Lake Trail Work To Be Started

Work is expected to start within a week on the first stretch of the Kentucky Lake Trail, a roadway that eventually will run alongside the lake from Kentucky Dam to Parris Landing.

The first stretch is between Big Bear and Little Bear Creeks. This stretch of road will be about four miles long. It will shorten the present traveling distance between the two points by about 10 or 12 miles.

Officials of the State Department of Conservation and the Marshall County Chamber of Commerce were at the roadway site Wednesday preliminary to the start of actual work soon.

Newspapermen took pictures of the area.

Conservation Department will use part of its fire funds for construction of the trail, which will open up more sites for lakeshore cottages and residential buildings.

The Marshall County Chamber of Commerce has been battling for this project for many months.

Clark's River Survey Group Due Here Soon

By A. E. DENHAM

At a Monday night meeting, members of the conservancy district in Marshall County reported that the planning party is making progress on the East Fork of Clark's River Watershed.

The Watershed planning party has been in the field for about a month. They started near the Tennessee line and are working down the river. If all goes well and the weather cooperates, they should be in Marshall County about the middle of September.

The survey crew is gathering information so they can give the structure sites further study. Just because the crew drives stakes on a certain farm and spends considerable time surveying the site does not mean the structure will be built. To look favorable the benefits secured below the dam must equal the cost of the structure.

The weather has made it almost impossible to establish sound waterways in Marshall County this year. The heavy rains have been scouring them out before the grass gets established. A lot of farmers have had to reshape and reseed these waterways, always hoping the rains are over for awhile.

Those who have completed waterways recently are Lou Norwood, Homer Chester, S. P. Gipson, Emil Mohler and Roy Gregory. Because this is a very important practice for any farm, the ASC office shares with the farmer up to 80 per cent of the cost of establishing these waterways.

Brewers Methodists Will Dedicate Building

The Brewster Methodist Church will dedicate its building and mark the retirement of the indebtedness by an all-day program and homecoming Sunday, Aug. 31.

Rev. B. J. Barron, pastor of the church when the building was completed in 1952, will deliver the dedicatory sermon at 11 a. m. A basket lunch will be served at noon and the dedication ceremonies will start at 2 p. m.

At the fourth quarterly conference held at New Hope Church in the fall of 1952, just prior to Annual Conference of that year, a motion was made by Dr. A. J. Bean and seconded by Guy Chester that New Hope and Mt. Herman churches be consolidated. The motion was voted in favor of the consolidation that the new church be at Brewster.

On Dec. 7, 1952, Dr. Bean gave and decided to the Methodist Church about one acre of land, (the present location of the Brewster Church). Immediately afterwards, the old churches were torn down and a large portion of old lumber was used to build the first church at Brewster. Most of the labor was donated by members and friends to our community and church. The total cash outlay for completion of the building was \$41,245. Dr. Bean was the largest contributor, both of time and money and was always loyal to his church.

After 29 years as a place of worship in this building, the church had the good fortune of having a servant of God as our pastor, Bro. B. J. Barron (many called him Bennie) who said, "Upon this rock we will build a new church." On the fourth Sunday in February, 1952, \$6000 was pledged, and permission from the conference to start the present building. The question was asked, "when shall we start?" Cope said, "to-morrow morning," and all agreed. Eleven persons met on that cold Monday morning and started tearing the church down. The members and friends gave of their time in getting ready for the new building.

Hal Perry contracted to build the new church at a cost of approximately \$32,000. All are grateful to him for his generous help and contributions. The first services were held on 4th Sunday in July 1952.

The following pastors have served the Brewster Church devotedly and faithfully: Revs. A. Myrick, R. L. Dodson, M. S. McCaslin, W. W. Milliken, C. V. Stacks, J. W. Lewis, C. O. Frey, S. T. Parham, J. P. Murphy, W. K. Maker, P. E. Cates, W. K. Lovett, J. A. Kelley, Edgar Sirr, E. B. Ralnes, B. J. Barron, H. L. Lax, W. H. Harpole, and John Tate, our present pastor. The building committee was composed of Brother Barron, chairman, Bill Perry, secretary, Lyles, Landon, Tyree, Homer Chester, Robert Cope and Keith Crass.

