## CAUSED BY HIS GRIEF.

Mr. B. S. Enoch's Mind Becomes Unbalanced.

A few days ago, Mrs. B. S. Enoch was sitting in her room at her home, when she was suddenly seized by a violent attack of grief, and became insensible.

Her husband is now said to be in the same mental condition.

Rev. R. S. Barrett is creating almost as much religious enthusiasm as Sam Jones in preaching at Owensboro as Sam Jones.

It is said the people are perfectly carried away by his preaching.

KEEP THE BALL ROLLING.

Judge Fletcher Dempsey's title is not yet clear. His election will be contested, and Gov. Brown has been notified.

Porter claims that by a clerical error, 208 votes for him were counted. What the matter with Gov. Hardin's filing a notice for contest?

FUNERAL SERVICES OVER THE REMAINS OF MISS CLARA BRASHER.

Funeral services were held Sunday morning in the Christian church, over the remains of Miss Clara Brasher.

Rev. Lathrop preached a large crowd followed the casket to the grave.

Simple exercises, consisting of a prayer and a song took place at Hope-well.

REPORT AN ENJOYABLE TRIP.

The hunters who went to Red Foot last week returned home and report a very enjoyable outing.

Twenty-eight ducks were slain and Archie Gant killed half an ox.

This performance of the young bank clerk was a show to the boys and girls, and will give them a lesson in the same party will go again next season.

## WAS SUDDEN.

Miss Clara Brasher's

Young Life Ends.

A HUSBAND'S SAD FATE.

Miss Clara Brasher, the fifteen-year-old daughter of Mr. and Mrs. G. A. Brasher, died Saturday at the home of her parents on Sixteenth street.

She was a bright and attractive girl, a favorite in a large circle of friends, and devotedly loved by many friends and relatives.

She had been sick only a few days. Thursday she complained of not feeling well and remained at home from school.

That night she rapidly grew worse and at last yesterday her sickness was sufficiently pronounced to cause her parents much uneasiness.

It was not until about 10 o'clock this morning that she was found dead.

Death was caused by a kidney trouble. Funeral services were held Sunday morning at 10 o'clock in the Universalist church. Rev. Lathrop preached. The remains were laid in Hope-well Cemetery.

IT IS STILL FILLING SPACE.

The "Two Similar Fates" story reported in the first issue of the New Era is still causing talk. On the heels of Mr. Cohen's death comes the following from the Henderson Journal: "The piece from the Paducah News would be interesting if it had more truth in it. The Major referred to was a colored camp follower and not a member of the Third Regiment at all."

The Masonic lodge was used, and the members of the lodge of Newstead, the late home of the deceased, attended in a body. The local lodge also was represented. Mr. Shelton was a young man of much promise and very popular in the county. Typhoid fever caused the death.

ANOTHER OF OUR PREDECESSORS.

On the evening of the 28th inst., at the residence of Mr. Will Fugate, on Walnut street, Miss Carrie V. Fugate, of this county, and Mr. D. L. Fugate, of Clarksville, will be joined in the bonds of matrimony. The prospective bride is a strikingly handsome and accomplished young lady. Mr. Fugate is the senior member of the firm of Lyons & Nesbitt. He is highly esteemed by all who know him. The New Era anticipates the happy event with cordial congratulations.

MUCH GOOD WAS DONE.

The protracted meeting which has been in progress at the North Street Presbyterian church for about two weeks closed Sunday. The immediate result being five additions. Several others who were converted during the services will join the church this week. Rev. W. H. Milley, of Marion, who conducted the meeting, delivered

## MISSIONS BURNED.

Latest Atrocity of the Mussulmans at Kharpur.

Ambassador Terrell Says the Port Will Be Held Responsible.

Eight Hundred More Christians Fall Victims to the Turks.

Constantinople, Nov. 18.—About 800 persons were massacred by the Mussulmans at Kharpur and eight out of twelve buildings belonging to the American missions were sacked and burned. The missionaries, however, escaped.

Mr. Terrell has notified the Porte that the United States will hold it responsible for the lives of the missionaries.

The inhabitants around Kharpur are in a state of great distress from hunger, and if the cold weather was to set in suddenly there would be much more suffering and considerable loss of life.

Washington, Nov. 18.—Secretary Olney has received a cablegram from United States Minister Terrell confirming the report from Constantinople concerning the massacre of 800 persons by the Mussulmans at Kharpur and the destruction of a large amount of American mission property.

The scene of this massacre is far inland, and beyond the reach of a man-of-war, which would be obliged to pass the Dardanelles and enter the Bosphorus to approach even the neighboring coast.

## DREADFUL ACCIDENT.

Twenty People On a Car Hurled Into Eternity

Over and Over Turned The Coach In Its Terrible Flight.

Special to the New Era.

Cleveland, Ohio, Nov. 18.—The most frightful catastrophe that has ever occurred in the history of electric railways and high bridge happened Saturday evening. One of the large combination cars of the Cedar avenue and Jennings avenue line of the Cleveland Rapid Transit system plunged through the draw of the Central Viaduct, fell 100 feet, struck the protection piling around the base of the pier upon which the drawbridge is pivoted and toppled over into the water.

