## Extension of Mail Delivery Service is Authorized Here

### U. S. POSTAL HEADS REQUIRE STREETS TO BE NUMBERED

Young Business Men's Club  
is Heartily in Support of  
Program

H. T. WALDROP IS  
LOCAL POST HEAD

Citizens of Murray who for long have expressed a desire to be served by city delivery carriers and receive mail at their door will be cheered by an announcement by H. T. Waldrop, Murray Postmaster, that similar plans are to be executed in the not too far away future.

A requisition from the Postoffice Department in Washington authorizes the "revision and extension of city delivery service within certain limits," and proposes the establishment of a third city route with regular auxiliary service, according to Waldrop.

"The town of Murray has been growing beyond the bounds of its established city delivery service a long time," Waldrop said, "and especially has this become noticeable during the last few years." The authorization to extend the service, however, is qualified with the provision that all streets in the town be numbered and all houses correctly numbered.

If all requirements are complied with by October 1, the extension of the mail delivery will begin promptly. The recent decision of the Murray City Council to number all houses and mark all streets is more than compatible with the provisions as set down by the Postoffice Department.

Representing the Young Business Men's Club, who have been working on the proposition in an effort to mould the public opinion into favoring the marking of streets and house numbering, citizens of Murray feel that it is distinctly a credit to the organization and to Postmaster Waldrop that the extension of mail delivery service has become possible.

### J. H. JONES DIES WEDNESDAY AT 79

Funeral is This Afternoon at Beech  
Grove Presbyterian  
Church

J. H. "Buck" Jones, 79 year old resident of Calloway County on the Coldwater Road three miles northwest of Murray, died at his home late Wednesday afternoon of complications resulting from the effects of cancer. His last serious illness endured three weeks, but he had been ill for months.

His widow, Mrs. Saffie Jones, survives him, as also do two sons, Bernard, of Coldwater, and Walter, of Murray. Two brothers, Bob Jones, of Lakeland, Fla., and Ed Jones, of Myers, Fla., also are still living, and six grandchildren.

Mr. Jones was a member of the Beech Grove Cumberland Presbyterian Church, and his funeral will be held at the Beech Grove Church this afternoon with the Rev. A. D. Rudolph in charge. Burial will be in the Beech Grove cemetery.

Active pallbearers will be E. G. Neale, Carl King, Claude Anderson, A. B. Austin, Ed Diuguid, and G. C. Ashcraft.

A gentlemanly and Christian man, Mr. Jones throughout his life manifested those qualities which are characteristic of noble citizenship and devotion to faith.

### DR. J. H. RICHMOND IS NEW MEMBER OF TOLL SPAN BOARD

Murray State College Head  
Gives His Views Why  
Free Bridges Needed

SAYS WOULD HELP  
ENTIRE STATE AREA

Dr. James H. Richmond, Murray College president, Friday accepted a position as a member of the Kentucky Free Bridge Association after B. J. Lennihan, Paducah, president of the bridge association, had invited him to become a party to the advisory board.

President Richmond gave his reasons for accepting the boardship the very pressing need for free bridges in Kentucky and his desire to aid in that emancipation. "Freeing of Kentucky's toll bridges will benefit not only West Kentucky but the entire state," he said. "Kentucky—particularly West Kentucky—is situated in the central part of the United States in an area which normally would be traversed by hundreds of thousands of tourists and trucks in their travels from North to South and from East to West. Many bridges in this area have long forced these individuals to avoid Kentucky."

"Kentucky's scenic wonders, historic shrines, and the proposed \$112,000,000 TVA dam are certain to attract many visitors—their visit can be made economically and without interruption. Business relations and commerce between the various cities and communities are seriously handicapped by tolls on highway bridges. Citizens of any section of the state should be permitted to visit their state capital or their metropolis, Louisville, without the payment of prohibitive tolls. In fact, it is obvious that central Kentucky suffers by such tolls almost as much as does the western end of the state where toll bridges are most numerous."

"Incidentally," concluded Richmond, "the freeing of toll bridges would increase the range of service of Murray State College by making it possible for students to attend their home college rather than going elsewhere. Students from Trigg county, which is adjacent to Calloway, are forced to cross two toll bridges to go to their home college. With free bridges, students could drive to college daily, returning home each night. At present, this is virtually impossible."

Permanent and durable signs will be erected at all street intersections in Murray as an aid to motorists and pedestrians in determining location according to a decision of the town council in its regular meeting in the City Hall Friday night. A street committee has been appointed to make immediate investigations as to the number of signs needed and also to investigate the various types of signs to be obtained, and to investigate the cost of metal posts to erect same.

The council also ordered the city attorney to prepare an ordinance prohibiting the sale of beer from 12 o'clock midnight until 6 o'clock in the morning from 12 o'clock midnight on Saturdays until 6 o'clock on Monday morning. The ordinance will be taken up at the next regular session of the body for approval.

Allowing claims on the city treasury, the city heard the report of Joe T. Lovett and H. T. Waldrop relative to the annexation of College Addition into the city proper, and recommended that the streets be permanently marked and that all dwellings be numbered in College Addition.

C. C. Lee, high school janitorial employee, was deputized as a city policeman for the remainder of the present school term.

### Man and Wife Get Rabies Treatment

Mr. and Mrs. Robert Walker, of the Brandon's Mill community, began taking treatment this morning for the prevention of rabies after a dog with hydrophobia bit Walker at his home Sunday.

The canine, belonging to Thelma Edwards, bit Walker's hogs, chased and killed six of his chickens and two of his ducks, and bit many other fowls belonging to him.

It was while treating the ducks that Mrs. Walker believes she might have become infected and consequently is taking treatment. Several of the people in the community ate of the chickens and ducks the dog killed.

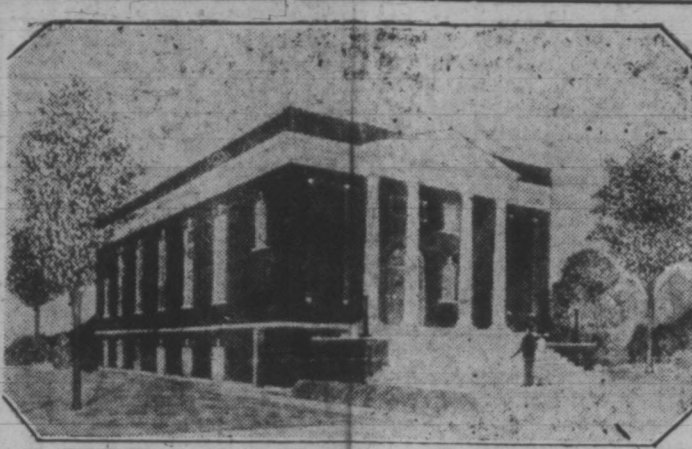

### Story To College Lassiter to Almo

Raymond Story, one of the county's ablest and most popular young school teachers, has resigned his position in the Western State College this year. Mr. Story has enrolled in the college of agriculture. Prentice Lassiter, also a widely known young teacher, has been elected to fill Mr. Story's place. Mr. Lassiter has successfully taught at Elm Grove and Outland the past three years.

Mrs. Story, who has been in charge of the primary department at Almo for the past several years, will remain at the school.

Mrs. Thomas F. Carruth is receiving treatment at the Mason Hospital.

### CLARK IS NAMED WEED SECRETARY

Former Bank Cashier Succeeds  
P. B. Ghossein as Tobacco  
Clerk

V. H. Clark, Murray, formerly cashier of the First National Bank here, was elected secretary of the Western Dark Fired Tobacco Association at a meeting of the board of directors in association headquarters here Saturday. He succeeds P. B. Ghossein, incumbent secretary.

Clark will take over the duties of secretary on October 1, according to General Manager L. L. Veal. In an election held on September 3, Boone Hill, Benton, was elected president of the Association and Veal as general manager. The Association expects to be cooperative sales medium for thousands of tobacco farmers in Western Kentucky and Tennessee this year. Its membership is more than 9,000, and constantly is increasing.

### Colt Show To Be At One O'clock

The Colt Show which will be sponsored by Leibert Jones, well known young stock breeder of near Lynn Grove, will begin promptly at 1 o'clock Saturday afternoon, September 25, at his home. It was made known today. Jones lives a mile northwest of Lynn Grove. Nine cash prizes will be offered without restrictions to colts bred on Mr. Jones' farm. Many are expected to attend this event, which is Jones' first attempt. He hopes to make this affair an annual one.

### Mr. and Mrs. Crit Farmer Celebrate Golden Wedding Anniversary Sunday

Mr. and Mrs. Crit Farmer celebrated their golden wedding anniversary at their home on the Mayfield Road Sunday with more than a 100 persons calling during the day to pay their respects to a family whose influence has been fruitful throughout the 50 years of their marriage contract.

A long table stretched across the wide veranda-like lawn, and it swayed under appetizing viands brought in by tribute-paying friends. It was decorated as wedding anniversaries used to be. A huge cake that lessened in circumference with each layer held the center of the table, and across its top in white icing, gleamed the word, "50th Anniversary."

Practically everyone who came in the forenoon brought baskets of food and conferred upon the honorees gifts expressive more of appreciation, good will, and respect than of lavishness.

More than 85 persons partook of the noonday meal.

Those present at the anniversary occasion were Mrs. Mary Butterworth, Mrs. Reginald Butterworth, Mr. and Mrs. A. J. Denham, Grace Nell Denham, Mr. and Mrs. F. M. Lockhart, Mrs. Harold Denham, Mr. and Mrs. Gaydon Darnell, Mr. and Mrs. Pete Denham, Mr. and Mrs. Otto Swann, Mr. and Mrs. Valentine, Mr. and Mrs. Mike

### DR. BUTTERWORTH ADDRESSES PTA ON INFANT PARALYSIS

Mrs. L. E. Owen, District  
Chairman, Will Make  
Trip to Louisville

W. B. MOSER HEADS  
SCHOOL WORKERS

Dr. A. D. Butterworth, prominent physician of Murray and a member of the Murray Board of Education, was the principal speaker at the initial meeting of the Parent-Teachers Association Friday afternoon, September 17, at 3 o'clock. Dr. Butterworth gave a worthwhile and beneficial talk on "Infant Paralysis," a subject which was vitally interesting to parents because of its prevalence in the county this year.

The Murray High band, under the direction of Everett Crane, rendered two selections, "On Wisconsin" and "The Thunderer."

Plans were discussed for raising money for the ensuing year and also for the district meeting of the PTA which will be held in Murray in October.

Mrs. L. E. Owen, district chairman, brought a short message to the audience. Mrs. Owen will attend the state PTA board meeting this week at Louisville. Murray citizens believe they are fortunate in having this representative, as it keeps the local PTA in direct contact with larger groups and keeps it well informed on matters of importance to any PTA.