Mesdames Jo Nell Payburn and Vonda Jean of Murray State College and Mrs. Nell Pace of Hardin were recent guests in the home of Mrs. Max Petway.

Dr. R. L. Lomar and daughter Mary Tracy of Peoria, Ill., and Mrs. R. L. Lomar, Sr., of Martin, Ill., are visiting Mr. and Mrs. C. B. Cox in Benton.

The MYF of the Lebanon Methodist Church located at Henderson on the Paducah-Martin road, will sponsor a big quartet singing Saturday night, Sept. 6, at Brooks Stadium in Paducah at 8 o'clock.

Featured will be the Blackwood Bros. and the Statesman quartet, and also the Hamilton Bros. and the Harmony Boys. Tickets are on sale in Benton at Nelson's Rexall Drug Store.

Mrs. Roy James received a message this week that her brother, Hobart Irwin, had suffered a heart attack at his home in Birmingham, Ala.

Contracts For County Roads Let

Contracts have been awarded by the State Highway Department for six Marshall County road projects. Work is expected to start soon on all six of the roads.

Middle West Roads Co. of Louisville was awarded the three biggest jobs in the county; the Benton to Symsonia road, the Benton to Mayfield Y road, and Highway 95 to Calvert City.

McDade Construction Co. got the other three contracts. These roads are:

The Wadesboro - Tom Lane road from Hale Springs-Vanzora at Smith's Grocery to Ky. Highway 80 west of Hardin.

The Maple Springs road from U. S. 68 near Fairdealing to Ky. 80 about four miles east of Hardin.

The Bethel Church road from Ky. 1422 to Kentucky Lake. County Judge Artelle Hailom, County Attorney Marvin Prince and members of Marshall County Fiscal Court were in Frankfort this week and appealed to the State Highway Department for some more road work in the county.

The new projects all are small stretches of roads. Judge Hailom said, and will be announced when the highway department decides what to do about the projects.

Women Hurt In
Crash Of Auto,
Truck At Palma

Mrs. Bob Lents and her daughter, Karen Sue, were slightly injured Saturday in a car-truck accident at Palma.

A truck said to have been driven by Mrs. Atlas Armstrong collided with the car driven by Mrs. Lents at a road intersection near Palma.

Mrs. Lents and her daughter had started to Paducah. The accident happened at noon.

Mrs. Lents and her daughter received treatment for bruises and scratches at a Benton physician's office.

Mrs. Armstrong was also treated locally for three broken ribs. Mrs. Lents is an employee of the Marshall County Welfare Department.

Prices of admission will be 25c and children under 12 will be admitted free.

Shop Benton Days Set Sept. 11-13 By Retail Merchants

The Benton Retail Merchants Association will sponsor its first big trade event "SHOP BENTON DAYS."

During "Shop Benton Days," the merchants will offer outstanding bargains, some at wholesale prices and less. Every member of the association will offer items for sale at prices that are bound to attract shoppers to Benton.

The merchants will carry a big volume of advertising on the radio and in the newspapers in advance of "Shop Benton Days." The newspapers will be published one day early, on Wednesday, so the readers can get their papers Thursday morning and learn about the outstanding values offered by the Benton stores and shops during the "Shop Benton Days."

The Retail Merchants Association now has 27 paid-up members and probably will have 35 or 40 by the time the first big shopping event is held. The association has \$530 in its treasury and is operating on a sound and enthusiastic basis.

Further details of "Shop Benton Days" will be announced in next week's Courier.

Brewers Man
Is Injured In
Auto Accident

Kenneth Reed, operator of the Reed's Grocery Store at Brewster, was injured Tuesday about 1:30 p. m. in a traffic accident on the Hardin-Brewster highway.

Reed's car and one driven by Mrs. Dee Nimmo of Hardin were involved in the accident.

