Calvert City Council Pushes Street Work

At the regular session of the Calvert City Council held on Feb. 12, Mayor William J. Colburn reported that work will be continued on paving of streets covered by Street Paving Project No. 3 as soon as it is feasible this spring. It was also reported that

Middle West Roads Co., the contractor for this project, has graded and repaired these streets.

Street Commissioner Jesse Doyle reported that the new pick-up truck for use by the Calvert City Street Department has been received. The ordinance accepting the bid of Lumpkin Buick Co. was unanimously approved by the council.

City Clerk Gene Ray reported that penalties on city stickers, taxes and street paving assessments will go on after March 1, and urged that these be paid as early as possible to avoid penalties.

Funeral Today For Schoolgirl Cancer Victim

Funeral services for Miss Sandra Fay Bearden, 16, who died at Baptist Hospital in Paducah Monday night, will be held today (Thursday) at the Filbeck-Cann Funeral Home, Rev. J. Frank Young will officiate.

Members of the Benton basketball team will be active pallbearers, and the team's cheerleaders will be honorary pallbearers. Burial will be in Benton Cemetery.

Miss Bearden, a cheerleader and student at Benton High School, was a member of the First Missionary Baptist Church. She was stricken with cancer last year and had been in and out of the hospital for several months.

She is survived by her parents, Mr. and Mrs. Burrett Bearden of Benton, Ky.; a sister, Mrs. Ronnie Kinsey, of Benton; and a brother, Donnie Keith Bearden, of the U. S. Navy.

Surviving grandparents are O. D. Lovett, of Rt. 4, and John Bearden, of Paducah.

CROUCH OBSERVES 30th ANNIVERSARY AS BARBER

Lloyd Crouch this week observed his 30th anniversary as a barber in Benton. He came to Benton Feb. 15, 1932, and opened a barber shop.

In those depression days, Mr. Crouch recalls, haircuts cost 25 cents and shaves cost 15 cents. In order to get a start, Mr. Crouch cut hair for only 20 cents.

Mr. Crouch's shop is located in the basement of the National Store building.

CORRECTION

In the Notice of Sale of Franchise published Feb. 8 and Feb. 15 in The Marshall Courier, the date of the franchise sale should have read March 6, 1962, instead of Feb. 27. A correction has been made and the date will be corrected in the Notice is printed again on Feb. 22. The official date, therefore, for the franchise sale will be March 6, 1962, at the City Hall, Gilbertsville, Ky.

Hospital Drive Off to Big Start

A campaign to raise \$45,000 to help build a hospital in Benton got off to a flying start Monday morning at an enthusiastic meeting of 36 leaders at the Chevrolet Cafe.

The meeting was under the direction of Curt Phillips, leader of the drive in Benton.

The county campaign gets underway tonight (Thursday) at the courthouse under the joint leadership of John Rayburn and Todd Brien.

A total of \$6,000 had been contributed before the first day of the drive was an hour old. Of this sum, \$5,000 was donated by Benton residents and \$1,000 donated by county residents.

On Wednesday, it was reported that approximately \$10,000 had been raised in the campaign. The grand total is expected to grow as the countywide drive gets underway after tonight's meeting of county leaders.

Church Survey Starts At 1:45 Next Sunday

Friendly workers from five churches of Benton will be out next Sunday afternoon to make a friendly community study of the religious affiliation of the people of Benton.

Cooperating churches are First Missionary Baptist, First Christian, First Methodist, Church Grove Methodist, and First Baptist. The group of workers will assemble at the First Missionary Baptist Church, Main at 13th St., at 1:45 p.m. The workers will be paired into teams, and will be given a small section of the city, where they will call upon the homes of that section to seek the desired information.

All residents of Benton are urged to remain at home as long as possible after lunch next Sunday, and are respectfully requested to give gladly the information which the survey workers request.

Only one card will be made for each family. All families attending either of the operating churches next Sunday are asked to take one of the survey cards home and prepare it, filling in answers to all questions, and placing the card just outside the door so that it may be picked up by the workers when they call.

This survey is intended to help each operating church know the persons for whom it is responsible. Hence, the full cooperation of all residents will be greatly appreciated.

**Kiwanians Hear

County Is Getting Out of the 'Rest Home Business'

Marshall County is getting out of the "rest home business," according to the decision of the Fiscal Court when it met Tuesday night in regular monthly session at the courthouse here.