After the business meeting refreshments were served by the executive committee.

Officers for the Murray PTA are W. B. Moser, chairman; Mrs. Gaunt Jones, vice-chairman; Mrs. N. P. Hutson, treasurer; Mrs. Bun Crawford, historian; Mrs. J. H. Coleman, librarian; Mrs. Joe Baker, finance; Miss Meadow Hulse, assisted by Mrs. Shelby Davis, membership; Mrs. Ronald Churchill, secretary; Mrs. D. Butterworth, Mrs. Max Hurt and Miss Lula Clayton Beale, program; Miss Myra Bagwell, publicity; Mrs. Dewey Jones, publications; and Mrs. Pat Hackett, assisted by Mrs. Roy Westphaler and Miss Margaret Holcomb, hospital.

According to Chairman Moser, every parent should become a member of the PTA as he declares it to be a splendid means of cooperation between parent and teacher. The programs are arranged so as to give instructive and beneficial help to both parent and teacher in solving child problems.

The next meeting will be held on Wednesday, October 6, at 3 p. m. at the Murray High auditorium. The seniors will have charge of the refreshments. Every parent is urged to be present and work towards making the Murray High PTA bigger and better for 1937-38.

### MRS. JOHN ROGERS IS DEAD OF CANCER

Lynn Grove Lady Succumbs After  
Seven Months Illness of  
Growth

Mrs. Johnnie Rogers, 42, died of cancer at her home near Lynn Grove Wednesday afternoon at 4:30 after a 7 months illness of cancer.

Relatives who survive are her widowed husband; her mother, Mrs. Angie Wilkins; two daughters, Miss Elsie Rogers and Miss Freddie Nell Rogers, both of the county; two sons, Eugene and Glenn Rogers, of the county; three sisters, Mrs. Bertie Frisbee, Washington, D. C., and Mrs. Jessie Cummings, Detroit; three brothers, Robert Wilkins, Texas, DeWitt Wilkins, Murray, and Chesley Wilkins, Lynn Grove, and one grandson, Max Gene Rogers.

She was a member of the Beech Grove Cumberland Presbyterian Church, and the Rev. W. O. Parr, Paducah, conducted the funeral services at Beech Grove at 10 o'clock this morning.

### Ted Howard Will Make Race for County Board

R. T. "Ted" Howard, one of the best known and most popular young farmers of the West side of Calloway county, announced this week that he would be a candidate for the county board of education in the November election. Mr. Howard said a formal statement of his candidacy would appear in an early issue.

Mr. Howard is a member of one of the county's most influential families and has always been a leader in public affairs.

### College Enrollment Exceeds 1,000 at End of First Day

George Hart's Picture  
Makes Courier-Journal

A picture of George Hart, cashier of the Bank of Murray and a member of the executive committee of the Kentucky Bankers Association, made the front page of this morning's Courier-Journal, of Louisville, where the Association is holding its annual meeting.

Mr. Hart was one of a group of three heading a large three-column cut on the front page, and one of the other two was F. P. Stum, former Murray banker, now of Madisonville. Mr. Stum is a former president of the Kentucky Bankers Association.

### LIMESTONE SALES REACH MANY TONS

Soil Conservation Service Also  
Distributes Phosphate  
for Sale

Under the soil conservation program of crop production and land building this year, 223.7 tons of triple-A phosphate have been used in Calloway county by farmers operating under the SCP. In addition to that amount, county agent's officials announced, 82.45 tons of the same grade phosphate have been ordered.

Although it is now too late to put in an application for the super phosphate, farmers can take advantage of the 20 per cent phosphate sold in town and be paid 75 cents per hundred pounds by the ACP for using it, provided it is not used on wheat or grass. The compensation there drops to 37 1/2 cents, according to the report. However, the ACP pays \$1.00 an acre for the growth of grass, and that would, it is claimed, produce a favorable balance.

At the same time that farmers were purchasing the phosphate, they used 1,540 tons of limestone for which they received payment from the government amounting to \$150 per ton. The lime, it obtained locally, just cost \$1.50, so all the farmer was out was his hauling expenses. Farmers already too have ordered 2,031 tons of the lime, but it has not yet been delivered. Such orders come through the Soil Conservation Office.

### Your Business WHAT'S THE NEWS?

Dale and Stubblefield have been remodeling their store shelving space this week. New open cases have taken the place of the former shelves and cases. New and more roomy shelving has also been placed in the apothecary. With these new shelves the merchandise will be fully displayed and in view of the customer.

The Murray Baking Company, operated by Jeff Paris and C. C. Salmon, is having its formal opening Wednesday afternoon, September 29, from one to six o'clock. The public is cordially invited to see their new bake shop located on North Third Street. The bakery has recently moved from their old location on Main Street to their new home.

Robert Swann's Grocery has recently undergone new decoration and remodeling. The display shelving has been newly painted and the store appears much brighter with the new-white decoration. "Scott-Lassiter Hardware Company has added a new display case fronting the door of their store. The case is very attractive and displays numerous articles under a top glass covering.

As fall approaches, many show windows of the different Murray attractions. Men's and men's attire for the fall is attractively displayed for the customers' eye, despite the summery feeling of the recent days.

### Singing To Be Held In Murray Sunday

John Key, prominent song leader of Calloway county and sponsor of singing conventions in this area for many years, announced today that the annual fall singing would be held in the courtroom of the Murray courthouse Sunday afternoon.

Audiences at singings sponsored by Key always report a splendid entertainment.

### CLASSES BEGIN ON TUESDAY; MANY ATTEND RECEPTION

Registration is Permitted  
Until October 4; New  
Teacher is Added

FOOTBALL TEAM  
GOES TO ABILENE

Including the 400 students who enrolled last week in the Training School, the total enrollment of Murray State College is already over the thousand mark, officials announced Monday at the close of the first day of registration for the fall term.

With registration permitted as late as October 4, officials predicted that the total for the semester would exceed 1,200 in all departments.

More than 700 students and faculty members were present at the first reception of the year Monday evening in the gymnasium of the J. W. Carr Health building in honor of the freshmen, representing the class of 1941. Games of get-acquainted nature featured the hour preceding the annual opening dance. Le Roy Offerman's collegiate swingtime orchestra furnished the evening's dance music.

Class work began Tuesday morning. In addition to the new faculty members previously announced, one other change was made Tuesday. Miss Louise Davis, Puryear, was appointed a member of the faculty in English and foreign language department for two months pending the recovery of Miss Beatrice Frye, who was given a leave of absence for that time on account of illness.

Tuesday evening an informal initiatory committee was in charge of a brief program presented by freshmen eds and co-eds on the front steps of Wells Hall. Wednesday afternoon students met in the auditorium for a rousing pep rally for the Thoroughbred football team which left immediately thereafter for Abilene, Tex., to play Hardin-Simmons University in both college's opening football games all of the season. Friday night, Wednesday night after supper the students staged another stirring pep rally.

Monday marked the opening of the fifteenth year for Murray College. The college first opened its doors in September 1922 with Dr. J. W. Carr, dean, as its first president. Dr. J. H. Richmond, former superintendent of public instruction in Kentucky, is now president of the college.

Thanksgiving holidays will be on November 25 and 26. Christmas vacation begins December 17, continues through January 2, 1938. The semester ends January 30, 1938.

### Stokes Attends Welfare Session

T. H. Stokes, president of the People's Savings Bank of Murray, left yesterday for Lakeside, Ky., where he today is in attendance with the State Welfare Board, now in convention there. Frederick A. Wallis, Paris, Ky., is chairman of the board.

Other members in addition to Stokes and Wallis are John C. Mayo, Ashland; Dr. W. A. Frost, Louisville; Mrs. E. C. Moore, Liberty; and the Hon. White Fugate, Middlesboro.

### Outry Paschall Opens New Cleaning Plant

Outry Paschall, well known Murray citizen, has opened a modern and up-to-date cleaning plant in the building next to the Murray Laundry, in West Murray. Mr. Paschall was for a while connected with the Crystal Laundry. The past two years he has not been associated with the laundry business, selling his interest at that time. Supervising the cleaning plant, Mr. Paschall has acquired R. A. Jett, a man of well-repute in cleaning business, having 25 years service in the cleaning business. He is well acquainted with all fabrics and is capable of giving each fabric the proper method of cleaning, as well as being capable of handling the most delicate clothing. Mr. Paschall makes his opening appeal in this week's paper.

Mrs. L. L. Lee is now receiving surgical care at the Mason Hospital after being admitted to the surgical ward on September 19.

to Erect a Memorial for Your Loved One

Mark every grave. Let not the cold November rain sweep with snowy winds over the unmarked bier of those whose memory lives so unforgettably in your mind.

It is natural for us to wish to commemorate in eternal granite the life and character of those who were of our heart and who now rest in undisturbed tranquility in the "lone couch of their everlasting sleep."

It is your duty to be faithful and it is your duty to remember. Build palaces of white beauty on the pure medium of your soul. Bind the generation before you to the one which follows with a fitting memorial.

**Our Monuments Are Guaranteed to Satisfy Customers in Material, Workmanship and Price Before You Pay for Them**

Many have been surprised to learn that a suitable marker may be purchased for as little as \$10. Prices range upward, but whether you buy a \$10 marker or a beautiful and massive receiving vault, you will get 100 cents on each dollar expended in quality, workmanship and service.

### JUST JOTS By Joe

This from the Corbin, Ky. Daily Tribune, speaks for every newspaper: "There are merchants in Corbin who do not believe in advertising. For reasons of their own they choose to think that when they pay the Daily Tribune for space they are making a generous donation to the livelihood of the editor and his cohorts. They prefer to think that the home town should have a newspaper as a matter of charity. This newspaper does not seek advertising upon the charity basis. We have for sale advertising space a commodity as valuable as any being sold on the American market today, provided the man who purchases it has a use for it. Advertising, Mr. Merchant, is not a fairy story, or a magic wand to wave over incompetent merchandising and transform it into a whooping success. Back of the advertising that a merchant pays for must be an ability to serve the public, efficiently and economically. These factors, plus wise and honest advertising, will make any business grow."

The Crawford boys, who operate the Corbin Tribune have operated their paper on a sound basis and have published it in such a way as to merit the hearty patronage of the people of Corbin. It is indicated by their success, which has enabled them to purchase the Hanlan County Enterprise, a daily published in that city, from Jesse Alverson.

John L., the editor of the Tribune, who goes to Harlan as the new publisher of the Enterprise, is the immediate past president of

the Kentucky Press Association; one of those rare types who is a good editor as well as cracker-jack newspaper manager and who has a statewide reputation from his daily column "Ravelings".

