League and made his headquarters here.

Vic had formerly pitched for Hopkinsville, where he gained the name of "Rabbit." As the story goes, during a game a rabbit came on the field and instead of Vic pitching the ball to the batter up, he threw at the rabbit, thus earning him his nickname.

Vic, who now lives at Dunmore,

Pa., near Scranton, was suddenly fired recently and fans and friends have poured some 2,000 to 3,000 telegrams and letters on the desk of National League President, Warren Giles, protesting Delmore's firing.

Giles said Delmore was dismissed because he "got into a couple of jams last season," but friends said he was fired because of his marriage last November to the former Sonja Bockman, who formerly worked in Giles' office in charge of umpire assignments.

I. C. Car Oiler Verlie Scott has retired because of disability. Mr. Scott entered service in 1935 as section laborer, transferring to the mechanical department in 1937 as a laborer. Verlie owns his home on Route 4 where he lives with his mother.

We would like to wish Aunt Tate of Carr Street a very happy birthday, although we are a few days late. Aunt Tate was 82 years old a few days ago, and is one of the sweetest little ladies we know.

Our apologies to the Twin Cities Record Shop. Nancy Adams' record is on sale at the above mentioned shop, instead of the House of Music, as I stated last week. I just can't get those two new neighbors off mine straight.

# Farm News, Meetings, Events

(Ed's note: the following information, supplied THE NEWS by the USDA, ASC, nearby County Agents and agricultural agencies will be of special interest to progressive farmers in the Ken-Tenn area):

**Deadline Date For New Grower Cotton Application, Feb. 15, 1960**  
Roy Bard, Chairman of Fulton ASC County Committee stated that Cotton Growers of the Nation had recently voted in a referendum putting Marketing Quotas in effect on cotton for 1960.

He further stated that cotton produced without an allotment would be subject to a Marketing Quota Penalty. Regulations provide for New Grower Allotments. The final date for making application is February 15, 1960. Application blanks are available at the County ASC Office.

**7,037 Acres To Be In Soil Bank**  
About 7,037 acres of Fulton County cropland will be held out of production in 1960 under Conservation Reserve contracts, according to a year-end report on Soil Bank activity by Roy Bard, Chairman of the County Agricultural Stabilization and Conservation Office.

Land in the Conservation Reserve is held out of production to help ease the farm surplus situation and is kept in conservation uses to meet future needs. About 5,717 county acres are already out of production under this program, and approximately 1320 more are expected to be added in 1960 as a result of the sign-up last fall. Mr. Bard said.

Whole farms (farms on which all the cropland is out of production) account for about 5,517 acres of the total amount of cropland under contract in the county in 1959. A farmer who places all his cropland in the Conservation Reserve may continue to live on the farm, maintain a home garden, and use the permanent pasture and orchard land. Whole farm contracts, Mr. Bard pointed out, remove the entire production potential of the farm and leave no land for more intensive farming.

There was 2,809 acres of land seeded to grasses and legumes in the year 1959. A good portion of the land had already been seeded by the farmer and some under previous contracts 1957 and 1958. There is also 53 acres devoted to Wildlife practices and 20 acres planted to trees.

The Conservation Reserve is a program under which farmers voluntarily sign the contracts with the Federal Government to retire excess cropland from production. The Government makes an annual rental payment for the land and pays part of the cost of establishing the conservation use. About 5 percent of the Nation's total cropland is now reserved under this program.

**Grain Price Support**  
**Deadline February 1**  
The last date for obtaining price support on most 1959-crop grains and related crops will be February 1. County Agricultural Stabilization and Conservation Committee Chairman Roy Bard announced today.

The official closing date for price support on barley, dry edible beans, flax-seed, grain sorghum, oats, rice, rye, soybeans, and wheat is Jan. 31. However, since that date falls on a Sunday, the deadline is automatically extended to Monday, Feb. 1.

The loan rates and eligibility standards for 1959-crop commodities in Fulton County are as follows:

Barley: 82 cents per bushel for Grade No. 2 or better (except mixed barley). Discounts for lower grades down to No. 5 or No. 5 garlicky.

Grain sorghum: \$1.59 cwt. for Grade No. 2 or better (except mixed grain sorghums). Discounts for lower grades down to No. 4, No. 4 smutty, No. 4 dis-colored or mixed grain sorghums and con-

taining not more than 13 percent moisture.

