I-E-S Better Sight Lamps

give your EYES a balanced diet

You need a balanced diet of light to help protect eyesight, just as you need a balanced diet of food to maintain bodily health.

You cannot neglect any factor of good lighting without risking the penalty of eyestrain.

For example: a single, bright light on your book is not all you need for comfortable reading. Many a headache is caused by this improper method of lighting. For real eye comfort, you need light well distributed throughout the room, as well as ample light on your work. It must be properly diffused and free from glare—in other words, balanced light.

YOU GET BALANCED LIGHT WITH I-E-S BETTER SIGHT LAMPS

Eyesight specialists and lighting experts designed these lamps to provide the right kind of lighting for reading, study, card playing and all close work. They combine all factors of good lighting needed to help prevent eyestrain—proper intensity and diffusion of light; proper distribution of light; and freedom from glare.

ENOUGH LIGHT, to make seeing easier.
FREEDOM FROM GLARE, to relieve strain.
WELL-DIFFUSED LIGHT, smooth and restful.
WIDELY SPREAD LIGHT, giving you light where you need it.
DIRECT AND INDIRECT LIGHT, to reduce eyestrain.
BEAUTY—stately lines, graceful proportions.

INSIST ON THE I-E-S TAG on every lamp you buy—it assures you night saving light.

Charley Adams, State Patrolman, Shows New Squad Car to Murray.

Charley Adams, who was formerly constable in this county, and now a member of the state highway police, was in Murray Friday with one of the new squad cars, with which the state department is replacing the motorcycles used by patrolmen in the past.

The new system of patrolling the state will be much superior to the old in which headquarters was out of touch with the men on their motorcycles and if they located trouble it was just accidental.

Two men will ride in the squad cars and they will be in constant touch with state headquarters by radio. By this means, patrolmen may be instantly directed to any trouble spot.

Charley was visiting most of the towns in this district this week end in line of duty.

The Election?

Monday, November 2, 1936.—Tomorrow is election day and I believe Roosevelt will be re-elected President.

Mr. Ephram J. Miller is in town and says that Murray was only four years old when he was born in four miles of Murray. He is in his 91st year, active as a Methodist can be, and as happy as a Hardshell. We hope that he has, at least ten more years allotted him. Mr. Miller is very strong for Roosevelt.

Now if I am mistaken in the election come in and rag me if you are for Landon, and if you too are for Roosevelt, come in and console me.

Anyway, come in every time you are in town. It is a comfortable place to rest, get warm or buy what you want to wear.

Presenting the phenomenal facts about **GULFPRIDE**
THE WORLD'S FINEST MOTOR OIL

THE facts on this page sound hard to believe. But here is the reason why GULFPRIDE—and only GULFPRIDE—can accomplish such results...

Gulf begins with selected Pennsylvania crude, refines it to a motor oil that equals the best—then further refines it by the exclusive Alchlor process.

Only GULFPRIDE is made by this process—result of 15 years' research—the same scientific research that has made every Gulf product a leader.

Read the facts below. Then drain your dirty summer-worn oil and refill with GULFPRIDE now. At all Gulf dealers.

AN AMAZING TEST. Bottle No. 1 shows a mixture of 6 famous Pennsylvania motor oils. Bottle No. 2 shows them after being put through Gulf's Alchlor process. Bottle No. 3 shows the 20% waste removed from these already highly-refined oils by Gulf's Alchlor process. This process starts where others stop! That's why GULFPRIDE is the world's finest motor oil.

TOPS IN THE AIR—8 out of the 11 winners in last year's National Air Races used GULFPRIDE OIL, the "ideal" oil you can buy for your car at any Gulf dealer. This "aviator's oil" will take you farther before you need to add a quart than any oil you ever used!

THE U. S. NAVY specifications for motor oil, as well as those of all other government agencies, are bettered on every point by GULFPRIDE. For instance, this oil forms only 1/4 the amount of carbon allowed by Navy specifications. That's why GULFPRIDE almost completely banishes carbon cleaning.

GULFPRIDE
THE ONLY ALCHLOR-PROCESSED 100% PURE PENNSYLVANIA OIL

Marble is just plain marble... but skillful hands can give it value that is hard to measure in terms of money. In The Discus Thrower there is such a wealth of art, skill and character that for 24 centuries art students have studied this simple marble statue and tried to copy it.

Barley is barley and hops are hops. With yeast and water they can be made into beer—all kinds of beer. But, when brewing skill at its finest takes these ingredients in hand, the finished product can be counted upon to win the acclaim of all students of the art of good living.

JUST JOTS
By Joe

Someone asked me if I were going to attend the national fox hunt at Paducah. Replied, "No thanks, I'll do my fox hunting down around the Buzzard Roost where the hounds don't take off after a rabbit."