A Collier Funeral Home ambulance brought Reed to the office of Dr. H. L. King, where he was treated for several broken ribs and released.

CURT REYNOLDS INJURED
HAND IN POWER MOWER

Curt Reynolds suffered three badly cut fingers on his left hand last Friday while working on a power mower at his home.

Mr. Reynolds was sitting on the ground and working on the mower, when his young son started running toward him, in getting up to stop his son from running into the mower. Mr. Reynolds accidentally stuck his hand in the line of the whirling mower blades. He was treated by a local physician.

Soil Bank Sign-up to Start Here on Sept. 1

By Robert Rudolph
The sign-up in Marshall County for the 1959 Conservation Reserve of the Soil Bank will open Sept. 1 at the county Agricultural Stabilization and Conservation office in Benton.

The first step in the sign-up is for the farmer who is interested in the program to come to the county office and request that annual rental payment rates be established for his farm.

At the same time, the farmer should bring with him information to be used by the County ASC Committee in establishing rates for his farm. The chief facts needed are acreages and yields of the three principal crops on the farm for the past two years and acreages for other land use on the farm.

The Conservation Reserve is the only Soil Bank program available for 1959. Under the program, farmers retire land from general crops for up to 10 years and devote the reserved acreage to land, water, or wildlife conservation practices. The government makes an annual rental payment for the land and will also share in the cost of establishing the conservation practices.

The average rental payment rate for Conservation Reserve land in Marshall County in the 1959 program is \$13.50 per acre per year. Maximum payment

rates will be higher for the most productive farms and lower for less productive farms.

For farmers who request it, the county committee will figure two sets of maximum annual rates. One will apply if only part of the eligible acreage on a farm is placed in the Reserve. Another rate, 10 percent higher, will be available if all eligible land on a farm is put in the Reserve for at least 5 years.

After maximum rates have been determined for a farm, the farmer will have two weeks in which to decide on participation, designate land for the Reserve, and apply for a contract. Land

may be offered at less than the established maximum to increase the chance of acceptance in case there are insufficient funds to cover all offers.

The sign-up phase of the program closes Oct. 10, and all requests for establishing farm rates must be received by that date. The deadline for applying for contracts is Oct. 24.

Lovely Tea-Shower Honors Mrs. Brandon

A tea shower was given by Mrs. Price Napier Tuesday, Aug. 26, from 7 to 9 p.m. at her home in Parkview Heights in Benton.

The honoree was Mrs. Thelma L. Brandon, recent bride of James L. Brandon. Mr. and Mrs. Brandon left Benton Wednesday after a short visit with his mother, Mrs. Anna Brandon.

Co-hostesses were Mesdames Chester Ray Powell, Robert Dublin, Malcolm Heath.

Mrs. Chester Ray Powell kept the register and Mrs. Robert Dublin served tea.

The table was covered with a white linen cut-work cloth and an arrangement of tea roses. It was flanked on either side by burning white candles in crystal candelabra.

Mrs. Anna Brandon, Mrs. Napier and the honoree received the guests.

Mrs. James Brandon was attired in a sheath dress of white organza and wore a white carnation corsage, a gift of the hostesses.

A large number of friends called during the tea hours and many lovely gifts were presented Mrs. Brandon by those who called and by others who sent gifts.

Mr. and Mrs. Glen Johnson and son have returned to their home in Clear Lake, Iowa, from Benton where they visited in the home of Mr. and Mrs. James Gillihan.

Mr. and Mrs. James Gillihan and three children of Benton and his mother, Mrs. Cora Gillihan of Mayfield, spent the weekend in St. Louis and visited the Zoo while there.

Mrs. R. R. McWaters will leave next week for Detroit to visit her sister, Mrs. General Harrison and Mrs. Buster Roland and attend the wedding of her nephew Douglas Harrison.

Sally Lewis says...

Although it's supposedly the "first aid" department in a home, the medicine cabinet is all too often a danger trap. Has yours become a catch-all, asked to do triple duty as a dressing table, first aid station and bottle collecting depot?

