City Stores Stay Open Thursdays

Beginning today (Thursday) Sept. 6, the stores of Benton start staying open on Thursday afternoons.

During June, July and August, stores of Benton close on Thursday afternoons. This practice has been going on for several years.

But on the first Thursday in September, the stores start remaining open on Thursday afternoons and these hours will remain in effect until next June.

Dry goods stores, groceries and other stores now will be open every Thursday afternoon to serve the public. Shoppers are advised of the new hours and are urged to act accordingly.

Kiwanis Club Hears Talk By Ecuador Girl

Miss Luz Azelina Plaza, 20-year old student from Ecuador, visiting the U. S. under the international farm student exchange program, addressed the Benton Kiwanis Club at its Wednesday noon luncheon at Benton Hotel.

Miss Plaza told of the life in her native land and also showed slides of scenes in Ecuador. She was accompanied to the luncheon by Mrs. Albert Harrell of Calvert City, in whose home she is a guest. Bob Rudolph had charge of the program.

Club President Errett Starke appointed a committee to nominate a slate of officers for the Kiwanis election to be held on next Wednesday. On the nominating committee are Myrvia Mohler, Robert Leneave, Pat Warren, H. H. Lovett Jr. and L. V. Martin.

NEW FRONT BEING PUT ON INSURANCE BUILDING

The Morgan, Trevathan and Gunn Insurance Co. is remodeling the front of its office building located on the south side of the Court Square. The new front will be of modern tile.

AT MURRAY HOSPITAL

The following Marshall County patients were admitted as patients to Murray Hospital from Aug. 27 to Sept. 3:

Mrs. Alton Powell, Route 6.
Mrs. Lewis Hendrickson, and baby girl, 401 Elm Street, Benton.

Mrs. Nelson Bwayne Dotson and baby girl, 1304 South Main, Benton.

Jack Proctor, 1203 Elm Street, Benton.

Mrs. James Ray Collier, Route 5.

Mrs. Naudy Kirk, Route 5.

WORSHIP SERVICES SET AT MRS. FARLEY'S HOME

Worship services will be held Sunday, Sept. 9, at the home of Mrs. Helen Farley on Route 5. The services will start at 2:30 p.m., slow time.

James Madison of Mayfield will do the preaching. Everyone is invited to attend.

Charles Edwards is visiting his mother, Mrs. Eula Edwards, for 15 days. At the end of his leave he will be stationed at the Offet Air Force Base, at Omaha, Neb.

Mr. and Mrs. Junior Collins of Cincinnati, Ohio, and Mrs. Jim Clayton visited Mr. and Mrs. Ott Morris in Benton last week.

State Democrats Will Open Drive Sept. 18

Louisville—The official opening of the state Democratic campaign in Kentucky will be held Tuesday, Sept. 18, at Shelbyville, William A. Young, state campaign chairman, announced this week.

The opening rally will be held at the Shelby County Fairgrounds, an almost traditional site for the launching of Democratic campaigns. The rally will begin at 8 p.m. (Central Daylight Time).

Final Rites Held For Rabe Wyatt

R. W. (Rabe) Wyatt, a native of Marshall County and one of its oldest residents died at his home in Benton at 7:20 o'clock Sunday night at the age of 97. He would have observed his 98th birthday anniversary in October, and he and his wife would have observed their 63rd wedding anniversary today, Thursday, Sept. 6.

Uncle Rabe or Pap, as many people affectionately called him, had been critically ill for more than a week and had been in failing health for about a year.

He and his wife moved to Benton 14 years ago after selling their farm near Briensburg. He had lived and farmed in the Briensburg section all of his life prior to retirement. He was a member of the Briensburg Methodist Church.

Funeral services were held at 2:30 p.m. Tuesday at the Filbeck-Cann Chapel, with the Revs. V. H. Burnette and J. Frank Young officiating. Burial was in the Wyatt Cemetery near Briensburg.

Palbearers were grandsons—Joe Carl Wyatt, Tommie Wyatt, Charles Wyatt, Van S. Wyatt, Sam C. Wyatt and Johnnie Wyatt; and Rayburn Watkins. Besides his wife, Mrs. Fannie Wyatt, he is survived by three daughters, Mrs. R. P. McWaters of Benton, Mrs. General Harrison of Pleasant Ridge, Mich., and Mrs. W. C. Rowland, Hazel Park, Mich.; two sons, Truett Wyatt of Route 5 and Solon Wyatt of Benton; and several grandchildren and great grandchildren.

UNCLE RABE WYATT

Speed Law Here To be Enforced

The City Council, in session Monday night, instructed the Police Department to enforce the 35-mile speed law on Main Street in Benton.

The action came as a result of the removal last week, by the State Highway Department, of the four-way stop signs at 8th and Main and 14th and Main. Councilmen felt that enforcement of the speed law would, to some degree, protect citizens from possible excessive automobile speeds due to the removal of the stop signs.

Mayor Louis O'Daniel and the councilmen sent a letter Wednesday to H. Alves, director of the Division of Traffic, State Highway Department, saying that they would not protest the removal of the signs but that they were protesting the manner in which the highway department acted in taking down the signs. The highway department took the signs down before the City Council could meet and act officially on the problem.

Illness Fatal to Robert H. Whitt of Mayfield Route 5

Robert Harvey Whitt, 76, of Mayfield Route 5, died Tuesday, Sept. 4.

Funeral services will be held today (Thursday) at 2 p.m. at the New Home Baptist Church with the Rev. L. R. Riley officiating. Burial, by the Linn Funeral Home, will be in the Arnett Cemetery.

Mr. Whitt is survived by his wife, Lois; five daughters, Mrs. Ruby Reed, Mrs. Alta Edwards, Mrs. Roberta Dorian, Mrs. Pauline Dougherty, all of Mayfield Route 5, and Mrs. Hazel Mathis of Hazel Park, Mich.; three sons, Raymond, Rymon and Loman of Mayfield Route 5; and two sisters, Mrs. Amelia Miller and Mrs. Alice Wagner of Mayfield Route 5.

County School Board Calls For New Bond Issue Election on October 5

Hendrickson Funeral Is Set For Friday

James Sherman Hendrickson, 47, died Monday, Sept. 3, at his home in Belleville, Mich. He had been critically ill for several weeks.

He was a member of the Benton First Christian Church, and had many relatives and friends in this county, his former home. Funeral services will be held Friday, Sept. 7, at 2 p.m. (DST) at the Linn Funeral Home. Rev. J. Frank Young will officiate and burial will be in the Ford Cemetery.

Mr. Hendrickson is survived by his wife, Mae; three sons, Joe Frank, Bobby Louis and Jackie Wayne, all of Belleville; two sisters, Mrs. James Lassiter of Benton Route 5 and Mrs. Hollis Lamb of Paducah; two brothers, Leonard and Robert Hendrickson of Benton; and two grandchildren.

Youth Is Fined After Bicycle, Auto Accident

Billy Dean Nelson, 21, was found guilty in City Court Tuesday on a charge of reckless driving and was fined \$40 and costs. The case was tried before a jury. Nelson was charged after a car he was driving struck a bicyclist ridden by Johnnie Lovett, 11-year-old son of Mr. and Mrs. John Clay Lovett. The accident happened the first week in August on the Mayfield Road within the Benton city limits.

Nelson was attempting to pass a milk truck when the accident happened. The Lovett boy suffered a broken leg and other injuries.

Elwood Gordon was attorney for Nelson and Marvin Prince acted as prosecutor for the city.

Mr. and Mrs. Joe Lofton of Calvert City Route 1 were business visitors in Benton Wednesday and while here came by the Courier office to renew their subscription.

Mr. and Mrs. Joe Morgan and children of Pontiac, Mich., spent the past week in Benton with their parents, Mr. and Mrs. Jim Morgan, and her relatives at Calvert City.

Benton Will Return to the Use of Slow Time Monday

Benton will discontinue the use of Daylight Saving Time next Monday morning, Sept. 10, at 2 a.m.

The City Council decided at its meeting Monday night to put the city back on Central Standard Time. The decision was unanimous.

Date for the time change-over was set for Monday to give the public plenty of notice to make the switch and also not to interfere with church services already planned for Sunday. All the schools in Benton and

the county are now in operation on Central Standard, or slow, time while the towns of Benton and Calvert City continue to operate on fast time. This works a hardship on hundreds of families with children in school.