"Ship fly don't bother me!" Everybody is talking about this being the worst fall for flies in the history of Murray. And nobody likes 'em. Spray 'em and swat 'em and still they buzz around and tickle your nose just as you're trying to concentrate on something you think is important whether it is or not.

Activity was almost suspended everywhere Tuesday as folks went home to vote and came home to cast their ballots in the Presidential election.

Senator Stanley said he just felt it in his bones that Roosevelt would win. Probably by the time this spin your hands we'll know how to rate the Senator's bones are. He's been around long enough to feel 'em right.

Nearly everything of importance that happens in Calloway county is recorded permanently in The Ledger & Times.

Mrs. Simpson claims there was "another woman." Well, Mr. Simp-

son had to find another if he wanted one at all for the missus always seemed to be "somewhere else."

Quintuplets and sextuplets popping up all over the world suggest that it doesn't so much matter how many a woman has at a time as how she raises what she does have.

The mercury column has gone up and down like an elevator this year.

The Mine Workers dug for Roosevelt in the campaign just concluded.

Britain's national anthem is "God Save the King" and most of the loyal subjects seem to be trying to rescue him from Wally.

Bank deposits are the highest in history. Yet, Al says the New Deal has retarded Recovery. If it had come on any faster it would have crushed lots of people by sheer speed.

Every father and mother can well appreciate the reaction of Marvin Parks who was so overjoyed at finding his little four-year-old son safe and sound that he forgot all about the financial loss of a barn containing four acres of fine tobacco which was set on fire by the youngster "helping his daddy."

Master Swann Harris was manfully trying to get the leaf fired when two men firing sent the barn and all up in billows of fire and smoke. The only concern of the

parents was a frantic search for the child, first believed to be lost, and when he was found they were swept into transports of joy and complete forgetfulness of the loss of the fine, uninsured leaf.

Senator Barkley thrives on hard work. He doubtless made more speeches in the campaign just over than any other one man. And the longer he spoke the better and more vigorous he looked.

Calloway county people will always turn out to hear Barkley. He has always been a prime favorite here.

Esquire J. A. Ellison, who has been voting the Democratic ticket about as long as anybody in this county was right on a front seat as usual. "Squire said Monday that it wouldn't take an alarm clock to get him out of the bed Tuesday morning to vote square under the Rooster. He always hears that Rooster crow early."

Rainey Wells, who lives out Nebraska way now, says in debates with former Governor and Senator Allen of Kansas Barkley just "ate him up blood raw."

Not only in his home balivick, where he has always been a favorite, but in Democratic circles throughout the nation, Barkley is being strongly talked as the Democratic nominee for the Presidency in 1940.

Faxon School News

Athletics

Last Wednesday saw the completion of our gymnasium floor. The large group of candidates who had responded to Mr. Walton's call for players, worked out for the first time Thursday. The Cardinals will open their season Friday night, November 6, against the Gilbertsville Yellow Jackets at Gilbertsville. The first home game of the season will be with Kirksey, November 25.

Fiddlers' Contest

Saturday night, November 7, a Fiddlers Contest will be given at Faxon. The prize list is as follows:

Best French Harp player, first prize, \$50; best banjo solo, first prize, \$100; second prize, \$50; best vocal quartet, first prize, \$200, second prize, \$100; best fiddler playing any two selections: first prize, \$250, second prize, \$250, third prize \$150, fourth prize \$100; best Hawaiian guitar with accompaniment: first prize \$100, second prize \$50; fiddler playing in most positions, 50c; best band, 3 or more instruments: first prize \$200, second prize \$100.

The admission will be 10 and 15c and the music will start at 7 o'clock. Come and enjoy the night.

First and Second Grade

The first and second grades made Halloween costumes and paraded through the other rooms. After the parade they played in their own room and passed games. They made Halloween posters and decorations for the windows.

Jean Towery, a member of the second grade is very ill and has been in the Clinic for about a week.

Third and Fourth Grade

John McClain Biele was enrolled in the fourth grade this week. He came from McCuiston school. The third and fourth grades are very busy with their class work.

Next week the fourth grade will start making booklets for their

collection of poems. The third and fourth grades received a lovely bouquet from Mrs. Hardy Owen, which was greatly appreciated.

Fifth and Sixth Grade

We were very busy last week preparing for tests. We finished Thursday, and received our grade cards Friday. The ones on the honor roll were as follows: Sixth grade: James McDaniel, Edward McClure, Neil Colson, Ruby Dyer and Margaret Roberts; Fifth grade: Joe Ragdale, Rieck Clark, Robert Thompson, Marshall Brandon, and Bernice Carraway.

