FULTON, KY., FRIDAY, SEPTEMBER 4, 1942

NUMBER THIRTY-THREE

FULTON BOY TO APPEAR ON RADIO

A member of the famous Great Lakes Choir, Harold Thomas Norman, a seaman first class, 30 years old son of Mrs. Mary Etta Norman Fulton, Kentucky will appear weekly on the Bluejackets own radio show "Meet Your Navy" while he is in "boot training" here.

The personnel of this choir changes every few weeks as the recruits finish their "boot training" and are assigned to Naval duties elsewhere, so Captain Hjalmar Hanson, director of the choir, is constantly busy keeping the organization well trained as a unit to fulfill their many engagements.

The "Meet Your Navy" broadcast, aired direct from here, is made up of sections by the 200 voice choir, the Great Lakes Rhythm Orchestra, the Military Band and talented recruits and is broadcast from coast to coast and via short wave all over the world.

Norman was selected for this famous "Meet Your Navy" choir from a group of more than 2000 who tried out when he did.

A graduate of Murray State College, he was employed by the American Tobacco Co. before joining the Navy July 24. His hobby is amateur photography and receiving letters. The "Meet Your Navy" theme is "Keep 'em Happy With Mail" which appeals to him particularly.

"Meet Your Navy" may be heard Friday nights at 9 PM CWT over the Blue Network, Station WFPS.

POPEYE WALKER LEADING HITTER IN TOURNAMENT

Jimmy (Popeye) Walker, former Fulton first baseman in the Kitty League, now playing with the Fort Riley C. R. T. C. team, was the leading hitter in the National Tournament, held recently in Wichita, Fort Riley is the only undefeated team in the Tournament, having won five straight games.

It is reported that Jimmy Walker has been named the clown prince of the tournament. Besides giving the fans many laughs he is the leading hard hitting soldier of the team. He has a record of eight hits in sixteen times at bat in the five games.

SPARE YOUR DOCTOR

Wars drain on the nation's doctors continue to grow rapidly. In time, it is likely that all physically fit younger doctors, and many older doctors, will be called to military service. And so, the burden of work on the doctors who remain at home will be doubled and redoubled.

Many authorities are now advising the public as to how it may help these doctors perform their job with maximum efficiency under difficult conditions. First, don't ask your doctor to make a house call if you are able to go to his office. Second, don't call him at inconvenient times unless there is an emergency. Third, when you do see him, don't waste his time in gossip and idle talk. It may be all right to "visit" with the doctor in normal times—it is definitely a bad practice now.

The standards of American medical care are the highest in the

world. During the war, with millions of people working at arduous labor, every possible means of guarding and maintaining these standards must be used. And you can be certain that the doctors will do their part. They will willingly work longer and harder. They won't spare themselves. They know better than anyone else that the preservation of civilian health is absolutely vital to the war effort.

The patient who wastes a doctor's time may, unwillingly, be depriving a person who desperately needs it, of medical attention. Spare your doctor!

THE CONSUMER WOULD PAY

A short time ago, one of the large labor unions started an aggressive campaign to organize dairy workers in the Chicago milk shed. If that campaign succeeds, it will undoubtedly be extended to all other milk-producing areas.

The interest of the consumer in this is obvious. If union leaders manage to organize these workers, the consumer will do the paying—and inflation will get another boost forward.

Farm work is basically different from industrial work. The farm worker gets many tangible benefits beside cash wages—a home, light and water, part of his food, a pleasant place for his family to live, etc. And any effort to place the farm worker on the same basis as the industrial worker when it comes to pay and working hours, will dangerously dislocate the American economy.

Dairy farmers and all others are

already record wages—and those wages have offset most of the benefits that have resulted from higher farm prices. Union regimentation of agricultural labor would play havoc in millions of American homes.

Kidneys Must Work Well

For You To Feel Well

24 hours every day, 7 days every week, never stopping, the kidneys filter waste matter from the blood. If more people were aware of how the kidneys must constantly remove surplus fluid, excess acids and other waste matter that cannot stay in the blood without injury to health, there would be better understanding of why the whole system is upset when kidneys fail to function properly.

Burning, stinging or too frequent urination sometimes warns that something is wrong. You may suffer nagging headache, backache, dizziness, rheumatic pains, getting up at night, swelling.