Oats: 60 cents per bushel for Grade No. 3; premium for higher quality; discounts for No. 4 on test weight only; for No. 4 because of "Badly Stained" or "Waterially Weathered" and for garlicky.

Soybeans: \$1.84 per bushel for No. 2 or better, green and yellow. Premium for low moisture; discounts for grade and quality factors below No. 2 through No. 4. Soybeans containing more than 14 percent moisture ineligible.

Wheat: \$1.90 per bushel for No. 1. Premiums for higher quality; discounts for lower grades down to No. 4, 5, or "Sample" but having a test weight of not less than 40 pounds per bushel. Wheat must not be musty, sour, heating or hot. Discount of 20 cents per bushel for specified undesirable varieties.

## Release Of 1960 Cotton Acreage Allotment

S. E. Holly, Office Manager of Fulton ASC County Committee, stated today that regulations in 1960 again permit farmers to release their cotton acreage allotment, provided they do not plan to plant any cotton in 1960. The county committee then can re-allocate this cotton acreage to other farms, upon proper application, and the farm releasing the cotton will receive the credit for planting. Under a new procedure, effective in 1960, cotton farms having an allotment which will not be planted or released will not receive any credit for 1960 in establishing future allotments for the farm.

Deadline date for release of cotton acreage allotment is May 13, 1960. For further information see your county ASC Office.

## Woman Teller Held In Dresden Bank Shortage

A Dresden bank teller and mother of three was arrested at Dresden last Wednesday by FBI agents and charged with misappropriating \$7,192 in bank funds. Frank Holloman, Memphis special agent in charge, said Wednesday night.

The Federal Bureau of Investigation identified the woman as Mrs. Mary Katherine Pritchett, 38, of Dresden. She was employed at the Peoples Bank of Dresden, a branch of Tipton County Farmers Union Bank of Covington.

Mr. Holloman said Mrs. Pritchett worked at the bank from May 1957 until Dec. 31, 1959. During this time, he said she maneuvered bank funds into her own checking account.

The scheme came to light when a customer questioned his bank balance. A check of deposit sheets revealed the shortage.

Mrs. Pritchett waived preliminary hearing before United States Commissioner James H. Boswell at Jackson, Tenn., Wednesday and was bound over to the Federal Grand Jury. She was released after posting \$2,500 bond.

# Diary of Doin's

(Items gathered along Fulton's merryway for your pleasure and your scrapbook)

Special news comes our way this week from former Fultonians who now live in Macon, Georgia, the Wade Joyner . . . and the news concerns the Joyner's son, Gerry. To turn the pages back a few years . . . we find it hard to believe that Wade and Wilma's son could have received his college degree as well as furthered his education by completing the Artillery and Missile Officer Candidate Course at Fort Sill, Oklahoma. Gerry was appointed a Second Lieutenant in the Army of the United States in December.

Our congratulations go to Lieutenant Joyner, and may we add that we are indebted to his grandmother, Mrs. Walter Joyner of Fulton for giving us this news. We are justly proud of Jerry's accomplishments because we know the course he has just completed was a difficult one and required the utmost from him for successful completion. Mrs. J. J. House of Fulton is also Jerry's grandmother.

The regular weekly Ladies Day was held Tuesday at the Fulton Country Club. A pot-luck luncheon was served at noon, with games of bridge and yolk in the afternoon.

W. L. Holland, superintendent of the Fulton City schools, was the Lions Club speaker at the luncheon meeting Friday at the Park Terrace. Win Whitnel was the program chairman.

Supt. Holland spoke on the additional revenue needed in the Fulton City Independent School District for present and future needs. He listed many things that are needed in the local system, several of which are compulsory in order to meet the state regulations.

The Garden Department of the Woman's Club was privileged Friday to hear Mrs. A. L. Lindsey and Mrs. Estelle Morehead of Mayfield speak on the culture of azaleas, camellias, rhododendrons and boxwoods.

Colored slides of many of the plants in their gardens, and in the Williamsburg and Bellingsburg

Gardens were shown.

The Dr. Adrian D. Blankenship chapter of the Royal Ambassadors at the Crutchfield Baptist Church was called to order on Jan. 7.

As there were only a few members present and as a basketball game was being played that night the meeting was canceled.

