Mr. Bryan went to New Haven, September 10, to make a speech in connection with the meeting of the inner lodge of the Arch and Order of Knights of Pythias, at Madison Square Garden last night, to which place he had been invited on account of his name being suggested as a possible figure at that gathering. There he will remain until the 14th, when he will return via Boston to Clifton, N. J., where he will take the train for New York. It is understood that he is to deliver an address before the state convention of the State Board of Agriculture, held at Clifton, N. J., and that he will also continue his campaign among the farmers of the state.
