## Dear Abby

## Priest unloads own woes at confession

By Abigail Van Buren

DEAR ABBY: I can't receive a personal reply because my mother has the habit of "accidentally" opening my mail. I'm a 35-year-old widow. My husband died last year, and I'm back home living with my parents.

I attend church regularly. A month ago, during confession, the priest, who's about my age, suddenly said "You people think YOU'VE got trouble—what about me?" Then he started to unload all his problems on me. I felt utterly helpless and ill-equipped to listen to him. I told him I sympathized with him, and then I left. The next time I went to confession, he did the same thing, only this time he got very emotional and broke down and cried.

I really like this priest, and don't want to get him into trouble with the church, but I dread going to confession again. He seems perfectly all right otherwise, but there must be something wrong with him. How can I help him?

FEELING HELPLESS

DEAR HELPLESS: You can urge him to see a doctor. Like any other man, a priest can have a nervous breakdown, and it appears that that is what is happening to him.

DEAR ABBY: I have been going with this gentleman for six years. We both lost our mates, and we seem well suited for each other. He says he wants to marry me EXCEPT he loves his lovely old home and garden, and will not leave it. I also have a lovely home, which I would have to give up, but I feel that we both should close the doors on our pasts and start new lives together.

He says I should give him time. How much time should I give him?

ORLANDO

DEAR ORLANDO: How old is he?

DEAR ABBY: My husband and I are organic vegetarians, but our best friends aren't. We do many things together but we've never made a point of the fact that we're vegetarians.

They are constantly inviting us over for dinner. They invariably serve meat, and just the smell of meat cooking makes me sick to my stomach. Everything else they serve is either out of a can or from an "add-water" package.

We have quietly endured the meals at their home because we don't want to get them mad at us. How can we turn down their dinner invitations without jeopardizing our friendship? I don't know how many more of their dinners we can take.

YECCH

DEAR YECCH: You should be able to tell your "best friends" that you are vegetarians and as such do not eat meat. With the price of meat the way it is they may not be as "mad" at you as you think.

CONFIDENTIAL TO E. M.: "He who cannot forgive others, breaks the bridge over which he himself must pass if he would ever reach heaven; for everyone has need to be forgiven." [Herbert]

Problems? You'll feel better if you get it off your chest. For a personal reply, write to ABBY: Box No. 69700, L.A., Calif. 90069. Enclose stamped, self-addressed envelope, please.

For Abby's booklet, "How to Have a Lovely Wedding," send \$1 to Abigail Van Buren, 132 Lasky Dr., Beverly Hills, Cal. 90212.

## Your Individual Horoscope

Frances Drake

FOR FRIDAY, APRIL 26, 1974

Look in the section in which your birthday comes and find what your outlook is, according to the stars.

**ARIES** (Mar. 21 to Apr. 20) ♈  
Some challenges indicated in your work area. To handle, study ALL psychological factors. Your motivations as well as those of others will be an essential part of the picture.

**TAURUS** (Apr. 21 to May 21) ♉  
Leave nothing to chance; stress your innate meticulousness for detail and accuracy. In discussions, try to persuade gently, not with force.

**GEMINI** (May 22 to June 21) ♊  
You may make a discovery — both unexpected and profitable. Your clue lies in reading between the lines, studying the "fine print."

**CANCER** (June 22 to July 23) ♋  
Do not conclude a matter before all facts are known or a full chance for research given. You could be tricked into inaccurate moves if not wary.

**LEO** (July 24 to Aug. 23) ♌  
Stellar influences beneficent. Dovetail activities with those of associates. Joint performances, properly planned, should produce fine results.

**VIRGO** (Aug. 24 to Sept. 23) ♍  
Be extremely careful to discriminate between rumor and fact, not to accept hearsay as accurate information. Some deceptive trends prevail.

**LIBRA** (Sept. 24 to Oct. 23) ♎  
Aspects not too friendly. Be tactful in speech, cautious in finalizing agreements. Some tricky spots indicated.

**SCORPIO** (Oct. 24 to Nov. 22) ♏  
Mixed influences. Some fine advantages possible, but it will be important to watch the budget and not to overcommit yourself to future expenditures.

**SAGITTARIUS** (Nov. 23 to Dec. 21) ♐  
Especially favored now: speedup action on pending projects; making revisions in ventures that didn't quite jell previously, real estate interests.

**CAPRICORN** (Dec. 22 to Jan. 20) ♑  
Friends and associates are working for you in the background, and you should soon profit from some efforts you have long since forgotten.

**AQUARIUS** (Jan. 21 to Feb. 19) ♒  
Some interesting situations indicated, but certain tedious matters will require attention nonetheless. Pep them up with one of those ingenious "twists" at which you are so adept.

## Eighth Grade Class At Kirksey Meets

The monthly meeting of the eighth grade class of Kirksey School, James Nix, teacher, was presided over by Randy McCallon, president.

Plans were discussed for the eighth grade promotion to be held on May 28.

Residents celebrating March April Birthdays: MAGGIE NEWBERRY, March 11; VIRGIE McDOUGAL, March 12; LULA ROBERTS, April 23; RILLA COX, April 10. STANDING: ROBERT CARLILE, April 20; EDGAR RAMSEY, March 26.

