CIO In Favor Of Raising Pay 'Substantially'

Reuther Hints UAW Will Seek Hike This Year

President Speaks

Atlanta, Ga. Nov. 21—The CIO's national executive commit-tee has formed a new labor relations committee to be charged with securing a substantial increase in the hourly rate of pay for auto workers.

Reuther, president of the United Auto Workers, and other United Auto workers, said much of a wage hike in the coming year. He said the CIO was 'bent on earnings in the industry.' He added, 'that the United Auto Workers will not be satisfied with a meagre increase.'

When asked whether the union expected to get a settlement of the dispute, Reuther said, 'we are working on a contract.'

Dr. Reuther said the union would be satisfied with a settlement of the dispute. He added, 'that the United Auto Workers will not be satisfied with a meagre increase.'

The union is currently negotiating with the automobile manufacturers over the terms of a new contract. The dispute has been going on for several months, with the union demanding a substantial increase in wages and working conditions.

Kentucky Today

In the city of Paducah, Ky., Nov. 21—Ford Lansden, manager of the Paducah plant of the Ford Motor Company, announced today that the plant would be closed for the next two weeks.

Lansden said the plant was closed due to the strike of the United Auto Workers. The union has been on strike since the end of October, with the company refusing to give in to the union's demands for a higher wage.

Lansden said the plant was closed for the next two weeks, but that it would reopen as soon as the strike was settled.

Dr. Reuther called for a settlement of the dispute as soon as possible.
