GILBERT GRAVES MEMORIAL PLAGUE DEDICATED—A memorial to Gilbert Graves, the only Murray State athlete to die from injuries received in competition, was dedicated in ceremonies Friday afternoon. As David Tucker, left, played taps, Graves' sisters and fellow members of the 1924 football team paused in his memory. The two sisters who unveiled the plaque are, left Miss

Margaret Graves, of West Palm Beach, Fla., and Mrs. Mildred Hagan of Louisville. Members of the football team are, left to right, Joseph Raines, Auburn Wells, Erret Starks, C. H. Arnett, T. Sledd, Ty Holland and Vernon James.

President Ford Stands By Nomination Of Rockefeller

WASHINGTON (AP) — President Ford is standing by his nomination of Nelson A. Rockefeller, declaring, "I'm still convinced he would make a good vice president."

Ford, fielding questions from five newsmen aboard Air Force One late Saturday, was asked whether any conservative Republicans had urged him to withdraw the increasingly controversial nomination.

"I wouldn't say anybody seriously," the President responded, implying that such advice had been received.

Standing in shirtsleeves in the aisle of the plane as it brought him home from a campaign trip to Louisville, Ky., Ford held what amounted to an informal news conference.

Ford said he expected Rockefeller's nomination to be confirmed before the President's planned trip to Japan next month. This would seem to be out of the question since Ford tentatively plans to leave the country Nov. 17 and Congress does not return from its election recess until the following day.

Meanwhile, Rockefeller was described by a prominent Senate Democrat as "a man who has great experience, tremendous ability."

The comment came from Senate Democratic Leader Robert C. Byrd of West Virginia, who said in an interview Sunday on the CBS program "Face the Nation" that he still

Weekend Accidents Injure Two Persons

An Illinois man is in satisfactory condition at Western Baptist Hospital in Paducah after suffering injuries in an accident near Coldwater Friday night.

Kentucky State Trooper Charles Stephenson, who investigated the accident, was out of town today, and could not be reached for an accident report. Officials of the Professional Ambulance Service said Hudie R. Walker was transferred to Paducah for surgery after suffering jaw injury.

A Murray man was injured in an auto accident Sunday, according to Murray Police. Officers said Jack B. Kennedy II, 807 Sharpe, said he fell asleep at the wheel and collided with a road sign and dirt bank at the intersection of Highway 121 and Highway 641 north of Murray.

Police said he was going east on Highway 121 at the time of the accident.

Hospital officials here said Kennedy was treated and released.

Betty S. Riley Named 'Business Woman Of Year'

Betty S. Riley was named as "Business Woman of the Year" for 1974 by the Murray Business and Professional Women's Club.

Announcement of the selection of Mrs. Riley by secret ballot was made by Mrs. Laura Jennings, chairman of Business Women's Week for the club, at the annual prayer breakfast held Sunday morning at seven o'clock at Perkins Pancake House.

Mrs. Riley served as president of the Murray Club last year and this year is serving as membership chairman. She is teacher of English IV at Calloway County High School, and is the nominee for Kentucky 1974-75 Teacher of the Year from the Calloway County School System.

The "Business Woman of the Year" received her B. A., M. A., and Ed. S. degrees from

Murray State University and is a life member of the MSU Alumni Association. Mrs. Riley is also co-sponsor of the

Betty S. Riley Named Sunday

Calloway County High School Beta Club and in December will become Kentucky State Beta Club Sponsor.

Mrs. Riley and her husband, Vernon E. Riley, reside on Clark Street, Murray. They are the parents of three children. She is a member of the First Christian Church, Murray Star Chapter No. 433 Order of the Eastern Star, and the Zeta Department of the Murray Woman's Club.

The Murray woman is a member and past president of Rho Chapter of Alpha Delta Kappa, Calloway County Education Association, First District Education Association English Group, National Education Association, National Council of Teachers of English, Kentucky Council of Teachers of English, Kentucky Education Association, and First District Education Association. She began her teaching career in the Elvins School System, Elvins, Mo.

Mrs. Richard E. Walker was the devotional speaker at the breakfast held Sunday morning for the members and their husbands.

Fall MSU Enrollment Surpasses Old Record

Final enrollment figures for the fall semester at Murray State University show an all-time high head count of 7,349, surpassing by 15 the previous record of 7,334 in 1968.

Wilson Gantt, dean of admissions and registrar, said an examination of the enrollment breakdown "offers grounds for optimism that the declining enrollment trend of the last few years has passed."

He called attention specifically to the increase of 89 in the full-time equivalent (FTE) enrollment from 5,878 a year ago to 5,967 this fall, noting that it is the first increase in FTE from one year to the next since 1968.

"That FTE increase is in

close correlation with the number of full-time students enrolled, which also went up for the first time since 1968—from 5,298 in 1973 to 5,347 this fall."

Gantt said the 2,064 in the freshman class also mark the first time since 1968 that more than 2,000 first-year students have been registered. The 1968 total was 2,138.

"Since 1,735 of those freshmen are full-time students—the highest full-time enrollment in that class in five years—enrollment prospects for future years as these students progress look very promising," he explained.

Part-time enrollment, according to the figures released by Gantt, is at an all-time high

of 2,002. Graduate students attending on a part-time basis are also at a record high of 1,070, reflecting the 82 enrolled in the new Master of Business Administration program in Owensboro this fall.

Gantt pointed out that all increases in enrollment have been registered despite a loss in the number of students in classes taught by Murray State faculty at Eagle University, a consortium at Fort Campbell. That figure of 243 is down 71 from the 314 taking course work on the post in the fall of 1973.

He gave this breakdown of the enrollment at other class levels: sophomore, 1,269; junior, 1,273; senior, 1,399; and graduate, 1,344.

Doran Lauds Regional University Concept In Address Here Friday

If higher education does as well in the next 200 years as it has in the past 200 and if it continues to produce the caliber of teachers and leaders as it has during the past 50 years, it can turn the world upside down, provided the autonomy of its regional institutions is not destroyed.

This was the sentiment expressed Friday night by Dr. Adron Doran, president of Morehead State University, while speaking at a multi-purpose Bicentennial Homecoming banquet at Murray State University.

Murray State and Morehead State are "sister institutions," each created by the same Kentucky General Assembly in 1922.

Each since has become a regional center from which services are being provided to the public school systems, agricultural interests, business and industrial establishments and to the professional clientele of their areas.

This institutional autonomy, which, he said, has contributed so effectively to quality and equal education opportunities for Kentuckians, possibly could be lost because of greater controls by the legal agencies of state government.

"Instead of our being able to continue as multi-purpose regional universities, we may find ourselves becoming single-purpose institutions as satellites of a larger more impersonal state system," the Morehead president, who holds two degrees from Murray State, declared.

"I can vision the figments of someone's imagination that would bring about—under the guise of efficiency, reduced costs, elimination of wasteful

duplication and the like—regional single-purpose institutions such as:

"Morehead State School of Technology, Eastern Kentucky State School of Law Enforcement, Murray State School of Veterinary Medicine,

Western Kentucky School of Environmental Studies, Kentucky State School of Public Administration and Northern Kentucky School of Diplomacy."

The banquet also (See Doran, Page 12)

Murray Band Wins First Place At Mayfield Marching Contest

The Murray High School band won first place in both field and street competition in class AA at the 14th Annual Mayfield Band Spectacular Saturday night at Mayfield, over Union City which placed second.

The Calloway County High School band also competed in the contest.

Other first place winners in the contest were: Muhlenberg Central, Class A; Drakesboro, Class B; and Russell County, Class C.

Murray was the high point champion of all 22 bands in the contest with a total of 289 points in parade competition and 297 points in field competition. Each event was judged separately and a total of 300 points per event were possible.

This was the final competition of the season for the MHS band which will perform at the Hopkinsville and Fort Campbell football games. The "pep" band will accompany the Tiger team to Russellville.

Hopkinsville Plant Gutted By Fire Today

HOPKINSVILLE, Ky. (AP) — Fire of undetermined origin swept through an overall plant in downtown Hopkinsville today, gutting the one-story brick building before it could be controlled.

The blaze at the KY Manufacturing Co. was sighted just before dawn, officials said. Firemen were able to prevent it from spreading to surrounding structures.

No injuries were reported. KY Manufacturing had no estimate of the damage early today. The company employs about 90 persons.

Weather Forecast

Partly cloudy and warmer today and Tuesday, clear and a little warmer tonight. High today in the mid 50s, low tonight in the upper 30s to low 40s. High Tuesday in the low to mid 60s. Chance of showers on Wednesday.

SPOOKY PLANS—Mrs. John Belt and Mrs. Dan Miller, co-chairman of the Kappa Department of the Murray Woman's Club's Haunted House and Kappa Carnival, are busily choosing supplies for the event which will be held this year on Monday, Tuesday and Wednesday, October 28, 29 and 30.

Kappas Plan 'Haunted House' Project For Next Monday, Tuesday, Wednesday

The annual Halloween "Haunted House and Kappa Carnival" sponsored by the Kappa Department of the Murray Woman's Club will be held Monday, Tuesday and Wednesday, October 28, 29 and 30, at the Jaycee pavilion at the Murray-Calloway County Fairgrounds.

Proceeds from this year's project will go to the Need Line, Head Start and to the Murray

High Band Orange Bowl fund. Donations in past years have gone to the Murray Middle School Library, the Mental Health Center, the Speech and Hearing Clinic, Human Growth, Inc. and Head Start.

This year's Haunted House will feature new rooms with the usual ghosts and ghouls and the "Friendly Talking Pumpkin," a popular feature of last year's

Kappa Carnival, will return along with other booths and activities for small children.

The project has been expanded this year to include a greater variety of entertainment for a larger age group, a spokesman said.

The Haunted House and Kappa Carnival will be held from 5:30 p.m. to 10 p.m. on each of the three nights prior to Halloween.

Pregnant daughter refuses to wed

By Abigail Van Buren
1974 by The Chicago Tribune

DEAR ABBY: My daughter graduated from college. With honors, yet, but listen to what this dumbbell did. She moved in with her boyfriend with the understanding that if they both decided they were right for each other they would get married.

