Record 1958 Crop Production Seen By Agriculture Dept.

The government reports that
1958 crop production appears
likely to equal—if not top—the
record volumes harvested in
1949, 1956 and 1957.

The Agriculture Department
gave this picture of prospects.
Its report emphasized that gen-
erally favorable weather and
further advances in agricultural
technology promise to offset ef-
fects of retirement of cropland
under the soil bank program and
other surplus control measures.

Featuring the outlook is the
second largest wheat crop of
record. Such a crop would bulge
surpluses of the grain to a new
high level unless unforeseen mar-
ket outlets develop.

The report said crop growth
through June and early July was
mainly favorable despite some
local flooding or other storm
damage.

On the basis of conditions
early this month, the indicated
crop volume was 106 per cent of
the 1947-49 average. Officials
said favorable growing and har-
vesting conditions might well
show this figure to a new re-
cord. The average acre yield, con-
sidering all crops, seems likely
to pull ahead of last year's re-
cord.

Winter wheat is setting a re-
cord. The corn crop now looks
slightly smaller than last year
but well above average.

The department said livestock
conditions generally remain ex-
cellent with little drought pres-
sure to disturb marketings.

Funeral Home Soon to Mark 33rd Anniversary

The Filbeck-Cann Funeral
Home of Benton is approaching
its 33rd anniversary in the fu-
neral business.

It was in October of 1925 that
Mr. and Mrs. Fred Filbeck en-
tered the funeral business with J. P.
Put Stille under the firm name
of Filbeck and Stille.

Two years later, the Filbecks
purchased the Stille interest.
In 1936, Mr. and Mrs. Filbeck
built the first Funeral Home in
Marshall County. It was known
as the Filbeck Funeral Home.

In November, of 1938, Otto
Cann became a partner in the
business and the firm name was
changed to the Filbeck and Cann

The funeral home's pledge for
the future is to continue to grow
and to keep step with the pro-
gress of this community and to
keep the faith and confidence of
those whom it serves.

If you have any questions or
need any advice concerning fu-
neral services, you may consult
with Filbeck and Cann without
obligation. They invite you to
visit their modern funeral home
at any time.

Will Draffen of Route 2 was
in town Friday on business and
while here subscribed for the
Marshall Courier for a year.

John Ed Barnes of Route 3
was a business visitor in Benton
Friday.

Mr. and Mrs. Albert Dowdy of
Route 1 were shoppers in Ben-
ton Friday.

20 YEARS AGO

From The Courier
Files of 1938-39

Two new fire trucks had arrived at Gilbertsville for use of the TVA while constructing Kentucky Dam.

And the TVA was seeking housing for workers coming to Marshall County to help build the big dam.

A Bible Institute was being held at New Harmony.

Among the speakers were A. M. Johnson, J. W. Kloss, R. F. Gregory, Sam P. Martin, P. E. Chandler, Robert Guess, Huey Burgess, Tildon Garner, J. J. Gough, B. R. Winchester, L. N. Niley, W. M. Horton, Galen Hargrove and H. W. Hargrove.

Rev T. L. Campbell was pastor of the New Harmony Baptist Church, scene of the institute.

The REA had announced plans to spend \$219,000 on new construction in Marshall, Calloway, Graves and Fulton counties. Lines were to be built in Marshall County from Brewers to Benton.

Floyd Roberts, a member of the firm of Roberts and Sutherland, had purchased the Riley and Wolfe Grocery Store. The deal brought to two the number of grocery stores operated by

Mr. Roberts. H. A. Riley and Max Wolfe were getting out of the grocery business.

Aurora had suffered considerable damage from a windstorm. Several farm homes and barns were damaged. The storm also destroyed a barn on the farm of W. M. Daugherty of Hardin Rt. one.

The Benton Theatre was ballrooming the coming to Benton in the flesh of a movie star—Billy Barty, a youngster featured in "Our Gang" and "Mickey McGuire" comedies.

The ad said it was the "largest and most important stage attraction ever brought to Benton." That's what it said.

Nine Marshall County students enrolled at the University of Kentucky were home for summer vacations. They were G. M. Bondurant, Elbert Cooper, Joe Creason, Milton Hawkins, Clint Kames, Alvin Duke Jr., James King, Keith Pace and A. Howard.

Fire had destroyed the Ben Karnes home located near Paducah. Cause of the fire was not determined. The family was working in the field when the fire broke out.

Births included a daughter for Mr. and Mrs. Earl Walker; a son for Mr. and Mrs. Robert Hendrickson; and a daughter for Mr. and Mrs. Loy Pugh.

Deaths included J. M. Johnson, 82, a prominent Benton citizen who had been in the milling business here for many years.

Also Miss Mary Minnie Luten of Calvert City Route 2. She was 68.

Also the infant son of Mr. and Mrs. Lewis Copeland of Benton Route 1.

And that's all the old-time news for now. Be with us next week.

ASC News & Facts

BY ROBERT RUDOLPH

The U. S. Department of Agriculture has announced that shorn wool payments for the 1957 marketing year under the wool incentive program will amount to 15.5 per cent of the dollar returns each producer received from sales during the 1957 marketing year. This will result in an incentive payment to producers of \$15.50 for every \$100 received.

The USDA also announced that the payment rate on sales of unshorn lambs to compensate for the wool on them will be 33 cents per hundredweight of live animals sold. This payment is designed to discourage unusual shearing of lambs before marketing.

Because the average mohair price of 88.6 cents per pound received by producers was above the mohair support price of 70 cents per pound, no payments will be made on mohair sold during the 1957 marketing year. County Agricultural Stabilization and Conservation, (ASC) offices began making payments soon after July 1. The payments will be made only on shorn wool and lambs marketed between April 1, 1957 and March 31, 1958.

To be eligible for payments, the lambs must never have been shorn.

The shorn wool payment rate was determined on the basis of the difference between the average price received by producers for shorn wool during the 1957 marketing year and the 62-cent per pound incentive level announced for the 1957 marketing year in October 1956. The average price producers received for shorn wool during the 1957 marketing year was 53.7 cents per pound as determined by the Agricultural Marketing Service on the basis of prices reported by producers in their applications for payments. The wool incentive rate of 15.5 percent is the amount needed to bring the average return for wool up to the incentive level of 62 cents. To determine the wool incentive payment for individual producers, the rate of 15.5 percent is applied to the dollar return each producer received for wool after paying marketing charges.

Mr. and Mrs. R. R. Rose of Route 1 were shoppers in Benton Wednesday and while here renewed their subscription to the Courier.

Falmouth Girl Is Named 1958 Dairy Princess For State

Frankfort—Ann Elaine Kelly, 18-year-old Falmouth beauty is the 1958 Kentucky dairy princess. She succeeds Janie Griffin of Eubank.

The daughter of Mr. and Mrs. John H. Kelly, Ann Elaine was chosen from 29 candidates after two days of competition. The contest is annually sponsored by the American Dairy Association, with coronation concluding dairy field day at the University of Kentucky College of Agriculture.

The princess will spend much of next year traveling in the State as the official representative of the dairy industry. She will represent Kentucky in the national dairy-princess contest at Baton Rouge, La., in November.
