FORMER PADUCAHAN GETS $450,000 LAWYER'S FEE

HOW SIRHED F. PICKS, UNITED STATES BANKRUPTCY JUDGE, DIED IN WASHINGTON, RECEIVED THAT BOUNTIFUL AMOUNT AS SETTLEMENT OF SUIT Brought Against Former Ex-United States Senator, SULLIVAN WILL CARE--HE IS SYMPATHETIC OR DEFENDANT's FALLING INTO THE ASHES.

Wife, J. K. Br€€s, WIFE OF THE LIFE INSURANCE MAN.

Paducahans were highly pleased to learn Sunday in many papers published in this city, that the late Sirhred F. Pick, a former exponent for the city of Paducah in the United States Senate, and a man who is well known to us, has died in Washington. He was the journalist of the city and the country over, and a man who has been a great loss to the country in the loss of a public man of high intelligence and high character. He was a lawyer of the first magnitude, and his death is a great loss to the country. The settlement of the suit brought against him was a bountiful one, and the late Senator will care for it.

PADOUCAH PHYSICIAN TAKES CHARGE OF LARGE HOSPITAL

DR. DAVID L. STUART NOW PREPARING TO LEAVE FOR KANSAS CITY, WHERE HE WILL TAKE CHARGE OF THE IZARD HOSPITAL, ONE OF THE LARGEST IN THE WESTERN PART OF THE COUNTRY.

This city has long been considered one of the healthiest in the United States, and has many learned and widely-experienced physicians of much prominence.

Much regret will be expressed among the people of this city at the news that within the next few weeks Dr. David L. Stuart will leave for Kansas City, where he will take charge of the Izard Hospital, a position which is, as everyone knows, one of the most responsible in the medical profession.

Dr. Stuart has long been a credit to this city, and his knowledge and experience have been of great value to the people of this area. He is a man of great energy and initiative, and his departure will be deeply regretted.

He is going to Kansas City because of the splendid opportunities which that city offers. He is anxious to make the most of his ability and to increase his knowledge.

While here, he has been a great benefit to this city, and has done much to improve the health and well-being of its inhabitants. He is well known for his kindness and his willingness to help anyone who is in need.

Dr. Stuart was born in this city and has lived here all his life. He is a man of strong character, and his word is his bond. He has always been a great friend to this city, and he will be greatly missed.

The people of this city are all sad at his departure, but they are also happy for him. They know that he will make good use of his opportunity, and that he will be a great benefit to the people of Kansas City.

He will leave for Kansas City in a few weeks, and the people of this city will wish him well on his journey. They will always remember him as one of their own, and they will be proud of the work that he does for the people of Kansas City.

Engineer Less Morrie Charged With Conspiring to Extort Money from Well-Railroad News.

Chicago police yesterday announced the receipt of the West and gave the following story of the incident, which was at the time when the engineer, and the man was a $300 bribe in return for a favor that would result in an increase in the price of coal. The bribe was refused, and the engineer was arrested.

The Chicago police were given the following statement by the engineer, who said:

"I was given a $300 bribe by a man who is a coal dealer in this city. He asked me to increase the price of coal by $300 per ton. I refused to do this, and the man threatened to go to the police and charge me with extorting money."

The engineer was arrested, and the police were given the following statement by the man:

"I gave Mr. Less Morrie a $300 bribe to increase the price of coal by $300 per ton. He refused to do this, and I threatened to go to the police and charge him with extorting money."

The police said they would investigate the matter further.