Mrs. ALVIS STEVENS celebrated her birthday on March 17th, but because of her recent hospitalization, she was unable to be present for the picture. We wish her a speedy return to Fern Terrace.

Our thoughts and prayers are also with MR. PORTER CHARLTON, MRS. DORA ARNOLD, MRS. VIRGINIA PATTISON and MRS. MAVIS ALLBRITTEN, all of whom are patients at the local hospital, and are sadly missed by all of us.

Many thanks, again, to the Women's Bible Class of THE UNIVERSITY CHURCH OF CHRIST for the birthday celebration every month. How grateful we are for each of you.

OUR Easter holidays were made brighter with entertainment and an Easter plant for each resident, provided by THE MURRAY CHRISTIAN FELLOWSHIP. (We are also grateful to these outstanding young people for remembering us each Friday afternoon.)

Also, the Fern Terrace Staff slipped around, after hours, helping the Easter Bunny hide his eggs. But they were all found early on Easter morning. Mrs. Flois Hale receiving the prized for having found the most eggs.

Many thanks, also to Mrs. ALLENE KNIGHT, we certainly look forward to your visits.

## I GROW YOUNG

As I grow old, the winds of life die down,  
the hate, the hurt, the strife.  
The waters calm, the waves are still.  
I want no triumph, wish no ill to any man.  
Now from my heart the ancient angers all depart.  
New friends I know, new songs are sung,  
New joys are mine—Yes, I grow young as I grow old!

## Norris To Take Over As MSU Alumni President Saturday

Edwin O. Norris of Kingsport, Tenn., attorney and civic and church leader, will take the gavel as the 39th president of the Murray State University Alumni Association at the annual banquet Saturday, April 27.

More than 600 alumni and friends of the university are expected to be on the campus to see the 1950 graduate assume the leadership of the organization from retiring president William A. Logan of Madisonville.

To be held at 6:30 p.m. in the ballroom of the Waterfield Student Union Building, the banquet will also be the occasion for the first formal meeting between the mass of alumni and Dr. Constantine W. Curris, who took office last fall as the sixth president of the university.

He will deliver the keynote address entitled "Beginning Our Second Half Century."

Held the weekend prior to graduation exercises, the program will also honor alumni scholarship recipients, the distinguished professor of the year, distinguished alumni, and university employees with 25 years of service. Seven other new association officers will also be installed.

Norris, a native of Guthrie in Todd County, graduated with distinction from Murray State where he was listed for two years in "Who's Who Among Students in American Colleges and Universities" and chosen one of the 10 best debaters in the United States.

He earned the law degree at Vanderbilt University.

A former president of the Kingsport Bar Association and both the Kingsport and the Tennessee Jaycees, Norris was chosen as the "Outstanding Young Man" of Kingsport in 1956. He has also served as a member of the Kingsport Board of Education.

Among his civic activities have been leadership roles in the Kingsport Boys' Club, the American Cancer Society, Junior Achievement, Community Chest, Rotary and the Chamber of Commerce.

His participation in church affairs has been at both the local level and with the Tennessee Baptist Foundation.

Norris is the nephew of the late Thomas P. Norris of Guthrie, who established the first student loan fund at Murray State in 1924. Thousands of students have benefited from that fund during the ensuing years.

To be installed along with Norris as new officers are: James H. Johnson of Owensboro, president-elect; Rep. Richard Lewis of Benton, vice-

president; and five new representatives to the executive council—Joe Dallas and Johanna Comisak, both of Paducah, Mrs. Nancy Spann Kelley of Owensboro, Frank Vitteow of Frankfort, and Cecil Reid of Mayfield.

Scholarship recipients will be recognized during the banquet program, including 33 awarded \$500 alumni scholarships financed primarily by donations to the association's Century Club. They represent more than

twice the number of alumni scholarship recipients in any previous year.

Miss Rubie Smith, chairman of the department of elementary education and the distinguished professor of 1973, will announce the new winner of the coveted award and present a check for \$500.

Distinguished alumni to be honored are: Dr. Richard M. Shackelford, Verona, Wis.; Dr. Robert Cecil Gentry, Miami, Fla.; Dr. James H. Mason,

Terre Haute, Ind.; Harry Lee Waterfield, Frankfort; Judge Marion E. Burks, Evanston, Ill.; and Mrs. Martha R. Ellison, Louisville.

Twenty-five year service awards will be presented to five members of the faculty and staff. They are: Dr. Thomas B. Hogancamp, vice-president for administrative affairs; James A. Rogers, director of auxiliary services; Russell W. Terhune, associate professor of music; Oren Hull, farm manager; and

Arle Scott, associate professor of agriculture.

The class of 1949 will hold a 25-year reunion at 3 p.m. in the dining room of the student union.

A folk opera entitled "The Stubblefield Story," sponsored by the Calloway County Bicentennial Committee in cooperation with the College of Creative Expression at Murray State, will be presented at 9 p.m. in Lovett Auditorium following the alumni banquet.