The county has been leasing a frame house and 32 acres of land for \$1 per month and the Shell House been taking care of indigent persons placed in care of the county. The county paid \$1 a day to the shells for the care of each such patient.

The county's agreement with the shells will end April 12, 1962, and Fiscal Court voted Tuesday NOT to renew the agreement.

The court decided that if the shells wish to end the agreement in a month's time, they must pay for a month's care of each patient. The county can then decide whether to continue the agreement or not.

The county's decision marked the end of what once was the county's "rest home business." With the various forms of government assistance to destitute and aged persons, there no longer is any demand for a county "rest home" or "rest home" day equivalent. The county has no need of a "rest home" for several months now, and the body is seeking admission.

Fiscal Court also took these actions Tuesday.

It voted to purchase a new road grader.

And it voted to continue to hire various firms to maintain county equipment and not hire a full-time mechanic for this work.

W. W. Gillman, Veteran Bank Official, Dies

Funeral services were held Wednesday afternoon at the Filbeck-Cann Chapel for W. W. Gillman, 73, banker and member of a pioneer Marshall County family.

Revs. L. V. Benson and C. B. Pierce conducted the last rites. Burial was in Providence Cemetery at Briensburg. Pallbearers were John Cox, Morris Cox, James Riley, Sam Young, Reece Metcalf and Elvin Thompson. Honorary bearers were area bankers.

Mr. Gillman, who had been cashier of the Bank of Paducah for 14 years, died unexpectedly Monday while on a business trip to Princeton.

Mr. Gillman began his banking career at an early age at the Bank of Gilbertsville. He was cashier of the Bank of Gilbertsville when that bank was discontinued after Kentucky Lake was formed. He was widely known in Marshall County and made frequent trips here to visit with relatives and friends.

He was a member of the Providence Baptist Church, the Gilbertsville and Grand Rivers Masonic lodges and the Royal Arch Chapter at Paducah, and the various banking associations.

He leaves his wife, Mrs. Lena C. Gillman, three sisters, Mrs. Lena Howard, of Calvert City, Mrs. Ida Hunt, of Paducah, Ky., and Miss Reba Gillman, of Marion, Ky., and two brothers, John and Jim Gillman, both of Calvert City.

Benton P-TA Will Honor Miss Brandon

The Benton P-TA will honor Miss Brandon Thursday, Feb. 22, at 7 p.m. at the school cafeteria. The P-TA will serve a light refreshment. Miss Brandon will receive a certificate of appreciation for her service to the community.

Miss Brandon, who is a member of the Benton P-TA, has been a very active member for several years. She has been instrumental in many of the P-TA's projects, including the recent fund-raising dinner.

The Benton P-TA will also have a meeting on Thursday, Feb. 22, at 7 p.m. at the school cafeteria. The meeting will be held in the room where the fund-raising dinner was held.

Jaycees Plan Charter Night Banquet Feb. 24

The Calvert City Jaycees met Thursday evening, Feb. 8, in the Gypsy Tea Room with Jerry Camps president, conducting the meeting.

It was announced that the Charter Banquet will be held on Saturday, Feb. 24, at 6:30 p.m. at the Ky. Dam Village.

Guest speaker will be Henry Ward of Paducah.

Tickets may be obtained from any Jaycee or for reservations call Jerry Camps at 355-4027. The \$3 price per person will include dinner and dancing. The public is invited to attend.

RED CROSS TO CONDUCT CIVIL DEFENSE CLASS

The Red Cross will conduct a class Feb. 19 through Feb. 23 on how to care for the sick and injured and how to prepare for a civil defense. The class will meet at the Benton Methodist Church.

Morning classes will be held from 9 a.m. to 12 noon, and night classes from 7 to 10 p.m. Instruction will be by Virginia Renfro. The Red Cross urges the general public to take advantage of these classes.

Allen McClain, president, urges all members to attend this important meeting. Visitors are welcome.

FANT FEEDING PROBLEMS
Although most knowledge and abilities are acquired, the ability to swallow is one with which most of us are born. But just as there are exceptions to all rules, there are exceptions here, too. Some recent studies have shown that about 10 percent of the infants born in the United States have a feeding problem. In a report presented at a recent medical meeting which

attended, a term of pediatric radiologists informed the group of their discovery that many infants with feeding problems, at first considered to be physically or mentally defective, simply didn't know how to swallow their food.
The babies, all under seven months of age, developed severe choking or vomiting upon being fed.
X-ray motion picture studies showed that the usual liquid feeding was taking three routes instead of one. Rather than following a direct route down the esophagus to the stomach, the food was traveling up into the trachea, as well as down into the stomach. The trachea caused the natural reactions of choking and vomiting.

