MURRAY, KENTUCKY, THURSDAY, APRIL 12, 1917

100 PER YEAR

JUDGE BUSH DELIVERS A STRONG CHARGE TO JURY

Circuit court was convened here last Monday morning by Judge C. H. Bush, of Hopkinsville. The present term is one of three weeks but it is possible that the docket will be cleared of the important cases before the expiration of that date. The cases against Ann and Sylvester Martin and Ed Jordan, colored, charged with being accessories to the murder of Guthrie Diuguid, will be continued until the next term of the court. This action will be taken owing to the fact that the Lube Martin case has been appealed to the higher courts and questions of law are involved that must be passed upon by that court before a trial of the three negroes can be held.

The grand jury composed of the following citizens was empaneled Monday morning: G. N. Cutchin, Sam Henry, Albert Rattrell, Brent Hart, Dave St. John, I. A. Duncan, S. E. Waldrop, Hason Bynum, W. G. Blakely and E. O. Moore. Immediately following Judge Bush delivered one of the strongest charges ever delivered to a Calloway county jury. He was given close attention throughout and when he took up the matter of threatened mob violence that occurred here in January every ear was strained to hear what he said. The judge delivered this portion of his charge from manuscript and said in part:

"I consider it my duty as a man and officer to speak about a most unfortunate affair. I profoundly regret to feel called upon to mention it. In fact, I would prefer that it be buried in the sea of everlasting forgetfulness. Of course, I refer to that inexcusable exhibition of lawlessness that took place in this town on January 10.

This is the first grand jury that has been impaneled in Calloway county since that occasion, and hence I present this matter to you, and will tell you plainly what is your duty in the premises. This court had performed a judicial act, prompted only by an earnest desire to do his duty and to save human life, as he conscientiously believed, by ordering a prisoner to be transferred to the jail of another county. This was the head and front of his offending, provoking a storm of indignation which found expression in an organized band of men, composed of at least 1,000 noisy and boisterous persons, who, with their leaders, packed the court house and thronged the streets, interfering with and temporarily suspending the business of the court, denouncing the court, threatening to hang the judge, crying out in the most angry manner: 'Shoot him! Hang him!'

I regret to allude to this at all, would much rather pass the incident by in silence forever, but, gentlemen I cannot afford to do it; neither can you.

Perish the thought. A decent

respect for our institutions, pertaining to both church and state; our instinctive love of simple justice, law and order; our regard for the welfare and protection of society; the sanctity of our homes, and the happiness and prosperity of our loved ones, demand that we should be equal to the emergency. The law has been ruthlessly violated, without the semblance of excuse, your temple of justice desecrated and profaned, and it is for you to say whether there shall be any atonement for it.

The grand jury has to take the initiative. It may be, and doubtless is, an unpleasant duty, but you cannot afford to shirk it. This is a good county, full of good, noble people. I have personal esteem for them all.

The law is plain, that if persons band themselves together for the purpose of intimidating, alarming, disturbing or injuring any person, they are guilty of a felony and punishable as denounced in Section 1241 A, Kentucky Statutes. This is the law, and it has been openly violated and trampled underfoot in this town and in the daytime. You cannot escape it. It is up to you to meet the demands of the situation.

Immediately following the charge to the grand jury the petit jury was sworn in and is composed of the following men: Noah McDaniel, J. W. Vaughn, Irvin Grogan, G. E. Curd, J. L. Culver, J. S. Grogan, F. G. Moss, Felix Worley, Sam Underwood, J. W. Hutchens, Otry Paschall, W. F. White, Henry Cook, Cora Lockhart, Frank Lax, John C. Dunn, Ote Snider, W. E. Gilbert, L. T. Parker, A. J. Burken, John Snider, Billie Lawson, Will Perdue and Noah G. Hill.

A number of commonwealth cases have been heard. Felix Skinner, colored was given one year in the penitentiary for shooting and wounding his wife. Hazel Ingram, colored, takes a one year term for selling liquor. Under a recent statute a second conviction is a felony. Toy Hill, colored, drew a fine of \$50 for furnishing liquor to a minor. Cordis Cole, charged with shooting and wounding, paid a fine of \$150 and was released. Three indictments were returned Wednesday by the grand jury. Crate Gardner and Earnest Broyle, colored, were indicted on a charge of highway robbery. They were accused of robbing Everett Hill.

Conference to be Held in Paducah.

