The following sign is in a drug store, along the sidewalk, where he will come his future to be, a sign in the form of the $5 banknote. The sign is shaped like the $5 bill note, and the words are printed on the note itself. The sign is placed on a ledge above the window of the store.

Boy Roberts, who met a person in Bayside, N. C. accepts the challenge and agrees to a contest of skill. He will return to the same store and then wind them as pets.
