# They Had Mucho Fun (O-Rama)

● FUN AND FRIVOLITY reigned and the Grand Ballroom of the ultra exclusive Sheraton hotel was the magnificent backdrop two Friday evenings back when the Women's Committee of Mid-West Community Council in Chicago gave a unique "Fun-o-rama" party. The fashionable throng which applauded a thoroughly enjoyable fete was an all-age, all-city group. The most enthusiastic, of course, were those proud as punch residents of the area which the Council serves.

● PICTURES TELL the story of the Midwest Community Council's fight on blight in interesting and informative souvenir program book. They also tell a heartening story of what can be accomplished when people — of all races and creeds — work together. The Council is an organization of Westside business and professional men, agencies, institutions, churches, residents and schools concerned with the problem of the area. They are proving that "it is much cheaper to make a contribution to Midwest than to suffer a loss many times as great through property deterioration."

MRS. EDNA HANDY, prominent business woman of area chats with Dr. and Mrs. Albert Spaulding.

● THE DANCE floor was never deserted and twosomes like Mr. and Mrs. Shirley Johnson (photo above) tripped the light fantastic every set. The affair brought together friends of the Council from all over Chicago to fraternize and applaud the vital work the Council is doing in the area.

LAVISH PRAISE from Mmes. J. P. Baldwin, wife of Council board member and Rita Hawkins (at right) bring broad smiles to faces of committee members Sarah Brown, Katherine Clark, Luella Cephas and Glenora Phillips.

● ATTRACTIVE souvenir program book gets rapt attention of Mrs. Rachel Ridley, president of the Midwest Community Council; Louis Smoler, banker and J. P. Baldwin.

## SOCIETY Merry— Go-Round

By Emogene A. Watkins

WHAT A QUIET community this has been for the past week! Oh there are things happening all of the time... but with the visitors back home in their respective areas... no more inspirations for parties... and with the money all spent for holiday revelry... no loot to shoot. Clubs are privately electing new officers... and at the same time making those plans which are going to step up the pace of the social season all at once... and leaving your girl Friday to scamp and rack her brain as to how to capture all of the events that are going to inevitably fall on the same weekends... in the same month. Just the same it follows the pattern... the same old "hull before the storm."

IN A MOST impressive ceremony, members of the Esquire club, a gentlemen's group, held an installation banquet at Beulah's Tavern on Friday, Jan. 13. Guests included their wives and sweethearts, and a few friends.

Atty. B. L. Hooks addressed the entire group assembled in his own inimitable style, bringing to them inspiring thoughts of philosophy and wisdom. As he installed the officers, he stressed diligence of purpose, and earnestness. New officers are: J. W. Clark, president; Jefferson Taylor, vice president; Scott Finley, secretary; Andrew Perry, assistant secretary; a n d Ben Gunter, treasurer. Other members include: A. C. Williams, Eldridge Cash, Arthur Thompson, Harry Rainer, Samuel Harris, Hugh Ferguson, Isom Wilson, L. J. Alexander, Vassar Slate and M. D. McCoy.

The menu was especially tasty, consisting of fried chicken, spaghetti with cheese, broccoli, pineapple salad, hot coffee and hot rolls. Cocktails were served by Elmer Henderson who gave brief remarks in behalf of the company whom he represents.

Ladies present were very attractively dressed for the occasion: Mrs. A. C. Williams, Mrs. Eldridge Cash, Mrs. Harry Rainer, Mrs. Samuel Harris, Mrs. Isom Wilson, Mrs. Ben Gunter, Mrs. L. J. Alexander, Miss Pearl Harris, Mrs. Mildred Smith, Mrs. Leslie Nelson, Mrs. Arthur Thompson, and Mrs. Jefferson Taylor.

THE DEBONAIR BRIDGE club had a most pleasant meeting Saturday, Jan. 14, with hostess Frances Hooks entertaining in her usual delightful manner at home. Great fun ensued as the members came dressed (or undressed) in real sharp lounging outfits. The hostess wore black velvet fitted pants with "little boy" suspenders over a pink satin blouse. The two perennial dress-alikes, Annie Laurie Willis and Cecelia Willis were garbed one, in black velvet, the other in staid tulle, and both in striped wool jersey tops. Alice Kilpatrick, Martha Galloway, and Pauletta Cook, wore quilted pajama sets. Vivian Willis and Nell Northcross chose white jeweled sweaters for their black velvet toppers, while sisters Vernita Watson and Helen Batts cleverly used gold in individual fashions to complement their black velvet outfits. Other members present were Pearl Gordon, and Jean Robinson. Guests were: Ernest Westley in black velvet with a strapless top, Maxine Smith, in tangerine and white quilted pants and a tangerine velvet top, Julia Gordon, in black slacks and white blouse, Ruby Gadison, and Betty Bland. Stepping out with the lovely bridge prizes were club members Martha Galloway, Nell Northcross, and Vernita Watson, consecutively. Winning guests were Betty Bland and Ernest Westley.

