TRUCK REGULATIONS AROUSE FULTONIANS

Opening of the Chamber of Commerce office Monday night, Joe Darrow stated that the new truck regulations are working out smoothly. He said that a 10 and 15 mile per hour speed limit is in effect in Fulton. A lot of business is being done. He added that the matter to ascertain fully how the law and what may be done to comply with it.

It seems that the law makes necessary for truck owners to go through a new licensing process, which may involve a month of waiting. This is causing many problems for owners of trucks.

Robert Williams is a truck owner who has been affected by the new regulations. He stated that he has been unable to get a license for his truck because of the lengthy process involved.

Walter Avery, another truck owner, said that he has been forced to stop his operations temporarily due to the licensing process. He is concerned about the impact this will have on his business.

DO YOU SEE?

By MISSY

William Henry Edwards, head of the Bennett Electric end preparing to fix a new front. The Bennett Electric office was vandalized earlier this week, but the staff is determined to continue serving their customers.

John Daniel, watching the workmen, has been busy cleaning up the office after the incident. He expressed his gratitude to the workers for their hard work.

Ruth Allen, coming from the office, is planning to attend a meeting later today. She mentioned that she is looking forward to discussing the new regulations and how they affect her business.

WILKINS - Wednesday is the day the board is holding the meeting in the city hall. The public is invited to attend and provide their input on the proposed regulations.

The meeting is scheduled to begin at 2:00 PM. Attendees are encouraged to arrive early to ensure a spot.

SIXTH APPLICATION

The last community center meeting was held on Wednesday evening. Attendees discussed the current status of the center and the progresses made towards its completion.

The center is expected to be completed by the end of the year. The community is eager to see the facility open and ready for use.

WALTER JAMES DIED IN MEMPHIS

Mr. and Mrs. W. James of Westville have received official notice of the death of their son, Walter James, who was killed in a tragic accident in Memphis. Walter James, 24 years old, was the youngest of three children.

Funeral services will be held at the Westville Methodist Church on Saturday morning. The family requests that donations be made to a charity of their choice in memory of Walter James.

BASEBALL DIRECTORS PLAN 1941 SEASON

Director of the Fulton Baseball Association, Mr. E. J. Bacon, announced plans for the upcoming season. He stated that the league will be divided into two divisions, each consisting of six teams. The season will begin on April 15 and conclude on August 15.

The league will feature a double-round-robin format, with each team playing every other team twice. The top team in each division will be declared the champion.

Clinton Tales

Regional Tourney

Gordon High of Clinton won the Regional Tournament on Thursday night. The team defeated Finchville High in the final round by a score of 3-2.

The Regional Tournament is a prestigious annual event that draws teams from across the region. The championship game is always highly anticipated, and the atmosphere is electric.

Mayfield Missouri

Mayfield Missouri is a small town located in the heart of the Midwest. The town is known for its friendly community and its rich history.

One of the town's most notable features is the historic Mayfield Theatre, which was built in 1920. The theatre has been restored and is now used for various cultural events.

Another attraction is the Mayfield Farmers Market, which takes place every Saturday morning. The market features local produce, arts and crafts, and live music.

Fire in Murray

A fire in Murray was reported to have started on Wednesday night. The cause of the fire is currently under investigation.

Local residents are advised to stay vigilant and follow safety precautions.

Students To Enter Spalding Next Month

Twelve students from Fulton High School will enter Spalding University next month. They are chosen based on their academic performance and extracurricular activities.

The students will be welcomed as part of the incoming class at the university. They will have the opportunity to pursue their academic and personal goals.

The University

Spalding University is a private institution located in Louisville. It offers a wide range of undergraduate and graduate programs.

The university is known for its commitment to academic excellence and providing students with opportunities to develop leadership skills.

Music Festival at Murray March 21-22

The Regional Music Festival will be held at Murray State University on March 21-22. The event features a variety of musical performances, including vocal and instrumental soloists and ensembles.

The festival is open to all students and provides an opportunity for them to showcase their talents.

The Music Festival is an annual event that brings together music students from across the region. It is a highlight of the academic year and a source of pride for the community.

The Fulton County High girls' trio, composed of Kaye Johnson, Beverly Green, and Barbara Davis, will be performing at the festival. They are excited to represent their school and contribute to the event's success.

The trio has been practicing diligently and is looking forward to the performance. They have prepared a diverse repertoire of songs and are eager to share their love for music with the audience.

The festival is free and open to the public. Attendees are encouraged to come and enjoy the music.

The Music Festival is a testament to the talent and dedication of the music students at Fulton County High. It is a celebration of their hard work and a testament to the power of music.

The festival is a source of pride for the students, faculty, and community, and it is an opportunity to come together and enjoy the joy of music.