Benton originally was scheduled to discontinue the fast time on Sept. 30, but the City Council decided to make the change-over three weeks early, on Sept. 10.

Benton has been using fast time since last May 14, which is approximately four months.

No. Marshall Now Top High School

Schools of Benton and Marshall County began class work in earnest this week after using much of last week to enroll and classify the pupils.

A total of 3,132 students were enrolled in the city and county high and grade schools up to Wednesday of this week. Of this number, there were 586 pupils in the Benton school and 2,546 in all the county schools.

There now are only three high schools in the county—Benton, North Marshall and South Marshall. North Marshall is the largest high school in the county with 370 students. South Marshall is second with 232, and Benton High is third with 218.

Fifteen or so years ago there were eight high schools in the county. They were at Benton, Sharpe, Gilbertsville, Calvert City, Hardin, Brewers, Aurora and Birmingham.

Supt. Joe Duke of Benton recalls that when he was principal at Aurora, there were two other teachers in the high school and only 39 students.

Enrollment in the various grade schools of the county is as follows: Calvert City 450; Sharpe 300; Brewers 239; Hardin 232; Fairdealing 165; Briensburg 160; Gilbertsville 145; Aurora 90; New Harmony 55; Walnut Grove 32; Breezel 31; and Griggs 25.

Twenty-five boys from the State Welfare Department's camp at Kentucky Dam Village are enrolled in the Gilbertsville and North Marshall schools. Sixteen are at Gilbertsville and nine are at North Marshall. Most of these youths have had little schooling and it probably will become necessary to put them in separate classes with special instructors.

Cool Weather Likely To Aid Crappie Fishing

You can now expect better fishing.

Take that advice from Paul Gilliam of Fisherman's One-Stop. Said Mr. Gilliam:

"The fish are apparently enjoying this lower water temperature. More and more crappie are being caught and it looks like we are now headed into the fall crappie season. More bass were taken in shallow water last week but trolling the spoonplug continues to be the big fish catching method."

Individual catches reported include: Gilbert Turner of Golden Pond caught three largemouth bass, the biggest weighing four pounds and two ounces.

John Bernard of Buechel, Ky., took five largemouths, the biggest weighing four pounds and seven ounces. He used the spoonplug. He also caught four crappie.

PENTECOSTAL HOLINESS TO HOLD REGULAR SERVICES

Pentecostal Holiness Church, located in Benton at Maple and West 7th, will hold regular Sunday services now. The church has been without a minister for many months.

Services will be conducted each Sunday afternoon at 2:30 o'clock by A. M. Lowrie, formerly of Memphis. Mr. Lowrie conducts services at the Mayfield Pentecostal Church each Sunday morning, and now will conduct afternoon services at the Benton church.

MURRAY AND MAYFIELD ARE BACK ON SLOW TIME

Murray and Mayfield have discontinued Daylight Saving Time and returned to their regular Central Standard Time.

Murray moved back its clocks Sunday morning; Mayfield on Monday morning.

Miss Lydia Acree left Tuesday for St. Louis after an extended visit with her sister and brother, Mrs. Louella Peterson and F. P. Acree.

Expansion Of System Is Planned

The Marshall County Board of Education is requesting a special election Friday, Oct. 5 for the purpose of voting on a bond issue for the Marshall County Schools. This bond issue will involve a 35-cent school building tax for a period of 20 years.

If the citizens of this county approve this bond issue, the Board of Education's immediate plans include the construction of an auditorium-gymnasium at North Marshall County High School and South Marshall County High School, a consolidated elementary school in District 4 and an all-purpose room at Aurora School. The long range building plans will include classroom facilities and improvements at Calvert City, Sharpe, Gilbertsville, Briensburg, Fairdealing, Hardin and Brewers.

A number of citizens have requested the Board of Education to call this special election. With the construction of the Barkley Dam and additional plants in the Calvert City area, the crowded conditions of Marshall County Schools will continue to increase.

If the schools of this county take full advantage of the Foundation Program, it will be necessary that adequate school buildings be provided.

Saturday is Final Day for All New Voters to Register

Next Saturday, Sept. 8, is the final deadline for registering to vote in the Nov. 6 general election.

Any person 18 years old or who will become 18 before Nov. 6, who has been a resident of the state one year, the county six months and the precinct 60 days can register.

County Court Clerk T. Brien reports that registrations at his office have been good for several weeks. Many 18-year-olds have registered, and some middle age persons who never have voted before have registered so they can vote in the presidential election in November.

Clerk Brien's office is open six days a week from 8 a.m. to 5 p.m. and he urges all unregistered voters to register before the office closes Saturday.

Though he fall, he shall not be utterly cast down; for the Lord upholdeth him with his hand. — (Psalm 37, 24.)

Be a man's thoughts and acts over so evil, he is not beyond redemption as long as he earnestly reaches out for the hand of God. It will never be withdrawn from him as long as he contritely seeks forgiveness.

Phone Co-op Meeting Friday Night at Hardin

The Western Kentucky Rural Telephone Company has called a meeting to be held Friday night, Sept. 7, at the Hardin schoolhouse at 8 o'clock.

Purpose of the meeting is to discuss the erection of a new telephone exchange at Hardin and to expand phone service in that area.

The telephone co-op has purchased the Hardin Telephone System and federal funds are available for improvement and expansion of the service.

All parents in the Hardin, Dexter and Wadesboro communities are invited to attend the meeting and discuss plans for expansion of service in that section of Marshall County.

When the new exchange is constructed at Hardin, then that section of the county will be hooked up with Benton, Calvert City and Fairdealing to complete countywide phone service.

At the present time, long distance toll charges are necessary to make phone calls to Hardin. When the new Hardin exchange is completed, free telephone service will be provided to all communities and towns in Marshall County.

Study or Social or Sport Life

A SMASHING QUARTET to interchange for college days Monday through Monday. Designed by Amco of Norvelt in Milliken's Black and White herringbone wool & cashmere. Skirt, blouse and versatile jerkin for \$40, plus-fours—\$11 and finger length coat to wear over everything this fall—and winter, with Timme tuft lining about \$40.00. Misses and junior sizes.

Calvert City WSCS Has Program on How Real is Kingdom

The WSCS of the Calvert City Methodist Church met Monday afternoon of the past week. Mrs. Claud Dees gave the devotional.

Topic for the program was "How Real is the Kingdom to Us?" Mrs. Fred Saltgiver led the program.

Mrs. Will Doyle, Mrs. Claud Dees and Mrs. J. T. Lee discussed "Measuring Our Growth." The Unity Quartet sang.

Others attending were Mesdames Ralph Erwin, Pearl Smith, L. L. Egner and Estell Sewell.

Mrs. Margaret Young of Calvert City has been dismissed as a patient from the Western Baptist Hospital in Paducah.

SUNDAY SCHOOL CLASS ENJOYS PICNIC AT LAKE

Coleman Hawkins took members of his Junior Sunday School class of the Calvert City Methodist Church on a picnic to Kentucky Lake Tuesday afternoon.

Mrs. Hawkins and Miss Jollette Lassiter were chaperones for the group of boys and girls.

SHARPE P-TA TO MEET

The Sharpe School P-TA will hold its first meeting of the new school year next Monday night, Sept. 10, at the school building. All members and other interested parents are urged to be present.

Mrs. Harvey Coursey had as her recent guests her granddaughters, Patricia and Cheryl Tinney, and their mother, Mrs. Oleta Martin of Wichita Falls, Texas.

Young Woman From Ecuador Visits in Calvert City Home

Mr. and Mrs. Albert Harrell are hosts to a young woman from Ecuador who is in the United States under the international farm youth exchange program.

The woman, Miss Luz Azelina Plaza, 20, will visit farms in Marshall County until some time in September. She already has visited in Florida, Washington, Oregon, and Iowa.

Miss Plaza, a Catholic, speaks Spanish, Italian, French and English. She is a tourist guide in her native country.

She is especially interested in women's activities in rural living.

Bill Coursey of Calvert City Route 2 was a business visitor in Benton Saturday.

Surprise Birthday Dinner is Held for John C. Davis Sr.

