IT'S OURS NOW, BUT

We won't have it after December 31. "It," of course, is the new Ford at Huddleston's. Stop by tomorrow to inquire about it.

## Columbus Boy Shoots, Kills Young Brother

**Mistook Him For Burglar, Parents Reported Today**  
**ANOTHER BOY SHOT**  
Carl Ray Coates, 11-year-old son of Mr. and Mrs. Carl Coates of Columbus, was killed instantly by the shotgun blast and was taken to Jackson Hospital in Clinton. It was reported this morning that it may be necessary to amputate his arm.  
Mr. and Mrs. Coates and their two younger sons had gone to church services in Columbus last night, leaving James at home to guard the house against burglars and prowlers who had been seen in the neighborhood recently, the parents stated.  
Church services were dismissed earlier than usual, and the family's arrival when he heard someone on the front porch of the home. The two younger brothers ran ahead of Mr. and Mrs. Coates, and had reached the front porch when James became alarmed and fired at them with the shotgun.

## HOSPITAL NEWS

**Leader Congratulates**  
Mr. and Mrs. Leon McAllister on the birth of a son, Friday, November 22, at Vanderbilt Hospital, Nashville.  
Mr. and Mrs. Thomas Webb on the birth of an eight pound girl November 24, at Jones Clinic.  
Mr. and Mrs. James Thomas Oshon on the birth of a six pound girl Sunday morning.

## Scouts Aid In AAF Project

**Will Help AAF Secure Names, Addresses Of Air Corps Men, Women**  
Elbert Johns, Boy Scout field executive of the Four Rivers Council, announced today that Fulton Scouts will cooperate with the Army Air Force in "Operation Roger," in which the AAF is seeking the names and present addresses of former members.  
The Scouts will place cards addressed to General Spaatz, Commanding General, AAF, Washington, D. C. in Fulton stores, hotels, the postoffice, American Legion cabin, and other public places. Local veterans of service in the air force are requested to fill in their names, addresses and serial numbers and mail the cards immediately.  
An AAF letter to all Civil Air Patrol wing commanders points out the importance of "Operation Roger" as follows: "For an adequate Air Reserve program it is necessary that former AAF personnel be kept in touch with developments in aviation. Air Force men and women have a universal desire to keep during peace as in war the feeling that they belong on the team."  
Mr. Johns reports that the Scouts will begin their work in "Operation Roger" immediately.  
The Scout executive recently has moved to his home on Terry Road from Paducah. He is married and has two children, Carolyn and Elbert, Jr.

## Old Age Pay Checks Larger

**Kentucky's October Pay Averaged \$17.07, \$5.05 Over September**  
Frankfort, Ky., Nov. 25—(AP)—Old age assistance payments for October averaged \$5.05 more than for September, the state division of Public Assistance reported today. Average payment for last month was \$17.07, compared to \$12.02 in September.  
The increase was caused by a recent federal appropriation, the division explained.  
Last month 45,487 aged persons drew a total of \$741,780, compared to 43,164 who drew \$518,955 in September. There are 4,683 applications for old age aid pending.  
Average grant to families with dependent children was \$45.37 in October, compared to September's \$29.25. They got a total of \$264,220 last month, against \$175,093 in September. Pending applications for this aid number 1,783. Federal aid boosted the average grant per child to \$13.08 in October.  
Average daily October needy blind grant was \$19.81 compared to September's \$13.34. Total payments to 1,568 blind persons in October was \$28,237, against September's \$20,773 to 1,587. Pending applications for blind aid total 145.  
To make necessary payroll adjustments, because of the new federal support, it required three shifts a day for nearly two months on some of the check-writing machines and an average ten-hour work day for many employees, Aaron Paul, division director, said.

## Two Fulton Men Injured In Wreck

Dr. Olynn Bushart and Gilson Latta were painfully injured Saturday night near Martin when their car collided with another automobile which was parked on the highway.  
Mr. Bushart received a knee injury and Mr. Latta suffered a shoulder fracture. Both are in Fulton hospital for treatment.  
Mrs. Bushart and Mrs. Latta, who were in the car when the accident occurred, received only minor bruises.