Chances are that many things in the cabinet are useless. Cleaning it out will give much better family service. Strip it down to the bare shelves. Scrub with soda, giving a sudsy swipe to all of the bottles.

Next, unwork every unlabelled container and wash the contents down out of harm's way.

Check and replace in the cabinet only those items which add up to the preparedness for family emergencies. A well-stocked medicine chest should include the following:

1. Antiseptic and burn remedy.
2. Sterile white cotton balls for applying antiseptic, cleaning wounds, and many other uses.
3. Ready-to-use plastic dressings.
4. Roll bandage, roll cotton and adhesive tape.
5. Sterile gauze pads, individually wrapped.

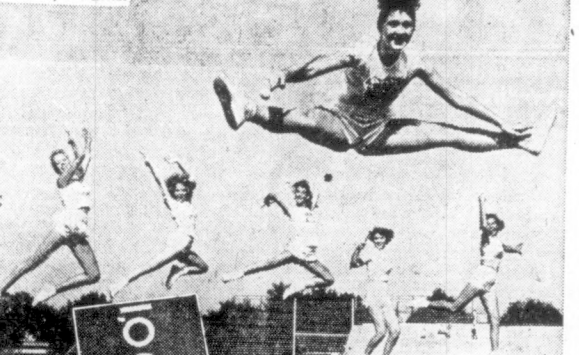

The basement, backyard, and other places where insects, rats and mice can get a start also need periodic housecleaning. Should you have the problem of rats or mice entering a building, locate the holes through which they enter and pour a can of fly down each hole. Stop up the openings with the can or other suitable object. The fly will burn the holes and feet of the rodents and rat out of this menace.

Mrs. R. R. McWaters will leave next week for Detroit to visit her sister, Mrs. General Harrison and Mrs. Buster Roland and attend the wedding of her nephew Douglas Harrison.

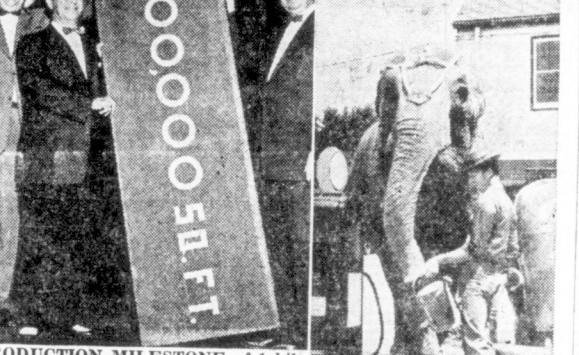

Mr. and Mrs. W. D. Fiser and Phyllis of Huntsville, Ala., are visiting Mrs. Eva Fiser in Benton this weekend.

Tourists Flock To American Shrine

FAMED "Midnight Ride of Paul Revere" painting, by William R. Leigh, N.A., is admired by a group of visiting sailors at the Old North Church, Boston, as Rev. Clifford Chadwick tells the story of the Revolutionary War event. Below the painting are the lanterns which were hung in the Old North belfry for the one-if-by-land, two-if-by-sea warning. This original Leigh canvas inspired by the historic "Ride" and Longfellow's famous words, "The Fate of a Nation was riding that night," has created such wide-spread American-interest that, through public demand, the loan of the Leigh painting has been extended to November 1st. This loan from his widow has been made possible

Calvert City Fire Department Plans To Erect Building

Administrative members of the Calvert City Fire Department met Tuesday night to make financial plans to build a modern fire house to be located half a block south of the railroad tracks on Main Street.

This building will meet the requirements of the Kentucky Inspection Bureau, which recently declared the Calvert Fire Department good enough to warrant a re-rating on a seventh class basis if a new and adequate fire house were to be built.

Fire Chief Rendleman emphasized that this building is absolutely necessary for Calvert to retain the recently lowered fire insurance rates.

It is hoped that construction can begin Oct. 1.