A surprise birthday dinner, honoring John C. Davis Sr. of Calvert City, who was celebrating his 77th birthday, was held Aug. 24, in Calvert City.

In attendance were Mr. and Mrs. Luther Davis and children, Lyman Davis, Mr. and Mrs. J. C. Davis Jr. and son, Mr. and Mrs. L. A. Davis and children, Mrs. James Davis and children, Mr. and Mrs. Ruby Beard and children, Mr. and Mrs. Clint Tyree and children, Mr. and Mrs. Warren Copeland and children.

Also Mr. and Mrs. C. H. Rose, Mr. and Mrs. Ralph Davis and daughter, Sgt. Weldon Tyree of the Air Force, Mrs. Roy Vasseur and daughter of Norfolk, Va., Mr. and Mrs. Curtis McCray and Mrs. Alfred Reed and children, Joe Boy, Miss Jennie Rose Nelson of Paducah and Norma and Donna Cardell of Fairborn, Ohio.

Big Tent Revival Will Start Sunday Near Possum Trot

A tent revival will be held at Possum Trot, beginning Sunday, Sept. 9. The tent will be erected near the new Highway 62 at Possum Trot.

Evangelist for the meeting will be the Rev. H. M. Sutherland of Wingo. Services will be held at 7 o'clock, slow time.

The revival is being sponsored by the Little Cypress Baptist Church. The church and the pastor, Rev. R. H. Sullivan, invite the public to attend.

Mr. and Mrs. Leonard Hill of Calvert City and Mr. and Mrs. A. L. Love of Kuttawa attended the Wyatt Rites in Benton at the Filbeck-Cann Funeral Chapel on Tuesday afternoon.

Mrs. Pearl McLeMore of Calvert City has been a recent patient at the Riverside Hospital in Paducah.

Mrs. George Phelps of Calvert City Route 1 and her daughter were shoppers in Benton Friday afternoon.

Calvert Man Killed In Auto Accident On New Highway 62

R. Ray Thweatt of Calvert City Route 2 died at 9:30 o'clock last Friday night in the I. C. Hospital at Paducah of injuries received in a highway accident about 5:30 p.m. Friday. He was 51 years old.

The accident occurred on new Highway 62 about five miles west of Kentucky Dam.

State Trooper Gerald Johnson reported that Mr. and Mrs. Thweatt had alighted from a Paducah-bound bus and Mrs. Thweatt had crossed the road safely. Thweatt was crossing the road when struck by a car driven by Joseph Whitsett of Paducah.

Trooper Johnson said the car driver apparently was blinded by the lights from the approaching bus and did not see the pedestrian. The bus driver continued without knowing of the accident.

Funeral services for Mr. Thweatt were held Monday afternoon at Filbeck-Cann Fu-

neral Home. Burial and graveside services, conducted by the Calvert City Masonic Lodge, were held at Sharpe Cemetery. The Revs. Curtis Haynes and Harry Gidwell officiated at the funeral rites.

Mr. Thweatt is survived by his wife, Beulah; one daughter, Mrs. Lee Roy Phelps of Paducah; one son, S-Sgt. Bobby Thweatt of Cherry Point, N. C.; three sisters, Mrs. Evelyn Bonds and Mrs. Bethel Styers of Paducah, and Mrs. Lillian Holley of St. Louis; two brothers, Landon of Paducah and Albert Thweatt of Detroit; and two grandchildren. Burial was delayed until arrival of the son from North Carolina.

Fred Dees of Calvert City was a business visitor in Benton Tuesday.

Final Rites Held In Florence, Ala., For E. A. Poague

Funeral services for E. A. Poague, former resident of Benton, were held last Thursday, Aug. 30, at the St. James Methodist Church in Florence, Ala. Burial was in the Tri-Cities Memorial Gardens at Florence. Mr. Poague died Aug. 28 in a Florence hospital suffering a heart attack. Mr. and Mrs. Poague had made their home in Florence for the past several years. He was the father of Robert Poague of Benton. Other survivors are his wife, Mrs. Maggie Poague; two daughters, Mrs. C. H. Hunt and Mrs. R. E. Davis; and three other sons, Shannon, Buddy and Billy Poague, all of Florence. Mr. and Mrs. Robert Poague and children, Sherry and Gery, attended the funeral services and returned to their home in Benton last Sunday.

Mr. and Mrs. William Cobb and Lena Cobb have returned from Miami, Fla., where they spent a week in the home of her sister, Mrs. Earl Milton and Mr. Milton, also their son and wife, Mr. and Mrs. Bill Cobb and enroute home visited a daughter, Mrs. David Wiley and husband in Decatur, Ala.

Mr. and Mrs. Finus Holley of Route 5 were Tuesday visitors in Benton and while here Mr. Holley renewed his subscription to the Courier. H. E. Dyke of Gilbertsville Route 1 was in town Tuesday on business.

Tommy Henderson, Former Resident Of County, is Dead

Tommy Henderson, a former Marshall County boy, died Monday morning of this week at a Memphis hospital near Monette, Mo., where he had made his home for many years. He was 58 years of age. Funeral and burial services were held in Monette this week. His mother, Mrs. Nellie Goheen, was at his bedside when he died. She will return to Benton next week. Mr. Henderson is survived by a family and has several uncles and aunts in this county.

Toni Thompson Has Party Celebrating Her 6th Birthday

Mrs. James (Country) Thompson entertained with a birthday party Friday afternoon at her home in Benton for her daughter, Toni Thompson who was six years of age that day. The children played games, partook of delicious refreshments and brought gifts. Attending were Jonna Coulter, Pat Schamahorn, Shelia Thompson, Connie Darnell, Teri Thompson, Janet Hiett, Dara Austin, Anny Austin, Diana Gordon, Betsy McClain, Melinda Holland, Sharon Phillips and Kathy Downs.

Mr. and Mrs. J. B. Dunn of Route 7 were business visitors in Benton Tuesday.

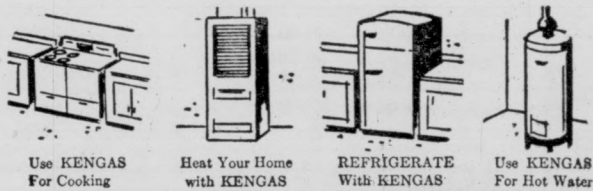

KENGAS
Division of Western Kentucky Gas Company
THE NAME TO TRUST IN LP GAS

Now you can have the same gas service as if you lived in the city. Regardless of where you live - you can put your whole home on KENGAS and you'll see how much easier it makes your housekeeping. KENGAS is the easiest, safest, cleanest way to cook, heat your home, have hot water, refrigerate, and cool your home.

Whether you use tank or bottled gas, it will pay you to use the reliable KENGAS service. KENGAS is the largest LP gas company in Kentucky with the largest bulk storage in the area. You never need worry about "running out of gas" with this modern progressive company serving you.

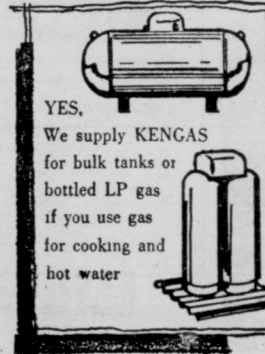

See the modern gas appliances at any KENGAS office - ranges, water heaters, furnaces, clothes dryers, and air conditioners. KENGAS offers you a complete service - LP gas and appliances. Appliances can be yours for as little as \$5 per month with 3 years to pay. Call or send coupon for further information.

Here and There

Mr. and Mrs. Genie Edwards of Route 1 visited Mrs. Elmer Washburn Sunday afternoon.

Mr. and Mrs. Paul Glisson of Detroit visited his mother, Mrs. Willie Glisson, last week.

Mr. and Mrs. J. H. Lindsey of Route 5 were in town Saturday. Mrs. Lindsey stated that her brother, Clarence Baker, had gone home from Murray Hospital.

Mrs. Ada Pierce of Gary, Ind., has been visiting her sister, Mrs. Coleman Clark of Griggstown, and Mrs. Alta Jones in Penton. Her son of Gary came for her and they returned to Gary the first of the week.

Mrs. Bill Grimmert underwent surgery at the Vanderbilt Hospital in Nashville last Thursday. She is a sister of Joe Coulter.