Why not try Doan's Pills? You will be using a medicine recommended the country over. Doan's stimulate the function of the kidneys and help them to flush out poisonous waste from the blood. They contain nothing harmful. Get Doan's today. Use with confidence. At all drug stores.

ILLINOIS CENTRAL LEADS in WAR DRIVE

PRIZED among members of the Illinois Central family is the following telegram from Donald M. Nelson, chairman of the War Production Board:

"Congratulations to the men of the Illinois Central Railroad on being the first representatives of a major railroad to embrace the War Production Drive by establishment of a labor-management committee of sixteen members to be known as the Employees' War Production Drive General Suggestion Committee.

"You are giving your support to an effort that now embraces over three million war workers in some 1,300 corporations and plants in all forms of war production.

"War-time transportation such as your railroad can and must service is an absolute essential to victory."

Mr. Nelson's telegram came in response to the announcement that, effective August 20, the Employees' Suggestion System of the Illinois Central would line up in the national War Production Drive according to a plan recommended to industries generally by the War Production Board.

That meant giving particular emphasis to ideas that will expedite war production by increasing the general effectiveness of the Illinois Central in the war effort. It also meant having equal representation of labor and management on the committees handling the suggestion system.

Responding patriotically to the invitation, members of the Illinois Central General Chairmen's Association nominated eight of their number to serve on the general committee, and our department heads selected eight management representatives. The division and shops committees will likewise be organized with equal representation of labor and management.

We of the Illinois Central are enthusiastic over these changes. We truly believe they promise much for the War Production Drive, the Employees' Suggestion System and the Illinois Central family as a whole—which is just another way of saying the entire public service, both in war and in peace, to which this railroad is dedicated.

CRUTCHFIELD NEWS

Mrs. Nick Bates spent Tuesday afternoon with Mrs. Ruth Lomax. The Crutchfield homemakers club was again post-poned, due to a death in the community. The club will skip the August meeting and take up all business at the Sept. meeting.

The community was saddened by the tragic death of Howard McMurry of St. Louis. Many children in this vicinity had gone to school with him, and the family has many friends here.

Miss Helen Tyler of Nashville visited with Mrs. Edna Alexander Sunday night.

Lonzo Johnson and James Lomax spent Saturday night at Duketown guests of Mr. Johnson's grandparents.

Mrs. Etta Sanes has been at the bedside of Mr. Hannibal Seat for several days. Mr. Seat was stricken with paralysis last Friday morning. He lived until Sunday night at

10 o'clock. The community regrets the passing of this good man, and extends their condolences. He was a sum beam wherever he went, especially to children. His yard was a playground for the little ones around his home. It can well be said of him that he lived his years well. May God comfort you, Mrs. Eva, is our sincere prayer.

Mrs. Edna Alexander, Miss Nina Ross, Mrs. Ethel Oliver, Mr. and Mrs. Author Brown, Mr. and Mrs. A. H. Brown, Mr. and Mrs. Oscar Nugent, Mrs. Ruth Lomax, Mrs. Grace Hoodenpytle, Mrs. Roy Ne-thery, Mr. and Mrs. Cleatus Bind-ferd and Mrs. Jess Cashon at- tended the funeral of Mrs. Claud Curtsinger at Crutchfield, Wednesday-afternoon. Mrs. Curtsinger had many friends in the Crutchfield community who mourn her going. She was a friendly, lovable woman. A wonderful wife and mother and so close to her parents. Especially do we grieve for those little children who will meet so many monsters along the way that mother could have re- moved. All sympathy and prayers are extended to this young hus- band, children and her parents.

Sure, You Can Help Them!

BUY WAR BONDS NOW!

HOW can you help our boys who are fighting the Nazi-Jap bar- barians and dying on farlung battle fronts to protect the American Way of Life and all that we hold precious?

Right now, the most effective help you can give is to buy War Bonds 'til it hurts . . . so that our army and navy and air forces can have all the arms and equipment they need to win victory and restore peace and decency to the world.

YOU SAVE AS YOU HELP! Buying War Bonds helps you to save, too. For each \$18.75 you invest in a bond you get back \$25 at maturity. And every time you buy a bond you give Hitler and Tojo a sock on the snout. So smack 'em down, boys. They asked for it!!!
