Volume XXI *Paid Circulation Sells — That Is The Kind This Newspaper Offers Customers*

First In Circulation, First In Advertising
First In The Home, First In Reader Interest

Benton's two drug stores, Nelson's and the Corner Drug, and the Marshall Courier have gained statewide and nationwide publicity.

The two drug stores recently printed some advertisements in the courier comparing vitamins with food supplement.

The ads came to the attention of the Kentucky Pharmacist, a publication of state druggists. And then the NARD Journal, publication of the National Association of retail druggists, picked up the comment from the Kentucky Pharmacist.

The NARD Journal, of national circulation, had this to say:

"Here is an item of interest to all druggists, reprinted from the December 1957 issue of the Kentucky Pharmacist."

"TRUTH ABOUT VITAMINS:
Nelson's and the Corner drug
Store at Benton, Ky., did what
we think was an outstanding
job in an ad on Nov. 14 in The
Marshall Courier. In a half page
ad, they started out by saying:
Don't be blind to the truth

“Then they compared a formula from a bottle of vitamins sold by a door-to-door salesman with that of Parke Davis’ Myadec. The formula showed that Myadec was a better

KENTUCKY LAKE EXHIBIT — This is the Kentucky Lake exhibit at the Boat, Sports and Vacation Show held recently in St. Louis. The exhibit attracted thousands of visitors. At the Chicago Boat Show, the exhibit drew 262,000 visitors.

er preparation.

"The cost per month to take the door-to-door, salesman's vitamins or what we call them food supplements, was \$6.25. The cost per month to take Myadex was \$2.80. This is one of the

best items we have seen to

Editor's note: The above certainly proves one thing that the Courier really gets around.

And when you die

And when you place an ad in the Courier, you may be certain that it will attract attention and get results.

Toy Starks of Route 1 was a

Funeral services were held Sunday afternoon at the Mt. Carmel Methodist Church for Mrs. Dollie Sholar, 74, who died Friday at the home of her daughter, Mrs. Freeman Collins, Benton Route 4.

The services were conducted by Revs. Orville Easley and Winston McLeMore and T. A. Thacker. Burial was in the Matheson Cemetery in Trigg County.

Pallbearers were members of the Men's Bible Class of the Memorial Baptist Church, Murray.

Survivors are two daughters, Mrs. Freeman Collins of Route 4 and Mrs. Arlet Baker of Elton; five sons, Barnett of Elton Route 1, Kenneth of Elton Route 5, Elmer of Murfreesboro, Tenn., and James Sholar of Dearborn, Mich.; 13 grandchildren and six great-grandchildren.

Young Victim of Nephritis Is Buried

Funeral services were held Sunday afternoon at the Beck-Cann chapel for James Edward Nelson, 8-year-old son of Mr. and Mrs. Paul Nelson, Benton Route 1. Death was due to nephritis.

Besides the parents, survivors are two brothers, Ralph Thorpe and Randall Nelson; grandparents, Mr. and Mrs. Dan Nelson of Benton Route 1 and Clay Road of Detroit, Mich., and the step-grandmother, Mrs. Clay Rose.

Benton, Ky., and Calvert City

20 YEARS AGO

From The Courier
Files of 1938-39

Back in 1938, the WPA was in full bloom. The Courier had printed an article about WPA service. The article said this:

"If you live in an unsewered area, the County Health Dept., in co-operation with the WPA, will provide sanitary toilets of the type approved by the State Health Department. Due to the increase in population, brought on by the advent of TVA, it is highly desirable that all toilets in Marshall County be of a sanitary nature."

"You supply the materials and the WPA, under supervision of the health department, will supply the labor for construction of the sanitary toilet."

(So there you have evidence that the WPA didn't lean on the shovel all the time.)

A contract had been awarded for an 8-room school building to be erected on government land near Gilbertsville. The building was to cost \$27,998. The school was to be built partly for the benefit of children of TVA employees.

It was reported that the TVA would buy the old Gilbertsville school building, thereby reducing the cost of the new building to the Marshall County School Board.

A barn owned by Will Kuykendall had been destroyed by fire. The barn was located near Linn-Roberts Funeral Home. A Ford automobile, 100 bales of hay and 10 bushels of corn also were destroyed by the fire.

A truck had been reported stolen from Edward Norvell, four boys had been arrested by sheriff Jack Edwards in connection with the alleged theft.

A large quantity of whiskey had been seized by state highway patrolmen when they halted three automobiles two miles north of Benton.

About 400 gallons of liquor valued at \$3,000 to \$4,000 were seized. Three Tennessee men were arrested and jailed at Benton.