The fifth and sixth grade has joined the Junior Red Cross. This only cost each room 50 cents and they will receive a Red Cross Magazine for nine months. Fifty cents isn't much and that will relieve much suffering—Margaret Roberts.

F.F.A. The Future Farmers, under the direction of Mr. Walton, have been busy for several days working on a new bookcase, which will replace the old ones in the study hall.

Some of the debate material was received last week and most of the debaters have started working on the subject for this year—Wilson Grant.

Lee Scholes is visiting his daughter at Toledo, Ohio.

Mrs. Joe Wesson and Mr. Wesson contemplate a three week's stay way down south in Florida, where the birds are singing gayly.

Morris Bucy and family, who have been in Detroit for the past 11 years, have moved back to Murray, their old home town.

Mrs. Ida Cochran was overcome by high blood pressure and was carried to the hospital for temporary treatment. She is now at her home under the care of Dr. Stark.

Will Palmer of Memphis, Tenn., was visiting in Murray Saturday and like Japs-Sexton is still reading "Old Eagle" letters—if he has nothing else to do.

In my last week's L. & T. I read "A Boone county farmer is fattening 200 sheep on distillery slop." Not one fellow out of 50 knows what that means. Ask two Jim Baileys and me.

When the election is over, and votes all counted, then harmony and tranquility I hope and beg will reign. Mollie here, what are you doing there? Running through the cotton patch, hard as I can "tare."

Virgil Cochran cranked his auto in low gear, brakes off. Well, she went on a wild stampede alone, without chart or compass, went thru two wire fences, tore an apple tree up by the roots, barely missed Will Kirkland's team of mules hitched to hay bailer, circled around and came back going 30 miles an hour; no one in it struck a big tree and tore the car "bosshy" up, rock, stock, and barrel!

"Old Eagle" is now a "granulate." Last week I head Ledger & Times, Mayfield Messenger, West Kentucky, Las Vegas Journal, San Antonio Express, Sun-Democrat, and Nashville Banner—and ladies and gentlemen what I don't know is not worth telling—"Eagle."

Rev. J. E. Skinner Goes to Auburn, Ky.

The Rev. J. E. Skinner, former pastor of the First Baptist Church, Murray, has accepted the pastorate of the First Baptist Church at Auburn, Ky., and has assumed his new duties.

The Rev. and Mrs. Skinner have been making their home in Jackson, Tenn., for the past year, since he resigned as pastor here, being succeeded by the Rev. Sam P. Martin.

Brother and Mrs. Skinner have a host of friends in the city and county who wish them success and happiness in their new work.

Gough Offers Aid in Paducah Vice Drive

Galen Gough offers aid to Edwin J. Paxton, publisher of the Sun-Democrat, in his moral stand against vice and gambling. We are of the opinion that gambling dens and places of corruption would meet with a difficult situation if Gough went to the task of closing down a joint.

Galen told us this morning that he would welcome the opportunity to fight against the element which took advantage of his exuberance of youth and was responsible for creating for him the reputation of being a "terror." Although the writer has been a friend and personal acquaintance of Galen Gough for years, he is of the opinion that his past reputation has been grossly exaggerated, for without a doubt Galen Gough is a man of gentleness and consideration for anyone treating him right.

However, we also fully understand why Galen passed the following remark this morning: saying—"The only way to keep young men out of trouble is to remove the cause of their vice."

He permit a young man to associate with the right people and he will naturally become evilly inclined. . . . no young man has any business gambling, drinking and trying to be tougher than the next fellow—I just forgot the sense of decency and respect, because of the inconsideration of others, because of environment and not following my parents' advice. Therefore, it is important that one associate with the right people and if there are no dens of vice, then there will be no "terrors."

Just as we said, "Galen will not disappoint Mr. Paxton." Many young men could profit by Galen's reformation. Intemperance never pays. We will watch with interest the Sun-Democrat's account of Galen's work there. The Ledger & Times will give a review of the week's news—watch for it!

Rev. Blankenship filled his last appointment at the church Sunday. We sincerely hope that Rev. and Mrs. Blankenship and family will get to return to the Almo circuit for the coming year.

Mr. and Mrs. Leon Burkeen have moved near the school.

Mr. and Mrs. Genie Jones have moved to their new home near the church.

Mr. and Mrs. Ben Schroeder and family have moved to their old home place.

Hendrix Burkeen went to Paris last Saturday on business.

Relatives of Mrs. Lena Haley gave her a surprise birthday dinner Sunday. Those present were Mr. and Mrs. J. A. Chapman, Mr. and Mrs. Rob Jones, Mr. and Mrs. C. W. Haley, Joe Rob Haley, Charline Haley, Myrtle Chapman, Franklin Jones, and Mary Frances Jones.

