## ROBERT ROBINSON, POPULAR YOUTH, IS FATALLY INJURED

Many Friends, Admirers Join Family in Mourning His Tragic Death  
WAS A YOUNG MAN OF EXCELLENT QUALITIES

A large and sorrowing crowd of admirers and friends joined the grief-stricken family here Wednesday afternoon in paying the last tributes of love and respect to Robert Robinson, son of Mr. and Mrs. Sam Robinson, who died Tuesday morning at five o'clock of injuries suffered Saturday night in an automobile accident.

Young Robinson, who was just a few days over 20 years of age, was fatally hurt on the Murray-Paduah highway near Redland late Saturday night when he, C. C. Hughes and Howard Boone were going to Paducah. Blinded by the lights of an approaching motor, young Robinson could not see the edge of the highway and his car overturned in a ditch. Hughes suffered only a lacerated back and Boone was virtually unscathed as young Robinson's neck was broken. They were taken to a Paducah hospital but brought to the Mason Hospital in Murray Sunday morning.

Little hope was held out for the young man and he quietly passed away Tuesday morning at 4:45 o'clock after telling members of the family that he was "ready to go."

Robert Robinson was one of Murray's most capable and best liked young men and his death is a severe blow to the entire community. He was an accomplished musician and had played in several orchestras over a wide territory, making friends everywhere he went.

He was one of the most popular students in Murray high school, being a member of last year's class. He was a letter-man at guard on the football team, developing into a capable player. He was editor in chief of "The Tiger," the school's annual in his senior year, and was active and influential in all other school activities. Since graduation he was associated with his father in the contracting business.

Besides his heart-breaking services, he is survived by two brothers, Ralph Robinson, New Orleans, Louisiana, and Hardman Robinson, Los Angeles, California. The latter made a transcontinental plane trip to attend the funeral services, and his grandparents, Mr. and Mrs. Duncan Holt.

The last rites were conducted by the Rev. E. B. Motley, pastor of the First Christian Church, of which Robert was a faithful member. Burial was in the city cemetery.

## EWING H. HALEY IS BURIED IN MEMPHIS

Former Prominent Resident Died Friday of Injuries Sustained in Arkansas.

Funeral and burial services were conducted in Memphis last Sunday afternoon, in the presence of a large crowd, for Ewing H. Haley, former leading citizen of Calloway county, who died last Friday in a Blountville, Arkansas, hospital of injuries suffered from an accident in a harness race in which Mr. Haley was riding.

Though 74 years old, Mr. Haley frequently drove his own horses in harness races. The accident that caused his fatal injury occurred in Blountville on Friday, October 3, when the entry immediately in front of Mr. Haley's fell, spilling Mr. Haley's sulky and throwing him to the track.

Mr. Haley moved to Memphis about 20 years ago. While a resident here he was very successful in the horse and mule business, which was then a very active business in this country, and was one of Murray's outstanding citizens. He was one of the organizers of the Calloway County Fair Association, which functioned with such outstanding success about two decades ago, and together with the late Nat Ryan, Sr., headed the activities of the fair. Mr. Haley was also a very active churchman and was one of the most influential stewards of the Methodist church. He was a successful business man throughout his life. Mr. Haley was an active member of the Woodmen of the World.

Besides his widow, who is a sister to Mr. Rufe Farley, Murray, and Mr. Guy Farley, of the county, he is survived by two daughters, Mrs. Bruce Graves and Miss Dolly Haley, and a son, Ewing Haley, all of Memphis. One brother, Will Haley, Buchanan, Tenn., also survives. Mr. Haley was a steward in the Memphis Methodist church of which he was a member.

Mr. and Mrs. Gus Farley, Guy Farley, and Mr. and Mrs. Orville Jenkins, Hazel, attended the funeral services.

## Red Cross Starts Accident Prevention

The Murray Chapter of the Red Cross is organizing a "nation wide campaign against home and farm accidents. Miss Mabelle Linn is in charge of the work in the county and plans to visit the visiting of all Calloway county schools. Home inspection blanks, listing a number of the commoner hazards, will be given to school children, with the request that they make an inspection of the hazards found there. That part of the blank describing the inspection is to be returned to the school and eventually to the Red Cross Chapter where a tabulation of all inspections will be made.

This part of the home and farm campaign will be followed by additional corrective and preventive measures later on.

## Democratic Leaders To Be in First District Motorcade on November 1

Chandler, Johnson, Governor McNutt of Indiana, to Visit 15 Towns

A whirlwind campaign, which will hit 15 cities and towns in Western Kentucky, on November 1 and which will feature A. B. Chandler, Democratic nominee for Governor; Keen Johnson, the party's selection for Lieutenant Governor; and Governor Paul V. McNutt of Indiana, is being planned by the Young Democratic clubs of the district.

A minimum of three cars of young Democrats from the Calloway county club will accompany the motorcade which is expected to consist of not less than 40 cars. Only a few minutes can be spent in each town. The motorcade will arrive here at approximately 9:25 a. m.

## Former Murray Woman, Related Here, Takes Own Life on Eve of Wedding

Mrs. Modelle Frensey Takes Chloroform in Paris, Tennessee

PARIS, Tenn., Oct. 22.—The body of Modelle Frensey, pretty 23-year-old factor employee, who died here last night, was found in the room of an officer in the Civilian Conservation Corps, was found late this afternoon stretched across the bed in the room of her boarding house.

She apparently had taken her own life, authorities stated.

The body of the attractive young woman was found shortly after 4 o'clock by Marshall Hunt, proprietor of the boarding house, when he returned to the room for his six-year-old daughter, whom he had left in the woman's custody.

Came From Calloway

Hunt told authorities that he found the young woman, a former resident of Lynn Grove, Ky., lying fully clothed across her bed with a bottle of chloroform clutched to her nostrils. He immediately summoned a physician, who, after a cursory examination, declared that the woman had been dead about five minutes.

She was formerly the wife of Herdis Frensey, of Lynn Grove, but separated from him three years ago to come to Paris. Prior to her marriage to Frensey, she was Miss Modelle Howard.

Further intimation that Mrs. Frensey had been in a depressed mood and possibly may have planned to take her life was given by her roommate, Miss Billie Olds, Howard.

## Motive Unknown

Relatives here stated that her motive for suicide was unknown by her associates. She had been using chloroform to go to sleep on occasions when tired and nervous and she also suffered from headaches, relatives stated.