The annual Woman's Missionary Meeting of the Memphis conference, M. E. Church, South, will be held in Paducah April 24-27, with the Broadway Methodist and the Fountain Avenue Methodist churches as hosts. The conference was to have been held at Huntingdon, Tenn., but smallpox there necessitated a change and Paducah was telephoned Saturday night and asked to receive the conference. Mrs. T. B. King, of Memphis, who is well known in Paducah, is the conference president and there will be a number of notable speakers on the three days' program. There will be 150 delegates to be entertained. The conference session will be held at Broadway and lunches will be served each day at the church. Paducah Sun.

TWO AND A HALF MILLION POUNDS GO UP IN SMOKE

Clarksville, Tenn., April 12. Close to two million and a half pounds of tobacco with an estimated value at between \$300,000 and \$400,000 were destroyed by fire Wednesday morning when the two big warehouses of J. M. Buckner on Front Street and W. H. Carsey & Company, fronting both on Main and College Streets were burned to the ground. The losses are covered by insurance.

According to the best information that could be obtained the fire originated between 3:30 and 4 o'clock, just at the time when the wind and rain storm that visited this city was at its height.

The origin of the fire is a mystery. While there can be no doubt that it started in the Buckner office, according to statements from those who first arrived on the scene. Mr. Buckner states that there had been no fire in the office either last night yesterday or the night before. The building is heated with steam from the engine room and the engine room was located at the end of the building that was last to be consumed by the flames.

W. H. Carsey had a small

amount of tobacco in his warehouse, a greater portion of the building being rented to J. H. Smith & Sons, who were storing Mr. Buckner's tobacco there. Mr. Buckner stated that he had probably 800 hogheads of tobacco in that factory; and between 700 and 800 tiers of tobacco in his own factory. He only had

about 70 hogheads in his factory. Both Mr. Carsey and Mr. Buckner stated their losses were fully covered by insurance.

Mr. Buckner stated that it was impossible for him to tell exactly how much tobacco he had stored, as all of the books and records were destroyed in the office. Before accurate figures could be obtained, it would be necessary to communicate with the headquarters of the concern for which he is buying at Louisville.

There are ten tobacco dealers buying tobacco in Mayfield at present, notwithstanding the withdrawal of some from the market and the report that there were only two or three. There evidently was an erroneous impression resulting from the report of the eastern buyers giving orders to cease buying.

The ten firms are buying heavily and are paying the highest market prices, the weed taking another spurt the past few days. Leaf is bringing from \$10 to \$12 a hundred, and lugs from \$7 to \$9 a hundred on the streets, the farmers receiving the offers upon their arrival here. Hundreds of wagon loads have been brought here this week and it looks

as if the weed would continue to roll in.

The following are buyers on the Mayfield market: American Snuff Co., Myles & Ligon Bros., N. J. Blalock, W. F. Wright & Co., Usher & Wilson, H. H. Adams, Clifton Usher, Cousins Tobacco Co., Farley & Burnett, A. B. Jarvis. Mayfield Messenger.

Conditions on the local tobacco market the past week have been such that only a small number of loads of the weed have been offered on the streets. At the loose leaf sale Wednesday prices were much lower than at any time this season. Lugs sold from \$7.50 to \$8.75, and leaf only brought from \$9 to \$10.75. About 65,000 pounds were offered and the rejections were heavy. Deliveries of tobacco sold at the barns in the country have continued heavy until the past few days, falling off on account of the dry weather. Every farmer in the county who has tobacco yet unsold must determine that it shall stay in his barn until prices again become more stable. There is no excuse for giving the weed away yet. While this country is at war with Germany that does not justify the present conditions. Clinch

those 81 penny nails you have driven in the barn doors with the hammer of determination and then set about your usual avocations, at the same time making ready for a full crop of food supplies for the coming year. The war in which this nation has determined to enter will call to arms fully three million men within the next twelve or eighteen months. That will mean that hundreds, yes thousands of them, must go from the tobacco field, thus reducing the acreage and the production.

A squad of soldiers have been placed at each of the railway bridges between this city and Paducah the past week. A squad of five is at the Clarks river bridge just south of the city. They are members of Co. C, recently assigned to duty at Paducah. Co. L, Murray, is mustering new men each day and up to the present have secured about twenty new recruits. Capt. Clark of Hopkinsville, arrived here the first of the week and the company was inspected by regular army officers. The boys are expecting a call for service any day.

Notice.

We have our factory full of tobacco to the top and cannot get cars to ship it out, hence we are forced to kindly request everybody who have sold us tobacco, not to deliver any more until after the 20th, inst., after which time we will receive your tobacco and pay you for it.—R. Downs & Co.

