1930 “Mistake”

By The Associated Press

The Republicans are

urged to learn from

the mistakes of the

1930 election, Brown

warned yesterday.

He said that if Repub-

licans are too eager

to snatch power from

the Democrats, they

will lose it.

Brown said that the

Republicans, if they

seize control of the

nation, will face a

similar situation to

that which the Demo-

crats faced in 1930.

He added that the

Democrats lost in

1930 because they

were unable to win

control of the coun-

dy.