From 14 to 21 persons lost their lives, either by being killed by the fall or drowned in the water, which at this point is about 75 feet deep. Two hours and a half after the accident the bodies of eight of the victims had been taken from the water. Life existed in only one. This one was a man, who was taken to the Cleveland General Hospital. His escape from death is at this time inexplicable.

The accident occurred at the north end of the draw, where the wheels went down being bound on Cedar avenue, the South Side. It struck the piling, was probably broken up and went into the river, trucks upward, and then turned over.

This is the most serious accident in the history of the Cleveland Rapid Transit system. My daughter has been subject to severe colds and cough and often taken with violent coughing spells at night. Dr. Bell's Pine Tar Honey is the only preparation I have found that will relieve her. I think it is as necessary in a household as a life preserver on a steamboat. Respectfully,

IN HIS NAME.

A Consecrated Pen Is Influential.

SERVICES THANKSGIVING. Words That Will Interest All Christian Endeavorers.

Here is an extract from the Golden Rule, please read carefully and think of the responsibility it throws on each Endeavorer to give to the Press Committee items of interest about their societies, and methods of work they have found helpful. Then this column, so kindly given by the New Era, can be made interesting and a means to extend C. E. work. This is what the editor writes: "What more can the news editor say to stir up your pure minds to a remembrance of the fact that you can do a service of incalculable value to the cause of Christian Endeavor by reporting to our column bright and helpful news of which you have knowledge? It is suggestive to know that when you fall to report the inspiring things that you have seen with in your Christian Endeavor work you are helping to conceal one testimony to the value of our society—a testimony that the whole world should know? Certainly this is true. A consecrated pen is many times more influential for the cause of Christ than a consecrated tongue. Won't you write news 'In His Name'?"

Serve Him in daily work and earnest living. And faith will lift thee to His sunlit heights. Then shall a psalm of gladness and thanksgiving Fill the calm air that comes between the lights.

A Thanksgiving service will be held by the Christian Endeavor Local Union, next Sunday evening promptly at six o'clock. Rev. E. S. Carter will conduct the service and every Endeavorer is earnestly requested to come prepared with verse, song or prayer, to take an active part, and make this an hour, when with thankful hearts, all will tell of the many blessings of the past year, and what they will render unto the Lord for all His goodness to them. Everybody cordially invited to join in this hour of service of praise and thanksgiving.

Endeavorers have collected two large boxes of literature, which will be sent, one to the Frankfort, and the other to the Eddyville Prison Christian Endeavor Societies.

Grace Church C. E. Society would like to commend their plan of holding a regular Missionary service, one each month, to the other societies they have found in both Frankfort and Paducah. Missionary hymns are songs, special prayers offered for Missions and papers read in the life of some noteworthy saint. Last Sunday they had a Livingstone service, featuring David Livingstone's life in Africa. Our pastor always takes an active part in this service and his earnest talks make each member realize the importance of sending the gospel to every creature.

A little girl the other day was examining the C. E. pin worn by a visitor. "The C. E. pin is the E.," she remarked, gravely—"just as it was taking care of it, you see." Not a wholly vain fancy, surely, for the world's Endeavorer will be safe and purposeful only as it is taken care of by Christianity. Golden Rule.

STREET CARS

The Council Asked For a Franchise.

PROPOSITION DISCUSSED. Brief Account of Occurrences Here and There.

The members of the City Council held an informal meeting last night and talked with Ike C. Adair, of Fordville, about street cars. Mr. Adair said that he believed that an electric car line would pay in Hopkinsville; that he had been over the city, talked to the people, noted the size of the place, and was thoroughly convinced that the town needed and was ready for a street car system. He said he represented a company that had money to build the line. The principal members of the company are himself, Banks John M. Henry, of Hartford, and wealthy broker of Louisville. He asked that the Council grant to the company a twenty-year franchise. Mr. Adair found the councilmen ready to co-operate with him and his associates provided it was positively shown that the company was in a position to carry out the proposed plan. It was suggested to Mr. Adair to make a full investigation of the locality and report the result to his company. He was asked to appear before the regular meeting of the council next month and make a formal proposition. There is no doubt but that the establishing of a street car line in Hopkinsville would prove a paying venture. The town is considerably larger than many other places in the State where electric cars are in successful operation. Mr. Adair will doubtless learn that this is true and when he returns next month he will find the city board of councilmen favorable to any fair proposition.

Eloped and Were Married. Arias Cornelius and Miss Minnie Poole, both of this county, eloped to Clarksville, and were married last Saturday afternoon in the Arlington Hotel parlor.

Will be Joined. At the Methodist church of this city, on the fifth day of next month, Mr. A. A. Jones, of Owensboro, and Miss Sallie Sively will be joined in marriage. Rev. Settle will officiate.

Mrs. Richards Passes Away. The aged and estimable mother of Mr. Will Richards, of this city, died Saturday morning at her home in Brownsville, Tenn. She had been sick a long time. The remains were interred Sunday in the cemetery at Brownsville.