## Burial Wednesday

Funeral services were held Wednesday afternoon at 3 o'clock from the Methodist church at Lynn Grove. The Rev. L. Z. Hurley was in charge of the services and burial was in the Young Cemetery. Pallbearers were cousins: B. B. Drinkard, Thomas Stokes, Clifford Willard, Marvin Howard and Robert Howard.

## 66TH SESSION FOR BLOOD RIVER ASSC.

Many from Murray in Attendance Wednesday; Rev. R. F. Gregory Named Moderator.

The 66th meeting of the Blood River Association is in session at West Fork today. Yesterday was the opening day and one of the best attendance years was reported by the Murray visitors. Every church in the association was represented.

The Murray church messengers were A. B. Lassiter, Dr. O. C. Wells and T. L. Smith while the Murray church was represented by about 30 Baptists. The attendance from all churches was highly satisfactory.

At the business session yesterday the Rev. R. F. Gregory was named moderator, a post held by the Rev. J. E. Skinner, and R. H. Fawcett was named assistant moderator. The Rev. R. H. Thurman was again named treasurer and L. V. Henson was re-elected clerk.

Visitors were present from Louisville, Frankfort, Paducah, Mayfield, and a number of churches not in the association including W. M. Wood, mission secretary.

The association meeting will go to Birmingham next year.

Formed in 1870, the association has met annually in October since that time without a single exception. It is one of the oldest and widest known associations of churches in the country and not only draws thousands of visitors from the surrounding territory but also receives visitors from other Baptist associations and representatives from distant churches each year.

## Battered Tigers Play Central City Friday

Badly battered and bruised in their last two conflicts with Mayfield and Bowling Green and striving to regain their winning form, Coach Holland's Murray Tigers go to Central City Friday for a game under the lights.

Provine, guard, and Lassiter, center, two of Murray's dependable linemen, are handicapped with injuries and Milton Dick, end, will have to play with a broken nose, wearing a special guard to protect it.

Dynamite Dunn and Rudy Allbritten, who were roughly treated in the Mayfield contest two weeks ago have virtually recovered from their hurts.

The Central City battle is the Tigers' third straight game away from the home field. Fulton comes here next week, playing on the local soil Friday afternoon.

## 8 More Pay Dues to The American Legion

Eight more ex-service men have paid their dues to the American Legion for 1936, bringing the total to date to 77, the biggest and best start the local organization has ever made.

Seven ex-service men who have never before affiliated with the Legion have paid their dues for 1936 and the Post has also welcomed back to the fold several who have not joined the Legion in a number of years.

New members the past week are Lewis H. Beaman, Connie B. Ford, Max B. Hurt, T. O. Baucum, M. H. Thompson, Karl Prazee, Herman L. Broach and Darwin N. White. Plans are being made for an appropriate Armistice Day program November 11.

## 'Absolutely Certain Aurora Dam to Be Begun Next Year'

McKELLER

Little has been said about or heard of in regard to chain letters since the system entered the field at the beginning and didn't always pay off in their effort to collect. But the chain letter has now ignored the dime and has turned to quilt pieces.

Many reports from the East side of the county indicate that the chain letters on quilt pieces are a success. No doubt the reason is that the participants are honestly desirous of securing quilt pieces and live up to carrying out the chain letter idea of sending out as well as receiving.

Enthusiastic reports indicate that many of the housewives have just entered the chain letter idea and are now awaiting their mail filled with quilt squares.

Regarding the proposal of Doctor Morgan to put a dam on the Ohio below Paducah that would eliminate the T. V. A. had no authority whatever over the Ohio valley and that such a project is not feasible.

Senator McKellar, who sponsored the bill to build Wilson Dam at Muscle Shoals and has been a leader in the upbuilding of the Tennessee Valley, declared with emphasis, "I believe it (the dam) will be built at Aurora. I am for it a thousand per cent, on it as much as any man in this room and I expect to be for it as long as I am in Congress." Senator McKellar has been in the senate since 1916 and served a previous number of terms in congress.

Following the luncheon, Senator McKellar addressed a Democratic mass meeting in the college auditorium, sponsored by the Young Democratic club of Calloway county.

"We cannot afford to jeopardize the chances of President Roosevelt for re-election next year," Senator McKellar declared. "If you should fail to elect a Democratic Governor, you will put Kentucky in jeopardy for next year. If the Governor who will be in control of the patronage of the state is a Republican, what will be the effect?"

**Basketball**  
Coach Clifton Brown is working hard and long with his candidates for the basketball squad drilling them thoroughly in the fundamentals of the game. This they need and must have if they expect to reach the limits set by their abilities. Results are already evident as his material begins to shape up. A healthy team spirit—so lacking last year—seems to fire every member to an earnest effort which is his best. The material may be mostly inexperienced but we, as fans, are expecting something of "you" this season. Are you going to let us down?

Since the first six weeks exams the student body has shown the best attitude toward school and genuine work that has been shown by any student body in the past two years. Judging from the amount of studying being done the honor roll list will be increased next time.

A plan has been devised so as to enable the larger part of the high school students to take part in some extra-activity for at least one period each day. Four softball teams have been organized from the students in the eighth grade and high school who are not playing basketball. A tournament started Monday between these teams.

The girls' softball team will probably play two more games. Although the Kirksey girls disappointed them last Thursday, a return game is still expected.

The list has been turned in for the new library books. Everyone is anxiously awaiting their arrival.

Keep a Good Laxative always in your home. Among the necessities of home is a good, reliable laxative. Don't be without one! Do your best to prevent constipation. Don't expect it when you feel any of its disagreeable symptoms coming on. "We have used Thorndike's Black-Draught for 21 years and have found it a very useful medicine that every family ought to have in their home," writes Mrs. Perry Hicks, of Nelson, Tenn. "I take Black-Draught for indigestion, constipation and all other ills where a good laxative or purgative is needed. I have always found Black-Draught gives good results."

## LAST NOTICE TO TAXPAYERS!

You are still entitled to a 2 per cent discount on your taxes, but remember October 31 is absolutely the last day for this saving. Pay now and avoid the rush.