SATURDAY NIGHT AT THE Gay Hawk found the Sequins having loads of fun at their meeting hosted by Thelma Harris. They welcomed their two new members, Dorinda Gray, and Mattie Crossley. Dined sufficiently on a Steak menu. Of course there were cocktails... and conversation... and bridge playing. Winning the very lovely prizes were: Alice Sandridge who took home a beautiful fish hors d'oeuvres server; Mattie Crossley, who won a very attractive china ash tray set; and Ida Walker, winning a rack of metal ash trays. Almazine Davis received a gorgeous hankie for assisting the hostess.

### Daystrom Presents New Accents In Home Decor

At the January market, which opened Monday in Chicago Daystrom Furniture presented a new sleek-lined buffet and upholstered captain's chair with matching side chairs, thus offering for the first time complete furnishings for the dining room.

Another Daystrom innovation is a graceful new treatment for table legs utilizing a brass sling for strength and ornamentation. Also to be shown for the first time at a major market is the Definition group of indoor-outdoor furniture. Designer Hans Kaufman has wrought, with steel and plastic, highly styled new groupings for the terrace, patio, living room, dining room, dinette and kitchen. These creations will offer, during the market, an exciting preview of new fashions in metal furniture that the homemaker will see in department and furniture stores during the coming season.

The new buffet is supported by slender frames of tubular steel to which the paint is bonded in such

a way that it will not chip or scuff. Another distinctive feature of the buffet is the paneled front that is available in plastic or imported cane.

The detachable hutch also boasts a metal frame to match that of the buffet affording visible storage space for decorative glassware or holloware.

Daystrom makes more news with tension leg to lend additional stability to its handsome tables. Besides added strength the leg contributes considerably to the beauty of the tables.

Double prongs of the Coloramic leg are arranged in such a manner that they parallel a line drawn from the center of the table to corner.

The slender brass sling reaches almost to the floor and its two upper ends are attached to the table on a line at right angles to that formed by the two Coloramic prongs. Another Daystrom contribution

to beauty and comfort for the dining room is a new line of upholstered chairs. The captain's chair features a solid barrel-back upholstered in vinyl plastic or in fabric with Coloramic frames in golden bronze or black.

Companion to the captain's chair is a matching side chair that is available in the same fabrics and colors.

An added attraction at Daystrom is the new Definition group of indoor-outdoor pieces that will catch the eye of many furniture shoppers this spring. Included in this group are a sofa, lounge chair, ottoman, step table, lamp table and two coffee tables that convert to benches with the addition of cushions.

### Announce New Way To Shrink Painful Piles

Science Finds Healing Substance That Does Both—  
Relieves Pain—Shrinks Hemorrhoids

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations.

Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all—this improvement was maintained in cases where doctors' observations were continued over a period of many months! In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a

problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne)—the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in suppository or ointment form called Preparation H. Ask for individually sealed convenient Preparation H suppositories or Preparation H ointment with special applicator. Preparation H is sold at all drug stores. Satisfaction guaranteed or money refunded.

### Comfort, Durability Still In Top Spot

Fundamental, middle-of-the-road good taste characterizes the 1956 Winter Market, which opened January 9 and runs through January 20, at the American Furniture Mart here. A preview of the thousands of new samples on display, indicates that comfort and durability are still the prime requisites in consumer demand. It also indicates that price has little relation to good style these days.

Contemporary styling again topped the list in the merchandise shown. Studies recently completed by the Chicago Furniture Manufacturers Association revealed that 62 percent of the wood furniture is modern and that 54 percent of the upholstered pieces are contemporary.

Among the bedroom and dining room pieces and tables, the Provincial — French and Italian — take second place with 14 percent of the total, and the same percentage holds for upholstered furniture.

Early American and Colonial styles have a steady following through the years, and sell from 10 to 12 percent of the living room, bedroom and dining room pieces. English styles of the 18th Century would be "commercial unstyled" furniture, which is today at the bottom of the list.

The public taste for 1956 is brown — amber to umber in wood finishes; from beige through tan to cocoa in upholstery fabrics. While there is still a considerable amount of furniture finished with a high sheen, the less glossy finishes dominate the high style lines.