MURRAY SCHOOL TO PARTICIPATE IN BIG CONTEST

Murray High School has received a signal honor. Word was received recently that two representatives from Murray, Prentice Glasgow and Mary Leona Bishop, would be on program in the Jackson Purchase Oratorical Contest at Mayfield April 20. On last Thanksgiving the Jackson Purchase Oratorical Society was organized at Mayfield.

The society was composed of the ten largest towns in West Kentucky, and organized for the purpose of promoting society work in the high schools of Western Kentucky. One boy and one girl from the ten towns represented wrote an original manuscript, the twenty papers being submitted to a set of neutral judges for the purpose of selecting the ten best orators. From the twenty papers five girls' and boy's papers were selected regardless of the town from which they came. Thus Murray had a chance of sending one person, two persons, or neither. As befits a school of its class Murray High School decided on two representatives and got them.

According to plans the two speakers, backed by a big bunch of rooters, will journey over to Mayfield April 20th for the purpose of bringing back at least one and very probably two of the medals given in the Jackson Purchase Oratorical Contest.

Former Calloway Citizen.

George D. Rose, 45 years old, died at the Riverside hospital at 11 o'clock yesterday morning, after an illness of pneumonia, developing from the measles. He resided at 809 South Fourth street and had been ill only a short time. The deceased was a member of the Baptist church and was well known and respected by many people of this city. The body was taken to the funeral establishment of Nance & Selby, where it was made ready for burial, although no funeral arrangements have been made.

The deceased is survived by his wife, Mrs. Ella Rose, five sons, Louis, Noble, Penny, Paul and Keys Rose; and two sisters, Mrs. Robert Fournie, of Grand Chain, Ill., and Mrs. John Lindsey, of Vienna, Ill.—Paducah News Democrat.

The body of Mr. Rose was brought to Murray last Saturday morning and was carried to West Fork for burial. Services were conducted by Rev. Gregory. Mr. Rose formerly lived in this county.

Eston, the eight-year-old son of Rev. and Mrs. Riley Gunter, of Paducah, died suddenly Saturday, the cause of his death being heart failure. The remains were brought to Hazel Sunday and were carried to the Pleasant Grove burying ground where they were laid to rest after funeral services by Rev. T. H. Davis.—Hazel News.

Friends in Remitting for the Ledger Send Their Greetings to the Publisher

The first of the past week the Ledger mailed to about two hundred of its out of the county subscribers statements of the amount due us on subscription and asked for an early remittance. Responses have been very liberal and the Ledger desires to express its appreciation for the many kind words sent us with remittances. It is not possible for us to publish all of them but we are taking the liberty of using three of the letters this week. It makes a fellow feel good to know that his endeavors are appreciated by the folks away from home as well as by the folks at home. To those who have sent the amount due we beg to say that the cost of mailing a receipt to each one is quite an item to us and instead of doing this we ask that each one of you look at the date on your label after this week and you will see that we have given you credit for the amount sent us. Those who have not yet responded are urged to give the matter attention at once. Please do not delay writing to us at once, it might prove troublesome to you if you do. Following are some of the numerous letters received:

The County Singing Convention.

The Calloway County Singing Convention was held at Sinking Spring church on Friday and Saturday, March 23 and 24 and was acknowledged by all present to be the best the county has ever had. Some forty or fifty "tune hoisters" were present and four or five splendid Calloway quartets. R. A. Walker, representing the Telo Company, of Waco, Texas, was present and rendered some fine music that was an inspiration to all. Old Prof. Donehon was also present, scattering sunshine in song and word. Come again, it helps us young singers.

The next semi-annual meeting will be held with Cherry Center Baptist Church on Friday and Saturday, May 11 and 12. The result of the election of officers will be announced. J. H. Rogers, president; W. L. Gentry, vice president; C. W. Adams, secretary and treasurer. We will all be at Cherry Center.

First Christian Church.

227 in Sunday school last Sunday was a creditable number for a rainy day. Why not make it 300 next Sunday? Yes, of course the Young Men's class won in the contest. Every member and visitor of the class must be present next Sunday to hear about the banquet to be given soon.

Sermon subject for Sunday, 11 a. m., "The Rainbow of Promise," 7:30 p. m., "Our Relationship to Jesus."

Christian Endeavor service at 8:30 p. m., subject, "The Lord's Day the Best Day."

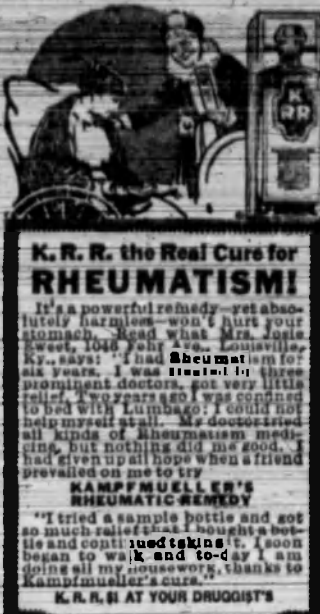

Reserve May 5, for an evening of humor and philosophy, to be given at the opera house by Clyde Poulter, of Kansas City.