## A WORD ABOUT THE DOGS

The state field man has just left this office. He says we must tag all dogs or there is trouble ahead for us all. For the last six months I have been begging you to buy your tags. A great majority have bought. If it is right for one to buy it is right for all. About 80 per cent of this money collected goes to pay off claims that are caused by dogs. During the last two years the damage has been great, but most of the claims have been paid. Your claim may be next.

This office has put in lots of time trying to improve conditions in this county without pay. I do not want anyone in this county to get in trouble over their dogs. Neither do I believe you want to get me in trouble.

The risk is too great for one dollar. Now to you who have not bought—I am insisting that you do so before November court, so we can all be in the clear. If you are too busy to come to town, send by mail or by your neighbor.

This law applies to the city the same as to the county. I cannot wait any longer. Respectfully,

**"Liquor and Taxes"**

Every Time the Liquor Trade Gives a Dollar in Taxes, They take Twenty-eight From the People!

It gives employment to fewer people in proportion to money invested than any business in America.

A typical town in Virginia opened two liquor stores. Within a year they did almost a half million dollars' worth of business. It took about six men to attend to all the business.

The money was sent to Richmond. The town kept the drunks.

Did you know that it is costing the government almost as much to regulate the liquor traffic as they receive in taxes from liquor?

During the last 15 years 377,000 have been killed in automobile accidents. One county made an investigation, and found that 60 per cent were caused by drunken drivers. That is approximately 22,620 killed each year by drunken drivers. This does not take into account the million that are wounded. Nor the multiplied millions of property damage, to say nothing of the suffering, physical and mental.

Did you know that Kentucky stands near the bottom in education? That she has always stood near the top in whisky production? I wonder if there is any connection between the two facts?

Did you know that almost half the people on relief rolls in Calloway county are from families where one or more of the members of family drink?

When a wet asks you to vote wet, usually he has some financial interest, when a dry asks you to vote dry, he has no financial interest.

Go to the polls on November 5th and vote "NO" and keep Kentucky constitutionally dry, and then work to make her dry in reality.

On the eve of the election the victory for the Democratic ticket from top to bottom is certain. Happy Chandler and Keen Johnson, your young stalwart leaders, beloved and admired by the voters of Kentucky without regard to party affiliation is very pronounced.

There are still some disappointed voters from the primary, but more in the Republican ranks than in the Democratic circle as evidenced by the decision of Labor and Independent voters declaring for the Democratic ticket.

The circular letter gotten out by Congressman Fred Wallace and Gates Young without the knowledge or consent of Governor Chandler, will not confuse voters, because it positively states it is no assessment and refers to the fact that Chandler does not approve of assessments and that only voluntary contributions are requested. No laborer or office-holder need not think his job is in jeopardy for the reason that he does not contribute to the campaign, but will be reemployed on account of his efficiency in his particular work.

Don't be deceived but vote the straight Democratic ticket and help support the President of the United States in his effort to relieve the suffering people out of jobs and support the old age pension plan for helpless, old people without means of support, and a continued

support of farm products and livestock prices.

Judge Bale of Cleveland, Ohio, former juvenile judge, will address Men's Bible class at the Methodist church at 9:45 a. m.

The local temperance committee knows Judge Bale. He has spoken in Murray previously.

He is a good speaker. He is not "Internationally Known". He is not the "greatest speaker in America". He is a good speaker, with a message, and he knows how to deliver it intelligently and quite when he is through.

At 2:30 he will address a mass meeting at the First Baptist church. People all over the county are especially invited.

At 7:30 p. m. there will be a union meeting of the First Christian church, and the First Methodist church, at which time Judge Bale will speak again. The meeting will be at the Christian church.

## First Pro Football Game in West Kentucky To Be in Paducah Sat.

PADUCAH, Ky., Oct. 23 (Special)—The first professional football game in the history of western Kentucky will be played on Keller Field here Saturday night, October 26, between the St. Louis Gunners

and the Louisville Bourbons. The game will be featured by the use of the wide-open plays permitted under pro rules. The fans will see a fullback rush up to the line of scrimmage as if he is to plunge and suddenly throw a forward pass, a play prevented in high school and collegiate circles because the passer must be 5 yards behind the line of scrimmage.

Also, don't be surprised if a player picks up the other team's fumble and dashes for a touchdown. In professional football a player can run with a fumble or can get up and run after he has been thrown to the ground.

The Gunners' outstanding star is Frosty Peters, Illinois product who once kicked 17 field goals while playing his first year of varsity football at Montana State. Last year in Illinois he beat both Michigan and Pennsylvania with his field goals. Hugh Rhea, an all-American tackle at Nebraska, plays for the Gunners.

The Gunners, who were in the National League last year and tied the Chicago Bears the year before, and Bourbons have played three times this season. Each won a game and then the Bourbons went ahead 2-1 by scoring a thrilling 16-14 triumph in Louisville last Sunday.

The game here will start at 8 o'clock. Tickets were placed on

sale Tuesday at the Postal Telegraph Co. in Paducah. A general admission ticket will cost 75c with 25c extra for a reserved seat.

## Miss Waters Addresses Christian Association

Miss Alice Waters, Murray, who has been doing missionary work in China for 43 years, addressed the Christian Association of Murray State College Sunday evening, October 20, on her experience as a teacher of Christianity in the Orient.

Miss Waters was introduced by Miss Martha Ward, Clinton, president of the collegiate interdenominational vesper group.

Christian persecution began in China in 1927 due to the encroaching elements of Communism ushered in by Russian teachers by way of the progressive parties of Southern China, Miss Waters declared. She stated that these teachers taught the Chinese Soldiers Communism, and they carried it to all parts of China.

The Chinese people, according to Miss Waters, are happy even in their poverty. She gave a graphic picture of the sad-faced Russians that she saw as she was returning to the United States through the Soviet Republic compared with the smiling Chinese she had left behind.

Riley Dennington, Melber, a senior in Murray State College, a graduate of the Lone Oak High School, and the son of the Rev. and Mrs. W. T. Dennington, of Melber, sang a solo preliminary to Miss Waters' address.

## Albert Chapman Solicits your vote and Influence

I have been unable to see all the voters of Calloway county and in fact probably not a majority of them as the county school board election is county wide.

I take this means of soliciting your vote and if I have not been able to see you it is only because I could not get around to it. I will continue to work in interest of my campaign and will try to see as many of you as possible. I again solicit your vote and influence on my experience and interest in education. I have served on the board of trustees at Almo and have served as rural trustee for years. I will, however, if elected, serve the county as a whole, and every school district.