A large crowd attended our Halloween program last Friday afternoon. We had the room beautifully decorated with witches, black cats, jack o' lanterns, scarecrows, fall flowers and red and golden autumn leaves.

Laura Burkeen was ill Wednesday and Thursday of last week.

Franklin Jones, William Glen Burkeen, and Pattie Lou Smith visited school Friday.

Honor roll is as follows: first grade: Mary Frances Burkeen, Mary Alice Nannay, Pauline Hill; second grade: Alfred Duncan; third grade: James Duncan; fourth grade: J. C. Schroeder; fifth grade: Birdeen Duncan and Molene Peeler; seventh grade: Albert Nannay and E. G. Chapman.

Almo High School

The first basketball game of the season will be played at Almo Friday night, November 6, on the Almo floor between the Black and White Warriors of the home school and the Hazel Lions of Hazel. As each team suffered a heavy loss of last year's squad members, the game seems to be a toss up, with little being known of the strength of either team.

The following students are to serve as characters in the senior play, to be presented here Saturday night, November 14: Leon Beale Jr., James T. Roberts, James Stroud, Boyd Linn, Charles Johnson, Cecil Taylor, Phlenoy Bedwell, Clarice Grogan, Kathleen Brown, Halge Hargis, and Haline Lasten. This is a four-act comedy drama with lots of fun. Your sides will burst when you see and hear Charles Johnson in playing the role of Silas Wilder. You will laugh as you have never laughed before when you hear Phlenoy Bedwell trying to propose to Kathleen Brown. He is playing the part of Archie Featherhead and she, that of Rose Wilder. Don't forget the date—November 14.

Miss Halene Hatcher Is on State Program

Miss Halene Hatcher, daughter of Mr. and Mrs. W. T. Hatcher who live near Elm Grove, is on program of the Kentucky Council of Social studies, which meets in

Bowling Green, November 6-7, Miss Hatcher will speak on "The Value of the Drama in the Teaching of Social Science".

Miss Hatcher, former Calloway county and student of Murray College, received her A.B. degree from Murray in 1930. In 1932 she received her M.A. from Peabody College in Nashville. During the summer terms of 1934-35 Miss Hatcher taught geography in Murray State College. She is now teaching in Washington Junior High School of Paducah.

47 Calloway Students on M.S.C. Honor Roll

Forty-seven students from Calloway County were listed on the Honor Roll for the 1936 summer semester at Murray State College, according to a list released by Mrs. Cleo Gillis Hester, registrar.

To be listed on the Honor Roll, a student must have scholastic standing of 2.2 or higher. The standings are computed as follows: A counts 3; B, 2; C, 1; and D, 0.

President J. H. Richmond offers congratulations to this county for the high type of work that has been done by students of that county. He is inciting other students from that vicinity to avail themselves of the opportunities afforded by Murray State College.

Students will register for the spring semester February 1, 1937.

One of the outstanding features of the fall season at Murray is the football game here between the Murray Thoroughbreds and Western Hilltoppers Saturday afternoon, November 21.

Havens To Preach at Revival Here

The First Christian Church will be led by the minister, A. V. Havens, in a two weeks revival meeting, beginning November 22, it was announced last Sunday afternoon following the regular meeting of the church board. The services will be held each night at 7:15, with no services on Saturdays.

C. H. Redden, chairman of the church board, stated, "Our minister has the whole-hearted support of every member of the church board." Another board member, C. H. Moore, church treasurer, exclaimed in a brief statement, "Our church is ready for this revival, now, in a big way."

According to Mr. Havens, the three series of sermons now in progress will not be interrupted by the revival meetings but will be intensified by them. The meetings will bring to a triumphant conclusion, the Ten Weeks Loyalty Drive, now in progress in the church and during which the church is enjoying the largest crowds at all services in its history.

The Healing Gospel to "The Sorrowing" will be the minister's sermon, next Sunday night. This will be the sixth in a series of sermons based on The Healing Gospel, in which an attempt is being made to show how religion, enforced by psychotherapy and the psychology of personality adjustment is making available, today, the healing ministry of Jesus.

"As long as human beings live together, there will always be sorrow," Mr. Havens stated. "If we have not yet been visited by sorrow, then we may look forward to it," he continued. "Just as it is too late to think about insurance when your house is on fire, so it is somewhat tardy to start looking for something to sustain you after sorrow has already fallen upon you."

Many lives have crumbled before sorrow and have never been able to recover from it. This sermon, he said, "will deal with both the cause and cure of sorrow." The service will begin at 7:30, Sunday night.

