GOODS FOUND.

About \$40 Worth Found in a Loft This Morning Early
They are at Police Headquarters Where They Will Be Held Until Identified.
A shoe fell from a loft at the turn-hill stock yards near the railroad this morning, and was observed by a man employed about the place. He went immediately into the loft, where he found a sack of new shoes, several boxes of goods, and a number of other things, all evidently stolen and placed there by tramps, with which the vicinity is infested.
The police were notified and went out to make an investigation. The goods were taken to police headquarters and are there to await identification. Marshal Collins thought at first that the goods were the same taken from the box cars broken into on the Illinois Central, but this proved to be incorrect. There is about \$40 worth in the lot.

SHOCKING DETAILS.

How F. E. Brantley Was Killed in Louisville Yesterday.
The Louisville Times of yesterday gives the following account of the death of F. E. Brantley, of the city, who was yesterday killed in Louisville.
F. E. Brantley, an employee of the Illinois Central Railroad company, met with this morning in a shocking manner.
He was struck by a Deise electric car at Union depot, seventh street, and instantly killed. Brantley was at work with a gang of men repairing the platform of the depot and most of the work was among the Deise line tracks.
Shortly before 7 o'clock the work men quit the track in order to allow car No. 7 from the New Albany to pass. A crowd was gathered on the platform and Brantley was struck by the car. He sprang in front of the rapidly approaching motor and reached for the car wheel. Just as his hand grasped the wheel, the car was struck fully in the back by the car fender.
The unfortunate man was hurled under the wheels and dragged fifty feet. His mangled remains were scattered about the platform.
Railroad men who viewed the accident said they had never seen a more shocking accident.
Brantley boarded at 723 West J. C. street. His permanent home was in Paducah. He leaves several children at that place. His wife and only a short time ago and Brantley had just recently returned from attending her funeral.
The remains of Mr. Brantley passed through the city this afternoon at 2 o'clock on the train to Chicago, where they will be interred. His sons were here today to meet them.

The objects of the party is to raise money and you will be warmly welcomed and a "sweet time" is assured to all.

WILL GO TO CUBA.

The Third Regiment, With Officers Will Certainly Go in December.
The Boys Will Leave Lexington in a Short Time for Georgia, Then to Cuba.

The concerted action on the part of citizens of Lexington to keep the fact that this place has developed the Third regiment and Company K, will be in Cuba inside of a month. It is there they will eat their Christmas dinners, and how long they will remain is a question unanswerable at present.
See, also, in an interview published yesterday in the Courier-Journal, said that the troops could not remain in Lexington as orders to remove them in a few days to Georgia, thence to Cuba, had been issued, and under circumstances would be countermanded. He is quoted as saying that all the soldiers now in Lexington will be in Cuba by December 1. This is no doubt gratifying to the boys.

REMARKABLE CASE.

A remarkable diagnosis of a case made by Dr. H. T. Rivers was this morning verified at a post-mortem examination made of the remains of the late William Dimmick, whose death took place yesterday. The man's malady was a strange one, and the doctor finally concluded that he had but one kidney, and that the tube leading from this one kidney to the bladder was obliterated. The case was treated, but finally the patient succumbed, and this morning it was decided to hold an autopsy. There were several local doctors present, and it developed, when the post-mortem was held that the doctor was exactly right in every particular in his diagnosis. He received many compliments from the medical fraternity, as it is a most creditable accomplishment and one that would do credit to even a doctor who had spent his life in the service.

TEMPLE ISRAEL.

The series of discourses which Rabbi H. G. Enlow inaugurated at the Temple Israel at the last Friday evening service will be continued tonight. The discourses are to treat of the characters of the old Testament as presented in the past and present civilization. The first discourse dealt with the call and the wanderings of Abraham, and the beginning of human civilization. Tonight Rabbi Enlow will treat of "Abraham the Warrior" and will dwell particularly upon subjects of current and local interest. The services begin at 7 o'clock. A cordially invited audience.
