TRUSTEES SUSTAINED DECISION OF ARBITRATION COMMITTEE

MISS EMMA MORGAN ELECTED TO PRINCIPALSHIP OF Mc-
KINLEY SCHOOL NEW ROOM NEAR AT WASHINGTON BUILDING, AND ALSO ONE AT MAKIN-
GLOVER'S BUILDING—BAD WEATHER THRESHER DOES NOT COUNT

This to his persons, the majority of the school board last evening voted to confirm the decision of the arbitration committee sustained by them over the principalship of the McKinley school. The action of the school board was taken in accordance with the recommendation of the city solicitor, Mr. Harry E. White, that the arbitration committee's decision be sustained.

The vote of the board was four to one in favor of sustaining the arbitration committee's decision. The board members present were: Mr. W. B. Jordan, Mr. J. W. Fetter, Mr. J. H. Morris, and Mr. W. B. Waltrip.

Judge Reed of the circuit court yesterday ruled that the report of the arbitration committee be sustained, and that the principalship of the McKinley school be awarded to Miss Emma Morgan. The decision of the court was based on the fact that the arbitration committee's decision was not contrary to law, and that the board of education had no right to refuse to sustain the decision.

The decision of the court is expected to be appealed to the supreme court.

The report of the arbitration committee was as follows:

"The arbitration committee, after a full and fair hearing, finds that Miss Emma Morgan is the most suitable person to fill the position of principal at the McKinley school. The committee recommends that the principalship be awarded to Miss Morgan, and that she be paid $1,800.25 per year for her services."

The corporations and franchise
grabbers are not only busy in Pa-
denburg but also in Louisville.
Cases are coming in from both
places vons upon a franchise that
has been so long drawn out that
nobody knows when the city will
receive it.
It is understood that it may be
sent to the governor for his signa-
ture. The measure has been ordered
for the third reading on the floor
of the house, but it is expected that
the mayor's veto will be sustained.
The mayor has already voiced his
protest against any further consid-
eration of the bill.

The disagreement between the
mayor and the corporation council
has gone on for weeks, and it is
expected that the mayor will veto
the bill if it reaches his desk.

Bad Wreck at Murphysboro

Head-End Collision with PASSENGER TRAIN HERE AT 3 O’CLOCK.

The passenger train due at 3 o’clock from Nashville was involved in a collision on the Illinois Central railroad, forcing a delay of over an hour. The train was pulling into the station when it hit another train coming from the south. The collision caused widespread damage to both trains and disrupted service for the rest of the day.

Divers to Locate Bodies

Remains of Two L. & N. Engineers Were Yet Recovered.

A telegraph from the railroad company stated that the train had hit a deadlight and killed two engineers. The search for their bodies continues, and the investigation will determine the cause of the accident.