Because a thorough examination of the infants disclosed no other physical or mental difficulty, it was finally decided that these infants were merely lacking the ability to swallow correctly.
In order to remedy this condition, they were given a thickened feeding while being held in an upright position. This made it much easier for the food to travel a direct route to the stomach. All responded well to the changed feeding techniques and eventually learned what the rest of us know instinctively—how to eat.

Uncle Ned . . . From Dogtown

DEAR MISTER EDITOR:

Zeke Grubb's preacher come by the country store Saturday night, said he was all wore out from attending the committee meetings all week. He allowed as how the Pulpit Committee meeting Friday night was a humdinger.

First off, he said, Rufe Zinder, bring up the age-old topic of raising the preacher's salary. The good Parson said he made his usual suggestion that they go no further with this topic on account of him having so much trouble trying to collect his present salary. Then Rufe's wife, he said, put the stopper in the salary jug by making her customary remark about the bird in hand being worth two in the bush.

With everybody agreed on the salary item, Katie Hightwerf took advantage of a pause in the conversation to bring up the subject of the New England Translation of the Bible. The Parson reported, Katie claimed she didn't like it on account of it not having two columns like the King James Bible.

Zeke's wife allowed as how the number of columns had nothing to do with it, that her Sunday School class liked it on account of they could understand it better without all them thees and thous and thys. By this time, said the Parson, everybody was getting in the argument so he thought he better say a few words.

He said he told 'em they was many translations of the Bible and the important thing was to live by the Good Book instead of arguing about it. He said he told 'em the story about the preacher that asked the old farmer what church he belonged to.

The farmer told him they was three roads to town, the upper road, the lower road, and the swamp road. "But," said the old farmer, "when I git to town with my wheat the man as the mill don't say, 'Jim, what road did you take, 'specially?' He says, 'Jim, is your wheat good?'"

The Parson said he wasn't too shore everybody got the point to his story. In fact, he said, he's got a member of his congregation here and there that's a little slow in the mental department. He recollected the time he asked the congregation to write down the names of the twelve Apostles and put 'em in the collection

plate. One feller, he said, couldn't name but five and he had Abraham Lincoln included in the list. But the Parson reported the meeting broke up in a good spirit and in fine harmony. He allowed as how harmony was the most important thing a preacher has to work for in the church. And he said he learnt a long time ago that the best thing a preacher can do to keep harmony is to make every sermon have a strong beginning and a strong ending and keep 'em pretty close together. And just to prove he was right, the fellers give him a round of applause at that point.
Yours truly,
Uncle Ned

THE SIX

The new size Dodge Dart has the most powerful standard six engine in the business. It develops 145 horsepower from 225 cubic inches. It takes a V8 in other cars priced near Dart to keep up with it. Even then most of them can't. Dead weight and useless overhang have been all but eliminated in the '62 Dart. What results is an amazing power-to-weight ratio that makes any Dart-6 act like an eight. A very quick eight at that! This same six got better than 23 miles to the gallon in last year's Mobilgas Economy Run.

Frankly, we don't think anybody but a pro can get this kind of mileage. But it does give you an idea of the engine's

Letter to the Editor

The following article was contributed to The Courier in the interest of the current hospital fund drive:

DO YOU REMEMBER

WHEN the old Court House burned down? (If you do, you are a real old timer.) Some of us thought it was foolish to build another one. It would bankrupt the county, some have said.

WHEN the idea of a concrete sidewalk around the store in town was brought up, some folks thought we NEVER set them out for it. It would bankrupt the city. Like to go back?

WHEN the idea of an electric light system was brought up? Again, some of us thought it would actually bankrupt the city. How about it now?

WHEN the Government agencies began trying to get us to use scientific methods in farming for greater efficiency and profit? Some of us thought it wasn't a good idea. It was not good farming. But look at the difference now!

WHEN they brought up the idea of a city water system? It was bad business—we didn't need it. It would bankrupt the town. Like to go back?

WHEN we started trying to put up the Marshall County Community building? Folks said it would be useless—that we'd have to hire a caretaker—it would be a waste of money. As it turned out, what would you think now?