They have out hearty best wishes for a success at Harlan and we have no doubt they will attain it.

Anent the field scaffolding of tobacco to let the sun give it a bright yellow color before putting it in the barn for firing, which was discussed in this column last week on the suggestion of Keys Futrell, a member of the Dark Fired Tobacco Growers Co-operative Marketing Association.

Mr. Futrell was in our office Saturday and remarked that about two-thirds of the tobacco that is between Murray and Mayfield was being treated in this manner.

If the buyers want and will pay more for a bright colored leaf, Calloway county farmers should make every effort to obtain this color. A few cents more than the tobacco might otherwise bring is all clear profit for the grower.

Happily, Calloway county farmers have learned, in the past few years that the way tobacco is cured is almost as big a factor in its market value as the size and weight of the leaf.

A little thoughtlessness at the Murray-Dawson Springs game the other night on the part of a few members of the high school band looks bad for Murray—and especially for visitors who might be here. Members of the band began to stroll over by twos and threes before the final whistle blew.

We know these youngsters just

didn't think how that looked. Win or lose, we think it would be a good idea for the band to stay solidly in its place and march off the field, playing with colors high.

Incidentally, did you ever notice how ragged the end of a football game is? Everybody just gets up and straggles out with no semblance of order—like a gang of sheep wandering over a hillside.

Edward M. Seay, immediate past department commander of The American Legion of Kentucky, with two associates, both of them prominent Legionnaires, are organizing a non-profit co-operative marketing group for the purpose of finding wider and more advantageous markets for farmers' products.

This is a need that has long been desired and if Mr. Seay and his associates have found a workable plan they will have the hearty cooperation of those farmers who produce choice delicacies that are so keenly relished and bring a premium price in cities.

Mr. Seay is one of the state's ablest young business men as well as a leader of exceptional warmth and character and we believe he will meet with instant success in this move.

The Denhart slaying is completely expressed by the Biblical quotation that "those who live by the sword shall perish by the sword."

J. M. Cole was indeed a citizen and beloved Murray citizen and his death is keenly regretted by all who knew him. Mr. Cole was always kindly, courteous, tolerant, thoughtful of other people. He grew old gracefully and cheerfully without a semblance of childishness. To the last his mind was as clear and incisive as at middle age. It was a pleasure and privilege to know him and call him friend.

Our Tennessee neighbors, just over the line from Hazel to Paris, should be happy to have the Tennessee Highway Commission into that body surfaces or at least dust-treats that fine new highway.

What a splendid road it is—straight as an arrow from Hazel to Paris and eliminating all the terrible curves between Puryear and Paris—shortening the distance fully five miles.

But undoubtedly, it is the world's dustiest road. Dusts hang over it like a pall and driving the 14 miles from Hazel to Paris will put more filth in your lungs than 10 years work in a cement factory. No human being should have to endure such a siege of dust breathing as is required to drive that stretch of highway.

Modern traffic on a road so heavily traveled absolutely precludes such a dusty surface any longer than is absolutely necessary. The quickest way to get this road hard-surfaced will be entirely too long.

### Calloway County Singing Meet at Hazel Sunday Was Success—Parks

The Calloway county Singing Convention held at Hazel Sunday was in every respect a success, according to D. M. Parks, president, and Chester Marine, secretary, of the association.

More than 1,500 persons from all over Calloway, and adjoining counties heard singers from Paris, Harris Grove, Dover, and Lawrenceburg, Tenn. McCracken, Marshall, Fulton, Graves, Trigg, and Calloway counties in Kentucky vied in old sacred hymnals soothing to the ear.

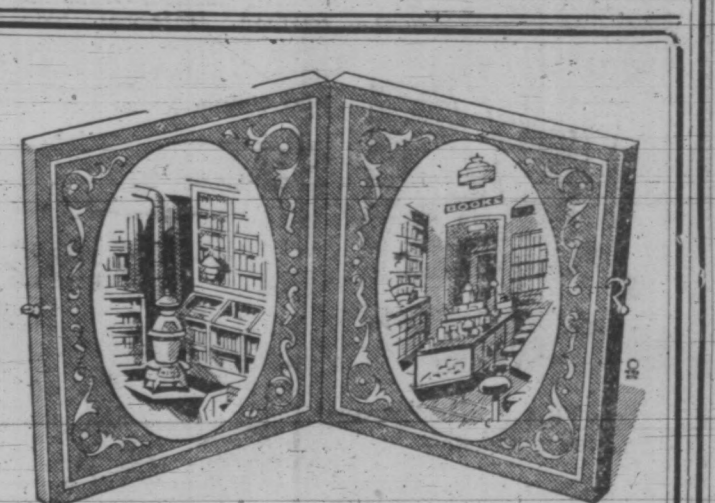

Among the singers were the Vaughan Quartet, WSM radio entertainers from Lawrenceburg, Tenn.; the Dunn Quartet, Harris, Tenn.; the Nichols Quartet, Marshall County; the Dover Quartet, Dover, Tenn.; the Palmer Quartet, Stearns, Ky.; the Kirksey Quartet, Kirksey; the Sunshine Quartet, Paducah; the Parks Quartet, Murray; the Evers Duet, Fulton; the Moore Duet, Paducah; the Roberts Sisters Duet, Paris; and W. K. Blalock, soloist, Mayfield.

The pianists were Dwight Brock, Lawrenceburg, Tenn.; Bill Matthews, Fulton; Otho Winchester, Hico, Ky.; Miss Ruth Byers, Fulton; Miss Mabel Nance, Dover; Miss Virginia Moore, Paducah; Mrs. Birdie Cunningham, Kirksey; Miss Maydell Taylor, Murray; Miss Rebecca Hill, Marshall county, and others. There was no deficiency in leaders.

Prof. Barber Edwards, Kirksey teacher, composer, and director, was present, and others among the huge crowd were Dr. Rudd, Fulton; Mr. Dunn, Harris, Tenn.; W. K. Blalock, Mayfield; Bill Matthews, Fulton; John Cunningham, Kirksey; J. W. Wofford, Dover; R. C. Cracker, Fulton; Wavel Hawkins, Paducah; Floyd Harroldson, Paducah; Boone Hill, Benton; Irvy

### Rogers Hast Cut From Piling Iron At Gilbertsville

Glenn Rogers, a resident of Five Points, is in possession of a 10 inch piece of iron piling which works on the Lower Tennessee Valley Dam at Gilbertsville are using as casing. The huge 16-feet-in-diameter cylinders are driven 96 feet in the ground by pile drivers on a derrick 130 feet high. At 96 feet they strike bed rock which serves as foundation for the massive \$12,000,000 structure which may be built across the river there. After the cylinder is driven, workers on the dam remove the dirt and mud from the hollow cylinder and leave a hole as deep as the steel casing. Some of the holes had water in them as a result of wells and TVA officials had a new power motor with a centrifugal pump 14 inches in diameter to take the water out. Mr. Rogers also had with him some nice ears of yellow dent corn which he found in a corn patch on the right-of-way for the dam.

### Battle of St. Mihel, September, 1918.

He was divorced from his wife a few years ago and then purchased a farm in Oldham county, near LaGrange while she continued to reside at their old home place in Bowling Green, where General Denhardt had served as county judge and, with his brother, owned the Bowling Green Times-Journal.

Denhardt was alleged to have slain his fiancée, Mrs. Verna Garr Taylor, last November. The first trial last spring resulted in a hung jury. Counsel for Denhardt contended Mrs. Taylor had committed suicide on account of the opposition of her daughters, brothers and other relatives to her supposed contemplated marriage to the general.

### Grogan-Wilson Wedding

A wedding of much interest to their many friends was that of Miss Edna Lee Grogan to Mr. Cheslie Wilson, which took place in Mayfield Sunday morning. The only attendants were Miss Marion Mills of Detroit, Mich., and Cyrel Wilson, also of Detroit.

The bride is the daughter of Dee Grogan while the groom is the youngest son of Mr. and Mrs. L. E. Wilson.

The young couple, accompanied by Miss Marion Mills and Cyrel Wilson, returned to Detroit Monday morning to make their home.

Five Hopkins county farmers harvested 20,000 bushels of peaches, selling them for a profit of \$1 a bushel.

A 10-acre alfalfa field belonging to S. O. Arnett, Mayfield county, is producing good hay.

Perry county farmers expect to seed 4,000 acres to grass and legume mixtures.

## Nature Cures Disease

Last fall I was called to a home to see a woman about 35 years old who was suffering from periodical chills and asthma. Mind you, she had been having chills and asthma off and on for five years. Several medical doctors and patent medicines had failed to get any permanent results.

I remember that on entering the home they had a bountiful supply of empty chill tonic bottles.

I gave her a spinal analysis and adjusted her accordingly. The next day she was decidedly better and after a series of chiropractic adjustments she was completely cured of chills and asthma.

During the winter months her son developed a severe case of pneumonia, accompanied with a high fever. A medical doctor was called and on account of the severity of the case he was placed in the hospital.

Three weeks later I was called to see the youngster. He was still running a temperature, one lung badly congested and a very serious heart trouble.

He had orders from his physician to lay very quietly in bed for six weeks, probably by then his heart would be strong enough for him to sit up.

Five days after he began taking chiropractic adjustments his former physician made a friendly call and gave the patient a thorough examination and then remarked, "A miracle has happened to you—no fever, heart normal, lung cleared up. You need not stay in bed 6 weeks, you can begin sitting up a little now if you like."

As the doctor started to go he said, "I do not see how you have made such progress in such a short time." I thank you, doctor, for the unintentional compliment, and may I suggest a little advice. You take a three year course in the Palmer School of Chiropractic at Davenport, Iowa, and then you will understand beyond a reasonable doubt why your patient got well so quickly.

This mother apologized for not calling me at the beginning of the case, and remarked, "I will never again doubt a Chiropractor on any disease acute or chronic."

This incident happened in Calloway county, in and near Murray.

I sometimes wonder what it would take to convince people. Man began to take medicine when he was a savage and it never has cured a case, and the cemeteries are full of its failures. Chiropractic has made the blind see, the deaf hear, the lame walk. It has cooled scorching fevers. It has cured all kinds of diseases as millions can testify.

Chiropractors rarely ever lose an acute case if they get the case at the beginning.

They use no medicine or drugs. They merely put vertebrae back in place, line up the spine and the patient gets well.

### Injuries During Week

Run to Simple Ailments

Small injuries were numerous during the week, but only the wreck Saturday afternoon in which a vehicle in Miss Ruth Farley's spinal column was fractured was a serious one.