I will most sincerely appreciate your vote and anything you can do in my favor.

...but, after all is said and done, it's the cigarette itself that counts

...the question is, does it suit you?

Now, when it comes to a cigarette that will suit you... you want to think whether it's mild, you want to think about the taste

That Chesterfields are milder and taste better is no accident...

The farmer who grows the tobacco, the warehouseman who sells it at auction to the highest bidder, every man who knows about leaf tobacco will tell you that it takes mild, ripe tobaccos to make a good cigarette.

In making Chesterfields we use mild ripe home-grown and Turkish tobaccos.

Outstanding  
.. for mildness  
.. for better taste

## M'KELLAR CERTAIN OF AURORA DAM

Tennessee Senator Speaks at Luncheon in His Honor, to Young Democrats.

(Cont'd. from Page 1, 1st section)

fact of that situation on the Presidential election in 1936. I appeal to you to take no chances. Elect the Democratic ticket. The thing to do is to vote the straight Democratic ticket. Stand by your party, and you will be safe.

Describes Hoover Days  
The Tennessee Senator, who has served 24 years in the national Congress, depicted the conditions which faced Roosevelt when he became President on March 4, 1933, recalling the turmoil and confusion of the "good old days" of Herbert Hoover's administration.

Referring to Hoover, he said: "I was not for Hoover before he was elected. I was not for him when he was President. I was not for him for re-election. But at last I am for Hoover for one thing. I am for him for the Republican nomination for President in 1936. If he is the Republican nominee, Roosevelt will not carry all the states except six which are considered Republicans; he will carry all of them."

Briefly he reviewed the accomplishments of the national Democratic administration, stressing the advantages that have come from the Agricultural Adjustment Administration, the act to guarantee bank deposits, the legislation to safeguard investors against fraudulent securities, the farm and home mortgage acts, the steps to relieve unemployment and help the needy.

## 300 Hear Logan's Plea for Democracy

A crowd of 300 persons heard U. S. Senator M. M. Logan speak in behalf of the Democratic state ticket at the court house Monday evening.

Mr. Logan asserted that the interests of the common people of the state dictated the election of the Democratic ticket. He said the Democratic ticket in no uncertain terms, following the action of the Young Business Men's Club of Murray called on Senator Logan in behalf of his support of Aurora Dam. The senator assured the committee, consisting of Waylon Rayburn, L. J. Horton and H. T. Waldrop, that he would do all in his power to further the project.

More than 100 Carter county farmers cut lespege hay this year, compared to just a few in previous years.

Six hundred acres have been signed for terracing and 25 carloads of limestone have been spread in Hickman county. Under the greatest, most honest, most courageous and progressive national administration in history," McKellar declared. "Let us do nothing to retard this progress. Rather, we should see to it that the friends of President Roosevelt are elected to office so that they can cooperate with him in his gigantic program."

Ferguson Speaks  
Garth K. Ferguson, Democratic nominee for commissioner of agriculture, also spoke. He thanked his friends for their assistance in the August primary, and pledged his support to Chandler and other members of the Democratic ticket. Urging united support of the ticket, he said:

## 2 BREAK JAIL SUNDAY NIGHT

Ed Kendall and Hassel Caldwell Escaped Through Hole Made in Escape of Friday.

Following the jail break of Friday night in which two gained freedom, two others, Ed Kendall and Hassel Caldwell, who refused to leave Friday night, duplicated the trick Sunday night. The two evidently picked the lock on the cell officers stated and then went through the same hole used by the two who broke out Friday night, Willis Goosby, Negro, and Lewis Calhoun, white.

The break was made about 8:30 Sunday night and officers were notified but no trace has been found of either. Kendall was held for detaining a woman against her will, operating a public nuisance and selling whiskey. Caldwell, a resident of near Hico, was being held for forgery.

Graves county homemakers are buying equipment for their reading room, as part of the library project.

The primaries are over, the Democratic nominees were chosen by the majority of the voters. I believe that the Democrats of Kentucky who do the voting are united, and that the Democratic ticket will receive the greatest majority in history."

## Calloway Included in 50,000-acre Government Resettlement Project

RALEIGH, N. C., Oct. 21.—The purchase of 50,000 acres of forest and abandoned farm lands between the Cumberland and Tennessee Rivers in West Kentucky for development of the Coalins Forest and Game Reservations has been approved and approximately \$29,000 allotted to the project, James M. Gray, Regional Director of Land Utilization, Western Kentucky, announced today.

All the lands being purchased by the government have been voluntarily offered for sale by the owners. Mr. Gray said. Options are now being accepted. Owners will be paid when the titles to their lands have been properly approved. Gerald F. Baker is project manager.

The Coalins Forest and Game Reservations are located in Trigg, Lyon, Marshall and Calloway counties, Kentucky, near Cadiz, Eddyville and Princeton. Under Resettlement Administration plans, 100 families of a total of 150 in the project area, are to be resettled on good land and the entire area about seventy-eight square miles is to be developed as a state forest.

The section once was the site of an iron industry which provided local employment. Due to the high cost of production, this industry was abandoned 20 years ago. The present standard of living is low. During prohibition, Mr. Gray reported, the illegal manufacture of whiskey was prevalent throughout the area and bootlegging brought in some cash. Since repeal, however, those engaged in this industry have seen their returns dwindle, he said.

The development program calls for the building of campgrounds, roads, trails, lakes, fire towers, and game reservation to be administered by the Kentucky state forest service.

## BELOVED WOMAN BURIAL SATURDAY

Death Came to Mrs. Martha Ann Lassiter Saturday; Burial at Sinking Spring.

Funeral services for Mrs. Martha Ann Lassiter, 65 years of age, were held Saturday afternoon at 2:30 o'clock from the Sinking Spring church with the Revs. J. J. Ough and R. F. Gregory in charge of the services. Burial was in the church cemetery.

Telephone lines and water holes for game and the carrying on of general forest conservation work. It is estimated that within a reasonable time the forest products from the project would put in on a sustaining basis and that under efficient management it should eventually liquidate its cost.