Shelbyville, (Ill.) Daily Union says: "Clyde Poulter, 'That Little Man,' announced to entertain the people of Shelbyville Friday evening, came, and for nearly two hours delighted his audience with his versatile manner, playing between the humor and the pathos with such magic that he captivated everyone from the first, and the house rang with laughter and applause. He was graceful and easy in his manner. His selections showed much thought and made one feel he was master of the situation. Those who failed to hear him missed one of the finest entertainments that it was ever their privilege to hear. It was a first class, high grade entertainment, and everyone left feeling that they had been amused, entertained and instructed."

Omaha (Neb.) Daily News, says Mr. Poulter is "small in stature, but large in brains."

Don't fail to hear "That Little Man" at the opera house May the 5th.

Twenty-three Calloway teachers came in from Bowling Green Saturday.

K. R. R. the Real Cure for RHEUMATISM!
It's a powerful remedy—yet absolutely harmless—won't hurt your stomach. Read what Mrs. J. J. West, 1044 1/2 N. Broadway, St. Louis, Mo., has to say: "I had rheumatism for six years. I was treated by three prominent doctors, but very little relief. I was unable to get out of bed with Lumbago. I could not hold myself still. No doctor could all kinds of rheumatism medicine, but nothing did me good. I had given up all hope when a friend prevailed on me to try KAMPMUELLER'S RHEUMATIC REMEDY. "I tried a sample bottle and got so much relief that I bought a bottle and continued taking it. I soon began to walk and to-day I am doing all my usual work. Thanks to Kampmueller's cure." K. R. R. IS AT YOUR DRUGGIST'S

K. R. R. is sold in Murray and recommended by Holland-Hart Drug Co., Dais a Stationer and H. P. Wear.

Joe Johnson for Representative.

In the announcement column of this issue of the Ledger will be found the name of Joe E. Johnson, who lives a few miles west of Murray, as a candidate for representative in the lower branch of the state legislature. Mr. Johnson is one of the widely known citizens of the county and has many friends in every section of the county who solicit him to enter this contest and who will lend him their loyal support in his canvass. He is a progressive citizen, always engaged in those things which have for their purpose the material advancement and moral uplift of the people among whom he has lived all his life. Mr. Johnson, after completing the common school work of the county, studied for two years at Clinton, Ky., and for the past twelve years has been engaged in preaching, and at present is serving the Poplar Springs church, on the east side of the county. Mr. Johnson has nailed his platform—democracy, temperance and economy, to the mast head and has launched forth an aggressive campaign. Briefly he sets forth his candidacy in the following card:

To the Voters of Calloway county: In coming before you as a candidate for representative to represent you in the next general assembly, which meets January 1st 1918, I come subject to the action of the democratic primary, August 4th. Being born of democratic parents, I have always been a Jeffersonian democrat, having in the past 16 years supported by vote and influence, the entire ticket. Neither transgressed I at any time, but from my youth up have I fought for principles of democracy.

And now, gentlemen, I come asking you for your support in this race on the principles of democracy, for state-wide prohibition and economy.

Thanking you for any favors shown me in the past, leaving my success in your hands. I remain,

Yours truly
Joe E. Johnson.
Church of Christ.

Beginning Sunday, April 15th, we begin our semi annual series of gospel meetings. John T. Smith, of Sparta, Tenn., will do the preaching. Every man, woman and child is especially and cordially invited to attend every service. The special features of the meeting will be gospel preaching and singing. We feel that we are fortunate to secure the services of Bro. Smith, a young man of marked ability in the presentation of the gospel of our Christ. We try to conduct our meetings in such a way as to hold upon no one, making no propositions to the audience with a view of embarrassing those who have shown no interest to visit our meetings. We

ask no minister to take any part in our meetings which would be in any way a violation to his conscience, which every Christian holds very dear to himself, yet, extend a hearty welcome to all of them. We most assuredly believe that all right thinking people are anxious to see every religious people preach what they believe the Bible teaches on the important matter of salvation of souls. We only ask the privilege of presenting in a respectful way what we conceive the Book of God teaches on the greatest subject that ever engrossed the heart of man. Come with us for a couple of weeks and make an impartial investigation of the doctrine of the Church of Christ.—T. B. Thompson, minister.