## Cincinnati Reds Name Two Part-Time Scouts

Cincinnati, Nov. 25—(AP)—The Cincinnati Reds today announced the appointment of Herman (Pete) Clifton, former infielder with the Detroit Tigers, and August King, assistant physical education director for Cincinnati schools, as additional part-time talent scouts for the Greater Cincinnati area.

## Ski-Equipped Planes Rescue Crash Victims

**12 Passengers Escape Death In Alps Crash**  
**BOARD VIENNA TRAIN**  
Interlaken, Switzerland, Nov. 25—(AP)—Twelve Americans who survived five days on an Alpine glacier 12,000 feet above sea level were safe on a United States Army hospital train en route to Vienna today, rescued from their plight by the same route they got into it—through the air.  
Swiss Army officers in ski-equipped, three-place Fieseler Shore planes brought them and their baggage out yesterday in nine shuttle flights over the 10 miles between the airport at Meiringen, some 15 miles east of Interlaken, and their snowy perch on Gault Glacier.  
The 12—an 11-year-old girl, four women, four Army officers, two non-commissioned officers and a male civilian—had been in a sheltered hole in the glacier, 13 miles southeast of Interlaken, since the crash landing last Tuesday of a U. S. Army C-53 Dakota transport plane en route from Vienna to Pisa by way of Munich.  
They had lived on box lunches for three days and, after those gave out, on candy bars they had purchased at the Munich post exchange and doled out one a day to each. They drank snow melted over fires of gasoline oil and parts of the plane, and had slept on blankets and the transport's seats and upholstery. Swiss mountain guides reported a three-foot snowfall had converted the cabin of the dizzy damaged plane into a cozy "igloo" for them.  
Not till Friday was the wreck located. Meteor in the mountains deflected radio beams sent from the stricken plane and receiving operators got the impression it was 80 miles south of here.

## Eighth Grade At South Fulton Wins Trip To Nashville

The eighth grade of South Fulton school won a trip to Nashville Saturday in a contest with other classes.  
They visited the Parthenon, the Hermitage, the capitol and other places of interest.  
Accompanying the 50 pupils in two buses were Mesdames Huey Butler, Bob Harris, E. C. Grisham, Joe Bennett, Jr., Kelly Jones, Howard Strange and Miss Alice D. Williams.

## Joint Rotary Lions Meeting Is Postponed

The joint meeting of the Rotary and Lions Clubs, originally scheduled for tomorrow, Saturday, November 29, at noon, it was announced this afternoon. The clubs will enjoy a vacation dinner provided by five Fulton hunters who returned last week from a trip to northern Michigan.

## Dallas Landlords Strike Against OPA Ceilings; Refuse To Rent When Apartments Are Vacant

By William C. Barnard  
Dallas, Tex., Nov. 25—(AP)—In this crowded Texas city, where classified columns daily plead the urgent need of housing, hundreds of rooms, apartments and residences are empty. Landlords are striking for abolishment of the OPA.  
Mrs. Frank Morris, 55-year-old Dallas clubwoman, president of the statewide Landlords Incorporated and the local property owners and associates, is leading the militant drive against the government agency.  
"This is a quiet strike," she said. "Mostly, there have been no evictions. When tenants move out, doors are locked and stay that way. At least 3,000 Dallas housing units now are being withheld. The landlords aren't fooling."  
Mrs. Morris owns no rental property but feels rent control is "undemocratic, unconstitutional and is cheating homecoming veterans out of a place to live." Her only son, a radio operator, was lost in a B-17 raid over Germany.  
"I am fighting the OPA," she explained, "because I want this country to be worthy of his sacrifice."  
Wearing a fuchsia dress and pancake hat of similar hue, Mrs. Morris guided me on a tour that took in dozens of ghost apartments and house—places marked by untended yards and drawn shades.  
We called on Joe H. Blann, totally disabled by heart trouble as a result of German shellfire in the first World War. He said he had sold a duplex and a triplex because of burdensome controls and that a five-room cottage would stay empty until "the government restores property to landlords."  
He lay abed in his own unit of his otherwise empty apartment house which, until last March, accommodated 18 other tenants. Last February he got into a price squabble with OPA and the agency obtained a \$289 federal court judgment against him.  
"We helped the girls who lived here to find other places," Mrs. Blann said. "Taxes, utilities and all other costs have gone up but the OPA limited us to \$7 per