Now she thinks she's pregnant, but she has not told her boyfriend because she wants him to marry her for HERSELF—not because there is a baby on the way. Have you ever heard of such stupidity from a college graduate?

Thank God we don't live in the same city because I keep thinking of things I'd like to say to her and it's getting harder and harder to keep my mouth shut.

I wish I could talk some sense into that girl's head. She never misses your column. Maybe you can.

TEARING MY HAIR

DEAR TEARING: Your daughter hasn't asked me for any advice, so I'm not about to give her any. But I have some for you. Quit tearing your hair over a grown daughter of legal age who is determined to live her life the way she wants to. It's her privilege. Right or wrong.

DEAR ABBY: I am the mother of two children under five. I was married, but it didn't work out.

For a year now I have been going with a very nice and lovable older man. My only bad break is that he is married and living with his wife.

He says he loves me very much and one day will marry me, but right now he feels sorry for his wife and he can't talk divorce to her or she will crack up. (She's not very strong. They have five kids.) He tells his wife he's working late and comes over here for supper nearly every night. My kids call him "Daddy," but they're confused because when they go to bed at night their "Daddy" is here, but he's never here when they wake up in the morning.

I have no one to talk to about this. My mother would never understand. Please advise me.

IN LOVE

DEAR IN: I think you're wasting your time. Get smart and say goodbye to this part-time "Daddy." Look for an unattached man your kids can say "Good night" and "Good morning" to.

DEAR ABBY: I am writing this in utter disgust for the way guys are starting to dress now. It makes me sick to my stomach to see men walk around in platform shoes and midriff blouses with their navels showing! What on earth would make a man want to dress that way?

Are people so taken in by the weirdo fashion designers that they will buy anything as long as it's new and considered "in"?

I don't mind a little imagination in men's wear, but some of these flowered shirts and feminine looking duds are ridiculous. Men don't look like men anymore.

Now that I got this off my chest, I feel better. FEMALE

DEAR FEMALE: Not ALL men are buying the above-described attire. And as for your complaint about men not looking like men, could it be because some WOMEN look like men?

CONFIDENTIAL TO "LU WITH A LULU OF A PROBLEM": Yes, for every problem there IS a solution—even if it's only learning to live with it. When you pick a lemon, make lemonade.

Everyone has a problem. What's yours? For a personal reply, write to ABBY: Box No. 69700, L.A., Calif. 90069. Enclose stamped, self-addressed envelope, please.

Mr. & Mrs. Albert Parker Observe 50th Anniversary

Mr. and Mrs. Albert Parker observed their fiftieth wedding anniversary on Friday, October 18, at their home at 901 Poplar Street, Murray. No formal celebration was planned.

The Parkers were married October 18, 1924, by Bro. Franklin Crutcher in Henry County, Tenn. Their attendants were Mr. and Mrs. Bee Lovett.

Mrs. Parker is the former Zula Morris, daughter of the late Wavel and Viola Turner

Morris of Calloway County. Mr. Parker, a retired carpenter, is the son of the late Newton and Charity Micher Parker, also of this county.

Mr. and Mrs. Parker have resided in Calloway County most of their married life. They attend the University Church of Christ.

They have one daughter, Mrs. Dewitt (Elizabeth) Brown, and one granddaughter, Cheryl Brown, of Murray.

Sixty-five New Members Initiated By Calloway High School Beta Club In Ceremony Held At Jeffrey Gym

Sixty-five members were initiated into the Calloway County High School Beta Club at the special initiation ceremony held Tuesday, October 15, at seven p. m. at Jeffrey gymnasium.

Norita Cassity, president, presided, and Renee Tobey gave the devotion.

Special entertainment was presented by a duet composed of Mrs. Kim Sloan and Mrs. Wally Taylor, accompanied by Wally Taylor and Dwain Barrow. Their selections were "The River's Too Wide" and "One Day At A Time."

Cheryl Jackson, initiation chairman, introduced the special soloists who are both graduates of Calloway County High School. Mrs. Sloan is a former district Beta officer and Mrs. Taylor is a former state Beta song leader. Mrs. Sloan is now a teacher at Calloway High.

Becky Blackford spoke on the theme of the initiation.

As the secretary, Linda Avery, called the names of the new members, each one came forward, placed a dart on the Achievement Beta Board,

received certificates and materials from the officers, and then the entire new membership formed a B on the gym floor behind the Beta officers seated at a long table.

The new members, then recited the Beta pledge, led by Mrs. Vernon Riley, long time sponsor of the club. Mrs. Ronald Hopkins is assisting Mrs. Riley as co-sponsor this year.

Miss Cassity continued the ceremony by lighting the gold taper which represents the inspiration of Beta membership. Miss Avery lighted a taper as representing achievement, Sherrie Starks a taper for character, Alene Paschall a taper for leadership, and then each officer lighted a candle followed by all the new members lighting a candle as started by Reesa Buchanan.

The ceremony was closed by Janet Byerly leading the Beta members in singing the Beta Club song.

Officers of the Beta Club are Norita Cassity, president; Pam Robertson, first vice-president; Dale Mathis, second vice-president; Sherrie Starks, parliamentarian; Alene Paschall, corresponding

secretary; Allison Wilfred, point secretary; Linda Avery, recording secretary; Larry Geib, first treasurer; Reesa Buchanan, second treasurer; Patsy Burkeen, reporter; Janet Byerly, songleader; Renee Tobey, devotional leader.

Following the program refreshments were served in the cafeteria to the members, teachers, parents, and guests including Dr. Joseph Rose, sponsor for Gamma Beta Phi, Murray State University, and Calloway Principal Ron McAlister.

Cheryl Jackson, left, initiation chairman for the Calloway county High School Beta Club, and Norita Cassity, Beta Club president, stand in front of the Achievement Board where the new members placed their darts during the initiation ceremony on Tuesday evening.

Storage Bench Keeps Patio Neat

Building an outdoor storage bench can do wonders toward clearing the clutter of children's toys, games, barbecue supplies and other odds and ends that gather around a yard. Such a bench is easy to build, framing a rectangular box of 2x4-inch western wood and extending one side for a backrest. A hinged lid projecting several inches over the other side serves as the seat.

A good location is against the house wall and under the eaves on a patio or deck. Suitable materials for the bench include Douglas fir, cedar, or western pine.

Dr. Joseph Rose Speaks At B&PW Meet At Club House

The Murray Business and Professional met for its regular dinner meeting at the Murray Woman's Club House on Thursday, October 17 at 6:30 p.m.

Distinguished guests at the meeting were Kay Booth, Director of District No. 1 and Anna Lou Caldwell, Assistant Director of District No. 1 in the Kentucky Federation of Business and Professional Women, and Hazel Story, treasurer of the Marshall County Business and Professional Women's Club. Also present was Mrs. Caldwell's Mother.

The guest speaker for the evening was Dr. Joseph Rose of the Political Science Department at Murray State University. Dr. Rose spoke on several subjects: Comprehensive Health Insurance Program and its advantages and ultimate goals; the advantages of a comprehensive development plan on three levels, local, state and National; corrupt campaign practices. His wife was also present.

Career Girl for the year was selected by members of the Murray Business & Professional Women's Club and the honor went to Brenda Nix who is currently an instructor in various office skills at the Murray Vocational School. Patsy Dennison, selected as an alternate, is a Supervisor at the Student Health Center at Murray State University.

Engineer demand

Demand for engineering graduates is growing more rapidly than supply, says a manufacturer of Stress Analysis Systems. According to Dr. Felix Zandman, president of Vishay - Intertechnology Inc., industry sources indicate that by 1976 there may well be two job openings for each engineering graduate.

Fabrics

Feminine fabrics—chiffons, velvets, satins, taffetas and matelasses—will be widely used for evening wear this year.

ARIES

(Mar. 21 to Apr. 20)

Weighty matters will need to be given sufficient thought now; also a great deal of patience. Don't try to rush things through. Neither fear failure. Stress your innate optimism.

TAURUS

(Apr. 21 to May 21)

An average day generally, but you may be given some additional responsibilities; may also face some complex situations. Handle all with your usual equanimity.

GEMINI

(May 22 to June 21)

You may find yourself in the midst of controversy. Don't let it bother you. Rather, get together with opponents and, using your innate foresight, you can solve all issues nicely.

CANCER

(June 22 to July 23)

A thoughtful review before beginning day's program will speed up its fine potentialities for success. Especially favored: teachers, students, all engaged in the medical professions.

LEO

(July 24 to Aug. 23)

Advance a new idea, enlist the help of others to put it across. Under prevailing influences, you should win new benefits, advance your status.

VIRGO

(Aug. 24 to Sept. 23)

Stellar influences only fairly generous, so you will have to provide your own momentum to carry on. Neither too many problems nor much opposition indicated.

LIBRA

(Sept. 24 to Oct. 23)

This looks like one of your better days. You should be the center of attraction in whatever circle you find yourself—business or pleasure.

SCORPIO

(Oct. 24 to Nov. 22)

Excellent Mars influences! New trends may result in an agreement where there was only opposition before. Do make the most of such fine opportunity.

SAGITTARIUS

(Nov. 23 to Dec. 21)

Jupiter influences not too friendly. Avoid getting in over your head—especially where you happen to be on unfamiliar ground.

CAPRICORN

(Dec. 22 to Jan. 20)

A favorable day for negotiations, working toward contract settlements. Parties of the second part now appreciate what you have to offer.

AQUARIUS

(Jan. 21 to Feb. 19)

Mixed influences. Stay out of speculative ventures and be exceptionally careful in dealings with the opposite sex.

PISCES

(Feb. 20 to Mar. 20)

The Piscean tendency to seek the unusual and offbeat will be much in evidence now. You'll find much satisfaction in areas others overlook.

YOU BORN TODAY are an intense and lively individual—a real "firecracker" in both your personal and professional life. Your attitude toward associates is extremely outgoing and you possess an unusual flair for the dramatic. With all this, you are within, a softly sensitive person, caring deeply for others and actually suffering over "man's inhumanity to man." No matter what career you adopt, you will, almost inevitably, make time to devote yourself to causes designed to improve the common lot. Career-wise, you would make an intense and dynamic actor, a brilliant attorney or jurist, a powerfully persuasive writer, a highly sensitive musician—in almost any field. Rita Gibson Honored On Her 16th Birthday

By Mrs. Herbert Alton
October 1, 1974

We're having some cool weather these days. Hope all the farmers got their tobacco in before frost came.

