Note: The text is a mixture of news and obituary entries, with a focus on local events and community activities. The content is typical of a small-town newspaper, providing updates on local sports, politics, and community affairs. The format is similar to a typical news article, with headlines, subheadings, and paragraphs. The text is set in a readable, serif font, with paragraphs formatted for easy reading. The layout is standard for a newspaper, with a clear division between different sections and articles. The text is written in a formal tone, typical of news reporting, with a focus on providing accurate and timely information to the community.

Thanks...

I want to thank all my friends and all who supported me in the election. I am proud of the friends that I have made and feel that my efforts were not lost.

Curtis Be.

JOHN B. ROSE

Our loss...

... the nation's gain

Each one of the many men who are daily stepping out of the stream of things that make up the uniform of our nation's daily life is a contribunor to the telephone organization, but is valuable, too, to our nation's defense. They are men already trained, self-disciplined and educated by the very nature of their work. They are selected, after the severest tests, to fill the vacancies that developed in the telephone organization, but they are selected, too, to fill the vacancies that developed in the telephone ends of service.

When these telephone men are performing their duties to the nation, they are performing their duties to our nation's defense.

Greatest of all, they are helping to maintain the war effort in the cause of freedom.

When We Urge You to Buy Used Cars

Yes! 1930 and 1931 Makes

When you buy a used car, you are buying a car that has already done the hard work of proving itself. It is likely to be in better condition than a new car because it has had the benefit of a thorough inspection before it was put on the market. Used cars are often more economical to operate than new cars because they are more fuel-efficient. They are also more likely to have had regular maintenance and repairs, which can help ensure a longer lifespan.

But not all used cars are created equal. Some may be damaged or have underlying issues that are not immediately apparent. It's important to do your research and consider factors such as the car's history, maintenance records, and any visible or hidden damage.

We recommend:

1. Research the make, model, and year of the car to understand its market value.
2. Check the Carfax or AutoCheck report for any accident history.
3. Have a professional inspection done to assess the car's overall condition.
4. Test drive the car to ensure it meets your driving needs.
5. Negotiate the price based on your findings.

By taking these steps, you can increase your chances of finding a reliable and affordable used car that suits your needs and budget.

MANY LATE MODELS NOW ON SALE

Some 1930 and 1931 Makes

You will find a wide selection of good Used Cars on display in our showroom. Don't delay about buying or trading for a better automobile.

SARATH TILDEN IN THE HOUSE.  

Preservation of Shedd Lake as a nature study spot has been achieved by the improvement of the lake and the elimination of any discharge into it. The lake has been restored to a natural state, and the surrounding area has been made more attractive. The lake is now a peaceful and scenic place to visit.

IN TIMES OF NEED, PART OF KEELBOAT LAKE.  

The project to improve the lake is a joint effort of various organizations and individuals. The local community has contributed funds and labor to ensure the success of the project. The lake is now a valuable resource for recreation and education.

In summary, the preservation and improvement of Shedd Lake are the result of collective effort and vision. The lake has been restored to its natural state, and the surrounding area has been enhanced. This project serves as a reminder of the importance of preserving our natural resources for future generations.

DOYERSBURG, TENN.

A beautiful, new front was built to the building which was completed by the Pittsburgh Plate Glass Co. Other improvements were made to the exterior of the building which gives it a modernistic appearance. The color scheme is composed of harmonizing colors, selected by the Pittsburgh Plate Glass Co. and installed by Mid-South Neon Co., of Dyerburg, Tenn., which is located so that it is visible for several blocks.

Carson H. Reed purchased the Smith Cafe, including the famous "Sizzling" Steaks, which were a favorite of patrons alike. Mr. Moss advertised "Steaks Belong to Me." J. H. Forbes "Blue Mountains" Coffee has been a great success, and has been a Smith Cafe. It is a favorite of those who like a cup of good coffee.

Grade A Raw Milk is furnished fresh daily by City Dairy and operated by Clint E. Reeds.

The latest improvement to be made by Mr. Moss is the new Bar and Counter, which was purchased from the Mid-South Neon Co., and the finest restaurant equipment store in the country.

Another special convenience for the patrons of the Smith Cafe is a public address system which is installed over the street from the cafe. This was installed by Clint E. Reeds, who owns the property.

FULTON COUNTY NEWS, FULTON, KENTUCKY
CELEBRATING OUR 6TH ANNIVERSARY WITH A VALUE-ADENDING TIRE SALE

Six Years ago we opened our station in Fulton, bringing motorists of this vicinity high quality petroleum products at the lowest prices. Since that time the volume of our business has steadily grown, and improvements and enlargement of facilities for serving the public have been necessary. We are grateful to those who have patronized us, and shall continue to lead the PARADE FOR QUALITY PRODUCTS AT MONEY - SAVING PRICES. Satisfied customers have enabled us to grow and meet an ever-increasing demand for the service and prices we offer.

YOUR "U. S." SERVICE MAN SAYS:
Don't try to squeeze that last thousand miles out of a worn tire!
That's dangerous; economy because your family's safety is precious and accidents are expensive. Besides, we'll pay you more for your unsafe worn tires than they're worth to you when we put on "U. S." quality tires.

Enjoy the longest-lasting safety and money-saving mileage of U. S. ROYAL DELUXE

1. GREATER PROTECTION AGAINST BLOW-OUTS! "Every cord "safety bonded," every ply a value-giving OUTS!"
2. GREATER PROTECTION AGAINST SNOW! Famous "Dual Trac" safety combines knobs, grooves and grooves to give you quicker, straighter, safer driving in all snows and rains.
3. GREATER PROTECTION AGAINST WEAR! Tempered Rubber, knobby, deeper non-skid design gives you more non-skid mileage.

U. S. Royal Delux
600x16 FIRST QUALITY IN MOST POPULAR SIZES
Now only $8.90

These prices apply only when you buy four or more tires and have good used tires to trade-in.
