SOCIETY Merry-Go-Round

By Marjorie I. Ulen

Summer's song seems not to be over... though memories of it become dimmer and dimmer... as Memphians settle down to organizing plans for work... and play.

Our news now begins to center around the coming social season... and from all indications and hearsay... the calendar's going to be mighty full. Don't say we didn't warn you to have best-bid-and-tuckers in readiness for the gay week ahead!

UPA'S FOUNDERS DAY

Metropolitan Baptist church was the setting for Union Protective Assurance company's 23rd annual Founder's Day program, last Sunday, at 3:30 p. m. Genial Lewis H. Twigg, Jr., president of the company and his fellow officers continued their tradition of bringing the nation's top calibre personalities for the event, by selecting, Frank Stanley, one of the nation's outstanding leaders in the fields of fraternal and business activities. Although Mr. Stanley needs no special introduction in our city... he is the publisher of the Louisville (Ky.) Defender, vice-president of Defender Publications, general president of Alpha Phi Alpha fraternity, and one of the founders of the National Newspaper Publishers Association.

Also following UPA's grand tradition, music for the occasion was simply glorious... rendered by the All-City Chorus... under the direction of Harold J. Whalum... A fitting tribute to the efforts of his late father, H. D. Whalum, Sr., who founded the institution that has grown to be a financial bulwark in our midst... a success story achieved in far less than 25 years... born at a time when titan businesses were collapsing throughout the country in the days of the depression of the '30's.

Mr. Stanley's presence... to be sure... touched off a wave of social events in his honor... among which was the super star banquet tossed by local Alphas at Toney's Inn last Saturday night. Dr. T. Northcross, Dr. Leland Adkins and Atty. Ben Jones were in charge of the lavish affair which included dinners of steaks or chicken... plentiful potent in the liquid department.

As we went to press, the Alpha Betties were busy as beavers preparing a "swellegant" cocktail party for Sunday night, at the palatial home of Mr. and Mrs. Tom H. Hayes at Parkway and Wilson... in the event Mr. Stanley could extend his stay through Sunday night.

THE ALPHA BETTIES

More about the Alpha Betties concerns their first meeting since their organization in July. These Alpha Wives have started the ball rolling in preparing for the Southern regional of the fraternity which convenes here next Spring. Mrs. Anderson Bridge, Mrs. James Boone and Mrs. Leland Adkins were hostesses for the initial meeting of the group last Monday week, at the lovely home of Dr. and Mrs. Leland Adkins on Arkansas st. The patio, living, dining area and the den of their guest cottage provided the setting for the lovely affair.

Members present were Mrs. W. H. Young, Mrs. Fannie Johnson, Mrs. Lonnie Briscoe, Mrs. Theron Northcross, Mrs. George Clark, Mrs. L. O. Swingle, Mrs. John Brinkley and Mrs. Ernest Young.

WITH THE BRIDGE CLUBS

Those Saturday perennial favorites with Milady... the bridge parties... got off to a good start last week end. Members of Entre Nous club met at Toney's Inn at 3:30, last Saturday, with Mrs. Helen Bowers of 199 Radar, as their hostess. Members Mesdames Carrie Scott, Gladys Anderson, Clementine Hughes, Delores Scott, Mildred Smith, Essie Shaw, Mildred Jenkins, Callie Stevens, Gwendolyn Featherstone, Louise Woods and Miss Ann Stotzer, along with guests, Mesdames Frances Hassell, Erma Black, Martyna Haynes, Rio Rita Olive, Vivian Willis and Miss Cecelia Willis enjoyed a wonderful afternoon amid the quiet sophistication of the establishment.

Later on at Toney's... 6 p. m. to be exact, Miss Martha Flowers, at 2435 Saratoga, entertained Les Cheres Amies club... and Mesdames Alma Holt, Eloise Flowers, Lula Wilson, Grace Williams, Isabel Bland, Ann Perrie, Helen Brooks, Winifred Franklin, Wilhelm Lockard, Bernice Harris, Miss Ophelia Van Pelt and Miss Dorothy Slate, Mrs. Hazel Bass and Mrs. Savannah Mayes.

and guest, Mrs. Effie Willis vied for the beautiful earring prizes that were awarded by the hostess.

The well-known Semper Fidelis club met with Miss Maydella Reeves at her home at 1220 Krayner, at 5:00 Saturday evening. Assisted by Miss Gertrude Walker and Mrs. Fleming Polk, members Mrs. Ann Simpson, Mrs. Georgia Dancy, Mrs. Thelma Wilcox, Mrs. E. C. Jones, Mrs. Edna Ideog, Mrs. John Arnold,

Mrs. Nellie Humes, Mrs. Clinton Ray, Mrs. Mable Hudson, Mrs. Adelaide Settles, and Mrs. Ardena Herndon were beautifully entertained at the colorful party. Miss Reeves used mantle and centerpiece arrangements of assorted Fall flowers in hues of deep reds and pinks.

More Bridge club news centered around the Wednesday night meeting at Toney's of the popular Three C's club... when Mrs. J. D. Hunt, the former Miss Mattie Holmes, was hostess to the first meeting of the club. Plans were made for an interesting year... news of which will be forthcoming. Members headed by vivacious Mrs. Ann Hall, president, Katie Gillis, Meryl Glover, Helen Sawyer, Martha Anderson... and prize winners Lavernia Horne Watkins, Pauline Bowden and LeVerne Acey enjoyed a delightful evening of fun that accompanies the first get-back-togethers... and exchange of tidbits of news gathered during the summer vacations which they enjoyed.

PARTY FETES BIRTHDAY

Little Barbara Ann Narbit, daughter of Rev. and Mrs. H. C. Narbit, of 564 Polk, was all aglow last Saturday when her sixth birthday was celebrated with a gala party from 3 to 5. Her brother, little Charles Madison Narbit, age 3½, assisted his sister in receiving their beautifully dressed guests and the beautifully be-wrapped gifts for the occasion.