Seems to be lots of colds and sore throats. Guess it is due to the changeable weather.

Mrs. Carrie Paschall spent Saturday with her mother, Mrs. Hooper. Mrs. Fudge visited with Mrs. Hooper Sunday.

Recent visitors of Mr. and Mrs. Winburn Alton were three of their children: Freda and son of California, Jan Ray stationed in California, and

Shery and children of Michigan. They also visited Mr. and Mrs. George Futrell and daughter and Mr. and Mrs. Buddy Alton and children in Nashville, Tenn.

Misses Nita and Rita Alton spent Sunday afternoon with Mr. and Mrs. Jimmy Alton and children at Buchanan.

Mr. and Mrs. Rupert Sanders were Sunday afternoon visitors of Mr. and Mrs. Herbert Alton.

Miss Rita Gibson, daughter of Mr. and Mrs. Brooks Gibson, was given a birthday party at Shady Grove Baptist Church at five p.m. on Wednesday, September 25. She received many nice gifts on her 16th birthday.

Let's Stay Well

Salt And Goiter

By F.J.L. Blasingame, M.D.

In 1960 an estimated 200 million of the world's population were afflicted with goiter, a disease known to be related to an iodine deficiency.

Goiter is still endemic in many so-called goiter belts of the world, especially in parts of Africa, Asia, and Latin America.

In 1954, the government of India, working with the Indian Council of Medical Research and the state government of Punjab began a 16-year study of the inhabitants of the Kangra valley, bordering the southern slopes of the Himalayas.

A few months ago, the head of the research team, S. S. Sooch, District Medical Officer of Health of the Kangra District, and his associates reported their findings in the Bulletin of The World Health Organization.

In their attempt to find the reason for endemic goiter in this valley of the Himalaya foothills, they divided the region into three zones. Zone A inhabitants were provided salt containing potassium iodide; Zone C inhabitants, potassium iodate; and Zone B inhabitants, common salt, sodium chloride, containing no added iodine.

Six years later, the incidence of goiter had dropped rapidly in Zones A and C but remained unchanged in Zone B. The decision was then made to give iodized salt to the inhabitants of all three

zones. Children born since that time have been protected from goiter.

Follow-up surveys in 1968 and 1972 revealed not only that iodized salt had been a successful prophylaxis in preventing goiter by correcting iodine deficiency but also had been effective in promoting normal metabolism of iodine.

The grocery shopper, in buying salt, should be certain that the container is marked "iodized."

Q. Mrs. R. asks whether it is possible to have shingles in her ear.

A. Shingles may involve any sensory nerve. The nerve supply to the ear is no exception, and such cases are often quite painful. One of the cranial nerves, the glossopharyngeal (9th) supplies part of the ear canal, the back part of the tongue, and the side of the throat. Blisters and pain may appear in any or all of these areas in a case of shingles.

Q. Following an automobile accident, my neighbor's brother had several broken ribs and was told that he had a "flail chest." Please explain what this means.

A. The so-called flail chest results from an accident in which double fractures occur in a number of ribs. As a result, that segment of the chest wall that is injured cannot expand as usual and participate in breathing.

Irresponsible Mine Union

In Nashville, Tenn., this year—and no doubt in many other communities around the country—there won't be any Christmas lights in the shopping district. In fact, there is serious talk of eliminating street lighting. The reason: coal supplies are very short. They are short because the United Mine Workers Union want the supply short in order to improve its bargaining position.

Given the disturbing shortage of coal, some companies have begun to look overseas for supplies. The United States has vast coal reserves, but they aren't being utilized as they should be. Again, the unions want only a limited supply of coal on hand in case of a strike. And the environmentalists are bitterly opposing the opening of new surface mines in the Western states.

Faced with a critical need for coal, U.S. utilities are reported to have placed orders with the Republic of South Africa for \$45 million worth of low-sulphur coal. The more abundant high-sulphur coal in the United States cannot be used because of regulations issued by the Environmental Protection Agency.

The high command of the United Mine Workers Union is furious. It is trying to halt the importation of coal from South Africa. That strategic nation, which possesses so many vital minerals—from gold to uranium, is perhaps the most lied about nation in the world. The United Mine Workers Union has made it the victim of yet another Big Lie. It is urging a ban on the imports of coal on the ground that it is mined with "forced labor."

Even more outrageous is the action of Atty. Gen. William J. Baxley of Alabama who has joined the union in the protest and sought to prevent importation of the coal under an 1880

statute.

It is totally false to say that South African coal is produced by "forced labor." Indeed it should not even be necessary to deny such a falsehood. Anyone who knows anything about the country knows that South Africa has a problem keeping out would-be workers. Each year hundreds of thousands of people from surrounding countries attempt to enter the country and obtain work in its mines. The pay scale is far above that in their homelands.

It is unfortunate that U.S. companies have to look overseas for an answer to their fuel needs, but that's not their fault. They must obtain fuel where it can be bought at a reasonable price. The alternative is bowing to the exorbitant demands of the United Mine Workers Union and the imposition on the consuming public of ever higher costs for electric power.

The union doesn't care that it drives up the cost of electricity. For decades—from the time of John L. Lewis to today, the United Mine Workers has demonstrated its complete lack of concern for consumers and the economic well-being of the nation.

Tragically, the super-environmentalists in the Environmental Protection Agency display a similar unconcern about the hurtful economic impact of its regulations. The EPA has a "let them eat cake" attitude towards the public need for electric power.

Under the circumstances, the utilities logically look abroad for coal in an emergency. The United States is fortunate that South Africa mines can supply what is needed. Other countries, after all, are vitally interested in gaining access to South African coal.

Survey Reveals Businessmen

Plan To Hire More Employees

Despite the gloom over the future of the economy, in most regions and most vocations, independent Business for the month of September.

On a national average 13.7 per cent of the respondents report plans to hire more people with 9.3 per cent reporting plans to fire workers. Last June at the end of the second quarter 17.7 per cent reported plans to hire and only 3.8 per cent reported plans to fire. The difference between these two figures is accounted for by those who plan no changes in work force.

Whether or not this actually means employment will increase in the independent sector which provides more than 50 per cent of all non-government, non-farm jobs, remains to be seen.

Quarterly surveys conducted for the NFIB by Faculty Associates which draws its researchers from the University of California and Stanford have shown all year that the independent business firms have unfilled jobs for skilled, or trained people, with the openings for the unskilled almost down to zero. In addition, the data indicates that probably 75 per cent of the job openings are away from the big metropolitan centers.

The best job opportunities would appear to be where there is a big spread between the respondents who say they intend to hire more people, and those who say they intend to fire people.

On this basis the prospects for jobs with independent business in New England is at the subzero point as the September data shows 13.9 per cent of the respondents reporting they plan to lay off people and 13.2 per cent saying they plan to hire more people.

While New England offers the gloomiest prospects for the job seeker, the Mountain States do not seem to offer any greater promise with 16.6 per cent saying they are going to hire more, and 14.2 per cent reporting they are going to lay off people.

The west south central states appear to offer the most promise with 16.6 per cent of the respondents in that area planning to hire, while only 6.6 per cent say they will lay people off.

In other areas the ratio between the respondents planning to hire and those planning to fire follows. The first figure is those saying they will add to the work force followed by those who say they will reduce the work force.

East north central 11.7 per cent-9.8 per cent; west north central 13.9 per cent-6.8 per cent; South Atlantic States 11.2 per cent-9 per cent; east south central 13.2 per cent-6.5 per cent; Pacific States 15.8 per cent-9.2 per cent.

Breaking down the potential job opportunities by vocations is not only based as the spread between respondents who say they are going to hire versus those who plan to fire, but also considers the percentage of the enterprises in each category.

The data shows, of course, the steep decline in building and construction as only 15.5 per cent of the respondents in this category report

they plan to add to the working force, as compared to 20.9 per cent who report they intend to lay off people.

This same pattern is shown in the field of independent transportation firms where 13 per cent report hiring plans, and 16.3 per cent contemplate firings.

It would appear that retailing still offers the most job opportunities despite the fact that the ratio between those who plan to increase the work force, 11.7 per cent and those who plan to decrease, 8.9 per cent is fairly close. But as 44.1 per cent of the independent business respondents are in retailing, the sheer numbers of enterprises would tend to indicate this field offers the most job opportunities.

From the standpoint of the spread between those planning to hire, 24.4 per cent, and those planning to lay off people, 8.8 per cent, the independent manufacturers also appear to offer good job opportunities but this data must also be reviewed in light of the fact that only 6.9 per cent of the independent business sector in this particular sample are engaged in manufacturing.

Independent wholesalers, who account for 6.3 per cent of the responding firms also show a favorable margin between those who intend to hire, 15.1 per cent as opposed to those who plan to fire, 8.3 per cent.

Opportunities in the service field appear to be narrowed although 21.5 per cent of the respondents are in this category. Of this group 12.6 per cent report plans to increase the work force, with 8.2 per cent reporting plans to decrease. However, in the service field, there has existed for many months a high level of job openings but in so many cases, NFIB research has found, the skills necessary are not available.

In both the financial and professional fields, there apparently will be many more job increases than job decreases. In the professional field 13.6 per cent say they are planning work force increases as compared to 4.8 per cent who plan decreases, but this segment accounts for 4 per cent of the independent business sector. In the independent financial field which accounts for 1.3 per cent of the independent operations, 16.2 per cent report plans to hire with only 3.4 per cent contemplating firing personnel.

This series of NFIB surveys plus those conducted by Faculty Associates leads to the conclusion that a major problem is making qualified unemployed people in the metropolitan centers aware of where jobs for them are available.

Jerry Caldwell Wins Again At Homecoming Golf Tourney

Murray's Homecoming celebration officially opened Friday with an 18-hole medal play golf tournament for alumni and supporters of the University at the Murray Country Club.

Jerry Caldwell, who won the tournament in 1973, repeated with an even-par 72 over the 6,228-yard course. Caldwell, a former student and a member of the Oaks Country Club in Murray, posted a 37 on the front nine and a one-under 35 on the back to win by one stroke over Dr. Tom Muehleman, a member of the Murray faculty.

