A. H. Deacon is visiting friends here this week.

The United States Navy is said to be in residence after an illness of several weeks.

In order to proceed or unload without the -as time passes just about outlines to its peak. This clause now proves all-...
A GOOD TIME TO REBUILD OR REMODEL

Building material in many lines is difficult to secure right now. Next spring it will probably be more difficult and expensive. Paint will be hard to secure next year and the price may be higher. If your home needs repainting and repairing this spring it is a good time to do the work.

If you lock money our service agency the way for you. We make prompt approaches and action on orders is taken promptly. There is little red tape involved and if you will let us help you with your problems to our think we can solve them.

Remember that painting and repairing this year will prolong the life of your home.

We now have Feltmore Bonds on Sale at our Office.

KEEP UP WITH YOUR HOME TOWN

Many newspapers are available to the people of Fulton, but only ONE gives Fulton people exactly what they want in news and news handling. This newspaper does this job and does it well. Home written editorials of home interest, homerotted reports of local boys, good coverage on society news, accurate stories of deaths, accidents, business changes, and in fact, all the news that we can get hold of that will interest Fulton folks.

More readers come each week. Join the procession up with Fulton through the columns of this newspaper.