Barbara Ann has entered the first grade, and naturally... after her family, she loves her teacher best of all. Mrs. Victoria M. Hancock was on hand to help her little friend and student enjoy the wonderful afternoon of games, party favors, ballrooms and all the things that mark birthday parties one of childhood's delights. Guests present were Kathy Graham, Yvonne and Sandra Lake, Yvonne Neeley, Clari Gordon, Gwendolyn Rushing, W. D. Callian, Jr., and Chew Shannon, Bonnie and Reggie Pippin, Deborah Harris, Elizabeth Davis, Clarence Donoho, Isaac White, James Cowan, Jr., Phyllis Taylor, Patricia Johns and Ursula Beauchamp. Multicolored decorations and a beautiful white cake with a basket of multi-colored flowers decorating it, plus the flashing of bulbs taking pictures of the kiddies' joy... marked the event a golden afternoon for the young-fry present. Proud parents attending were Mrs. Thelma Harris, Mrs. Ted Beauchamp, Mrs. Babe Franklin, Mr. and Mrs. Joe Shannon, Mrs. Harriet Pippin, Mr. and Mrs. Clyde Lake, Mrs. H. Johns, W. D. Callian, Jr., and Mrs. T. H. Hayes, Sr. Assisting Mrs. Narbit and her mother, Mrs. Smith, were Miss Dorothy Ewell and Miss Delthemia Williams.

CHIT CHAT

Mr. and Mrs. Jack Poole, (she's the former Muriel Shann) arrived here Labor Day from their Compton, Calif., home to visit Mrs. Poole's aunt, Mrs. Susie Hightower. They were accompanied by their four children... and while here have been the recipients of many courtesies from friends and other relatives. Mr. Poole left last Wednesday... and Mrs. Poole and the children will follow later. Last week, Miss Grace Collins and her mother, Mrs. H. A. Collins, entertained with dinner for the Pooles.

Rev. Charles Gilton, former Washingtonian and Le Moynite and pastor of the College Church at Wilberforce university, along with his charming wife and children, David, Donna and Charles have been in Memphis for several weeks following the demise of his mother. Rev. Gilton is remembered as an outstanding orator during his student days... and while here was busy filling pulpits at St. Andrews, Second Congregational church, Allen A.M.E., Middle Baptist, Plunkett Chapel and St. James. Besides his duties as pastor of the College church, Rev. Gilton is the assistant dean of the Senior Sunday School Quarterly of the A.M.E. church.

Other visitors in our town recently were Dr. and Mrs. A. W. Crump of Tennessee State university and Mr. and Mrs. Earle Ford of Arkansas State who were the guests of Mr. and Mrs. T. J. Beauchamp of last week end past. Dr. Crump came down from Nashville, and with the Beauchamps, drove to Little Rock to meet his wife Annie Laurie, who was returning from Texas where she accompanied the Beauchamps on their trip to the Lone Star state. The Crumps remained here Friday through Sunday... and the Fords came in Sunday morning and stayed until the following day.

Try Buttons To Hang Curtains

NEW YORK — (INS) — If you want a new way to hang your curtains, try buttoning them on.

The button-on curtains, attached with button-hold loops placed over the pole, attracted much attention at the National Home Furnishings show in New York. They can be used anywhere in the home, but they're particularly effective in a man's study or in a tailored living room.

If your tastes run to more frivolous fripperies why not try a dramatic swag that rises to a peak in the center of the window and drops to a graceful drape on either side?

a beautiful setting for the impressive rites. The bride, the former Miss Mildred Jones, is the daughter of Mr. and Mrs. Leroy Jones, of 348 Walker ave. The groom is the son of Mr. and Mrs. Fred Coleman, Sr., of Little Rock, Ark.

Or you could effect a classical cornice from a heavy material drape edged in a printed border. This type of curtain gives a room a Grecian interest.

One such cloth cornice was shown in dramatic gold and black over beige draperies held in place by gilt tie-backs. An Italian touch can be brought out by using a formal cornice softened by tassels over plain draperies.

An effective French-Provincial arrangement can be had by using a taffeta cornice looped on a self-covered pole and fastened with French-tie rosettes.

THE JACKSON SCENE

By Mrs. Anna Lee Cooke

Aren't these cool nights wonderful? They let us know that fall is here and not only on the calendar. We can also see it as we shop for fall and winter fashions greet us from every store window.

As you ladies can observe, the figure is important for the sheath is still with us with the accent being on the back. And these hats! I'm wondering what some of us can do about the contour of our faces to make them becoming.

And in the sporting world, all talk leans toward football and the World Series. It seems as if the World Champion Dodgers are having quite a time trying to win first place pennant from the Braves.

Merry High Green Hornets are off to a bang of a start winning the first two games by a high score. They downed Martin 45 to 0 and Somerville 48 to 0. Lane opens its season this week away from home playing Alabama A and M. Remember the first home game is with Alabama State on Oct. 6.

CRITERIONS MEET
All members of the Criterion Bridge club except one were greeted by Mrs. Fannie A. Dobbins on last Thursday evening at her home on Hays ave. for the first meeting following summer adjournment. A delicious ham and salad plate with apple cider to issue in fall served the appetites of the guests just right. After a short business session conducted by president Lula Bell Martin, progressive bridge began. There was quite a bit of chatter before bridge on summer doings of the members who were out of the city.

Taking first prize for high score was Mrs. Gertrude Ford. Mrs. Lula Bell Martin captured second with Mrs. Merietta Hughes getting the booby. Others present were Mesdames Mae Perperner, Annie Bond, Julia Shegog, Georgia Adkins, Cyril Porter, Bernice Lucas, Royal Cunningham and your scribe.

I also played bridge on last Wednesday night with the Atonic Bridge club, pinch-hitting for J. T. Beck who was a bit under the weather. The gracious hostess was Mrs. Fern Walker who has just recently returned from a European tour. You could practically feel the French air in her service and we were more than happy to enjoy information first hand. She has prepared a most interesting scrap book on her travels. Receptive members were Mesdames Essie M. Perry, Georgia Adkins, Vivian Bell, Evelyn D. Stephenson, Marie Moore and S. H. Bronaugh. Mrs. Bronaugh who played bridge with the club all summer has returned to her teaching position in Indianapolis, Ind.

