British Forces Are Now Moving Against Vichy Navy Base In
Indian Ocean, With Commandos, Infantry and Marine
Troops Taking Part In Blazing Campaign

The British are making a move to take a Vichy Navy base in the Indian Ocean. With commandos, infantry and marine troops, they are launching a fierce attack on the base. The attack is expected to be swift and decisive, and the British forces are expected to emerge victorious. The base is a strategic location, and its capture will be a significant blow to the Vichy forces. The British forces are well-prepared and equipped, and they will be able to take advantage of their superior firepower and tactics. The victory is expected to boost the morale of the British forces and strengthen their position in the region. The operation is expected to be completed within a few days, and the British forces are expected to return to their bases in good order. The operation is a testament to the skill and bravery of the British forces, and it is expected to be a significant victory for the Allies.

Paper Stock Is Undergoing Many Changes

Paper for letterheads and envelopes is slowly undergoing many changes. Bond papers will be dingier, will lack the white cracking finish they have known for many years. Probably the price will be higher also.

We still have some stock on hand of the better finish. Better order some letterheads today.

In short center. The latter made a good throw for Pavoris, but the wire and fell into Gearing's hands. The fielder at once stole second. He rode home on Hamby's smash down fourth, and the Union City left hander gave up eight hits, but the Tigers had plenty of trouble with him, except for the timely hits which came late in the game. Howe fanned seven and walked one.

The Tigers again edged Union 3 -hit pitching of Johnny Bar-ter and cantered into the lead. In the fifth inning they scored a double digit hit. Howe fanned three, and a fly single was driven into the right field corner. The fielding gave of the moves was turned in by Held at short for the third. Held, who just two prior games had driven in all the runs, was back in form. He had a plate and appeared to be in the groove with his gloved hand on the ball short of his third of the third. Howe fanned seven and walked one.

The field game of the series is better played tonight and then the Tigers go to Bowling Green for two games. They will return here Saturday to start a three-game series with Hopkinsville.

Chester Murrell Has Interesting Picture

Chester Murrell has an interesting picture at the city fire department which shows the group of men employed in the freight office here in May, 1981. Chester's father was the one who said that at the time the picture was made the freight office was somewhere near the Whistle street crossing just above the bridge. Later, he said, it was moved over to the house past the bridge, and the freight office was the building where the Legg Produce office is now.