Muehleman, who fired a three-under-par 33 on the front nine, faltered on the back, taking a triple bogey seven on the 435-yard 15th hole to finish with a four-over-par 40 and an 18-hole score of 73.

Third place went to Freddy Lancaster, Mayfield, former Murray State golf team member, with 75.

Beverly Parker, Murray, was the ladies' winner with an 83, four strokes in front of Betty Lowry, Murray, who had an 87. Sue Brown, Murray, was third with 92, and Lois McCann, Paducah, had the fewest putts with 28.

Flighted by decades in which they graduated, attended Murray State or in which they would have been if they had attended, the golfers winning were:

1925-34 Decade: Tom Poore, Benton, first with an 81; Red

Howe, Murray, second with 90, and W. C. Boyd, Memphis, third with 104.

1935-44 Decade: Jack White, Murray, first with an 83; and Jim Davis, a member of the board of regents, second with an 85.

1945-54 Decade: Herb Hurley, Benton, first, with an 83; and Ronnie Swain, Murray, second, with an 88.

1955-64 Decade: John Walker, Benton, first with a 76, and Hal Houston, Murray, second with a 79.

White also won the hole-in-one contest on the 125-yard 11th hole with a shot 11 feet from the pin. Second place went to Homer Branch, Murray, whose tee shot stopped 12 feet away, and Dr. Yancy Watkins, Murray, was third with one 13 feet away.

Ron Catton, Cleveland, Ohio, won the award for being the participant traveling the greatest distance to compete.

Seventy-six golfers, a record number for the four years of the tournament, played in the affair.

Murray State Soccer Team Falls To Alabama

By MIKE CAMPBELL

It took two quick goals in the last 10 minutes of the game and that was enough to give the University of Alabama (Huntsville) a 3-1 victory over Murray State in a soccer match at Cuttin Field Sunday afternoon.

The Racers played well above expectation in the first half and threatened many times to score.

One such occasion was when Hamid Siadat made a solo run from the half line, shaking off two University of Alabama pursuers and beating the goalkeeper in the process, only to have the shot blocked and booted away by a defender.

The Racers were the first to score as Fanshad Abar hit a beauty from 20 yards out giving the Chargers' goalkeeper no chance.

The Chargers rallied five minutes later to make it one all as their inside-right chipped one past a diving Adrian Hall. With only 10 minutes to go in the half, tempers flared. Referee Steve Claxton had his hands full and matters were only made worse when a bunch of unruly spectators invaded the field, holding up play for some time.

The second half saw even more action as Murray stormed their opponent's goal, trying desperately to break the one all tie.

However, this was not to be as the Chargers came on strong. Goalkeeper Hall had to dig deep in order to keep them out.

Murray's downfall came when the Chargers were awarded a penalty which their center forward booted home to make the score 2-1.

With only five minutes to go, the Chargers came back to make it 3-1 with a shot which deflected off a Murray defender into the goal.

Defense Key As Tech Shocks Western 10-6

By JOE EDWARDS

AP Sports Writer

There's a story that Don Wade's first words weren't "Momma" or "Pappa" but "defense."

Wade, football coach at Tennessee Tech, is noted for his defensive teams. And his defense was instrumental in a shocking 10-6 upset Saturday in Cookeville over second-ranked Western Kentucky.

"We couldn't pass on them and we couldn't run on them," said Western Kentucky Coach Jimmy Feix. "It was as simple as that."

Said Wade: "Our defense, as usual played brilliantly."

In the only other Ohio Valley Conference game, Murray clipped Middle Tennessee 14-12 as Don Clayton scored both touchdowns and gained 133 yards rushing.

In non-conference games, East Tennessee won its first game after five losses with a 24-13 victory over Furman, Austin Peay won its second straight game by beating North Alabama 20-14, Morehead lost to Ohio University 49-10 and Eastern Kentucky downed the University of Tennessee at Martin 24-9.

Western Kentucky's loss was its first after 16 straight regular season victories. The last time the Hilltoppers lost a regular season game was in the eighth game of the 1972 season when Middle Tennessee pulled off a 21-17 upset.

The Tech defense limited the Hilltoppers to just 80 yards passing and nine yards rushing. They had entered the game leading the OVC in total offense with an average of 214 yards passing and 176 rushing.

With Western Kentucky leading 6-3 in the third quarter, Tech's Terry Johnson scored on a four-yard run for the eventual winning touchdown.

Earlier, Tech's Murray Cunningham set a school record by kicking a wind-aided 53-yard field goal.

In Murray, Middle Tennessee scored two fourth-period touchdowns to rally from a 14-0 deficit but missed an extra-point attempt and failed on a two-point conversion.

East Tennessee took the lead over Furman 17-13 when George Fugate scored on a three-yard run with 1:30 left. But Furman then moved the ball to the Buc 10-yard-line, where Charlie Wells intercepted a pass with six seconds left and returned it 96 yards for a touchdown.

Furman, which has university division status, is now 3-3.

Quarterback Rick Christophel scored on a 28-yard run with 48 seconds left to vault Austin Peay to victory. Freshman Henry Yarber set a school record with 240 yards rushing.

Morehead couldn't stop Ohio University quarterback Rick Bevely, who ran for three touchdowns and threw for another in handing Morehead its fifth straight loss after a season opening victory.

Moses Malone jumped straight from high school into the American Basketball Association, but the 19-year-old millionaire is still getting an education. One of his teachers is Professor Caldwell.

Aided by veteran Joe Caldwell's defensive maneuvering against Malone, who shot two for six from the field in 28 minutes with nine rebounds.

"Mainly it was just keeping the ball away from him," said Caldwell, a 10-year pro. "I wanted to see what he'd do without the ball in his hands. He didn't move well. But I think that's something all rookies have to learn — not just Moses."

Rookie Fly Williams of St. Louis scored 24 points, 16 in the final quarter. And Caldwell chipped in 18 points and seven assists.

Only 3,501 spectators watched the Spirits, who play in the 17,776-seat St. Louis Arena, win their first game since pulling out of Carolina. The travel-weary Stars, 0-3, gladly quit the road.

In the only other games on the ABA schedule Sunday, Kentucky beat Indiana 101-92 and San Diego downed New York 116-110.

In the National Basketball Association Sunday, Seattle beat Cleveland 100-93 and Kansas City-Omaha topped Los Angeles 105-95.

Kentucky led by Dan Issel's 24 points, held off a late surge by Indiana for the triumph.

"We run our stuff and it just so happened that tonight it went to Issel," said a pleased Hubie Brown, the new Colonels coach. Indiana reserve Billy Knight scored 27 points in the game.

MOUNT POCONO, Pa. (AP) — A.J. Foyt earned \$7,500 for winning the sprint car feature and Poncho Carter \$3,000 for capturing the campaign midjet car this weekend in the first World Series of Auto Racing at Pocono International raceway. Foyt averaged 94.997 miles an hour Sunday over 50 laps on the three-quarter mile track. Bobby Unser was second, Jimmy Caruthers third, Bill Vukovich fourth and Jim McEneaney fifth. Carter averaged 93.4 m.p.h. for first with Vukovich second, Caruthers third, Benny Parsons fourth, and Johnny Rutherford fifth.

a strong finish.

San Diego's Travis Grant, 44 points, outgunned New York's Julius Erving, 37 points — but only 11 of them in the second half.

Coach Bill Russell of Seattle was pleased with the 31-point performance by Fred Brown, who personally sank Cleveland. "He's a great shooter," said Russell of Brown, 26, a room-

ing guard with a keen eye. "When we need the points, he takes over and gets the points."

In Los Angeles, Nate Williams of Kansas City-Omaha sank four decisive baskets early in the fourth period against the Lakers.

It happened after L.A., which had trailed by 17 points in the third period, tied the game 76-76 in a futile comeback effort.

Homecoming Day Capped With Win

By MIKE BRANDON
Lester & Times Sports Editor

Alfred Caldwell walked down the sidelines and slapped several of his Murray State teammates on the back. All season long, the senior linebacker from Paris, Tenn., had been the cheerleader for the Racers.

As he watched the seconds tick away on the clock, little did he know what had just happened 200 miles away at Cookeville, Tenn., Saturday afternoon.

And in the closing minutes of the game, with Murray holding a slim lead over Middle Tennessee, the announcement floated through the sun-soaked Homecoming crowd of 14,000 fans in Stewart Stadium.

"A final score from Cookeville: Western Kentucky 6 (pause).....Tennessee Tech 10."

And with that, Caldwell bounced off the artificial turf and into the air, the fans bounced to their feet and the Racers bounced back into the thick of the Ohio Valley Conference race with a 14-12 win over the Blue Raiders.

The stunning victory by Tech dropped Western from the ranks of the undefeated and left the Hilltoppers with a 2-1 conference record, the same as the Racers.

Eastern Kentucky now heads the conference with a 3-0 mark while Tech, which handed Murray a 26-0 loss earlier in the season, is now 2-0.

"The first importance about the Western loss is that maybe they are human too and now someone else can beat them," Murray State coach Bill Furgerson said.

"Maybe they aren't as powerful as a former graduate of Western, who is now a big-time sportswriter, says they are."

If there is such a thing as an advantage in the Ohio Valley Conference, it would seem Tennessee Tech would now have it.

They have five remaining conference games left, including home contests with Middle Tennessee and Eastern Kentucky.

Meanwhile, Eastern plays on the road at Tech and Western and in two weeks, the Colonels will have their Homecoming against Murray State.

Furgerson was well pleased with the win over Middle

and was particularly proud of the defense.

"We lacked six minutes of playing a beautiful game," Furgerson said.

What he meant was the Racers had Middle shut out for all of the contest, until the final six minutes when they scored two touchdowns to get back into the thick of the battle.

"It was just a case of a couple of individuals breaking down in the whole defensive scheme," Furgerson said of the two TD's posted by the Blue Raiders.

Tough On Ground

It was one of the most successful ground games of the season for Murray as they rolled up 257 yards in rushing. In the passing department, the Racers hit on three of eight for 18 yards and in the second half, senior quarterback Tom Pandolfi did not attempt a pass.