The fund-raising campaign to finance this construction will start about Sept. 12. All Calvert citizens are reminded that their fire insurance premiums have been reduced 40 percent, a saving of \$20 to \$50 each year per family.

Besides meaning lower insurance rates, the building will be an asset to the community.

Members of the fire department urge the support of all home owners in Calvert.

Sept. 2 has been set as the date to organize solicitors for the fund-raising drive.

Mrs. Herbig Hostess To Presbyterian Church Circle No. 1

Mrs. Thomas Herbig was hostess Tuesday night to Circle 1 of the Presbyterian Women's Association.

Mrs. Robert Dukes, circle chairman, presided and gave the Bible study of Luke.

Mrs. Edward McIntyre gave a message on the topic "The Way" from the World Service book. It was in the form of a quiz show.

Nine members were present and Mrs. Charles Cordon was a guest.

The hostess served dessert and coffee.

Mrs. Fortner Speaks At Presbyterian Event

Mrs. Otis Fortner will go to Sturgis today (Thursday) and speak to the women attending a meeting of the Presbyterian Women's Association.

She has chosen for her subject a discussion of time spent during the week she attended school at Purdue.

Mrs. Ralph Erwin Hostess to WSCS Of Calvert Church

The WSCS of the Calvert City Methodist Church met Monday afternoon at the home of Mrs. Ralph Erwin. Mrs. Claud Dees gave the devotional.

Subject of the lesson was "My Life in the March of Missions." It was presented by Mrs. Erwin, Mrs. Elam and Mrs. Bouland.

Mrs. Lee, the president, presided over the business session. Minutes of the last meeting were read by the secretary, Mrs. Sewell. The roll was called by Mrs. Doyle, the treasurer.

Refreshments were served to Mesdames J. N. Holland, Will Doyle, Claud Dees, Estelle Sewell, Luther Bouland, Horace Roberts, L. L. Egner, W. B. Elam, J. T. Lee and Erwin.

Calvert City Beats Graves All-Stars By Score of 16-2

On Aug. 20, the Calvert Little League defeated the Graves County All-Stars by a score of 16 to 2. Calvert led all the way on Duane Puckett's home run and fine hitting by Gerald Barrett and Buel Cutsinger.

The pitchers for Calvert were Johnny Edwards, Sonny Enslin and Greg Eicholz. Puckett did the catching.

On Friday, Aug. 22, Calvert played Fredonia in the first round of the Three Rivers Tournament and lost in an extra inning game by a score of 8 to 6.

The game was a duel between pitchers Johnny Edwards of Calvert and Van Hooser of Fredonia, in the sixth inning regulations game.

Fredonia scored 5 runs in the seventh on six Calvert errors. Calvert came back and scored three but was not able to over, come the lead of Fredonia.

On Saturday, Sept. 6, Calvert will travel to Mayfield to play the Graves County All-Stars at 2:30 p.m.

CALVERT GROUP ATTENDS REUNION OF THEIR FAMILY

Mr. and Mrs. Coleman Hawkins and sons, Kenny and Tim, and Mrs. L. L. Egner motored to Bethany, Ill., last Saturday and visited Mr. and Mrs. Ober Livergood and Mrs. Laura Livergood.

House Plan of the Week

Compliments Of
MILLER-JOHNSON CO.

A SMALL HOUSE PLANNING BUREAU DESIGN NO. C-331

DESIGN C-331. Several features of outstanding interest are noteworthy in this plan, such as the delightful kitchen with a snack bar and dinette, the minimum hall space, and the variety of closets. In addition to this, there are three bedrooms, a comfortable living room and a full basement. Kitchen cabinets are arranged to form a compact, step-saving workroom, with the advantage of having a three-way view of the side and rear yards, and overlooking the front entrance. The dinette is separated from the living room by means of folding doors. High windows in the ends of the bedrooms add to the airy, ready liberal wall space. The interior is attractively finished with a combination of wide siding and stone. The house includes a stone fireplace, picture window, shutters and asphalt shingles. Ground area is 1185 square feet, with a cubage of 22,515 cubic feet.