Death of Mrs. Patsy Downs. Mrs. Patsy Ann Downs an aged and highly respected lady of the Roaring Springs neighborhood died the latter part of last week at the home of Mr. Mont Dawson. She was about eighty years old and had been ailing for some time. She possessed considerable property.

She is Greatly Admired. In mentioning the approaching marriage of Miss George Virginia Fugus to Mr. D. D. Lyles, of Clarksville, announced in Monday's NEW ERA, the Times says: "Miss Fugus is well known in this city, where she has often visited, and is greatly admired for her many graces and personal charms. Mr. Lyles, a native of Clarksville, is a rising young business man, a gentleman who has the respect and confidence of all with whom he comes in contact, and is very popular among the young men of the city."

Private Sales Were Good. The local correspondent of the Western Tobacco Journal writes: "The market this week on breaks poor, but private sales in the lot were good. Snuff tobacco are in good demand and stocks reducing fast. The weather for the past two days has been rainy and the market is very quiet. I have seen several samples and, most confess, I am sadly disappointed in the quality. The colors are fine, but lack of fatness is very noticeable. Have heard of the sale of one crop at 4 cents all round, and nothing extra in quality, so buyer stayed. Messrs. Gauth and Hartshill, of Louisville were here this week."

FOR COUNTY TEACHERS. An Excellent Program for Next Week's Meeting.

The County Teacher's Association for the Roaring Springs neighborhood will meet at New President Hill church near Mt. Carmel school house on Nov. 29th at 10 a. m. All are cordially invited to be present. The school districts included are Nos. 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100.

Grace Church C. E. Society would like to commend their plan of holding a regular Missionary service, one each month, to the other societies they have found in both Frankfort and Paducah. Four Bottles of Paine's Celery Compound Made Him Well.

WEDDING OF YESTERDAY.

Nuptial Knots Tied and to be Tied.

There may be in the distant future some remedy as efficacious as Paine's celery compound.

There is none such to-day. The sick and ailing who are stretching out their hands for help must take the best that the scientific medical knowledge of the world now affords.

The reasoning that has enabled Prof. Edward Phelps, M. D., LL. D., of Dartmouth college to discover the remarkable formula of Paine's celery compound is the result of the century's work in medicine.

It is by a new and more thoughtful grouping of diseases, from a careful study of their causes, that Prof. Phelps has been enabled to see the true relationship of all diseases of the blood and nerves.

Neuralgia, sleeplessness, melancholia, hysteria, headache and dyspepsia at once referred themselves to a tired, half-fed and therefore damaged nervous system.

The cure lay in attending to the nutrition of the whole system. This system of cure, simple and clear like most epoch-making ideas, was emphasized in the greatest classic of medicine—Hippocrates' famous dictum: "Let food be thy medicine and medicine be thy food."

"Tired to death" and sought a competent investigator, as soon as their physicians ordered Paine's celery compound, they found their tired bodies actually taking a new start.

Invitations have been issued to the marriage of Dr. J. H. McKeown, Jr., to Miss Katie Lee Lyle on the 27th of this month. Dr. McKeown is a former Eddyville citizen and has numerous relatives and acquaintances in this county. He and his bride-to-be live in Dallas, Texas.

At nine o'clock Wednesday, Mr. Walker Jones, of Slaughterhouse, and Miss Sallie Sively, of Clarksville, were married. The wedding service took place in the Christian church at New.

Mr. Fugus, who is so soon to be married, is a well-known citizen of Clarksville, and has been frequently in the city of Hopkinsville. He is a native of Clarksville, and has been in the city of Hopkinsville for some time. He is a well-known citizen of Clarksville, and has been frequently in the city of Hopkinsville.

A number of Hopkinsville people will attend the McKeown-Bellamy nuptials at Trenton next Wednesday. The young people who are to be joined in the nuptial knot are popular here.

Mr. Clarence J. O'Brien, of Louisville, and Miss Sallie Sively, of Clarksville, were married today at the home of the bride.

Cataract in the Head. It is due to impure blood and can be cured with local applications. Hood's Scurvy Cure has cured hundreds of cases of cataract because it purifies the blood and in this way removes the cause of the disease. It is a reliable remedy and prevents attacks of pneumonia, diphtheria and typhoid fever.

HOPELESSLY INSANE.

Was In Jail Charged with Heinous Crime.

Wm. Allen, a white man, who has been confined in the county jail under an indictment by the grand jury on a charge of rape, committed on the person of his sister-in-law, has developed into a hopeless case of insanity. He first began to show suspicious symptoms several weeks ago, and on Saturday evening Dr. Pennington was called and pronounced his case serious. He was tried before Judge Kern on a writ of lunacy this morning and ordered sent to the Hopkinsville insane asylum, for which place he will leave on the noon train tomorrow, under the charge of Deputy Sheriff John Ashby, says the Owensboro Inquirer. He exhibited a dangerous propensity this morning to fight, and in striking at one of the guards struck the door of his cell, and seriously injured one of his hands.

He is about thirty years of age, and his home is near Mazonville, at which place he has a family dependent upon him for support.