For the 100 families requiring aid, the Resettlement Administration plans to provide land in Caldwell, Lyon and Christian counties. These families will be helped to get a new start on this resettlement land. Necessary buildings for the building of campgrounds, roads, trails, lakes, fire towers,

and John Edmonds, Hopkinsville; Hecht Lackey and Tom Waller, Paducah; Senator H. P. Atwood, Cadiz; Rudy Ferguson, LaCenter; Joe Browder, Fulton and B. H. Edwards, Carroll county, Tennessee.

Local enthusiasts for the Aurora dam project included: Ben Croghan, H. T. Waldrop, L. J. Horton, Joe T. Lovett, Wells Overbey, Forrest C. Pogue, P. W. Ordway, J. E. Beale, G. B. Scott, Dr. E. B. Houston, George S. Hart, J. D. Sexton, T. H. Stokes, R. W. Churchill, George Upchurch, Raymond Hamlin, R. H. Hood, Claude Miller, T. R. Jones, Max B. Hurt, Dr. J. W. Carr, Mr. Wrather, Mr. Swann, Senator Turner and T. O. Baucum.

## Jimmy Coleman Arrested Saturday

Arrested Saturday morning about 5 o'clock on a charge of having illicit liquor in possession.

The officers were accompanied by Seth Cooper, constable of the Concord district. Seven gallons of illicit liquor was taken as Coleman drove into a field to evade officers. Coleman was taken to Paducah by the federal agents where he made bond.

Manning Stewart Sends \$5 to Campaign Fund

The Ledger & Times is in receipt of a \$5.00 check from Manning Stewart, former Calloway county, now residing in New York, for the Chandler Campaign Fund. The check was in response to an appeal for campaign funds published in The Ledger & Times recently.

The check was made payable to Frederick A. Wallis, chairman of the state finance committee, and has been turned over to Mr. Wallis.

Mrs. Lassiter died at the home near Taylor's Store following an extended illness of several months which she bore with sweetness and calm. Mrs. Lassiter was beloved by many and leaves a large number of relatives. She was a member of the Sinking Spring church where she was a devoted worshiper.

Surviving are her husband, Billie Lassiter, three sons, Ernest, Porter and Arthur Lassiter and four daughters, Mrs. R. T. Cathey, city, Mrs. Ray Miller, Graves, Mrs. Charlie Stone, county, and Mrs. Homer Key, of Tennessee. She also leaves a brother, Tom Dalton, Fulton, and a sister, Mrs. Emma Hendricks, Memphis.

## 2 ESCAPE JAIL FRIDAY NIGHT

Lewis Calhoun and Willie Goosby, Negro, Escape After Removing Brick; Four Remain.

Lewis Calhoun and Willie Goosby, Negro, escaped from the Calloway county jail Friday night about 9 o'clock after tearing the iron bars on the "slams" with a saw cut railing. After entering the corridor they removed the mortar from between the brick with an iron implement.

Four other inmates refused to leave. Calhoun was held on a charge of robbery and car theft and Goosby was held for robbery. Goosby was placed in jail four days after being released from the state penitentiary several weeks ago.

Jailer Jones stated that everything was quiet in the jail at 6 o'clock when the prisoners were fed. About two hours were necessary to make the escape officers stated. The jail has been broken several times in the last two years and officials state that the mortar between the brick is soft and crumbles out with slight pressure.

## COUNTY AGENT NOTES

All corn-hog producers should vote on October 26. The purpose of this election is to determine the attitude of the corn-hog producers toward the AAA program. If you, as a corn-hog producer, feel the program has helped the price of corn and hogs it is your duty to vote for this program. If, on the other hand you feel the program is a failure you should vote against another program. The non-signer has the same right to vote as the signer and should go to the polls. The future of corn and hog production may depend on this vote. If you do not vote and let no one to blame but yourself. This will apply to all elections regardless of the kind. The polls will be open all day at the school house of each of the following places except Murray which will be at the Court house: Almo, Faxon, Concord, Hazel, Lynn Grove, Kirksey, Coldwater, Murray.

**Tobacco Not Under Contract**  
Those producers of tobacco who are not under contract should not

forget to apply at once for tax exemption. This will allow the necessary time for applications to be approved by the time market opens.

**WHEAT CONTRACTS**  
Don't forget the wheat contracts should be signed at once. The secretary to the county agent will be at the office eight hours a day to sign these if the agent should be out.

**4-H CLUB**  
Don't forget that all 4-H club members, their parents and friends are invited to attend 4-H club achievement day to be held in Murray Saturday, November 2, at 10:00 a. m. promptly. A short program and awarding achievement cards will take up the time until the radio program from State and Federal Achievements day starts. The program will end about 12:30 and will be in the Circuit Court room at the Court House.

County Agent

**Faxon Hi News**  
Tuesday of last week marked completion of our beautiful stage equipment. It was painted by

artists from the American Scene Company. This wonderful piece of work was made possible by the business men of Murray and Calloway county who bought ads, and by contributions of friends. Our school and our community are very appreciative of liberality of all these friends. Soon a dedication program will be announced to which all contributors will be invited.

Last week Mr. Billington, Mr. Walton, and the junior-senior high boys moved the light plant to a more convenient place. We hope our light service will be better this year.

**F. F. A.**  
The Faxon chapter of F. F. A. met Thursday, October 17, and studied parliamentary law. We will meet again October 30 and invite the Green Hands. We will also meet at a later date and decide on ways of raising money for our annual picnic.

Mr. and Mrs. J. H. Walton have issued invitations to a faculty dinner with a party afterwards for Tuesday evening, October 22, at their Faxon home.

**Athletics**  
The Faxon softball team ended their season Friday, October 18, by defeating Lynn Grove 6-3. Both teams were responsible for several errors but it was a hard fought game from the first to the last inning. Lynn Grove started the game by scoring a run in the first frame. Faxon followed by scoring a run in their half of the first. Lynn Grove scored their other two runs in the second and failed to score again. Faxon scored one run in the third and four in the sixth. The Faxon boys played one of the best games of the season. In all pinches they arose to the occasion. Basketball practice will be started in earnest Monday. The floor of our gym was repaired last week.

## Brook's Chapel

# \$3,600,000 IN STATE TAXES

THE revenue from taxes on alcoholic beverages is now the State of Kentucky's *fourth-largest* single source of income. . . In addition to eight forms of taxes paid to the State, the distilling industry in Kentucky now pays seven forms of taxes to the Federal Government, four forms to counties, and four to cities within the State. . . Unless you vote "Yes" on November 5, all this revenue will be lost; and the taxpayers of the State will be forced to make up the deficit.