NEW MILLER AUTO PARTS BUILDING

MILLER AUTO PARTS

PHONE LA 7-2281 BENTON, KY.

Miller Auto Parts is now located in their new brick building at the corner of Poplar and Third streets.

Progress through the fifteen years of business, Miller Auto Parts, owned and operated by Jay Miller, has constructed this new brick building just about one-half block south of their original location at Poplar, and moved in May of this year.

Mr. Miller has added a shop to his parts store for radiator repair, crank shaft lath, and a head machine, making Miller Auto Parts the only place in Marshall County that is equipped to render service. Just a few months ago Mr. Miller attended a school in radiator repair at Omaha, Neb.

Miller Auto Parts specializes in automotive parts and operates a truck which travels over a 30-mile radius selling parts to all mechanics in our area.

In addition to Jay Miller, there are four employees: Joe Frizzell (six years with Miller), Louis (outside salesman), John Edd Castleberry (counter man), and Howard Wallace (shop).

Mr. Miller extends to you an invitation to visit them in their new modern building.

Sally Lewis

says...

For want of a little elbow grease many men are bald. A major reason more men than women lose their hair is that they do not brush their hair as often, or as thoroughly. A warning of things to come with the short hair styles and sprayed-on hair sets is that more women will be bald if they continue to ignore the hair brush.

Ever notice that the people who are hale and hearty make a short walk after meals a regular practice? Put newly laundered shirts on the bottom of the drawer so that others will be used first. All shirts will last longer if they get uniform wear.

Sweaters hold their shape and size better if folded on a shelf or in a drawer rather than hung on a hanger.

To determine the size of a shirt on which the markings are no longer visible, measure the collar band from button around to the middle of the button hole. The size is measured this way in inches and half inches. Sleeve length is measured in inches running the tape from the center of the collar in back, over the shoulder to the edge of the shirt cuff.

Annoyed by streaks that remain on your windows after you've washed them? Try adding a teaspoon of lye to each bucket of water when washing them. This solution eliminates the greasy streaks, gives you sparkling windows with much less work. Hang wet shoes under a chair by hooking heels on the chair rungs. The circulation of air on both sides of the shoes dries them quickly.

County Library To Start Story Hour For Children Soon

The Marshall County Public Library will change its hours beginning Sept. 6, to conform to school days.

Also, a Story Hour for children will be held from 3:30 to 4:30 p. m., starting Sept. 6. All children 3 to 9 years are invited to attend. Miss Jean Gurley will be in charge of the Story Hour.

The library has many new books and the general public is invited to visit the library and browse around. In July, the library placed 385 books in circulation.

GAS FIRM FINED FOR FAILING TO COMPLY WITH CODE

An Illinois gas concern was fined \$25 in Police Court in Paducah this week for failing to comply with the state code regulating liquid petroleum gas installations.

Fined for violating Chapter 234 of Kentucky Revised Statutes was Ross Utilities Company of Belleville, Ill. Earl E. Lamb was identified as the firm's Paducah agent.

The warrant citing the company for failure to comply with the state gas installation code was obtained by Deputy State Fire Marshal William O. Spencer of Murray. The firm was charged with failing to comply

MAJ. BRANDON FAMILY VISIT HIS PARENTS HERE

Major and Mrs. W. E. Brandon and sons, Jeffrey and Stephen, were guests last weekend of Major Brandon's parents, Mr. and Mrs. J. R. Brandon of Benton.

Major Brandon has recently been transferred from the 2nd Marine Division, Camp Lejeune, N.C., to be the marine officer instructor in the Naval ROTC unit at the University of Louisville for the next three years.

Both Major and Mrs. Brandon, (the former Polly Moore) are graduates of Benton high school. They now reside at 3,000 Tallman Road, Louisville.

with the code in regard to liquid petroleum gas installations only.

Vickers Post Will Hold Annual Supper Friday Night, Sept. 5

The fourth annual Legion supper sponsored by Harrison Vickers Post No. 144, American Legion, will be held in Legion Park at Gilbertsville, Friday night, Sept. 5, until 8:30 p. m.