One counselor remained to hear two of the boys present complete the rank of Page. They were Royce Holly and David Byrd.

Warren and Ray Graham, Nathan Wade and Frank Beadles attended furniture market in Chicago last week.

Mrs. E. H. Knighton is visiting in Oklahoma City with her daughter, Ruth, and family.

Miss Brenda Brown and a girl friend from Murray State College spent the weekend in Fulton visiting her parents and sister, Katie.

Mr. and Mrs. Billy Carver of Memphis spent the weekend in Fulton visiting relatives.

Mrs. Buddy Carver has as her guest, her mother from Tampa, Florida.

Mrs. Leland Jewell was hostess at a meeting and pot-luck dinner of the Annie Armstrong Circle of the First Baptist Church. The dinner was held at 6:30 at the Jewell home at 315 Carr Street.

There were two visitors, Mrs. Annabelle Edwards and Miss Ouida Jewell.

Members attending were Mrs. Mildred Freeman, Mrs. J. H. Har-

**BRIDE AND GROOM** — Shown above are Mr. and Mrs. Hugh Franklin Miller, Jr. shortly after their wedding on Dec. 31 at 4 p. m. at the First Baptist Church in Fulton. The Rev. Hankins Parker of Paducah officiated. The impressive double-ring ceremony was witnessed by members of the families and close friends.

Mrs. Miller was before her marriage, Miss Rebecca Edwards, daughter of Mrs. Everett Lee Bradley and C. D. Edwards, both of Fulton. Mr. Miller is the son of Mr. and Mrs. Hugh Franklin Miller of Paducah.

Mr. and Mrs. Mozelle Green, Mrs. Edna Abel, Mrs. Annie Maude Jamison, Mrs. Jewell Adams, Mrs. Frances Jones, Mrs. Gladys Simpson, and Mrs. Jewell, the hostess.

Mrs. Abel led in prayer before the meal.

The business meeting was opened with prayer and the watchword and presided over by the chairman, Mrs. Jewell Adams.

There were reports from the chairmen and Mrs. Mozelle Green presented the program, "Render Unto Caesar." The meeting was closed with prayer.

The next meeting will be held at the home of Mrs. J. H. Harrison.

Lt. Commander Danny M. Baird, U. S. Naval Dental Corps, left Norfolk, Va., Friday morning for the U. S. Naval Base at Pensacola, Fla., where he will have duty for the next two years. Lt. Baird will be the senior Dental Officer aboard the USS Aircraft Carrier, Antietam. He will leave Pensacola next week for a cruise aboard the carrier.

Mrs. Baird and the children, Steve and Mac, will remain in Norfolk until April when they will join Lt. Baird in Pensacola.

The Girl Scouts Leaders Club met Friday, January 8, at 9:30 a. m. in the Methodist Church. Plans were made for Girl Scout Week and the annual Girl Scout Cookie Sale. Other activities planned for the following months include a Song and - Game Workshop, a Neighborhood Party, Thinking Day, a Church Program, a Girl Scout Glee Club and Scoutorama.

The Girl Scout Leaders were assisted by Mrs. Audrey Muir from Paducah, Mrs. Rachel Williams, District Chairman, Mrs. Harritt Jones, Neighborhood Consultant, and Mrs. Viola Strong, Girl Scout Glee Club Director.

Michael Wayne Byassee was the guest of honor at a party Saturday on his seventh birthday. Hostess for the party was Mike's mother, Mrs. Pat Byassee.

Miss LaDonna Carol Lawson celebrated her fifth birthday with a doll party at the home of her parents, Mr. and Mrs. James Lawson in Highlands on Thursday, Jan. 7. Each little guest brought her doll and diaper bag.

The little table was centered with a miniature birthday cake, holding five lighted candles. The little girls sang "Happy Birthday" to LaDonna Carol, then were served a party plate of cup cakes, ice cream and Pepsi-Colas, along with a party favor doll on each plate, carrying out the theme of the party.

Other favors were balloons and gifts from a grabbag.

Those attending were Debbie Brown, Debbie Morrow, Connie Melton, Sharon and Gay Upton, Donna, Teresa and Timmy Perry, Jimmy Lawson, Stevie Waldrop, Mrs. Mable Lawson, Mrs. Robert Glenn Perry, Mrs. Guy Upton, Mrs. Tommie Brown, Mrs. Frank Allen, Mrs. H. E. Morrow and the honoree, LaDonna Carol.