Mrs. Merle Fowler of Paducah spent the week of the Marshall County Fair with Mr. and Mrs. Glen Ely.

SEEMS THERE'S A "MISS" TITLE for everything these days! Here's Pat Parker, "Miss Bandage Bathing Suit," in the latest in swim suits. It's a two-piece, all bandage outfit, made from Johnson & Johnson's new KLING conform Bandage, which clings to itself and conforms while stretching over body contours. The new bandage holds injured fingers, elbows and ankles firmly while permitting normal movements of those joints. That's all fine, says Pat, but will the bandage hold water?

Mr. and Mrs. Sam J. Ringold and two children of Sellersburg, Ind., and Miss Mary Ross Cothron and Jasper Cothron of Louisville were weekend guests of their mother, Mrs. Ruth Cothron.

Mrs. Audrey Henson and daughter Tracy of Elmira, N. Y., have been visiting her sister, Mrs. Helen McNeal and family.

Mrs. Marvin Taylor of Cape Girardeau, Mo., Mrs. Louie Bowman, Ellen and Marvin Bowman of St. Louis were Labor Day weekend guests of Mr. and Mrs. James Nimmo in Benton.

Mr. and Mrs. Alfred Thompson and daughter visited Mr. and Mrs. Rudy Sasseen in Atlanta, Ga., this week. They were here on vacation from Detroit visiting her father, Roy Phillips and her brother, Bill Phillips.

Mr. and Mrs. Macon Hutchens were in Paris, Tenn., Sunday to attend a family reunion.

James Fiser, who has been in Germany as a chaplain with the U. S. Force, has arrived back in the States and will be at the home of Mrs. Eva Fiser Sunday. The families of Bill Fiser of Huntsville, Ala., and Hal Fiser of Clarksdale, Miss., will also be here.

Our Great America ☆ by Woody

Mrs. Clay Henson of Benton is visiting her daughters in Detroit.

Mr. and Mrs. Joe Wayne Mathis have moved into the house of Mr. and Mrs. Clifford Smith until they get their new house built.

Mrs. Gene Ferguson of O'Fallon, Ill., and two children were recent weekend guests of Mr. and Mrs. George O. Latham.

Mr. and Mrs. Stafford McGregor of Georgia visited Mr. and Mrs. Clint McGregor during the weekend.

With you out of this picture...

WHO WOULD PAY THE MORTGAGE?

Probably a total stranger who would get your home at a bargain. Don't risk a forced sale in the event of your untimely death, when it costs so little to guarantee a debt-free home for your family. Let us tell you more about it. Call or stop in today and ask about our Home Owner Security Plan.

SERVICE OIL CO. AND SHELL OIL COMPANY

ANNOUNCE A NEW GRADE OF GASOLINE

THE SUCCESSOR TO SHELL PREMIUM

Super Shell with TCP

It is the most powerful gasoline the most powerful cars can use

An entirely new grade of gasoline

The Shell Oil Company now introduces an entirely new grade of gasoline, Super Shell with TCP. This gasoline will not only meet the critical power needs of the highest compression '56 automobiles, it will satisfy the still more powerful cars expected for '57.

At the same time, cars which have used premium grade gasolines will perform better than ever on Super Shell with TCP.

Super Shell with TCP is higher than high test, even more powerful than Shell Premium Gasoline which it replaces.

It is, in fact, the most powerful gasoline the most powerful cars can use.

Super Shell has a built-in "power pack"

Here's how this is possible. Shell is America's largest maker of gasoline for commercial aviation. Aviation gasoline contains special power ingredients known as aromatics, such as benzene, xylene, toluene. They pack more energy into a gallon of gasoline than anything else you can use. A high concentration of these aromatics gives Super Shell its built-in "power pack."

What can Super Shell do for you?

First, it can give your car all of the power it

was built to deliver. This means, for many motorists, more power than they have ever before experienced.

The power you get will be smoother, quieter power, for Super Shell gives anti-knock protection over your entire speed range—from low throttle to full throttle.

Furthermore, Super Shell can give you more miles per gallon—greater operating economy.

TCP unleashes the full power of high octane

Today's powerful engines build up harmful engine deposits within a few thousand miles of driving. These deposits can cause a substantial loss of power.

That is why Super Shell contains TCP... to neutralize harmful deposits and unleash the full power of high octane. It enables a car to deliver and keep on delivering its full power.

For a new gasoline—a new pump

When you drive into your local Shell station, you'll find Super Shell with TCP in a new white pump. Super Shell is the most powerful gasoline the most powerful cars can use!

*Shell's trademark for this unique gasoline additive developed by Shell Research. Patent applied for.

VINCENT'S

SCIENCE IN YOUR LIFE

Black Widow

The black widow spider, a small animal with a red hour-glass on the underside of her abdomen, is a timid creature that would rather run away than bite. But, as everybody knows, when she does bite, the results can be disastrous.

At first, the pain of the bite, lasts only about five minutes, according to the medical magazine, Pfizer Spectrum, but it comes back in about an hour, and then begins to spread throughout the body. At the climax of the pain, the victim usually has cramps in all his muscles, particularly those of the abdomen, which become boardlike and rigid. Luckily, black widow spider poisoning is almost never fatal, though some deaths have occurred among children and exhausted or otherwise weakened adults. Furthermore, no lasting after-effects have been noted.

Recently, too, medical research has discovered a number of steps which can be taken to ease the suffering of the patient until recovery. An anti-venin, if available, can bring relief within a period varying from several minutes to several hours, Spectrum notes. In addition, striking relief from pain and spasm has been obtained with muscle-relaxing drugs, such as tubocurarine — which, curiously enough, was used for centuries to inflict pain as an Indian arrow poison.

VACATION TIPS

Safe in the Sun

This is the season of sunbaths, picnics, gardening. To doctors, however (and to many parents), it is also the season of sunburns, insect bites and poison ivy. Every doctor knows how miserable these ailments can be and braces himself for a waiting room full of patients during summer months.

Two extremely effective remedies are available to bring relief to those suffering from sunburn, bee stings or poison ivy. Both have been tested by doctors and are being used professionally; both are safe and effective for use by laymen and will be sold without prescriptions; and both should be kept in the medicine chest at home and in the glove compartment of the car.

The first is Nupercainal Ointment for sunburn or any simple burn. A thin layer, applied to the injured area, will bring immediate relief. The soothing effect will last for hours and hours. It's a boon to adults—and of special value to children. Since it eliminates or reduces pain immediately, it calms frightened youngsters. And a child, terrified by pain he cannot understand, may aggravate his condition.

The other summertime aid is Pyribenzamine Cream with Zirconium. That's a long name, but one worth remembering if you plan to spend much time outdoors. This cream is mainly aimed at fighting the unpleasant effects of contact with poison ivy, oak or sumac. As a bonus, it is highly efficient in reducing the swelling and pain caused by bee stings. (For this condition, the cream is simply spread on the

sting; in a matter of minutes, the swelling has disappeared—and so has the pain.)

The major service of Pyribenzamine Cream with Zirconium, however, is in stopping the spreading of poison ivy rash, and in relieving the itching, blistering and burning this infection causes. Doctors have long felt that this rash, with its almost-intolerable itching, presents a greater clinical

problem than any other summertime nuisance. It's highly contagious—and even those who can resist the urge to scratch it (and spread it) during waking hours often find they have done just that while asleep. Since the new cream eliminates itching, it also keeps the rash from spreading. It should be applied generously to the affected area three or four times a day—beginning as promptly as possible after contact with the poisonous plant (another good reason for keeping it in the glove compartment). It can even help to prevent the rash. If children are playing in an area where they may come in contact with poison ivy, the cream should be spread on the exposed areas of their skin. This, incidentally, is also a good precaution for adults who are gardening, clearing away brush, etc.

All in all, summer should be safer—and happier—this year!

Here and There

Levi Beasley of Hardin Route 1 was a business visitor in Benton Friday and while here renewed his subscription to the Courier.

Jasper Cothron and Mary Ross Cothron of Louisville and the family of Mrs. Sam J. Ringold, spent the Labor Day weekend in Benton with their mother, Mrs. Ruth Cothron.

Mr. and Mrs. J. H. Lindsey of Route 5 were in town Saturday. Mrs. Lindsey stated that her brother, Clarence Baker, had gone home from Murray Hospital.