"Heart Affair," will be the sermon at the morning worship service, continuing the series of sermons on, "Modern Problems and the Prophets."

The services will begin at 10:45, Sunday morning. The rich musical program will be presented by the trained chorus choir, directed by Everett Crane.

The Sunday School will begin at 9:30, Sunday morning. A nursery department is available to all parents during both the Sunday School and Church services. The Young People's Society of Christian Endeavor will meet at 6:30, Sunday evening.

The minister will lead the Mid-week meeting, Wednesday night, at 7:15. His subject will be, "Man's Relationship to God and Christian Character."

PRESBYTERIAN CHURCH

War clouds backen many skies, Italy drafts her eight year olds and sends their fathers to find a "piece in the sun" for Mussolini. Japan stocks with bloody boots into North China. The Fascists storm Madrid and Spain's Civil War threatens to become an international conflagration. America spends a billion dollars (\$1,000,000,000)—three times her 1913 military budget—preparing for the next conflict. Unable yet to promote such a plan in continental United States, we sharpen the "Spearhead of Our National Defense," the Philippines, by having compulsory military training for every boy and girl aged 10 or above. "To Arms! To Arms!" The cry rings around the world. Dare Christians render to Caesar the things that are God's? "To Arms!" Yes, but "To Arms for Peace."

Tardily I express congratulations and heartfelt good wishes for Mr. and Mrs. Edgar Farris. "Miss" Sallie is the best English teacher in the County system, both from natural ability and a lifetime of training. She is a central member

of the stable, superior faculty of Lynn Grove, and her going will be a distinct loss to the entire county system of education. But important as is her teacher's work, she will as a minister's wife be enabled to experience a richer fullness of service and sacrifice.

Brother Edgar was a serious, earnest lad and he has prepared himself for his mission. He and I were fellow students in the upper grades at old Bethel school, under Bertram Bristford and R. T. A. Braswell. His maternal and my paternal grandmothers were of the Miller and Holland families and cousins.

Mr. and Mrs. Fred Collier, assisted by Mr. and Mrs. J. H. Walston, entertained for their daughter, Miss Virginia, with a masked party on Halloween. The young folk report as, hilarious time.

Neighbors have been spelling the families in sitting up with the two aged men of the community who have been so very sick. Mr. S. Giles, who has a heart malady, is somewhat better, but Mr. H. L. Drennon's rheumatism is worse again.

Little Dewey Gene Towery continues very low at the Clinic Hospital, we understand.—All.

Red Cross Roll Call Begins Armistice Day.

In a few days our nation will celebrate the day which marked the close of the cruel and ruthless World War. The horrors and sufferings of that conflict are beyond words to describe. We shall be happy as a people on Armistice Day when we recall the date which signifies the end of distress and human misery in war.

Yet, in time of peace, individuals and groups of individuals are beset by the ravages of disease, or storm, or flood. They suffer. Where is help to be found? Who will answer the cry of distress? To whom can they turn for ministrations of the necessities of food, raiment, or medicine, which mean the difference between life and death? At such times the AMERICAN RED CROSS stands ready to help.

On November 11, persons who are willing to devote some of their time to a worthy cause will canvass the town and county. The members of the committee of last year are being asked to serve again. Any and all volunteers are welcomed. The first meeting of the workers will be held in the study of Bro. O. A. Marrs on Monday p. m. November 9 at 3:30.

It shouldn't be necessary to have to spend time educating our citizens to the value of the Red Cross to our society. It is recognized by all as worthy of support. Our quota for this year is reasonable. There is no need for long drawn-out "ballad" Red Cross campaigning. Have your dollar ready when the worker comes with your pin—JOIN THE RED CROSS.

112,000 Roosevelt
Lead in Kentucky

LOUISVILLE, Nov. 4.—President Roosevelt leading in all Kentucky's Congressional districts except the Ninth, had 336,527 votes to 224,323 for Gov. Alf M. Landon of Kansas, on reports today from 2,506 of Kentucky's 4,299 precincts. Roosevelt's lead was 112,204.

The totals included reports from every county except Clay which did not start tabulation until this morning. Of the 119 counties included in the totals 60 were complete. Clay and Jackson, both in the Republican Ninth, were the only counties which did not make a report last night. Tabulation was started last night in Jackson, but the wires were down.

MEMORIAL BAPTIST CHURCH

The Sunday School copines at 9:30 a. m.

Morning Worship at 10:45 o'clock.

The pastor's subject will be "EVANGELISM." What is evangelism? What place must the evangelistic spirit have in the life of the church? What is to be our message in evangelism? Does true evangelism include more than the mere making of disciples? What are the methods of New Testament evangelism? Has the day of mass evangelism passed? What of personal evangelism?