"The running game was going well so we decided to stay with what was working best," Furgerson said.

Again, it was another outstanding game for senior All-American tailback Don Clayton.

Clayton, who rushed for 186 yards last week in Murray's 14-6 win over UT-Martin, racked up 138 yards and received a standing ovation when he left the field late in the game.

Fullback Doug Baker, starting in the place of Bernie Behrendt who was sidelined with a minor knee ailment, picked up 44 yards in a strong showing while Pandolfi rushed for 45 yards.

And once again, it was Art Kennedy who caught the eye of the crowd as the junior tailback, making only his second appearance of the season, rushed for 41 yards in nine carries.

At one point in the third quarter, Kennedy carried the ball six consecutive times, gaining 32 yards and a pair of first downs.

And when he departed from the field, he was greeted with a loud standing ovation.

The only time either team threatened in the first period of play was when Murray drove to the Middle 28 but a holding penalty ended the drive.

Then early in the second period, the Racers moved down to the four but the drive ended there in an unsuccessful field goal attempt by Flip Martin.

First Break

The first big break for Murray came midway through

the second quarter when Jeff Boyd recovered a Middle Tennessee fumble on the Blue Raider 34.

On the first play from scrimmage, Baker ripped through the line for 17 yards. Five plays later, Clayton carried in from two yards and after Martin's PAT, Murray led 7-0, the score on the board at halftime.

The second big break in the game for Murray came late in the third period when cornerback Chuck Reeves picked off a pass at the Middle 38.

Nine plays later, Clayton on a fourth and goal from the one, was hit and the ball bounced loose into the endzone where guard Bill Lee of Fulton pounced on the ball for the TD, and after Martin's kick, Murray led 14-0.

At the outset of the final 15-minute period, Middle began its first serious drive.

But it ended on the Murray three when on a fourth and one, tailback Dwaine Copeland, who gained 129 yards in the contest, was stopped for no gain.

The next time Middle got the ball, they weren't stopped as they marched 53 yards, the drive being capped by a two-yard plunge by fullback Rick Steadman.

Another Break

What proved to be another big

break came when placekicker Archie Arrington's PAT failed, leaving Murray with a 14-6 lead.

On the next series, the Racers were facing a fourth and one from their own 42 and on the snap from center, the ball went low and Martin could do nothing but run.

He was brought down on the Murray 31 and on the next play, Blue Raider quarterback Fred Rohrdanz connected with wide receiver Bobby Eastern for the TD.

If on the previous touchdown, Arrington would have made the PAT, the Blue Raiders could have taken the lead with a two-point conversion on the final TD which came with just 3:03 left in the game.

But instead, the Raiders were playing for a tie and the conversion pass failed, leaving Murray with a 14-12 lead.

With only a few seconds left in the game, the announcement of the Western Kentucky defeat came.

It seemed to pick up the Racer offense and on a third and 11 from the Middle 32, Pandolfi gained 12 yards to get a first down and sew up the game as the clock ran out.

With the loss, Middle drops to 2-4 overall and 1-2 in the league. They will play at home against Austin Peay while Murray hosts East Tennessee.

DOING THE TWIST—Rick Steadman (21) of Middle Tennessee seems to be doing the twist but actually he's in the process of getting tackled by a group of Murray State defenders.

Vikings And Patriots Go Down, Cards Survive

By ALEX SACHARE
AP Sports Writer

And then there was one... barely.

The surprising St. Louis Cardinals are now the only undefeated team in the National Football League — the Minnesota Vikings and New England Patriots were knocked from the ranks of the unbeaten Sunday — and Coach Don Coryell is enjoying his team's success to the fullest.

"The pressure of being unbeaten doesn't make any difference from a coaching standpoint, but I like it," said Coryell, in his second year at St. Louis since leaving San Diego State. "I wouldn't be in the business if I didn't."

Quarterback Jim Hart sparked the Cards to a 31-13 lead early in the fourth quarter, and they withstood two one-yard touchdown runs by Houston's George Amundson for the victory.

Hart capitalized on a pair of Oiler fumbles and threw touchdown passes of six and 40 yards to Earl Thomas in a 1:32 minute span of the second quarter to spark the Cards.

Meanwhile, the Detroit Lions dropped Minnesota from the list of the unbeaten, upsetting

the Vikings 20-16, while New England's balloon finally was burst by Buffalo 30-28.

Elsewhere in the NFL, the Baltimore Colts whipped the New York Jets 35-20, the New Orleans Saints upset the Atlanta Falcons 13-3, the Dallas Cowboys beat the Philadelphia Eagles 31-24, the Pittsburgh Steelers edged the Cleveland Browns 20-16, the Washington Redskins defeated the New York Giants 24-3, the Miami Dolphins slipped past the Kansas City Chiefs 9-3, the Denver Broncos defeated the San Diego Chargers 27-7, the Los Angeles Rams topped the San Francisco 49ers 37-14 and the Oakland Raiders beat the Cincinnati Bengals 30-27.

The Green Bay Packers will face the Bears at Chicago in tonight's national television game.

Lions 20, Vikings 16
Bill Munson was the big man for the Lions, completing 22 of 32 passes for 276 yards. Ten of his passes were caught by wide receiver Ron Jessie.

Detroit's victory was its first over the Vikings in 14 meetings going back to 1967.

Bills 30, Patriots 28
New England's Sam Cunningham raced 75 yards for a

touchdown on the first play from scrimmage, but after that it was a struggle for the Patriots, who had stunned football experts by winning their first five games.

"That run scared me," said Buffalo quarterback Joe Ferguson, who threw for three TDs. "I'm just glad we forgot about it and came right back," he added.

Ferguson threw touchdown passes to Paul Seymour and O.J. Simpson within the next 11 minutes to put Buffalo in front, and New England never drew even.

Rams 37, 49ers 14
James Harris sparked in his first start at quarterback for the Rams, passing for three touchdowns and running for another. He completed 12 of 15 passes for 276 yards.

San Francisco wide receiver Dan Abramowitz caught two passes and set an NFL record with at least one reception in 97 straight games.

Dolphins 9, Chiefs 3
"It was a tough yard," said Miami Dolphins fullback Larry Csonka, whose one-yard plunge with 17 seconds remaining beat the Kansas City Chiefs 9-3. Csonka, who didn't practice all week because of an injured left knee, gained 80 yards in 17 carries.

Raiders 30, Bengals 27
"There was never any doubt in my mind," Oakland Coach John Madden said of his decision to punt with his team at the Cincinnati 32-yard line with three minutes left. Oakland trailed 27-23 at the time.

Oakland got the ball back at midfield with no time outs left and 1:36 on the clock. Ken Stabler guided the Raiders downfield masterfully, and Charlie Smith capped the drive

with a one-yard scoring scamper around the right side with eight seconds remaining.

Saints 13, Falcons 3
Bobby Scott, given the starting nod at quarterback when Coach John North benched Archie Manning during the week, tossed a 36-yard scoring pass to Paul Seal for the only touchdown of the game as the Saints upset Atlanta for their first victory in 19 games on the road.

Steelers 20, Browns 16
Pittsburgh struggled past the Browns as quarterback Joe Gilliam managed to complete just five of 18 pass attempts for the Steelers. Two second-half field goals by Roy Gerela were the difference.

Redskins 24, Giants 3
Veteran Sonny Jurgensen threw three touchdown passes to pace the Redskins, who took advantage of frequent New York mistakes, including a punt which was blocked by Mike Hull.

Cowboys 31, Eagles 24
Dallas snapped a four-game losing streak by beating the Eagles. Roger Staubach's one-yard TD run midway through the fourth quarter was the margin of victory.

Colts 35, Jets 20
Baltimore's Lydell Mitchell set an NFL record by carrying the ball 40 times, one more than O.J. Simpson's standard set last year. He gained 156 yards and scored one touchdown in leading the Colts to their first victory of the season.

Broncos 27, Chargers 7
Running back Floyd Little, slowed all season by a nagging ankle injury, scored one touchdown and set up another by galloping 72 yards with a short pass to lead Denver past San Diego.

Wildcats Shock Tigers To Even Season Record

LEXINGTON, Ky. (AP) — Add a good defense to a good offense and what do you get? A victory for Kentucky.

The Wildcats proved it Saturday with a 20-13 upset over Louisiana State University. The loss denied LSU head coach Charlie McClendon his 100th career victory and gave Kentucky its first victory over a McClendon team in a dozen years.

The decisive touchdown came in the final 3 minutes and 5 seconds when Sonny Collins, the Wildcats' junior running back, went into the end zone. Collins finished the night with 59 yards on 22 carries.

Kentucky forced LSU to fumble six times and recovered three of them. One recovery, by defensive halfback Ben Thomas, set up a 35-yard touchdown pass from Mike Fanuzzi to Dallas Owens, giving the Cats a 13-3 lead just three seconds before intermission.

Fanuzzi hit five of nine passes for 96 yards and ran for 39 yards on 14 attempts. It was his 25-yard pass to Tom Farmer with 3:05 left that set up the winning score.

The leading ground gainer for LSU was Brad Davis with 51 yards, enough to push him past Billy Cannon's career record set 15 years ago. Davis, with 421 yards this season, now has

1,885 for his career. Kentucky's John Pierce also added his name to the record books with a 48-yard field goal, two yards better than the one kicked by Bobby Jones against Auburn in 1970.

When the third quarter started, Kentucky's lead vanished as LSU marched 62 yards in that period for a score and came back in the fourth with a field goal and a touchdown.

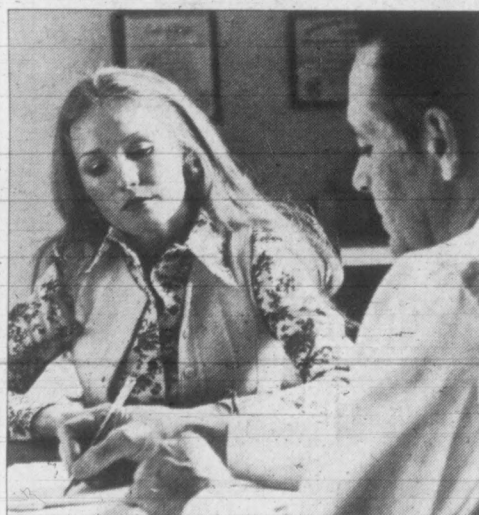

LSU threatened again in the closing moments when Billy Broussard, who had scored his team's lone touchdown, hit Richard Romain with a 22-yard pass. The attack began to sputter and die.