## What the Distilling Industry Does for Kentucky

**CQAL** . . . Kentucky distillers bought over 200,000 tons of Kentucky coal last year. The mining of this coal provided an entire month's work for over 2000 Kentucky miners—work which may be lost forever if you vote "No" in November.

**GRAIN** . . . Kentucky distillers purchased 9,000,000 bushels of grain last year, at a cost of over \$10,000,000. This market for grain will be lost to Kentucky farmers if the distilling industry is driven from Kentucky.

**LUMBER and COOPERAGE** . . . Kentucky barrel man-

ufacturers sold 800,000 barrels to Kentucky distillers last year. These barrels were made from 80,000,000 feet of white oak lumber—at current prices, worth more than two and a half million dollars in cash.

**OTHER INDUSTRIES** . . . In addition to those mentioned above, dozens of other industries and occupations in Kentucky derive some if not all their business and income from the distilling industry in Kentucky. Railroads, hotels, equipment-manufacturers, bottle makers, printing houses, newspapers, merchants of all sorts, everybody in Kentucky owes some benefit to this \$100,000,000 industry.

If you want the State to continue collecting \$3,600,000 per year in taxes from the distilling industry instead of from you and your neighbors—if you want the State to retain all the other benefits of this \$100,000,000 industry—

## Tea Given In Honor Of Parents-Teachers Association

By Dorothea Miller

The home economics class of 1935 gave a tea in honor of the Parents-Teachers Association on Thursday afternoon at 4 o'clock. The girls planned this in the hospitality unit.

The table was covered with a beautiful cream colored lace cloth. In the center bright yellow and blue flowers were arranged in a clear opaque vase. Presiding at the end, pouring coffee, were Mrs. Charles Denham, Mrs. Jack Kelly, and Mrs. Lorena Blackburn. Those acting as hosts were Dorothea Miller, Roy Mae Hart, Clara Erwin, and Alexa Outland. Those serving were Angelyn Brandon, Leola Erwin, Lillian Walker, Eva Lamb, and Catherine Cherry.

Those in the kitchen were—Angelyn Brandon, Leola Erwin, Dorothea Miller.

Eighth grade—Rube Lee Pinkley, Ava Lee Wilson.

## Habits of Two Men

WE KNOW TWO MEN who have very different habits about carrying money in their pockets.

One is a clerk in a small hotel. He says he does not "feel right" unless he has a hundred dollars or more in his pockets. His friends warn him against the danger of such a plan, but he sticks to it.

The other man is a multi-millionaire. He is president of one of the largest concerns in America and yet he makes it a rule to carry very little money about.

Of course he has his check book handy but the money is safe in the bank or profitably invested.

Business-like methods of handling ones affairs will help in the struggle for success—and your friends are sure to judge you accordingly.

Which plan do you prefer?

while your dollar goes the farthest and enjoy the real comforts of your home this winter.

## AND REMEMBER—

Your money spent on winter repairing will be the best investment now and later... you can save on fuel and family illness.

## LUMBER IS CHEAP... LABOR IS CHEAP—

And ultimately they must go higher, and much higher than they are now. Some advances already made.

## AN ADDITION TO YOUR HOME—

will mean increased value, more home comfort, and can be added to modernize the appearance of the present one.

## A PORCH ENCLOSURE FOR COLD DAYS—

will add a comfortable room at little expense.

## IF YOUR HOME WAS TOO COLD LAST WINTER—

## Girl Scout News

The regular Girl Scout meeting was held Saturday, October 18. Captain Inglis called the meeting to order, songs were sung, and the reports of the treasurer and scribe were read.

The Scouts selected dark green as the color for the uniform tie. The different patrols chose a name for themselves.

After the patrol meetings, tests were passed on both the Tenderfoot and Second Class tests. After the meeting, the Court of Honor decided to have a hike for the next meeting, October 26. The Scouts will bring their own lunches and something to cook. We will meet at the Training school, and from there the patrols of Mary Elizabeth Bennett and Thelma Riley will blaze the trail for the other two patrols to follow.

The Girl Scouts met at the home of Martha Robertson last Tuesday night, where the cantors were chosen. Thursday night, October 24, the cantors will meet at 7 o'clock at the home of Frances Sleda—Nancy Mellen, Scribe.

Elder H. A. Golen and son Junior of Martin, Tenn. were in Hazel Thursday.

Mrs. Myrtle Walker and daughter, Lillian, were in Murray on business recently.

Mr. and Mrs. Dave Alton and family visited Mrs. Alton's parents over the week end.

Want to Murray the other day and saw a milk truck and what space wasn't taken up with cans was occupied by men. Wonder where they had started.

Rained Monday morning—a good rain on everything and brought a fine tobacco season.

## Vancleave School

School is moving along nicely. The children have been working for the past two weeks on health posters, booklets, and so forth for the decorations of the rooms.

The school is now working on a program to be given Saturday night November 2. The program includes the following numbers: "Careless Johnny," a safety playlet in three scenes, and an "A B C" letter drama, put on by the primary room. "Jumbo Jim," a two-act comedy and "A Deferred Proposal," a one-act comedy, put on by the upper grades. The school not only invites those in the community, but everyone to come see this well planned program, which will be given free.

There will be an all-day singing at the school Sunday, October 27. All singers invited.

## Women Who Have Pains

## Try CARDUI Next Time!

On account of poor nourishment, many women suffer functional pains at certain times, and it is for these that Cardui is offered on the record of the safe relief it has brought and the good it has done in helping to overcome the cause of womanly discomfort. Mrs. Cole Younger, of Louisville, La., writes: "I was suffering with Cardui. I had quite a lot of pains which made me nervous. I took Cardui and found it helped me. It made me regular and stopped the pain. This quieted my nerves and made me better." If Cardui does not benefit you, consult a physician.

roll for the second six weeks term, includes those who made all A's and B's.

First grade—Howard Brandon, Charles Burken, Mae Dell Hopkins.

Second grade—Charlene Carol.

Third grade—T. G. Shelton, Frances Washam, Dorothy Hopkins, Virginia Hale.

Fourth grade—Ruby Lewis, Eugene Moore, Wilson Childers.

Sixth grade—Gracie Lee Workman, R. E. Wright, Londean Washburn.