Evening Worship at 7:15 o'clock.

Pastor W. C. Pierce, First Baptist Church, Callettsburg, Ky., will preach. Brother Pierce is one of our beloved and faithful pastors of the state. He will be in Murray Sunday enroute to the General Association at Paducah next week. Our people are urged to give him a good hearing Sunday night.

Prayer meeting each Wednesday

evening at 7:15 o'clock. The Teacher's Meeting comes at the close of the prayer service.

Our annual fall revival begins with our services next Sunday. Dr. E. C. Stevens of Louisville, Ky., will arrive in Murray Monday afternoon, November 9, and will speak twice daily through November 20. All of the people of Murray and Calloway county are cordially invited to these services. Dr. C. Stevens is one of our best preachers.

Obituary

Mary Alice Wicker was born December 18, 1865; after living here 70 years, 10 months, and 8 days she was called to her Heavenly home on October 26, 1936.

She was married to R. C. Spann September 29, 1882. To this union two children were born, one dying in infancy and the other, Alma Bogard, lived until last May.

"Aunt Alice," as we called her, professed faith in Christ at an early age and united with the Methodist Church at South Pleasant Grove where she lived a faithful Christian.

God has called her home where all is joy and peace and no sadness ever comes. Truly can it be said that for her to die was gain because of the great things that are now hers. She was a good neighbor and a friend to all who knew her.

She leaves her son-in-law who was so kind and faithful until the end and many other relatives and friends to weep over her going away. She died on the farm where she was born.

May God's richest blessings rest on all who were so kind and faithful to her.—Written by Friends.

SMITH GOES TO DETROIT TO INSPECT 1937 FORD

Robert Smith, left today for Louisville and Detroit to join 7,000 Ford dealers from the United States and Canada at the biggest gathering of Ford dealers ever

held in the history of the company to see the first exhibition of the Ford V-8 for 1937.

The meeting will be held Friday and the dealers are also invited to the presentation to Mr. Ford of the 300-year-old Cape Cod windmill in historic old Greenwich Village.

The highlight of the session will be the presentation of the new cars. Their lines will be disclosed for the first time as the new cars, of all body types and in all colors, are driven into the coliseum and around the arena. A presentation of the new car features, carried out with the aid of giant models, in a setting designed by Walter Dorwin Teague, noted industrial designer, will follow. The meeting will be adjourned at noon for luncheon which will be served at the Dairy Building in the State Fair grounds.

COUNTY AGENT NOTES

Supervisors are completing 1936 Record of Performance on the Soil Conservation Program this week. They are working out in the county Wednesday, Thursday, and Friday. After Friday all persons who have not finished will have to come in to the County Agent's office. Cards have been mailed to all producers with work sheets telling them where to meet the supervisor. Compliance forms will be returned to the office at Murray, Saturday morning.

After the clerks have time to complete office procedure the producers will be notified to appear before the committee with all the 1936 tenants, share-croppers, or any other person growing crops on their land and sign the application for the grant. This will be the final job before the check is received.

The County Agent is preparing to have a fine educational motion picture at all the consolidated schools and at the courthouse at Murray. Final dates are not arranged but notice will be given through this column. Men, women and children are invited to attend. Other points of interest will be given too. Go and take your friends.

Attention 4-H Boys and Girls. Did you know that the vice-pres-

ident of the Kentucky State 4-H Club organization had moved to your county? Miss Mary Clark Carman, daughter of Prof. A. Carman at Murray State College, was elected to this office in June of 1936 to serve in this office until the following June. She is an outstanding club member and will be on the Achievement Day program.

Don't fail to hear her tell what she has done to prepare herself for this honored office in Kentucky 4-H Clubs.

Obituary

Mrs. Elsie Wyatt Scott was born August 6, 1868, departed this life November 1, 1936; age 27 years 2 months and 23 days.

She leaves to mourn her death her husband, Jesse Scott; two children, Marjorie 8 and Charles 3; her mother, Mrs. Alpha Wyatt; father, Finus Wyatt; two sisters, Mrs. Clara Hutchins and Mrs. Rubie Tucker both of this county; four brothers, Clarence of Grubbs, Ark., Boyd of Natchez, Miss., Delus and Ora both of this county; a number of aunts and uncles and a host of friends.

She professed faith in Christ at an early age and united with the Russell's Chapel Methodist Church, living a true Christian life until the death angels called her home to rest. She was a kind and affectionate wife and mother and made the path of others brighter by her never-dying smile.

Weep not dear ones for tomorrow we will meet her around the great white throne of God where sickness, sorrow, pain, nor death will never come.

A precious one from us has gone. A voice we loved is still; A place is vacant in our home where never can be filled.