# Pirates Have A Winning Streak

By BRUCE LOWITT  
AP Sports Writer

It's not exactly what you'd call a winning streak ... but then, two in a row is better than nothing at all.

The Pittsburgh Pirates, preseason picks to win the National League's East Division flag, have looked like anything but winners thus far this season. In fact, it took them 14 games before they could put victories back to back.

They finally did it Wednesday night, using an old, reliable method ... Pirate Power!

Richie Hebner, Willie Stargell and Manny Sanguillen slugged the home runs that boosted the Bucs to a 5-3 victory over the Atlanta Braves ... and out of the basement for the first time this year.

In Wednesday's other National League games, Cincinnati edged the Chicago Cubs 1-0, Houston swamped St. Louis 9-4, Los Angeles defeated Philadelphia 6-1 and San Diego beat the New York Mets 4-3. Montreal's game at San Francisco was rained out.

"Two in a row! Wow! That's really a streak, isn't it?" Hebner said sarcastically after the victory. Hebner hit a first-inning solo shot, Stargell made it 3-0 in the fifth, the Braves got two runs in the sixth, one of them on Dusty Baker's homer, but Sanguillen wrapped it up in the eighth with a two-run clout.

Reds 1, Cubs 0

George Foster drew a bases-loaded, two-out walk from Bill Bonham in the bottom of the ninth inning to force home the only Cincinnati run — the one that beat Chicago.

Dave Concepcion doubled, Cesar Geronimo drew an intentional walk, Terry Crowley batted for winner Jack Billingham and forced Concepcion at third, Pete Rose popped up, then Joe Morgan singled to load the bases and bring Foster to the plate. The count went to 3-0, Bonham got a strike, then came the back-breaker.

Astros 9, Cards 4

Pitcher Dave Roberts slugged a two-run homer and Tommy Helms drove in four runs in the Astros' rout.

Dodgers 6, Phillies 1

Jim Wynn drove in two runs with a single and a homer and Willie Crawford tripled for two runs to back Don Sutton's seven-hit pitching for Los Angeles.

Padres 4, Mets 3

Nate Colbert slugged a two-run homer in the first inning, then broke a tie with a one-out, bases-loaded grounder in the ninth for the Padres, dumping the Mets into the East Division basement.

The Tiger girls will play again next Monday in a dual match at Mayfield.

### Laver Shows He's Better With Age In Net Victory

By The Associated Press

Rod Laver continues to show that he's not only getting older, but he's getting better.

The Australian ace won his 17th straight match Wednesday, rallying for a 4-6, 6-1, 6-4 decision over Italy's Antonio Zugarelli in a \$50,000 World Championship Tennis Green Group event in Denver.

Laver, who is seeking his fourth consecutive title on the Green Group tour, took the match with a single service break in the second game of the final set.

Others who had luck in the high altitude were Mark Cox of Great Britain who defeated Onny Parun of New Zealand 7-6, 6-2; Roscoe Tanner of Lookout Mountain, Tenn. who beat Haroon Rahim of Pakistan 6-3, 6-4 while Eddie Dibbs of New York eliminated Guillermo Vilas of Argentina 6-2, 7-6.

In a WCT Blue Group tournament, top-seeded John Newcombe of Australia easily defeated Buster Mottram of England 6-3, 6-2 in the second round of the \$50,000 Holton Tennis Classic at St. Louis.

Third-seeded Alex Metreveli of Russia also had an easy time, defeating Jaime Fillol of Chile 6-4, 6-4.

Ismail El Shafei survived a flare of temper in the opening set to defeat sixth-seeded Raul Ramirez of Mexico 6-3, 6-4.

## Celtics Romp Knicks To End Playoff Series

By DAVE O'HARA  
AP Sports Writer

BOSTON (AP) — The road back has been a long haul since Bill Russell retired as player-coach and a dynasty crumbled in 1969, but the Boston Celtics are ready once again to challenge for the National Basketball Association championship.

The Celtics advanced to the NBA playoff final for the first time since they won the title five years ago by defeating the New York Knicks 105-94 Wednesday night, taking the best-of-7 Eastern Conference series 4-1.

Now they move into a showdown with the mighty Milwaukee Bucks, led by Kareem Abdul-Jabbar. The first two games in this best-of-7 series will be played in Milwaukee Sunday afternoon and Tuesday night. Games No. 3 and 4 are scheduled for Boston May 3 and 5.

"It means a lot to beat the Knicks, but it is just another step along the way," Boston captain John Havlicek said. "Against the Bucks we're going to have to be on the run constantly. They like to set up their plays. As for Jabbar, maybe we'll have to let him get his points and try to shut off the others from scoring."

Havlicek, who played on six NBA championships in Boston during the heyday 1960s, was at his best against the Knicks. The Celtics thus avenged their elimination in the same playoff series last year when their team leader was injured. Hondo scored 33 points in the wind-up, averaging about 30 in the five games.

Tommy Heinsohn, who helped build the Boston dynasty as a player, is leading the Celtics as

coach into the NBA finals for the first time.

