Cub Scouting

"It's not too early to talk about Cub Scouting for boys now. Many of the boys are thinking about it. The United States government has directed that Cub Scouting be given to all boys and every parent of boys should know about it. Both parents and children should be interested in the Scouting movement. The Cub Scout is made up of boys between the ages of 7 and 11 years. The Cub Scout program is designed to teach boys how to think on their own. The Cub Scout leader works closely with the boy to help him grow and develop as a person. He learns about friendship, cooperation, and respect for others. He learns to be a good citizen and to help others in need. The Cub Scout is taught how to be safe and to enjoy the outdoors. The Cub Scout program is fun and exciting. The boys learn about different activities, such as camping, hiking, and swimming. They also learn about the environment and how to take care of it. The Cub Scout leader helps the boys learn about the world around them. He teaches them about history, science, and geography. The Cub Scout program is a great way for boys to learn and grow. It helps them become better citizens."

India Making History

India is making considerable strides in the fight against poverty. In recent years, the government has been working hard to improve the lives of its citizens. One of the most striking developments is the growth of industries and factories. This has resulted in an increase in employment and a higher standard of living for many people. The government has also been working to improve education and health care. In recent years, the number of students attending school has increased, and the quality of education has improved. The government has also been working to improve the health care system, and the number of hospitals and clinics has increased. In recent years, India has also been making progress in the fight against poverty. The government has been working to increase the number of people who are able to support themselves and their families. This has resulted in a decrease in the number of people who are living in poverty. The government has also been working to improve the lives of its citizens in other ways. These include the provision of clean water, electricity, and other basic necessities. Overall, India is making great progress in the fight against poverty."

Wisconsin Joins Five of Big Nine For Rose Bowl

Chico, Nov. 5—AP—Wisconsin had cited with Ohio State, Indiana, Purdue and Notre Dame in official acceptance of an invitation to the Rose Bowl.

Only two Big Nine conferences have been invited to Rose Bowl games since 1932 when the Rose Bowl was reserved for the conference champions. Because of the Los Angeles area's demand for a Rose Bowl, only two conference teams have been invited to the game. But California's joining the Pacific Coast league in 1947 will end this practice and the Rose Bowl will be open to the Big Nine conference teams.

The conference coaches were not expected to select the Rose Bowl candidates until the conference meetings were held which were scheduled to be held in December. The Pre-rose Bowl Tournament of the Rose Bowl association was set to begin in December, too.

The coaches of the Big Nine conferences were asked to name their Rose Bowl candidates but there was no requirement that they would have to be named. The coaches of the Ohio State, Indiana, Purdue and Notre Dame conferences were not expected to select any Rose Bowl candidates.

The Big Nine conference football coaches were meeting in Chicago Tuesday night to discuss the conference's football program of 1947. The coaches were expected to name the Rose Bowl candidates after the meeting.