The fifth stewards' meeting for the Murray Circuit will be at Lynn Grove Saturday, October 26. The Rev. H. R. Taylor will preach at 11 a. m. A short business session will be held immediately after lunch. All officials are urged to be present. Prospects are for good reports, and a good closing for the year. We hope the Missionary Committees will be able to report in full. There is only a small balance at each church. We will all

feel better when this is paid.

The women of the Murray Circuit are serving dinner in the basement of the First Methodist Church on Fourth Monday. This is the first dinner they have served this year. All the good eats have been kept for this occasion. They want all their friends and neighbors to come and eat with them. Now do not forget the time or place.

## Wide Variance in State Voting

During the past seven years, the Democratic vote in Kentucky in state elections has varied 213,000 votes and the Republican vote has fluctuated 187,000 ballots in the same length of time.

President Roosevelt polled the greatest Democratic vote in the history of the commonwealth three years ago when he ran up the tremendous total of 580,574. The low ebb was in 1927, when the Republican forces were at the height of their control in the nation. That year only 367,858 Democrats turned out to vote for Beckham when he lost to Sampson by a majority of 32,900.

The maximum Republican support was for Hoover a year later when the former President swept Kentucky with a total of 533,569 votes and a majority of 140,000 over Al Smith, the most crushing defeat for Kentucky Democracy in the state's history. The low tide for the G. O. P. was four years ago when Harrison polled but 393,962 as Laffoon was elected by 72,000.

The only conclusion that can be drawn from these figures is that approximately one-fifth of the state's qualified voters reserve the right to vote either way as they consider party records and the individual merits of the candidates sponsored.

## What a Vote For Chandler Means

A vote for A. B. Chandler for Governor in the November election means a vote for Franklin D. Roosevelt for President in 1936. A vote against Chandler in the November election means a vote against Roosevelt in 1936.

November election means a vote against Franklin D. Roosevelt for President next year. While the issues upon which the campaign is being conducted in Kentucky are largely a question as to who first opposed the sales tax and who did the most to prevent its adoption, the question that looms larger is how the election will be regarded outside of Kentucky. Judge King Swope has never mentioned national politics in any of his speeches. He does not say that he opposes the New Deal. His purpose is to avoid discussion of national politics with the view of securing Democratic voters who are lukewarm for Chandler. It is the old scheme of the Republicans in Kentucky to try to win an election without standing out for Republicanism. It is the old story of the wolf in sheep's clothing, but if Judge King Swope should be elected Governor then his Republican colors would come out. He would be then very strong against the New Deal and his victory in the State would be hailed throughout the Union as a rebuke for Franklin D. Roosevelt. For that reason a vote for Chandler next year is a vote for Roosevelt next year, and a vote for Swope this year is a vote against Roosevelt next year—Elizabethtown News.

## CCC Camp Education

How many Kentuckians as they pass the several CCC camps scattered over the state and meet the nattily attired youngsters—thousands of them—realize what a great factor this is in the president's nation-wide plan of rehabilitation? They are more than groups of young men doing daily labor. Indeed—that is only a

small part of the program. The boys are encouraged to study, to decide on some definite course and to pursue it under the direction of the camp's director of education. And where boys are found—a fact we confess with mortification—who have never attended school, classes are provided for them as well as for those who have progressed far enough to take up some line of mechanical or otherwise special training.

President Roosevelt has surrounded himself with men whose vision encompasses the wide realm of rebuilding a nation through restoration of its citizen morals and Kentucky is sharing in the benefits. We have 50 of these CCC camps in our state with approximately 20 teachers for the upwards of 200 boys in each camp. There the boys spend profitable hours studying lessons designed to train their heads and hands and of the more than 9,000 turned out from CCC camps the past year into permanent employment, Kentucky had its quota.

This is but one phase of the work being carried on so advantageously under direction of the president. This alone embraces the salvage of wasting land, whether too wet or washed away, the building of parks and roads in other places, the restoration of fertility to worn-out land through the application of scientific means of soil building. These CCC boys go into forests and use the principles of reforestation to preserve the trees for the future generations.

## COLORFUL AND ENERGETIC

A. B. "Happy" Chandler, the Democratic nominee for Governor, may replace Senator Alben Barkley as the "iron man" of Kentucky politics. The young Democratic nominee has made more speeches than any other candidate in Kentucky in a decade. If he tires, his fatigue is not visible to his audiences. Both in the primary and in the current fight he has proven his ability to go many places and make many speeches in short periods of time. Happy's success thus far may be attributed in a large measure to energy and color. The Lieutenant Governor has both in abundance. He has that something that gives him communion with his audiences, and Happy knows how to make the most of his opportunities. He never speaks too long, and while he is speaking Happy has the faculty of appearing to speak personally to every person in his audience. Kentuckians no doubt have heard several campaigns of other years who, except for a young Democratic nominee in oratorical ability, but they have never heard a candidate with more color and more energy. Actually Happy doesn't make a speech; he talks to his listeners. He is unquestionably one of the best campaigners to ever make an appearance in a Kentucky political campaign.

Vs. Judgment—  
Esther Jones, and Husband, Allen Jones, Perry Cotham, Harry Cotham, an infant over 14 years of age, Preston Cotham, and infant over 14 years of age, B. B. Cotham, B. F. Carter and Frank Page.

By virtue of a judgment and order of sale of the Calloway Circuit Court, rendered at the August term thereof, 1935, in the above cause for the purpose of division of property and payment of \$600.00, with interest from January 24, 1931, until paid and \$100.00 with interest thereon from March 24, 1933 until paid and costs herein expended, I shall proceed to offer for sale at the court house door in Murray, Kentucky, to the highest bidder at public auction, on Monday, the 28th day of October, 1935, at 1 o'clock or thereabout (same being county court day), upon a credit of six months, the following described property, being and lying in Calloway County, Kentucky, to-wit:

Being a part of Sec. 20, T. 2, R. 3, east beginning at Graves and Calloway County line, running east twenty (20) rods for a beginning point; thence south sixty-five (65) rods eight (8) feet; thence east one hundred twelve (112) rods; thence north twelve (12) rods four and one-half (4 1/2) feet; thence east twenty-five (25) rods; thence north sixty-five (65) rods one (1) foot; thence west forty-four (44) rods two (2) feet; thence north twelve and one-half (12 1/2) rods; thence west sixty-five (65) rods; thence south twenty-five (25) rods seven (7) feet; thence west twenty-nine (29) rods to the beginning. Said deed is recorded in D. B. 50, page 335, of the Calloway County Court Clerk's office.