Troopers making the arrests were Marvin Gish, Bill Chumler, H. L. Crawford, Wallace Shankle and Steve Roberts.

There had been several deaths. Among them were:

Meredith G. Warren had died at age 77 at the home of his daughter, Mrs. Effie Mathis, on Route 5.

Jim Epperson, one of the few Negroes living in Benton, had

died at age 89. He had worked for many years for Dr. V. A. Stille. Rev. L. V. Henson conducted the funeral services at the home and burial was in Thompson Cemetery.

Mrs. Mattie Rose had died at her home on Route 3. She was 88. She was the wife of R. B. Rose.

A photo studio had opened in Benton. It was operated under the name of Mardis Studio. The studio was located "around the corner from the Riley house."

And that's all the 1938 news for this week. See you next week.

Mrs. Harold Sutherland has returned from Annapolis, Maryland where she visited her daughter, Mrs. Bob Henson and family.

STRICTLY FRESH

PEOPLE with skeletons in their closets are well prepared for a haunting Halloween.

Our secretary never says an unkind word about the girl at the next desk, but she has been known to murmur, "Honey, where do you park your broom when you fly to work?"

The boss has a well-trimmed look today. He played cards last night with some of the salesmen.

Lazy artist we know has only a brushing acquaintance with work.

An old-timer is one who remembers when it was possible to go to work with a dollar in your pocket and come home jingling some change.

Bible Comment:

Marriage Is Man's Holiest Relationship

THE Bible is nowhere a richer and safer guide than in all that concerns the sexes and the relationships of man and woman in marriage, home, family and society.

Just as man at his worst has abused and mistreated the most precious things that God has given, so man at his worst has made the sex instinct an instrument of debasement and foulness. Man has made his soul, which might be attuned to love and righteousness, an instrument of hate, and his wonderful and beautiful body an instrument of violence.

But we should not allow that to blind us to all that is noble and good. We speak of "holy matrimony" and there is nothing holier than a relationship of mutual love and loyalty. Two souls then share privileges and responsibilities, bearing and forbearing, in lives that are pledged to truth and right.

It is on such a foundation that the Christian home is built. Nothing less could be fully adequate as an environment for the bringing into the world of new lives.

This is the ideal that we should always strive after. The fact that it is not always attained should not lessen the thought of it as the only adequate standard.

Perhaps, considering all the problems and difficulties of marriage and home in the most intimate relationship of which man is capable, the marvel is not that so many marriages fail, but that so many succeed.

WHO WILL FIT THESE COSTUMES?
Sometime in June these costumes, along with about eighty others, will become animated as students and teachers from eighteen or twenty colleges are fitted for their roles in Paul Green's famous outdoor drama WILDERNESS ROAD, at Berea, Kentucky. These will be the lucky survivors of auditions which will take place at Berea on March 7, 8, 9, at University of Kentucky, Lexington, on March 13; at the University of Louisville on the afternoon of March 15. For more details, or application forms, write to WILDERNESS ROAD, Berea, Ky.

Mrs. Russell Badgett.

Hostesses for the meeting were Mesdames Ralph Morris, Milt Nelson and D. B. Norman.

Mrs. Genoa Gregory has been confined to her home by illness this week.

Mrs. Bud Ross is able to sit up after having suffered a fractured pelvis bone in a fall recently.

Wesley Hitt has been ill at his home in Hardin for the past few weeks.

COUNTY Soil Notes

By A. E. DENHAM

"When I was your age son, I had already worn out two farms." My grandfather was proud of the straight rows he could plant. These straight rows are now one reason why there is a need for watershed work in Clarks River.

A. B. Rogers, assistant state conservationist, said: "The Soil Conservation Service must work more basic plans with farmers and the farmers must get more conservation practices applied on their land." Every acre on your farm is in some watershed. The application of conservation practices on this acre is the beginning of watershed work. Before any effective measures can be carried out in the river bottoms the uplands must have conservation practices established on them.

The Marshall County Soil Conservation District supervisors and members of the watershed conservancy district asks every farmer to begin establishing these practices. Good soil conserving practices will stop your farm from flowing into the river, and then Mr. Clark's will not be crowded from his home.

S. E. Gibson of Benton Route 2 will establish waterways this spring. Mr. Gibson says, "I must get this waterway established to grass before it completely fills up my ditches down below." This is a practice need on every farm in the county. Mr. Gibson also has some terraces and other soil conserving practices on his farm. He further states that, "Before these terraces were built there was no way of controlling erosion on this field."