WHEN Kentucky Dam was started? So many of us thought it would bankrupt the county because of the flood of land. Look at it NOW!

WHEN television first came out? Some of us said it would never go. We said nobody would ever sit still and watch the thing. Boy, oh Boy! Was that a goof!

WHEN we started the movement for a new hospital for our own? Some of us said it would never pay. We didn't need it. It wasn't good business.

WHEN we started the movement for a new hospital for our own? Some of us said it would never pay. We didn't need it. It wasn't good business.

people who work together to put over anything. It always pays. They'll make it pay. What people want and need, they'll always get. Time has a way of marching on. It never stands still. It could very well be a thing of vital importance for us to seriously examine our thinking. Why should anyone be against a hospital? When you write in the ledger, what figure would you enter for the money value of the life of one child?

Mr. and Mrs. Errett Starks and Mrs. Earl St. Marie were business visitors in Paducah Monday.

Hail, Jim Johnson and W. R. Drafen was appointed to look into the cost.

A nominating committee was appointed and it will present a slate at the next meeting. Installation will be in May. The committee is composed of Burnis Dowell, Mrs. John Thompson and W. F. Smith.

The room count was won by the two fourth grades of Miss Lavern Howard and Mrs. Earline Gilliam, who presented the program, "History of Founder's Day."

A musical program also was presented under the direction of Mrs. George Hall and Sam Orr, with Rev. Dukes, student, as master of ceremonies.

A silver tea followed the meeting in which honor was given past presidents: Mrs. James Drafen, Mrs. J. M. Solomon, J. P. Matthews, Mrs. Charles Hall, Dr. W. J. O'Brien, Earl Gray, Ed O'Dell, Dwight Robb, Burnis Dowell, Richard Phelps and Wm. F. Smith.

The tea table was centered with a lovely silver centerpiece entwined with flowers and gold candles. From each candle, golden ribbons extended to the corners of the table. A two tiered cake decorated in gold with "Founder's Day" written on top, completed the table decoration. Mrs. W. R. Drafen and Mrs. Lucille Jenkins served the

Telephone Talk

Lee Curry

HOW DO YOU tell a bargain? Seems to me that the way to tell a bargain is to add up the full value you get from the item. And when you consider how many ways and times your telephone serves you daily... its low cost compared with that of other everyday things you use... you'll find that no matter how you measure it, your telephone service is one of the biggest bargains in your budget!

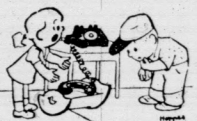

LOOKING FOR SOMETHING? IT'S AT YOUR FINGERTIPS... IN THE YELLOW PAGES!

"LET'S CALL THE FOLKS AND TELL THEM WE'RE COMING!" How many times have you heard words to that effect? There's no better way than Long Distance to settle the details of a visit. You'll be sure you're expected... and the folks will appreciate your thoughtfulness. It gives you a good chance to share all the family news, too. Long Distance is dependable, and low in cost. And so personal, too. Try it and see for yourself.

However far they are from home... They're somewhere near a telephone. Call them Long Distance... now!

WHAT'S THE BEST THING next to a comfortable bed? An extension telephone, naturally! And how much easier you sleep, just knowing it's there!

SHOPPING TO BE DONE? And the weather outside is terrible? Just pick up your phone! Nowadays, more and more busy homemakers and businessmen are doing their shopping by phone because it's quick and convenient. So next time bad weather or whatever keeps you at home... shop by phone!

"But you said be sure and put it in the cradle when I got through using it!"

Purchase District Youths To Observe FFA Week Feb. 17-24

Purchase District officers have completed plans for observing National FFA Week, Feb. 17-24, according to Kenneth H. Hedy, Trigg County district president. The theme for the week is "Honoring Rural Opportunities and Responsibilities."

Other officers are Tommy Hedy, South Marshall, vice president; Larry Wilson, Carlisle, secretary; James Harp, Ballard Memorial, treasurer; Anne Like, Calloway County, reporter; and Joel Reed, Sedalia, titel.

Charles Eldridge, Murray, state secretary, and William Hedy, Hopkinsville, area vocational supervisor, assisted the group in planning their National FFA Week activities.

Future Farmers from the Purchase District ended the past year with labor earnings of \$306,764 from their supervised farming program. Income from tobacco, \$84,532, topped the major enterprises in the boys' farming programs with corn, \$76,064, in second place. Next in order was hogs, \$49,452, followed by dairy, \$41,473, and beef, \$31,107.