Both upholstered furniture and case pieces — dressers, vanities, highboys and buffets which extended to the floor in recent years, are now mostly mounted on legs, to permit easier sweeping a n d vacuuming.

Furniture from the 1,250 American Furniture Mart displays will reach the consumer during the Spring months. Metal is still a strong influence in wood furniture trim, with pewter tips for legs upholstered and case pieces, as well as burnished brass. Some of the new tables are equipped with brass "ball" feet, more readily movable than the older wooden feet.

ANTIGONISH, N. S. — Students at St. Francis Xavier university here are donating a dime a day to build a school in Kenya, where there are only 10 high schools to meet the needs of 6,000,000 Africans. The students hope that by 1957 they will have \$2,500 — enough to build a small school at Fort Hall. The students at the college began their Dime-a-Day campaign to help alleviate a school shortage that forces Kenya high schools to accept only about 10 per cent of the lower school graduates.

## 'Singing' Isn't All The Carib Sisters Do

The Massie Patterson Carib Singers will present their colorful Calypso Carousal, for the benefit of Emmanuel Episcopal church's drive to furnish the new church that is now under construction, at Bruce Hall at LeMoyné college, on Tuesday, Feb. 14 at 8 p.m., in a vibrant, gay program that guarantees a high standard of entertainment.

The Massie Patterson Carib Singers are a group of singers, dancers and musicians. The vogue for Calypso music has been spreading all over the country, especially after "Stone Col" Dead in the Market," a calypso song familiar a few years ago through recordings, captured the imagination of American music lovers. Much of what has been called Calypso is actually a poor facsimile of the real thing, for it has had to be jazzed up and specially tailored in other ways in order to bring it up to night-club standards. The true Calypso music will probably sound strange — but delightfully so — to American ears.

### SONGS NOT "SUNG"

To say that these numbers are sung is not quite accurate, for the Islanders, when they get in a festive mood, cannot keep their feet or bodies still. In addition,

they seem to communicate directly with the audience and literally everyone seems to get into the act. The wonderful West Indian folk music and dance is given an absolutely authentic presentation by these outstanding native performers. It is the real traditional Calypso, with none of the Broadway night club vulgarities.

The West Indian Dances cover a wide field because they were subject to many influences. The African, of course, is the predominant basic influence but it is modified by the Spanish influence in the Castilian, and the French, together with the English "Morris-Dancer" technique.

### TICKET COMMITTEE

Appearances of the Carib Singers have been under the most distinguished sponsorships such as the Pan American Women's Association at the New School of Social Research, the March of Dimes at the Waldorf Astoria Ballroom and the Jamaica Tourist Board at the Hotel McAlpin Ballroom. When you see this show, you will understand why it is so popular.

The presentation of this outstanding group is under the guidance of General Chairman Harold I. Johns and his committee which is composed of the presidents

By CARLOTTA STEWART

Musing: The way we feel about other people affect our spirit. When we are at odds with people it tends to depress us. The cure is found in this wise advice. Always take a generous and forbearing attitude, assuming that the other fellow is really underneath a fine person, and that he does not mean to be as he seems. Dear Carlotta: I met a fellow several months ago. He had just broken off with a girl he'd gone with for three years. I had been going with another boy secretly for some time since my mother did not approve of him. Now this

other fellow is talking about marriage. My parents like him. But my heart still belongs to this secret love. Should I encourage the other boy because my parents like him. A. B.

Dear A. B.: I feel that some of this was spite work. Marrying one person to spite another is about the worst promise on which to found a marriage. Since you love this other fellow, to marry your mother's choice would only become blind to his good points, and magnify his bad ones in time. There are two things you must thrash out thoroughly in your own heart and mind; no one else can do this for you. Explore the theory that your interest in "mother choice" is solely spiteful; if you come to the conclusion that it is, the only fair thing to do is to dismiss him. Second, examine carefully your feelings for the other boy. Are you really sure you still love him, or are you chasing a romantic will-o-the-wisp? Perhaps your parents saw drawbacks in him they did not acknowledge to you.

## Lester Faculty, Pupils Aid Family Hit By Fire

A tragic disaster last week struck at the home of Mr. and Mrs. Roosevelt Gray who lived at 2640 Poplar, when fire destroyed all of their possessions, and took the life of the youngest of their four children, who was two years old.

The remaining three are students at Lester Junior High school. They are Ester and Roosevelt, fourth graders, and Sylvester, first grader. Teachers and students alike expressed deep sympathy for the dire circumstances in which the family found itself. Two of the children had a perfect attendance record since school began this year. The third had missed only one day.