The Marshall County ASC will pay approximately 50 percent of the cost of establishing conserving practices. They will pay 80 percent of the cost of establishing sod waterways. During this age of the "sputnik" and talk of travel to the moon, those of us who do not plant to make the trip can take advantage of these practices. This way the job can be done without too much cost to the farmer.

The heavy rains of last fall and winter caused considerable damage to some farms in Marshall county. Therefore an emergency fund was set up to take care of this damage. Up to now very little of this fund has been used. If on your farm grasses failed to get established before the rains came and you had damage done to terraces, waterways, diversions or even pasture seeded last fall, you can get assistance. Also if intermittent streams and drainage systems were made ineffective by caving in of banks, silting or filling in with other debris, you can qualify for payment. Payments on these emergency practices are 80 percent of the total cost, excluding seed and fertilizer.

Ed Childs Buried In Dunn Cemetery

Funeral services for Ed Childs, 77, who died March 1 at the home of his brother, Clovis Childs, were held Monday afternoon at the Filbeck-Cann Funeral Home. The Revs. T. L. Campbell and J. J. Grish officiated. Burial, by Filbeck-Cann, was in Dunn Cemetery.

Mr. Childs had made his home with his brother for the past 10 years.

Mr. Childs was a member of the Briensburg Baptist Church. Another brother, T. O. Childs and a sister, Mrs. Dora McNatt, reside in Detroit.

Finis Holley of Route 5 was a business visitor in Benton Monday.

Hints For Easier Housecleaning

Housecleaning is more fun, and easier, when you let family members help, and when they do, they take more pride in keeping the house clean.

Allocate jobs to be done. Father can do the ladder jobs. Sub-teens and teens can sort out toys, comic books, records and outgrown clothing to be given away. They can plan play for the little folks, too, and supervise them.

To make your part easier, look at new products, and choose some to try. They are designed to make housecleaning easier, and lend newness to old chores. Childproof floors in heavy family traffic areas—especially kitchen and bath. Childproof with self-polishing vinyl floor wax for long lasting brightness, water repellency and scuff resistance. Use vinyl floor wax on all floors. And lastly, plan a housecleaning week treat—dinner out, a picnic, or a show—something the family and you will enjoy.

"Henry always fixes this rear mirror so all you can see is the rear view."

Safety Started Marshall

organizational meeting of Marshall County Safety was held in the courtroom Thursday night. Ten were present.

At the meeting of the State Department of Public Safety was presided over the night. He pointed out the objectives in local police.

Some of the objectives are: to make every man, woman and child safety conscious and something about it.

Roll every school child card-bearing member.

For plans to stop racing in the city limits and on highways.

The Safety Program.

evaluate city and county needs and to keep the citizens on how, where, and when accidents occur and they might be prevented.

In addition to traffic safety, the Marshall County Safety Council will receive information concerning safety in the home, school and on the

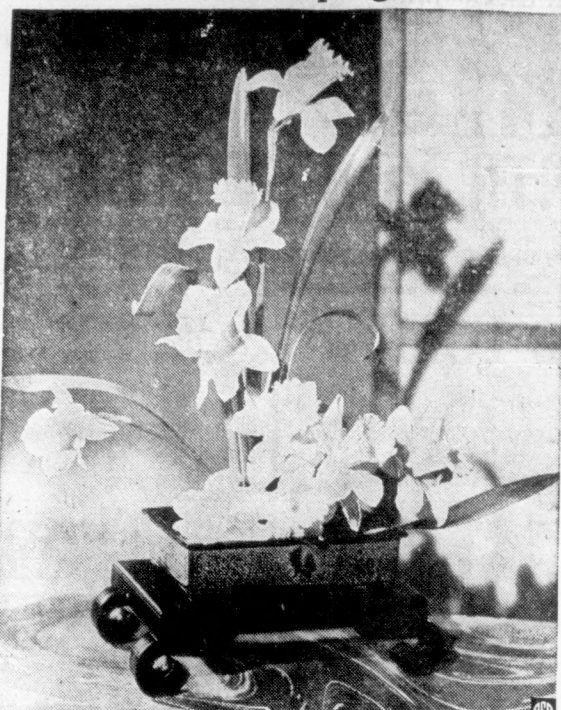

Marshall County organization is a part of the National Safety Council. Every citizen in all County who is interested in saving his own life and

res of others is invited and to be present at the next meeting, which will be Tuesday, March 25 at 7:30 p.m. at the courthouse. At that time permanent officers will be elected.

