NO PEACE IN DEFEAT

Hitler needs another victory. The French people are waiting for him to make another move... The French people, even in defeat, have the right to full peace and justice. France, the birthplace of liberty, will not be defeated by force. The French people have the right to live in peace and prosperity.

**SPORT TALK**

The Tigers are pretty fortunate in the signing of two players over the week-end. With chanced gone to the Detroit Tigers in the person of Leo Feret, the limited position behind the plate has been filled for the rest of the season. Mr. Feret, who has one of the better records in the Major League, is expected to replace the ailing catcher, and his expected presence behind the plate will give the Tigers much-needed help. He did not hit quite as well as Ivy did, but he is a dependable catcher, which is necessary in the National League. Feret figures to hit better after the regular season, as it is quite likely that this form did last. In other words, he has pretty good form at the plate, and has been known to hit .300 in the past, in a long season. The Tigers will need to find a pitcher for the Tiger staff. With the exception of Workman, who won two games during the season, the team has been hitting better in the past. In order to keep the Tigers in the hunt, the team will need to find a pitcher. Thomson worked in a total of 15 games during the season, and with two points lower for Ivy, he did not hit quite as well as Ivy did. Thomson figures to hit better after the regular season, as it is quite likely that this form will begin to show itself. Last year he hit .261 for the Tigers in 15 games. He hit .300 during three games, and with the team's play, he figures to hit better after the regular season, as it is quite likely that this form will begin to show itself.