THE MILKY WAY

With LEODA GAMMON

Crisp, colorful carrots are in excellent supply in local markets now. Due to this fact and the great interest in nutritious foods, we are giving some background on the carrot.

History: The carrot, deriving its name from the Latin "carota", is native to Europe and adjoining regions of Asia, where it has been grown for food or medicinal purposes for centuries. Ancient mentioned the carrot in herbals and when introduced in England from Holland the women wore the feathery carrot leaves in their hair.

Carrots were introduced to America during the early colonization days and were readily adopted by the American Indian as a source of food. Annual per capita consumption of carrots by Americans in 1953 was about eight pounds as compared to 1.9 pounds in 1919. (Carrots are now included in the list of first-rank truck and market garden vegetables, with by far the biggest production coming from California.)

VITAMIN A
Nutrition: Carrots are one of nature's most important contributors to a well-balanced diet. One average carrot, 5 1/2 inches long, has only 21 calories, yet provides more than the full amount of vitamin A recommended as the daily requirement by the National Research Council. Deep orange carrots contain more vitamin A than the paler ones. The vitamin A is present in carrots in the form of carotenes, which are converted into vitamin A in the body. Vitamin A is important in building and maintaining resistance to infections, as well as stimulating new cell growth and keeping old cells in good condition.

It is highly recommended for preventing or relieving poor skin conditions, and is also essential for preventing or improving night blindness.

Carrots, in addition to their food nutrients, give the teeth and gums good exercise.

Buying and Preparation: About 1 1/4 lbs. of carrots make 2 to 3 servings. Carrots should be firm, clean, well-shaped, smooth and with a bright color. If buying carrots with top, be certain tops are fresh and green.

To store carrots, remove tops and just rinse before wrapping in foil, waxed paper or transparent film or plastic bags and then place in refrigerator. When ready to use, scrape or pare carrots thinly with a knife — or scrub well with a brush. Then follow your favorite recipe.

A TASTY SOUP
Cream of Carrot Soup is a delicious way to use this nutritious vegetable on a cool day.

The most delicate cream soups are those thickened lightly with cream and egg yolks. These give a more positive flavor and a far better texture without the floury quantity which is often objectionable when flour is used. Cream of Carrot Soup: Cook 1 cup scraped and sliced carrots with a sprig of parsley, 1 small white onion and salt and pepper to taste in 1 1/2 cups chicken broth until soft. (About 10 minutes) Puree (strain) the carrots and return to chicken broth over hot water. When hot, add 1 cup heavy cream mixed with 2 egg yolks, and stir constantly until mixture is blended and lightly thickened. Serve with a garnish of chopped parsley. Will make 4-6 servings.

New Shoe Whitener Makes Job Easier

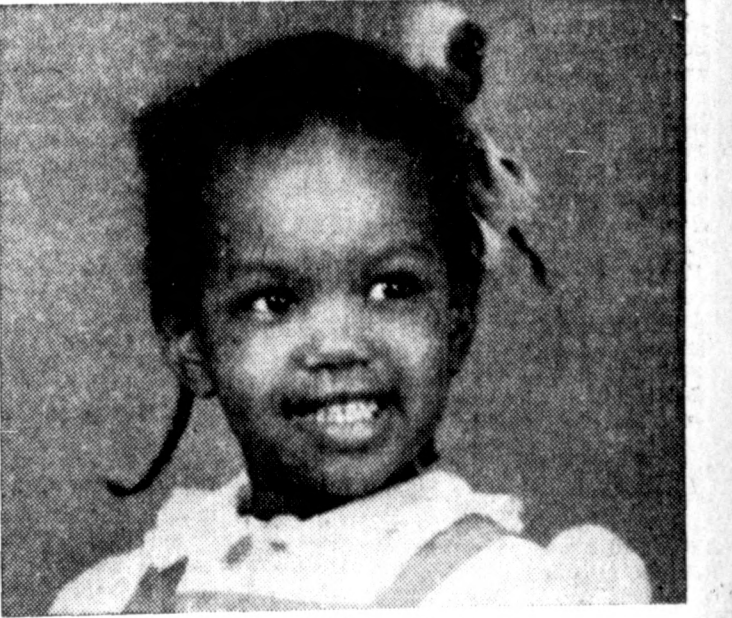

Just placed on the market is a new type of shoe whitener that makes it easier, pleasanter and more efficient than heretofore to whiten footwear without adding to the cost per application.

Called Esquire Foam Lanol White, it's the first foam-type white shoe cleaner containing lanolin to be introduced. It comes in a push-button aerosol container, enabling the user to obtain a controlled flow of the whitener by simply pressing a button. As an added convenience, the can has a unique built-in compartment for storing the large mohair applicator that's enclosed.

Developed by the manufacturer of Esquire Shoe Polishes (Knock Manufacturing Co., Inc.) it is of exceptional value for white buck and nappy shoes — increasingly being worn all year by both adults and children — because the foam formula eliminates the danger of excessively wetting the surface of the leather.

ELLA FITZGERALD was chosen one of "Top Ten Recording Artists" in the newly formed awards setup. Classification is best recording artists of all time.

Ella Fitzgerald Among First Ten Given Citations

Hollywood has its 'Oscars'; television offers an annual 'Emmy' and the night club circuit honors its greats with special citations so why not a "cup" for the best recording circles?

Question is not ours, rather Rudolph J. Schaeffer, brewery baron and Richard Himber thought it up and as a result plans for such awards are already in the working stage. The citations would be known as "The Apollo Awards."

The original idea is to start off with awards for the first 10 top artists. That would begin with stars of yesterday and include the greats of today. Names for the original include Bing Crosby, Ella Fitzgerald, Benny Goodman, Perry Como, Al Jolson, Kate Smith, Frank Sinatra, Rudy Vallee, and Paul Whiteman. An imposing lot to say the least.

The original awards made last week to kick off the big show did not carry approval of the entire record industry. There were many

members who refused to go along causing the name of the set up from "Diamond Jubilee of Record Industry" to a disc jockey salute. However, in time, it is predicted the industry as a whole will sanction the awards.

One major disc company known to favor the plan is Decca, one of the largest in America.

