Indian Problem Vital

By Dwitori Mathers "AP Foreign Affairs

There's hope to end the movement here at home. While the nazi threat is great in the far east, the United States and its allies are working on the problem. If we put our heads together, we can solve it. This is the message of the American labor movement.

WHAT W. P. ROBERTSON SAID "IT IS AN ABSOLUTELY SMART idea for the USA to work on the problem of labor, not only in the Far East, but in our own country as well. We must start by making sure that everyone has a job, and then we can work on the problem of the communists."

Advertising Pays Well

Advertising pays well to the men and women of the United States. In the last four years, the value of advertising has increased by 75%. This is due to the fact that more people are buying more goods. The same is true of the United Kingdom. In the last four years, the value of advertising has increased by 80%. This is due to the fact that more people are buying more goods.
