Brewers School News

Brewers Elementary School has gotten off to a fine start for the new school year, according to the principal, Howard D. Dunigan. Everyone is working to make Brewers the outstanding school in Marshall County.

The second grade is to be an evenly divided class having 12 girls and 12 boys. This lends an air of excitement to room contests. They are enjoying having new readers and new spelling books this year.

The fifth grade has elected their class officers for the year. They are: Carol Chester, president; Joan Thompson, vice president; Shirley Cunningham, secretary; Danetta Mathis, treasurer.

The sixth grade has chosen as their leaders for the year president, Linda Blackwell, vice president, Linda Cole, secretary, Gary Seaford; treasurer, Markie Cope; and news reporter, Amanda Roberts. The sixth grade had charge of the chapel program recently. The theme was the songs of Stephen Foster.

The seventh grade class elected their officers recently. They are as follows: President, Wayne Cope; vice president, Jerlene Nelson; secretary and treasurer, Sandra Johnston, and reporter, Betty Mason.

The seventh grade had the chapel program recently. After the devotion several novelty numbers were enjoyed by the entire school.

The eighth grade has chosen as their leaders for this year the following: President, Patsy Barnett, vice president, Allela Houser; secretary, Linda Faye Edwards; treasurer, Beverly Nelson; and reporter, Nancy Forth.

A skating party was enjoyed the past week by the 8th grade. The group was under the supervision of their sponsor, Mr. Mason Powell, and several parents.

We have played one softball game this season. We won over Hardin with a score of 5 to 4.

The box supper sponsored by Brewers was given Friday evening, Sept. 19. A large crowd at-

tended. There were many boxes, and the bidding was brisk. Everyone had a wonderful time. The advertising posters were made by the sixth, seventh, and eighth grades.

We are proud at Brewers of all our newly painted rooms. We thank everyone who has worked so hard to get this much needed work done.

Teachers and students are looking forward to a good year at Brewers.

Mr. and Mrs. Sam Goheen and children have returned from a vacation trip to Nashville, Tenn.

Citizens Protest Use of Calvert Pump House

A delegation of citizens appeared before the City Council in Calvert City Sept. 15 and protested the use of the old pump house in the 500 block on Elder Street by the Calvert Municipal Water and Sewerage System for a water meter storage and repair shop.

Members of the Board of Public Utility Commissioners de-

fended their action for economy's sake. It was stated that they were unaware that the use of the old pump house had become a public nuisance. They agreed that the building was an eyesore of the neighborhood.

available because the gas company in Paducah had not included it in its budget. A representative of the company said he would recommend installation of natural gas lines down South Main Street to be included in the next year's budget of Western Ky. Gas Co.

ial jurisdiction between Jackson Purchase and West Ky. R.E.A. is settled.

The resignation of T. W. Hellala as chairman of the Board of Utility Commissioners, was accepted with regret. The city clerk was instructed to write Hellala a letter of thanks for his outstanding community service while on the board.

ASC News & Facts

By ROBERT L. RUDOLPH

Any wheat grower whose allotment is less than 15 acres will do well to plant only his wheat allotment for harvest in 1959. All acreage planted for harvest in 1958 will be counted as the farm base for 1959 but for wheat planted for harvest for 1959, only the allotment will be counted for future state, county and farm allotments, and any one planting over his allotment will get credit for his allotment, which in the long run will tend to lower allotments.

Acreage reserve agreement on which farmers have recently received payment are still in effect and will be until Dec. 31, 1958. Any producer cutting hay or pasturing these designated acres will be violating his agreement and subject to repayment of any compensation received, plus a 50 percent civil penalty.

Conservation Reserve farm rates are being applied for now at the county ASC office. These rates are set up by the county committee from index figures for each farm.

Annual payments plus practice payments can be paid for land put in the soil bank for 1959. All annual payments will be based on the rate set up by the committee from this index figure and the price per eligible acre on the farm set up when requesting a farm rate. Practice payments will be made for establishing a permanent vegetative cover on the land put in the soil bank, for construction of certain water impounding dams, either for fish, recreation or livestock water, planting of forest trees and wildlife developments.

The farmer desiring to participate will determine, from eligible acres on the farm, how many acres he wishes to put in the contract, at 3, 5 or 10 years, where these acres will be located and the type of practices he wishes to carry out.

Many farmers who have requested cost-share to seed a field, renovate a pasture, dig a pond, or well, or drainage ditch

such are or will be paid cash, to the ASC office and report the practice complete. If the practice will not be completed this year, please report this fact so the committee may use this money for other practices that will be done this year.

Additional ACP funds have been received, so if you haven't come in because you thought or

heard that all funds you should come in to request cost-share on practices you have been in.

All emergency ACP practices 25-1 and 25-2, 1958, therefore, are not substantially completed by June 30, may now be and completed by the

One thing that is not an extra that a hobbyist takes on as a hobby is an absolute essential. We have seen in weeks that the Bible is not confined to a book (though it is there), waiting people as you are treated, seeking there as if it were a justice, in the where. This is the a Christian.

20 YEARS AGO

Twenty years ago, the Southern Bell Telephone Co. was preparing to build a small brick structure to house its new facilities in Benton. Dial telephone service was just around the corner for Benton.

The TVA was holding open house at its Gilbertville dam project. Visitors were invited by G. P. Jessup, project manager, to inspect buildings in the work area and also see the early stages of work on the dam itself.

The town of Birmingham was all excited over an eye-witness story told by a survivor of the steamship Athena, which had been torpedoed by a German submarine. The survivor was Mrs. Caroline Rice, 73, of Fresno, Calif. She was visiting her cousin, Claude Love of Birmingham, enroute to her home in California after the sea disaster. She told her story to a capacity crowd gathered at the Birmingham Methodist Church.

R. D. Smith, real estate dealer of Gilbertville, was advertising 50-foot lots for as little as \$25.

Benton Theatre was showing a football movie "1,000 a Touchdown" featuring two big-time comedians, Joe E. Brown and Martha Raye.

The theatre also had scheduled "Five Came Back" with Chester Morris, Lucille Ball and Wendie Barrie. And George Raft and James Cagney were teamed in "Each Dawn I Die."

Roberts and Sutherland Grocery was advertising four pairs of shoe strings for a nickel.

And that winds up the old news for this week. See you next week.

The Benton Methodist Church had appointed Sunday School teachers for the year, as follows: Walter Prince, Mrs. Belle Kingsolving, Mrs. L. L. Washburn, Miss Rebecca Cothran, Cliff Treas, Mrs. Albert Nelson, Mrs. Joe Ely, Mrs. John Strawn, Mrs. Hattie Miller, Mrs. George H. Dodd, Miss Novalee Roberts, Miss Evelyn Hurley and Miss Ruth Agnes Shemwell.

Kroger was advertising 100 pounds of cabbage for \$1.85. And 10 pounds of yellow onions for 17 cents. Grapes were 7 cents a pound. Three bars of Lifebuoy soap were only 17 cents. Those days were very easy on the pocketbook, if you had a pocketbook.

The University of Kentucky announced an all-time record enrollment of 3,790 students. Among the Marshall Countians enrolled there were Jack Q. Heath, Mrs. Augustus S. Howard, Milton Hawkins, Palmon Lyles, James L. King, Clint T. Karnes, Joe Cross Creason, Elbert Cooper, Earl J. Smith, Clois Holmes Jr. and Keith L. Pace.

And that winds up the old news for this week. See you next week.