Expected opposition to the awards are the number of independent recording firms who may fear the major companies will grab all the awards. Quite naturally this group boasts their own artists that they figure belong in the first 10 and naturally are entitled to share in the awards. There is no evident proof that the Indies will be shelved but they are fearing for the worst in the starting stage. However just why Record Industry Association of America is cool to the plan is not known. In the meantime the citations are here although only one wing of the industry will share in the glory.

Samuel Beckett's play was produced last April by Michael Myerberg who will also produce it with the all-colored cast Nov. 11. Myerberg refused to reveal where he would stage the tragedy explaining that he could not name the Broadway theater until the attraction now playing announces its closing date.

O'Neal will play the part of Pozzo, the role Kurt Kaznar played last season while Moreland will be Gogo, Bert Lahr's role.

Lena Horne Enroute Home From Europe With Honors

PARIS — Lena Horne, one of the big attractions to hit this city in recent years is all set to quit France for the U. S. where she is due to land Saturday. Miss Horne, who will land in New York, confirmed reports that she will spend a few weeks home and then set sail for Las Vegas where she is to open at the Sands hotel. She may accept a pair of TV dates in the meantime, however.

Miss Horne has been a sensation over here, both in Paris and London. Her appearances have meant packed houses with thousands being turned away. Many came to hear her sing, others appeared as much interested in her beauty as her talents. The gal is terrifically popular over here just as she is in America.

Proof of her outstanding popularity came last week when, after refusing a holdover engagement Charlie Parker, and Max Reach, she agreed to record for RCA-Victor. News of her appearance at recording studios here spread like wild fire. So when the star arrived some 5,000 admirers stood outside the studios, in the lobby of the building and on the street. The jam of autograph hounds and admirers was so great the police had to take over. The streets around the building were roped off and uniformed police, some several hundred, set up a barrier to permit her to enter the studios. This was the same situation as maintained at the Olympia theatre where she last appeared and refused to accept a holdover engagement.

Chico Hamilton Music Fine Link Between Jazz, Popular

By T. SHERMAN HENDERSON

LOS ANGELES—Bewildered? So was I when I first saw and heard the Chico Hamilton outfit. Cello, drums, guitar, bass, and the great jazz flute doubling on clarinet and tenor. The cellist (also a concert pianist) doubles tastefully on a swinging piano at Strollers Club, in Long Beach just outside of L. A. Forestom "Chico" Hamilton is a native Californian. He was born in Los Angeles on September 21, 1921. Young Chico was first impressed by the great Duke Ellington orchestra of the thirties, and its drummer Sonny Greer, who became a major influence when Chico began studying music. Another drummer to whom he is indebted is Jo Jones, who was for many years with Count Basie's band.

Chico began playing professionally during the early forties. His career has been high-lighted by his

association with three of the greatest bands ever assembled—Duke Ellington, Count Basie and Charlie

CHICO HAMILTON

Barnet. He has worked with trombonist Vic Dickenson, and has been accompanist for such top entertainers as Lena Horne, Billy Holiday, Harry Belafonte, Sammy Davis, Jr., and Billy Eckstine. Chico recalls pleasant associations with three musical "Gerry's" Wilson, Wiggins and Mulligan (Chico was the original drummer with the Mulligan Quartet.)

Chico's work with the famous Gerry Mulligan Quartet first brought him international recognition. His recordings with his own trio re-affirmed his position among jazzdom's really original drummers.

Now the new Chico Hamilton Quintet is establishing him with a new audience. Chico is reaching beyond the hard core of jazz enthusiasts with his quintet, and is a true showman, and is making inroads on popular music as have Brubeck, Baker and Mulligan.

William Warfield Triumphs Before Throng In Nigeria

LAGOS, Nigeria — (ANP) — Arkansas born baritone singer William Warfield stormed Nigeria last week when he gave the second of his performances in the country in the school hall of King's college, Race course road, Lagos.

Prominent among those who watched the two hour performance was the governor general of Nigeria, Sir James Robertson and four federal ministers.

Many who could not get reserved tickets to go into the hall gathered round the windows to have a peep at one of the world's great baritone singers.

Warfield sang many pieces from the classical works of Mozart and Handel to Negro spirituals.

The highlight of the performance was reached when Dr. Otto Herz, piano accompanist to Warfield, introduced the old spiritual "Ride On, King Jesus," arranged by Hall Johnson. In a rich vibrating baritone voice, Warfield carried the whole crowd away and many