The Knicks threatened to extend the series with Boston, taking a 52-45 halftime lead. However, the Celtics shook off foul trouble with a third-period spurt, capped by two three-point plays by big Dave Cowens for an 80-79 advantage.

Then Havlicek and Cowens took complete charge in the fourth period and the Celtics exploded for an easy triumph.

## NFL Considering Tampa Owner

NEW YORK (AP) — The National Football League begins considering ownership applicants for its new Tampa, Fla. franchise today and the bidders will have to come equipped with hefty bankrolls.

The league attached a record sports expansion team price

tag of \$16 million for the Tampa franchise granted Wednesday. Commissioner Pete Rozelle also said the NFL would add at least one other franchise to begin play along with Tampa in 1976. The same price, of course, applies.

The \$16 million price repre-

sents a jump of nearly 100 percent in the cost of an NFL expansion franchise. New Orleans, the last team added to the NFL, paid a reported \$8.5 million in 1966. A year later Cincinnati was admitted to the old American Football League for somewhere between \$7.5 and \$8 million.

"A number of things have changed," said Rozelle. "Television for example. The new team becomes an equal partner in TV income immediately, diluting the shares of the other 26 teams."

Tampa was one of five cities under consideration for expansion by the NFL. Rozelle said that the other franchise the NFL adds this year will most likely come from the remaining four — Honolulu, Memphis, Phoenix and Seattle.

"We are relieved and elated," said Leonard Levy, former chairman of the Tampa Sports Authority and one of the city's representatives. "We felt that whatever criteria the NFL set for a franchise, we had to be seriously considered. We're very pleased."

The criteria included "stadium, weather, sports interest and growth potential," according to Rozelle. Tampa has plans to expand its current 47,000-seat stadium to 72,000.

The commissioner said that the league has been pursued by several groups seeking the Tampa franchise and had not sought ownership yet.

# Clayton And Hafer Reap Honors At MSU Banquet

By MIKE BRANDON  
Ledger & Times Sports Editor

An audience estimated at over 600 was in attendance Wednesday night in the Student Union Ballroom as Murray State University honored its outstanding athletes and inducted two new members into the Sports Hall of Fame.

Don Clayton and Debbie Hafer walked away with the top awards in the three-hour ceremony.

Clayton, the Racer's All-American tailback, was selected as the Outstanding Male Athlete and as the Most Valuable Player in football while Miss Hafer received the Murray Ledger & Times Award as the Outstanding Woman Athlete and was honored as the MVP in track.

Also honored in special ceremonies were All-American cross country performer Sam Torres and the two new inductees to the Hall of Fame, Fred Faurot and Al Giordano. Faurot, former Racer football coach and now an assistant principal in Columbia, Mo., guided Murray State to a 43-29-3 record during his coaching career which lasted from 1948 until 1955.

During that time, the Racers won three conference titles and in 1951, earned a trip to the Tangerine Bowl, where they tied Sul Ross College.

Giordano is presently the varsity football coach at Caldwell County High School. While at Murray State, the guard and linebacker was twice chosen as All-OVC and as All-America.

He began his career in athletics in professional baseball and was released from the Dodger organization in 1954. From there, he came to Murray State where he played under Faurot.

He was not eligible to compete his senior year because he had played professional baseball before coming to college.

In an emotional moment, after being inducted into the Hall of Fame, Giordano thanked all of the people at Murray State who had helped him through his career.

At one point, his voice cracked as he said that he could never be able to repay Murray State for all it had given him. The featured speaker for the evening was John Bibb, sports editor of the Nashville Tennessean.

Bibb has covered every single national championship for the

### Waldrop Awarded

CHAPEL HILL, N.C. (AP) — Tony Waldrop, who ran seven straight sub-four-minute miles this winter, including a world indoor record 3:55, was awarded the Patterson Medal Wednesday, the highest athletic award at the University of North Carolina.

newspaper, including both championships in collegiate sports and professional athletics.

Known as an outstanding after-dinner speaker, Bibb brought the audience to laughter on numerous occasions.

One particular occasion was when Bibb told of going to Oklahoma State College to interview members of the nation's self-proclaimed number-one streaking team.

Bibb urged the young people in the audience to believe in something, to do whatever they

do better than anyone else in the world.

He drew a large outburst of applause when he told the young people in attendance that he believed in them because they are "the hope of the world."

Bibb urged each person to be true to himself.

"You can find loopholes in everything. I can find loopholes in the Bible, I'm always looking for them. I can find loopholes in the Golden Rule."

"But you must be true to yourself, you can't look for loopholes in that rule."

"You can't be phony with

yourself, you will lose the respect of others but most of all, you will lose the respect of yourself."

Earlier in the evening, Murray State Athletic Director Cal Luther briefly gave a summary of each of the sports at Murray State and following the wrapups, individuals were presented awards for outstanding achievement.

Clayton, who gained 1,403 yards this past season for Murray, was the recipient of the MVP for football. Torres for cross country, Cuthbert Jacobs for soccer and Mike Coleman and Marcelous Starks shared the MVP award for basketball.

Awards for tennis, track,

baseball and golf will be presented at the end of the respective seasons.

