Fall Of Corregidor Opens Up

Washington, D.C. — To-day's...
Modern Oil Range Fits the Times!

• Yes it's the modern Perfection Oil Range. No other range fits today's needs so well. In addition to the savings in time and the economy of a fine cooking service, you get the finest in range service. Let us show you how to operate this range. It will save you time in any kitchen. The range is well favored by anyone who has had the experience of owning a modern oil range. It is the only range that will fit the needs of a modern home. It is the only range that will save you money. It is the only range that will give you the best in cooking service.

Don't delay. See them today.

Oil Stove stocks may be found anytime.