HAPPY BIRTHDAY

Let's bake a cake and wish happy birthdays this week to Vivian Watkins Feb. 8, Ivory Adair Feb. 13, Mrs. William Watts Feb. 16, and Mrs. Maude Williams Feb. 17.

"Your Goodwill is Our Greatest Asset"

20 Years Ago

Twenty years ago, in February of 1926, Marshall County was getting ready for the March term of Circuit Court.

Summoned for jury duty were these persons:

Grand Jury: Ernie Darnell, Edith Ivey, Grover Harrison, Marvin Chandler, Allie G. Story, Lex Nelson, Charlie Cone, Peter Morris, Frank Fisher, Rollie Hamlet, Chas. Canup, Clayton Phelps, H. A. Byers, Hervey R. Henderson, Thad Copeland, W. Y. Hiter, Albert Cash, Ervin P. George, Hamrick, Will H. Barrett, Willie Castleberry, Loyd Collier, W. G. Howard, and Lee Brindley.

Petty Jury: J. H. Long, Louis Hall, Lee W. Davis, Will Draffen, R. C. Cornwell, Rudy Smith, Lee Coursey, Walter Culp, Mar. O. T. Faughn, N. A. Bowerman, Chas. L. Vasseur, A. Burnham, Jack Harrison, H. race Beasley.

Fayette Jones, M. I. Peck, Joe Williams, T. D. Parker, Jno. C. Morgan, George W. Copeland, Hugh Lovett, Lage W. Rudolph, Lee Coursey, Walter Culp, Marvin Chandler, Mildred Johnston, Will H. Oulich, Finis M. Lee, T. M. Lane, R. Scott, Bretzell, Luther Gordon, Le-narl Miller, Sam Filbeck, Arthur Goheen, and Aaron Ivey.

The county schools had held a countywide basketball tournament.

The Brewster High School team, coached by McCarty Tarry, won the county championship. The Redmen, as the Brewsters team was called, defeated Birmingham High school 36 to 28. And that was pretty good scoring in those days.

Playing for Brewsters were Bohannon, Mathis, R. Arnett, Mc-

Gregor and C. Arnett. Birmingham team members were Shumaker, S. Dunn, Locker, Clayton and Henson.

Hardin was getting ready for a big First Monday Trade Day. The town held such a day once a month back in those times.

County Agent Rothwell had asked farmers who had surplus farm equipment to bring it to Hardin and offer it for sale. There was an acute shortage of farm equipment because of World War 2.

The Benton Lions Club was sponsoring a financial drive in the interest of Boy Scouts. Matt Sparkman, principal of Benton High School, was leading the drive for the Lions Club. Graham Wilkins was the local Scoutmaster.

And that's all the 1926 news for now. See you soon.

Shrinks Hemorrhoids

Without Surgery. Stops Itch—Relieves Pain.

For the first time since he had a new hemorrhoid operation, a man has been able to shrink his hemorrhoids and to relieve pain without surgery. In case after case, a gently relaxing pain, actual relief (shrinkage) took place. Most amazing of all, results were so quick that sufferers made astonishing statements like "Hemorrhoids have ceased to be a problem!" The secret is a new healing substance (Bio-Dynex) the every of a world-famous research institute. This substance is now available in suppository or ointment form called Preparation H. At all drug counters.

Valuable to God
Lesson for February 18, 1946

WHY is killing wrong? The
Bible says so, to be sure,
but the Bible would not say so if
it were not wrong to begin with.
The law says so, but the law can
only make things worse, it cannot
make a killing right. Our mis-
takes, when not
perverted, warn
us of things that
are wrong, but
they do not make
them right. There
are many reasons
why killing is
wrong, a serious sin. Let us
go to the heart of the
matter. Killing is wrong, because
it destroys the noblest work of
God. It is wrong because it de-
roys what God has made, and
it is the most villainous crea-
ture made upon this earth.
The work of man to his God.
Of all creatures here on our
planet, man is the only one with
soul. Put in another way, man
is the only animal who is more
than an animal. He is the only
one who is capable of fellowship
with God. He is the only one
who is the image of God, that is,
the only one who has by God's gift
the possibility of growing to be
like God. Of all creatures he is
the one who can be most helpful
to God. All God's creatures are
useful to him in some way
or other for the carrying out
of the divine purpose, but no
one can be aware of the pur-
poses of God, man alone can re-
ceive a revelation from God, man
alone can pray, Jesus asked on
one occasion what a man could
give in exchange for his soul. It is
the whole world in exchange for
his soul, but he said, "I will
argue, he would be the least
onebody might regret." Who in
the world are you describing? Most people, for the
soul as you might say, are not
able as all that. "Quo tran-
sit nobody knows it better than
God. But men and women
do want to imitate trouble to
live. Men are the creatures about
whom Jesus told his parable of
the one lost sheep, and the joy
of the presence of the angels over
even one repenting sinner.