## Martin Man Burns To Death

**John Bennett Foley, 40, Died In Blazing Auto, Martin Police Report**  
Martin, Tenn.—John Bennett Foley, 40-year-old World War II veteran of Martin, was burned to death Sunday afternoon in his automobile, where he was sleeping after a party the night before, police reported.  
The blazing auto, parked in the yard of Dee Foley, the victim's brother, was discovered by a group of children at about 3:30 p. m. The children awakened Dee Foley, who was asleep in the house. The latter was burned about the face when he opened the car door in an attempt to rescue his brother.  
Police Chief Harold Ivy said the Foley brothers and W. B. Cavin, also of Martin, had been on an all-night drinking party Saturday and returned to Martin Sunday to "sleep it off." Dee Foley went into the house, but his brother remained in the car, the chief said. John Foley, he said, apparently dropped a lighted cigarette on a pile of papers in the back seat.  
Services were held at Sandy Branch Church at 2:30 this afternoon with the Rev. T. A. Duncan officiating.

## Fulton Lady Dies In West

**Mrs. Mary F. Baughman, Fulton Native, Succumbs At Phoenix, Arizona**  
Mrs. Mary Frances Baughman, a native of Fulton, died at Phoenix, Ariz., November 10. Funeral services were held at Edwards Brothers' Colonial Mortuary, Los Angeles, California, November 14, with Dr. Robert P. Shuler in charge. Burial followed in Inglewood Park Cemetery, Los Angeles.  
Mrs. Baughman was the daughter of Mr. and Mrs. Claude A. West. Her father preceded her in death October 4, 1935. She is survived by her husband, A. West, Jr., and two aunts, Mrs. L. O. Carter and Mrs. J. H. Robertson.  
Mrs. Baughman was a member of the Fifth Methodist Church, Fulton.

## Minister Preaches From House Tops

Dexter, Mich., Nov. 25—(AP)—The Rev. William Mainsworth, 64-year-old congregational minister, today made ready for a tour of Midwest rooftops after preaching his initial sermon from a two-story building here Sunday.

Cutting his hat in a stiff wind, Rev. Mainsworth, Bible in hand, spoke over a public address system to some 200 persons standing in the street below him or sitting in automobiles.  
Pastor of the Western Congregational Church here for the last eight years, he said he got his idea for roof-borne sermons from Matthew 10:27, "what ye hear in the ear, proclaim upon the housetops."

## Youth Admits He Killed Neighbor

Woodbury, N. J., Nov. 25—(AP)—Sixteen-year-old Harry Sherwood was held without bail on a murder charge today after a police authority said, he signed a statement admitting he shot a neighbor to death and buried his body in a grave he dug on his own property.  
Squad Policeman Walter Zick-wald said the thin, bushy-browed youth confessed the slaying after all-night questioning. Sherwood, sleepy-eyed and disheveled, was taken to the scene of the slaying and reenacted the shooting.

Landlords Incorporated, organized only two weeks ago, already has affiliated organizations in other Texas cities, including Houston, San Antonio, Palestine, San Angelo, Fort Worth, Galveston, Monahan, Vernon, Corpus Christi and Waco.

## Schools To Close Thursday, Friday For Thanksgiving

All Fulton and South Fulton schools will be dismissed Wednesday afternoon, November 27, for a four-day Thanksgiving holiday. Superintendent Lawrence Holland of Fulton and Principal Ed Eller of South Fulton announced this morning. Regular classwork will be resumed Monday morning, December 2.

## Carlisle Farmers Name Committees On November 29th

Berdwell, Ky., Nov. 23, (Special). T. Edwin Stanley, chairman of the Agricultural Conservation Committee, has announced that Carlisle county farmers will receive notices in a few days of the annual election of community and county farmer committees. Carlisle county has recently been re-districted and now has six farming communities instead of the original nine. Each of these communities will elect three committeemen, and two alternates, as well as a delegate to the county convention, where a three man county committee will be chosen. Community elections will be held on Friday, Nov. 29.  
Mr. Stanley stated there were approximately 1,200 farmers who are eligible to vote in the election this year.  
The six community districts are East and West Berdwell, Trilington, Cunningham, Millburn, and Kirbyton.  
All eligible farmers are urged to attend their community meetings.