Lois Holmes and Jan Jones shared the award for girl's basketball, Mary Pallo in volleyball, Debbie Hafer in track and Lois Holmes in tennis.

The special award winners were Don Wright of the football and track teams for the Scholar-Athlete Award. He is carrying a 3.41 overall grade point average.

Charles Wadlington of the tennis team was named as the Outstanding Freshman Athlete and the two big awards, Clayton and Hafer as the Outstanding Male and Female Athletes, capped the evening.

**LEDGER & TIMES AWARD**—Debbie Hafer is presented the Outstanding Woman Athlete Award by Ledger & Times Sports Editor Mike Brandon. The award, first presented by the newspaper, will be presented annually at the Murray State Sports Banquet.

## Laker Boys Track Team Is Defeated By Mayfield

Calloway County took first place in six events Wednesday afternoon but lost a dual track meet at home to Mayfield 79-56.

Freshman Tommy Futrell starred in the meet for the Lakers as he grabbed a pair of wins.

Futrell ran a fine 5:06.9 to win in the mile and turned around to take the winning time in the 880 as he turned in a 2:22.4.

The remaining wins for the Lakers came in the field events.

Howard Jinner won the long jump with an effort of 18-8½ while Russell Hopkins took first in the discus with a throw of 95-7½.

The Lakers swept three places in the triple jump where Kenneth Cleaver nosed out Doug McCann for first place. Cleaver went 34-10 while McCann was 34-9½. Tommy Futrell was third with 32-6½.

Calloway County took two places in the pole vault where McCann won with 9-6 and Cleaver's 8-6 earned a runnerup spot.

Five second places were recorded by the Lakers including two by hurdler David Pledger.

Pledger had a 25.1 in the 180 low hurdles for the second spot while he had a 20.3 in the 120 high hurdles with Quentin Fannin .8 second behind in third place.

Johnny Riley took second in the two-mile with 12:30.6 while Ronnie Olive had a 57.5 in the 440 for second.

The only other runnerup spot in the field events where Hopkins was second in the shot put with a toss of 34-6 ¾.

Third places included Jinner's 11.1 in the 100, Jinner's 25.2 in the 220 and Cleaver's 5-0 in the high jump.

The Laker boys will be in action again when they host Carlisle County and Reidland.

HALL OF FAME INDUCTEES—Two new members were inducted into the Murray State Sports Hall of Fame Wednesday night. On the left is Free Faurot, former Racer grid coach and on the right is two-time All-American and All-OVC Al Giordano.

## Laker Team Dropped By Indians

Mark Miller had some unfortunate luck Wednesday afternoon on the Calloway County baseball diamond as his Lakers were dropped 5-4 by Benton in an extra inning contest.

The Laker southpaw allowed just seven hits and sent 13 batters down on strikes but was the victim of five errors and four unearned runs as Calloway County dropped to 1-4 for the season.

Miller had one man out in the seventh inning and a 4-3 lead but a costly error followed by a run-scoring single sent the game into the extra inning.

Then in the eighth, after one out, a walk and a single put runners on at first and second. Miller got the second man on a force out at second and he was only one out away from getting out of the jam. But a costly error by the shortstop sent in the tie-breaking run and the Lakers didn't score in the bottom of the eighth and Miller was saddled with the tough loss.

The Lakers put two men on to lead off the eighth inning but were unable to get the clutch hit.

Neither team scored until the home half of the third when the Lakers scored three times.

The rally began with two out when David Thorn singled, Craig Dowdy reached on a walk and catcher Greg Howard singled to load the sacks.

Then third baseman Rick Scarborough drilled a shot into leftcenter which cleared the bases and produced a 3-0 lead for the Lakers.

Benton scored once in the fourth on three walks and an error and then tied the game in the top of the fifth on two singles and an error.

Calloway came back to grab the lead in the bottom of the fifth on a single by Thorn, a stolen base, a single by Howard and an RBI single by Scarborough.

Then Benton scored in the seventh to tie the game and the stage was set for the unfortunate eighth inning.

Thorn, Howard, and Scarborough all had two hits while Danny Chadwick also hit safely.

Calloway County will host Farmington to a 4 p.m. single game today.

## Kentucky Cage Star To Play At Austin Peay

CLARKSVILLE, Tenn. — Norman Jackson, a 6-1, 175-pound guard from Lexington, Ky., has signed an Ohio Valley Conference grant-in-aid and national letter-of-intent with Austin Peay State University.

Jackson averaged 18 points and five assists a game in leading Bryan Station High School to a 30-5 season record and number one ranking in Kentucky throughout the season.

"He is definitely one of the best high school guards in Kentucky," said Austin Peay assistant Coach Colin Stewart. "And playing for Coach (Bob) Barlow, he is sound and ready to play college ball immediately."

Norman Jackson is the younger brother of Howard

Jackson, a two-year All-OVC performer who missed the 1973-74 season with the Governors after being injured in the summer.

"We are very happy to have another Jackson on the team," said APSU head coach Lake Kelly. "Although he's a different type of player than Howard, he exhibits the same type of hustle and dedication that results in success."

"We have been impressed with his defense and his ability to penetrate with the ball," added Kelly. "Norman is on his way up, still developing as a player."