Funeral services were conducted by the Rev. L. D. Wilson from Poplar Springs.

Halloween Party

The Halloween party given Saturday night was a success. An enjoyable program was given and almost everyone took part in the various games and contests. The apple eating contest was won by Lynn Lawson. Mr. and Mrs. Jim Washer won in a contest called "Going to Town." The prize for the best costumed couple went to Neva Sanders and Anna Lou Hanley who were dressed as "Grandma" and "Granpa."

The father and son basketball game was won by the fathers. The score was 16-13. It was a very close and interesting game. James Washer was the outstanding player on the "Sons" side, making eight points. Jim Washer and Ogie Greenfield were the outstanding players on the "Fathers" side.

Forty-seven persons visited the "House of Horrors." They all came out laughing at each other about the way they responded to the shocks and scares. Everyone seemed to have a nice time and went out of the auditorium planning more fun for the night.

The young people were very considerate of the teachers and parents this year and no harm was done to the school building, but the fun came when we got to school Monday morning and a hay rake was setting on the porch in front of the door.

The first basketball game of the season was played here Friday night with Farmington. The Eagles won the tilt, 40-13. The second team was also victorious. The Kirksey Pep Squad showed great organization and pep in its initial appearance.

Campfire News

The meeting of the Campfire Girls was turned into an entertainment for the members last Wednesday. The program committee

was composed of Reva P. Farless, Imogene Dulancy, Dorothy Stark, and Elizabeth Lawson. They wrote on small pieces of paper something for each member to do, and passed around a hat containing the papers. Each member did what was required of him for if they don't they have to pay a fine. We also took the word Halloween and tried to see who could make the most words out of it. Five minutes was given for this. Ailee James won the contest and was given a prize. Everyone seemed to enjoy this program and our meeting was over before we were ready to go. We also selected Mary E. Johnson, Marcille Riley, Ruth Hanley, and Jerry Hurt for our next program committee. Some new yells and songs are going to be learned by the Campfire Girls' pep squad.

Heath School News

We have just finished our fourth month of school and everyone is doing splendid work. Those on the honor roll for fourth month are: First grade: Thomas G. Bell, Berline Stark, Mattie Lou Norsworthy, Mary Elizabeth Swift; second grade: Betty Ann Hargis, Mildred Norsworthy, Mahalle Bell, Dorothy Nell Russell, Huntly Manning; third grade: Glen Hugh Ross; fourth grade: James Hargis, Osie Bell, Maude Ross, Virginia Ross; fifth grade: Boyd Norsworthy, Wendell Norsworthy, Z. B. Russell, Henry Edward Treas; seventh grade: Roy Rose, J. B. Crisp, Wade Copeland.

We played Kirksey's eighth grade two softball games and lost both times by one point each.

We started playing basketball last week and hope to have a nice team. We would be glad to play some of the other schools in the county.

COUNTY NET FIVES OPEN SEASON PLAY

Lynn Grove Wildcats to Meet Kirksey Eagles, Hazel at Almo Friday Night

With King Football trying to steal Queen Basketball's "razzle-dazzle" style of offense, the Calloway high school net teams open county play Friday night with four old rivals of the netting on schedule. Kirksey's Eagles, who swept through county, district and regional play and went down in defeat only to the state champions of 1936, will meet Lynn Grove on the Wildcats' hardwood Friday night. The Hazel Lions will journey down to meet the Almo White and Black Warriors to renew acquaintances the same evening.

Kirksey, paced by Ned Washer at center, defeated Farmington high school 46-13 last Friday night in an out-of-county tilt while Lynn Grove met Heath at Heath for its initial clash of the season.

Faxon's Cardinals have been delayed in practice with a new floor being put in their gym, but are now well under way. New Concord, who put the Eagles to a test in the county contest last season, are working steadily and another light but speedy quintet is expected from that part of the county.

Coach Cliff Thurman's Training School team is being built from the floor up and the strength of

Defeated Thoroughbreds, Tigers Turn Faces Toward Tilts Away This Week

Douglas High 11 Saves City's Winning Record Here

Defeated on foreign fields, the Thoroughbreds and the Murray High Tigers turned their backs on the past and their faces hopefully toward this week's games, which also will be played away from home.

Many Murray fans made a double-header of Friday, going to Fulton that afternoon, where the men of Holland were defeated for the first time this season, 2-0, and then went on to Dyersburg, where the Racehorses were mired, 19, to 7, by a rough and tough Union University Bldg. eleven. Consequently, the fans who made the long, mournful trip returned home the wee, small hours of Saturday morning with doleful countenances.

Holland's boys, reported not to be playing up to their usual reputation for dash and pep, got by the first half, but in the second quarter Fulton struck twice, both with passes, for touchdowns.