With 1:57 left, defensive tackle Pat Donley batted down a Broussard pass and on the next play, LSU tailback Brad Davis was stopped at the line of scrimmage.

Kentucky ran out the clock to even its record at 3-3 while LSU dropped to 2-3-1.

A prescription to help hold down health care costs.

The providers of health care are as concerned about the cost of health care as you are. They know a large medical bill is a tough pill to swallow.

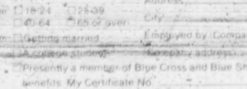

They also know that by working together we can help hold down the cost of health care for everyone while maintaining the quality.

One way that Blue Cross and Blue Shield of Kentucky helps is by holding down our own administrative costs. And, we work with health care providers to see that charges are in line with services provided. We're also working with the entire health care team to find alternate methods for financing and delivering health care.

You can help by avoiding unnecessary hospital stays — the most expensive form of health care. If you don't have to go to a hospital, don't press your doctor to put you in. Once in the hospital, don't stay any longer than you have to.

Follow this advice: be concerned about unnecessary health care and make sure you have adequate health care coverage. Working together, we can help cut the costs of health care for everyone.

Our only business is helping you get good health care you can afford.

College Football Goes Back To Normal Pattern

By HERSCHEL NISSENSON, AP Sports Writer

After four upset-filled weekends, the college football scene returned to normal Saturday ... and in this jumbled season that may be the biggest upset of all.

Only three members of The Associated Press Top Twenty came out losers and two of them bowed to other ranked teams.

Tenth-ranked North Carolina State suffered a 33-14 licking at the hands of unranked arch-rival North Carolina, but No. 9 Arizona was toppled by No. 17 Texas Tech 17-8 and No. 13 Kansas underwent a 56-0 humiliation at the hands of No. 12 Nebraska.

Meanwhile, the runaway 1-2 teams in the AP ratings rolled to easy victories — top-ranked Ohio State crushed Indiana 49-9 while runner-up Oklahoma bombed Colorado 49-14.

Elsewhere, third-ranked Michigan shaded Wisconsin 24-20, No. 4 Alabama trounced Tennessee 28-6, No. 5 Auburn outscored Georgia Tech 31-22,

No. 6 Southern California struggled past Oregon 16-7, No. 7 Notre Dame flattened Army 48-0 and No. 8 Texas A&M eased past Texas Christian 17-0.

In the Second Ten, 11th-rated Penn State rallied to beat Syracuse 30-14, No. 14 Florida turned back Florida State 24-14, No. 15 Arizona State whipped Utah 32-0, No. 16 Texas leveled Arkansas 38-7, No. 18 Maryland blanked Wake Forest 47-0, No. 19 Miami of Ohio belted Bowling Green 34-10 and No. 20 Tulane ripped The Citadel 30-3.

It was a weekend of comparisons, although no one has played both Ohio State and Oklahoma. Wisconsin, however, played Ohio State a week ago and was routed 52-7 while making it much closer Saturday against Michigan.

"They're both fine teams," said Coach John Jardine. "Ohio State was as fired up for us as anyone has ever been. Whether Michigan was fired up or not, I don't know."

Colorado has played Oklahoma and Michigan, losing to the latter 31-0 four weeks ago.

"Michigan is a fine team but Oklahoma is better," said Coach Bill Mallory. "If they want to play each other, it's all right with me."

Indiana's Lee Corso and Colorado's Mallory couldn't compare the 1-2 teams directly, but they had some thoughts, anyway.

"This is a national championship caliber team," Corso said after Ohio State's Archie Griffin romped for 146 yards and two touchdowns and became the top ground-gainer in Big Ten history.

It was Griffin's 16th consecutive 100-yard regular-season game, one short of the national record held by Oklahoma's Steve Owens. Griffin also passed the century mark in the Rose Bowl last Jan. 1, but that doesn't count in the NCAA record book.

Griffin's output boosted his career yardage to 3,321, surpassing the mark of 3,315 set by Purdue's Otis Armstrong a couple of years ago.

Meanwhile, Oklahoma's Joe Washington, a junior like Griffin, rambled for 200 yards and four touchdowns in just 18 carries against Colorado as the Sooners chewed up 594 yards of real estate on the ground.

Auburn's stingy defense was riddled for 22 points by Georgia

Tech but still came up with the big plays. Chuck Jones, a freshman, blocked a punt and ran it 42 yards for a touchdown and recovered a fumble to set up another tally.

One of the 160 yards gained by Southern Cal's Anthony Davis produced a touchdown and Chris Limahelu tacked on three field goals enabling the sluggish Trojans to defeat Oregon.

Penn State's Tom Shuman ran for two touchdowns and passed for a third against Syracuse; Nebraska's Dave Humm fairly sizzled with 23 completions in 27 tosses — including 15 in a row — for 230 yards and three scores against Kansas; Florida came from behind in the final period to down Florida State on a 63-yard touchdown pass from Don Gaffney to Alvis Darby and Tony Green's 12-yard run.

Arizona State freshman Dennis Sprout threw a pair of scoring passes as the Sun Devils trounced Utah; another rookie, Texas fullback Earl Campbell, gained 109 yards on just eight rushes, one of them a 68-yard touchdown gallop, in the Longhorns' rout of Arkansas; Bob Avellini passed for 157 yards and two touchdowns as Maryland stomped Wake Forest.

Western Has Top Four In 16-44 Win Over Murray

By MIKE BRANDON
Ledger & Times Sports Editor
"Murray wins by forfeit...Western isn't here on time."

Those were the joking words of Murray State cross country coach Bill Cornell Saturday morning as members of the Western Kentucky Hilltoppers were taking off their warmups.

Actually, Western was there on time and the fact that they were there was enough.

The Hilltoppers, ranked as one of the top teams in the nation and a team that might well be the national champions, defeated Murray State 16-44 in a dual meet held at the Murray Country Club.

As usual, the "Toppers won the meet in style as the first four men for Western crossed the line with their arms linked in victory, and only once all season has that chain been broken.

In every meet this year, except at the Owensboro Invitational, Western has taken the first four places. But at Owensboro, Murray State's outstanding freshman Englishman Brian Rutter broke the chain and finished fourth.

But Saturday, it wasn't to happen again.

Rutter took the early lead in the five-mile race and moved out by about 20 yards through the first mile.

"He's a gusty kid," Western coach Jerry Bean said as he watched Rutter leading his pack of Englishmen.

"Our kids said Rutter would come out and try to go for the lead and hold it."

But Rutter, who will probably be an All-American as a freshman, wasn't able to hold the lead long as the four Western runners overtook him into the second mile.

Even after the third and fourth miles, Rutter was still hanging in, well but the breakneck pace of Western's quartet was too much for Rutter.

As the four Hilltoppers neared the finish, they moved close and linked their arms together, finishing in the usual format.

And as soon as they finished, they were back running again, not showing any signs at all of being tired.

Their time was 24:01.6, easily breaking the old record on the five-mile course of 24:31.6 held by former Racer great and All-American Sam Torres.

And Rutter, who received a nice round of applause from a large gathering, managed to break the old record too as he finished in 24:23.

Western took sixth place behind Joe Tinius who was just 10 seconds behind Rutter.

Then in seventh was Murray's Gordy Benfield in 23:47 while Russ Munro of Western took eighth and Martyn Brewer of Murray finished ninth.

The top 10 was rounded out by Swag Hartel of Western, another Englishman.

Murray's top five was rounded out by Bob Arnet in 12th and Don Wilcox in 13th.

"Our goal is to finish the regular season undefeated and win the Ohio Valley Conference Championship," Western coach Jerry Bean said.

The Hilltoppers haven't won an OVC title since 1964.

For the past four years, East Tennessee has taken the crown but now since Irishmen Eddie Leddy and Neil Cusack have graduated, the Bucs aren't as strong as they once were.

In last year's conference meet, East Tennessee just managed to win over Western, as the Bucs had 35 points while the "Toppers had just 37.

The conference championship will be a six-mile run which will be held at the Murray Country Club on November 2. All eight conference schools will be represented in the meet.

The following weekend, the District Three Championship will be held at Furman University.

The first six teams there will go on to the Nationals which will be held at the University of Indiana on November 21.

"Once we get to the Nationals, if we can stay healthy, we feel we are one of four teams in the running for the national title," Bean said.

Those four teams, according to Bean, are Western, Washington State, Oregon and the University of Texas at El Paso.

"We have four guys that on the right day, can run with anybody in the nation."

Rose is the actual favorite to win the national championship.

For Murray, now with a 4-2 mark, the next meet is at Southeast Missouri this coming Saturday.

Racers Drop 4-1 Game In Sunday Hockey Play

By The Associated Press

Time is as important an element in hockey as sticks and skates, and the Quebec Nordiques didn't waste much time scoring their 4-1 triumph over the Indianapolis Racers in World Hockey Association play Sunday night.

Alain Caron opened the Quebec scoring at 8:02 of the first period, and Serge Bernier tallied just six seconds later to start the Nordiques on the way. Rejean Houle and Dale Hoggan were the other scorers as Quebec opened its season.

In other WHA games Sunday night, the Cleveland Crusaders tied the Phoenix Roadrunners 4-4, the Toronto Toros defeated the Michigan Stags 4-3, and the Vancouver Blazers topped the Chicago Cougars 3-1.

Al McDonough scored two of his three goals during a three-goal Crusader outburst within 47 seconds of the first period, but Cleveland had to settle for a tie. Phoenix came back to tie on goals by Michael Cormier, John Gray, Don Borgeson and Murray Koegan.

Center Wayne Dillon tallied with less than two minutes remaining to help the Toros beat

the Stags for their third victory in as many games. Toronto pelted Michigan goalie Gerry Desjardins with 47 shots, while the Stags managed just 20 on Les Binkley in the Toros goal.