Those sending gifts were Mr. and Mrs. Tommy Lawson, Mrs. Cecil Burnette and Catherine Stroud.

Mr. and Mrs. Thomas Carroll Edwards of 948 Chatwood Street, Memphis, and formerly of Fulton, announce the engagement of their daughter, Miss Alice Virginia Edwards, to John Leonard Harrington, son of Mr. and Mrs. Roy Owen Harrington of 4207 Chelsea, Memphis.

The couple will be married January 23 at St. Stephens Methodist Church in Memphis.

Miss Edwards is the granddaughter of Mr. Charles Sullivan and the late Mrs. Sullivan of Paducah and Mrs. S. H. Edwards and the late Mr. Edwards of Fulton. She was a member of the first graduating class of Kingsbury High School. There she was editor of the school paper for three years and edited the school's first annual, Miss Edwards was elected to the school's Who's Who and attended Memphis State. She has held many offices in the Order of Rainbow Girls.

Mr. Harrington's grandparents were the late Mr. and Mrs. S. F. Liversedge of Memphis and Mr. and Mrs. John Harrington of Cairo, Georgia. The prospective bride-groom was also graduated from Kingsbury. He is associated with his father in Chelsea Greenhouses of Memphis.

## Fulton High School News

By Janice Davis

Exams, exams, exams. Finally, the last of them were taken today. The past two-and-one-half days have been reasonable facimiles of college. No class after lunch, class at nine, class at one, none in the afternoon, etc. One small incident concerning our tests that really seems underhanded is the fact that we have to pay a nickel for every standardized test that we have to take! A standardized test is one that is usually made up by the company or person who writes the book. This exam is given to many students all over the U. S.

With the end of this week's drudgery comes the end of the semester. For many this means a slight change in their schedule. For the seniors, this means that they have only one semester of high school left, bringing to a close a complete and distinct chapter of their life.

A bit of good news has been passed on by Mrs. Herring. Unless something occurs between now and Monday, Martha Herring will resume school then. She has been out since a short time before Christmas vacation because of an automobile accident. Teachers and students alike will be happy to see Martha back in school.

If it weren't that she were a senior, we might be losing a student. Miss Patsy Stallins has revealed her marriage to Bobby Lee Irvan on November 29, 1959.

Two brides-to-be that have been wearing a few ounces of extra weight on their left hands are

Patsy Brown and Kay French. Patsy has had her ring for some time, but Kay received hers for Christmas. Both girls are seniors and plan to graduate before they marry.

Tomorrow night the Fulton Bulldogs travel to Hickman County to face a very tough opposition. Then Tuesday we remain home to fight our nearby rivals, Murray High School. Our "men" haven't been on the very top, but they have lot of spirit so both of these games should be worth while to see.

The annual staff is visibly busy again. Beginning Monday orders will be taken. A deposit of two dollars will be required when ordered, and the remaining dollar and a half must be paid before May 2. The GROWL-L-L will be distributed about a month after school is out. (sniff, sniff.)

Students from whom the annuals may be purchased are: Ann Bowers, Stanley Jeffress, Kay Morris, David Cunningham, Mike Walker, Lynn Bushart, Suzanne Johnson, and James Reed.

Pictures, always pictures. The Junior high basketball team and cheerleaders will be snapped Tuesday for the yearbook. (Just another small item that makes the annual interesting and sometimes useful to have.)

In looking through a book in the school library containing quips and jokes for speeches, etc., one that caught my eye pertaining to school life was this:

Almost anyone: I've a friend I'd like you girls to meet.  
Athletic girl: What can he do?  
Chorus girl: How much has he?  
Literary girl: What does he read?  
Society girl: Who are his family?  
Religious girl: What church does he belong to?  
School Girl: Where is he?

### CHESTNUT GLADE Mrs. Harvey Vaughan

Friends and relatives were shocked and grieved at the news of the death of Taylor Brown last Thursday as he was being carried to the hospital in Memphis. He became very sick on Wednesday and entered the Jones Hospital where he did not improve and was advised to go to Memphis. Funeral service was Saturday at the New Hope Church. Sympathy is extended to his devoted wife and other relatives.

