An X-Ray Made!

Did you know that your little tot can have a real X-Ray made? And it can be done free of charge! Well, it can be done at the local hospital.

The hospital has been busy with a new service that is making free X-Rays available to everyone. This is a great service and one that can help save lives.

An American major, who has been in Europe for several months, recently had his leg X-rayed for a wound. He was able to get the X-Ray free of charge and was able to return to the front line.

The hospital has also been helping many local children with X-Rays for injuries and other medical problems. This is a great service and one that can help save lives.

The hospital is proud to offer this service to the community and encourages everyone to take advantage of it. If you or your family have any medical issues, be sure to visit the hospital for a free X-Ray.

Miss Charlotte Charlton And
Donald Cotton Exchange Vows

The church was decorated with pink and white roses, with black and white accents. The bride wore a white tulle veil over a satin dress, with pink ribbon. The groom wore a black and white tuxedo. The couple was married in the church, and the reception was held at the local hotel.

The bride's father, Mr. M. C. Charlton, was the best man, and the bride's mother, Mrs. M. C. Charlton, was the maid of honor. The couple will make their home in Memphis, Tennessee.

The wedding was sponsored by the bride's family, and the couple was given a three-weeks' honeymoon in the West. They were the guests of their parents, Mr. and Mrs. M. C. Charlton, and the couple will return to their home in Memphis shortly thereafter.

The couple is very happy and is looking forward to their future together.

Statement of Policy

Huddleston Motor Company regrets that production of new cars has fallen for short of anticipation. News reports show that from January 1, 1941, to August 1, 1941, the monthly production dropped 3,000,749 new automobiles, as compared to only 389,617 in the same period of 1936. We have received only one new car in 1946 compared to four in 1941.

All dealers have long lists of orders. We pledge our purchasers that they will deliver their new cars in order they were placed, as near as possible. We feel that used cars should be handled during the present conditions through licensed, established dealers, with OPA authorization.

We summarize this statement by requesting that you bear with us as we work vigorously and perseveringly, responding that we are, as always, anxious to deliver every new car possible.
