The Listening Post

If the famous and colorful Walter Winchell and his "Almanac of American Life" have demonstrated the essence of democracy in action, we need not look any further for proof. "The essence of democracy," he said, "is this: that any man, no matter who he is, can have any effect on her marks the vast difference between rushing airports to completion and arrived in the Mediterranean, and educational.

American Legion

TO MEET MONDAY NIGHT

The American Legion will meet Monday night at 7:30 at the Masonic Temple, with Maj. Gen. Jacob L. Devers, of the "Fellows' Field," and Maj. Gen. Jacob L. Devers, of the "Fellows' Field," as guest speakers.

The meeting will open with a program of music and recitations, followed by a brief address by the master of ceremonies.

The guest speakers will discuss the importance of keeping American Legion posts strong and active.

After the address, there will be a brief discussion period, during which members may ask questions or express their opinions on various topics.

Following the discussion, the meeting will conclude with a roll call of post members and a review of the post's activities.

The meeting is open to the public, and all interested members are encouraged to attend.

Axis Drive Through Turkey Is Forecast By Reports In London

By T. W. SARGENT

The President of the British-American Committee for the Advance of Science and Technology, Dr. T. W. Sargent, has issued a statement forecasting that the Axis powers will attempt to invade the United States through the Mediterranean.

Dr. Sargent said: "The Axis powers are determined to use all means at their disposal to destroy the United States. They will attempt to invade us through the Mediterranean, and the British-American Committee for the Advance of Science and Technology is prepared to meet this threat with all the resources at its disposal."

The statement was issued after an emergency meeting of the committee, which was convened to discuss the current situation.

Local Moving Picture To Be Made

The local Moving Picture To Be Made in Fulton will be the subject of a meeting to be held Monday night at 8:00 at the Fulton Theatre. The meeting will be attended by local filmmakers and members of the community who are interested in the arts.

The meeting will feature a discussion of the local film industry, including the history of film in the area, current trends, and future prospects. The meeting will also include a screening of local films, with an opportunity for audience participation and discussion.

The event is open to the public, and all interested members are encouraged to attend.

House Gives Approval To TVA Measure By Heavy Vote Of 85 Without Any Amendments

The House of Representatives has given its approval to the TVA measure by a heavy vote of 85 without any amendments. The vote was 277-76, with 12 members absent.

The TVA measure, which was introduced by Representative John J. McAdoo, of New York, is designed to establish a federal agency to regulate the use of waterpower resources.

The measure was passed with the support of both Republicans and Democrats, and is expected to become law soon.

Enemy Alien Vanguard Is Taken From Many Points In California

At least 10 enemy aliens have been arrested in California in recent days, according to reports from the Department of Justice.

The individuals were arrested at various points in the state, including Los Angeles, San Francisco, and Los Angeles. They were accused of various violations of the Alien Registration Act, including failing to register and assisting in the registration of other aliens.

The arrests were made in conjunction with an ongoing campaign to enforce the Alien Registration Act, which requires all aliens to register with the government.

Not Possible To Get Bombers To General MacArthur

General MacArthur has stated that it is not possible to get the bombers needed to support his forces in the Philippines. He said that the current bomber fleet is not sufficient to carry out the necessary air raids.

General MacArthur's statement comes as the Philippines continue to come under attack from Japanese forces.

---

Japanese Step Up Heavy Attack

The Japanese have stepped up their heavy attacks on the Philippines, according to reports from the Department of Defense.

The attacks have been focused on the islands of Mindanao and Leyte, where Japanese forces have been massing to launch a major offensive.

The Department of Defense has issued a warning to the public, urging them to remain alert and take precautions to protect themselves.

Physical Standards Are Reduced

In Order To Draw More Men

The Department of Defense has announced that physical standards for military service will be reduced in order to draw more men into the armed forces.

The new standards will allow for a wider range of recruits, including those who may not meet the previous standards.

The decision was made in response to the growing demand for personnel in the military, as the country continues to increase its military efforts.

A new ruling applies to all persons, regardless of income level, who are eligible for automobiles.

In January the amount of counterfeit money used in the United States was less than 500,000. This is a reduction from the amount used in December, when it was reported to be more than 1,000,000.

The new ruling extends to cars on February 2, and can not be transferred to dealers, distributors and manufacturers. The new ruling was made by the local rationing boards as a result of their inspection of the United States government.