Buford Yarbrough, of Murray route 7, received treatment for a sprained shoulder; Rex, the small son of Eunice Jeffrey, cut his hand Tuesday on a piece of barbed wire and required treatment; the small child of Mr. and Mrs. Thomas Redden pulled a chair down on his head yesterday and cut a gash which required several stitches to close.

James Johnson, Danville, a Murray College football player, broke an arm in practice last week; Louis Applegate, Neptune, N. J., president of the Student Organization at Murray State and football player, received treatment for an injury.

### ...if you have an IRON FIREMAN

Automatic Coal Burner

The most comfortable heating any home has is the kind that saturates the entire building with a steady, continuous flow of mellow warmth. That is the kind of heating job an Iron Fireman does—plenty of heat all the time all the way through.

Floors are warm and stay warm. Coal gives off its heat steadily. The fire is never suddenly blazing hot one minute and "dead as a mackerel" the next. It is always there—always giving off heat. It regulates itself automatically.

That is why we say that Iron Fireman heating is the most wholesome and comfortable, as well as the most economical. Iron Fireman heating costs far less than any other form—even less than hand-firing. Install an Iron Fireman in your present heating plant. You'll get the finest, most economical heating that money can buy.

## TIGERS' VICTORY SPOILED BY ERRORS

Fumbles Costly as Holland's Men Win Conference Opener Over Dawson

Ty Holland's Murray High Tigers are leading the Western Kentucky Conference at least for the time being as a result of their 21-0 victory over Dawson Springs here last

Friday night before Boosters' Night. Crowd of approximately 1,800 rooters.

Despite the score, the fans on the bleachers and Coach Holland on the bench were kept in a nervous frenzy all night by the frequent fumbles of the Murray boys and virtually everyone was recovered by the Panthers. It was doubtless a record for bobbles and was caused by three factors. The invaders were "tackling the ball," the Murray backs were in their first game of the season and the dew from the grass made the pigskin as slippery as a greased hog.

Buchanan kicked and recovered when Buchanan fumbled on Murray's 35 yard line. Promptly they made their first of two first downs. Capt. Wilson recovered a Panther fumble on Murray's 22. Cutchin made a first down on the 40 yard line and, when Gingles circled left end for 20 yards to Dawson's 40-yard line it appeared that Murray was off to the races.

Cutchin made a neat toss to Gardner for a 17-yard gain and then smashed off right tackle for another 7-yard gain. Buchanan then crashed over left guard for the score and also converted on a similar buck off the right. The Murray backs aided by some fine work on the part of the line, were literally tearing the Dawson defense to shreds and gaining at will—but they had not reckoned with the ghostly series of fumbles they were shortly to face. It seemed that it would be a rout.

The second and third quarters were mostly a routine of Murray making two or three long gains

and fumbling. Dawson recovered, finding the Tiger defense too tough and kicking back. Twice the Tigers got within the 10-yard line but lacked a punch and the timer's whistle at the half certainly saved Coach Holman's boys from another touchdown—being counted on them. During these two periods Murray made four bobbles and the Panthers one. For a few moments it seemed to be Alphonse and Gaston trying to hand each other the privilege of the offense.

The same thing went on at the start of the fourth quarter but finally, young G. W. Gardner, who played a bang-up game both offensively and defensively in his first start, cabbaged on to a Dawson fumble on the Panthers' 35 yard strip. Cutchin passed to Gingles for a first down on Dawson's 20. Buchanan made another around left end and Cutchin plunged over. Buchanan added the extra point with another line smash.

The Tigers were not long in pushing over the final marker and some of the gentry in the stands who had exemplified their faith in Ty's boys with a little wager on 50 points exhaled great sighs of relief.

Dawson received but still could not gain. The Panthers were penalized 15 yards for tackling Cutchin in midfield after he had signaled for a fair catch. The Murray field general made a nice gain around right end and after some help from Buchanan and Gingles in placing the oval in scoring position crashed over for his second touchdown. Little Rob Young converted.

Though the opposition was weak, Holland's team gave great promise of going places before the season is over.

Some of the youngsters under fire during an entire game for the first time performed with high credit. Billy Jones, who supplanted Billy Puckett at blocking back, didn't share any of the ballcarrying glory but came through with his assignments in fine style. Crider played an able game at right tackle. Mahan gave a good account of himself at end and Capt. Wilson proved himself to be living up to the fine leadership of Tiger captains for the past several years.

Pat Gingles was nervous on punts playing safety but it was Pat's first assignment under such a spotlight. He fought hard and effectively all evening.

For the visitors, Carlton was a standout, doing most of the work both on offense and defense as well as being looked to for leadership by the Panthers, who were playing their first game in two years.

The Tigers play here again Friday night, meeting Greenfield, Tenn. This eleven game Holland's boys' quite a battle in the season opener last year. The following week, Metropolis comes here for a night game and, on October 8, the Bengals will resume their conference campaign in the annual battle with Mayfield, Tenn. at night.

## Havens' Subject Is "Denhardt Murder"

"The Denhardt Murder," will be the subject of A. V. Havens, minister of the First Christian Church, at the Sunday night church service, next Sunday. In announcing the sermon, Mr. Havens stated, "It may be profitable to occasionally be concerned about the murder of Abel and the sins of David. However, I believe we are more concerned about present-day murders and modern sins. Surely," Mr. Havens said, "the church must speak out and apply its message to the things that are happening about us every day." The service will begin at 7:30.

"Jesus Came Praying," will be the sermon at the Sunday morning service which will begin at 10:45. The Sunday School will begin at 9:30. Sunday morning, led by Superintendent George S. Hart. The Young People's Society of Christian Endeavor will have Open House Sunday afternoon at 5:30. The Endeavor meeting will follow at 6:30 in the young people's parlor.

The Junior Christian Endeavor Society will meet at 6:30 in the Sunday School auditorium. The Mid-Week Meeting will be held Wednesday night at 7:30.

## MURRAY HIGH SCHOOL

By Clara Waldrop  
Football

Murray High opened her 1937 football schedule with a 21-0 victory. Our Tigers met the Dawson Springs eleven Friday night at 8 p. m. The game was no push-over and our boys had to fight every minute. The first touchdown was in the first quarter with Buchanan carrying the ball over. The second score came in the fourth quarter with Cutchin, smashing over the line for the tally. The final seven points were added in the final quarter as Cutchin again carried the ball across and Rob Young added the extra point on an end play.

Two outstanding features in the game were the passes made by Cutchin to Gardner. All the boys played hard football and if they

## Miss Melugin To Study at L. S. U.

Miss Jane Melugin, popular young graduate of Murray State College, left Tuesday for Louisiana State University in Baton Rouge where she will work on her Master of Arts degree, seeking a major in biology.

Miss Melugin, ranked in both her junior and senior years as one of the 14 outstanding students at Murray State College, was assistant in the biology department of the college during her last two years, was an outstanding art student, president of the Portfolio Art Club, and took part in numerous campus activities. This summer with Jimmie Bailey, she has managed the Murray City Swimming Pool.

### CHURCH OF CHRIST

Lord's Day: Bible study at 9:45 preaching at 10:50 and 7:15 o'clock. We are happy to welcome the students back to our city. In this day of scepticism, it is encouraging to find young people who really believe the Bible. As for me, I believe that Jesus died and arose from the dead, that the whole account of creation is true.

The subject of the morning worship will be: "The Crucifixion." Many try to explain away the miraculous power of the scriptures. We shall dwell somewhat on the credibility of the witnesses in discussing the "Crucifixion." The week-day program includes: Prayer meeting Wednesday at 7:15 p. m. Bible class for young people Thursday at 7:00 p. m. and Bible class for Women at 2:30 p. m. on Friday.

C. L. Francis, Minister

### MAGUIRES RETURN

The Rev. and Mrs. Bruce Maguire, who spent the summer attending Ohio State University at Columbus, returned here this week to take up their continued residence here.

The Reverend Mr. Maguire is pastor of the Presbyterian Church in Murray and has instituted a drive to erect a building for his congregation's worship. During their stay in Murray last spring both he and his wife gained many friends.

## DOUGLAS GRIDDERS TO MEET MAYFIELD

Coach Leon Miller's Men Will Open Play Here Friday Afternoon at 3 o'clock

Douglas High School (colored) will open its 1937 grid season on the local field Friday afternoon at 3 o'clock with the Mayfield eleven. Coach Leon Miller, of the Douglas Bull Dogs, has stated that the admission price will be 25c.

Two years ago the Douglas squad lost its most valuable men by graduation and Coach Miller had the task of building his team from the ground up with new and inexperienced material. Although his squad is slightly below the average weight of former Douglas teams, the Douglas coach stated that the prospects of a winning team for the season were good.

The "air game" will be the chief scoring threat for the Murrahans with end around plays with the light but fast backs coming as the second offensive thrust.

The probable lineup for Friday's game will be: Paul Miller, left end; Chester Perry, left tackle; Warren Johnson, left guard; Howard Wilson, center; R. G. Stubblefield, right guard; Gilbert Ross, right tackle; Ernest Skinner, right end; Charles Rowlett, quarter; L. B. Skinner, right half; Junior McGhee, left half; G. T. Skinner, fullback.

The game will begin promptly at 3 o'clock on Douglas High field.

BARNETT DISPLAYS DAHLIAS

## Revival Begins at Providence

The revival meeting will begin Sunday, September 26, at 3 p. m. at Providence. Rev. J. J. Owens, Fulton, will do the preaching. K. G. Dunn, pastor.

Alton Barnett, of South Eighth street, Murray, brought into the office Wednesday morning two huge pink dahlias which were at least 6 inches in diameter. Barnett said some of the flowers in his plot had grown as large as ten inches in diametrical measurement across the flower circle.

## EARLY FROSTS HIT CALLOWAY DURING WEEK. NO DAMAGE

**Tobacco Crop is Large in Kentucky. There is a Shortage of Cutters**

### LOCUSTS RAVAGE ARGENTINE CROPS

Nineteen-thirty-seven's first autumn frost, light and soon dissolved, silvered the bottom lands last Thursday night, and supplemented its initial performance with a similar spread on Friday night.

It did little if any damage, scarcely biting the tender tips of tomato vines, and not affecting standing tobacco at all. Perhaps it may slightly have aided the maturing of late corn and cotton, and it did serve warning on delinquent harvesters that it is no longer summer time.

Large yields of tobacco in Calloway county bear out the government's pre-season report that this year's would be the largest crop in decades. Already there is a shortage of help in cutting and housing Kentucky's largest tobacco crop, which may exceed last season's by 118,000,000 pounds, according to a report released this week by the United States Chamber of Commerce.

Indiana reports a tobacco crop which may exceed 334,800,000 pounds and Indiana corn is expected to bring \$22,000,000 more than last year.

