FORTUNES OF 1000 YEARS AGO

WASHINGTON, D.C. — The new program designed to raise more than $100 million in the form of direct profit taxes by the Treasury has been proposed by the chairman of the Federal Reserve Bank, Mr. John D. Rockefeller, Jr., in his annual message to Congress.

The chairman's program, which is supported by the major banks and businesses, calls for a 10-cent per pound tax on all goods and services, with the proceeds to be used for national defense and economic stabilization.

The tax would be levied on all goods and services, including food, clothing, housing, and transportation. The chairman believes that this tax, which would be in addition to existing taxes, would not significantly affect the economy.

He also emphasized the need for a strong and stable currency, and called for the establishment of a central bank to control the supply of money.

Mr. Rockefeller said that the new tax would help to finance the war effort and prevent inflation. He added that the tax would be temporary and would be eliminated after the war.

He concluded by saying that the United States must be prepared for any possible contingency and that the government must act quickly and decisively to ensure the nation's safety.

WASHINGTON, D.C. — The President today proclaimed a national emergency and asked Congress to appropriate funds to meet the crisis.

The President said that the crisis was caused by the war and that the United States must be prepared to meet any emergency that may arise.

He added that the government must have the power to take necessary actions to ensure the nation's safety.

The President called for a special session of Congress to consider the appropriation of funds and said that he would sign any legislation that was passed.
CLUB LADY HOSTS WITH MANY GUESTS

Miss Tommie B. Gates and Mrs. Nellie Demaree were honored at the annual banquet of the Fulton Woman's Club with three tables of contract players. The committee consisted of Mrs. L. C. Boop, Mrs. B. B. Aiken, and Mrs. Ruby S. Harrington.

Mrs. Edna Batts entertained her friends with a game of pinochle as the main event. The guests included Mrs. Russell T. Grigg, Mrs. L. W. Harrington, and Miss Ruth Newton-Early of Memphis, and one tea guest.

Mrs. Batts was high scorer for the afternoon and Mrs. W. I. Shupe, second highest. The two hostesses served light refreshments late in the afternoon. Mrs. Cluade Shelby and Mrs. Sam Oates, at their home on Central Avenue, hosted a similar gathering in honor of Mrs. J. F. Sharkey, superintendent of schools.

DON'T BLITZ your own GAS BUSTY

"Too little too late" has yelled early collapse for a lot more cars than you'd realize.

Too little attention to servicing requirements that don't immediately impress, too lazy attention to prevent wear from getting worse.

Of course, you don't mean to "blitz" your gasoline, but just as you mean to do to us, so do the hard-working car owner, try to keep each one of all necessary symptoms when there should be no symptoms.

Q&A: C. S. service does not cost you. Just call us if in doubt. Or bring in your car with you and we will examine any car even less than interference.

Come in and let us prove to your satisfaction that we're a gas relief operation.