Czechoslovakian defector Vaclav Nedomansky, Tony Featherstone and Guy Trotter had the other goals for Toronto, while Fred Speck, Gary Veneruzzo and Ed Johnstone scored for Michigan.

Veteran John McKenzie scored a power play goal at 18:37 of the third period to break a 1-1 tie, and the Blazers went on to a 3-1 victory over the Cougars.

ABA Team To Cincy?

CINCINNATI (AP) — A Cincinnati sports group that owns 40 per cent of the Kentucky Colonels said an agreement is near that could bring an American Basketball Association expansion team to Cincinnati.

Brian Heekin, president of the Cincinnati Coliseum Corp., said a basic agreement is being reviewed by parties involved and final hurdles are being worked out.

LOSE SOMETHING?—Middle Tennessee tailback Dwaine Copeland (23) can only watch the ball float away as he is hit by a Murray defender. The Racers recovered the ball and went on to set up their first score. Copeland, also a great track runner at Middle, rushed for 129 yards.

John, call your mother.

I realize this is going to pain you, son, but with the gas situation and all, I just can't keep coming to visit you every weekend. So call me long distance the 1+ Way. It saves money. That means we can talk longer. After all, a mother needs to know what her son is doing.

Isn't there someone you'd like to call, right now? Dial long distance the 1+ Way. It's the cheapest way to call. That means you can talk longer and call more often.

Many Participate In Recent Bicycle Rodeo, Bike-A-Thon

October 5th was a full day for youths in Calloway County. It began with a bicycle inspection being held with approximately 60 youths in attendance after which the youths participated in a Bicycle Rodeo conducted by the Kiwanis Club.

The children participated in this Rodeo according to sex, age groups and bikes of the same description. They participated in the exercises of balance,

maneuver and change balance, emergency stop, bicycle slalom, and simple relay.

In the afternoon, the Ride-A-Bike-for-the-handicapped took place. Those who participated in this event were as follows:

Murray Middle School - Mary Lindsey, 10 miles; Harry Fannin, 40 miles; Laurie Hill, 25 miles; Lisa Johnson, 10 miles; Tabers, 10 miles; Susan Nall, 10 miles; Mike Tabers, 10 miles;

and Tracy McKinney, 5 miles. Carter - Laura McConnell, 5 miles; Steve Henley, 5 miles; Nicky McKinney, 5 miles; Gina Brown, 5 miles; Gary Galloway, 5 miles; and Tim Brown, 5 miles.

Almo - Kenneth Ahart, 20 miles; Terry Roberson, 20 miles; Tommy Fike, 25 miles; Tim Feltner, 20 miles; Greg Coleman, 15 miles; Jennifer Woodall, 10 miles; Tommy Dix, 5 miles.

Kirksey - Ricky Smith,

10 miles; Joe Walker, 20 miles; Gregory Wyatt, 20 miles; Marsha Turner, 15 miles; Marty Hayes, 20 miles; Sherry Lawrence, 10 miles; Mike Harrison, 15 miles; Wesley Bowden, 15 miles; Debbie Hooks, 5 miles; Cathy Bowden, 10 miles; and Lisa Hale, 5 miles.

Faxon - Steve Cherry, 20 miles; Thomas Jones, 5 miles; Valerie McKinney, 10 miles; Gina Kirk, 10 miles; Nicky Willoughby, 15 miles; Kelly

King, 5 miles; Ellen King, 5 miles; Lisa Garland, 5 miles; Tommy Elkins, 15 miles; Ralph Lilly, 20 miles; Peggy Guy, 20 miles; Ricky Hale, 25 miles; and Gene Dowdy, 10 miles.

New Concord - Joyce Stephens, 15 miles; and Gary Eaker, 25 miles.

Northside - Terry Sledd, 15 miles; and Laura Hopper, 10 miles. Murray High School - Terry Stalls, 20 miles.

Lynn Grove - Chris Sheridan, 10 miles; Chad Garland, 5 miles; Dale Sheridan, 10 miles; Mike Rogers, 20 miles; Jimmy Norsworthy, 30 miles; Thomas Bailey, 5 miles; Michael Randolph, 5 miles; Darrell Overby, 35 miles; Steve Bailey, 5 miles; Ricky Sheridan, 10

miles; Vic Stacey, 25 miles; Missy Farris, 5 miles; Jeff Norsworthy, 20 miles; Louis Zimmerman, 15 miles; and Jeanne Cooper, 10 miles.

Hazel - Jammie Rutland, 15 miles; Micky Hutson, 10 miles; Rodney Lawrence, 5 miles. University School - Robert Stout, 5 miles.

Calloway County High School - Ricky McCuiston, 20 miles; Timmy Coles, 10 miles; Donna Boggess, 10 miles; Becky Blackford, 10 miles; Beverly Garland, 5 miles; Peggy Rogers, 20 miles; Rodney Eaker, 25 miles; Mimi Todd, 20 miles; Bob Hargrove, 20 miles; and David Scott, 5 miles. Murray State University -

Bonnie Vittitow, 25 miles; Jim Clark, C.E.C., 5 miles; Elaine Shemoney, 15 miles; Janet Gaddie, 10 miles; Cindy Compton, 20 miles; Joseph Rule, 15 miles; Dan Ross, B.S.U., 40 miles; Carolyn Jones, 5 miles; Georgianne O'Grady, 15 miles; and Eric Polley, 25 miles.

Ninety-five people participated in the Ride-A-Bike portion of the Bike-A-Thon with 1,345 total miles ridden during this event. Each of these participants had sponsors who paid anywhere from 1 cent per mile to \$1.00 per mile.

Trophies were awarded to the class with the most miles ridden and the individual with the most money collected. Since the new

county grade schools have been built and moved into, this will probably be the last time awards will be made to the separate county elementary schools.

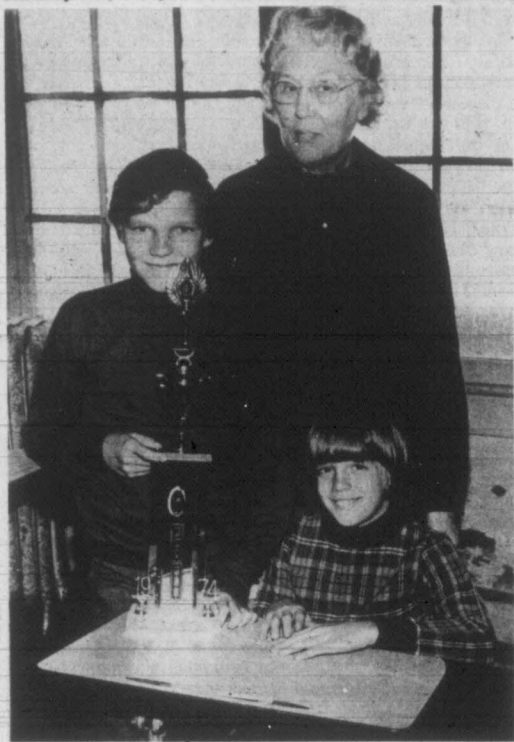

HEALTHY LAKES
HAVE GROWING THINGS
PHILADELPHIA (AP) — What is needed in the world is to have healthy water bodies, not pure ones. According to fresh water researchers at the Academy of Natural Sciences here, healthy streams and lakes are those which have a great diversity of plant and animal life.

In a balanced aquatic system, it is the aquatic life which assimilates wastes and maintains high-quality water. An important goal in efforts toward water quality improvement is the protection of freshwater plants and animals.

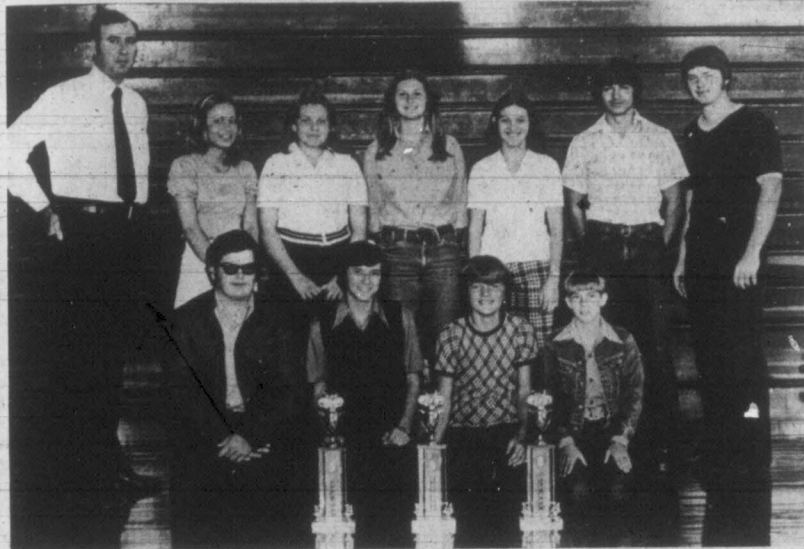

In a laboratory bioassay, scientists use selected test aquatic organisms and measure how they are affected by certain substances, such as waste materials.

DARRELL OVERBY, son of Mr. and Mrs. Robert Overby, Doran Road, Murray, raised more money than anyone in the Bike-A-Thon. Darrell, student at Lynn Grove, rode thirty-five miles and had \$146.30 pledged.

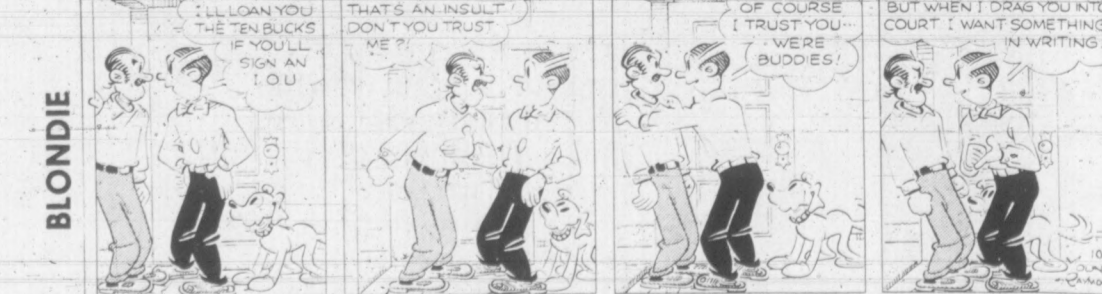

KENNETH AHART, left, and Terry Roberson were high winners from Almo School in the Bike-A-Thon. With the students are their teacher, Mrs. Elaine Brown.

