**NEWSPAPERS AND PEOPLE STUDY NATURAL FLOWERS OF ITS ADOPTION.**

The idea in Deep Rooted and Indestructible Advocates Carry the Cause.

At one time it was believed that the tobacco flower was a sin of nature. But it has now been adopted. The thought of natural flowers was a dream only, but now it is a reality. Some of the natural flowers are now being grown in public parks and private gardens, and the flowers are becoming very popular. The natural flowers are very much more beautiful than the artificial flowers, and the natural flowers are more fragrant than the artificial flowers. The natural flowers are also more durable than the artificial flowers.

Efforts to Force Rehkopf Establishment Into Bankruptcy

ORDERS CAME YESTERDAY FROM UNITED STATES COURT DIRECTING FIRM TO SHOW CAUSE WHY IT SHOULD NOT BE FORCED INTO BANKRUPTCY. THIS ORDER WAS ISSUED AT THE REQUEST OF THE E. Rehkopf Saddlery company making an assignment, and is the result of the E. Rehkopf Saddlery company's suit, which was filed in September, charging that the firm is unable to pay its debts. The papers in the case were filed in the United States Court yesterday, and were served by Deputy United States Marshal Wade Brown.

The bankruptcy papers, like all the bankruptcy cases, are completed and ready for occupancy.

The papers to force the firm into bankruptcy were signed by the Plater-Veuger company of Massachusetts, the J. S. B. King company of Louisville, and the L. M. Stephens company of Paducah. The last-named company is owed about $348.45 on account of goods bought of them, while the other suits are against the E. Rehkopf Saddlery company, and not the Rehkopf firm.

In addition, the bankruptcy papers show that the E. Rehkopf Saddlery company, and not the Rehkopf firm, is the defendant in a suit for $2,000 damages, because of the failure of the Rehkopf firm to pay a $2,000 debt.

NEGRO QUESTION STIRS SOUTH

CONSERVATIVE MEN PEAR OTHER RACIAL CLASSES

When the new Negroes, who have been sent from the South, begin to
make themselves felt, the Negroes of the Western States will be
alarmed. They will see that the results of the work of the new Negroes
are not what they expected. They will begin to think that the work
has not been successful, and that the Negroes of the Western States
are not going to be able to resist the new Negroes.

The Negroes of the Western States are not going to be able to