## Vets Interested In Farm Program To Meet At Cayce

All veterans who are interested in enrolling in the veteran farmer program are asked to meet at Cayce high school Monday night, December 2, at 7 p. m. The program is to begin at Cayce January 1.  
This is an important meeting since certain necessary forms are to be filled out and the farm program will be explained fully.  
After January 1, the next enrollment date will be September 1, 1947.

## South Fulton BTU Has First Meeting

Sunday evening, November 24, the following officers of the Training Union were elected by the South Fulton Baptist Church: Palmer Downey, director; Odell Travis, associate director; Mrs. Ernest Byrd, secretary; Martha Byrd, chorister; Mrs. Palmer Downey, pianist.  
There were 44 present for the first meeting of the organization. The various unions were organized. Church members invite all Baptists to visit the Training Union.

## Boy Fatally Shot While Watching School Play

Newark, N. J., Nov. 25—(AP)—Police continued today their investigation into the death of 13-year-old Leonard Maulbeck, who was shot fatally Saturday night while watching the annual school play at St. Benedict's Parochial school from a balcony seat.  
The lad's parents, who sat in the orchestra of the auditorium, were unaware of the shooting which most spectators believed was part of the show.

## Three Convicts Escape

Cattlettsburg, Ky., Nov. 25—(AP)—Jailer Ted Gearhart said three prisoners remained at large today after escaping from the Boyd county jail through an opening in the ceiling of their second floor cell.

## Judge Goldsborough Orders John Lewis To Trial Wednesday For Contempt In UMW Soft Coal Shutdown, Denies Plea For Delayed Hearing

## Natural Gas Lines Ready

**Big And Little Inch Could Start Fuel To East In Three Weeks**  
Washington, Nov. 25—(AP)—Claude A. Williams, president of Transcontinental Gas Pipeline Company, Inc., testified today that his company could begin delivering 50,000,000 cubic feet of natural gas a day to the east through the big and little inch pipelines in two to three weeks.

Williams told the house surplus property committee that his company could increase this to 150,000,000 cubic feet in from 30 to 45 days, and to 225,000,000 cubic feet in about 90 days.  
The committee is looking into the question of using the war-built carriers for emergency use in piping gas to fuel-short eastern industries.  
Williams, whose offices are in Austin, Texas, and Washington, estimated for the committee that 125,000,000 cubic feet of gas is equivalent in heat value to about 4,400 tons of coal, and that 150,000,000 cubic feet is equal to about 6,500 tons.  
The normal daily coal output of the mines is 2,225,000 tons.  
The witness, whose company has offered the War Assets Administration \$22,000,000 cash for the two lines, said Transcontinental is "ready and willing" to operate the lines for the transmission of natural gas on an emergency basis.

Speaking in low tone, Goldsborough also expressed the hope

## Most Farmers Are Optimistic

**See Good Prices For Products In 1947, But Aren't Sure About 1948**  
Farmers, for the most part, are optimistic about prices for most farm commodities during 1947, but are hesitant about predictions for 1948, if recent actions taken by the six commodity committees and the legislative committee of the Kentucky Farm Bureau Federation can be taken as an indication, says a "statement" released today by the organization. Roscoe Stone, Hickman, is chairman of the Federation's resolutions committee.

## Burley Tobacco Men May Receive More Coal Soon

Lexington, Ky., Nov. 25—(AP)—Burley tobacco men here today drew encouragement from a promise by the solid fuels administration that it would attempt to bolster stocks of coal for redrying plants to prevent loss of leaf through spoilage.  
Frank C. Taylor, secretary of the Burley growers cooperative association, announced receipt yesterday of a telegram from Dan Wheeler, deputy solid fuels administrator, which said efforts would be made to supply coal needed to process tobacco in warehouses and also possibly for redrying burley already stripped which still is on the farm or en route to market.  
Wheeler added that "no coal from emergency stocks can presently be supplied for tobacco still in barns, and stripping and redrying for market of any tobacco after this date must be made at the risk of persons taking action."

## Sports Roundup

By Hugh Fullerton, Jr.