It is requested that every club in Benton and Marshall County be present or send a representative. Also the safety officers of all industrial plants in the area are urged to attend.

Temporary officers appointed for the first meeting were George Asher, chairman; Joe Asher, ad-

Gift Of Spring

March may be roaring like a lion outside your house, but a bowlful of pure yellow daffodils to brighten your living room is all the promise you need that Spring is not far away. Their warm, sunshine color is the best possible tonic to wipe out the last bit of dullness in tag-end Winter days. The arrangement shown here, created by Alyn Wayne, official designer for the Florists' Telegraph Delivery Association, is an exotic treatment of this rather unsophisticated flower and is achieved in part by the low Oriental container and partly by the unusual bend and curl of the leaves. The secret for the latter is a fine florist wire inserted the entire length of the hollow leaf and then bent to the desired shape. You can do this also with the hollow stem of the flower using a little heavier wire. Try it yourself—And remember, daffodils are plentiful and inexpensive this time of year and make welcome gifts on both the sad days and glad days. In scores of handsome arrangements, they can be wired any place in this country or overseas through your FTD florist.

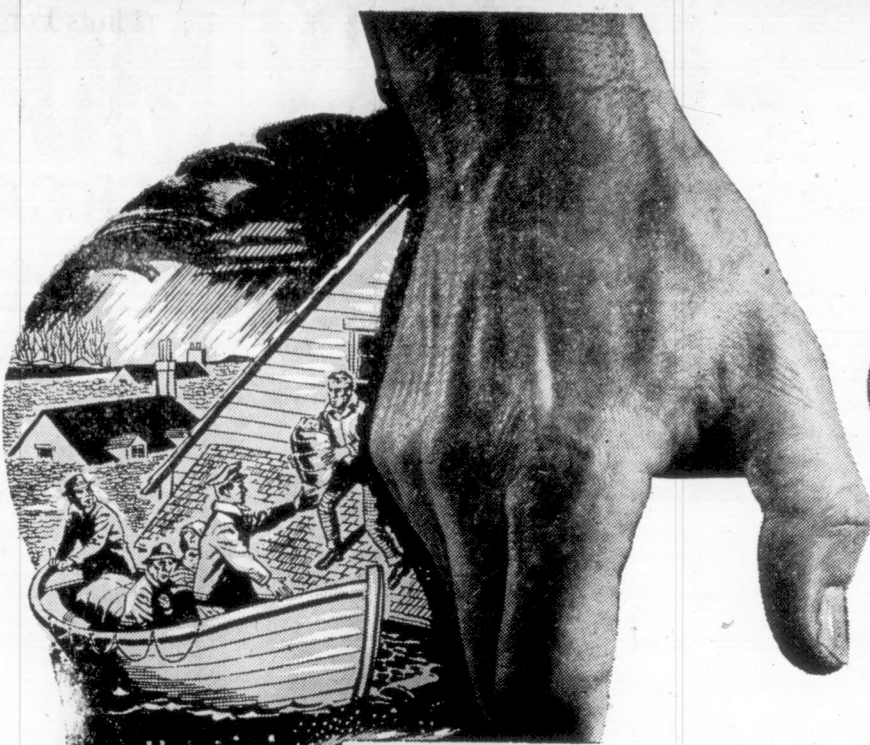

administrative assistant; Holland Rose, secretary.

Miss Sunshine Colley was asked to present the program for organization to all women's clubs in the county. Mr. Little and Mr. Asher will go before the men's clubs and Mr. Rose will present the program to county and city schools.

Remember the date, Tuesday, March 25, at 7:30 p.m. at the courthouse for the next meeting. Your future and the future of your children depend upon an adequate safety program.

G. O. Pace has been ill at his home in Hardin for several weeks.

the RED CROSS

...always on the Job

When disaster strikes, the Red Cross is on the job . . . helping disaster victims meet their emergency needs . . . assisting in rebuilding and recovery. And disaster relief is just one of the many important Red Cross services. Through service to the armed forces, veter-

ans and their families . . . nursery, blood and first aid programs . . . Junior Red Cross programs, community and international services, the Red Cross is on the job — where it counts.

Imagine Being Happy During CHANGE-OF-LIFE!

Thousands of women now go "smiling through" those trying years—without awful suffering from "hot flashes," tension! Science has exploded old myths about change-of-life! Countless women have found you no longer have to feel sickly, "old" before your time. Today, many can enjoy change-of-life—without that terrible suffering!