Mr. and Mrs. Paul Glisson of Detroit visited his mother, Mrs. Willie Glisson, last week.

Infected Ears

Ear infection is a year-round hazard. Swimming and diving in summer and wet feet or chilly drafts in winter are often blamed.

Infected ears have long been difficult to treat because as many as five different germs—fungi as well as bacteria—often strike at the same time. But fortunately, today's physician has drugs deadly to all of them.

A natural choice is a broad-range antibiotic like Terramycin, effective against more than a hundred human disease germs. This powerful antibiotic, combined with another called polymyxin, routs the group of bacteria that are common culprits in ear and nose infections.

In one recent study in Winston-Salem, N. C., Dr. John R. Ausband, treated 23 infected ears with this solution. A total of 37 different kinds of germs were found in these infections, but the antibiotic combination cleared all but six of the ears. Four of the six were middle ear infections, which rarely respond to local treatment. The other two were long-established, stubborn cases.

Such treatment can ease much of the pain and distress of ear infections, but a few simple rules of personal hygiene can often avert trouble entirely. Wash the ears gently, thoroughly and often. Don't poke inside with makeshift instruments. Doctors often advise patients to use ear plugs if swimming bothers them. And take care of a sore throat or common cold to avoid complications.

If you do come down with an earache, a hot-water bottle or an ice-pack may soothe the pain, but it's wise to let the doctor prescribe the treatment.

Mayfield Fails to Get Big Industrial Plant

A large company that secured options on 788 acres of land in North Graves County for a possible plant site is not interested in additional production at the present time, and therefore will not exercise its right to the options.

W. F. Foster, Mayfield clothing manufacturer and chairman

Vickers Post Will Meet Friday Night At School in G'ville

The September meeting of Harrison Vickers Post No. 144, American Legion, will be held in the school auditorium at G'ville on Friday night, Sept. 7, starting at 7 o'clock, slow time.

A complete report on the post's finances, including a report from the committee in charge of the summer, will be given. The committee and the entire membership are grateful to those who cooperated in making the event a success. On the committee were W. R. Vines, Rudy K. Adkinson and Jeff Phillips.

Other matters of importance will be discussed at Friday night's meeting. All members are urged to attend. The public is cordially invited as arrangements have been made for a string band and a quartet.

Ed Stevens and daughter of Paducah Route 3 visited relatives of Roy Thweatt at Filbeck-Cann Funeral Chapel Saturday.

of the Kentucky Industrial Development board, was notified of the company's decision last week by a representative of the H. K. Ferguson Co., Cleveland, engineering firm that has been conducting surveys and making tests for its client.

The identity of the company still remains unknown.

Louis Lookofsky, chairman of the Mayfield-Graves County Industrial Development Board, was advised of the company's decision to drop its options by George Hubley, Frankfort, of the state board.

Lookofsky said the local board will now redouble its efforts to bring new industry to Mayfield and Graves County, and indicated the board has several hot leads.

Although disappointed over the unknown company's decision, Lookofsky said the local board is not the least bit discouraged. The local board was organized several months ago with the sole purpose of securing new industry for the city and county, thus creating more jobs.

Since its organization, a number of firms have been contacted with regard to building plants here.

The Dairy Princess of Kentucky, Miss Joyce Hill Smith of Owen County, is wished "good luck" in her quest of the national dairy princess title by Acting Governor E. W. Richmond during her recent visit to the Commonwealth's Capitol. Miss Smith, a University of Kentucky sophomore, won her title at Dairy Field Day exercises at U. K. She owns a herd of 16 registered Guernsey cows and has won 500 ribbons showing them. The American Dairy Princess, to be chosen next month at Chicago, will preside over the International Dairy Show.

Mrs. J. H. Phelps of Route 2 was a shopper in town Saturday. She came with her son, Willie Phelps.

Virel Clark of the county was a visitor in town Saturday and while here renewed his subscription to the Courier.

Mr. and Mrs. Clyde Walker and Mrs. Nell Johnson of Route 4 were shoppers in town Saturday.

Mr. and Mrs. Jim Williams and Miss Bea Chumblor of Route 7 were shoppers in town Friday afternoon.

Here and There

E. E. Humphrey has returned to his Benton home from Riverside Hospital in Paducah, where he underwent surgery for the amputation of his remaining leg. He previously had had a leg removed. He is suffering from hardening of the arteries.

Roy Phelps of Route 2 was in town Saturday on business.

Rollie Hiett of Route 3 was a business visitor in Benton Saturday.

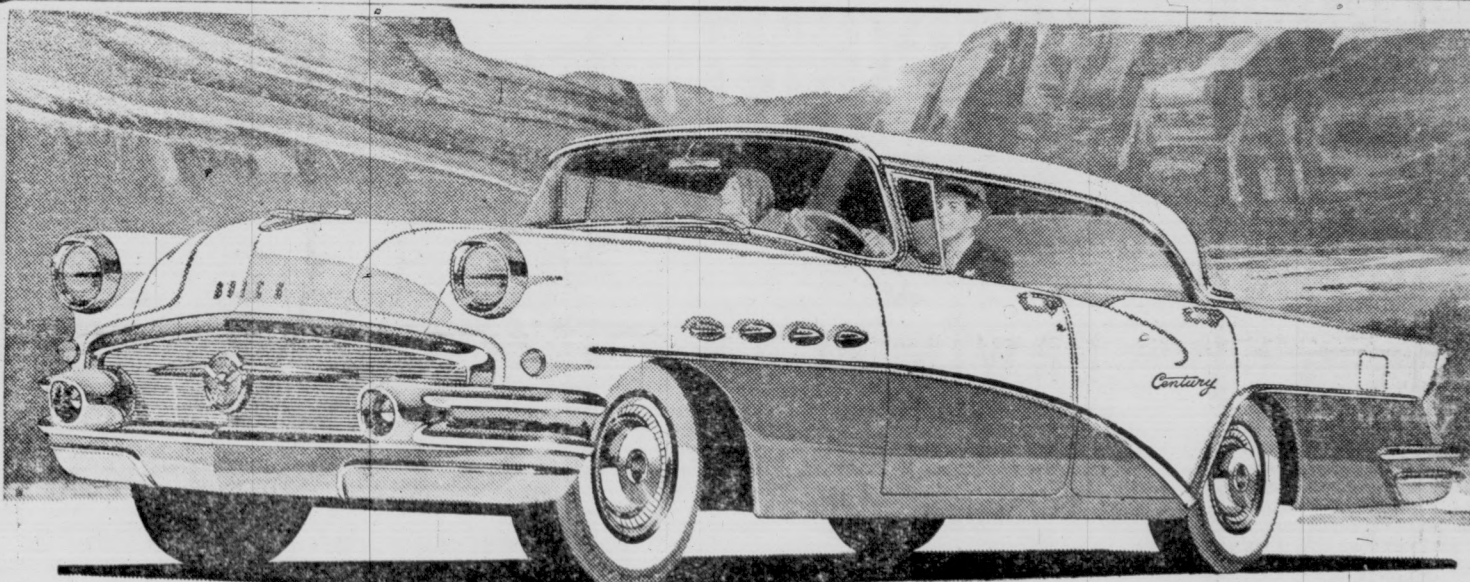

Ollie Cox of Briensburg was a business visitor in Benton Friday.

Ivy Newsome and Tom Green of Route 3 were business visitors in Benton Friday.

111 S. 2nd Paducah, Ky

Buick Century 6-Passenger 4-Door Riviera

SENSATION OF THE CENTURY -at an easy-to-take price

It's Bonanza Time at Buick Dealers!

FIRST TIME you take the measure of a '56 Buick CENTURY, you'll know what the sports-car folks mean when they say the CENTURY is a great performer.

The getaway is right away—the road feel superb—the handling a joy. For this is Buick's most spirited and spectacular car.

It has the highest power-per-pound ratio in all Buick history.

It rides on a chassis compact to the last ounce and inch.

It takes to movement like a prima

ballerina—nimble to the nth degree.

And when you press the pedal, you get the response of Buick's mightiest V8 engine and the silk-smooth wizardry of an advanced new Variable Pitch Dynaflo* that lets you switch the pitch for emergency acceleration that's the most satisfying safety measure in the land today.