## Tiger Golfers Defeat Paris

Murray High's golf team ran its season record to 5-0 Wednesday by taking a 299-316 win over Henry County at the Murray Country Club.

Medalist honors for the day went to Smith of Henry County who fired a five-under par 67 on the shortened course as the winter greens are still in use.

Other scores for Henry County included Myers 79, Alexander 81 and Brazelton 89.

Lee Stewart led Murray with a 72 with Tim Philpot and David

Frank each shooting 75's.

Four golfers each played nine holes, with the two best being added to the other three.

Gary Sullivan carded a 38 and Howard Boone a 39. The two scores which were not included were 40's by John McCage and Lyn Sullivan.

# Hawks Take 2-1 Lead Over Bruins With Sudden Death Win

CHICAGO (AP) — The trailing Boston Bruins skate perhaps the pivotal game of their Stanley Cup National Hockey League semifinal playoffs against the surging Chicago Black Hawks tonight.

The Hawks moved into a 2-1 series edge Tuesday night with a dramatic 4-3 sudden-death overtime triumph at the Chicago Stadium.

"This is the big one tonight," said Bruins Coach Bep Guidolin. "But we think we can win it."

The current Gulfstream Park thoroughbred meeting ends Monday, March 4, with the Florida Derby for 3-year-olds.

Then it becomes a best two-out-of-three series and we play two of those games in Boston."

Even the Black Hawks cautiously appraised their chances of sweeping to a commanding 3-1 advantage in the best-of-7 playoff series, a springboard into the Cup championship round against the winner of the Philadelphia Flyer-New York Ranger semifinal round.

"I know we're ahead, but a series between these two teams figures to go all the way," said Hawk veteran Stan Mikita, the game-breaker in Chicago's come-from-behind victory Tuesday night.

As the Hawks trailed 3-1 in the third period, Mikita banged in one goal at 11:38 and then, on a six-man Hawk attack with Chicago's net unattended, scored with 42 seconds left to force the overtime.

In the sudden death extra session, Jim Pappin sent the capacity Chicago Stadium crowd into hysterics with the winning Hawk goal at 3:48.

"That game may have hurt the Bruins," said Hawk winger Cliff Koroll, "but they're too great a team to fold. They'll be back tonight just as tough as ever."

The Hawks won the series opener at Boston last Thursday 4-2 behind the superb goaltending of Tony Esposito, but then the Bruins exploded Sunday on their home ice for an 8-6 triumph.

Game No. 5 will be played in Boston Sunday. If a sixth game is needed, it will be played in Chicago next Tuesday night.

NEW YORK (AP) — The New York Rangers still swear they got the short end of the stick and that, although they're on the short end of the series, their playoff against Philadelphia is far from over.

The rough-and-tumble Flyers lead the National Hockey League's best-of-seven semifinal round 2-0 going into tonight's game at Madison Square Garden.

"I swear that puck did not go over the line," said Ranger goalie Ed Giacomin of Ed Van Impe's second-period shot Monday night. The puck deflected off Ranger defenseman Rod Seiling and bounced over the New York goalie who whirled around and grabbed the puck as it headed into the net.

Giacomin claimed the puck never reached the net, but referee Dave Newell upheld the goal judge and Philadelphia swept to a 5-2 victory.

The victory was the Flyers' sixth straight playoff victory, a streak they now risk in Madison Square Garden where they have never beaten a team coached by Emile Francis. Under Francis, the Rangers have won 10 and tied six against the Flyers in New York.

New York has the home ice advantage for the next two games. The series will return to Philadelphia for Game 5, if necessary.

Despite the loss, the Rangers showed improvement Monday over their opening game against Philadelphia when they were thoroughly outplayed.

New York could look even better if their captain, Vic Hadfield, is able to come back from a severely sprained left ankle which has sidelined him since the third playoff game against Montreal.

The four scene production revolves around Nathan B. Stubblefield and his dramatic role in the invention of the radio. The folk opera includes story-libretto by Lillian Lowry and music by Paul Shahan, who is serving as assistant to the producer, Robert E. Johnson, chairman of theatre arts at MSU, is director.

The cast and the production staffs are made up entirely of local residents, students and faculty members.

"It is an excellent opportunity for the community and the university to work together," Dr. Prince said, "and for people to see what we can do when we work together."

# Mrs. Trotter, Mr. Hurt, Honored By Local Secretaries' Association Chapter Formed In 1971 - Here

Buford Hurt and Mrs. Delma Trotter were named honorees at the annual banquet of the local chapter of the National Secretaries Association Tuesday.

Hurt was chosen "Boss of The Year" and Mrs. Trotter was named "Secretary of the Year" for 1974.

Mrs. Trotter is a legal secretary for the firm of Hughes and Gregory in Murray, a position she has held for 12 years.

She is vice-president of the local chapter of NSA, and is past chairman of the Education and CPS Service committee and presently is chairman of the Rules and Bylaws committee. She has also served as a member of the Program,

National Secretaries Week, Civic, and Hospitality committees.