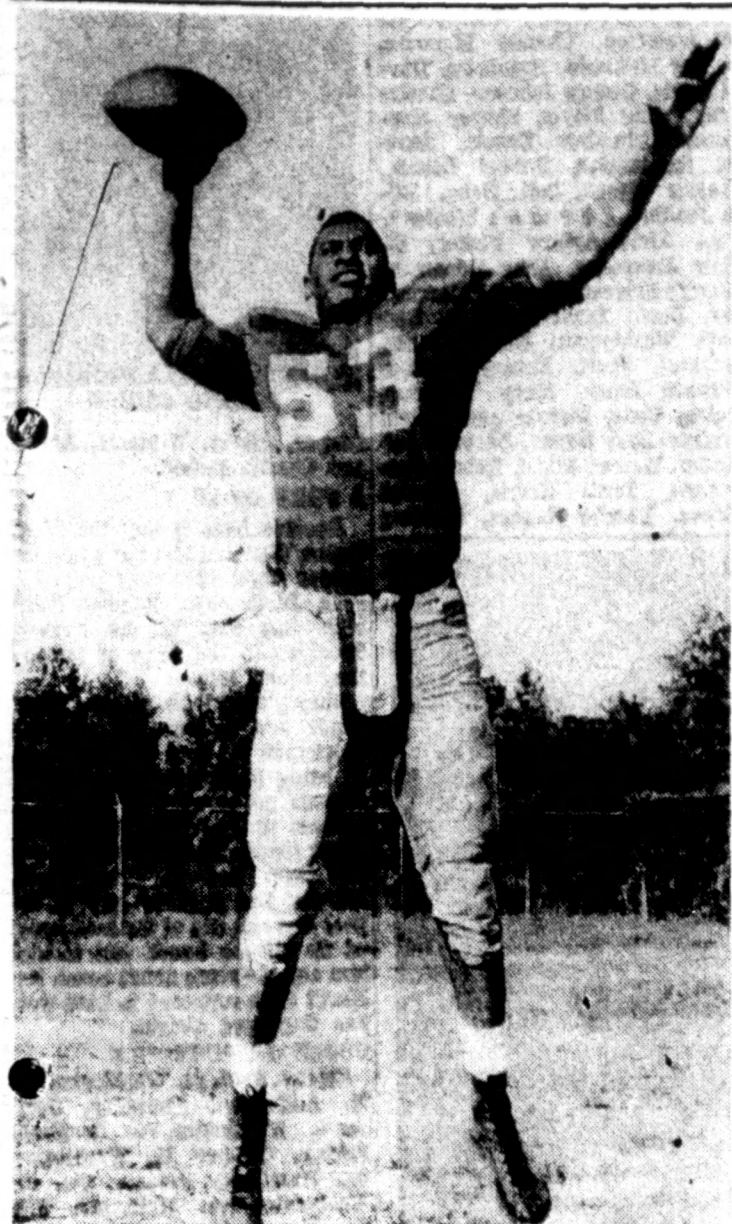

people tapped with their feet on the floor of the hall. When he finished the piece, cheers resounded from the crowd that was being controlled by the police outside the hall.

After the performance, Warfield was the guest at a cocktail party arranged by Miss Ayo Vaughan, a nursing sister attached to the general hospital, Lagos. There he was presented to the chairman of the Lagos Town Council, Adeyemi Lawson.

Southern Unwraps Hopes In 3 Backs

MONEY MONTGOMERY — One of the reasons North Carolina college's quarterback is called "money" is because he is a key figure in the dollar making department and he often does his own engraving of currency with his versatile running, kicking and passing.

As a freshman he paced the Eagles to the team's first CIAA title, and repeated as a sophomore. NCC was third in his junior year, and he's anxious to end his collegiate career with conference and national laurels.

By S. W. AUSTIN

BATON ROUGE, La. — An alert squad, with tremendous weight, plus an abundant supply of reserves forms the backbone of Southern University's Jaguar Cats, after rounding out their first week of practice.

Headed by 36 veteran gridders and further fortified by an equal number of newcomers, the Cats pranced through light contact drills the first three days and then intensified the sessions with rough work by the week's end.

Neither the rains nor the resulting soft underfoot which greeted the Jaguars in the initial days of the concentrated practice, seemed to hamper Southern's preparation for the rugged, 10-game card beginning with Texas Southern, one-time victor over the Jaguars in the past decade.

OPTIMISM RUNS HIGH

Gloomy - pre-season reports which stated that many positions were questionable have somewhat reversed themselves. An air of extreme optimism now hovers over the Cats' camp since the local handlers unwrapped three classy signal-callers who are competing for the quarterback slot. It was also noted that the coaches have adequate material to plug the opening caused by the departing Jaguars of last year.

Despite the unusual large number of aspirants, every griddler is given an equal opportunity to make the starting eleven, but the players who show that they can play consistently both on the defense and on the offense will certainly get the nod for opening assignments.

Coach A. W. Mumford, with an increased coaching staff and with the expected number of new arrivals, showed his pleasant approval with brief smiles and the statement that most of the gridders of the defending champions reported in unusually good physical condition, which permits the speeding up of the rough work without wading through the usual conditioning period.

ADD THREE AIDES

A shot in the arm, four doses strong and a note that another injection maybe forthcoming, was given the coaching staff of Southern University, when Athletic Director and Head Football Coach, A. W. Mumford, announced that the Jaguar Cats' aides would be greatly increased. Mumford said that the quartet is the probable answer to his already busy staff problems, now carried on by Robert H. Lee, Horace Moody and Robert Smith, veterans of 14, eight and seven years respectively. Heading the list is James Bell, former luminary of Lincoln University of Pennsylvania, who reported last Spring.

The remaining three are all Southern stars of yesteryears and two were on Southern's dream squad, which carved grid history, when the Jaguars set a record of 38 games without a defeat.

Prominently among the trio is Robert Holder, a recent recipient of the masters degree, who replaces Howard Green, and has the distinction of having played his entire college grid career without being in a losing battle. He captained Southern's conference and national championship squad of 1950.

All-American Odie Posey, a newcomer as a coach, but with an old name that is truly outstanding in grid history, led the entire nation in rushing with 1399 yards in 1949 and was a major point-getter.

Lincoln Pins Hopes On 6 Varsity Vets

LINCOLN UNIVERSITY, Pa. — With the withdrawal of Army Chemical from its schedule, Lincoln University will play only seven games this gridiron season.

The Lions first home game will be on Oct. 20 with Delaware State. They will open the season on Sept. 29 against Johnson C. Smith. Other home games are scheduled for Oct. 27 and Nov. 10 when the Lions will meet Hampton and Shaw respectively. Homecoming will be observed on Oct. 27.

Completing the Lions' schedule are games with Virginia Union (Oct. 13), St. Paul's Polytechnic (Nov. 3), and Howard University (Nov. 22).

Basilio Wins Welter Title Back In 9th

SYRACUSE, N. Y. — (ANP) — An attempt to beat Carmen Basilio at his own game backfired for Johnny Saxton last week. He was knocked out by Basilio in 1:31 of the ninth round of their scheduled 15 round bout.

Defending the welterweight title he regained last March 14, Saxton surprised a sellout ringside crowd of 8,546 in the War Memorial auditorium here and millions others who saw the fight on television, by waging into his hardy opponent at the opening bell and trading punches freely. He attempted to stay on top of Basilio and smother his punches, but the strategy proved his undoing.

CUTS SAXTON'S LIP

Basilio, finding the fighting to his liking, fired away at Saxton's body with punishing blows which left the former New York orphan boy groggy as early as the fourth round.

In that frame, he clipped Saxton with a long right to the jaw which knocked him back on his heels.

He switched his attack to the head and cut Saxton's lip in the seventh round. From that point onward, Johnny was in constant trouble.