For the purchase price the purchaser must execute bonds with approved securities, bearing legal interest from the day of sale until paid, and having the force and effect of a judgment. Bidders will be prepared to comply promptly with these terms—Geo. S. Hart, Master Commissioner.

Henry Fonda's wistful, sensitive portrayal of the farmer boy in the stage version of "The Farmer Takes a Wife" was one of the highspots of the play. He plays the same role opposite Janet Gaynor in Fox Film's production of "The Farmer Takes a Wife."

King Swope's attempts to ridicule and belittle the ability and personality of Keen Johnson, Democratic nominee for Lieutenant Governor are not only ill-tempered but also ill-advised as a political policy. Mr. Johnson is one of the outstanding young men of Kentucky in many lines of endeavor besides politics and has the admiration, respect and confidence of all who have contacted him. Mr. Swope's attacks upon Mr. Johnson will do the former's campaign no good. Republican as well as Democratic editors have a fondness for Mr. Johnson that Swope's attack will not lessen but rather augment.

At least, President Roosevelt is better at beating his foes to the punch than his sons are at beating railroad trains to crossings.

Most of our young people may not know where they are going but they certainly are not slow about it.

## HOWARD COLLEGE COMES SATURDAY

Murray Freshmen Play Western Fresh in Stadium Friday Afternoon.

(Cont'd. from Page 1, 1st Sec.)

They also have a well coordinated running attack, as reported by Assistant Coach Edmonds who saw them coach over Stetson by 33-0 last Saturday.

The Racehorses got back in the win column last Friday night at Cookeville, winning their third straight over T. I. by 13-0. Murray did not score a touchdown until the final 5 minutes when Elder carried the leather over. The other six points were garnered by virtue of three safeties, two of them gained on blocked punts.

Quarter and backfield were kept out of action at Cookeville by injuries, will be available for work Saturday afternoon and will doubtless see plenty of action.

The Howard game is a test of whether Western Kentucky grid enthusiasts are willing to support high-grade football and by support is meant a sufficient desire to see it to turn out in sufficient numbers to make it possible for the college to book such teams as Howard, Springhill and Millage. The guarantee for the Howard game is \$1,000 and officials and other incidentals will run the total close to \$1,200. Approximately the same sum was invested in the Springhill contest, which brought in only about \$200 at the gate. It is obvious that stellar attractions cannot be continued without more enthusiastic response.

It may be only a freshman football game but the annual contest between John Miller's Colts and the young Hilltoppers from Western is one of the most eagerly anticipated games in Murray every other year. Next to beating the Western varsity local fans next relish a victory over the rival frosh from the banks of the Barren. This game will get under way at 2:30 o'clock Friday afternoon. Miller's boys have had one test from which they emerged with the

## U. G. Starks Serves College For Years

U. G. Starks, Murray, who was in charge of the CWA labor in the construction of the \$30,000 stadium, has since its completion, been a member of the maintenance department of Murray State College.

Since the beginning of the summer semester, he has served as college carpenter.

Mr. Starks has been a carpenter for 11 years. After serving his period as an apprentice, he became a journeyman tradesman. He has worked in several parts of the country, spending three years in Florida during the "boom days" there. When the Irvin Cobb Hotel at Paducah was under construction, Mr. Starks served as master craftsman.

The Murray campus has been closely connected with the work on Murray campus. In 1920, when the men's dormitory was being built, he was chosen as building inspector, and he worked as master craftsman on the new library building at Murray State.

In discussing the new buildings which will be constructed on the Murray campus soon, Starks declared that the health building will be located just north of the men's dormitory. It will be 273 feet long and 219 feet wide, with part of it having three stories. Besides classrooms, offices and additional gymnasiums, the building will have a 95 foot by 35-foot swimming pool.

Mr. Starks is a finished cabinet maker also. Evidence of his work may be seen in chapel. He made the robing stand used on the rostrum, and he has added many other pieces of high grade work to the institution.

W. B. Moser, science instructor of Murray High School, who was a member of the first class ever to graduate from Murray with bachelors degrees, was the first enrollee for graduate work this semester. Prof. E. H. Smith, director of extension at Murray State College said today.

Twenty-six Trimble county farmers cooperated in buying 2,985 pounds of winter vetch for seeding.

Persons interested should apply at once for information to Secretary of the U. S. Civil Service Board of Examiners, at the post office in this city.

Dairy farmers of Boyd, Carter and Lawrence counties formed a Tri-County Milk Producers Association, to sell milk to Ashland plants.

## Barkley Says FDR Interested in Dam For Lower Valley

The president of the United States is giving and will continue to give "his very earnest consideration" to the Aurora Dam project.

This statement was made by U. S. Senator Alben W. Barkley after he had brought to President Roosevelt's attention a telegram from the Lower Tennessee Valley Association, urging that work be started soon on the Aurora Dam.

In a letter received by Secretary L. J. Horton of the LTVA today, Senator Barkley wrote as follows:

"Your telegram which was sent me aboard the President's special train concerning the Aurora Dam, was promptly received and brought to the President's attention. He asked me to thank you for this expression of your interest in this matter and assured me that the Aurora Dam project is and will continue to receive his very earnest consideration."

The telegram sent to Barkley and to Roosevelt by the LTVA follows:

"Lower Tennessee Valley Association advised by Dr. A. E. Morgan, TVA chairman, recent act authorizing 15-foot channel Tennessee River makes necessary dam in this area. Hope you see fit call this to the President's attention and urge work be commenced on dam soon. Seems preliminary work clearing area, purchasing land, etc., could be started now since Morgan admits dam must

be built. The dam will be 273 feet long and 219 feet wide, with part of it having three stories. Besides classrooms, offices and additional gymnasiums, the building will have a 95 foot by 35-foot swimming pool.

Mr. Starks is a finished cabinet maker also. Evidence of his work may be seen in chapel. He made the robing stand used on the rostrum, and he has added many other pieces of high grade work to the institution.

Persons interested should apply at once for information to Secretary of the U. S. Civil Service Board of Examiners, at the post office in this city.

Dairy farmers of Boyd, Carter and Lawrence counties formed a Tri-County Milk Producers Association, to sell milk to Ashland plants.
