Cadiz Couple in Clarksville.

A MODERN ABRAHAM.

Wonderful Escape of Two Children.

What a variety of romance the personal column of a newspaper suggests! Saturday the DAILY NEW ERA briefly mentioned two young Cadiz persons among the city's visitors. Yesterday the paper chronicled the fact that the pair had eloped and married, and now regarding the pair another interesting story is affixed.

Shortly after the preacher had pronounced the vows linking the destiny of the Trigg countians, the groom, wild-eyed and trembling with excitement, presented himself at the police headquarters and told a story of an "ancient and fish-like" variety. He stated that his pocket had been cut open by some villainous Clarksville citizen and pocket book containing a check on the Cadiz bank and five dollars in cash stolen. Besides this property the alleged thief had robbed him of a gold watch and chain.

Having no clue to work on, the police had some difficulty in investigating the case, but ex-Chief Stafford finally found the watch in possession of a Dr. Good-mould. This man gave him a receipt for exhibiting a bill of sale, signed by Daniel, for the time piece. He had paid the Cadiz man \$2.50 for it. The officers were unable to find the check and money. They believe that Daniel is a notorious sealer and do not believe the tale he told about being robbed.

Dr. V. M. Metcalfe Dead.

HAD BEEN ILL FOR WEEKS

The End Came Peacefully at Noon Yesterday.

At noon yesterday the spirit of Dr. Volney Minor Metcalfe fled from its temple of clay.

The death of this good man, while not unexpected, will make the community sad. He had been exceedingly ill for more than a month and for two weeks his life had been hanging by a slender thread. About dusk Wednesday his pulse temporarily ceased beating and he revived and passed a fairly comfortable night. This yesterday his condition changed for the worse and his beloved family, gathered around the bedside, awaited with heaving hearts, the visit of the death angel.

During his long sickness, Dr. Metcalfe was a great sufferer, but he passed away quietly.

The surviving members of his family are his wife, daughter, Mrs. A. Hill, and four sons, Messrs. Charles, George, Thomas and John Metcalfe.

The Johnson-Gorman Wedding.

IT WAS A BIG SURPRISE.

Various Matters of Considerable Local Interest.

Mr. James V. Johnson and Miss Elizabeth Gorman were joined in matrimony. The ceremony was performed at half past eight o'clock by Rev. H. C. Settle in the parlor of the bride's home, on North Main Street. Only the members of the family were present.

The service was about as last very pretty and at the conclusion the couple left immediately for Mr. Johnson's home on Jump Avenue.

The wedding was a great surprise to the intimate friends of the pair. The first intimation that the public received was through the paragraph published in this paper Tuesday.

The bride is the oldest daughter of Mr. Frank T. Gorman, the well-known merchant tailor. She is a pretty brunette, bright and attractive.

Mr. Johnson is an excellent young man. He holds a responsible position with Bassett & Co. and has the full confidence of his employers. He is popular with all our people.

The New Era wishes the couple a long and happy married life.

The Supreme Court at Nashville yesterday reversed the opinions of both the Chancery Court and Court of Appeals in the case of Capt. Thomas Herndon, of Clarksville, in a suit which involved his right to buy tobacco on the Clarksville market, from which he had been ruled by the Clarksville Tobacco Board of Trade. The case went through two courts and Herndon lost, and was taken to the court of last resort, and Herndon won. The greatest interest existed among the tobacco men of this section.

It's the old, old story, says the Mayville Ledger. Let an editor print a thousand columns of compliments about an institution or an individual, and not one person at interest will have a single "thank-you" for him but just let him make the slightest mistake in regard to that same institution or individual, and the floodgates of abuse are at once opened up as he. The fact is, all the people who know just how to run a newspaper so as to avoid errors are, unfortunately, always engaged in some other business.

We have from good authority that an Elton girl will astonish the town in a few weeks by riding her wheel in the streets diked out in a bloomer costume, says the Progress. Much has been said against bloomers here, but it is this girl does a pair, the men, we guarantee, will never open their lips again against them. But oh how jealous a few girls would become and how they would talk.

Mr. Benjamin Coleman, a well-to-do farmer of the Herndon neighborhood, died Tuesday after a short illness. He was over eighty years old.

Services over the remains will be held at the late residence Wednesday. The interment will take place in Clarksville.

Mr. Coleman was highly respected in the community. He was an honest, Christian man. He leaves a large family and a host of friends who are deeply grieved at the death.

Mr. Thomas Barrett, one of the pioneer settlers of this county, died this week at his home near Lafayette, of ill incident to old age. He had been in feeble health for several years. He was nine-one years old.

Dull and Unsatisfactory for New Dark Tobacco.

THE LOUISVILLE TOBACCO MARKET.

Live Stock Market—Broker Boales' Report.

A GOOD SUGGESTION.

A very large acreage of tobacco will be set in this and other counties of Eastern Kentucky this season, says the Grayson Eagle, and we fear the error of last year will be repeated. Too much, too late and badly frost bitten. Why not set about half as much, getting it out early or not at all, cultivate it well, keep it free from worms, raising a valuable article and getting twice as much per pound for it, thus saving half the ground, half the labor and still get as much ready cash?

BROKER BOALES' REPORT.

Hopkinsville, Ky., March 12, 1896. The Kentucky New Era—

The tobacco market opened this week with a full board of buyers and with animated bidding. Offerings largely common grades. The tone was better on common leaf. While lugs were easy and medium to fine leaf steady to firm. The brokers were crowded with farmers and dealers from this and surrounding counties, and were highly pleased with the sales. Receipts are increasing and by April first there will be larger sales.

At Nistons—M. Griffin, New York; Chas. Carth, Louisville; C. H. Bell, Mr. Pitt, John and D. McMurry, Springfield, Tenn.; J. Smith, Mr. Beach and others, Clarksville.

Lugs—common, \$1.00 to \$1.50; medium, \$1.75 to \$2.50; good, \$2.75 to \$3.00; fine, \$3.00 to \$4.00.

Leaf—common, \$2.00 to \$2.50; medium, \$2.50 to \$3.00; good, \$3.00 to \$3.50; fine, \$3.50 to \$4.00.

Wrappery—stogie, \$8 to \$12; plug, \$5 to \$14.