As we said, the name is CENTURY.

And, as you'll discover, the price is a cinch. For the CENTURY is just a cut above Buick's lowest-price SPECIAL Series—and that's just a cut above the well-known smaller cars.

So you really ought to try a '56 CENTURY . . .

Especially now, while your present car is at its peak worth . . .

Especially now, at today's Buick prices (who knows when they'll ever be as low again!) . . .

And especially now, with Buick so solidly in the Top 3 of America's best sellers—and that kind of sales volume permitting us to make you an even finer trade-in allowance.

Drop in on us this week—today would be even better!—and see what a buy you can make right now on the best Buick yet.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

THE BIBLE SPEAKS

BY DR. KENNETH J. FOREMAN

Background Scripture: Luke 22:31-34, 54-55; James 3:1-12

Devotional Readings: Psalm 34:13-22

Why Men Fight

Lesson for September 9, 1956

IF SOME angel who had never heard of this earth, or some man from outer space living on some planet never invaded by sin, should get acquainted with the human race for the first time, probably the thing that would astonish them most would be the human hankering for a fight. Here we are, clinging to the surface of a tiny planet, with every reason to hang together; and yet to us who are born here and live here, fights are so common they seem quite natural. People quarrel at home, they get into arguments on the street, congressmen have to be restrained from fist-fights, business men are always at one another's throats, labor and management are on opposite sides, and there is even talk about the "battle of the sexes." As for nations, a man the other day refused flatly to pay a cent of income tax, on the ground that he did not believe in war and he knew that most of his tax would be spent for war, past or prospective. Nobody wants the next war, but who really thinks it will not come?

The Tongue Is a Fire

Why do men fight? Let us admit that there may be times when it is good to give battle. There have been evils, and there still are evils, which are not going to fold up and go away without a fight. But all the same, everybody with sense admits that a vast amount of the fighting we do, whether in our homes or in politics or business or in the mighty struggles between nations, simply goes to show us that we are a sinful race. Most of the fights are sheer waste of energy. Matter who wins; and matter who loses. It is the same with the tongue. The tongue, as James says, is a little thing, but it's a fire. Nobody has ever quite tamed it. The tongue is a fire, it can set the world on fire. It is a flame from hell. Of course James does not mean that that all talk is wrong. He recognizes happily the good the tongue can do. But the tongue does start fights. How many family quarrels would have died a-borning if only they and she had done one single simple thing: shut up! How many quarrels had started, and how many made worse, just by people who can't keep their mouths shut? When Hitler was about to set the world on fire, he started by talking, long before his armies took the field.

Wanting Too Much

Plain-spoken Admiral Sims once told a feminine audience in Boston that they were the chief cause of war. You have no limits to your wants, he said. Your husbands have to keep working harder to satisfy you, manufacturers have to keep looking farther and farther for the raw materials to make the things you want, and presently we get into quarrels with other nations that either want the same things or don't want us to have them; and then you have the makings of a war. Admiral Sims might have been reading the letter of James. Wanting what we don't have, wanting what we actually don't need, he says is a major reason for quarrels and fights among men. Even among Christians, because he is writing to Christians. Was the Admiral right? The reader who feels like arguing with him will have to argue with the writer James no less.

Cure for Quarrels

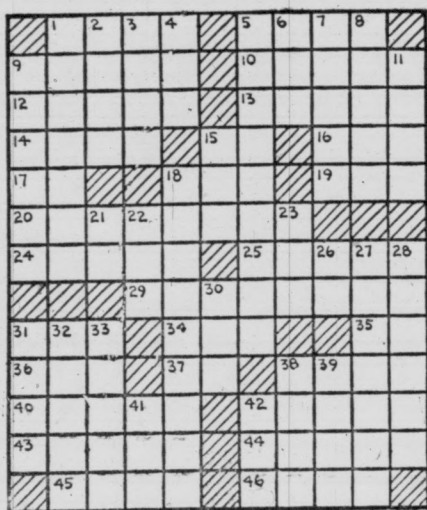

James no doubt knew as well as the Apostle Paul did that it is not always possible to live at peace with all men. But it is possible to cut down the quarrels. The secret is to see things as God sees them. Let no one say this is impossible. We not only can, but if we are to survive we must have what James calls "wisdom from above." What he means is nothing weird, out-of-this-world, impractical. "The wisdom from above is first pure, then peaceable, forbearing, conciliatory, full of mercy and wholesome fruit, unambiguous, straightforward." (Moffatt's translation.) If Christians would begin by setting the example, both in our homes and in our nations of clamping down on our quarrelsome tongues and typewriters, and living by God's wisdom, the reign of peace would be at least much nearer.

Miss Jane Rayburn
Becomes Bride in
Ceremony at Church
Miss Jane Rayburn, daughter
of Mr. and Mrs. Joe Rayburn of
1623 Walnut Street, Benton, be-
came the bride of Daymon
Dean Carper, son of Mr. and
Mrs. Joe Carper of Route 2, Ben-
ton, on Saturday, Aug. 25.
The Rev. Bill Williams read
the service at the Missionary
Baptist Church at 6 o'clock.
Attendants were Mr. and Mrs.
Kenneth Smith.
The bride wore a blue em-
brodered dress with black ac-
cessories and carried a white
corsage.
The bride attended Benton
High School and the groom is a
graduate of Prewers High School
in the class of 1956.
The couple are at home on
Route 2.

SCIENCE IN YOUR LIFE
Cook That Pork
America has one of the lowest
disease rates in the world, as most
people know. Thanks to antibiotics
and other discoveries of modern
medicine, infection is becoming a
less serious problem each year in
the U. S.
One serious blot in this other-
wise sunny picture, however, is a
parasitic disease called trichinosis.
According to the U. S. Public Health
Service, our trichinosis rate is the
highest of any civilized country
in the world.
Nearly 20 million people have
this disease.
Spectrum estimates, and of these
21 million live in the U. S. and
Canada. In its epidemic form it
may kill as many as 30 per cent
of its victims, but more often it
is mild and insidious. As few as
300 cases are reported per year,
but this is doubtless because many
of the milder ones go unrecognized.
There is no cure, but the disease
can readily be prevented. The
method of prevention is simple.
Cook all the pork you eat until it
is bone-white all the way through
with no red or even pink specks
remaining.
Trichinosis is carried by hog
who do not appear to be un-
bothered by the disease; they eat
it by being fed infected garbage.
A total of 47 states now require
that garbage fed to hogs be boiled
for 30 minutes, but the law is
difficult to enforce. Federal gov-
ernment inspection of pork to en-
sure freedom from trichinosis is
carried out only in products like
sausage or smoked ham, which are
intended to be eaten raw.
For all other pork products, you
must be your own health police-
man. Thorough cooking is the eas-
iest and safest method. Storing
the meat in a home freezer for
at least 20 days, at no higher
temperature than five degrees
Fahrenheit, is also effective, if it
is practical.

Mr. and Mrs. M. V. Coulter of St. Louis, Mr. and Mrs. Johnny Brien and sons of Danville, Ill., visited the Clifford Smiths last week. The Brien family also visited his parents, Mr. and Mrs. E. G. Brien on Route 1.

Mrs. R. H. Townsend has been on the sick list for a week or

two.

Gaylon Lane of Detroit visited his parents, Mr. and Mrs. Tom Lane during the Labor Day weekend.

Mr. and Mrs. Alfred Thompson of Detroit arrived Saturday to visit her father, Roy Phillips and Mrs. Phillips.

Rotary Club Hears Mayor O'Daniel Discuss Government

Mayor Louis O'Daniel addressed the Benton Rotary Club at its meeting Friday night in the Community Building.

O'Daniel told of the work of the city government under his administration, reporting that Benton had gained some 200 new residents in the last three years and that there now are 1,171 electric meters and 945 water meters in the city.

Mayor O'Daniel was introduced by Curt Phillips, program chairman.

Rotarian Ed Vaught reported that sweet milk retails in Benton for 50 cents per half gallon and in his home town of Illinois sells for only 37 cents per half gallon. He suggested that Rotarians might be interested in investigating the wide difference in prices.

Paul Watkins, business agent of the local carpenters union, was admitted as a new member of the Rotary Club.