In ancient times people did not
think much of slaves, or women,
or children. A woman had status
only so far as her connections
with some man gave her a posi-
tion in society. Children had no
status at all they were grown and
lives had no status at all, women,
however, never "brushed off" any-
one. He always had time for peo-
ple; poor people, stupid people,
even bad people. When some little
children were brought to him, his
disciples tried to get rid of them,
he Master's time was valuable,
he could not afford to waste it!
But Jesus rebuked his disciples,
at the children. All the modern
interest in childhood, the study
of growing personalities just at
the very beginning of life, stems
from the Christian view, which
goes back to Jesus, that
even babies are already persons,
to harm a child is to commit a
crime against the future of man-
kind.

ins against persons

This brings up another very
obvious thought. Sins against per-
sons are the most serious kind,
once upon a time this was not
understood. Men would be hanged
for murder, they would be hanged
for stealing a lamb. Nowadays
stealing a lamb is petty theft, but
murder is still murder, and in
many states still receives the
death penalty. This is not the
time to argue about capital pun-
ishment, only to point out that it
shows how after all these cen-
turies, human life is still known to
be the most important life on
earth, and any damage to it a
serious crime.

But suppose I harm myself and
myself alone? Isn't that my af-
fair? It is your affair if you mean
yes it concerns you. It is your
affair if you think that harm you
to yourself injures no one else.
You wouldn't think of chopping
your hand off, but if you did, the
wound would be in charge
you have no right to injure your-
self, by hating, alcohol, simple
neglect or otherwise, much less
destroy yourself. You do not
live alone, you are surrounded by
others. Well and strong, you are
benefit to the community, in-
jured or dead by your own fault
waste your time, you are a bur-
den you have turned your back
on the human race, you have de-
stroyed God's handwork.

Hear Explanation

Of Reading Program

St. Pius Mothers Club met Tuesday at the school in Calvert City. Mrs. Howard Watson, president, presided.

A report was made on the progress of decorating the basement recreation room, and further discussion was held on a silent auction to be held in early May. A bike clinic will be held in mid-April and a movie shown on safety rules for young cyclists.

Sister Benita explained the school's new supplementary reading program. It was announced that playground equipment had been donated by J. T. Goodlee. School uniforms for boys next year will be brown pants and white shirts.

Roll count was won by the 5th grade. A social hour was held. Present were Mesdames William Kleinsmith, Carl Krebs, John Cambers, Carroll Traveler, Howard Watson, William Wise, James Burgess, Ken Gardner, Robert Carroll, Charles Cordon, Allen Hafer, Charles Kilgore, Malcolm Kennedy and Sisters Benita and Mary Mathias.

Mrs. Lavada Sires had as her Sunday afternoon guests Mr. and Mrs. Dewey Riley and Mr. and Mrs. Carl Greenfield.

This is the Ford Fairlane's new Challenger "260" V-8. There's no other V-8 like it. It's the latest in a series of Ford V-8 triumphs that started back in 1932 when Ford introduced the world's first popular-priced V-8. Today—30 years and 30 million V-8's later—the Challenger "260" adds new fuel to the hottest performance record in V-8 history. It gives you all the time-tested toughness of iron—with a lightness and compactness iron never had before. A muscular 161 hp, this new Challenger "260" V-8 is all snap, sparkle and smoothness. It runs on regular, yet gives you better gas mileage than any standard-size 6-cylinder car. Price it and you're in for a surprise—a Fairlane V-8 carries a smaller price tag than some compact Sixes. And, of course, a Fairlane gives you big-car room and fine-car quality you'll find in no other car anywhere near Fairlane's amazing low price. There's never been a buy like Fairlane because there's never been a car like Fairlane; that's why this all-new car from Ford is now out-selling every other "new-size" car!