New York, Nov. 25—(AP)—An independent minor league baseball club owner claims the big league moguls "are attempting and practically succeeding in ruling—and ruining—the National Association." . . . If that is true, the big leaguers should find it very easy to take full charge at next week's meeting. . . . All they'd have to do would be to vote down the restoration of the two percent "tax" on player sales, which was dropped as a war measure. . . . That would leave the minor league governing body with no income but membership and protection and with a rapidly dwindling reserve fund. . . . Without cash the association couldn't do much and might just as well move its headquarters to Cincinnati and become a satellite of the commissioner's office.

**Blind, Not Guaranteed**  
Soon after the football wolves began to howl after Michigan State's Charlie Bachman, Backfield Coach Johnnie Pingel flatly turned down an offer from a Lansing industrialist for a job at almost double his present pay. But we also hear that Johnny isn't too popular, and that the Spartans really have their eyes on Arizona's Mike Castel. . . . A "dark horse" among the possible successors to Andy Kerr at Colgate is William "Ki" Young, who quit

coaching at Auburn, N. Y., high school after an unbeaten season to look after his insurance business. Young, a Colgate grad, is a close friend of Kerr.

**Getting Caggy**  
Tulane's basketballers are scheduled to play 26 games this season in addition to two tournaments, which should give second-year Coach Cliff Wells a good chance to show his stuff. . . . Hotshots of the Idaho V. den season, include Don Dillard, a Blackfoot, Idaho, boy who played freshman ball at Kentucky, and Jack Phoenix, tabbed by Coach Cy Anderson of the Idaho Simplot as the best high school cager he ever saw. . . . Georgia, another early visitor here, will be coached by Ralph Jordan, onetime Auburn coach who replaced Elmer Lampe. . . . Floyd Burdette, who took the job as Alabama football trainer because it went with basketball coaching, has become quite adept at winding tape.

## Milburn Maule Bardwell 49-37 Varsity, Seconds

Milburn, Ky., Nov. 25 (Special)—The Milburn Blue Devils defeated the Bardwell Cardinals Indians here Friday night by a score of 49 to 37. . . . Firtle, center for Milburn, led the offense with 26 points with Moore, guard, making 19 Prince, forward, six, and Virrett, forward, 4. . . . For the Indians, Bodkin, center, led with 14 points. Chenault, guard, made 9. Robinson, forward, 3. Fisher, forward, 4 and George, guard, 3. . . . Score by quarters, 11-10; 24-21; 32-27; 49-37, all in favor of Milburn.

## Central's Cagers Defeat Arlington

Arlington, Ky., Nov. 23—(Special)—The Red Devils of Central high school, Clinton, defeated the Arlington Aces on the Arlington floor Friday night by a score of 46 to 31. Johnson, guard, and Berry, forward, for the visitors led the way with 14 and 10 points respectively while Reese, forward, made eight points and Barclay, center, marked up seven. Griffin, guard, made five and Creed, substitute, accounted for two.

For the Aces, Caddie, forward, made 12 points, Thompson, forward, made seven, while Moss, center, and Samples, guard, accounted for five each. Dunn, substitute, made one basket. . . . In the preliminary game the visitors defeated the Aces' second team 20 to 9. Daugherty, center for the visitors, got three field goals and two free shots; Clark, forward, made two baskets and two free shots. Graddock, forward, made one basket and one free throw while guards Grinnitt and Moore made one and two respectively. . . . For the local team, Wortham, center, made one field goal and three free shots and Yates, guard, made one basket and two free throws. . . . Yancy was the official.

## Fulham Beats Cuba By 58-43

Fulham, Ky., Nov. 25—(Special)—The Fulham Black Cats were winners over the Cuba quints here Friday night by a score of 58-43. . . . Fulham led throughout the game and was never threatened after the first period. B. Milott, center and Armstrong, guard, led the way to victory with 25 and 14 points respectively. Burket, forward, made 11, while Humphries, forward, and House guard, accounted for 9 each. . . . For Cuba, Charles Edwards and B. Yates led the way for their team with 19 and 14 points respectively. Vincent, forward, made 8, Yates, forward, and Wilson, substitute, each made 4 points while W. Vincent, center, made 3. . . . Score by quarters: 9-7; 24-17; 38-28; 58-43.