Reports of high production in tobacco in America are compensated somewhat by word which declares that in Australia the production is off 17 per cent, and the poundage there this year will not be more than 4,850,000 pounds.

Feed is short in Canada, and as a consequence farmers there are having to sell much of their livestock. Local reports state that about 300,000 head over the normal number usually sold with a total value of \$7,000,000 will be offered this year. A number of American livestock buyers are already operating there.

Hordes of locusts are ravaging the grain fields of Argentina, and the government is providing corrugated iron sheets and almost 30,000 flame throwers to combat the pests. Argentina has made arrangements recently to purchase a great many more pounds of United States tobacco.

### Ahart, Workmans To Take Vacation

Miss Elaine Ahart, supervisor of the local WPA Sewing project, and Mr. and Mrs. Lloyd Workman, operators of the "Day-Nite Lunch," will leave Sunday for a week's vacation tour of the mid-west.

The group will visit Mrs. Workman's father and mother in Oklahoma. Their itinerary will include Hot Springs and Little Rock, Ark.; thence to Oklahoma City, and from there to Shawnee. They will return to Murray on the following Friday.

This will be Miss Ahart's first vacation since she became supervisor of the WPA Sewing Work almost three years ago.

### SKINNER'S HOUSE BURNS

Fire late Friday destroyed the home of Felix Skinner, colored, on his lot on North Third Street. Skinner saved little of his personal belongings. Insurance partially covered the loss of both building and its furnishings.

### Hall McCuiston Candidate for School Board Member

To the Voters of Calloway County School District:

In making my announcement as a candidate for membership on the County Board of Education of Calloway County, I should be very ungrateful if I did not thank the people of Concord Educational Division for the loyal support they gave me four years ago when I was defeated by the small margin of only three votes.

I have been a citizen of the East side of the county, all my life. I am thirty-seven years old—just the age to be neither too young nor too old for the duties and responsibilities of the office I am seeking. I have been interested in school work all my life. Having taught in the public schools of the county for fifteen years, I am therefore intensely interested in the advancement of education in my county. With the knowledge I have gained through my teaching experience and the common sense I hope I have, I am persuaded to believe, if elected, I can make a very efficient member of the County Board of Education.

I am in favor of every child in the county having the very best opportunity available but I do not favor the advancement of any child to the detriment of other children. If I am elected, shall not be a Board Member for Concord District alone but I shall work for all the children of the county. As the welfare of the children of the county depends to a very great extent upon the ability and efficiency of their instructors in the schools, I am in favor of every teacher in Calloway County having an equal opportunity to demonstrate his or her fitness.

## SOIL SERVICE HAS WINTER CROPS ON FARM NEEDS LIST

**Says Cover Crops Will Protect Soil Against Erosion and Fertility Loss**

### PROVIDES GREEN MANURE GROWTH

Winter overcasts will be needed for bare lands, not to keep the soil warm but to keep it at home according to Wallace G. Smith, superintendent of CCC Camp SCS-14-Ky, operating under the supervision of the Soil Conservation Service.

Cover crops will serve a dual purpose of protecting the soil against erosion and increasing the fertility of the land. A good ground cover established during the fall growing season will provide protection against rains of winter and early spring.

"Cover crops which have made good growth before winter sets in will also provide more material to be turned under as green manure. This green manure will increase the fertility and humus content of the soil and enable it to absorb more water, thus further reducing the erosion problem."

Getting a good growth of winter legumes, while highly advisable, may sometimes present a problem. Mr. Smith warned. Proper inoculation and soil and moisture conditions at the time of planting must also be considered. He suggested that interested farmers contact Matt Cheaney, the camp conservationist.

In Calloway county, farmers are already planning to devote extensive acreages to rye, winter turf oats, and wheat to provide protection for the land during the season when the land is usually bare of vegetation.

### to teach in the public schools of the county.

Having been induced to make this race by men and women who are interested only in the development of education in Calloway County and who have no selfish motives whatever, I shall therefore be at liberty to let my best judgment and my conscience be my guide to the solution of any and all problems coming before the County Board of Education. As I shall not be able to see every voter in the county school district, please accept this as my personal appeal for your vote and influence. To those who do not know me personally I respectfully request you to search my record as a citizen and a school man.

My motto is "Equal opportunities for all the school children of the county and also equal opportunity for all the teachers of the county to teach in the county schools."

Yours respectfully,  
Hall McCuiston

### Marshall Post of Legion Will Meet

The Harrison Vickers Post of the American Legion is sponsoring an outdoor rally Wednesday night, September 23, at Gilbertsville, with the principal address being delivered by Holland G. Bryan, Paducah attorney, according to an announcement made this week by W. B. Kennedy, commander of the Harrison Vickers Post.

Joe T. Lovett, executive committee member for the state-at-large, will appear on the program. Several hundred persons will be present to take part in the rally, officials expect, and a loud speaker will be installed.

Committees are now working out a complete musical program for the entertainment and enthusiasts proclaim that "you can hear anything from a French and Jew harp to a drum and bugle corps."

### CHRISTIAN SCIENCE

"Reality" is the subject of the lesson-sermon which will be read in Churches of Christ, Scientist, throughout the world on Sunday, September 26.

Among the citations which comprise the lesson-sermon is the following from the Bible: "Blessed be the Lord God, the God of Israel, who only doeth wondrous things. And blessed be his glorious name forever, and let the whole earth be filled with his glory." Psalms 72.

The lesson-sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "To grasp the reality and order of being in its science, you must begin by reckoning God, as the divine principles of all that really is."

## Child's Foot Is Seriously Burned

Robbie Eugene Armstrong, 3-year-old son of Mr. and Mrs. John Armstrong, seriously burned his left foot last week when he stumbled and fell into live coals near where his mother was washing.

Physicians who came quickly to bandage the lad's foot said it may be a year before he can walk.

Robbie Eugene had his collar bone broken in July when a dog knocked him off the porch to the ground.

## MISS RUTH FARLEY INJURED IN WRECK

Albert Hale Also Is Hurt; Miss Gerry Barnett and Lomond Holland Unhurt

Miss Ruth Farley received a serious fracture of a vertebra and Albert Hale sustained shoulder injuries and fractured ribs in an automobile turnover between Hazel and Puryear Saturday afternoon about 4 o'clock. Two other occupants of the car, Miss Gerry Barnett, who was driving, and Lomond Holland received only minor bruises.

The car, veering in loose gravel, turned three somersaults, it was reported, and was completely wrecked. Miss Farley, who was taken to a local hospital, was placed in a cast, and doctors report she has an excellent chance for a complete recovery.

The car was the property of Hale, who with Holland had just returned from Detroit.

Miss Farley is the daughter of Mr. and Mrs. Putnam Farley. A minor collision in which no one was hurt and in which neither car was seriously damaged took place Saturday afternoon near the Court Square in Murray when a car driven by Wayne Rayburn, former state representative and now head of adult education in this area, came in contact with a car belonging to T. L. Smith, local grocerman.

### METHODIST CHURCH NOTES

Sunday, September 26, 1937

These glorious autumn days, with all the splendor of nature about us, should turn the hearts of all to God in thanksgiving. No better way to manifest this spirit of gratitude than to go to God's House.

We welcome to our Church school and to the worship services at our church the Methodist students of the college. Of course all are welcome but we feel that the students from Methodist homes will honor their parents by their presence at the church of their former years.

Prof. Fibbeck teaches the college class and you will find his messages timely and helpful.

At the morning hour, 10:59 o'clock, the pastor will preach on "The Christian Soldier" and it would be a pleasure to him to have the ex-service men of the congregation present at this service.

At the evening hour, continuing the sermons on the Ten Commandments, the pastor will study with you the fourth commandment, that one which sets apart a Holy day. It is a matter of great gratification to report to our people that the "old church debt" has been paid, the church trustees taking up the notes last Monday morning. We thank our people for their fine response.

Our young people groups afford your children and young people an opportunity for Christian development.

Within a few days the pastor will organize among the Methodist students at the college a group of Christian workers.

Every church in Murray welcomes you to its services and you will find at every one of them a fine group of Christians.

### School Changes Made

Fred Clark, popular young instructor in the fifth and sixth grades at Faxon, resigned this week to accept a position in Troy, Tenn. Miss Fay Rogers, Murray, replaced him as instructor at Faxon.

Raymond Story, Almo, who was teaching in the seventh and eighth grades at Almo, also resigned to go to Western State College at Bowling Green and work on his Smith-Hughes degree in agriculture. He was replaced by Prentice Lassiter of the Elmo Grove community.

## Almo Community and School Fair Will Take Place on October 1-2

The Almo High School and Community Fair will take place in Almo Friday and Saturday, October 1 and 2, with prizes offered in many divisions and with a most interesting program to start the fair off beginning at 9 o'clock Friday morning, according to Guy Billington, principal of the Almo High School, who is in charge of the fair committee.

From 9:15 to 9:45 o'clock on Friday morning, Joe T. Lovett, editor of the Ledger & Times, will address the audience, and immediately preceding his speech the men's quartet of Murray State College will sing. Declaration and spelling contests will follow Lovett's address, and from 1 o'clock until 2:00 will take place the school parade—including every school in Calloway county which wishes to take part. A prize of \$1.00 will be given the school having the biggest attendance in the parade.

## MICKEY ROONEY VERSATILE SONG AND DANCE MAN

Mickey Rooney showed that he could give direction as well as take it during the filming of Monogram's "The Hoosier Schoolboy" now playing at the Capitol Theatre.

Mickey, who is considered in Hollywood as quite an adept pianist and tap dancer, taught young Anita Denison a few steps in the art of "swing" piano playing. The lessons were given when the company wasn't working and during luncheon.

Rooney is the leader of a twelve piece orchestra and was recently signed by a leading radio network to a long term contract. Besides waving the baton in front of his band, he has also written several musical numbers.

"The Hoosier Schoolboy" concerns the story of Shockey, a Hoosier schoolboy, and his shall-shocked father, Captain Fred Carter. Replete with amusing as well as heart-stirring events of a small town in Indiana, it offers refreshing departure from the usual entertainment channels.

Seen in support of young Rooney are Anne Nagel, Frank Shields, Edward Pawley, and William Gould. William Nigh directed from the screenplay by Robert Lee Johnson. Ken Goldsmith was associate producer.

## Around Paschall School

Another week has slipped by with fine pleasant weather. Most everyone of our sick is showing improvement. Cutting tobacco and canning fruit is the order of the day.

Abb Phillips and family had as their guests on September 10, Mr. and Mrs. Will Cochran and children. Hildred and William, of Royal Oak, Mich.