In the fifth, Saxton, sensing his mistake, tried to revert back to his usual stab-and-run style. But by then it was too late. Basilio's body blows had taken their toll and Johnny was a sifting duck for Carmen, hooks and uppercuts.

The end came early in the ninth. Johnny, trying desperately to protect his badly cut lip, was nailed with a long right to the jaw. Staggering under the impact of the punch, he grabbed weakly at the top strand of the ropes and tried to maneuver out of trouble. But Basilio was on top of him with flaring fists, scoring with lefts and rights to the head. As Saxton backed away, Basilio forced him into a neutral corner and bombed him from all angles.

REFEREE HALTS BOUT

Saxton sagged under the attack and was careening along the ropes when Referee Al Berli stepped in and halted the bout.

Saxton's ill-fated gamble indicated the impact upon him of persistent public demand that he stand up and fight.

After Saxton defeated Basilio in Chicago March 14 to regain the title he had lost to Tony DeMarco, he was roundly criticized for "running away" from Carmen. Saxton said then that he was not interested in fighting Basilio's fight.

A pre-fight favorite at 7 to 5, Saxton weighed 145 3-4 pounds to Basilio's 146 1-4.

Saxton received 40 percent or about \$75,000 from the combined gate and television-radio poll. Basilio netted \$37,500. Total gate receipts was \$134,000. The TV-radio deal brought in an additional \$74,000.

Saxton said he will utilize his 90-day option for a return bout included in last week's fight contract. Brooding over his mistake, Saxton said:

"I tried to fight the fans' fight. They don't want you to run." Then he added: "I want another fight with Basilio. I'll do a lot better next time. I've got the right to a rubber match."

Basilio said, "Certainly he can have the shot."

Virginia State, Elizabeth City, Smith, North Carolina, Bluefield, Lincoln and Maryland State.

BEGINNING OF THE END— Carmen Basilio (right) punishes Johnny Saxton in the ninth round, a few seconds before the bout was stopped by Referee Al Berli. Saxton's lip had been cut severely in the seventh round, and was bleeding freely.

Newk's 23rd Victory Was Big One

TOLEDO, Ohio — Don Newk's 23rd victory over the New York Giants, and a game son was a big one. It was a 3-

to-1, 11-inning struggle over the New York Giants, and a game the Dodgers needed badly to continue breathing down the necks of the front-running Milwaukee Braves.

The reason: The Braves had been shut out, 5 to 0, by Sad Sam Jones of the Chicago Cubs, and the Dodgers had lost the first game of a double header with the Giants, 6 to 2. Later, the Cincinnati Redlegs dropped a 1-to-0 decision to the St. Louis Cardinals. These developments tightened the NL race further.

BIGGEST DODGER WINNER — Newcombe became the biggest Brooklyn Dodger pitching winner since Dazzy Vance bagged 28 in 1924. He gave the Giants 6 hits and walked none. Sandy Amoros walked in the 11th and came home when Carl Furillo hit his 18th home run.

In the first game, Willie Mays starred, hitting his 28th and 29th home runs, and driving in three runs. Mays had hit 8 of his last 10 homers against the Dodgers.

He also gave the Bums trouble in Saturday's game, getting three hits, driving in a run, stealing a base and scoring a run. The Dodgers won, however, with Charlie Neal getting a pinch triple to set up the winning run. A pair of hits by Jackie Robinson also figured in the scoring.

In blanking the Braves, Jones raised his league-leading strike-out total to 148. Ernie Banks and Gene Baker of the Cubs had five hits, Baker getting three.

On the following afternoon, Banks got another pair of hits as the Cubs beat the Braves, 2 to 1, for the fifth straight loss by the league leaders.

AARON HOLDS LEAD — At week's end, Hank Aaron held a very tenuous bulge in his battle for the National League batting championship. With his .325 average, Aaron held only a 4-point margin on his closest competitor.

Three other regular NL players were among the first ten batters percentage wise. Roberto Clemente, Pittsburgh, was batting .308; Banks, .302, and Junior Gilliam of the Dodgers, .300.

Frank Robinson, the young outfielder for the Cincinnati Redlegs, was pressing Duke Snider of the Dodgers for home run leadership. Snider had 38, Robinson, 37. Robinson continued to lead in runs scored, (111).

Aaron and his teammate, Bill Bruton, were tied in the number of doubles (13). Mays has now stolen 33 bases, 14 higher than Gilliam, who has 19.

In the American League, Harry Simpson of the Kansas City A's was third in RBIs (46) and Larry Doby of the Chicago White Sox, fifth (38).

Robinson And Burdette End Diamond Feud

BROOKLYN — Brooklyn Dodgers star infielder Jackie Robinson and Lew Burdette, Milwaukee Braves pitcher, shook hands and made up last week spelling the end to a two-week feud between them.

"It was all a misunderstanding," said the veteran Brooklyn star. "I was wrong, I apologize."

The feud was an outgrowth of an incident recently in a Milwaukee-Dodger game that found Burdette riding Robinson. Burdette used the term "watermelon" and Robinson interpreted it as a racial slur and immediately challenged the Milwaukee hurler.

"We met in the runway before the game last Tuesday night and got it all straightened out," Robinson said.

Jackie added: "He told me he was referring to my weight. If I was wrong I'm sorry."

Hampton Expects Big, Strong Line

HAMPTON, Va. — Coach Harry Jefferson said today that he expects to have a heavier, stronger line on this year's team.

The basis of this belief is the fine showing made in practice sessions by veteran linemen George Brown, a leading candidate for all CIAA honors; Sanford Wilson; Clemmie Strayhorn; and Clyde Clack, outstanding tackle in 1955 who has been shifted to end to help fill in gaps caused by the loss of three regular ends — Jesse W. Head, John Harris and William Dudley.

Freshman linemen who have looked good in training are James Harrison, tackle, from Las Cruces, New Mexico; Thomas Robinson; guard, Washington, D. C.; Ray-

mond Ormsby, tackle, Torrington, Conn.; Frank Smith, center Richmond Va.; James Foster, end, Orange, New Jersey; and Willie McGhee, guard, Washington, D. C. Coach Jefferson and backfield Coach, Jimmy "Little Train" Griffin are having difficulty replacing 1955 stars Fletcher Battle, Robert Crawford and Dick Clary in the Pirate backfield. However, certain veterans and freshmen are showing well in pre-season sessions.