## Georgia, Georgia Tech Are Preparing For "Dream Game"

By Chick Hesch

Atlanta, Nov. 25—(AP)—Georgia and Georgia Tech, two of the nation's top teams, get together at Athens Saturday in the south's "dream game" and the southeastern conference's most important tilt of the year. Four other conference struggles are scheduled this week, but the battle at Athens may provide a Sugar Bowl bid for the winner and have a heavy bearing on the league championship. Georgia, one of the nation's two major teams with a perfect record, is assured of at least a tie for the title if victorious.

The setting is the same as it was in 1937 when the Cracker states' two teams met here. Georgia has a perfect record and Tech had lost only to Notre Dame. Tech beat the Bulldogs, 19-0, in an underdog role.

The betting boys are expected to favor Georgia—but not by much in view of the success the Jackets have had against stronger opposition in winning eight of nine games.

Another important clash is shaping up at Tuscaloosa where Mississippi State, also with eight

wins in nine games, goes against Alabama. The Maroons, unscored on in the last four games, are also in the bowl picture.

Tennessee, with an Orange Bowl bid accepted, takes on potent Vanderbilt at Nashville. Louisville State and Tulane clash at Baton Rouge, and Florida, without a single win in eight games this year, is host to Auburn. The latter has lost six tilts in a row.

Mississippi bowed to Mississippi State, 20-0, for its worst defeat of the season last week to wind up, and Kentucky suffered its first shutout in its finale with Tennessee, 7-0.

In three intersectional tilts, LSU beat Fordham, 40-0; Tulane was swamped by Notre Dame, 41-0, and Alabama was nosed out by Boston College, 13-7. Auburn bowed to Clemson, 21-13; N. C. State beat Florida, 37-6, and Tech and Georgia warmed up with breather victories over Furman and Chattanooga, respectively.

The Jackets downed Furman, 41-7, and Georgia piled up a big lead to coast in with a 48-27 triumph over Chattanooga.

## College Cagers To See Action

**Five State Squads Will Be On Floor This Week; Last Grid Tills Nov. 28**

By The Associated Press

The emphasis was on basketball along the Kentucky collegiate front today.

The week's activity finds five basketball teams in action plus the season's grid finale between Western and Murray at Bowling Green Thursday.

The University of Louisville, Georgetown, Kentucky Wesleyan and the University of Kentucky open net seasons this week with the latter scheduled twice. Union, which made its debut last week with a 30-22 decision over Sue Bennett, also plays twice.

Union meets Lindsey Wilson at Columbus tonight and plays at home Wednesday with Lincoln Memorial as its foe.

Adolph Rupp's star-studded Kentucky Wildcats open at home Thursday against little Indiana Central and take on bigger bait

Georgetown, under Coach Bob Elson, a newcomer to the KMAC, opens at home Saturday against Cedarville of Ohio. The Tigers have several returnees from last year's squad.

While other teams turn their attention to basketball, Murray and Western wind up football seasons with Murray eyeing a share of second place in the KMAC grid race if they win.

The ideal temperature for long storage of potatoes is about 40 to 50 degrees F.

## Illini Scheduled To Meet UCLA In Rose Bowl Classic

Chicago, Nov. 25—(AP)—The Western Conference's biggest football season in history—most successful financially as all attendance records were smashed, and most surprising and unpredictable in team play as many ex-servicemen sparked while others failed—has come to an end with Illinois a betting champion.

And as a climax, now comes the Rose Bowl. According to script, Illinois will meet the UCLA Bruins in the colorful Pasadena classic New Year's Day. For the Illini it will represent a tremendous jump into football prominence for it took them 15 years to win a conference championship and that was accomplished mainly by a sheer, never-say-die scrappiness usually referred to as team spirit. They inched the title Saturday by wallowing Northwestern, 35-0.

Both offensively and defensively, Illinois was upper a leader on the Big Nine statistics chart, but touchdowns were off on the gridiron and the Illini smeared enough of them to win six out of seven conference starts, including a choice 1936 victory over Michigan, which eventually kept the Wolverines out of the title by a margin of half a game.

## Chattanooga's Roberts Has Scored 165 Points

New York, Nov. 25—(AP)—Scoring one touchdown and 48-27 beating Fulham, Gene Roberts boosted his season's total 165 points, tops in the Nation's collegiate display. With not more games in play, against Rollins College, Saturday, giving Day, Roberts stands as the leader through the final week of the season.