As overt expressions of kindness and concern, students rallied immediately to lend some comfort to the ill fated family by contributing a large number of boxes of clothing, bedding, toys, canned goods together with more than \$61 dollars in cash donations.

These contributions were packed in a truck and carried to the temporary quarters of the family which is in Orange Mound. Mr. Gray expressed appreciation to the principal of Lester, Prof. J. A. Hayes for this unselfish move

on the part of the student body. Mr. Hayes in turn expressed regret that Lester Junior High school would lose three such regular students at the school, who will be forced to transfer to another school in the Orange Mound district.

**GETTING IN SHAPE** — Several of the Memphis boxers who are taking part in the Golden Gloves competition at Jackson, Tenn., this month are seen in the gymnasium at the home of Prof. Harry T. Cash, where they were working out under Rye Ridblatt, teacher of judo and boxing at the Central YMCA. Negro boxers annually enter fighting in Jackson. From there they probably will

go to Alabama, St. Louis or Chicago for Golden Gloves bouts. At left Mr. Ridblatt works with Brown McGhee, of 588 Stephens, on the b a g. Brown, 16-year-old Booker T. Washington junior and four-year champ in the Tri-State Amateur Boxing tournament, won in the bantamweight in St. Louis in 1953 and lost in quarter finals of the Western division tournament in Chicago in

tourney in 1954 and went to the semi-finals in 1955. Herrington making his first trip to Jackson, was Tri-State fly-weight champ in 1954 but did not fight last year. At right, Christopher Columbus Rooks, heavy-weight, of 951 Kansas, chats with Rochester Gates, 18, of 1697 Kansas. Rooks, 25, is making his first trip to Jackson. He has been a winner in the Tri-

State tourney since 1943, except for 1945-46 when he was in service and 1947 when he lost. Gates, 147 weight, is a senior at Geeter High school won in Jackson last year as a novice. He lost in the finals of the Tri-State meet in 1953. Another experienced boxer known to be going to Jackson is Aaron Hackett, 18, junior at Melrose High. He has been a

steady winner in the Tri-State meet and at Jackson and last year won the Alabama State crown and went to the quarter finals in Chicago. This is Mr. Ridblatt's first year working with the boxers. He is also a manager for Ernest Buford, a local fighter who was to have his first fight last Monday night in New Orleans. (Newson Photos)

## Warriors, Wildcats Post Cage Triumphs

By ALEXANDER DELOACH JR.

The Washington Warriors had no trouble at all knocking off the St. Augustine Thunderbolts, 73-38 last Tuesday night in a prep league basketball game at Blair T. Hunt gymnasium.

Coach Bill Fowlkes' warriors were more than sufficient. They grabbed a 13-10 lead by the quarter. They sank six straight field goal attempts before missing one. John Gray, who ended up with 25 points to be the high man, and George Pivet, with 12, paced the attack. The Warriors enjoyed a 55-31 lead at halftime.

The Thunderbolts battled back playing inspired ball under the leadership of Willie Denton and George Ward, forwards. Denton turned in the usual brilliant play-making role and thrilled the crowd scrambling for the ball with his bigger foes on the field and under the basket.

Guard Howard Mathis, who performed admirably for the Warriors, pumped 11 points in and the Warriors were on a scoring spree that spelled finish for Coach W. P. Porter's Thunderbolts.

It was Washington's second league win and St. Augustine's second loss.

In a B game the Booker T. squad beat St. Augustine, 48-22.

**HAMILTON WINS**  
Hamilton High school breezed

past Melrose, 65-44 as K. C. Chandler, former star with the YMCA team dumped in 21 points. This game too was played at Blair T. Hunt gym.

Hamilton had a 23-12 lead at the end of the first period. Many of the fans who saw this same Melrose team overcome a 14-5 first period deficit and then beat St. Augustine High 49-45, thought that the Golden Wildcats might pull the game out of the fire but Coach Jesse Joseph's Wildcats were not having any of that.

Chandler, a dribble artist with a good push shot, put on a real show for the fans. Forwards Godell Bradley and Charles Bolden hit for 12 and 10 points respectively.

Despite his continuous shake-ups of the line up in the second period Coach Frank Lewis failed to get in a combination with sufficient defensive and offensive abilities to thwart the Wildcats. Melrose's George Martin laid in 16 points and Andrew Washington added another 12.

In a "B" prelim, Melrose thumped Hamilton 39-22.