Alphonso Charles, Walter McKay and Alfred Smith are contending for the opening quarterback slot. Charles was second-string performer on last year's team. Smith is returning to the position he played in 1954 after spending a season at fullback.

VISITING PACKERS — When the Green Bay Packers played an exhibition game against the Washington Redskins in Winston-Salem, N. C., last

week, Ralph Gholston (left) and Nate Borden (second from right), former players at the University of Indiana, visited A&T college in Greensboro, N. C., and were greeted by

Mrs. Katie Humphrey, instructor, and Melvin Groomes, assistant Aggie football coach and formerly with the University of Indiana.

DOUGLAS HIGH

By CLAUDIA MARIE IVY

Hello, I am very happy to inform you that I'll keep you (my loyal readers) posted on the latest happenings and events around the campus for the year of 1956-57 and I do hope you'll enjoy reading my column.

Tuesday, Sept. 11, the faculty and student body of Douglas were assembled together for the first time this school term. The assembly was for the purpose of informing the new students of the functions of their "Newly Found Love," Douglas High school. All new students were asked to stand and after this our beloved principal, Mr. J. D. Springer, extended greetings to the faculty and student body. These greetings were accepted in a short but eloquent speech by Charles Lewis, a former student of Hyde Park Junior high.

New teachers are Misses Arnie Mannings and Evelyn Knox, Primary dept.; Mrs. Rita Weid, librarian, and Mrs. Aubrey Turner, Junior high department.

STORK ON HIS WAY

The faculty and student body of Douglas regret the loss of two very efficient teachers, Mrs. O. B. Johnson (Emma Tom) of the Commerce department and Mrs. Mildred J. Brady, of the Primary department. These young ladies' families will soon be visited by that generous fellow, "Dr. Stork."

TOUCHDOWN BOUND with the last of Melrose's seven TD's that gave them a 44 to 0 victory over Langston High

of Hot Springs, Ark., is quarterback Steve Harden, No. 25. Calvin Moore picked up four touchdowns, two of them lung-

ging passes hurled by Harden, and Albert Wilson and James Armour picked up the other two. Aaron Hackett made the two conversions picked up.

State's 'New Sound' Band Readies For Giants-Browns Football Stint

By MABEL B. CROOKS

NASHVILLE — Registration and studies have ended strenuous practice schedules for Tennessee State's 100-piece "new sound" marching band preparing for its New York Giants-Cleveland Browns football game appearance Oct. 14.

This Nashville university aggregation, directed by Frank T. Greer assisted by Arceio Francisco, has accepted an invitation to perform a 15-minute show in Cleveland

(Ohio) Stadium between halves when the Browns open the league season there against the New York Giants the second Sunday in October. A group of talented major-ettes trained in the pageantry idea of precision-type dance routine will be a feature. According to Tennessee State's public relations director, Dr. William L. Crump, much of this half-time performance will be televised and broadcast coast to coast.

Classes begin Monday, Sept. 24, for these young musicians who put in a week of grueling rehearsals prior to the opening of school. Studies now will take priority over all other activities until the group takes the October weekend off for the Cleveland trip.

The "new sound" developed by Director Greer is a feature of the university's marching band. An innovation in percussion, the instruments featured in this "sound" are the Scotch bass drum and the tenor and snare drums. Considered one of the best-equipped in the country, this band not only has been an ideal instrument of goodwill, but also has earned a reputation around the nation that has proved a public relations asset to the school.

Melrose Gets Revenge From Spa Team, 44-0

Revenge came easy to Melrose Thursday night as they drubbed Langston High of Hot Springs 44 to 0 to square things with the Spa team which last season snapped a string of victories nearly four years long for the Golden Wildcats.

Coach Joe Westbrook's team, defending prep and state champs of three years handrunning, making its first start with a number of new players in the lineup, showed great offensive potential but a defense somewhat weak against passes.

Calvin Moore, who made four of Melrose's seven touchdowns, shared game hero honors with quarterback Steve Harden who ran for a touchdown and connected on passes to Moore for two of Moore's tallies.

Halfbacks James Armour and Albert Wilson each made one of the other two TD's.

THE SCORES

Melrose lost no time in scoring. Taking the ball on Langston's 45 after the Spa squad failed, as they did all night, to get any place, Harden whipped a 25 yard pass to Moore who gathered it in on the 20 and ran the remainder of the way.

Hot Springs fumbled on their own 37 to set up the next score for the Maroon and Gold. After getting down to the 10, Armour scampered around end for the score.

The final score of the first quarter when took a punt on the 45 and waded on a couple of plays to the 22 from which point Moore raced over the goal line. Aaron Hackett, fullback, went over tackle for the extra point, the first made thus far.

Wilson went ten yards for the first score in the second quarter after Langston lost a fumble there. With just time for one play in the second quarter, Harden uncorked a long pass to Moore who hauled it in on the 20 and went on to score.

Melrose opened the third with a touchdown drive which ended with going over from the six. The final score was Harden's 12-yard swing around his right end. Hackett went over for the extra, giving

Melrose just two extra points to go with its seven touchdowns.

WILLIAM MISSED

Last year William Harden, who shared quarterback chores with Steven Harden, his brother, did most of the extra-point kicking. Most of the tries last night were by passing or running.

Hot Springs' vaunted backs, Thomas Love, Ronald Crutchefield and Harold Simpson, who paced their team to a 22-0 victory the week before over a team from Dallas, Tex., found themselves bottled up most of the night.

A FORM OF IT

Records have it that the Washington Warriors lost the game last Friday night that they played in Pine Bluff Ark., against Merrill high. But that is the records. Speaking in the form of fairness they didn't lose.

They played with all the dignity, honor and fairness of the fine sportsman yet they were constantly being penalized while the opponents got away with murder in a form of speaking. There were about five touchdowns taken from the team and the time C. C. Morgan had a clear way to the goal line and one of the men jumped up off the bench and tackled him and the score didn't count. But Merrill High supposed to have won, yes they won alright.