Mrs. Trotter has participated in various projects while a member of the Murray Woman's Club, and has helped each year in various fund raising drives by door to door contacts. She has assisted with Kidney Foundation work, worked as a Girl Scout leader, and has done volunteer work at the local hospital.

She has taught at different levels in Sunday School at the First United Methodist Church, and has performed numerous other tasks in church work. She is a past member of the Zeta Department and Creative Arts Department of the Murray Woman's Club, and is a charter

member of the Oaks Country Club and a past member of the Board of Directors.

In a resume submitted by her employer, Mrs. Trotter is described as "a very able assistant and good friend. Her pride in her work and her eagerness to please has continued to keep her work at the highest standard, and it improves as each year passes. She has not yet reached her highest attainment. I am fortunate to

have this type of person as my secretary."

Buford Hurt has held the position of state manager of the Woodmen of the World Life Insurance Society since 1948. He received his Bachelor's degree from Murray State University and Master's from the University of Kentucky. Hurt taught school in Calloway and other counties in West Kentucky before joining W.O.W.

He is an active supporter of community projects, a member of the Murray Rotary Club, and was chosen in 1961 as the "Man of the Year" by the Murray Chamber of Commerce, the fourth person to receive the award.

Hurt was an original member of the Murray-Calloway County Airport Board, serving several years as chairman. He was also an original member of the Murray Municipal Housing Commission and continues to serve in that capacity.

Hurt is married to the former Stella Ray, and has two sons, Harold, a local attorney and Richard, a resident physician at the Mayo Clinic. He is also an active member of the First United Methodist Church.

## CODE OF ETHICS

Recognizing the secretary's position of trust, we resolve in all of our activities to be guided by the highest ideals for which the NATIONAL SECRETARIES ASSOCIATION stands, to establish, practice, and promote professional standards; and to be ethical and understanding in all of our business association.

We resolve to promote the interest of the business in which we are employed; to exemplify loyalty and conscientiousness at all times; and to maintain dignity and poise under all circumstances.

We further resolve to share knowledge; to encourage ambition and inspire hope; and to sustain faith, knowing that the eternal laws of God are the ultimate laws under which we may truly succeed.

Delma Trotter and Buford Hurt, Secretary and Boss of the year.

## National Organization Was Founded In 1942; Goals Set

Founded in 1942, the National Secretaries Association (International) is a nonprofit, nonpartisan and nonsectarian organization. The Association is the world's largest Association of persons engaged in the same profession. It is an Association of members dedicated to establishing and improving secretarial standards through pursuing a continuing program of educational and professional developments.

Its aims and purposes are:

1. To unify, under the standard and leadership of this International organization, responsible and serious-minded people belonging to the profession whose voices as individuals in world affairs and whose cooperation within the organization as members will promote and strengthen the general aims and purposes of NSA.

2. To elevate the standards of the secretarial profession by encouraging all secretaries to continue their educational endeavors.
3. To advance the interests and welfare of its members.
4. To establish and maintain a dignified and harmonious relationship with management, intra-office and all business associates.

5. To enact policies and principles in keeping with progress and proficiency, and to create projects helpful to its members.
6. To give recognition, by unbiased and nonpartisan election or appointment, to such of its members of proven ability as would promote or advance the leadership and potential of NSA.

7. To create and establish Chapters wherever and

whenever possible, with the help and assistance of its members so as to advance and strengthen its influence, prestige, and power as a professional organization.

8. To encourage ambition for self-advancement and aspiration, for selflessness and service to the community, state and nation; to rededicate faith in God, loyalty to NSA, and mutual friendliness and helpfulness for one another.

Since 1952, the last full week in April has been observed as National Secretaries Week. Wednesday of this week is highlighted as Secretaries Day.

The purpose of this observance is the acknowledgment of the contributions of all Secretaries to the vital roles of business, industry, education, government, and the professions.

The National Secretaries Association (International) co-operating with the U. S. Department of Commerce, originated Secretaries Week. The involvement of all Secretaries for the observance re-emphasized the importance of continued loyalty of Secretaries to their employers and their responsibility to their profession.

## Full Use Of Secretary Is Needed

Are executives fully utilizing the capabilities of a secretary? Do they demand that the work be done right the first time?

Does the secretary know the goals of the executive so they can work together as a team to achieve results?

Do executives convey the reasons behind their thinking so the secretary is aware of priorities?

Do executives allow the secretary to use her initiative in doing preliminary research or analyzing of reports?

Do executives ask the secretary to compose letters or are they writing one-line letters out in longhand or dictating them? It now costs \$3.19 for a business letter.

Do your secretaries annotate the volumes of paper work crossing the employer's desk? These are just a few of the ways a secretary could be of more help to you.

If you want your secretary to become a better secretary, encourage her to join our Association.

Saturday's agenda includes a business meeting to elect Kentucky Division officers for 1974-75, the "Secretary of the Year" contest and luncheon, and the evening banquet.

To begin at 9 a.m. in the Nursing auditorium, the business meeting will be followed by the contest at 11:30 a.m. in the same location. Both the luncheon at 12:30 p.m. and the banquet at 7:30 p.m. will be held in Winslow Cafeteria.