Mr. and Mrs. Hollon Jones and daughters, Annie Jean and Bobbie Nell attended church services at North Fork Sunday. They were accompanied by Mrs. Jones' grandniece, Mrs. D. J. Wilson.

Mr. and Mrs. Curly Holley had as their Sunday dinner guests, Mr. and Mrs. Hoyt Jackson and daughter, Jaunita.

Mr. and Mrs. Harold Smotherman visited relatives in Tennessee Saturday night.

Miss Gailly Hall is expected to return to her home Saturday. She has been employed at Hazel the past month.

Miss Chora Nance visited Mrs. Laura Hall Sunday.

Mrs. Hall's radio is back in operation ready to get good programs from stations far and near.

Miss Mary Katherine Morris, who has been ill for several weeks, we are glad to report is some improved.

The singing convention was held Sunday at Hazel with an enormous crowd present. Among those present were Mr. and Mrs. August Wilson, of Mayfield, Mo., and Mrs. Lewis Cosby, Mr. and Mrs. Norton Foster and children, Joe and Fay, Mr. and Mrs. James Hester Foster and little son, Jimmie Dale, Mr. and Mrs. Paul Humphreys, Sylvester Wilson, Mr. and Mrs. Holton Byars, Inez Byars, Mr. and Mrs. Buren Baker and

daughters, Freda Gaye and Milla. The singing was good with the Vaughan quartet present and many more good singers.

Miss Eyon Paschall visited in Crossland Sunday.

Mrs. J. W. Richardson of Gary, Ind., recently underwent an operation of the head and nose.

Reports here state that she is doing very well at the present time. Mrs. Richardson was formerly Miss Lela Humphreys.

Mr. and Mrs. Merit Motheral left recently for Gary, Ind., to take up work there.

Mr. and Mrs. Buren Baker will soon have a beautiful home with some new house erected.

Will Baker was one among the large crowd at Hazel Sunday.

Mr. and Mrs. Orrie Key and son, attended church at North Fork Sunday.

Mr. and Mrs. Jess Henly and little son, Melvin Brent, moved to their new home southwest of Murray last week. Mr. Henly's mother, after visiting with relatives for a few days, will be at home with Mr. and Mrs. Henly.

Mr. Henly is one of the oldest ladies in our community but is still active and jolly and still works at her quilt piecing. We love the older people and like to have them. I don't believe we could get along the way without them.

Mrs. Coy Orr attended the singing at Hazel Sunday.

Read James 3 and 4.

Cuffie Holly is ill at this writing with a head trouble.

Thacker Paschall is reported as better.

Mrs. Opal Smotherman shopped in Murray last week.

All that enjoy reading the good, old Ledger & Times say I'll be well it seems we all do, and wasn't it a great big paper last week—I, 2, 3 sections in it. We hope it will be larger next time.—Golden Lock.

Abb Phillips and family had as their guests on September 10, Mr. and Mrs. Will Cochran and children. Hildred and William, of Royal Oak, Mich.

Mr. and Mrs. Hollon Jones and daughters, Annie Jean and Bobbie Nell attended church services at North Fork Sunday. They were accompanied by Mrs. Jones' grandniece, Mrs. D. J. Wilson.

Mr. and Mrs. Curly Holley had as their Sunday dinner guests, Mr. and Mrs. Hoyt Jackson and daughter, Jaunita.

Mr. and Mrs. Harold Smotherman visited relatives in Tennessee Saturday night.

Miss Gailly Hall is expected to return to her home Saturday. She has been employed at Hazel the past month.

Miss Chora Nance visited Mrs. Laura Hall Sunday.

Mrs. Hall's radio is back in operation ready to get good programs from stations far and near.

Miss Mary Katherine Morris, who has been ill for several weeks, we are glad to report is some improved.

The singing convention was held Sunday at Hazel with an enormous crowd present. Among those present were Mr. and Mrs. August Wilson, of Mayfield, Mo., and Mrs. Lewis Cosby, Mr. and Mrs. Norton Foster and children, Joe and Fay, Mr. and Mrs. James Hester Foster and little son, Jimmie Dale, Mr. and Mrs. Paul Humphreys, Sylvester Wilson, Mr. and Mrs. Holton Byars, Inez Byars, Mr. and Mrs. Buren Baker and

daughters, Freda Gaye and Milla. The singing was good with the Vaughan quartet present and many more good singers.

Miss Eyon Paschall visited in Crossland Sunday.

Mrs. J. W. Richardson of Gary, Ind., recently underwent an operation of the head and nose.

Reports here state that she is doing very well at the present time. Mrs. Richardson was formerly Miss Lela Humphreys.

Mr. and Mrs. Merit Motheral left recently for Gary, Ind., to take up work there.

Mr. and Mrs. Buren Baker will soon have a beautiful home with some new house erected.

Will Baker was one among the large crowd at Hazel Sunday.

## Cole's Camp Ground

I can't think of any thing this week to write about, so I thought I would write about those fine people who live in this neighborhood. Maybe they won't whip me this time.

First thing, let me look out at the window and see if Mrs. Taylor Crouse has her clothes out on the line. Yes there is a long line of pretty, clean-white clothes hanging out the very first thing on Monday morning. She surely does get ahead of the rest of us with her washing.

I will drop down here now at Don Wilson's and Mr. and Mrs. Roney Wilson's. I don't see them very often so I can't write much about Mrs. Wilson, although I can say she has a sweet little baby girl named Shirley Ann. And then there is Don Wilson who we all like to see coming to see us. We always have a kind word for everyone.

I really meant to skip T. A. Oliver's home, but looks like they are here in the neighborhood so I will just say a few words about them so they won't be mad. You folks around here know they are there for T. A. is heard far and wide hollering at his stock and his wife is a fine woman.

I am coming by your home now Mr. and Mrs. Robert Edwards. Just as I expected. Your home is so clean and shining, just like a new pin. Mr. Edwards goes to work so early every morning that we sometimes wonder whether he sleeps any at night.

We now stop at Mr. and Mrs. Guy Moore's for dinner. Mrs. Moore is hustling around in the kitchen preparing some fine dishes for some of her children who are visiting her from Detroit. What is that disturbance down at the stock barn? Oh, that is Mr. Moore "trailing" that cow with a pailing for kicking his wife a month or so ago. I think I will go on over to Mr. and Mrs. Robert Crouse for a visit.

There is always a kind "hello" from Mrs. Crouse and we stay there awhile and if you don't have peaches, tomatoes, and apples, they are always giving you more than you can carry home. I have stayed here long enough so guess I had better wander home now and write some news. There people are getting scared a little about their tobacco that is still in the fields as Jack Frost is threatening to bite it.

Mr. Tidwell's fine horse died last week.

Guess we will have to go over to Olive Tidwell's to eat ham meat and writer as he left Wednesday pokers in the pen now.

It was very much surprised Sunday when I got home and found a note on the door saying that Mrs. Gibbs had been to see me and that they were very anxious to see Cole's Camp Ground writer. I am sorry I wasn't home. But, if you had seen me you wouldn't have seen a person of beauty but just a woman that helps work in the tobacco, corn, and cotton and she surely has that sun tan complexion. Hardie Wilson, Grover Gibbs and Charlie Guthrie were with them. Mrs. Wilson and Mrs. Gibbs are daughters of Charlie Guthrie. I invite you people to visit again sometime when I will be at home.

Hello Sis! I am wishing for you a very happy birthday and only wish I could be down there to put you under the bed.

Happy Jay, you tell that little girl that lives on the hill that she got here too late with that per-simmon poe-tice, for I have quit talking when I am at church. One time I did get called down. As she has you wondering about it I will tell you the story. Well, it happened when I was about 15 or 16 years old when I and one of these "juicy Spicers" were talking about a boy's hat and Brother Pigue called us down. I think we dropped the hat subject at once and from that day till this day have talked inside of a church.

Thanks for the poe-tice just the same but you can give it to someone else.

Mr. and Mrs. Parvin Adams and son, Brent, Mr. and Mrs. Dutch Oliver and daughter were Sunday dinner guests of Mr. and Mrs. Charlie Adams of near Penny.

Mr. and Mrs. Albert Allison attended Sunday School at Union Grove Sunday—Sweet Pea.

Mr. and Mrs. John Duncan, Mr. and Mrs. Rob Duncan were guests last Sunday of Mr. and Mrs. Loyd Lawton.

Mr. and Mrs. Guy Lovins, "Aunt Sis" McCure, and Miss Annie Willis were Sunday dinner guests of Mr. and Mrs. Ed Lovins.

Mr. and Mrs. Oren Hulson and son, of Buchanan, Tenn., spent Sunday with Mr. and Mrs. Conrad Hulson.

Mr. and Mrs. Sims Garner and son and Clyde Mitchell returned to Detroit last Saturday.

Mr. and Mrs. Houston Lax are the proud parents of a fine baby girl born Monday night. The little miss has been named Wanda Fay. Mr. and Mrs. Cleve Lax and children and "Aunt Lou" Housden spent Sunday with Mr. Lax's par-

ents, Mr. and Mrs. Frank Lax. Mrs. Frank Lax is improving slowly.

"Uncle Bud" Todd, who is confined to his bed, is slowly improving.

Mr. and Mrs. Ivy Wilson, who have been visiting Mrs. Wilson's sisters and brothers, returned to their home in Bowling Green, Ky., last Thursday.

Yes, Pop Eye, my health is a little better this week. I am able to sit up a little again but still unable to do any work. I am glad that you enjoy reading my letters and poems.

Happy Jay, I enjoy reading your letter, too, and hope you will write again this week.

Johnnie Simmons is on the sick list this week.

The harvest days are here again. The goldenest of the year.

Old Dixie's face is all aglow. Her heart is full of cheer; The cotton fields are fleecy white. The crop is wondrous fair; The pickers' song is brisk and strong. There's gladness in the air.

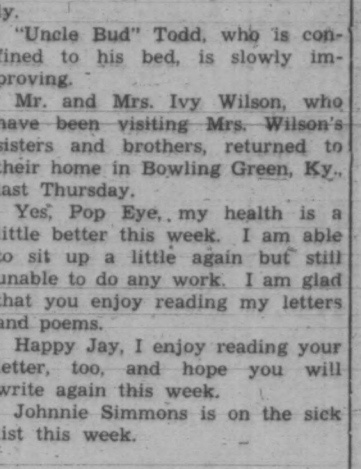

The wheat is garnered in the barn. The corn is in the shock; And sorghum juice for winter use is waiting in the truck.

The men awhile with ribs of steel Embellish seas of hay; While urchins tease the apple trees throughout the gladsome day. The pies are crustling in the pans, The spareribs in the pot; And biscuits brown and light as down Are crisp and piping hot.

