WE’LL GROW MORE IN 1944
Say AMERICA’S VICTORY GARDENERS

The pledge of every American who has a gardening plot is to---GROW MORE IN ’44! Make it your pledge, too, because now as the war reaches such enormous and critical proportions, in order to hasten Victory, it is most vital that our fighters and our allies have all that they need to eat. By growing a VICTORY GARDEN you assure your family all the healthful nutritious foods it needs too, without depleting the farm production too much for civilian needs.