Lydia Pinkham's remarkable Tablets have been developed especially to relieve those functionally-caused "female miseries". Their unique combination of medicines even includes blood-strengthening iron! That's why, with Pinkham's Tablets, you can escape much of the "hot flashes," clammy feelings, weakness, irritability so common to women between 38 and 55. You're ready to start living again!

NO PAINFUL SHOTS! 8 out of 10 women tested by doctors did get such thrilling relief—without costly shots! Why not you? Get Lydia E. Pinkham's Tablets at drug stores today. See if you don't quickly find new happiness during change-of-life!

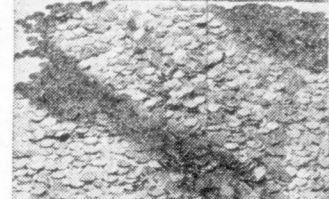

IF YOU PREFER A LIQUID all drug stores also have famous Lydia E. Pinkham's Vegetable Compound.

HARDIN 5TH GRADERS ORGANIZE A 4-H GROUP

A month ago, fifth grade pupils of Hardin School formed a 4-H Club with an enrollment of 35 members.

The following officers were elected: Dan Duke, president; Steve Elkins, vice president; Brenda Edwards, secretary; Pam Cavitt, song leader; Larry Lovett and Jerry Bedwell, reporters.

On February 11, a meeting was held with Homer Miller as guest speaker. Speeches were made by the following: Brenda

Edwards, Joe Pat Ross, Jerry Bedwell, Glenda Holley, Judy Sheppard, Nancy Byers, Anna Gore and Beverly Salyers. Jerry Bedwell and Judy Sheppard will represent the club in the public speaking in Benton on March 1.

Mrs. Joe Tom Miller entered the Mayfield Hospital in Mayfield Friday of the past week, for observation and treatment.

Paul Kent Smith son of Roswell and Mrs. Smith of Route 2 was a patient the past week in the Murray Hospital.

Bell Report Shows Phone Expansion

The Southern Bell Telephone Company added 472,000 telephones to its system in 1957, according to its Annual Report which was received here last week. At the end of the year, Southern Bell had 5,830,000 telephones in operation—three times as many as 12 years ago. An average of over 37,000,000 local calls and nearly 900,000 long distance calls were made daily in the nine-state area, largest number in any year. The report, made for the company by President Ben S. Gilmer, was released by District Manager B. F. Harwood Jr. In Kentucky, the report showed, the number of telephones increased to 28,000 in 1957. There are 469,000 telephones in service in Kentucky and 169 exchanges throughout the state. There are 4,934 Southern Bell employees in Kentucky with an annual payroll of \$21,100,000, the report reveals. The company paid almost \$135,250,000 in 1957 in federal, state and local taxes, almost \$16,400,000 more than in 1956. These taxes averaged \$2.93 per telephone per month including federal excise taxes which averaged 83 cents per telephone per month. This federal excise tax does not apply to other utility services. Southern Bell's 70,000 employees received wages totaling \$266,000,000, almost \$20,000,000 more than in 1956. BUSINESS CARDS—Get your business calling cards at The Courier. BENTON AND MARSHALL COUNTY WEEKLY Review NEWS EACH WEEK OF BUSINESSES AND BUSINESS IN MARSHALL COUNTY

Thomas Downing Runs Texaco Filling Station

The Downing Texaco Station, located at 8th and Main Streets in Benton, is operated by Thomas Downing. Thomas Downing was born in Marshall County. He had most of his schooling in Marshall County and some in Detroit, Mich. He has a high school education. He spent 13 years in Detroit, two years of that time in the U. S. Army with the 26th Infantry Division and 15 months in Europe. He was wounded in action Dec. 3, 1944, at Saar Union, France, and again on March 7, 1945, at Saar-lautern, Germany. A short time after being discharged, he went to work for the Ford Motor Company in Center Line, Mich. In 1951, Mr. Downing decided to move back to his home estate. He went to work at that time for W. A. Ramsey, contractor with the TVA at Shawnee Steam Plant. When the job was finished for the contractor, Thomas went to work for John Sledd at the Texaco Station, later taking over the station himself. He is the son of Chester and Ethel Downing of Benton Route 3. He is married to Mary Katherine Clark, daughter of Mr. and Mrs. Boone B. Clark and granddaughter of the late George Solomon. Mr. and Mrs. Downing have three daughters, Sheila, 16, Pamela, 9 and Christa, 6. They reside in their home at 410 West 9th Street. Mr. Downing wishes to thank the people of Benton and Marshall County for making it possible to stay in business and states it's a pleasure to service your car needs. It is his hope that you will continue to patronize him.