Oh! harvest time is here again, The gladsome of the year; Old Dixie's steps are airy light, Her heart is full of cheer.

Mr. and Mrs. Rudy Hendon spent Saturday night with Mrs. Hendon's sister, Mrs. H. Craig, and Mr. Craig Sunday. Bob and Wayne Albritten also were guests in the Craig home—Ky. Bell.

## WHO BUYS FARM PRODUCTS?

A recent study of agricultural income by the Federal Trade Commission revealed many interesting facts relating to the handling of many leading farm products.

While figures for big income-producing farm products indicate that large marketing concerns buy more than 50 per cent of the U. S. production, total milk purchased by a dozen large dairy firms is only about 10 per cent of the country's annual 47 billion quart "crop."

Contrary to the usual impression, purchases of farm products are probably less concentrated than the average person would expect.

Ten leading meat packing companies sold only the equivalent of 70.3 per cent of the beef, 36.1 per cent of the fresh pork and 64 per cent of the cured and processed pork products. In the case of veal, however, purchases of these concerns totaled 98.5 per cent, the federal figures showed. Two of the largest packing companies beef

Purchases of 10 leading packers for a year equalled 51.3 per cent of the total production of cattle and calves, and 37.4 per cent of the hogs. The three largest companies purchased 40.8 per cent of the beef and 35.3 per cent of the hogs.

Thirteen millers bought only 65.2 per cent of the commercial wheat flour crop, while 13 tobacco manufacturers bought the equivalent of 64 per cent of the nation's tobacco crop, selling 97 per cent of the cigarettes and 90 per cent of the smoking tobacco.

With milk the so-called big companies are but a minor factor as 12 major concerns purchased only about 10 per cent of the total milk production in 1934 and about 13 per cent of the commercial milk. Eleven leading companies marketed 18 per cent of the fluid milk and cream sold in cities and villages and about 25 per cent of the butter.

## New Concord High School

A month of school has gone by of which we can boast of a good record.

Mrs. Grogan's first to the third month is as follows: First grade, 14 out of the 16 enrolled; second grade, 7 out of the 10 enrolled; third grade, 8 out of the 10 enrolled.

The honor roll consists of the following: first grade, Joe Pat Coleman, James Riley Lassiter, Dora Fay Battered and James Clayton; second grade, J. D. Williams and Charles Albritten; third grade, Charlene Ealey and Marjorie Hulson.

Miss Hodges' fourth to sixth grade daily attendance follows: 7 out of the 8 enrolled; fifth grade, 12 out of the 14 enrolled; sixth grade, 9 out of the 12 enrolled. The attendance of the month was 97 per cent.

A very interesting program was presented by Claude P. Ganus and company at New Concord Friday night. The group consisted of five members.

Mr. Ganus is a former music teacher of New Concord.

Mr. Walton, agriculture teacher and three of the agriculture boys, Brooks Moody, Lester Wilson, and Solon Bucy attend the state fair at Louisville last week. They had a real nice time and a very enjoyable trip.

The boys and girls' softball teams of Concord played Faxon Tuesday, September 14. The score for the girls' game was Concord 27, Faxon 5. The boys, Concord 7, Faxon 1.

Almo girls played Concord Friday, September 17, at Concord. The Concord girls defeated Almo by only 2 runs. Concord will return the game Tuesday, September 21, at Almo.

Mr. Otis Lovins' ball boys of McCuiston, will meet Concord's seventh and eighth grade boys at Concord Wednesday, September 22.

Cliff and "Uncle Bob" O. Stella merchants, Mrs. May King, and Miss Bella Rogers, of Mayfield, were Sunday dinner guests in the home of Mr. and Mrs. Arthur Gupton at Hickory Point, beyond Clarksville, Tenn. Billy Venable "cranked up" and sped them hither and thither.

The much needed highway from Murray College thru to Coldwater is being built in great haste, day and night. It will shorten the distance 4 miles. The old road is the crookedest side of a hades; narrow bridges, the treacherous Cook branch, besides the pillars under the west end of the old iron bridge are rent in twain from bottom to top! Are you listening?

A gigantic 90 h. p. road machine dragging down 60,000 pounds of gravel off a high bluff into the river bottom at each drag. The new bridge will be 180 feet long and the levee will be 1 mile and 8 feet in length and that one mile will cost more than \$10,000.00. The excitement has caused a number of farmers to unhitch both traces, unbuckle the belly bands and take out! Wait a minute!

Mr. and Mrs. Conny Mills and Richard, Mrs. Ida Cochran, and Esther visited the First Christian Church of Murray last Sunday night and hear the Rev. A. V. Havens speak on "John L. Lewis and the C. I. O."—the strike episode.

Lloyd Compton fetched us a truck load of coal from Lube Thurmond's railroad car. I saw Lloyd at the big singing in Hazel and he was all dolled up—old bachelor in "search" of a "gal".

I'm about half sick, a victim of East, cold, dry winds. No rain and the cisterns and ponds have gone on a dry strike.

Mr. and Mrs. Conny Mills and Richard, "Ole Eagle", and Esther attended the meeting at Hazel Church of Christ last Sunday and heard Bro. Doran on "Man's Ingratitude toward Jehovah God." In the afternoon, we heard the great Parks singing convention in the old dilapidated high school auditorium, which was inadequate to seat the great concourse of people. Really we could hear better in the yard over the loud speaker. Just a 1,000 and two too many there counting me and Monroe Peeler.

Perry Thurmon, weight 208 of Detroit, and his mother (and my sister), of near Murray, called at our house to look us over. Perry left his two year old twin sons at home. I said, "do they even have a prize fight with one another?" He said, "sure Mike, but in less than 30 minutes they buried the hatchet."

I've got to quit as me ears and nose is all stopt up and I smell a bad smell—"Eagle".

### At Murray Square By JULIAN III

A slim, hustling young fellow with two pencils and a fountain pen in his coat pocket and a piece of lumber cardboard in his hand dropped around the corner into the manager's private establishment of the Treat'em and Tryem Clothing and Furniture Store. He was the advertising manager of the Cosmopolitan Paralyzer.

It was Saturday afternoon. He found Treat'em and Tryem in the back end of the store playing a game of hully-gully, using a piece of wrapping paper for a score pad. Treat'em marked up an x for himself, looked around, and drawled slowly, "What can I do for you, young fellow?"

"I'd like to see you a few minutes, Sir, if you're not too busy."

Treat'em executed a brilliant faux pax, caught his opponent napping, and won the game. "All right!" he said to the youngster.

"I want to talk to you a little about advertising. We're going to get out a big paper next week—5,000 copies. We—"

"I don't believe in advertising. Say, Bob, you marked up a score on me."

"No, I didn't."

Treat'em turned back to the advertising solicitor. "What'd you say you wanted—a pair of overalls?"

"I want you to advertise in my paper. The rates are low, and our circulation is getting bigger every week. We—"

The telephone rang. The merchant answered it. "Hello. No, we're out of baking powders this morning. We've got a nice bunch of thumb tacks and window curtains though. He hung up the receiver and went back to his game.

The solicitor edged up closer and began, "I beg your pardon, I—"

"Oh, yes, yes, yes, I forgot. You wanted a shirt, didn't you. We haven't got any shirts on hand just now, but—"

"No, The Paralyzer. I want you to advertise in it. Advertise your business."

"Oh, you want me to advertise my business, do you. How much do you charge?"

"A dollar an inch, but we give you a discount if you take—"

"Too much money. Don't want any."

"Say," said the solicitor with deliberate calm. "I won't cost you a cent to advertise your business in our paper. We run death notices free. Goodbye. Come around and see us."

The merchant turned around to his partner, did a bewildering bit of subterfuge, and won three games in a row.

"O. Henry's famous humorous publication, The Rolling Stone, for issue of February 2, 1935, carries an alleged page from the Plunkville Patriot, on which is O. Henry's own editorial commenting on the then current Sino-Japanese controversies. It reads:

"The war between China and Japan continues to wage. The sooner such barbarous and uncivilized nations wipe each other from the face of the earth the better. Our sympathies are decidedly with the Japanese, however. Their manufactures of Japan—plums, Japanese tin, and Japonicas show them to be the superior nation. Besides that we have been forced to wear our coat buttoned up at the throat for more than a week on account of having lost a small piece of paper with a hieroglyphic on it supposed to represent the fact that we had deposited our shirt with a Chinese laundryman for its customary cleaning. This Chinaman positively and idiotically refused to deliver said garment with the hieroglyphics. We have written to the Secretaries of War and State, but they have ignored our appeal. We intend to lay the matter before the Japanese chargé d'affaires at Washington; and if no results ensue, we shall take the matter to our own hands and raid the laundry."

"The Chinese must go!"

"Irrelevances! I like Churchill's Winshills or maybe it's Winchurh."

### Mayfield Route 6 News

I see news from almost everywhere. Since I've failed to see any from Mayfield, I've decided to write a few lines to keep the old town in the wagon.

Tobacco-cutting is almost over in this neighborhood. We're awfully glad no more dirty hands and gunny clothes will need our attention.

J. W. Holmes left Labor Day for Detroit, and James Langston left Monday evening at 5 o'clock also for Detroit. James said if he failed to locate a job in Detroit he would go from there to Hudson, Wyoming. We extend our best wishes to James.

We're awfully glad to report that Miss Mary Pearl Manning, who's confined to her bed with heart trouble, is nicely improving. Mary Pearl has many friends in Calloway and Graves counties who wish her a splendid recovery. Those visiting her bedside: Mrs. Roba Williams, Mrs. Nora Hughes, Mrs. Bob Hunsicker, Mrs. Wilbur Johnson, Mrs. Red Holmes, Rev. Tilton Garner, Mattie Lou Ray, Imogene Johnson, Ethel Robertson, Murray, Mrs. Tobie Adams, Murray, Mr. and Mrs. Oury Adams and children, Mae Ellen, Ruby Bell, and Opal of Farmington; Mr. and Mrs. R. B. Washam and children; Hugh, Bobbie, Frances, and Joyce; Dick Ray, Mrs. Lizzie Johnson, Fred Johnson, James Langston, Vernon McGregory, Aubrey Adams, Bird Langston, and Arthur Bird.

Mrs. Dock McCallion is ill with pneumonia, but was reported better at this writing. We wish her a splendid recovery.

Mrs. Bula Washam, Mrs. Lizzy Johnson, and Joyce Washam were visitors of Mrs. Creasie Johnson recently.

We were indeed sorry to hear of the death of Frank Miller. We extend our sympathy to the children.

Glad to hear that Mr. John Smith is improving. I wish him a quick recovery.