The club had 100 percent attendance to maintain its place as the top club of 51 clubs in this Rotary district.

Farm Bureau Asks Benson to Help the Ky. Tobacco Farmers

Secretary Benson has been urged to permit farmers to place hail-damaged tobacco in the soil bank up to the time of harvest.

The executive secretary of the Kentucky Farm Bureau Federation, John W. Koon, asked the secretary of agriculture for this consideration.

The Farm Bureau pointed out that participation in the soil bank has "been very encouraging." The telegram said that recent hail storms have been extremely damaging to tobacco crops in the state.

"We urgently request you give consideration to reopening acreage reserve phase of soil bank to allow farmers with tobacco damaged by hail to still participate in soil bank provisions up to the time of harvest," the telegram said.

The closing date for the acreage reserve part of the soil bank for all crops except wheat was July 27.

Capture Fresh Peach Flavor In Jam

Capture some of that fresh peach goodness now and store it away for a later day. You'll be glad you did when on winter mornings your family beams over your peach jam on hot biscuits. This recipe uses the short-boil method with liquid fruit pectin, which not only is the easiest way to make good jam, but it preserves the fine, ripe flavor of the fruit.

Peach Jam
Yield: about 11 medium glasses
4 cups prepared fruit (about 3 lbs. ripe peaches)
1/4 cup lemon juice (2 lemons)
7 1/2 cups (3 1/4 lbs.) sugar
1/2 bottle liquid fruit pectin

First, prepare the fruit. Peel and pit about 3 pounds fully ripe peaches. Grind or chop very fine. Measure 4 cups into a very large saucepan. Squeeze the juice from 2 medium-sized lemons. Measure 1/4 cup juice into saucepan with peaches.

Then make the jam. Add sugar to fruit in saucepan and mix well. Place over high heat, bring to a full rolling boil, and boil hard 1 minute, stirring constantly. Remove from heat and at once stir in liquid fruit pectin. Skim off foam with metal spoon. Then stir and skim by ladle turns for 5 minutes to cool slightly, to prevent floating fruit. Ladle quickly into glasses. Cover jam at once with 1/4 inch hot paraffin.

Note: This jam may set slowly—allow about 2 weeks.

Mrs. Lillie Brown has moved into an apartment of Mrs. O. E. Gilliam, back of the Gilliam home.

Dr. and Mrs. Jack Creason of Clinton visited his parents, Mr. and Mrs. Herman Creason, during the week of the County Fair.

Gaylon Lane of Detroit visited his parents, Mr. and Mrs. Tom Lane during the Labor Day weekend.

PREJUDICED OR MISINFORMED?

NO FAIR MINDED PERSON IS EVER "DOWN"

ON SOMETHING HE ISN'T "UP" ON!

D. L. ORR, D.C.

Recently a well known business man received excellent results under our care. He understood fully that only NATURE heals, and that Chiropractors work with NATURE to restore health. One of his friends told him that he just didn't "Believe" in chiropractic. Our patient replied, "Have you been misinformed—or are you just prejudiced?" "What is it and what can you tell me about it?" Asking this question made his friend realize that he was basically prejudiced and did not understand the true facts.

After getting the "FACTS"—no hearsay—the man too, became an enthusiastic patient. Yes, more and more people are broadening their knowledge and learning and experiencing the benefits of adjustments, while others, are letting their "prejudice" kill them physically.

C. LEEPER, D.C.

We are listing below just a few of the case histories of people, just like yourself, who have had ailments of one kind or another. These people have come to the LEEPER-ORR CLINIC either on the advice of one of their friends, or of their own accord. These same people have also come to the knowledge that through chiropractic care they have been restored from sickness to health!

NERVOUS BREAKDOWN

"After two weeks of concentrated LEEPER-ORR CLINIC Chiropractic care, I began to show improvement. I am improved today to the point where I am able to go and do as I wish. I think the LEEPER-ORR care is wonderful. It is impossible to say too much about what it has done for me."

DIABETES

"I had been taking 18 units of insulin for two years. After eight weeks of LEEPER-ORR CLINIC Chiropractic care, I was able to do away with the insulin. I am now able to eat whatever I choose. This was two years ago and I have no trouble today."

HEADACHES AND STOMACH TROUBLE

"After suffering for quite sometime with headaches and stomach trouble I went to the LEEPER-ORR CLINIC. Relief was almost immediate. Today I no longer suffer with these conditions. I feel that if everyone who is sick would go to the LEEPER-ORR CLINIC, they would be better off."

ARTHRITIS

"I had tried other methods of relief to no avail. I then went to the LEEPER-ORR CLINIC and after a series of adjustments, I felt fine. I am now able to do my work and have lost no time from work as a result of this condition. I sincerely recommend the LEEPER-ORR CLINIC to everyone."

ASTHMA

After several years of suffering from this condition, the patient was brought to the LEEPER-ORR CLINIC. After the first adjustment there was a definite improvement. The patient's mother has this to say about the care received at the LEEPER-ORR CLINIC and the results: "I think it is wonderful that this can be done. I didn't believe it to be possible."

FEMALE TROUBLE

"I have been told that in order to remedy my condition I would have to undergo surgery. I went to the LEEPER-ORR CLINIC and after a series of adjustments, improvement was almost immediate. I am now doing fine. I wouldn't know where to turn if it weren't for the LEEPER-ORR CLINIC."

NERVOUS STOMACH AND COLON TROUBLE

"I had been on a strict diet for some time as a result of this trouble. I then turned to the LEEPER-ORR CLINIC and after several adjustments, relief came. I am now able to eat as I please and sleep like a baby. I recommend care received at the LEEPER-ORR CLINIC to those suffering in any way."

SINUS

"I noticed a definite improvement after the first adjustment. My condition is now clear. I certainly like the way you are treated at the LEEPER-ORR CLINIC... just like one of the family."

PROSTATE TROUBLE

"Prior to going to the LEEPER-ORR CLINIC, I had been in the hospital, but had received no relief. I then turned to the LEEPER-ORR CLINIC and relief was almost immediate. I am certainly thankful for the relief that the LEEPER-ORR CLINIC has to offer to those suffering from this condition."

These, as we have said, are just a few of the histories of patients who have found relief at the LEEPER-ORR CLINIC. Perhaps your trouble is listed here. If so, you may well find your answer at the

LEEPER-ORR CLINIC

MY HOMER MILLER

The 4-H Clubs of the county made an excellent showing in the District 4-H Club Fair in Paducah last week. Blue ribbons were received on most of the exhibits.

About 30 4-H members, leaders and parents are in Louisville attending the State Fair. They left Thursday morning by chartered bus. This is the largest number of 4-H members to ever attend from the county.

The 4-H Clubs will reorganize this month. Community and project leaders are still needed in some clubs. If you can work as a leader, contact this office.

O. L. Chumler reports harvesting 20 tons of silage per acre from a six-acre field of corn. In 1954 and 1955 over 22 acres were required to fill the same silo. Improved varieties, fertilization and moisture made the difference.

W. L. Frazier filled his silo this week. He has used silage for a number of years. Silage is a very cheap source of feed for beef and dairy cattle.

Cover crops should be seeded as soon as a crop is harvested from a piece of land. Cover crops save soil, furnish pasture and increase of soil fertility. Make your goal of seeding 100 percent of your row crop land to a cover crop.

The conservation part of the soil bank is now ready to go into effect. Contact your ASC office at their new location in the old location of the U-Tote-Em grocery on the southeast corner on the court square.

Mr. and Mrs. Joe B. Burnett have moved from New York City to Kansas City, Mo., where he will teach in a Kansas City college.

Mr. and Mrs. J. L. Johnson of Detroit are visiting the Ott Morris family in Benton.

The George Coles Celebrate Their 66th Anniversary

Mr. and Mrs. George Cole of Benton observed their 66th wedding anniversary and the 85th birthday of Mrs. Cole last Friday, Aug. 31.

Dinner guests were Mr. and Mrs. William Houser, Fayette Houser, Mrs. Imogene Rhea and daughter, Martha Rhea, Ruby Moore, Mr. and Mrs. Johnny Linn and Terry Veranda Linn.

Mr. and Mrs. Cole were wed in Metropolis, Ill., in 1890. They drove to Paducah in a buggy and went on the train from there to Metropolis. Mrs. Cole lost her wedding ring enroute, but found it by the roadside as they drove back home from Paducah.