### FOUR H'S ELECT OFFICERS:

Six 4-H Clubs in the county held their regular monthly meetings and elected officers to head and direct their club activities for 1956. Brunswick 4-H Club elected for president and secretary, John Wil-

lie Settles and Glenda Fay Guy, Barrets pres. and sec. Erma Ragland and Arnold Branch, Noah's Chapel Pres. and Sec. Allie Ray Douglas and Jean Mitchell, William Chapel Pres. and Sec. Melvin Lee Kilpatrick and Rita Kay Barrentine, Arlington Pres. and Sec.

Clara Bartlett and Madeline Hayes and Eads pres. and sec. Gracie Redd and Mary Helen Neal.

Many new members were added to these clubs. Any boy or girl between 10 and 21 years of age is eligible for 4-H Club work. Shelby County has a large enrollment of farm youths who are carrying productive enterprises such as: growing of field crops, poultry and useful enterprises such as: sewing, food preparation and health.

These activities are offered to boys and girls throughout the county under the supervision of their home and country agents along with the local volunteer leaders.

### MONTHLY GARDEN TIPS:

Both the adult and Jr. farmers are growing more garden conscious day by day with the beautiful bright sunny January weather, with the temperature reaching the 70's, I heard a farm leader remark as he went about his daily routine, "It seems like June in January."

Every successful gardener must think in terms of rich soil and soil can be enriched by the use of barnyard manure or by the use of 30 pounds of garden fertilizer the thousand square feet of space. This material should be plowed under. If soil is rich the rows can be placed closer together and this practice certainly will save much hard work in cultivation.

Many question have been asked about combining crops in 1 row. A gardener might do this very successfully for an example: If strawberry plants are set 3 feet apart, onions and radishes may be set in the same row between the plants.

A well planned garden program will supply the family with many meals of wholesome fresh vegetables that will play a great part in cutting the food budget. Food still remains the most expensive item we have to deal with. So plan to produce a real good garden this year also.

## Douglass High School News

By CLAUDIA MARIE IVY

On Thursday, Jan. 12, the Douglass PTA paid tribute to our own Will Kincaid who was selected by Radio Station WDIA as "Mr. Gridiron Greatest." The program was made a success by the following: Prelude by Nelson Jackson and our wonderful band, who played a medley which included an Overture entitled, "Victor Herbert's Favorites," Scripture by Rev. A. W. Williams, followed by the Douglass Glee Club singing the Lord's Prayer.

Mrs. Blondale Cross, PTA president, gave the introductory remarks and asked Kincaid to take his reserved seat on the stage. As Kincaid came forward, the student body and faculty arose and cheered him thunderously. The Glee Club sang "Rockin' Jerusalem" by John W. Work; Mrs. Laura Tyus gave remarks on Kincaid as a citizen. The Glee Club sang, "The Hallelujah Chorus" from the Messiah by Handel; Our former PTA president, Mrs. E. J. Neely, presented Will with a lovely token.

Will accepted the token with a very short but eloquent speech. **CERTAINLY RIGHT**

Don Kern stated that, "they went to all of the high schools searching for a 'Mr. Gridiron Greatest' and the only reason they came to Douglass was because Douglass had Will Kincaid."

And oh, how right he was! Remarks were made by our former principal, L. C. Sharp, and our own principal, J. D. Springer. Benediction by Rev. A. W. Williams.

**Plays Cowboy  
With Shotgun,  
Brother Slain**

A five-year-old boy was fatally shot Wednesday morning of last week by his 6-year old brother as they played "cowboy" in their Fouts Homes apartment.

Herbert Hoover was the victim. Police said Willie Hoover Jr., set off the 20-gauge shotgun blast which struck his brother in the head from close range. The accident occurred in the upstairs bedroom of their apartment at 601-D Lauderdale at 9:09 a.m.

The boys' father had kept the gun unloaded and tied in the closet out of the reach of the children. But the gun had been taken from the closet shortly before the shooting. A neighbor had borrowed the weapon to go hunting and returned it with a shell in the chamber, police said.

The tragedy caused Capt. W. W. Wilkinson of the Homicide Bureau to urge parents to put firearms behind locked doors and out of reach of children.

Members and friends presented Mrs. Davis with two bushel baskets of groceries and a cash donation. She has been confined since May 27, 1955 following a light stroke. She received these gifts with warm thanks and expressions of appreciation. The committee was headed by Mrs. Mary Gilmore assisted by Mrs. Martha Pulliam and Mrs. L. Bowles.

The group sponsored a Chattering Supper at the home of Mrs. Mary Gilmore, of 949 Texas, on Friday, Jan. 13, in behalf of the building fund of the Community Aid Assistance Mission.