Tickets will be sold and those who do not have an opportunity to buy a ticket can pay for their meal after they have eaten.

Thomas E. Vanvactor is chairman of the ticket sales.

The regular monthly Post meeting will not be held Monday night, Sept. 1, because of the holiday, and the supper on Friday night. A date will be announced later for the September business meeting. The public is cordially invited to attend the supper.

Marshall Countians Can Almost Hold Reunion At Hospital

The third floor of Baptist Hospital in Paducah was all most a Marshall County ward this week.

Nine persons from here were patients on the same floor. But most of them were too sick to do any visiting.

The patients included Dale Lenoave, heart ailment; Mrs. Mary Rudolph, surgery; Jimmy Lester, surgery; Mrs. J. H. Woolfolk, surgery; Mrs. Floyd Roberts, surgery; W. S. Castleberry, heart ailment.

Also Emmett James of Centre, Ala., who suffered a heart attack in Benton at the home of his brother, Roy James, and Charlie Griffith, a former Bentonian who now lives in Paducah. He had surgery.

Benton is a healthy place this week. All the sick folks are away from home in hospitals.

MICHAEL MORRIS HAS PARTY ON 4TH BIRTHDAY

Michael Morris, son of Mr. and Mrs. Ralph Morris, celebrated his fourth birthday Aug. 12 at their home in Calvert City.

Games were played and delicious refreshments were served to the following guests: Debbie Downs, Sherry Nelson, Rebecca and Evelyn Seaton, Mark and David Faughn, Trent Helborn and Mike Thompson.

Lt. Col. and Mrs. Coleman P. Borders, and three daughters, Martha, Marie and Ann, of Chicago, have been visiting their mother, Mrs. Harold Holland for the past two weeks at Rest Haven Farm.

Mrs. C. L. O'Brien of Orlando, Fla., has returned home after visiting in Benton with her mother Mrs. C. W. Lyles, and Mrs. C. B. Cox and Mr. Cox.

FOR IMMEDIATE RELEASE:

From my front porch
By CARL HELM

The other day I was trying to recall something interesting I heard on a TV news program, and for the life of me I couldn't. It was an interesting fact that I wanted to store away for future use, and I wished I could have a "play-back" of it. But that you can't have — except for a lot of dough and technicalities: once a fact or anything else goes out on the air it vanishes into the ether unless you've locked it up in your brain cells.

That's what I like about newspapers, and I don't throw them out until they begin to get yellow around the ears. You can go back and look up something you've semi-forgotten, and it's yours all over again. You can clip out the item and file it away, if you have the kind of a "forgettery" memory that I have!

And that's why newspapers will be here and thriving long after (improbable as it seems now) something still stranger and newer has displaced radio and TV.

"There is a loftier ambition than merely to stand high in the world," wrote Henry Van Dyke. "It is to stoop down and lift mankind a little higher."

FOOD...through the ages...

FOR CENTURIES PIE HAS BEEN OUR MOST FESTIVE FOOD

THE DUKE OF BUCKINGHAM (1650) AMUSED ENGLAND'S KING CHARLES I AND QUEEN HENRIETTA MARIA WITH A HUGE PIE, WHICH WHEN OPENED DISCLOSED JEFFREY HUDSON, THE COURT DWARF.

CHOICEST, MOST COSTLY PIE, WAS MINCE, WITH 21 INGREDIENTS, MANY OF THEM BROUGHT OVER DESERTS AND SEAS BY CARAVAN AND SHIP.

FABULOUSLY EXPENSIVE THE NUMBER OF MINCE PIES SERVED INDICATED THE SPLENDOR OF THE FEAST.

TODAY, IN EVERY FOOD STORE AMERICANS CAN BUY AT MERELY NOMINAL COST, THE ONCE PRICELESS MINCEMEAT, READY-TO-USE IN GLASS JARS OR CONDENSED IN PACKAGES.
