Paper Stock Is Undergoing Many Changes

Paper tor letterheads and envelopes is slowly undergoing many changes. Bond papers will be dingier, will lack the white coking finish they have known for many years. Probably the price will be higher also.

We still have some stock on hand of the better finish. Order sooner order

Fire Strikes Like a Bomb

Switch! A bomb goes down from a U.S. plane on an enemy target and devastates followings.

Fire is like that. It can strike at your property in the twinkling of an eye, and devastations follow — unless you have adequate insurance protection.

That protection can light the blow.

Writing insurance is our business—and we believe we know how to properly plan your insurance. Call us at any time and let us begin.

In the finals of the Fulton County Club championship tournament, played yesterday, the 18-hole Stroke Play championship was won by Mrs. Virginia Rogers, defending champion, with a two-under-par score of 72, one stroke better than Mrs. Gladys Moore, who finished second. Mrs. Rogers, playing a splendid game, held a four-stroke lead after the first nine holes but was closely contested by Mrs. Moore. The championship was decided on the 17th hole, on which Mrs. Rogers made a par 4 and Mrs. Moore a par 5, the latter shot being a fine one into the wind from 150 yards out.

Mrs. Rogers, who has won the championship for the past three years, played a steady game throughout, while Mrs. Moore, who won the title in 1940, played with a bit of enthusiasm and emotion. Mrs. Moore finished the third round with a total of 89, while Mrs. Rogers was 84, putting her four strokes in the lead. In the final round, Mrs. Moore was 39, while Mrs. Rogers was 36, holding a seven-stroke lead at the end of the 17th hole.

Mrs. Rogers' score was 36-39-39, for a total of 114, while Mrs. Moore's score was 39-36-39, for a total of 114. Both players played well, but Mrs. Rogers had the edge in final honors, edging Mrs. Moore by one stroke.
