VITAMIN!
three years we have heard a lot about vitamins, and
wouldn't know it if we didn't see it for our own eyes. But during the last
three years we have heard a lot about vitamins, and
the deficiency of vitamins in certain American foods, including white family food.

The truth is, we have been missing for a third of a century before it was discovered that white
flour was lacking in anything. However, we are now
aiding by the recommendation of Nutritional
Authorities throughout the United States, and are
therefore switching all brands of Bread with Flour as
listed below. So you can take no chances when you
specify one of these brands!