Sympathy is extended to the family of Mr. King Webb of Dresden, who passed away last week after a long illness. Mr. Webb had many friends and relatives in this community.

Mrs. Edna Grugett and two daughters from Dallas, Texas, were here for the funeral of Taylor Brown.

Mr. and Mrs. Bill Harrison from Dawson Springs, Ky., spent the weekend with home folks after being called home due to the death of Taylor Brown.

Mr. and Mrs. Johnnie Harris have returned to their home in Columbus, Miss., after being here for the funeral of Taylor Brown.

Bro. Rose from near Mayfield was elected to be the pastor at Ruthville last Sunday.

Mrs. Elnora Vaughan has spent a few days visiting the Simmons family near Dresden.

Brother Neal Pryor, Mr. and Mrs. Adair Cannon and Miss Treva Terrell were dinner guests of the Harvey Vaughans last Sunday. Brother Pryor is showing a film at the Wednesday night service at the Oak Grove Church which is very interesting. Everyone is invited to attend these services in

addition to the regular service each Sunday morning and Sunday evening.

The Chestnut Glade Home Demonstration Club will meet in the home of Mrs. Harvey Vaughan January 21 at 10 o'clock for the first meeting of the year. The new agent, Mrs. Larson is expected at this meeting. All interested Home-

makers are cordially invited to this meeting.

Congratulations to Mr. and Mrs. Calvin Morris on the arrival of a son on January 1.

Mr. and Mrs. Ches Morrison visited Mr. and Mrs. Carl Kindred and Mr. and Mrs. Jim Etheridge in Fulton Sunday afternoon. Mr. and Mrs. Cascoe Simpson

and Mrs. Edna Strong visited Mr. and Mrs. Charles Ray and daughter and Mr. and Mrs. Carl Kindred Sunday.

Mr. and Mrs. Orvin Morrison, Mr. and Mrs. E. M. Coffman, Bro. and Mrs. McCutchen, Mr. and

Mrs. Oliver Cash, Mrs. Nettie Barber, were dinner guest of Mr. and Mrs. Bob Williams after attending the service at Sandy Branch last Sunday. Mr. and Mrs. Joe Terrell spent the afternoon with them.

## Miss Vida Guill And Phillip McClure Exchange Vows At Jackson Chapel

Jackson Chapel Methodist Church of near Fulham was the setting for a beautiful candlelight wedding, Sunday afternoon, December twenty-seventh, nineteen hundred and fifty-nine when Vida Marie Guill, daughter of Mrs. Nell Guill of Fulton and the late Reverend B. L. Guill became the bride of Phillip Wray McClure, son of Mr. and Mrs. B. C. McClure of the Fulham community. The impressive double ring ceremony was solemnized by the Reverend John Weir, Jr., pastor of the church.

Proceeding the ceremony a program of nuptial music was presented by Mrs. Cletus Murphy, pianist and Mr. Gary Harper, soloist.

The candles were lit by the ushers, Jimmie McClure, brother of the groom and Jerry Speight of Fulton.

Mr. Johnny Neely, step-father of the bride escorted her to the altar where they joined her mother who gave the bride away. She wore a beautiful gown of white Chantilly lace over taffeta. The gown was fashioned with a scooped scalloped neckline. The gathered ballerina skirt which came to a point at the waist, featured a four tiered skirt down the back. She wore white lace mitts which came to a point over her hand. Her shoulder length illusion veil fell from a feather clip hat. She wore a single strand of pearls and tiny pearl earrings. Her

bridal bouquet was of white gardenias showered with white satin ribbons placed on a white Bible.

Little Carol Ann Poyner, niece of the bride, was an adorable ring bearer.

Following the ceremony Mrs. Guill entertained with a small reception at her home on Smith Street for relatives and close friends of the couple. The bridal table was covered with a green linen table cloth and was centered with a crystal punch set. The tiered wedding cake held a tiny bride and groom under a wedding bell. Assisting at the reception were Miss Judy Ann Ferguson, Miss Jo Anne Clark, and Mrs. Joan Kimbell.

Late in the afternoon Mr. and Mrs. McClure left for their wedding trip after which Mr. McClure will return to Lambuth College where he is studying for the ministry and Mrs. McClure will remain in Fulton until she joins her husband at the end of the term. For traveling Mrs. McClure chose a royal blue wool jersey dress. Her small hat was a blue feather clip. Her other accessories were black and gold and she wore the corsage from her bridal bouquet.

