SWOLLEN FORTUNES AND PRIVATE FRANCHISE GIFTS

(Chicago Examiner)

When a public man like M. E. In-
gall, the wealthy one, takes sides, even the "hiders of large wealth" feel the
fluence. In fact, many lesser men, though not so much in the limelight, are
one of the many who think highly of the "little" man. However, Mr. Ingalls, be-
coming a candidate for the presidency of the Republic, is a leader in the
field of political reform, and the phrase "private franchise gifts" is not
limited to the field of politics.

One remedy is to make contracts
more open to the public, and to
make the use of the streets of
the city more subject to govern-
ment regulation. In this connection, Mr. Ingalls gives his views on
swollen fortunes, built up by fran-
tise and reserved to themselves no right
to. To be continued.
