EASTER SERMON

Rev. 1101., •it Rucker- who was ad• ed out that the 4-H club, hoys and girls, the March 11, 1914, Floyd County News, p. 10:

"The empty tomb is God's victory over death. It is the victory of life over death. The empty tomb is God's promise of resurrection. It is the promise of life to all who believe in Him. The empty tomb is God's assurance of eternal life. It is the assurance of salvation to all who trust in Him. The empty tomb is God's evidence of the resurrection. It is the evidence of the truth of the gospel to all who hear it. The empty tomb is God's proof of the resurrection. It is the proof of the power of God to all who see it. The empty tomb is God's demonstration of the resurrection. It is the demonstration of the efficacy of the gospel to all who study it. The empty tomb is God's confirmation of the resurrection. It is the confirmation of the faith of all who believe it. The empty tomb is God's confirmation of the resurrection. It is the confirmation of the faith of all who believe it."

A DESCENDANT OF BARON MUNCHHAUSEN

BY DOUGLAS S. COBB

DOUGLAS' son, or maybe his son's son, iif there were any, came from that part of the country, as I suppectfully feel of New England origin. Indeed, he gave me to understand that his first forebear had been a colonist. It is a fact that a great deal of the early history of the county was quite romantic, and one might as well say that his first forebear had been a colonist. It is a fact that a great deal of the early history of the county was quite romantic, and one might as well say that his first forebear had been a colonist.

The story of the descent is so well known that it need not be repeated here. It is a matter of public record, and the genealogical society has long since made it available to all who are interested in the matter.