They have six living children, three girls and three sons: Mrs. Geneva Stahl, Mrs. Oliver Darvall of Strongsville, Ohio, Mrs. A. B. Rhea; Vernon Cole of Detroit, Floyd and Uel Cole of Paducah; 14 grandchildren, 23 great grandchildren and 1 great great grandchild.

Georgia Brandon is Back From Vacation Trip to Old Mexico

Miss Georgia Brandon, teacher in the first grade of Benton School, has returned from a three-week vacation trip in Mexico. Most of the vacation was spent in Mexico City and its immediate area.

She visited the Churubusco Convent, which was of special interest to her. Her grandfather, W. S. Brown, was hospitalized there during the Mexican War in 1846.

She was accompanied by Mr. and Mrs. Richard Price of Paducah. Mr. Price is a Spanish teacher at Paducah Junior College. Mrs. Price is the former Susan Price of Benton and a niece of Miss Brandon's.

Mr. and Mrs. Howard Ivey and son left Monday morning for their home in Detroit following a visit of a week with relatives and friends here.

William B. Deloach, his wife and two children, of Tuscaloosa, Ala., visited at the Shamrock Motel in Benton with Julian Jones. He lived here at one time.

HERE'S HOW...

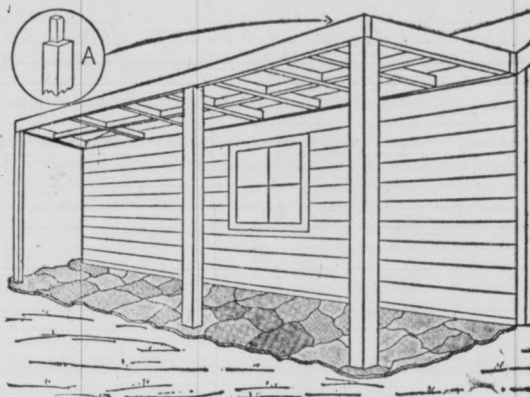

MAKE A PATIO

Family living during the summer months is more enjoyable with the addition of a patio which can double as a sheltered play area the rest of the year.

Decide if the roof is to be covered permanently or only in the summer. If permanent, use 4 by 6's for the frame and 2 by 6's for the rafters. With a temporary summer covering, 2 by 6's and 2 by 4's are used. The patio shown is for summer use.

Grade the patio area to provide drainage. Cut all lumber to the proper length, squaring the ends. Lengths will vary with individual situations. End posts are 4 by 4-inch lumber of decay resistant or treated wood. Allow 3 feet underground. Cut out the top of the posts as shown in A to fit the frame. Set the posts in concrete. Nail a 2 by 6-inch board to the building along or just under the roof edge. Attach the 2 by 6 frame. Next attach the 2 by 4-inch rafters every 2 or 3 feet. Toenail the horizontal bracing in place along the center of the rafters.

Use a temporary waterproof covering on the roof in the summer, or for a permanent covering, nail strips or boards across the roof. Paint or stain.

Mrs. Leota Norsworthy of Murray visited Mrs. Gussie Wyatt last week.
 Leroy Phelps of the county was in Benton on business Saturday.
 Mr. and Mrs. Pete Thompson of Symsonia were business visitors in Benton Saturday.
 Dorsey Hill of Hardin Route 1 was in town Saturday on business.
 Mr. and Mrs. Fred Chumblor of Route 7 were among the many county visitors in Benton Saturday.

PADUCAH JUNIOR COLLEGE

Fall Registration

Friday, September 7 — 9 A.M. to 4 P.M.

Saturday, September 8 — 9 A.M. to 5 P.M.

All engineering, science, and healing arts freshmen should register Friday morning, as the classes in general chemistry must be limited. Sophomores changing programs or taking freshman mathematics or chemistry must register at the same time.

NIGHT SCHOOL

Registration

Saturday, September 8 — 1 P.M. to 5 P.M.

Monday, September 10 — 6 P.M. to 7 P.M.

Classes Begin at 7:00 P.M.

Night school students are urged to register on Saturday afternoon. Veterans will find it financially profitable to register on this date and will probably expedite the processing of their first check by early registration.

Arrangements have been made by employment of additional staff and the adding of additional sections in English and mathematics to accommodate all students expected to enroll this fall in both day and night classes.

Patio Luncheon is Held at Paducah by The Arthur Traveses

A patio luncheon was held on Aug. 26 at the home of Mr. and Mrs. Arthur Travis on Paducah Route 4. Mrs. Travis has been an invalid for 23 years.

All of the Travis children were present except Asher Travis and his family and Mrs. Doris White and her family, all of Memphis, Tenn. All of the Clark family were present except one of Mrs. Travis' sisters, Mrs. Ola Ferguson of New Concord, in Calloway County.

At 1 p.m., luncheon was served on the patio to the following persons:

Mr. and Mrs. John Tichenor and daughters, Fatty and Betty; Mr. and Mrs. Daniel Travis and son, Art, of Princeton; Mr. and Mrs. Sycamore Travis and son, Donnie, of Benton; Mrs. Klondal Kammer of Massillon, Ohio.

Mrs. Mary C. Jones and daughter, Jackie, of Paducah; Mr. and Mrs. Milus Clark and son, Neil, of Detroit; Mrs. Velma Borders, Mr. and Mrs. J. E. Shell; Mr. and Mrs. L. L. Clark; Mr. and Mrs. Curtis Wilkinson and grandson, Jimmy Lecker; and Mrs. Ida Sirls of Hopkinsville.

Mr. and Mrs. Hlete of Hopkinsville; Mrs. Ruby Grimes of Paducah; Harold Holland of Benton; Bob Pillow of Fulton; and the hosts, Mr. and Mrs. Arthur Travis.

OCT. 14 IS DESIGNATED AS GRANDMOTHER'S DAY

Frankfort—Gov. A. B. Chandler has signed a proclamation designating the second Sunday of October National Grandmother's Day in the Commonwealth.

The Federation of Grandmother Clubs of America is making this a national event. This organization is devoted to encouraging cooperation, companionship and fellowship among older women. The NFCA's objective is to honor grandmotherhood and to promote a better understanding among members in this period of life.

The organization is non-sectarian and non-profit and devoted entirely to the welfare of women in the autumn life.

County Soil Notes

By HERBERT ANDERSON

The Agricultural Stabilization and Conservation office of the Soil Conservation Service moved to new office space at 1201 Poplar Street in Benton last Thursday. This is the building formerly occupied by U-Tote-Em grocery store.

Leemon Downing and Clifton Mason, Brewers, have completed the digging of a drainage ditch. The ditch will furnish an outlet for water draining from 50 acres of bottom land.

John Rayburn, south of Fair-dealing, has cleared about eight acres of land which will be seeded to fescue for pasture. Part of it was a wet area around a spring. A diversion ditch was cut to intercept the seepage water from the spring. The diversion, dug by a bulldozer, will also collect water for a 20 acre watershed and keep it from spreading out over the bottom land.

Ollie J. Jones, Auburn; Henry E. Lee, south of Unity Church; John Rayburn, H. B. Tarkington, Sharpe; W. P. Pritchard, west of Scale; and Dannie Edwards, east of Benton on the Dogtown road became cooperators of the Marshall County

Soil Conservation District during August. Reece Barrett, Joe Lofton, G. W. Lofton, Will Barrett, Hardin Lofton, Rudy Peck, Obert Lofton, Lee Story, and Arvel Norris attended the third of a series of meetings in Cypress Creek Watershed last Friday night.

In a discussion following the meeting all agreed the watershed method of soil and water conservation was a good working tool. By using this method neighbors can work together in planning and applying a complete watershed protection program.

The prospects look bright for the formation of a Cypress Creek Watershed District. Once this local organization is formed, the people can work through the board of directors in securing Federal and State participation in the planning and establishment of a watershed project.

Mr. and Mrs. Everett East of Route 2 were shoppers in town Saturday.

Mrs. Merlin Wyatt and Mrs. Hulet Burd were Friday shoppers in Paducah. S. P. Johnston of Route 1 was in town Saturday on business.

THINGS TO TALK ABOUT

BY FRANKLIN J. MEINE