Out of town guests included: Mr. and Mrs. James C. Poyner, Carol Ann and Eddie of Melrose Park Ill., Mr. and Mrs. George Wade of St. Louis, Mo., Mr. and Mrs. Robert McClure, Marshal and Donald of Linton, Ind., Mr. and Mrs. Guy McClure of Paducah, Ky., Mr. and Mrs. Ray Elliott and Evelyn of Kevil, Ky., Rev. Harold McSwain of Jackson, Tenn., and Mr. L. C. McSwain of Tiptonville, Ky.

## Telephone Talk

by H. D. HAYES  
Your Telephone Manager

WITH THE OLD YEAR behind us, it's a good time to take a look ahead. To me one of the most interesting and timely telephone projects is a terminal to outer space. This is an experimental ground station for sending and receiving telephone messages by way of man-made satellites. The station, under construction by Bell Telephone Laboratories on a hilltop in New Jersey, could point the way to a network of terminals for sending phone calls and live television to distant parts of the world. I'm glad telephone scientists are continuously active in the field of experimental communications, and who knows but what we'll hear our youngsters saying someday...

HELLO, OPERATOR, GIVE ME THE MOON. Already transistors invented by telephone scientists beep vital information from satellites orbiting in space. And today, right here on earth, folks in many sections of our country enjoy the convenience of dialing their own long distance calls, phones that answer and record while they're out, and other telephone conveniences once undreamed of. Tomorrow the moon? Well, we can dream. Research sees even greater telephone wonders ahead.

DREAMING IS NICE but the practicalities of life are always with us. That's why it's especially handy in bad January weather to find outdoor telephone booths conveniently located. Don't you agree?

## Fulton Wins Over Cuba Friday Night

The Fulton City Bulldogs grabbed an early lead and never were threatened in downing the Cuba Cubs 74-58 at Murray Friday night.

The Bulldogs held a 20-9 first quarter lead and commanded a 36-17 margin at the intermission. Fulton led by 24 points, 56-32 at the close of the third quarter.

The winners posted a balanced scoring attack led by Roy Morrow with 18 points. Herbert Patton and Jimmy Laceywell added 18 and 15 markers respectively.

Larry Seay led all scorers pouring in 30 markers in a losing cause for the Cubs.

## Cake For Dr. Glynn Bushart Brings \$121 At Auction

A beautifully decorated white cake, baked by Mrs. Elizabeth Shankle, and presented to Dr. Glynn Bushart, local physician, who has been ill for several months, brought a total of \$121.00 in the Saturday polio auction. Friends of the local doctor called in bids of one dollar each.

The big white cake was attractively decorated with a white basket filled with pink roses and green leaves.

## Red Devils Fall 56-47 At Martin

South Fulton's Red Devils dropped their third decision of the season to the Martin Panthers by a 56-47 margin Friday night after having previously won from the Martin team here. It was Martin's 11th win against two losses. South Fulton has lost to Paris and Union City.

Sam Miller led the field in scoring with 20 points and Aaron Hawks had 11.

In the girls game, the Devilettes came out on the short end of a 35-31 score to the Martin girls. Jane Peoples was high scorer for the night with 11 points and Carol Fields hit for 16 to lead the Martin girls.

## Leap Year Is Here Again

It's Leap Year again — and you can blame the Scots for declaring it open season on bachelors.

They probably saw the custom of letting a woman pop the question as a way to put money in the treasury and take spinsters off the welfare rolls.

According to the research of World Book Encyclopedia, Scotland is said to have decreed in 1288 that ladies "of bothe high and lowe estate" shall have the privilege of proposing during leap years.

If a man refused the offer, he was fined as much as one pound — unless he could show that another woman had a prior claim on his affections.

The ladies, however, had to give fair warning that they were out to catch a man. If the edge of a scarlet flannel petticoat wasn't clearly visible, a man was absolved from paying the forfeit.

France reportedly passed a similar law, and the ladies of Florence and Genoa are said to have been given the privilege before Columbus sailed to America.

The gallant English supposedly didn't need a law to make them give the fair but single sex a break. But they backed up the custom by depriving a man of benefit of clergy if he scoffed at a leap year proposal.

