Sixty Thousand Dollars in Cash

Many deposits were made happy this week in Fulton when they received their checks from the office of the First National Bank. Each depositor was paid on a per cent dividend of all claims that were paid and allowed. One Boldwood depositor was delighted on receiving his cash. He had been looking forward to this day ever since the day of his father's death. He spent last week with his parents in Water Valley. R. J. CHILDERS (Continued)

Guiding Your Children

Bad habits lead children astray. Good habits guide them solely into the paths of character, uprightness and independence.

You can start them right by teaching them to save money. Set them an example by saving yourself. Make them admire thrift.

Once started, the saving habit helps to form other good habits. It provides experience for them in handling their own funds.

This starts in the right direction is but a simple step. Bring children to the bank when you start them to school.