## NOTICE

The City of Fulton, Kentucky, will on November 30, 1946, at 1:30 p. m. at the City Hall in Fulton, Kentucky sell to the highest and best bidder a 5-year Franchise for the operation of a City Bus within the City Limits and under the terms and conditions as shown in the ordinance thereof adopted and approved by the City Council and Mayor November 18, 1946. No bid will be accepted for less than \$250.00 and the city reserves the right to reject any and all bids.

At least one hour before the time for the sale each prospective bidder shall deposit cash or a certified check in the sum of \$250.00 with the Mayor to be refunded to the unsuccessful bidders, and to be applied on the purchase bid of the successful bidder or retained as liquidated damages for non-payment of the balance of bid.

At least 24 hours before time for sale prospective bidders shall furnish evidence of ability to operate under the franchise.

The balance of purchase price shall be paid within 5 days after sale and purchase.

Immediately upon purchase, purchaser may begin operation or within 60 days thereafter.

This November 20, 1946.

T. T. BOAZ, Mayor 278-5tc

## Lost or Found

LOST: One black doe-skin glove, Sunday afternoon, probably near Coffee Shoppe or the Wade home. Reward. Phone 63. Mary F. Martin. 281-3tc

ON KENTUCKY FARMS Names on all RFD mail boxes is an objective of the home-makers clubs in Mercer county.

Roy Craig of Robertson county, cooperating with County Agent J. T. Cochran, has eight varieties of grasses growing in one field.

 <b>SUGAR-CURED HAM</b> Plenty of big, juicy slices. Sweet, succulent ham for your festive board shank half. <b>Lb. 61c</b>	 <b>RIB-END PORK ROAST</b> When good little pigs go to market they end up at A & P! Try one of these fancy light loin roasts! <b>Lb. 55c</b>	 <b>CHOICE RIB ROAST</b> One taste of this tender, juicy Grade A or AA beef and you'll realize that our buyers got some good steers. <b>Lb. 55c</b>	 <b>ROASTING CHICKENS</b> It's a pleasure to be given the bird... provided it's from A & P for all our poultry is fancy. <b>Lb. 49c</b>	 <b>LONG ISLAND DUCKLING</b> You'll take to A & P's fancy duckling the way a duckling takes to water. <b>Lb. 45c</b>
 <b>DELICIOUS APPLES</b> We did everything but climb trees to get you these fresh, crisp apples from the West's foremost orchards. <b>2-Lb. 29c</b>	 <b>EMPEROR GRAPES</b> Fine grapes like these never die on the vine. They're picked at their peak, and rushed to your A & P... but fast. <b>2-Lb. 38c</b>	 <b>MIXED NUTS</b> These are "the nuts" for after-dinner cracking. Assorted to suit assorted tastes. <b>Lb. 49c</b>	 <b>NEW CROP WALNUTS</b> Here's grand eating in a nutshell! Plenty of it, too, for these California walnuts are the finest quality. <b>Lb. 49c</b>	 <b>FLORIDA ORANGES</b> Something southern for Senator Claghorn to blow about! Delicious, that is... <b>8-Lb. 49c</b>
 <b>HEAD LETTUCE</b> You can't lose when you choose heads... not when they're firm fresh heads of lettuce. <b>2 heads 29c</b>	 <b>PASCAL CELERY</b> Have a heart! This celery boasts lots of big crisp flavorful ones that are sweet as sugar. <b>Stalk 21c</b>	 <b>CRANBERRIES</b> You'll take a shine to these cranberries. They are "Late Howe" variety. <b>Lb. 49c</b>	 <b>MARVEL STUFFING BREAD</b> Use the stuff to stuff your bird with. Tender-textured and easy to crumb. <b>Lb. 15c</b>	 <b>YAM SWEET POTATOES</b> Southern Yams like these make mighty sweet dinner partners for poultry or meat. <b>3-Lb. 25c</b>

**Jane Parker FRUIT CAKE**

Over 60% fruits and nuts, this rich, delicious cake is a top favorite for topping off Thanksgiving dinner. It makes a Thanksgiving gift, too. Your choice of light or old-fashioned (dark) cake, in attractive containers.