CALLOWAY COUNTY High School took all the honors in the Bike-A-Thon winning all trophies given in competition with Murray High School. Calloway participants included: Freshmen: Sherry Lawrence, Ricky McCuiston, Timmy Coles, Ricky Cherry, Rodney Eaker, and David Scott; Juniors: Donna Boggess, Becky Blackford, Beverly Garland, and Peggy Rogers; Senior: Bob Hargrove. Shown with some of the participants are Ron McAllister, principal, left, and Fred Gillum, County Agent in 4-H, right.

LYNN GROVE Seventh Grade winners in the Bike-A-Thon were, left to right, Dale Sheridan, Mike Rogers, and Bill Barger. Their teacher, Mrs. Maxine Burken, is at right.

STUDENTS in the fifth Grade at Lynn Grove rode 105 miles in the Bike-A-Thon. They are, left to right, Vic Stacey, Darrell Overby, Ricky Sheridan, Missy Farris, Jeff Norsworthy, and Steve Bailey. Shown with the students is Mrs. Juana Dodson, teacher.

FAXON SCHOOL Fourth Grade Students rode twenty miles in the Bike-A-Thon. Pictured with their teacher, Mrs. Mildred Dunn, are, left to right, Valerie McKinney, Gina Kirk, Ricky Hale, Patty Robinson, Peggy Guy, and Susan Snyder. Not pictured are Tommy Elkins, Ralph Lilly, and Robby Parrish, Eighth Grade students, with their teacher, Tommy Brown.

President's Visit Leaves State Republicans Confident Of Victory

LOUISVILLE, Ky. (AP) — President Ford's appearance at a fund-raising dinner left the Republicans with more campaign funds and more confident of victory in next month's election.

Pointing out that 5,000 persons attended Saturday event, Charles Coy said "it just demonstrates that the momentum in this campaign is Marlow Cook's. He is going to be returned to the Senate Nov. 5."

Coy, chairman of the GOP State Central Committee, also said Sunday that "it shows the people of this state are moving to him (Cook) and toward his candidacy."

He said the dinner grossed \$110,000 but that it was too early to determine "how much we actually netted."

"It was the greatest night in the history of politics in Kentucky to have the President of the United States come down and lend the support that he did," Coy declared.

In his speech, the President stressed the need for the re-election of Cook and other Republicans to "prevent a veto-proof Congress."

Jack Benny Reported

In Good Condition In

Los Angeles Hospital

LOS ANGELES (AP) — Comedian Jack Benny was in good condition today at Cedars of Lebanon Hospital after becoming ill in Texas, hospital authorities report.

The 80-year-old Benny was admitted to the hospital as a precautionary measure Sunday afternoon, a hospital spokesman said.

Hospital officials said there was no word on when Benny would be released. A spokesman said he was undergoing routine tests.

Earlier Sunday, the comedian left Presbyterian Hospital in Dallas and flew here by private jet.

Benny had canceled a performance Saturday night in Dallas after experiencing a numbness in his hands and arms. The appearance was in a benefit for the Southwestern Medical School of the University of Texas.

Funerals

Gene Sowell Dies

Last Night At

Cleveland, Tenn.

Gene O. Sowell of Benton Route Five, Aurora community, formerly of Murray, died sometime last night at Cleveland, Tenn. He was found in his car early this morning.

The deceased was 60 years of age and was employed as a representative of a furniture company. A member of a Baptist Church, Mr. Sowell was born July 28, 1914, in Macon, Ga.

Survivors are his wife, Mrs. Arbella Cook Sowell of Benton Route Five; three daughters, Mrs. Jeannie Yarbrough of Mobile, Ala., Mrs. Nancy Harrington of Owensboro, and Miss Wendy Sowell, student at Murray State University; three sisters, Mrs. Mary Alice Fulcher and Mrs. Martin (Jenett) Shadday, both of Columbia, S. C., and Mrs. Henry (Wilma) Cravey of Atlanta, Ga.; two grandchildren, Leslie and Allison Harrington of Owensboro.

Funeral arrangements are incomplete but friends may call at the Max Churchill Funeral Home after twelve noon on Tuesday.

Without them, he said, an overwhelming Democratic majority would mean massive federal spending and greater inflation.

"If you get a veto-proof Congress, they are going right through the rooftop as far as spending is concerned," the President warned.

Cook, in his brief remarks, called for preservation of the two-party system and said he believes his Democratic opponent, Gov. Wendell Ford, is worried about their race.

He said the governor scheduled elections to fill five state representative posts, formerly held by Democrats, in order to get out a larger Democratic vote Nov. 5.

Cook drew laughter when he said that a veto-proof Congress would mean "you'll be on a chairlift you'll never get off." This was a reference to the aborted chairlift project sponsored by Gov. Ford's administration for Cumberland Falls State Park.

Rep. Gene Snyder, R-Ky., told the crowd that the Republicans had survived Watergate

and then delivered a blistering attack on his Democratic opponent in the 4th District.

Describing Kyle Hubbard as "the man with marcelled hair and patent leather shoes," Snyder said "there is no time for job-training in Washington. You know I have the experience."

Among the crowd waiting to greet the President when he arrived was Mrs. Virginia Adkins, who became something of a celebrity.

She was carrying a WIN (Whip Inflation Now) sign which the President asked if he could have.

planned to vote for Rockefeller's confirmation despite the recent financial disclosures.

Byrd said, however, that he was glad that the Senate would not be voting immediately on the nomination because "there are many questions that remain to be answered." He said the Rockefeller gifts and loans raise a more serious question than the back taxes.

John Dean Returns To Stand As Cover-Up Trail Continues

WASHINGTON (AP) — With four tapes down and three to go, John W. Dean III is returning to the witness stand to relate what happened in the White House after he told then-President Richard M. Nixon about the Watergate cancer growing on the presidency.

The prosecution in the Watergate cover-up trial was expected to finish with Dean today after playing the remaining

three White House tapes, in which his voice was recorded along with Nixon's.

Lawyers for all five defendants, John N. Mitchell, H.R. Haldeman, John D. Ehrlichman, Kenneth W. Parkinson and Robert C. Mardian, then will have a chance individually to question Dean, the first government witness who has been on the stand since last Wednesday.

Communications Seminar For Home Economists Is Planned

Professional home economists and others interested in developing a closer relationship with people in the communications field will be attending the communications seminar to be held at Murray Vocational School, Murray, on October 24, 1974, at 6:30 p.m.

The seminar is sponsored by the Kentucky Home Economics Association. Representatives from the area media including, Walter Apperson, publisher of the Murray Ledger and Times; Al McClain, news director of radio station, WNGO in Mayfield and Ray Bowman, news director of WDXR television in Paducah will participate in seminar.

Coordinator for the seminar will be Mrs. Fran Maierhauser, home economist for Kentucky's

Association of Electric Cooperatives and women's editor of "The Rural Kentuckian." Mrs. Maierhauser recently won national honors for a series of articles published in the "Rural Kentuckian."

According to Helen Stevens, Extension Specialist and K. H. E. A. President, Mrs. Maierhauser has also had extensive experience in radio and television. She was Kentucky's representative at a nationwide communications institute held last summer on the San Diego State University campus.

The seminar is open to the public and is expected to draw attendance from counties in the Purchase District.

Mary Lawson, Murray State University, is in charge of local arrangements.

memorialized Gilbert Graves, the only Murray State student to lose his life in an athletic contest, and honored the donors and descendants of the donors who contributed \$117,000 in 1922 for the construction of Wrather Hall, the first building on the campus.

Dr. L. J. Hortin, professor emeritus, paid tribute to the memory of Graves, who was fatally injured November 27, 1924, in a Murray State-Memphis Normal School football game. He died eight days later of a broken neck.

"Bronze and concrete are a bit cold to write upon when the writer is being guided by his heart," Dr. Hortin said in commenting on the erection of a permanent marker near Stewart Stadium in Graves' memory.

Two sisters of Graves' were present, Miss Margaret Graves, West Palm Beach, Fla., and Mrs. Mildred Hagan, Louisville.

"Great things have always been done by men who had vision," Miss Graves told the more than 300 persons attending the banquet. "How fortunate that several loyal friends and supporters have worked tirelessly from 1924 until the present time making that vision a reality, not letting disappointment or discouragement in the ensuing years dim that vision."

Also present were six of Graves' teammates on that fateful Thanksgiving Day in 1924. They were: Comer Arnett, Joe Rains, T. Sled and Auburn Wells, all of Murray, and Erret Starks, Benton. Eight others are still living, and 13, including the coach, I. H. Koffman, are deceased.

Thomas Baker will present a solo piano recital Tuesday evening, October 22, at 8:15 p.m. in Recital Hall A of the Price Doyle Fine Arts Building. The program consists of Partita No. 4 in D, by J. S. Bach, the Beethoven Sonata in C, Opus 53, also called the Waldstein Sonata, and Pictures at an Exhibition, by Mussorgsky, which is celebrating its 100th anniversary this year. He is an assistant professor of music at Murray State University. The program will also be broadcast on WKMS, FM, beginning at 8:15 p.m.

Mrs. Riley. . .

(Continued from Page 1)

The breakfast was the first in a series of events for the local club in observance of National Business Women's Week, October 20-26.

Other events this week will include a Friendship luncheon at Colonial House Smorgasbord on Wednesday from eleven a.m. to one p.m., a "sleep-in" at cabin of Mrs. Odelle Vance on Friday at 6:30 p.m., and a tea at the home of Mrs. Annie J. Nance, 1229 Dogwood Drive, on Sunday from two to 4:30 p.m.

In spite of "tight money"...

Are you telling us a homeowner can still get a large loan?

Right.

Even with today's money crunch, we can loan you a lot of cash... now. For any purpose you have in mind. Because you're a homeowner. Let's face it, when it comes to loaning really big money these days, we want to do business with people like you. So call or stop by. You'll find that though others are tightening down, we're still giving a lot of credit to homeowners. Try us for size!

You probably qualify for rates as low as these.