ELVIS PRESLEY AT SCHOOL

An (imaginary) Elvis Presley with a goat chain around his neck upset the school last week with his strange personality. He is from some city up north and is attending Washington this year. Crowds of students have been gathering around him and asking for his autograph and taking pictures of him.

TOP STUDENT

"When I first started singing," was written by Mecino Choice, and this is the way it went.

"I first started singing in 1954 while I was sitting over to a house listening to a record. I decided I would get me four boys and sing the record. Then everyone started calling me Golden Voice. After that I tried my luck at the Handy Amateur and won first prize. Then we moved to Houston, Tex., and while there I sang at different clubs. The only trouble is I had a holdback. I was young and I had to go to school. Then in 1956 we moved back to Memphis, and that was when I met my good friend Dick (Cane) Cole who told me he would like to help me and that is exactly what he did.

"One day Dick called me and told me to come down to the station, that he had wrote a song for me and the name of it was 'Tonight.' Since then I have been doing pretty good. I have another song coming out soon that Cane is writing, and I believe that with the help of the Cane and you wonderful people I will make it, for deep down in my heart singing is my life."

Science Shrinks Piles New Way Without Surgery

Finds Healing Substance That Does Both—
Relieves Pain—Shrinks Hemorrhoids

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain without surgery.
In one hemorrhoid case after another, "very striking improvement" was reported and verified by doctors' observations.
Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.
And most amazing of all—this improvement was maintained in cases where doctors' observations were continued over a period of many months!
In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!"

And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.
All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne)—the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.
This new healing substance is offered in suppository or ointment form called Preparation H. Ask for individually sealed convenient Preparation H suppositories or Preparation H ointment with special applicator. Preparation H is sold at all drug stores. Satisfaction guaranteed or money refunded.

Ag. Dept. Funds To Buy Turkeys As Stabilizer

The U. S. Department of Agriculture has announced a purchase program for turkeys in order to stabilize producer prices during the heavy marketing season for this year's record turkey crop, according to Leo W. Smith of the department's food distribution division.
The 1956 crop of turkeys is estimated at about 16 percent more than of 1955 and exceeds the previous record production in 1954 by 13 percent.
Any turkeys purchased will be distributed to non-profit school lunch and institutional programs. Purchases will be made with section 32 funds.
The Department of Agriculture, "is prepared to take this positive step to assist the turkey industry in its merchandising activities," Smith said. He emphasized that the Department also is cooperating fully with the industry in promoting increased consumption of turkeys during this season of abundant supply.
Detail's of the turkey purchase plan will be announced within a few days. Purchases would be made on an offer and acceptance basis and would, be limited to frozen, ready-to-cook turkeys

POETRY CORNER

Trust and obey
When you put your whole trust
in your Savior,
He will guide and protect you each day:
From the snares and the pit-falls
around you,
And obstacles thrown in your way
You may become weak and discouraged,
As all of us many times do
Just take on new faith in that
Pilot
He will surely carry you through.
There's no other friend like your
Savior
He has His eye always on you;
Just trust Him and you're sure
to conquer
'Gainst harmful things others
might do.
Just put your whole heart in your
trusting
You'll have happiness all the way
long
Finding kind things to do for your
neighbor,
And your heart will be filled with
a song.
Christ has said to us "Love one
another."
And if we live that Golden Rule
way
We are certain to reap a rich
harvest
If we only trust Him and obey.

Car-Pool Case Re-Dated In Fla. Boycott

Tallahassee, Fla.'s car-pool arrest cases, originally scheduled for Sept. 6, have been moved back to Sept. 20.

Officials of the Inter-City Council, Inc., sponsors of the bus boycott, report that an interesting development regarding the car-pool cases is the reaction of numerous whites to the arrests.

"A number of letters to the editor of the local newspaper by white citizens have indicated their disapproval of the arrest and prosecution of the drivers," says council officials.

BLIND LAW

"One teenager asked how the law could apply to Negro car-pools without applying to white car-pools then went on to name the various types of car-pools which she knew about," they report.

Council members saw in the overwhelming success of a picnic which had members of the council as honored guests, proof that the masses in Tallahassee are behind the boycott movement.

Sponsored by the Women's Auxiliary of New Salem Baptist church, the picnic drew more than 1,500 people to Gaither Park to eat, relax and enjoy fellowship.

The Hamiltonian

By DENVER TERRY

Seems as though things are getting along fine around Hamilton High school. The students seem to be enjoying the first of the semester and the school teachers. The school has increased this school term. The Hamilton High school is pleased with their principal, Prof. H. T. Cash. Prof. Cash is trying to make Hamilton one of the most presentable schools in the city-wide system.

Prof. Cash is cooperative to anything that is encouraging to the students. The Hamilton teachers are encouraging to the students too. Hamilton High school has added more new teachers to make this season a prosperous school term. More rooms were put on the school last year and the gymnasium was built at the same time.

The Hamilton Newswrite will be putting out the Hamilton news at school, as soon as school gets leveled off for school reporters. The Hamilton parties, dances and plays will be booming off soon. Some of the parties and dances will be given at students homes and some at the school cafeteria.

CLUBS STARTING

The clubs at Hamilton are getting started. The clubs are the Boosters club, Hi-Y, Y-Teens, and Gro-Y. "The most important organization of the schools and country is Parents-Teachers Association. This great organization is trying to stop Juvenile Delinquency and other teen age problems of the schools of America.

Parents are urged to attend meetings at city schools. The PTA membership is 25 cents for each parent. The students will be given a slip to notify the parents when and where meeting will be held.

SPORTS

The Hamilton coach Jesse Joseph is thinking of having a Junior High Basketball team this season. The Hamilton High school football team is rough and ready for this season. The Wildcats beat a High School in Helena, Ark., 27-0. The Wildcats quarterback, Calvin Boyce and Kermit Stepler are ready to take and run that ball, with Howard Griffin snapping it at center. Charlie Walker is ready to buck through that line as halfback. The Prep Squad and

Boosters clubs are all set to cheer the rough Wildcats up.