Billy Joe Puckett, director of the Murray State University Foundation, will address the "Secretary of the Year" luncheon, and Dr. Constantine W. Curris, Murray State president, will be the featured speaker for the banquet program.

Sunday morning activities will begin with a devotional by John Dale, minister of the Seventh and Poplar Church of Christ at 9:30 a.m. in Winslow Cafeteria, followed by a business meeting at 10:15 a.m. in the Nursing Auditorium for the presentation and installation of new officers.

## Local Girls Presented Scholarships

The Murray Chapter of the National Secretaries Association presented two local senior girls with \$100 scholarships in memory of the late Marye Alice Trotter, charter member of the local chapter.

Brenda Overcast, daughter of Mrs. and Mrs. Charles Overcast, and a senior at Calloway County High School, and Connie Lyons, daughter of Mr. and Mrs. Ora Lee Lyons, and a senior at Murray High, were presented with the scholarships.

The awards were presented by Mrs. Joyce Haley, chairman of the Future Secretaries Association Committee, along with committee members Fay Nell Flora and Essie Bailey. The scholarships were based on high scholastic standing and a desire to pursue a secretarial career.

## May 1 Is Deadline For Summer Arts

Teachers who plan to enroll in any of five teacher workshops in the second annual Summer Arts Academy at Murray State University have until May 1 to make application.

Dr. Joe N. Prince, dean of the College of Creative Expression and academy director, listed these three-day workshops to be held in June and July:

June 20-22—Choral Music Workshop; June 27-29—Marching Band Workshop; July 15-17—Art Workshop; July 18-20—Guitar Workshop; and July 22-24—Stage Band Workshop.

"Murray State is fortunate to have commitments from an outstanding lineup of guest clinicians for the workshops," Prince said. "It presents an exciting opportunity for teachers at all levels to enrich their skills."

Artist-teachers who will conduct the workshops are:

—Olaf Christiansen, conductor emeritus of the famed St. Olaf College Choir, for choral music.

—William Swor, director of bands at Louisiana State University for the past 10 years, for marching band.

—Frank Wachowiak, professor of art at the University of Georgia and textbook writer, for art.

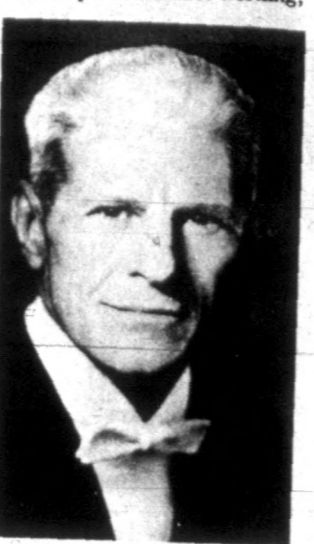

—Elmo Reed, professional guitarist and widely-known teacher in Indiana, Kentucky and Tennessee, for guitar.

—Jamey Abersold, a teacher at Indiana University Southeast and well-known performer, for stageband.

Christiansen retired in 1970 after 28 years as conductor of the St. Olaf Choir. Also a former conductor at the Oberlin Conservatory, he is internationally-known as a conductor, composer, arranger and clinician.

Swor, a graduate of Peabody College in Nashville, is known for producing several bands that have attained national recognition. Also a former teacher at the high school level, he has conducted numerous clinics and workshops throughout the United States. Wachowiak, co-author of two

art education texts, "Emphasis: Art" and "Art in Depth," has extensive experience in public school and university art education. His workshop will include: working,

Olaf Christiansen

exploring and experimenting with materials; slide presentations; and techniques in student motivation designed to assist teachers and supervisors at several levels.

Reed, a graduate of Murray State and now a resident of Benton, has studied with Robert Doran, Ray de la Torre and Bunyon Webb. He earned the master's degree at Columbia University. His professional experience includes solo and ensemble work on both guitar and string bass.

Abersold, jazz alto saxophonist, pianist, conductor, arranger, theorist and author of several noted improvisation texts with accompanying recordings, is a former teacher at the University of Louisville. He earned his degrees at Indiana University.

Prince said the teacher workshops will deal with current and significant methods and materials in the teaching of the arts. The fee will be \$23 for each workshop, with an additional payment of graduate tuition if the teacher wishes to acquire one semester hour of credit. Dormitory accommodations are available for \$2.50 per night.

Application forms are available through arts teachers or by writing to: Summer Arts Academy, Murray State University, Box 1029, University Station, Murray, Ky., 42071.

## Kissinger To Leave Sunday For Middle East

WASHINGTON (AP) — Secretary of State Henry A. Kissinger leaves Sunday for the Middle East to try to mesh differing Israeli and Syrian suggestions for disengagement in the Golan Heights area.

Israeli Defense Minister Moshe Dayan brought Kissinger a plan on March 30 and then Hikmat Shebabi, the Syrian intelligence chief, brought a counter offer earlier this month.

Any compromise would have both sides giving up more than they initially intended.

Kissinger will stop first in Geneva to confer with Soviet Foreign Minister Andrei A. Gromyko, with whom he has kept in touch while involved in the initial diplomatic moves.