At Dyersburg, the game was so rough that three valuable Murray players are lost for the season. Joe Herndon, seasoned and dependable end, had his jaw broken on both sides when a Union player collided with him as he was going up for a pass. Casey Organ has a muscle torn loose from his shoulder and Benny Cook suffered a broken shoulder. It is doubtful if any of these men will play any more for the Blue and Gold as all three are seniors.

Only Douglas high school maintained Murray's reputation for winning. The boys turned back Henderson, 29-7, in a thrilling game which was well attended by the white people of the town. Henderson's only score came on an intercepted lateral. The colored students showed their white cousins how to put on genuine pep rally when they met the city Thursday afternoon before the game, with a colorful procession of cars.

This week, the Racehorses go to West Tennessee where it is expected that the opposition will not be so tough. The sophomores, who distinguished themselves at Dyersburg will get plenty of opportunity to show their stuff, with the older players crippled up like they are. McRaven showed great promise and Bill Thompson was declared the individual star of the Union game.

Ty Holland's boys, believing they carelessly lost to an inferior club at Fulton, are determined to get back in the conference race by trimming Morganfield here Friday afternoon. The college game will be Saturday afternoon.

Nat Houston Dies In Dyersburg, Tenn.

Mr. Nat Houston died Tuesday night in Dyersburg, Tenn. He was reared in Graves county and at one time made his home in this county where he has many friends.

Mr. John Houston, Mr. Bob Houston, and Dr. and Mrs. E. B. Houston attended the funeral.

WRIGHT HEADS "M" CLUB

Homer "Pete" Wright, Union City, Tenn., was elected president of the "M" club of Murray State College at a regular meeting Tuesday, October 6. Other officers elected were: Casey Organ, Morganfield, vice-president; Charles T. Yarbrough, Murray, secretary-treasurer.

COLLEGE STARTS HOME CLASSES

Instituted Saturday for First Time in History by Dr. Richmond

For the first time in the history of Murray College, part-time residence classes were organized here Saturday morning, October 31, in the office of President James H. Richmond. Students from Murray, Paducah, Hazel, Paris, Mayfield, Beaton, and neighboring cities are taking advantage of the opportunity to secure residence credit in these "Saturday Classes". Others are invited to enroll Saturday, November 7.

Dr. G. T. Hicks, head of the education department at Murray State, assisted in organizing two "education" courses: Education 210, Teaching of Reading; Education 200, Psychology of Adolescence. Both are 3-hour courses.

Mrs. M. E. M. Hall organized one course in art, Art 203A, History of Painting (3 hours). Dr. Herbert Drennon, head of the English department, announced that English 206, Teaching of High School English, had also been organized. Miss Mildred Beale will have charge of the course which carries 3 hours credit.

Miss Alice Keys, administrative secretary, said other courses would probably be organized in social science and mathematics. She advised that students may enroll next Saturday, November 7, at the regular meeting time, 8 and 10 a. m.

Two "study center" courses have been started at Paducah: English 201B, Victorian Poetry, taught by Dr. Herbert Drennon on Tuesday and Thursday, 4 p. m.; and History 234, History of the Renaissance, taught by Prof. G. C. Ashcraft on Monday and Wednesday at 4 p. m. Both classes are taught at Carnegie Library, Paducah. Students in these courses will receive standard college credit.

Coldwater Junior Hi School News

We were very busy early in the week putting in new window panes, new stove pipes, and preparing in every way for old man winter's icy breath. The school house is now quite snug.

Our basketball team played a practice game with Lynn Grove's second team Tuesday night, October 27. The score was 28-19 in favor of Lynn Grove. Nevertheless, we are well pleased with the showing our boys made. The score at the end of the first half was Coldwater 3, Lynn Grove 19, then in the last half our team settled down and showed the true fighting spirit making 16 points to Lynn Grove's 9. The boys tried hard but were seriously handicapped by the absence of two of our best players. The women's club house on the southeast edge of the school campus is nearing completion at the hands of the members of the Coldwater chapter of the W.O.W.

We have had many compliments on our Halloween carnival. We had a nice crowd and a large number of them were in costume. The entertainment was in the form of booths which were as follows: house of horrors, men only, women only, airplane ride, house of wonder, bathing beauties, fortune teller, and fishing pool. The fishing pool and "Madame Astrology" fortune-telling booth were the favorites, we also sold candy, pop, popcorn, etc.

A prize was offered for the best costume person. Tommy Cochran, dressed as a negro mammy carried off all honors.

Utterback School News

The seventh grade pupils are working on their English booklet. Billie Williams won the prize for the best costume at the Halloween party.