**Farm Electricity Important**

In this atomic age in which we are now living farming has become somewhat dependent upon electric power for many farm jobs. We are still, however, not taking advantage of our electric servant with some improved practices. For many years, the heat lamp has been in use for baby chicks and many years ago stoves were used to give added heat to the young birds in cold weather. Now let's think a little and see just where farm income can be increased in 1960 with an expanded program electrically.

One of our most important enterprises to this area for the coming year is dairying. We use electricity to light the barn, milk the cows, cool the milk and in some cases wash the milkers; how else could we use power for profit on the dairy farm. You know, there is a direct correlation between the amount of milk a cow will give and the amount of water she will drink during a 24 hour period. In order to qualify this a little farther, milk with a 4 percent fat test is 87 percent water, therefore, a cow giving 5 gallons of milk daily will have to drink enough water to maintain her body and produce this amount of milk. Selfish as ole bossa may be, she will take care of her requirement first leaving the dairyman with an empty milk bucket. In cold weather water temperature is a most important factor when the herd steps up to drink. If you want a cow to fail in milk just let the pond freeze and do not cut the ice or supplement her water, for a cow will only drink enough cold water to satisfy her thirst and will not drink her fill. It also takes a lot of energy to warm the water the cow drinks and it takes feed to make energy. I think it would be much cheaper to warm the water with electricity than with high priced feed, let the feed make milk and more profit.

For the sheep producer, about 75 to 80 percent of the lamb crop comes in cold weather and by using electric brooding, early losses can be cut. This life-saving warmth not only speeds growth, but cuts feed costs, thus making a more profitable lamb.

Your electric farm practice will cost but little when the situation is fully analyzed. The water warmer for a 150 gallon tank cost approximately \$35.00 and will keep the water temperature at 40 to 48 degrees in the coldest weather. It should be well insulated.

**PEARL HARBOR, Hawaii (FH-TNC)** — William R. Curtsinger, boilerman third class, USN, grandson of Mr. and Mrs. Virgil McClanahan of Route 4, Fulton, Ky., returned to Pearl Harbor, Hawaii, Dec. 21 aboard the escort destroyer USS Radford after a six-month tour of duty with the U. S. Seventh Fleet in the Far East.

The Radford, a unit of Destroyer Squadron 25, took part in all phases of anti-submarine warfare in an effort to familiarize her highly trained crew with all of the difficulties involved in locating and tracking an enemy submarine.

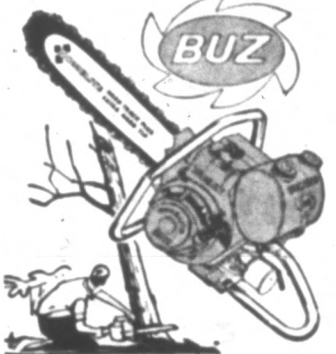

While with the Fleet the Radford visited Japan, Formosa, Mindanao and the Philippines.

## Obion Pastors Invited To Join In Chapel Work

The Union City Ministerial Association Friday announced plans to invite ministers of Obion County to become members of the local association and to work toward the equipping of a chapel in Obion County General Hospital.

The Rev. J. R. Covington, pastor of the First Baptist Church and new president of the association, announced both decisions after the organization's first meeting of the new year.

The Rev. Mr. Covington said all ministers of Obion County will be invited to attend the next meeting of the association, scheduled Feb. 3 in Union City.

The organization leader said local ministers have accepted a project aimed at equipping a chapel at the local hospital. They will work with the hospital auxiliary and other interested groups in the project.

## '60 CHEVY! ONLY WAY YOU CAN BUY A CAR FOR LESS IS TO BUY A LOT LESS CAR!

**THRIFTIEST 6 IN ANY FULL-SIZE CAR**—Chevy's Hi-Thrift 6 is the '60 version of the engine that got 22.38 miles per gallon in the latest Mobilgas Economy Run—more than any other full-size car.

**NEW ECONOMY TURBO-FIRE V8**—Here's a V8 with the "git" Chevy's famous for—plus a new economy-contoured camshaft and other refinements that get up to 10% more miles on a gallon of regular.

**EASIER-TO-LOAD LUGGAGE COMPARTMENT**—The trunk sill is lower and the lid opening is more than a foot and a half wider than Chevy's nearest competitor's. There's over 20% more usable space! \*Based on official data reported to the Automobile Manufacturers Association.