Among the Clubs.

Costly Fire at La Center.

Paducah, Ky., April 7.—Fire, which started in the general store of J. H. Holland at La Center at 2 o'clock this morning and spread to adjoining buildings, was brought under control a little after 4 o'clock.

Flames swept the entire east side of the business section and part of the west. Flying sparks set other houses afire and the intense heat cracked glass and damaged fronts of buildings not otherwise injured. Heroic work by the bucket brigade finally subdued the flames. Estimates place the loss at \$35,000 with possibly \$15,000 insurance. Mr. Holland was the heaviest loser, his store, residence and two warehouses burning. Others suffering losses were: S. T. Payne, general store; T. J. Goodwin, barber shop; H. V. Evans, drug store; Tom Graham, general store. The postoffice was destroyed and the electric light plant and telephone exchanges were badly damaged.

PROMINENT BANKERS COME OUT FOR TANLAC

Two Well-Known Bankers of the South Voluntarily Write Strong Letters of Indorsement to Tanlac Office at Atlanta on the Same Day Telling What It Had Done for Them.

ON MARCH 7th personal letters from prominent bankers in two southern states were received at the Tanlac office. These, like hundreds of thousands of other communications that have been pouring in with every delivery of the mail for the past year or more, express the writers' high appreciation of the merits of Tanlac, as proven by their own experience with it.

The first letter quoted comes through Eli W. Goode, druggist and local agent for Tanlac at Hawkinsville, Georgia, containing the statement of E. J. Henry, president of the Hawkinsville Bank and Trust Company, which is one of the best known financial institutions in that part of the state. The letter follows, just as it was written:

"Hawkinsville, Georgia, March 5, 1917.
"Mr. E. J. Henry, President of the Hawkinsville Bank and Trust Company, came into my store a few days ago and said:
"I'll sell you another bottle of Tanlac."

"I said 'All right, Mr. Henry. What do you really think of Tanlac?' His reply was so commendable to the virtue of the medicine, that I asked him if he would give me a signed statement about it. He said 'yes, of course I will,' and this is his statement:

"Last spring I was all wrong some way or other, and couldn't get right. I came to you and bought a bottle of Tanlac. It began to improve. Two more bottles put me all right, and I felt perfectly well. A few weeks ago I had the grippe and was beginning to get down and out again, and about a week ago I bought another bottle and have taken it and am perfectly well again.

"I unhesitatingly recommend Tanlac to anyone who is sick and worn-out, as I believe that if anybody will take Tanlac when they first begin to feel bad it will prevent and keep off sickness. It certainly is a great remedy."
(Signed)

Old Looks?
(BY DR. L. H. SMITH)
Painful suffering from too much acid in the system frequently look older than they should. They age faster and the appearance of gray hair or baldness in early years is, indeed, often a sign of acid. The face appears lean and haggard, lines and wrinkles appearing in young men or women.

The best way to combat this premature age and the obstruction to the arteries and faults of circulation is the simplest: Drink copiously of pure water between meals. This will not make you fat, as it is only the water taken with the meals that fattens. Obtain at any drug store a package of Anuric, double strength, which is to be taken before meals, in order to expel the uric acid from the system. The painful effects of backache, lumbago, rheumatism, gout, due to uric acid in the blood, should quickly disappear after treatment with Anuric.

Petition for Road.

To the Hon. Judge of the Calloway County Court:

The undersigned petitioners would represent that they and each of them are residents and land owners of Calloway county. And, your petitioners ask that a new road be opened and laid out, beginning at the Mayfield and Murray road on the lands of Elmo and Tommie Fain, running thence north through the lands of Turner Venable, Will Kirkland, A. C. Hixon, R. L. Ray, Galen Myers, H. E. Farmer, Olen Story, C. P. Lassiter, Elbert Lassiter, Dock Palmer and Alf Farmer, to the Murray and Kirksey road, a distance of about two miles.

Your petitioners represent that said road is necessary and will be of much convenience to these petitioners and the public in reaching church, county seat and railroad.

Your petitioners ask that said road be laid out thirty feet wide and on the lands above described, and would represent that no other lands will be affected by said road, and that same will not damage any either of said land owners, but will in fact be of much more benefit to each and all of them than the value of the land taken to establish said road.

Wherefore, your petitioners request the appointment of commissioners and the making of all orders necessary to establish and lay out said road.—O. T. Venable, A. C. Hixon, R. L. Ray, G. C. Myers, H. E. Farmer, O. W. Story, Elbert Lassiter, C. P. Lassiter, D. E. Fain, P. H. Kirkland and T. W. Fain.
