POOR FARM KEEPER NAMED

WILL THOMPSON SELECTED AS ONE TO HAVE CHARGE OF INSTITUTION.

COMMITTEE DIREC TED ABOUT FURNISHINGS.

JUDGE LIGHTFOOT TO HAVE SUPERVISION OF POOR FARM KEEPER.

Much of the time was taken up yesterday by the Paducah city council considering conditions pertaining to the new county commissioner's house, now under construction, for which a contract has been awarded for a term of two years, to succeed Judge Lightfoot, who has charge of the old farm, but who will not hold the position for re-election. It was decided that the keepers hereafter shall be chosen by the county commissioner, his salary to be $2,000 per year for each term he is in office, and that the keeper of the poor farm will be under the county commissioner, his salary to be $2,000 per year for each term he is in office. The Poor Farm Committee $3 per month will be kept looking after the new house.

The council is in strict adherence to the committee, and the building committee is composed of Judge Lightfoot, John Burnett, and James Lang. Judge Lightfoot was elected as the committee to arrange for it, the salary paid by the city, and was ordered that $1,000 be paid for the first month. It was said that the council understood that the committee was in charge of the building, and that the keeper of the poor farm, as the chairman of the council, would be in charge of the house. WASHINGTON, Oct. 4—President Wilson in Washington declared that he was ready to intervene in Cuba if necessary, upon the advice of his Cabinet. It is explained that while under the Platt Amendment the President has power to intervene in Cuba, there is uncertainty as to how far he may go in the matter of aggression, but, in any event, on any day that the war in the island continues, the President will be ready to act.