**MORE ROOM WHERE YOU WANT MORE ROOM**—Chevy's trimmed down transmission tunnel (25% smaller) gives you more foot room. You also get more head and hip room than in any other 2- or 4-door sedans in the field.

**WIDEST CHOICE OF POWER TEAMS**—A choice of 24 engine-transmission teams in all—to satisfy the most finicky driving foot. There are seven engines with output all the way up to 335 h.p. and five silk-smooth transmissions.

**EXTRA CONVENIENCES OF BODY BY FISHER**—No other car in Chevy's field gives you crank-operated ventipanes, Safety Plate Glass all around and dozens of other Fisher Body refinements.

**CHEVY SETS THE PACE WITH LOWER PRICES**—All Bel Air and Impala V8's are lower priced, as are many options. Example: a Bel Air V8 sedan with Turboglide, de luxe heater and push-button radio lists at \$65.30 less for '60.

**QUICKER STOPPING BRAKES**—Long-lived bonded-lining brakes with larger front-wheel cylinders for '60 give you quicker, surer stops with less pedal pressure.

**SOFTER, MORE SILENT RIDE**—Chevy's the only leading low-priced car that girdles the bumps with coil springs at all four wheels. Noise and vibration are filtered to the vanishing point by new body mounts.

**NOT CHANGE FOR CHANGE'S SAKE, BUT FOR YOURS**—There's only one person we consider when we make a change—and that's you. That's why we don't think you'll find anything more to your liking at anything like the price.

The more you look around the more you'll find to convince you that no other low-priced car has so much to show for your money as this new Chevrolet. Here's the kind of styling sophistication and subtle detail that only Fisher Body craftsmanship can create. Here's the kind of Full Coil comfort that neither of the other two leading low-priced cars—and only some of the smoothest riding higher priced ones—build into their suspension systems. Here's more room inside (where you want it) without an inch more outside (where you don't want it). And with all these advances Chevy has managed to hold the price line! Your dealer will be delighted to fill you in on all the facts.

Now—fast delivery, favorable deals! See your local authorized Chevrolet dealer.

a 39 percent increase in revenue, and for the same period, 1959 over 1958, showed a 51 percent increase in the number of trailers handled.

During 1958, 4,043 trailers were handled, while in 1959, 6,118 trailers were handled in the new operation by the I. C.

The Illinois Central Railroad has also started to handle trailers owned by the trucklines, which are shipping their loaded trucks by train, instead of having them driven over the highways.

"We expect this to grow, too," Mr. Partelow said.

The I. C. R. R. is now a member, along with several other railroads, of the Trailer Trade, a company which furnishes flat cars for this type of business.

The I. C. will soon receive several flat cars, 85 feet long, which will permit them to haul two 35- or 40-foot trailers on one flat car, instead of one as at the present time.

The presentation was made Tuesday at St. Edward's School.

Joy's parents, Carol's parents and her sister Mary Helen and brother David witnessed the ceremony. Carol, in her inimitable manner—accepted the commission with gratitude and was thanked sincerely by Joy and Joy's parents.

So, if you see a lovely little lady with a Kentucky Colonel's tie

on these days, remember the title is Colonel Dunn and it couldn't happen to a nicer, braver young lady.

### NOTEBOOK—

(Continued from Page 1)

The next afternoon the family again went out to the little, country cemetery on a quiet little road and you can easily imagine, the grief, shock and horror they all witnessed to find that the grave had been stripped of its lovely flowers. The flowers from the wreaths and the stands had been mutilated and the metal stands stolen. Even the styrofoam bases had been taken and of course there was not a ribbon on the grave. It looked as though vandals had deliberately mutilated the grave. But it was more than that!

Actually the grave-stripping was the work of persons who long have engaged in the inhuman practice of taking material from the flower arrangements for use for other funerals. How indecent can humans become!

The lady said that the sight of her father's grave was more of a shock than her father's passing and we can understand that. She wondered if a law could be passed to make such a practice illegal. There is no law to legislate the conscious of a criminal, and that's exactly what these persons could be termed who do such things as mentioned above.

What can we do about it? I cannot say, except for all of us to be aware of such a practice and then - - Well, we'll see.