Rev. Tilton Garner, Miss Mattie Lou Ray, Mrs. Red Holmes visited Miss Mary Pearl Manning Monday afternoon.

The cream supper at Hardeman High School Thursday night was a success although the weather was so cold you could hardly stay out without an overcoat. The school cleared \$35.00, according to reports.

We can all take down the old fire screens and roll on a back stick and hunt up our quilt pieces and settle our brains for a long winter nap. I'm most sure everyone is ready to rest for a while. I'm ready, however, I'm always ready.

Yes, Chatterbox, Tillman Taylor is principal at Clear Springs, and every one seems well pleased with his work.

Miss Marie Wade, teacher at Clear Springs, returned to her home at Lawrence Friday afternoon for the week end.

Come on all you Calloway readers! I am always ready to read your letters. I was formerly of Calloway—Sally of Graves.

### Blakely School News

The school made a net profit of \$7.00 with the ice cream supper. The school wants to thank all of those who helped in any way with the supper.

The school softball team has added three more victories to the five reported last month. Our team has won its last eight games in a row. The team will enter in the softball tournament to be held at Alto October 1-2.

The honor roll for the second month is as follows: First grade, Lena Pearl Thwaitt; second grade, Junior Bolen, Mary Jo Starks, Virginia, Ruth Hopkins; third grade, Elizabeth Ann Conner, Mary Wanda Cope; eighth grade, W. O. Conner, Martha Nell Short, Hazel Young, Dorothy Sue Smith.

The school will be represented at Alto October 1-2 at the community fair.

### A FRENCH RURAL COTTAGE REPRODUCED IN CONCRETE

SECOND FLOOR PLAN

FIRST FLOOR PLAN

Isn't there something refreshing about the appearance of this French rural cottage type house? It is not just another house. Both inside and out, it is full of delightful details. Note the rough, full-length shutters, and on this end of the house, off the living room, the attractive terrace overlooking the garden, shaded by trees.

The floor plan is worthy of careful study, for here is a spacious house supplying every need and dispensing with everything unnecessary. It employs the modern method of doing away with the dining room, using the far end of the large living room for that purpose. And in the summer-time, it is a simple matter to take a few steps more and serve on the terrace.

The living room occupying the entire end of the first floor, has light and air from three directions, with a large fireplace built in the fourth wall. The bookcase and cupboard lend a homy, cozy feeling, so often lacking in a large room.

Then, of course, there's the kitchen—just a nice size to provide ample working space. The third room on the first floor is a bedroom with bath. Many people have yet to realize what a comfort convenience and economy that provides. In the winter-time, when son and daughter are away at school, just close off the upstairs entirely and heat only the first floor. Or, if you prefer, transform this bedroom into a library or music room—it would be ideal, with its windows on two sides, providing plenty of light and excellent air circulation.

The second floor, too, is interesting, for here we have two large bedrooms, each with windows on three sides—that's really a luxury! And so much closet and storage space that there'll be no more need to shove excess suitcases and boxes under the beds. The bath is equally convenient to either room.

Another feature not to be overlooked is that the upstairs rooms are easily reached without disturbance to any room on the first floor.

And don't forget that concrete construction provides you with the utmost in security—it's fire-safe, termite-proof, dry, capable of combating all extremes of weather, and as sturdy as a skyscraper. It's permanently beautiful.

### Murray Route 5

We have been having nice weather and most of the tobacco crop has been cut.

Mr. Miller was called Saturday to see Mrs. Tobie Adams. He also removed an infected toe nail for Miss Sarah Noble.

Several persons from this community attended the singing held Sunday at Hazel.

Miss Rachel Jackson spent the week end with her sister, Mrs. Garvin Linville, and Mr. Linville. Mrs. Linville accompanied her home for a week's visit.

Mrs. A. W. Simmons, of near Providence, is spending a few days with Mr. and Mrs. Audrey Simmons of Hazel.

Mr. and Mrs. Carlton Buchanan and baby, of Humboldt, Tenn., spent Saturday night with Mr. and Mrs. Ellis Shoemaker, and visited Sunday with Mr. and Mrs. Geo. Linville.

Mr. and Mrs. Jerd Perkins of Big Sandy, Tenn., spent Saturday night September 11, with Mr. and Mrs. C. W. York.

Mrs. Frances Simmons and daughter, Norma Sue, spent the past week in Paris, Tenn., visiting Mr. and Mrs. Bowman St. John and Mr. and Mrs. Orville Simmons.

Mr. and Mrs. C. W. York attended church at Union Hill, and also attended a birthday dinner honoring Sid Darnell, Sunday, September 12, and for Mrs. York's on September 13—Pop-Deck-Pappy.

J. W. Van Arsdall, Jr., Mercer county, exhibited 40 purebred hogs at the Ohio agricultural fair.

### Kosair Hospital Is Aid to Cripples

The Kosair Hospital for Crippled Children in Louisville reports that it has two children from Calloway county under its care, and declares that in 1935, the number of crippled in this county needing treatment totaled 41, only 12 of which received such treatment. This left a total of 29 children in that year who should have received treatment but did not.

The Kosair Hospital is a non-profit, non-sectarian institution, and is an economical plan recently devised—is \$266.52.

"We should like to give all the crippled children in your county aid," Lawrence B. Craig, president of the hospital, has announced. "The recent plague of infantile paralysis made more children crippled than this hospital was able to help the past year."

"Based upon one dollar per capita, the citizens in your county would be urged to subscribe, in most instances, less money than the present cost of service for their crippled children—who are now waiting for this service. The quota for your county would be \$18,000."

William Jeffrey, Jr., small son of Mr. and Mrs. William Jeffrey, is now receiving treatment in the Kosair Hospital for crippled limbs sustained from an attack of infantile paralysis.

### Obituary

On August 11, 1937, the death angel visited the home of Mrs. Lucile Adams and claimed for its victim her devoted husband, Bun Adams. He was born March 19, 1906, age 31 years, 4 months, and 8 days. In 1927 he was united in marriage to Miss Corinne Starks. To this union was born two children, Wanda Sue and Duran Corinne preceded him to the grave five years ago, leaving Duran in infancy.

On June 20, 1933, he was married to Miss Lucile Bradley, who survives him. He also leaves his two children, Wanda Sue and Duran; his mother, Mrs. Jim Adams; five sisters, Mrs. Harry Atherton, Mrs. Talmadge Smotherman, Mrs. Logan Bland, Mrs. Henry Charlton, and Mrs. Dave Stubblefield; five brothers, Walter, Monroe, Thompson, Lemuel, and Dal to mourn his going.

Bun was a loving companion, a greatly devoted father, and a friend to all. He greeted everyone with a smile, he bore his sufferings with great patience, and had a pleasant word for everyone who visited his bedside.

Although never uniting with any church, he was of Baptist faith. He expressed his willingness to meet his Savior some time before his death. Bun was honest in his dealings with his fellow-men which will long be remembered of him.

"Sleep on dear Bun, Take thy rest; We loved you dearly but God loved you best."

Written by a loved one.

### Oak Grove News

I surely do hope that everybody is not as busy as I am!

Mr. and Mrs. Bennie Byars and Mr. and Mrs. J. C. Paschall visited Mr. and Mrs. Adelle Morris Sunday afternoon. Mary Katherine is improving now.

Mr. and Mrs. Galen Billington were Sunday dinner guests with Mrs. Mary Morrow.

Mr. and Mrs. Charlie Wicker spent the week end at the bedside of Mr. Wicker's father who is improving at this writing.

I suppose Golden Lock is hard at work by now. But I don't suppose she will hurt herself.

I hope no one else gets scared at the whistle up about Oak Grove like I did.

The intermediate Sunday school class were guests of their teacher, Mrs. Charlie Orr, last Sunday and enjoyed a nice dinner. Those present were Mary Frances Morrow, Lillie Ruth Billington, Johnnie Love Parritt, Onie and Asie Lee Charlton, Laydean Jones, Dorothy Orr, Denis Paschall, Bob Morrow, Henry Franklin Paschall, Doris Charlton, Hugh Walton Foster, and Earl Orr. Every one reported a very nice time.

Mr. and Mrs. Sam Paschall spent Sunday with Mr. and Mrs. Commodore Orr. Mrs. Moore has been sick with asthma but is improving at this writing.

A hundred cattle men from Kentucky, Indiana and Illinois visited five Union county farmers' purebred herds.

### Thompson Brings Indian Relic and Shell to Office

A peculiar rock-like formation showing the impression of a maple leaf was recently discovered in a mussel shell by J. C. Thompson, a resident of the Knight community.

Thompson, who brought the phenomenon into the Ledger & Times office, brought with it a perfectly developed Indian arrowhead, perhaps two inches long, narrow and tapering. It was of that slim, stream-lined like that a strong-armed brave might have sent whirling through the heart of a running antelope at a hundred feet.

### Lynn Grove 4-H Club News

The Lynn Grove 4-H Club met at 2:00 Wednesday afternoon. The members answered to roll call with their favorite bird. Songs learned at camp were sung and all members reported as to how far they were on their projects.

Business matters were discussed and the girls will meet Friday afternoon to clean up the club house.

A meeting will be held Wednesday afternoon for the members who are taking foods for their project.

### Clayton Creek News

I haven't any real "live" news this time worth writing but will write a little just to show the editor I appreciate his printing the other little letter I wrote.

We are still dry out this way and the wind has gone to the north again.

We have no new persons on the sick list this week. Mr. John Smith is some what better at this time.

Mr. and Mrs. Edd Rickman and Mrs. Johnnie Hughes visited Mr. and Mrs. John Smith Sunday afternoon.

Fred Hughes left Friday for Virginia where he will work for Ovis Cain in a doughnut shop this winter.

Mr. and Mrs. Graves McCallion and Lloyd McCallion left Friday for Detroit, Mich.

A number of persons are leaving for Detroit while others are returning home. That is the way with the world—some going one way and others going another.

I am afraid if conditions continue as they have lately that somebody will get to go to war.

### COPPER-BOUND ROOF FOR BEAUTY, PROTECTION, SERVICE

Developed and Manufactured by Ford Roofing Products Co., Chicago

This new principle in roofing design and application imparts an atmosphere of individuality to the entire exterior of your home. At the same time it creates a new measure of value that extends itself throughout the entire structure.

Not only do you obtain beauty with a Ford Copper-Bound Roof, but also that protection so vitally needed in a good roof. The firm grip of a copper lock securely binds together every exposed joint in the Copper-Bound roof. This process eliminates the possibility of damage that often accompanies wind and rain storms. Also it prevents snow and ice from creeping beneath the Shingles in winter time.

Let us demonstrate the merits of this unusual roof!
